response biases in oral reading, 62 yr old female with progressive impairment of semantic memory & surface dyslexia, test of "semantic glue" vs "summation" hypotheses, 4667
role of semantic memory in object selection & use, male 58 & 66 yr olds with dementia, case report, 36065
role of word identification, synonymy judgment, adults, 25262
semantic & episodic memory, 62 yr old female with bilateral lesions & deficits in memory for topographical objects, case report, England, 16317
semantic encoding, recognition memory, patients with Alzheimer's disease, 12603

semantic memory impairment, patients with dementia of Alzheimer's type (mean age 66.4 yrs), 31754
semantic memory impairment, 20–72 yr olds with schizophrenia vs 58–80 yr olds with mild-to-moderate Alzheimer's disease, 4009
semantic memory loss for visual identification of famous people & places, 64 yr old male with event memory impairment following major myocardial infarction & anoxia, England, case report, 12562
semantic memory loss, 43 yr old male with hypoxic-ischemic injury, case report, 31710
semantic priming during reading, nonautomatic memory retrieval & reduction & elimination of Stroop effect in variant of Stroop Color Word test, college students, Canada, replication, 37764
semantic processing of visual vs auditory stimuli & dissociation of living & non-living stimuli, female 72 yr old with left inferior temporal cortical atrophy & dementia, case report, 12595
semantic vs nonsemantic word encoding, free recall & perceptual & conceptual priming, 19–47 yr olds with closed head injury, Israel, 39564
semantic-word finding difficulties, females with mild or advanced progressive supranuclear palsy (mean aged 65.50 yrs), case reports, 42803
sensitivity to semantic structure of prose, 59–82 yr olds with Alzheimer's Disease, 26984
sentences with attitude-value concepts low vs moderate vs high in relatedness & with weak vs strong primes or targets, semantic memory & truth vs falsity judgment & response speed, college students, 17950
short vs long term memory & lexical-semantic knowledge, word span performance, children with Williams syndrome, Italy, 1630
spontaneous speech disfluency & naming deficits, male 68 yr old with aphasia, case report, 1596
strategic retrieval from semantic vs episodic memory on cue-word test, 37–76 yr old confabulating vs nonconfabulating amnesic patients, 39534
syntactic vs semantic vs lexical approach to subject–verb & pronoun positioning, children aged 1–3 yrs, 2 yr study, conference presentation, 34811
task demands, detection of semantic illusions, adults, Netherlands, 25279
temporo-limbic & inferior temporal cortical lesions, category-specific semantic impairment in visual-perceptual vs functional knowledge of living vs nonliving beings, 62 yr old postencephalitic female, 36085
transdermal nicotine, regional cerebral glucose metabolism & semantic memory, 79 & 81 yr olds with Alzheimer's disease, 16757
type of instructions & individual differences, choosing category or complementary semantic relations, college students, Canada, 21365
type of prior processing, correct word retrieval & tip of tongue state, 17–26 vs 64–82 yr olds, 303
unattended semantic information processing using selective attention priming task, 53–80 yr olds with Alzheimer's disease, 8595
utility of electrophysiological & behavioral time-course measures for exploring structural & contextual bases of knowledge representation in semantic memory, literature review, 17925
verbal encoding, recognition memory & name association of & RT to low familiar target vs distractor odors, 18–32 yr olds, 21233
working in dyads as friends vs acquaintances vs alone, semantic & episodic memory, college students, Sweden, 2858

Semantic Priming—Serials

association of name & occupation with recognition of unfamiliar faces, 18–64 yr olds, England, 28948
automatic lexical decision in semantic priming paradigm & intentional semantic relatedness judgments, adults with Alzheimer's disease, 4708
category priming in word search task, facilitation vs interference effect during lexical-semantic processing, 51–79 yr olds with Parkinson's disease, 1578
computational model of long-term semantic priming, college students, Canada, 41055
cross-modal semantic priming paradigm in spoken word recognition research, 28892
data vs conceptually driven processes in repetition priming of semantic comparisons, 17–27 yr old Air Force recruits, 308
development of brief measure of semantic priming, college students, application to cognitively impaired patients, 28559
ERPs & RTs & semantic priming deficits in categorization, 67–81 yr olds with dementia of Alzheimer's type vs healthy 18–27 vs 63–86 yr olds, 1623
full vs divided attention, associative priming of nonwords, young vs older adults, 3371
graphemically similar & dissimilar primes, naming of target words at onset asynchronies, adults, 6326
homphone density, phonologically mediated priming in visual Chinese character recognition, adults, 38241
implicit vs explicit memory processing ability & word priming with brief multiple presentation, 63–88 yr old patients with alcoholic Korsakoff's syndrome amnesia, Canada, 29447
initial &/vs repeated semantic &/vs perceptual encoding & functional MRI correlates in left inferior prefrontal cortex, priming effects on implicit & explicit memory processes, 18–32 yr olds, 2869
L-dopa with benserazide, semantic priming in lexical decision task, 20–43 yr olds, test of dopamine modulation hypothesis of increased signal-to-noise ratio in frontal lobe semantic network, 6949
letter insertion vs deletion to create words, measure of indirect memory & facilitation vs interference priming due to automatic & consciously controlled performance, college students, 10732
lexical decision onset asynchrony, semantic priming, older adults with vs without Alzheimer's disease, 4707
lexical decision tasks & long-term semantic priming effects, college students, Canada, 41072
masked word identification vs word fragment completion, priming patterns, college students, Canada, 28965
massed repetition of category name, subsequent semantic categorization of a target word as measured by N400 ERP component, 19–26 yr olds, France, 29416
mediated semantic-phonological activation as test of interactive activation vs discrete stage theories, undergraduates, 34230
methodologies used in study of semantic priming performance & deficits, patients with dementia of Alzheimer's type, literature review, 16313
negative semantic priming, automaticity & inhibition of & RT in incongruent naming in stimulus–response compatibility, 19–25 yr olds, 17946
negative vs positive symptoms, repetition & semantic priming with attended vs ignored prime stimulus, schizophrenic 18–41 yr olds, Australia & England, 1307
optimal identity priming & visual word recognition of Serbo-Croatian, high school & college students, former Yugoslavia, 28964
phonological &/vs orthographic basis for masked translation priming of cognates vs noncognates, Hebrew vs English dominant bilingual adults, Israel, 41566
presentation of lexical information in neglected visual field, semantic priming & word discrimination performance, 64–76 yr old hemispatial neglect patients, 16357
presentation of phrase primes describing positive drinking outcomes, responses to alcohol related words, adults with various levels of drinking experience, 11644
priming of concrete & abstract nouns &/vs motion & nonmotion verbs with short stimulus onset asynchrony, category-specific deficits in pronunciaton task, Alzheimer's disease patients (mean age 73 yrs), 42787
psilocybin, indirect & semantic priming in lexical decision paradigm, adults, 29620
psilocybin's defocusing effect, direct vs indirect semantic priming & spread of activation during lexical access to word associations, normal male adults, Germany, 11209

reaction time & semantic priming in detection of words vs nonwords in letter strings, HIV+ vs HIV– adults, 39445
regular vs irregular nonwords, masked homophone vs pseudohomophone prime inhibition vs facilitation of lexical decision, college students, France, 17900
relatedness proportion & stimulus onset asynchrony expectancy, inhibition vs facilitation of semantic & identity priming, adult Broca's aphasics, 12592
repetition priming for meaningful environmental sounds & prior semantic encoding, sound stem identification & explicit & implicit memory & cued recall, college students, 10684
repetition vs semantic priming, reading ability, 6th graders, 5646
semantic & lexical priming, naming accuracy, 3.8–5.9 yr olds with word finding deficits, 23226
semantic priming & auditory ERPs, sensory gating, schizophrenic 23–61 yr olds, 12076
semantic priming & role of set in visual word recognition, college students, Canada, implications for activation & activation blocking as automatic processes vs sensitivity to experimental context, 2833
semantic priming & spatial perception, selective attention, college students with normal vision, 18013
semantic priming during reading, nonautomatic memory retrieval & reduction & elimination of Stroop effect in variant of Stroop Color Word test, college students, Canada, replication, 37764
semantic priming with related vs unrelated pictures, lexical decision & oral reading ability & semantic matching, 50 yr old with alexia & nonfluent aphasia, 1602
specific visual form subsystem priming for new word pair associations in right vs left cerebral hemisphere, male college students, 21433
stimulus onset asynchrony, semantic priming & lexical decision, 25–72 yr olds with Broca's aphasia, 19612
structural invariance & semantic space, social representations in word associations, adults, Spain & Nicaragua, 7682
syllable position & stimulus lag between auditory-auditory prime-target pairs, lexical representation & processing of disyllabic Chinese Mandarin words, native speakers, 3315
tactile &/vs auditory semantic vs nonsemantic priming & 1 vs 3 stimulus presentations, implicit vs explicit memory processing in Braille stem completion task, blind 25–58 yr olds, Canada, 4724
topography & strength & laterality of channel ERP maps to sentence endings of different correctness & verbal vs nonverbal surface form & priming & repetition count, adults, 14822
varied stimulus onset asynchronies, cerebral hemispheric priming of non-associated category members, adults (mean age 22.5 yrs), 29317
verb generation priming, 38–80 yr old amnesia patients with or without Korsakoff's syndrome, implications for nondeclarative memory in semantic processing, 42836
within-domain vs cross-domain semantic self priming, facilitation of perceptual identity mapping, 24–40 yr olds, test of interactive activation & competition model, 17891

Semantics [See Also Antonyms, Synonyms]—Serials

ability to spontaneously cluster exemplars from specific category during fluency task, 19–66 yr old patients with chronic early onset schizophrenia, 30925
ability to use multiple syntactic frames in focusing on novel verb meaning, 2 yr olds, 11376
abnormalities of N400 ERPs & P300 auditory EP amplitudes on semantic picture matching task, schizophrenic 18–37 yr olds, China vs Cuba, 12024
access to & understanding of concepts & semantic relations, patients with Alzheimer's disease (mean age 68.4 yrs), Finland, 26995
adequacy of intention-based semantic analysis of linguistic meaning, 2–3 yr olds, 25779
African American English & linguistic complexity in discourse, African American 4–5.5 yr olds, 11339
anomaly judgments of subject predicate relations, elderly patients with probable Alzheimer's disease, 1577
arm flexion & extension, attitudes toward word & non-word stimuli, students, 3163
assessment of production & comprehension of indirectness & intercultural communication & individual differences in conversation processing, college students, South Korea vs US, 41568
auditory word repetition & priming & semantic context, lexical access, college students & 7–11 yr olds vs 55–85 yr olds, 41653
category priming in word search task, facilitation vs interference effect during lexical-semantic processing, 51–79 yr olds with Parkinson's disease, 1578
cognitive science based approaches to computational modeling of semantics in study of figurative language, 11270
computer based tool for enhanced cognitive mapping using symbol based formalism of semantic networks, implications for application to modeling belief changes & decision making, 2407
conceptual metaphor correspondences vs categorical attributes, interpretation of & perceived similarity between & encoded nature of representation of understanding metaphors, college students, 254
connectionist study of semantic category imprecision & temporal lobe distribution of semantic knowledge, 29691
construction of high dimensional semantic spaces in automated fashion from text bodies & modeling of concept similarity, 10248
correlation of category membership & magnitude, semantic distance for judgments of object size, undergraduates, 14611
development of proverb understanding & metasemantic hypothesis, 13–79 yr olds, 29808
discourse representation & surface structure representation of antecedents in texts, resolution of plural pronouns, college students, Spain, 28836
earlier closed head injury, language functioning in areas of syntax & semantics & pragmatics, 9–17 yr olds, 31802
early vs late disorder onset, N400 latency & amplitude during semantic congruency task, adults with schizophrenia vs schizoaffective vs delusional disorder & related psychosis, 35620
evaluation & activity & potency dimensions of speech perception, speeded lexical decisions about emotion words heard in meaning-congruent vs incongruent tone of voice, college students, 28812
evaluation of developmental arrangement of lexemes for Profile in Semantics-Lexical procedure, linguistically coherent structure in speech, 2.6–6 yr olds, Australia, 7253
evolution & energetic profiles of nature & hierarchical systems & functional architecture of simplest cognitive system & semantic filter, 28845
explicit vs implicit teaching & learning styles, word meaning negotiation in picture categorization game, 2.7–5.2 yr olds & their 5.8–7.6 yr old siblings & their mothers, 15242
familiar vs unfamiliar metaphors with vs without relevant sentence context, N400 ERP components & temporal aspects of metaphor comprehension, 17–41 yr olds, France, 14940
Hyperspace Analogue to Language computational model of high-dimensional context space & effects on syntactic processing, 41559
intonation & affective prosody perception & comprehension with vs without semantic cues, 43–82 yr olds with right vs left cerebral infarctions, Canada, 23448
latent semantic analysis theory of acquisition & representation & induction of knowledge, 25303
lateralized readiness potentials as measure of temporal properties of semantic & phonological processes in speech production, 20–27 yr olds, Netherlands, 38024
lexical decisions in sentences with last word as sexual double-entendre, male vs female college students, test of sexual content-induced delay model, 28849
lexical–semantic & reading task performance, 73–89 yr old female patients with probable Alzheimers disease with moderate vs severe semantic impairment, 31864
mapping of novel verbs onto novel vs familiar actions, 2 yr olds, 11369
naming performance & semantic knowledge for different categories, patients with dementia of Alzheimer's type (mean age 68.4 yrs), 42813

neurophysiological characteristics of semantic processing, 20–55 yr old males with schizophrenia, 31024
orthographic & semantic ambiguity, word naming & lexical decision, college students, implications for distributed memory models, Australia, 6293
orthographically &/vs semantically related vs unrelated distractor words, Stroop-like semantic interference effect in picture naming task, college students, Netherlands, commentary reply, 6345
orthographically &/vs semantically related vs unrelated distractor words, Stroop-like effect in picture naming task, college students, Netherlands, commentary, 6337
perceptual & semantic relationships of right & left halves of chimeric stimuli, overt & covert visual processing & neglect, 56–82 yr old right brain damaged patients, Italy, 31859
phonological & orthographic components of lexical semantic system, adult with aphasia, case report, 36113
phonological & semantic & other errors in naming pictures of objects, 35–70 yr olds with aphasia, 26980
phonological & semantic categorization, ERP & RT & response accuracy, average vs reading-impaired undergraduates, 39269
presentation of mirror-reversed word & nonword horizontal letter strings, reading aloud vs lexical vs semantic decision task performance, 53–88 yr olds with left neglect dyslexia, 42812
prime vs target regularity & relatedness & imageability, phonological mapping, college students, test of dual route & interactive semantic activation models, 37699
prosody, prediction of end of sentence after point where syntax & semantics do not contribute, English vs French listeners vs right vs left hemisphere brain damaged patients, 11264
reintroduction of referents in narratives, 4–10 yr olds, Italy, 11380
relatedness & number of word meanings, lexical decision RT, college students, 28832
relationship between ontological knowledge & natural language understanding, implications for artificial intelligence, 2413
role of covert semantic classes, overgeneralization of reversive prefixes in neural network, children, 24912
"same" vs "different" stimulus imagery, recall in paired associative learning, adults, 18008
semantic & lexical & cueing aid treatment, word finding abilities, 62 yr old male with stroke induced dysphasia, case report, 36822
semantic & phonological approach for teaching vocabulary, 10.7–10.9 yr olds with wordfinding difficulty, 5 wk follow-up, 40480
semantic & phonological treatment approach to word-finding difficulties, naming & self-cuing, 9.9-yr-old male with developmental language disorder, 24362
semantic & temporal congruence in music & motion pictures, interpretation of visual action, college students, Canada, 11232
semantic access, 60–80 yr olds with severe neglect dyslexia for words &/or non-words, Italy, 23427
semantic characterization of lexical items in linguistic theory, 15132
semantic dependencies between attributions & relations, similarity judgments & structural-alignment, undergraduates, 28833
semantic distance between target & background classes, category search, college students, Finland, 25275
semantic inhibition failure, age related decline in text comprehension, 18–28 yr olds vs 61–82 yr olds, 7266
semantic price cues & decision context & discount size, value perceptions, college students, 10171
semantic priming with related vs unrelated pictures, lexical decision & oral reading ability & semantic matching, 50 yr old with alexia & nonfluent aphasia, 1602
semantic similarities between visually presented targets & auditorily presented distractors, serial recall of visual targets, 19–32 yr olds, Germany, 17966
semantic therapy using word-to-picture matching tasks, word production & retrieval deficits, patients with aphasia, 24358
semantic vs phonemic fluency & performance on semantic vs phonemic word list generation tasks, patients with Alzheimer's disease vs vascular dementia vs Huntington's disease, 23365
semantic vs phonologic verbal fluency, patients with schizophrenia, 7961
semantically & phonologically related vs unrelated distractors, speech onset time of noun phrases & sentences, college students, Netherlands, 255
semantically congruous vs incongruous final words in spoken sentences, auditory ERPs, 68 yr old globally aphasic male, Finland, 3 mo followup, 12668
semantics & phonology, surface dyslexia, 59 yr old male with primary progressive aphasia, case study, 19664
semantics of language & therapeutic elements & structure & techniques of linguistic therapy of evaluation as type of cognitive therapy, 32120
sensitivity to semantic & syntactic sentence structure violations involving nouns or verbs, 49–67 yr olds with aphasia, 8658
sensitivity to semantic satiation, 18–38 vs 59–83 yr olds, 25732
sensitivity to semantic structure of prose, 59–82 yr olds with Alzheimer's Disease, 26984
sex, semantic meanings & prediction of impression formation, volunteers, Japan vs US, 18905
stimulus familiarity & semantic category, semantic lexical deficit, 57–79 yr olds with Alzheimer's disease, 1572
superordinate comprehension & word–picture matching & oral naming, adults with probable Alzheimer's disease (mean age 75.5 yrs), model of semantic organization for category specific impairments, 31783
syntactic & semantic effects, errors in speech of idiom pairs, adults, 21333
syntactic context & semantic relatedness effect in lexical decision & naming tasks, college students, 37722
syntactic context of stimulus sentences, encoding RT of semantic & phonological information of target words, 18–52 yr olds with vs without stutter, Germany, 1473
teaching model for spontaneous use of semantic relations through multipointing, 5.6 yr old male with autism & learning disabilities, 40203
teaching strategy for understanding & explaining humor in lexical jokes, mastery of strategy & generalization, 7 yr olds & learning disabled 9 & 11 yr olds, 9971
universal quantifier use & ability to associate them with collective & distributive & exhaustive representations, 4–10 yr olds & college students, 11334
use of featural representations in computation of word meaning, college students, Canada, implications for semantic impairments in Alzheimer's disease, 28868
utility of automatic latent semantic analysis in text based research, adults, 7135
verb choice in question formation, respondents' answers, adults, Netherlands, 41577
visual pseudoword processing in differential conditioning paradigm, lateralized cortical ERPs, adults, Germany, 6718

Seminaries—Serials

integration training in seminary environment, Christian mental health professionals, 40263

Semiotics [See Also Pragmatics]—Serials

analysis of conversation content to illustrate semiotic cognitive function, 68 & 75 yr olds with Alzheimer's disease, commentaries included, 8640
reconciliation of theories of cognitive analytic therapy with theories of linguistics & semiotics & information processing, comment, 39660
self quotation & self representation of thought & quotative explanation & juxtaposition of semiotic contexts, manipulation of multiple voices in Japanese discourse & speech acts, 21965
semiotic analysis of symbol making in classroom computer center, kindergartners enrolled in whole-day program, 13714

semiotic aspects of multiplicity of value & composition of values, understanding of way signs are used in place-value system, 2nd–4th graders, 36984
sociosemiotic perspective on classification of ontological realms in natural language processing in computational systems & artificial intelligence, 2411
Senegal—Serials
risky sexual practices & knowledge & behavior changes, adults, Senegal, 16782
Senile Dementia—Serials
blood sugar metabolic changes & related cerebrovascular deficits, cognitive impairment & memory recall & depression, 70–86 yr olds with senile dementia &/vs diabetes mellitus, conference presentation, 31614
cognitive performance & evolution & subgroups of cognitive impairment & senile dementia, adults over 60 yrs old, France, longitudinal study, 4701
dementia vs other diagnoses & precipitants to referral & outcome & placement at discharge, 14–83 yr old memory clinic attenders, implications for non-geriatric neuropsychiatric services, 31809
discriminant validity of informant screening test, differentiation of Ss with vs without senile dementia, 65 yr olds & older, 10479
pathological vs normal range distribution of senile dementia scores, 70–79 vs 80–89 vs 90–103 yr olds, Germany, 1618
prevalence & associations & symptoms of major vs minor depression, 65 yr olds & older with Alzheimer's disease vs vascular dementia vs dementia of Lewy body type, 4645
reduction of haloperidol treatments & effect on agitation levels, 73–99 yr olds with agitated senile dementia, 32598
severity of illness & CSF concentrations of glutamate & aspartate & taurine, 53–90 yr olds with dementia of Alzheimers type, 23380
Sensation [See Perception]
Sensation Seeking—Serials
affective state & response to medication & duration of depressive episode, stability of harm avoidance & novelty seeking & reward dependence scores, patients with major depression, 11950
demographic & psychological characteristics & sexual behavior & compulsivity & sensation seeking, HIV positive men in substance abuse support groups & HIV prevention programs, 42741
demographics & family psychiatric history & age & cholesterol & use of neuroleptics & severity of depression & anxiety, novelty seeking & harm avoidance & reward dependence, alcoholic patients, 1395
dopamine D4 receptor genotypes & novelty seeking, 25–61 yr olds, Sweden, replication, 29311
genetic & environmental influences on individual differences & role of mesolimbic dopamine system in novelty seeking & increased risk for using drugs of abuse, literature review, 450
geographical location & public consensus & sensation seeking & architectural style, design review & public preferences, adults, 37265
high vs low responsiveness to novelty, exploration & amphetamine self-administration & food reinforcement & corticosterone & dopaminergic activity, rats, animal model of sensation seeking, 21629
impulsive & sensation seeking & aggressive & hostile & antisocial personality traits, 19–48 yr old female prostitutes vs female food service workers, 7738
light flash intensity, visual EP augmentation vs reduction & locus of origin in visual cortex vs lateral geniculate nucleus, male rats, animal model of sensation-seeking, 6722
locus of control & sensation seeking & physical & psychological stress, college students, Belgium, 18955
measures of sensation seeking, prediction of alcohol use, male 9th & 10th & 11th graders, Australia, 22083
moderate drinking vs abstinence from alcohol, coping style & mental absorption & sensation seeking & affect inhibition, undergraduates (mean age 21.9 yrs), Norway, 15559
novelty seeking & harm avoidance & reward dependence personality scale scores, prediction of alcohol expectancy & drinking patterns, 16–21 yr old psychiatric inpatients, 25020
novelty seeking & hormones of thyroid & cortisol & norepinephrine & epinephrine & testosterone systems, male combat veterans with PTSD, 31129
psychobiological model for extraversion-sociability & impulsive unsocialized sensation seeking & neuroticism-anxiety & underlying behavioral mechanisms & neurotransmitters & enzymes & hormones, 22587
self esteem & sensation seeking & leisure boredom, leisure-time usage & satisfaction & substance abuse & crime involvement, rural vs urban 12–19 yr olds, Australia, 11440
sensation seeking & extraversion & introversion & impulsivity, rate of temporal discounting of rewards, college students, Poland, 11745
sensation seeking, substance use & high risk sexual behavior, male homosexuals, implications for HIV prevention interventions, 3697
sensation seeking, TV viewing motives & preferences, college students, 22561
sensation seeking, 18–80 yr old probands & relatives with substance abuse &/or anxiety disorders, 30699
serotonergic & dopaminergic activity, mediation of sensation seeking behavior, male college students, 21795
sex & critical thinking & locus of control & sensation seeking, risk taking behavior, college students, 7724
sexual sensation seeking & self-control & pleasure ratings for sexual behavior, gay & bisexual males, implications for HIV prevention, 41948
urinary monoamine levels, novelty seeking & harm avoidance & reward dependence, 25–35 yr old healthy males, 41290
visual EP augmenting & reducing in animal model of sensation seeking, cats & selectively bred rats, 21599
Sense Organ Disorders [See Anosmia, Ear Disorders, Vision Disorders]
Sense Organs [See Also Ear (Anatomy), Eye (Anatomy), Taste Buds]—Serials
description & evolution of sensory characteristics, hagfishes vs lampreys vs gnathostomes, 21595
detection of vibrational signals by octavolateralis system & use of sound for communication, fishes & zooplankton, conference presentation, 14963
model for neural mechanisms underlying odor discrimination & memorization in antennal lobe, computational capacities of neural circuitry, honeybees, 21672
offspring-induced sensory stimuli, maternal nurturance, animals model of human behavior, conference presentation, 41280
sense organs involved in predation, cephalopods, conference presentation, 14945
Sensitivity (Drugs) [See Drug Sensitivity]
Sensitivity (Personality)—Serials
definition of maternal sensitivity in child attachment literature, 15313
inhibited vs sensitive personality styles, combat & aging & other PTSD stressor intensity, male 60–70 yr old & older combat veterans, 15983
maternal sensitivity, infant attachment security, 12.2–17.0 yr olds & their mothers (mean age 30.7 yrs), 2 yr study, Japan, 29941
personality traits of dependency & neuroticism & interpersonal sensitivity & obsessionality, vulnerability to major depression, implications for treatment planning, 4078
progression of HIV-infection, gay males sensitive to social rejection, 9 yr study, 19537
sensitivity to emotions, burnout & performance, salespersons (mean age 37 yrs), analysis of emotional contagion hypothesis, 43729
teaching & parenting & counseling issues with emotionally sensitive adolescents, 22136
the analyst's intra- & interpersonal sensitivity to emotional nuance, 36362
Sensitivity Training—Serials
experiential learning in culturally diverse field setting, sensitivity training in social work, female college students, Canada, 24445
Sensitization Repression [See Repression Sensitization]

Sensorially Disabled [See Also Aurally Disabled, Visually Disabled]—Serials
age & education level & SES & religion & daily hassles, active cognitive or behavioral vs avoidance coping strategies, male vs female 18–58 yr olds with physical or sensory disabilities, Australia, 1509
consequent stimuli, stereotypical & self injurious behavior, 9 yr old male & 20 yr old female with severe developmental disabilities & sensory impairments, 27226
judgments of detection of structure in biological motion displays, patient with low-level motion perception, replication, 21269
quality & costs of hospital based vs campus style specialized services vs specialized vs ordinary group home services, 17–57 yr olds with severe learning disabilities & sensory impairments, 9369
Sensorially Handicapped [See Sensorially Disabled]
Sensorimotor Development [See Perceptual Motor Development]
Sensorimotor Measures—Serials
development & validity of peak ratio & area ratio tests, assessment of contributions of neurons to perstimulus compound action potential in response to auditory stimulation, chinchillas, 37380
discriminating power & items of the Sensory Profile, 3–13 yr olds with vs without autism, 37443
factor structure of the revised Sensory Profile, 3–10 yr olds without disabilities, comparison with children with disabilities, 37389
hand & mouth & eye preferences on sensory & motor tests measuring lateral preferences, common marmosets, 18162
performance on 3 versions of the Puzzle Reproduction task of the Loewenstein Occupational Therapy Cognitive Assessment, 18–30 yr olds vs 58–70 yr olds, 38323
psychomotor skills assessments in selection research, military pilot trainees, literature review, 6115
Rasch model of measurement, construct validity of Sensory Integration & Praxis Test of developmental dyspraxia, 4–20 yr olds, US & Canada, 10447
relationships between behavioral items of the revised Sensory Profile & sensory modulation, 3–10 yr olds without disabilities, comparison with children with disabilities, commentary, 37378
relaxation of practice session guidelines, validity of cognitive & psychomotor tests, 18–25 yr olds, data reanalysis, 14207
utility of Kinaesthetic Sensitivity Test, measurement of passive vs active kinesthetic acuity & perception & memory & performance IQ, clumsy vs normal 8–12.9 yr olds, Australia, 36
validity generalization for cognitive & psychomotor & perceptual test for utility industry craft jobs, erratum, 6120
Sensorimotor Processes [See Perceptual Motor Processes]
Sensorineural Hearing Loss [See Hearing Disorders]
Sensory Adaptation [See Also Dark Adaptation, Light Adaptation, Orienting Reflex, Orienting Responses]—Serials
adaptation & stochastic fluctuations, spontaneous perceptual changes in perceived motion for bistable stimuli, adults, 28756
adaptation to & detection of motion in depth & rotation in human visual field, adults, implications for position invariance of complex motion detectors, 2782
color matching data & spectral distributions in color vision adaptation to spectral environment, 28734
discrimination & matches of & adaptation to high spatial frequency & contrasting laser interference fringe patterns, Os, 2781
frequency & sound level, loudness adaptation & excitation patterns, 18–23 yr olds, 37672
habituation following repetitive stimulation, threshold & amplitude & latency of startle reaction, rats, 18077
habituation, preferences for novel visual stimuli, 0–4 mo olds, 1 vs 2 vs 3 vs 4 mo followup, 15251
head oscillations during fixation on stimulus moving in same vs opposite direction of head movement, apparent concomitant motion adaptation, 20–40 yr olds, 21282
increase in sensory input during early ontogeny, implications for alternations in processes of learning & memory in adult animals, 41350
intensity of NaCl solution, degree of adaptation & recovery time course as measures of taste responsivity, adults, 21238
luminance contrast of adaptation &/vs test stimuli, magnitude of static vs flicker motion aftereffects, Os, 41033
perceptual & structural similarity of odorants, cross adaptation between androstenone & other odorants sharing common urinous note, adults, 21234
prolonged visual stimulation & cellular mechanisms underlying contrast adaptation in visual cortex, cats, 34596
psychophysical investigative paradigms for perceptual learning & sensory integration & adaptation in human & machine vision systems, 10624
spatial frequency & equidetectability of 3-element target, adaptational aftereffect to spatial offset of middle element to opposite direction of alignment & detection thresholds, adults, 2771
stimulus onset & intensity, characteristics of long term adaptation of auditory nerve fiber responses, cats, 10961
systematic desensitization & sensory awareness relaxation & ego-enhancing suggestions & hypnosis, phobic anxiety, 39-yr-old female with PTSD, 32635
tactual activation of primary visual cortex & compensatory sensory changes with performance of tactual tasks, blind braille reader, 4729
unilateral vestibular neurectomy, 2-wk delay in recovery of fine posturo-kinetic balance in environment with vs without stroboscopic illumination eliminating visual motion cues, cats, 6699
velocity of visual target movement & prism displacement, reaching adaptation, 20–33 yr old males, 34188
visual learning in texture perception & simple & contingent texture density aftereffects, college students & staff, 10625
visual vs somatosensory information, adaptation of fingertip forces to object shape, 21–30 yr olds, 41049
zingerone vs capsaicin & interstimulus intervals & chili consumption frequency, time–intensity irritation characteristics & sensitization effects, adults, 7034
Sensory Deprivation—Serials
anterior process cautery & vomeronasal nerve lesion, vomeronasally mediated prey attack behavior toward artificial worms coated with distilled water vs earthworm wash, garter snakes, 37967
light deprivation & hyperstimulation, exploratory behavior, male rats, implications for theory of need for stimulation, 6447
olfactory bulb synapse distribution during normal development vs after early olfactory restriction, synaptophysin-like immunoreactivity, male rats, 6635
olfactory deprivation, cellular expression of Bc1-2 gene in olfactory bulb, young rats, implications for olfactory experience related neural plasticity in cell survival, 14863
pointing at memorized targets & knowledge of arm position in microgravity vs on ground location & during restriction of vision, Spacelab crewmembers, 21321
reverse suturing & resultant inability of eyes to see at same time, alignment of orientation preference maps, kittens, implications for visual experience as necessary for match of orientation, letter, 542
role of nasal chemical senses in tongue-flick rates during presence of airborne prey odor cues, snakes after main olfactory vs vomeronasal nerve lesions, 37968
unilateral vestibular neurectomy, 2-wk delay in recovery of fine posturo-kinetic balance in environment with vs without stroboscopic illumination eliminating visual motion cues, cats, 6699
Sensory Disabilities (Attit Toward)—Serials
attitudes toward & perceptions of occupational competence of physicians who stutter, nurses, 24488
emotional adjustment, response bias in subsections of Nottingham Adjustment Scale regarding acceptance of sight loss & attitudes toward blindness, visually impaired, 14261
Sensory Feedback [See Also Auditory Feedback, Visual Feedback]—Serials
cell recordings & spatial segregation of thalamic afferents into barrel territories, topological order in somatosensory cortex & spatiotemporal relay of sensory information, barrelless mutated mice, 3099

computational model of cholinergic suppression of associative feedback & self-organizing feedforward synaptic transmission in somatosensory cortical slice during learning, rats, 6627
head oscillations during fixation on stimulus moving in same vs opposite direction of head movement, apparent concomitant motion adaptation, 20–40 yr olds, 21282
intensity & duration of pulsed sounds resembling bat echolocation, ultrasound generated by metathoracic leg nerve tymbal motor patterns, dogbane tiger moth, test of closed-loop defense hypothesis, 29036
interaction of virtual reality with computer simulated environments through multimodal sensory feedback & human factors systems with input-output devices, 14072
prevalence of sensory defensiveness behaviors, adults vs children with developmental disabilities, 39237
proprioceptive feedback, unilateral left neglect, brain damaged 47–81 yr olds, 23463
sensory surroundings & inputs, illusion of accelerated self motion after treadmill running & relation to unconscious interference & recalibration oof sensory mechanisms, 23–73 yr olds, letter, 10678
servocontrol vs dynamical theory of human upright stance control, 230
target distance & size & sensory modality, movement characteristics of multimodal mouse with tactile &/vs force feedback, 29–44 yr olds, 10230
visual vs proprioceptive input, bimanual coordination patterns, 20–30 vs 66–77 yr olds, 28822
vocal instruction & Visi-Pitch feedback, speaking fundamental frequency range & vocal intensity & pause time & verbal intelligibility, aphasic & dysarthric 64 & 70 yr olds, case reports, 16998

Sensory Gating—Serials

auditory EP P50 amplitude, auditory sensory gating development & phenotype, 10–14 vs 15–19 vs 20–39 yr olds including monozygotic vs dizygotic adolescent twins, implications for schizophrenia, 15183
clozapine, gating of auditory P50 EP, neuroleptic refractory schizophrenic 24–54 yr olds, 13021
dopamine agonists vs antagonists, regulation of prepulse inhibition of acoustic startle & sensorimotor gating, male rats, 3290
gating paradigm for spoken word recognition research, 28794
habituation & P50 auditory EP suppression, patients with schizophrenia (mean age 33.3 yrs), 35592
heritability of inhibitory gating of P50 auditory evoked potential, 21–51 yr old monozygotic vs dizygotic twins, implications for genetic studies of schizophrenia, 18136
neonatal 6-OHDA, dopamine levels in striatum & nucleus accumbens & substantia nigra & ventral segmental regions & disruption of auditory gating with apomorphine vs amphetamine, rats, 7086
PCP analog dizocilpine, prepulse inhibition & facilitation of acoustic startle response, male rats, animal model of sensory gating in schizophrenia, 29500
prepulse inhibition magnitude & deficits in sensorimotor gating, male 7–15 yr olds with ADHD with vs without Tourette's syndrome, 1419
prepulse inhibition of acoustic startle response indicating sensory gating, vigilance & distractibility & attention, medicated patients with chronic schizophrenia or schizoaffective disorder, 4161
P50 temporal variability, sensory gating, patients with schizophrenia, conference presentation, 39041
semantic priming & auditory ERPs, sensory gating, schizophrenic 23–61 yr olds, 12076
sensory gating in computer model of CA3 neural network of hippocampus, application to study of neuronal circuits involved in sensory processing deficits in schizophrenia, 33847
serotonin releasers, auditory & visual prepulse inhibition, male rats, 3230
sex, inhibitory gating of amplitudes of auditory EPs, 18–38 yr olds, 464
stimulus level & relative frequency region, recovery of threshold overshoot for signal near masker onset, Ss, 10668

Sensory Handicaps (Attit Toward) [See Sensory Disabilities (Attit Toward)]

Sensory Integration—Serials

crossmodality training, visual or auditory avoidance responses after bilateral visual or auditory neocortex lesions, male rats, 460
McGurk effect & audiovisual perception & audiovisual stimuli, infants ages 20.5–22 wks vs college students, Canada & US, 28724
multiple looks model of auditory temporal integration & resolution, 2788
neurological soft signs & psychosocial factors & comorbid dysfunction, functioning & sensory integration difficulties, children with attention deficit disorder, letter, 8342
NMDA receptor blockade in anterior forebrain, song learning & development, juvenile male zebra finches, 25558
perception of auditory-visual temporal synchrony, 17–47 yr olds vs 2–8 mo olds, 3369
positional frames of reference in model of sensorimotor integration & control variables in CNS, kinematic & EMG patterns of intentional movements, commentaries & reply, 229
psychophysical investigative paradigms for perceptual learning & sensory integration & adaptation in human & machine vision systems, 10624
Rasch model of measurement, construct validity of Sensory Integration & Praxis Test of developmental dyspraxia, 4–20 yr olds, US & Canada, 10447
robotic arthropod with neural network controller for research on sensory/motor integration, conference presentation, 37304
robust neural network mechanism explanations for visual persistence & temporal integration properties, 14110
score patterns on Sensory Integration & Praxis Test, 4–9 yr olds with ADHD, 19445
sensory integration of spatial information, 18–56 yr olds with panic disorder with vs without mild vs moderate vs severe agoraphobia, 35664
synaptic integration of sensory systems & stimulus intensity, associative learning, marine mollusk Hermissenda, 10976
utilization of multisensory environments & sensory stimulation in care, elderly with dementia, 20300
vision with vs without feedback in sensorimotor integration, skilled aiming movement, 6–12 vs 23–45 yr olds, Canada, 11338
visual &/vs vibratory cues, foraging patch residence time, wolf spiders, 412

Sensory Neglect—Serials

ablation of medial agranular region of frontal cortex & neglect of contralateral stimuli, binding of striatal glutamatergic & dopaminergic receptors & spontaneous recovery from neglect, rats, 498
anatomical & neurological correlates of acute vs persistent visuospatial neglect, 21–77 yr old stroke patients, Sweden, 39472
anosognosia for cognitive & motor impairments, 49–81 yr olds with right brain damage & motor & neglect disorders, 16307
apomorphine dosage, neglect induced by unilateral lesion of posterior parietal cortex, male rats, 6858
cold water calorics, EEG changes & eye gaze deviation, 83 yr old female with massive hemisphere CVA exhibiting severe hemispatial neglect, case report, test of arousal hypothesis of neglect, 39562
cuing procedures in line bisection task, unilateral neglect, 41–66 yr olds with left neglect, implications for neglect rehabilitation, 16345
decision context, pseudoneglect in visual line bisection, right-handed males, 21268
disconnection of medial agranular & posterior parietal cortex, directed attention & neglect of visual & auditory & tactile stimulation, male rats, 34527
dissociable behavioral & neuroanatomical subtypes of visuospatial neglect, 21–80 yr olds with unilateral right hemisphere infarcts, 16356
eye movement patterns during viewing of whole scenes vs whole vs chimeric vs half stimuli, 60 yr old male with object based neglect after stroke, erratum, 12569

eye movement patterns during viewing of whole scenes vs whole vs chimeric vs half stimuli, 60 yr old male with object based neglect after stroke, 4638
eye movements vs perceptual completion, identification of images as half vs whole objects, 59 yr old male stroke patient with object-based neglect without hemianopia, 16390
fixation offset & bilateral or simultaneous target presentation & global effects, saccadic eye movements, 59–64 yr olds with unilateral neglect due to right parietal lobe damage, 12689
fragmented form processing in visual neglect, 52 yr old male with left side hemiplegia & unilateral left neglect, 12627
head & body centered hemispace, line bisection task performance, male 62–78 yr olds with left unilateral neglect, 23401
hemispatial neglect, overt & covert & unconscious processing of left-side information in whole or half or chimeric drawings, 43–85 yr olds with right brain damage, 31858
hemispheric pseudoneglect & magical thinking in tactile bisection, 17–29 yr olds, implications for schizophrenia, 30940
HMPAO SPECT cerebral blood flow & neuropsychological assessments of hemispheric visuo-spatial neglect, 51–88 yr old stroke patients, 31757
hybrid repeating sequence, serial RT, 56 & 64 yr old patients with unilateral neglect, 42791
informational &/or configurational letter asymmetries, object centered neglect, neurologically intact college students, 29270
intention to reach toward center of rod or place coin on lid vs pointing to center, unilateral neglect, 44–77 yr old patients with cerebral infarct, 16369
lateralized visual stimuli, motor reaction times, 46–77 yr old right brain-damaged patients recovered from vs with left hemineglect, 39478
left medial agranular area ablation, SCH 23390 reinstatement of severe neglect of contralateral stimuli of each modality & D1 dopamine receptor numbers & affinities in caudate putamen, rats, 497
lesions to angular gyrus & left frontal eye field, shifts of spatial attention & saccades, male 74 yr old with 1st stroke spatial neglect disappearing following 2nd stroke, case report, 19661
line length representation, normal vs left unilateral neglect dextral French vs Israeli left to right vs right to left readers, 26956
localization of lateralized auditory stimuli, 39–71 yr olds with stroke induced right hemisphere damage with vs without visual neglect, Israel, 23357
luminance & eccentricity & hemifield & hemispace of stimulus presentation, RT to & extinction of unilaterally & bilaterally presented light flashes, 48 yr old male with right hemisphere lesion, 16377
palilalia & unilateral spatial neglect from lesion following subcortical hemorrhage in frontal lobe, 55 yr old male, case report, 16347
perceptual & premotor components of unilateral auditory neglect, 62–73 yr olds with left neglect, 16381
perceptual & semantic relationships of right & left halves of chimeric stimuli, overt & covert visual processing & neglect, 56–82 yr old right brain damaged patients, Italy, 31859
presentation of lexical information in neglected visual field, semantic priming & word discrimination performance, 64–76 yr old hemispatial neglect patients, 16357
processing of left vs right sided material in reading & word association tasks, 82 yr old female with right fronto-temporo-parieto-occipital lesion & left neglect dyslexia, case report, Italy, 31901
proprioceptive feedback, unilateral left neglect, brain damaged 47–81 yr olds, 23463
reduction of gravitational inputs conveyed by otolith system, directional errors in line bisection task, brain damaged patients with unilateral neglect, 16364
reliability & validity of test of personal neglect, right brain damaged cerebrovascular accident patients with vs without extrapersonal vs left brain damaged patients, 37498
right eye patching, rehabilitation effectiveness for left-sided visual neglect, brain-injured 61–82 yr olds with right hemisphere lesions & unilateral visual neglect symptoms, 31908
right hand use & right hemisphere activation, line bisection with right hand vs head-mounted miner's lamp, 24–83 yr olds with left visual neglect, 42806
right vs left visual field stimulus, eye movements & overt & covert visual attention orienting, visual neglect 61–80 yr olds with parietal & frontoparietal brain lesions, 26996
semantic access, 60–80 yr olds with severe neglect dyslexia for words &/or non-words, Italy, 23427
sensory-attentional & motor-intentional factors, spatial bias in line bisection & cancellation tasks, 24–63 yr old males & 28–73 yr old females, 28767
single word reading & copying dissociation, 72-yr-old patient with right-brain damage & left visuo-spatial neglect, case report, 26961
space constancy following passive locomotion along route with left or right turns, blindfolded 42–83 yr olds with right hemisphere brain damage & left neglect, 39484
spatial neglect, goal directed arm movements, adults with unilateral right hemisphere lesions, 31807
stimulus attributes & distractor load, visual search & attention, male 67 yr old with right frontal lobe infarction & visual neglect vs female 71 yr old with fronto-parietal lesion, case reports, 36095
stimulus object in vs not in isolation, unilateral spatial neglect, 35–76 yr olds with mild neglect, 1624
stimulus salience & attentional demands, visual search patterns, Ss with brain damage with or without hemispatial neglect, 42780
sustained attention & awareness of disability, 47–77 yr old stroke patients with chronic left unilateral visual neglect, Sweden, 12561
transcutaneous electrical stimulation, tactile perception contralateral to hemispheric lesion, right & left brain damaged 42–81 yr olds with & without visuospatial hemineglect, 16765
trunk rotation, latencies of visual EPs, 45–74 yr olds with right brain damage with vs left brain damage without visuospatial neglect, 31891
unilateral visual neglect, non-spatial temporal dynamics of attention, nonstroke vs right hemisphere stroke adults with vs without neglect, 31798
unilateral visual spatial imagery neglect, 67 yr old male ischemic stroke patient, case report, application of visual spatial working memory model, 26936
visual & tactile neglect & directional hyperattention during search task, 20–74 yr olds with left vs right brain damage with vs without left visual neglect, 31790
visual EP amplitude & latency, right vs left brain damaged elderly with vs without visuospatial neglect, 12576
visual left field neglect, visual linguistic sign processing vs nonvisual object processing, 61 yr old deaf male American Sign Language signer, 36170
visual neglect, facial discrimination, right vs left hemisphere cerebrovascular lesions, 27015
visuo-spatial neglect, 61 yr old with right hemispheric stroke, 16350
visuospatial attention, object centered vs scene based neglect, 49–80 yr old patients with hemispatial neglect, Canada, 4715

Sensory Neurons [See Also Auditory Neurons, Baroreceptors, Chemoreceptors, Mechanoreceptors, Nociceptors, Photoreceptors, Proprioceptors, Taste Buds, Thermoreceptors] —Serials

application of quinine to head, generalized & signal specific long term sensitization in defense behavior command neurons, snails, 21683
ATP receptors, noiceptive pain-sensing vs non-noiceptive stretch-sensing neurons, rats, 34597
computer simulated model of neural auditory electrosensory processing in laminar nucleus, barn owls, 6714
contrast dependence of stimuli over receptive field & surrounding regions, integration by visual cortex neurons, primates, 29324

development & integration abilities of multisensory neurons in deep layers of superior colliculus, 3–135 day old kittens, 34590
differentiation & survival of sensory & motor neurons in brainstem, Brn-3.0-/- mice with severe behavioral & physiological problems, 29221
expression of mu vs kappa vs gamma opioid receptors in primary sensory neurons after unilateral peripheral inflammation, male rats, 25478
median sensory nerve transection followed by surgical repair, representation of innervated hand in primary somatosensory cortex, immature macaques monkey, 29279
role of spinal cord neurons in proposed swimming model, lampreys, 21619
stimulation of bilaterally symmetrical clusters of tail sensory neurons in siphon withdrawal reflex, lateral restriction of short term & long term habituation, Aplysia californica, 14738
temporal dynamics of short- & long-term facilitation of monosynaptic connection between tail sensory & motor neurons, adult aplasia, 18176
tentacle shock, plasticity in sensory neurons in cerebral ganglion & role in learning, Aplysia, 25469
threshold level tail stimulation & role of homosynaptic depression, habituation of sensory neurons that contribute to tail siphon withdrawal reflex, Aplysia californica, 14882

Sensory Pathways [See Afferent Pathways]

Sensory Preconditioning [See Preconditioning]

Sentence Completion Tests—Serials

psychometric comparability of Washington University Sentence Completion Test Form 81 & male and female forms, outpatients (mean age 40 yrs), 33988

Sentence Comprehension—Serials

active & passive sentence comprehension, 42 & 68 yr olds with Broca's aphasia, commentary reply, 12606
active & passive sentence comprehension, 42 & 68 yr olds with Broca's aphasia, commentary, 12699
American Sign Language spatially unassociated pronouns & unambiguous repeated nouns, ambiguity resolution & nonantecedent suppression in sentence processing during probe recognition, deaf adults, 31926
analysis of role of prosody for resolution of syntactic ambiguities during comprehension, use of auditory moving window technique, adults, 15133
application of construal hypothesis for syntactic description of sentence processing mechanism for phrases & lexical items, 34210
brain activation during comprehension of sentences varying in linguistic complexity, adults, 29351
causal linkages between sentences, sentence comprehension & recall, 18–35 vs 36–58 vs 60–80 yr olds, 14644
computational model of aphasic sentence comprehension, 42804
effects of prosody on syntactic parsing of temporarily ambiguous sentences with complement verbs, cross modal naming & appropriateness judgments, adults, 15148
eye-tracking of French sentences with noun–verb syntax ambiguity, early-closure attachments measured by 1st-pass reading times, college students, France, implications for cross-linguistic processing, 37739
frequency-based verb bias & plausibility of word combinations, ambiguous sentence comprehension in eyetracking & self-paced moving-window reading paradigm, college students, 38229
grammatical complexity & speech rate & repetition of sentences, sentence comprehension, patients with Alzheimer's disease (mean age 72 yrs), 23475
inadequacies of constraint satisfaction model as theory of sentence processing, 11262
individual differences in working memory capacity for language, language & sentence comprehension, adults, commentary, 2886
individual differences in working memory capacity for language, language & sentence comprehension, adults, commentary reply, 2873
inhibitory control during sentence comprehension, 70.9–72.9 yr olds with Alzheimer type dementia, 31768
interdisciplinary approach to cognitive theories of language & brain ERPs during sentence comprehension, 28893
lexical frequency, syntactic ambiguity resolution & sentence comprehension, college students, 268
lexical spoken sentence & nonlinguistic auditory comprehension tasks, N400 & P300 effects, aphasic vs nonaphasic right brain damage vs no brain damage 36–73 yr olds, Netherlands, 27013
lexical structure of manner of motion verbs, processing of reduced relative clauses, 41579
linear order of lexical heads in surface structure & their thematic properties, 1st pass parsing in German, 41570
matrix-relative ambiguity of clauses & phrases & pronouns & strength of local attachment preference between sentences describing temporal vs nontemporal relations, English speakers, 34231
monotonicity framework of sentence processing & thematic vs constituent structure, 34242
movement phenomena constraints in sentence processing, event-related potentials, 18–32 yr-olds, 25267
number of argument structures vs number of participant/thematic roles inherent in verb, processing load during sentence comprehension, adults, 11253
overt vs null pronouns, probe recognition & reactivation of antecedents referents during online sentence comprehension in American Sign Language, prelingually deaf signers, 4723
overview of role of lexical representation in sentence processing research, 41571
parser sensitivity to types of dependencies & grammatical constraints in sentence comprehension, college students, Italy, 7134
pitch accent, comprehension of relative clauses, college students, application of focus attraction vs congruence hypothesis, 11280
processing of causal vs diagnostic statements with vs without space builders, reading time, college students & postgraduates & department staff, Scotland, 17951
prosodic breaks, effect of intonational structure & syntax on semantic processing & sentence comprehension, college students, 11276
prosodic information, syntactic processing & judgment of normality of locally ambiguous sentence fragments of different lengths, college students, 11283
prosodic structure & placement of prosodic boundaries relative to syntactic boundaries, syntactic processing & end of sentence comprehension, adults, 15146
prosody as significant issue in studies of auditory sentence processing, 15145
reaccess effect & automatic nature of gap filling in coordinated ellipsis, comprehension of VP ellipsis, adults, 11281
reciprocal verbs, initial sentence parsing, undergraduates, 41564
role of prosody & processing load & sentence structure in parsing during online sentence comprehension, college students, 15139
semantic inhibition failure, age related decline in text comprehension, 18–28 yr olds vs 61–82 yr olds, 7266
sensitivity to semantic & syntactic sentence structure violations involving nouns or verbs, 49–67 yr olds with aphasia, 8658
sentence comprehension in sentence-picture matching & enactment tasks, 29–85 yr olds with aphasia, 39335
sentence position & semantic association of test vs target word, lexical decision response time, college students, replication, 6330
slow wave ERPs as measure of auditory processing of sentences with subject-object vs subject-subject relative clauses, 18–35 yr olds, 29432
subject verb agreement, sentence comprehension, college students, conference presentation, 29680
subjective & objective ratings of performance for speechreading sentences, 18–45 yr olds with normal hearing vs severe-to-profound hearing impairment, 42869
subject–verb vs object–verb agreement-marking cues, sentence interpretation, college students, Hungary, 29676
syntactic priming, comprehension & production of unrelated sentence with same or related structure, 11258

syntactic processing in sentence comprehension under dual task conditions, aphasic patients, 26951
type of information in topic overview, topic sentence reading times, college students, 28870
use of contextual information in processing single sentences vs integrated clauses vs minimal discourse with ambiguous pronouns, left vs right brain damaged 36–82 yr olds, Canada & US, 31818
use of contextual information to resolve ambiguous pronouns related to pragmatic &/vs preferred referents, right vs left brain damaged 36–82 yr olds, Canada & US, 31817
use of prosody & duration & intonation, interpretation of syntactically ambiguous phrase & pictures, 5 vs 7 yr olds vs college students, 11256
use of "they" as singular pronoun vs generic pronoun "he" after referential vs nonreferential antecedents, reading comprehension, college students, 29672
verb & noun retrieval & sentence processing, 53 yr old male with severe anomia & left cerebral brain hemisphere damage, case report, 26946
verb retrieval & sentence processing, aphasic patients (mean age 54.2 yrs), instruments appended, 16305
working memory & on-line sentence comprehension, 51–87 yr olds with dementia of the Alzheimer's type, Canada, 39566
working memory capacity, speech rate effect on spoken sentence comprehension, 67–77 yr olds with Alzheimer's disease, 42838
working memory, sentence comprehension, children with specific language impairment, 12435
working memory span & main verb vs relative clause in syntactically ambiguous vs unambiguous sentences, on-line reading times & off-line sentence comprehension, 18–25 yr olds vs 63–84 yr olds, 34805

Sentence Structure—Serials

active vs passive voice & conceptual focus, RT in preamble manipulation, adult schizophrenics, examination of D. Hoffman's theory of language planning processing, 19211
application of construal hypothesis for syntactic description of sentence processing mechanism for phrases & lexical items, 34210
attractors in linguistic space & sentence processing, university students, 41580
brain activation during comprehension of sentences varying in linguistic complexity, adults, 29351
center embedding & numeric bounds & interference in short-term memory of sentence processing, 6386
code switching at random tones at 8–12 sec intervals, intrasentential code switching at syntactically definable constituents & during speech production, bilingual 23–24 yr olds, 11255
comprehension & judgments of single word & picture naming & grammatical phrase structure, patients with Alzheimer's disease vs multi-infarct dementia vs frontotemporal degeneration, 12620
grammatical categories & vocabulary in spoken & written sentence production, brain damaged male, implications for orthography & phonology processes, 19642
implicit causality, focus on events in sentence comprehension, college students, 248
implicit verb causality & covariation & salience in agent-evocator vs other interpersonal verb classes, subject vs object attribution, American-English- vs native-German-speaking college students, 38240
internal structure of complex subject & syntactic vs temporal distance between head & number mismatching nouns, subject verb agreement errors, adults, 11272
intralist & extralist distinctiveness, recall of common vs bizarre sentences, college students, 309
lexical structure of manner of motion verbs, processing of reduced relative clauses, 41579
linear order of lexical heads in surface structure & their thematic properties, 1st pass parsing in German, 41570
matrix-relative ambiguity of clauses & phrases & pronouns & strength of local attachment preference between sentences describing temporal vs nontemporal relations, English speakers, 34231
modifier attachment preferences in sentence parsing, adults, Belgium, 18401
monotonicity framework of sentence processing & thematic vs constituent structure, 34242
movement phenomena constraints in sentence processing, event-related potentials, 18–32 yr-olds, 25267
picture theory of meaning of sentences & role of coherence & pragmatics, implications for theory of truth & its discrimination in linguistic behaviorism, 11275
pitch accent, comprehension of relative clauses, college students, application of focus attraction vs congruence hypothesis, 11280
positive & negative polarity & imagery in sentences, memory, adults, 17973
production of complex sentences involving wh- or noun phrase-movement, males with agrammatic aphasia, 31897
prosodic breaks, effect of intonational structure & syntax on semantic processing & sentence comprehension, college students, 11276
prosodic information, syntactic processing & judgment of normality of locally ambiguous sentence fragments of different lengths, college students, 11283
prosody as significant issue in studies of auditory sentence processing, 15145
prosody, prediction of end of sentence after point where syntax & semantics do not contribute, English vs French listeners vs right vs left hemisphere brain damaged patients, 11264
role of prosody & processing load & sentence structure in parsing during online sentence comprehension, college students, 15139
sensitivity to semantic & syntactic sentence structure violations involving nouns or verbs, 49–67 yr olds with aphasia, 8658
sentence position & semantic association of test vs target word, lexical decision response time, college students, replication, 6330
speaker vs listener-oriented perspective of lexical preferences in "end-weight" word ordering of sentences, 34247
subject verb agreement, sentence comprehension, college students, conference presentation, 29680
syntactic processing of structural ambiguities in German verb clauses, 7137
use of nominal determiners & clause structure to introduce new referents, 4–5 vs 7 vs 10 yr olds vs adults, US vs France vs Germany vs China, 25752
use of prosodic cues by sentence parser for sentences with syntactic ambiguity, 15140
verbal context of sentence, activation of elements of word meaning, patients with Alzheimer's disease, 1607

Sentences—Serials

computerized visual communication system single sentence production training, multisentence production, nonfluent aphasic adult males, 36823
criterion shift vs sensitivity to distortions, partial matching in semantic illusion verification of sentence accuracy, undergraduates, 14646
frequency importance functions for words & sentences & continuous discourse in low & high pass filtering & signal-to-ratio conditions, 18–35 yr olds with normal hearing, 222
generalizability analysis of sources of variability in speech-reading performance on nonsense syllables & words & sentences, 18–45 yr olds with normal hearing, 221
interrelatedness & interpretability of words & sentences in text, emergent literacy & control & ownership of literate register, 4–5 yr olds, 18472
lexical & sentential context effects, reading rate & working memory of semantically associated & unassociated word pairs, adults, 34290
probabilistic lexical & discourse bias, generation & selection of syntactic structure in sentences containing noun-verb homographs, college students, 28835
pronoun case marking in complement sentences, eye movement assessment of parsing speed, adults, test conditions appended, 18409
relative timing of syntactic & pragmatic anomaly detection in sentence processing, college students, 6303

role of lexical priming in verbatim short-term sentence recall, college students, 25304
sentence vs discourse level representation in reading comprehension, college students skilled vs less skilled in reading, 21350
single-band syllabic amplitude compression, temporal information in nonsense syllables & sentences, 21–36 yr olds, 21315
situational context & message predictiveness & use of gestures & familiarity with speaker & audio &/vs video presentation, intelligibility of dysarthric sentences, male vs female 18–30 yr olds, 1475
speaker vs listener-oriented perspective of lexical preferences in "end-weight" word ordering of sentences, 34247
spontaneous grammatical corrections, 61 yr old male with anomic aphasia and right hemiparesis, case report, 27009
supporting vs neutral vs distracting context type, cued recall of nouns embedded in sentences, college students vs elderly, 21406
syllabic timing in natural sentence production & rapid syllable repetition task, 18–78 yr olds with cerebellar atrophy or Friedreich's ataxia, 12697
temporal pattern disruptions in familiar vs unfamiliar sentences presented visually & as natural speech, ERPs during sentence reading & listening, 18–34 yr old native French speakers, France & US, 41387
vowel & between-word segment duration in production of words & word strings & sentences, 44–72 yr olds with apraxia of speech, 23478

Sentencing [See Adjudication]

Separation (Marital) [See Marital Separation]

Separation Anxiety—Serials

behavioral traits, training & task performance, stumptailed macaques, 21567
conceptual & methodological issues in research into relationship of early separation anxiety to adult panic disorder &/or other anxiety disorders, research review, 8045
conduct disorder & depression & separation anxiety & suicidal behavior, urban minority 13–14 yr old psychiatric inpatients, 31195
emotional responses to separation & reunion, sensorimotor coordination, 2–13 mo old infants & their mothers, 1 yr study, 15234
incidence of separation anxiety disorder & internalizing vs externalizing correlates, male children who did vs did not meet full diagnostic criteria for gender identity disorder, 7880
Infant & Preschool Psychiatry Clinic, 3 yr olds with separation anxiety with vs without PTSD & language disorder, 36223
mediation & separation trauma & anxiety & transition anxiety during divorce, implications for child therapy, 36199
school phobia, persistence of psychiatric disorder & psychosocial adjustment, 32–37 yr olds with childhood history of separation anxiety disorder vs psychiatric disorders, 20–29 yr followup, Sweden, 42367
sense of coherence, psychological distress & depression & anxiety following Hurricane Hugo, 17–45 yr olds, 15879
separation anxiety disorder, 23 & 28 & 50 yr olds with panic disorder or long-standing anxiety, 3 case reports, 39090
sex vs additive genetic influences vs shared vs nonshared environmental factors, symptoms of separation anxiety vs overanxious disorder vs manifest anxiety, 8–10 vs 11–13 vs 14–16 yr old twins, 31125
stimulus delay & separation from mother, levels & consistency of emotional expressiveness & strategy use, 2 yr olds, 3435
systematic replication strategy intervention, school refusal behavior, 10 yr old female with separation anxiety disorder & social phobia, 19829

Separation Individuation—Serials

ancient Greek concept of paideia & Jungian concept of individuation, 38834
attachment & separateness as respective references to merger & fusion in experience of symbiosis, 11792
defensive emptiness of self as preservation, therapeutic goal of restimulation of process of separation individuation & development of authentic sense of self, schizoid patients, 12771
developmental & family systems issues related to individuation, children from alcoholic family systems, 34896
differential moratorium & achieved identity statuses & career development & psychological separation from parents, male vs female college students, 22118
early adolescent development & separation & independence & transference-countertransference issues & effective supervision, psychoanalytically oriented group psychotherapy, preadolescents, 32210
individuation process of male protagonist in D.H. Lawrence's "Captain's Doll' & symbolism of doll in adult relationship with mistress, 7119
intergenerational transmission of individuation process & capacity for spousal intimacy, adult children of Holocaust survivors, Israel, 7428
Jung's view of developmental task of individuation in adulthood & development of community, 7320
parent–child differentiation & family structure dynamics & ego identity status, differentiation-individuation process, 18–25 yr old females, 18609
prebirth parental & marital individuation, infant development & parent infant relations & transition to parenthood, families, 2 yr study, 7477
psychoanalytic theory of separation & need to renegotiate connection & self psychology, frustration & development, mothers & their adolescent daughters, clinical implications, 11583
psychological experience & traumatic effects of separation, adults whose parents sent them to England to save their lives from Holocaust, 11704
reevaluation of O. Rank's theory of personality individuation & nature of will, 42113
role of group leader, separation individuation & group contagion & capacity to be alone & projective identification during beginning & ending of psychodynamic group psychotherapy, 8883
separation & exile from parental figures, reactivated feelings of guilt & repetition compulsion, adults who experienced trauma in childhood, Sweden, 18921
separation-individuation & object relations in 12 step programs for substance abuse, 24327
sociocultural factors & family dynamics & separation & somatization, adolescent females with eating disorders, Switzerland, 16181
symbiotic-separation problems & gender identity problems & repression, male 28 yr old with anorexia nervosa, case report, 19473

Separation Reactions [See Also Separation Anxiety]—Serials

attachment style & reactions to separations from parents or other loved ones, 18–45 yr olds, Israel, 7729
behavioral patterns of separation & reunion with mother, 3–6 yr olds with autism vs Down's syndrome, 35873
bereavement responses, spouses vs adults who had lost a parent vs parents who had lost a child, Australia, 1 yr study, 22553
chlordiazepoxide, social separation induced distress vocalizations & analgesia, 8 day old cockerels, 7106
critique of attachment theory & model of psychological attunement in separation, human & animal mothers & their children, 15283
early experience of loss & separation, 33–75 yr old mothers whose sons died from suicide or car accident, implications for intergenerational cycle of adverse childhood experiences, 30700
early separation from attachment figures & individual differences in temperament & attachment, children & adolescents with panic disorder, 19240
involvement in long distance vs geographically proximal romantic relationships, psychological distress & separation related symptoms, college students (mean age 19 yrs), 24649
parental medical history & separation experiences, heart-focused anxiety & illness fears, college students, 7713

serotonin antagonists &/vs agonists, growth hormone releasing factor vs somatostatin mediated regulation of growth hormone secretion in maternal separation, rats pups, implications for role of 5-HT receptors in attachment disorder, 6942
termination process & long term outcome of intratherapeutic separations, 20–30 yr olds with psychosis or severe personality disorders, Sweden, 23662
Septal Nuclei—Serials
alcohol exposure during postnatal period, monoamine concentrations in hippocampus & septal region assayed under stressed vs nonstressed conditions, rats, 21868
alpha-2-adrenergic receptor antagonists RU 52583 & idazoxan vs physostigmine vs arecoline, spatial memory in radial maze, rats with septal nucleic lesions, 41345
castration & testosterone substitution, copulatory behavior & arginine-vasopressin in lateral septum, male spontaneously hypertensive vs Wistar–Kyoto rats, 11162
clomipramine vs ECS, forced swim performance, male vs female rats with early lesions of lateral septal area, 3056
frequency level of thetadriving septal stimulation, continuously vs partially reinforced running, male rats, test of frustration anxiety hypothesis, erratum, 540
intraseptal beta-funaltrexamine, mu opioid receptor mediation of microwave-induced decrease in hippocampal cholinergic activity, male rats, test of endogenous opioid activation hypothesis, 11157
intraseptal flumazenil vs benzodiazepine binding inhibitor, spatial working memory vs anxiety vs locomotor activity, male rats, 25583
intraseptal infusion of selective postsynaptic adrenoceptor antagonist BE 2254, anxiety & spatial working memory in maze performance, male mice, 11106
lateral vs medial vs postcommissural septal lesions, elevated plus-maze vs shock-probe burying test behaviors, male rats, animal model of anxiety, 10981
model of corticohippocampal interaction, septal modulation of cholinergic inputs to hippocampus in eyeblink conditioning, implications for cholinergic therapy of memory impairment, 18178
preacquisition vs preretrieval tetrodotoxin inactivation of medial septal area, retention of conditioned passive avoidance response, rats, 18174
prenatal ethanol exposure, parvalbumin-expressing GABAergic neurons of medial septum, adult rats, implications for fetal alcohol syndrome, 41497
presence of cleft in septum pellucidum, sensory changes & neuropsychological test performance & neurobehavioral symptoms, HIV seronegative vs seropositive patients, 4599
selective immunotoxic lesions of medial septal cholinergic cells, spatial working & reference memory, male rats, 11008
septal lesions, excitatory effect of corticotropin-releasing hormone on acoustic startle reflex, male rats, 41338
septal lesions, spatial learning in Morris test vs water maze-based left–right response differentiation task, rats, implications for allocentric–egocentric dichotomy in navigation & spatial mapping, 10989
tetrodotoxin reversible lesions of medial septal area, consolidation & retrieval of passive avoidance response, rats, 484
thyrotrophin-releasing hormone analog RX77368, working memory in delayed non-matching to position task, male rats with cholinergic lesions of septal-hippocampus, 18266
time since septal lesioning, diminution of anxiolysis on elevated plus maze vs shock probe burying paradigm vs general tolerance to anxiolytic effects of lesions, rats, 14858
Septum [See Septal Nuclei]
Sequential Learning—Serials
brian & location of the mind, 41155
hybrid repeating sequence, serial RT, 56 & 64 yr old patients with unilateral neglect, 42791
implicit learning of sequential structure vs explicit information, 20–27 yr olds, Belgium, 41125
music & visual arts curriculum with emphasis on sequenced skill development, generalization to visuospatial reasoning in other subjects, 5–7 yr old 1st graders, letter, 13706
repeating sequence, formation of explicit knowledge in sequential RT task, college students, France, 41149
response-to-stimulus interval length & consistency, implicit motor sequence learning & performance, college students, attentional load implications, 41097
secondary task effects on sequence learning, 18–38 yr olds, 25302
sequence structure & sequence length, implicit learning, college students, 41158
serial reaction time protocol test of analogical transfer, procedural learning, patients (mean age 51.9 yrs) with Parkinson's disease, 19602
stimulus-response compatibility & locational sequences, sequential learning in serial RT task, 19–29 yr olds, 41135
structural characteristics & explicit vs implicit knowledge, sequence learning, elderly (mean age 67.28 yrs) vs college students, 41127
structure & dynamics & coding & learning algorithm of neural networks of sequential pattern memory from computational viewpoint, 29333
structured event sequences, error rates & RT & learning, university students, Germany, 41147
theta/gamma networks with slow NMDA channels, humans, applications to recall & sequence learning & episodic memory, 24910
varied relative frequency of knowledge, acquistion vs retention of motor skill learning, college students, 1 yr followup study, 41166
visual & auditory task integration, dual-task interference & sequence learning, 17–36 yr olds, 41156
Serial Anticipation (Learning)—Serials
chaotic & random iteration sequences, prediction of next value in sequence, college students in persistent vs antipersistent condition, implications for judgment under stochastic uncertainty, 21368
Serial Learning [See Also Serial Anticipation (Learning)]—Serials
acquisition of serial pattern, patterned responding & tracking performance, 3 vs 24 mo old rats with hippocampal lesions, 3055
cognitive processes during acquisition of new context bound information in serial learning task, alcoholic males vs females, 12248
conditioned serial feature-positive vs feature-negative discrimination, long-term retention, pigeons, 25381
errors during sequence learning, delayed recall, adults, 2876
item memories vs position cues, discriminative responding in reward outcome serial learning, rats, 34354
item-order distinction & generation effect, long-term memory, adults, 17967
letter-string feature frequency, classification performance in artificial grammar learning, college students, Canada, test of chunk frequency hypothesis, 41133
memory for temporal order reconstruction of semantically related vs unrelated word lists under intentional vs incidental learning conditions, 67–76 yr olds with frontal lobe lesions, 23434
numerosity & other confounding variables, serial ordering of discrimination of visual arrays, pigeons, 34360
offset of feature trained in serial feature negative discrimination, detection of inhibition of fear potentiated startle, male rats, 18054
ordinal position of list items, learning in serial tasks, male rhesus monkeys, 29049
seriation & conservation & theory of mind abilities, autistic vs mentally retarded 13–35 yr olds, 19453
smoking & smoking deprivation, articulatory loop of working memory, adult smokers, 38079
transitive inference in stimulus sequence performance, 3.9–4.9 yr olds, 29787
unilateral vs bilateral locus ceruleus lesions, general activity & response learning & nonmonotonic serial pattern acquisition in water maze, rats, role of norepinephrine, 14827
vowel set presentation, discrimination & identification & serial ordering of similar vs dissimilar vowels, 6–10 yr olds with vs without language impairment, 1478
word number, disruption of visual serial recall, adults, 17963

Serial Position Effect [See Also Primacy Effect, Recency Effect]—Serials
commercial duration & serial position & level of advertising competition in TV advertising blocks, brand name recall, adult consumers, 33773
frequency of mention of topic label & position in passage where topic is 1st mentioned, recognition memory & recall from lengthy informative text, college students, 37788
item memories vs position cues, discriminative responding in reward outcome serial learning, rats, 34354
learning to discriminate relative stimulus frequency, pigeons, 18069
list position & retention interval, serial position effect for recognition of spatial abstract patterns vs words, adults, 21429
ordinal position of list items, learning in serial tasks, male rhesus monkeys, 29049
proactive vs retroactive priming in serial target detection, college students, 6292
serial order in planning speech production of successive word morphemes, college students, 14608
serial position & temporal cue defects in long-term memory, adults with multiple sclerosis, 1484
serial position effect, wayfinding performance in route reversal task, 8 & 12 yr olds, implications for police search for lost child, 7220
serial position effects in auditory memory scanning task, auditory EPs & working memory, adults, 6709
serial position of items in word list, effect on recall, adult seizure patients after surgery on left vs right hippocampus with vs without sclerosis, 16332
serial position vs word frequency, primacy effect in free recall & word stem completion & implicit memory, college students, activation-elaboration role in dissociation effects in connectionist models, 28972
word frequency & order & phonological similarity, performance on immediate serial recall task, adults, 21439
word frequency & serial position, short-term serial recall of high vs low frequency words, college students, England, 41136
word-list forgetting, delayed recall performance, 20–35 yr olds vs 60–80 yr olds, 25739
Serial Recall—Serials
commercial duration & serial position & level of advertising competition in TV advertising blocks, brand name recall, adult consumers, 33773
enactment, serial order memory, adults, 6391
flickering vs color-changing unattended surround stimuli, serial recall of color vs location of central stimulus presentation, college students, 28956
implicit vs explicit cue conditions, recall vs semantic vs serial clustering on memory tasks, adults with Parkinson's disease, 12687
irrelevant speech, memory in serial-order recall task vs missing-item vs recognition vs paired-associates tasks, college students, Wales, 21395
irrelevant speech vs irrelevant tones, serial recall, college students, test of equipotentiality hypothesis, 21431
phonological similarity & word length in auditorily vs visually presented words, immediate ordered word memory, 11.7–13 yr old poor readers in special education primary schools, Netherlands, 37102
semantic similarities between visually presented targets & auditorily presented distractors, serial recall of visual targets, 19–32 yr olds, Germany, 17966
serial memory difficulties, children with specific language impairment, 12432
sound producing objects represented by their spoken name vs typical sound vs written name vs picture, immediate serial recall performance, participants, 28950
word frequency & order & phonological similarity, performance on immediate serial recall task, adults, 21439
word frequency & serial position, short-term serial recall of high vs low frequency words, college students, England, 41136
word-list forgetting, delayed recall performance, 20–35 yr olds vs 60–80 yr olds, 25739
Serotonin—Serials
ACTH release in response to ipsapirone challenge & 5-HT activation of hypothalamo-pituitary-adrenal axis, adults with chronic fatigue syndrome, 38091
acute & long term mirtazapine, pre- & postsynaptic alpha2 adrenoceptors & serotonin neurotransmission, rats, 15042
acute fluoxetine vs pargyline vs desipramine, cortical 5-HT receptors, male rats, 29518
acute N-stearyl dopamine, striatal dopamine & 5-HT turnover, male rats, 3188
acute risperidone, regional brain dopamine & serotonin release & metabolism, male rats, 3222
acute vs chronic fluoxetine, extracellular serotonin concentrations in frontal cortex, rats, implications for role of 5-HT1A receptors, 15047
acute vs chronic triiodothyronine, brain serotonin levels & density & affinity of serotonergic receptor subtypes, male rats, 7060
addition of short-term lithium to long-term clomipramine or citalopram treatment, serotonergic receptors in cerebral cortex, rats, 7020
age, prolactin response to fenfluramine & relationship between central 5-HT function & aggressive behavior, 7–11 yr old aggressive vs nonaggressive males with ADHD, experimental replication, 39243
agonist-promoted downregulation & functional desensitization of Ser22 & Val28 naturally occurring variants of 5-HT receptor, hamster ovary cells, implications for antidepressant & anxiolytic treatment, 34572
agonistic social interactions, brain levels of 5-HT & 5-HIAA & tryptophan, bicolor damselfish, 14891
allelic mutation in 5-HT B2C receptor genes, response to clozapine, schizophrenic patients resistant to conventional neuroleptics, 15950
alterations in 5-HT†B 1a †b ligand binding & alcohol withdrawal kindling convulsive behavior, male rats, 41535
amino acid sequencing of genes encoding 5-HT-1D-alpha vs 5-HT-1D-beta receptors, 18–79 yr olds with panic disorder, Japan, 1317
antidepressants, 5-HT-2C receptor mediated calcium mobilization in ovary cells transfected with 5-HT-2C clone & subsequent regulation of 5-HT-2C receptor function, Chinese hamsters, 11101
antipsychotic action vs disease process, limbic system dopaminergic & serotonergic receptor modulation in schizophrenia pathology, 42327
association between serotonin receptor & MAO A gene alleles & neuroticism or extraversion, 70+ yr olds, Australia, 21604
association of serotonin transporter gene & affective disorder & suicidal behavior, patients with bipolar disorder, France, 38964
basal & serotonin-stimulated changes in intracellular calcium concentration, males with major depression vs substance abuse disorder vs schizophrenia, 15815
behavior therapy & risperidone, anorexia nervosa, high functioning 13 yr old autistic female, case report, role of dysregulation of serotonergic neurotransmitter system, 8709
behavioral effects of GBR 12909 & 5-HT uptake inhibitors & agonists & dopamine agonist & fixed interval schedule of stimulus termination & second-order schedule of iv drug self administration, monkeys, 34667
bilateral electrolytic lesions of red nucleus, dopaminergic & serotoninergic changes in CNS & behavior changes, rats, 18168
bilateral lesions in medial prefrontal cortex, serotonin system monoamines in medial prefrontal cortex & nucleus accumbens & raphe nucleus & sucrose-ethanol solution consumption, male rats, 39493
binaural tone stimulus intensity & amplitude, cortical auditory EPs & abnormal 5-HT between attacks, patients suffering from migraine with vs without aura, 12499
brain binding kinetics & distribution of venlafaxine & velafaxine's action on serotonin uptake inhibition & biodistribution & binding in human & pig blood platelets, female pigs, 41521

central D1 & D2 & 5-HT2 receptor occupancy & relation to clozapine serum concentration, schizophrenic 22–59 yr olds treated with clozapine, Sweden, 12957
central 5-HTergic function in relation to self-injurious behavior, patients with personality disorder, 42422
challenge with m-chlorophenylpiperazine or l-tryptophan, neuroendocrine & temperature & test meal & postsynaptic hypothalamic-pituitary serotonergic response, patients with anorexia nervosa, 4435
characteristics of stressor-precipitated & cortisol-induced & serotonin-related & anxiety/aggression-driven depression subtype, 30914
chlorpromazine, serotonin syndrome, female with depressive illness, case report, 32420
cholecystokinin neuronal system & interactions with GABA & 5-HT & role in anxiety, literature review, 1943–96, 29382
chronic desipramine or fluoxetine, extracellular noradrenaline & serotonin & dopamine in prefrontal cortex, male rats, 15098
chronic novel stressors, behavior & 5-HT system, Sprague-Dawley vs Wistar Kyoto male rats, 18257
chronic paroxetine, 5-HT receptor subpopulations & binding in brain, male rats, 6977
circadian rhythm in responsiveness of central 5-HT2A receptor to (2,5-dimethoxy-4-iodophenyl)-2-aminopropane hydrochloride, 7 wk old male rats, 15066
citalopram HBr & buspirone, ischemic neuronal death & role of hippocampal serotonergic neurons, ischemia challenged gerbils, 21894
citalopram, neuroendocrine & 5-HT function measured by rectal temperature & heart rate & side effects & secretion of prolactin & cortisol & growth hormone, 22–29 yr old males, Switzerland, 3273
clinical action of antidepressants & antianxiety agents due to serotonergic transmission & desensitization of serotonin autoreceptors, commentary, letter, 9039
clinical action of antidepressants & antianxiety agents due to serotonergic transmission & desensitization of serotonin autoreceptors, 9022
clinical action of antidepressants & antianxiety agents due to serotonergic transmission & desensitization of serotonin autoreceptors, commentary reply, letter, 9023
clomipramine vs verapamil, 5-HT induced intracellular calcium changes, rat glioma cells, 25627
cognitive enhancers & somatostatin & 5-HT3 receptor & muscarinic receptor subtypes, hippocampal long term potentiation, guinea pigs, literature review, 21865
correlation of serotonin dysfunction to persistent eating related psychopathology & comorbid illness, long term weight restored female anorexics, 23211
cyanopindolol, high-pressure 5-HT–dopamine interactions, male rats, implications for role of 5-HT receptor in dopamine-related pressure-induced neurochemical & behavioral disorders, 6639
d-fenfluramine, serotonergic mediated plasma prolactin release, currently manic 27–44 yr olds with bipolar disorder, 12009
diet induced changes in serum cholesterol, brain tryptophan hydroxylation or serotonin level, male gerbils, animal model of link between serum cholesterol & depressive or violent or suicidal behavior, 6733
dopamine & serotonin & metabolite levels in frontal cortex & striatum, autopsied cocaine users, 12238
dopamine & 5-HT receptors, alcohol drinking behavior, alcohol naive adult male preferring vs nonpreferring rats, 37985
drugs with serotonergic actions, response choice under varying delays of reinforcement, rats, implications for mechanisms of impulsive behavior, 15025
early vs late onset of excessive alcohol consumption & family alcoholism history, CSF central serotonin turnover & degree of antisocial behavior & psychiatric comorbidity, alcoholic inpatients, 8237
Ecstasy intoxication & overlap between clinical symptoms of serotonin syndrome & neuroleptic malignant syndrome, 1–35 yr olds, case reports, 19361
ECT sensitization of dopaminergic & noradrenergic symptoms, motor improvement, 57–70 yr olds with progressive supranuclear palsy, 13140
effects of ingested psilocybe fungi vs prescribed fluoxetine, 27 yr old male with body dysmorphic disorder, serotonergic implications, case report, letter, 12976
efficacy & tolerability of fluoxetine, 16–81 yr olds with psychiatric disorders with vs without disturbance of serotonin metabolism, 32474
efficacy of serotonin reuptake inhibitors & neurotransmitter & neuropeptide mechanisms, obsessive compulsive disorder symptomatology, 32425
etiology of Cushing's disease & depression & serotonin & hypothalamic pituitary adrenal axis activation, 26891
executive function impairment & serotonin sensitivity, adults with obsessive compulsive disorder, 4205
exposure to novel environment, dopamine in nucleus accumbens & caudate putamen & 5-HT responses, C57BL/6 vs DBA/2 mice, 14843
fenfluramine & serotonin deficiency, female with premenstrual dysphoric disorder, 30842
fenfluramine challenge, prolactin & cortisol responses & depression, patients with chronic fatigue, implications for role of serotonin, reply to commentary on conference presentation, letter, 4579
fenfluramine challenge, prolactin & cortisol responses & depression, patients with chronic fatigue, implications for role of serotonin, commentary on conference presentation, letter, 4508
fenfluramine challenge, prolactin & cortisol responses as indicators of 5-HT activity in mania, patients with bipolar mood disorder, 15930
fenfluramine challenge, serotonergic response patterns, female 18–45 yr olds with bulimia nervosa, 35942
fenfluramine, regional brain glucose metabolism & serotonin responsivity, 19–44 yr old drug free inpatients with major depression, comment & reply, 23866
flunarizine vs trifluperazine vs haloperidol vs methiothepin, dexfenfluramine induced indole depletion & 5-HT uptake by synaptosomes & brain concentrations of drug & active metabolite, male rats, 3253
flupenthixol vs ritanserin pretreatment, clozapine binding to D1 dopamine & 5-HT-2 & other receptors in dorsolateral & medial frontal cortex, healthy adults, 6974
glucocorticoids & food restriction, diurnal rhythms of serotonin 5-HT2C & corticosteroid receptor gene expression in hippocampus, rats, 41470
glucocorticoids, platelet & CNS serotonergic transporter binding sites & serotonin uptake capability & imipramine induced uptake inhibition, male rats, implications for human depression, 25616
glucorticoids & serotonin transporter expression & function, young vs old rats, animal model of elderly depression, 29208
high vs low alcohol preference, content of dopamine & DOPAC & 5-HT & 5-HIAA & HVA in nucleus accumbens & frontal cortex & anterior striatum & hippocampus, male rats, 6991
hunger & satiety perceptions & cognitive sets & role of serotonin in eating behavior, acutely ill & short term recovered patients with anorexia nervosa or other eating disorders, 4447
hyperserotoninemia & brain serotonin receptor antibodies in plasma, 10 yrs old & younger autistic vs mentally retarded vs normal children, 39254
hyperserotoninemia, immunological abnormalities, autistic children (mean age 10.1) with vs without major histocompatibility complex, 31447
hypotheses of potentiation of serotonergic function by norepinephrine uptake inhibitors, implications for mechanism of action of antidepressant medications, conference presentation, 11189
imipramine, escape behavior & sensitivity of 5-HT receptors in the dorsal periaqueductal grey area, rats, animal panic attack model, 38133
interaction between arginine vasopressin & serotonin in anterior hypothalamus, aggressive behavior, Syrian golden hamsters, 41451

interactions of selective serotonin reuptake inhibitors vs tricyclics vs other antidepressants with 5-HT-2C & 5-HT-2A receptors in assayed choroid plexus & clonal cell line, rats, 3264
intra & interindividual variability in platelet serotonin receptor binding, healthy 18–79 yr olds & 21–24 yr old females using contraceptive pills, Sweden, 25498
iv meta-chlorophenylpiperazine, central serotonergic function & subjective emotional responses, female 18–45 yr olds with bulimia nervosa, 35946
learned helplessness, elevated level of 5-HT 1B autoreceptor expression in serotonergic neurons in dorsal raphe nucleus, male rats, 38064
lesions caused by neurotoxin 5,7-DHT, brain 5-HT & aggression & defense & emotion & feeder control, undernourished dominant vs submissive pigeons, 6935
lesions of serotonergic pathways in dorsal & median raphe nuclei, temporal memory in delayed interval bisection task, female rats, 18139
levels of basal & serotonin-stimulated intracellular calcium, patients with anorexia nervosa (mean age 24.6 yrs) vs bulimia (mean age 23.5 yrs), 31489
liver regeneration by hepatectomy, voluntary alcohol intake & brain beta-carbolines & serotonin system activation, rats with liver dysfunction induced by portocaval anastomosis vs thioacetamide, 38099
long term efficacy & side effects of & headache recurrence following sumatriptan, migraine patients, Netherlands, 2 yr review, 13178
long-term food restriction, density of serotonin transporters in frontal cortex, young vs old male rats, implications for etiology of eating disorders, 34613
m-chlorophenylpiperazine, plasma corticosterone & 5-HT 2C receptor protein levels & elevated plus maze behavior, male rats reared in isolation, animal model of anxiety, 6889
MDL 100,907, time course of 5-HT_2 receptor occupancy, 23–43 yr olds, 41461
MDMA use & resulting serotonergic alternations, adverse psychiatric symptoms & suicidal ideation, male 17 & female 22 yr olds, case reports, 12214
measurement of serotonergic modulation of dopamine, adult males, implications for etiology & treatment of schizophrenia or major depression or obsessive compulsive & substance abuse disorder, 30705
median & dorsal raphe nuclei lesions & 5-HT treatment, sexual behavior & locomotor activity, male rats, 21608
mediation of discriminative cue for meta-chlorophenylpiperazine by 5-HT receptors, male rats, 3196
meta chlorophenylpiperazine, patients with seasonal affective disorder before & after light treatment, replication & extension, 36183
mirtazapine, central noradrenergic & serotonergic neurotransmission, 15019
mirtazapine enhancement of noradrenergic & serotonergic transmission & other pharmacological profile characteristics, conference presentation, 11125
mirtazapine, serotonin syndrome, depressed female 30 & 70 yr olds, case reports, 9085
moderate dieting, sensitivity of postsynaptic 5-HT receptor, 20–39 yr old healthy females, 25461
mouse strain, 5-HT receptor densities & binding sites & anxiety responses, mice, genetic model of anxiety related behaviors, 14805
myo-inositol vs forskolin, reversal of enhancement of serotonin syndrome by lithium, rats, 6952
neonatal 5-HT antiserum, 5-methoxy-N,N-dimethyltryptamine induced tremors & 5-HT & 5-HIAA levels & basal nociceptive thresholds & vocalization, adult rats, 14861
neonatal 8-OH-DPAT vs serotonin antagonist WAY 100135, interaction of 5-HT & testosterone & effect on organization of offensive vs defensive facets of agonistic behavior, adult rats, 14998
neuroanatomy & physiology of mammalian central serotonin nervous system & neural substrates in fear & defense responses, implications for panic disorder, 31080
neurobiology & neurochemistry & neurotransmitter balance theory, patients with serotonin dysfunction disorder, 26413
nicotinic acetylcholine receptor agonists, noradrenaline & dopamine & 5-HT turnover in brain, male rats & mice, 21925
nimodipine & nifedipine, behavior in holeboard & plus maze & regional brain dopamine & serotonin & their metabolites, male rats, 15103
number & affinity of 5-HT receptors in postmortem prefrontal cortex, 23–53 yr olds with schizophrenia, 12071
number of platelet 3H-paroxetine binding sites & serotonin 5-HT uptake, 18–39 yr olds with obsessive compulsive disorder, 22904
olanzapine, D2 dopamine & 5-HT-2 receptor occupancy, 23–33 yr old healthy males, 36488
opioid & GABAergic & serotonergic mechanisms in dorsal raphe nucleus, inescapable shock-induced potentiation of antinociceptive responding to low-dose morphine, male rats, 38163
ORG 5222, serotonin & dopamine receptor occupancy, healthy 23 & 29 & 28 yr old males, 38073
parachlorophenylalanine, deprivation of serotonin & subsequent induction & maintenance of pseudopregnancy, female rats, 21882
parental separation, CSF 5-HIAA & alcohol consumption & relation to social behavior, monkeys, 21855
paroxetine & paroxetine & lithium, serotonin syndrome, 59 & 61 yr old females, case study, 39840
paroxetine vs fluoxetine, platelet serotonin parameters, 23–54 yr old patients with major depression, 12 wk study, 32349
pharmacological affinity of loxapine for dopamine & 5-HT & NMDA receptor subtypes, implications for schizophrenia treatment, 7075
pindolol with vs without paroxetine &/or citalopram, terminal 5-HT release elicited by activation of somatodentritic 5-HT 1A receptors & extracellular 5-HT, male rats, 21915
placebo not containing tryptophan, measurement of brain tryptophan depletion levels, adults, 21872
plasma beta-carboline norharman & platelet 5-HT & trait measures of anxiety & coping & defense mechanisms, patients with panic disorder (mean age 44.3 yrs), Netherlands, 26579
plasma 5-HT turnover & age, 21–63 yr olds, implications for Alzheimer's type dementia, 41614
platelet serotonergic parameters, 18–65 yr old antidepressant-free vs treated depressed patients, Canada, 32433
platelet serotonin & plasma free MHPG levels, pre- vs post-fluoxetine vs maprotiline treatment, outpatients with major depression, Taiwan, 30864
platelet serotonin dysfunction & [^{3}H]paroxetine binding, recurrent suicide attempts, 18–70 yr old patients with vs without borderline personality disorders, 1 yr followup, 42498
platelet serotonin transporter protein reduction, children & adolescents with obsessive compulsive disorder vs Tourettes syndrome, 31115
platelet 5-HT & degree of suicidal behavior, psychotic vs nonpsychotic depressed inpatients, 11988
platelet 5-HT & MAO & suicidal ideation & borderline personality & impulsiveness, circadian rhythm in motor activity, patients with history of recurrent suicide attempts, 31275
platelet 5-HT concentrations, 28–68 yr old unipolar depressed inpatients vs 16–68 yr old schizophrenic inpatients, 22715
platelet 5-HT receptor binding & aggressive behavior, Ss with personality disorders vs healthy volunteers, 22938
polymorphism in gene encoding of serotonin receptor exons & adjacent intron regions, psychiatric inpatients with depressive vs bipolar disorders, Japan, 30811
polymorphism in 5-HT transporter gene regulatory region, anxiety related neuroticism, general population & family members, commentary, 29215
polymorphism in 5-HT transporter gene regulatory region, anxiety-related personality traits, general population & family members, 29220
postmortem brain 5HT1A a binding sites, 16–69 yr old suicides completers with vs without previous antidepressant treatment, 35541

quetiapine, platelet 5-HT receptor binding, male inpatients with schizophrenia, 27404
relationships among serum cholesterol & high & low density lipoprotein & triglyceride & serotonin uptake, males, implications for serotonin & suicidal & aggressive tendencies, 21770
risperidone vs antipsychotics vs alpha2 vs 5-HT receptor antagonists, central 5-HT system activity, rat frontal cortex & raphe nucleus, schizophrenia & schizoaffective disorder treatment implications, 34666
role of mesolimbic & mesocortical vs nigrostriatal selectivity & 5-HT receptors, mechanisms & lack of extrapyramidal & tardive dyskinetic effects from atypical antipsychotics, literature review, 6998
role of presynaptic 5-HT receptors in median raphe nucleus & postsynaptic receptors in projection area of dorsal hippocampus in social interaction & anxiety, rats, 3064
role of raphe nucleus 5-HT pathway in drug induced stress responses, rats & humans, 15037
role of serotonergic defects in schizophrenia psychopathology, research review, conference presentation, 7967
role of serotonin & monopharmacotherapy & polypharmacotherapy in obsessive compulsive disorder treatment, 23897
role of serotonin in CNS & serotonin reuptake inhibitors in treatment of depression, conference presentation, 9055
role of serotonin in suicidality & violence & impulse disorders & paraphilias & clozapine therapy, implications for forensic psychiatrists, 1970–95, literature review, commentary, 31184
role of serotonin in suicidality & violence & impulse disorders & paraphilias, implications for forensic psychiatrists, 1970–95, literature review, 1346
role of serotonin in treatment of alcohol dependence, literature review, 33068
role of serotonin receptors in therapeutic & side effect profile of serotonin selective reuptake inhibitors, conference presentation, 11140
role of testosterone & serotonin, aggressive & violent & impulsive behavior, adolescent male monkeys, 21556
role of 5-HT subsystems & neurotransmission & psychosocial factors & self esteem & social anxiety in depression & anxiety, 1200
roxindole, central 5-HT system, male rats & male mice, 34679
seasonal influence on platelet 5-HT concentrations, 18–65 yr old males with positive vs negative schizophrenia vs psychotic vs nonpsychotic depression, 35476
sensitivity to ethanol induced reward vs aversion, wild type vs mutant knockout mice lacking 5-HT1A receptors, 25605
serotonergic & dopaminergic activity, mediation of sensation seeking behavior, male college students, 21795
serotonergic & dopaminergic regulation of extrapyramidal system in Parkinson's disease & Tourette's syndrome & obsessive compulsive disorder, 1912–96, literature review, 11856
serotonergic & GABAergic agents, oral stereotypies & standing & preening & drinker directed activity & pacing, female food restricted breeder fowls, 6955
serotonergic function & aggression, healthy 21–53 yr olds, 34641
serotonergic function assessed by prolactin response to fenfluramine, males with compulsive vs noncompulsive personality disorder, 16656
serotonergic mechanisms, discriminative stimulus & reinforcing & subjective effects of cocaine, animals vs humans, literature review, 25624
serotonergic modulation of intensity dependence of EPs in primary vs secondary auditory cortex, cats, 34548
serotonergic pathway lesions in dorsal & median raphe nuclei, alternate responding in VI reinforced free operant lever pressing, female rats, 18140
serotonergic properties of pontomedullary raphe nucleus & nucleus reticularis magnocellularis neurons mediating periaqueductal gray evoked antinociceptive effects, rats, 34537
serotonin brain receptors & choroid plexus receptor mediated phosphoinositide hydrolysis, alcohol preferring vs nonpreferring rats, 29343
serotonin concentrations & NMDA antagonists, antidepressant effects, patients with major depression, 32538
serotonin function & plasma tryptophan levels & prolactin response to fenfluramine, healthy adult males vs females, 41452
serotonin in clinical expression & serotonergic drugs for treatment of diseases of extrapyramidal system, 1965–96, literature review, 12642
serotonin metabolism & etiology & treatment of mental & medical disorders such as myofascial pain syndrome & addictions, 14864
serotonin receptor, startle reactivity & habituation & prepulse inhibition, serotonin receptor gene knockout vs wild-type mice, 41449
serotonin receptor subtypes & sleep & anxiety disorders & drug abuse & schizophrenia & depression, 26354
serotonin releasers, auditory & visual prepulse inhibition, male rats, 3230
serotonin systems & pharmacology & 5-HT receptor agonists & antagonists, anxiolytic effects, 19239
serotonin transporter binding & mRNA levels in midbrain & hippocampus & frontal cortex, postmortem brains of depressed adults committing suicide, 35540
serotonin 1A receptors, discriminative stimulus effects of chlordiazepoxide or bretazenil, rats, 6851
sertraline vs desmethylsertraline, extracellular 5-HT reuptake in corpus striatum & firing of serotonin containing dorsal raphe neurons, male rats, 3279
serum antibodies against organ specific CNS antigen vs serotonin vs gangliosides, 20–70 yr olds with schizophrenia vs schizoaffective vs major depressive disorder, replication, letter, 22723
severity of suicidal acts & serotonergic activity, high vs low lethality adult inpatients with major depression, 30885
slow wave sleep disturbed via increased environmental noise, serotonin & melatonin metabolism, 20–33 yr old males, 25545
socially dominant vs subordinate vs isolated experience, effect of serotonin on neural circuit commanding tailflip escape behavior, crayfish, 6695
state dependent learning induced by ethanol vs MK-801 & involvement of NMDA & 5-HT receptors in learning, male rats, 15068
stimulation of dorsal raphe region following destruction of 5-HT pathways or blockade of 5-HT receptors, hypothalamic 5-HT release & hypertension & tachycardia, rats, 21671
streptozotocin-induced diabetes & combination of chronic treatment with haloperidol, brain dopamine & 5-HT receptors, male rats, 21920
stress mediated by hypothalamic-pituitary-adrenal axis, noradrenergic & serotonergic abnormalities in depression & development of antidepressants, conference presentation, 11065
swimming exercise, adaptive changes in behavioral sensitivity to 5-HT receptor subtypes, rats, animal model of depression, 584
synaptic availability of 5-HT in nucleus accumbens, effect of ritanserin on ethanol intake, male rats with developed ethanol preference, 15073
systemic vs local cocaine, extracellular serotonin & 5-HIAA in nucleus accumbens, male rats, 11212
temporal stability of CSF 5-HIAA & monoamine metabolites, social stress & 5-HT functioning & social behavior, female adult monkeys, 24 wk study, 6783
test of association between 5-HT2A receptor polymorphism & pathogenesis of bipolar affective disorder, patients with bipolar affective disorder, 38997
total fasting, 5-HT- vs A23187-induced platelet Ca2+ release, 15–50 yr old inpatients with atopic dermatitis or bronchial asthma, Japan, implications for depression, 25620
treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self regulation, 8–11 yr olds, 9070
treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self-regulation, 8–11 yr olds, commentary, 43120

treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self regulation, 8–11 yr olds, commentary, 36425
tryptophan depletion vs enhancement & 5-HT functioning, aggressive behavior in competitive RT task, males with high vs low trait aggression scores. letter, 34618
tryptophan restricted diet, serotonin reduction & self-grooming chain completion, female rats, 21788
weekend holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary, letter, 12932
weekend holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary reply, letter, 13040
whole blood serotonin, 7–18 yr olds with mood disorders vs behavior disorders treated with vs without serotonin reuptake inhibitors vs other psychotropic drugs, 22664
5-HT & metergoline injection into nucleus accumbens, response potentiating effect of d-amphetamine or response for conditioned reward, male rats, 6887
5-HT administration into paraventricular nucleus prior to norepinephrine & pretreatment with metergoline, dark onset & adrenergic feeding, rats, 6860
5-HT or tail nerve stimulation, activation thresholds for excitability & synaptic facilitation in sensory neurons, Aplysia, 34526
5-HT receptor agonist 5-carboxamidotryptamine vs antagonist GR 127935, aversion induced anxiety & cortical extracellular 5-HT release, female guinea pigs in familiar environment vs elevated plus maze, 7044
5-HT receptor polymorphisms & clozapine response, adults with schizophrenia or schizoaffective disorder, 1293
5-HT, short & long-term sensitization of escape response, male crab, 6812
5-HT type 1B vs type 1D receptors, prepulse inhibition of startle response & locomotor activity, rats vs guinea pigs, 638
5-HT vs norepinephrine vs GABA vs neuropeptide Y, neuronal responsiveness in ventromedial hypothalamus & locomotor activity in light vs dark phase & plasma catecholamine, food deprived male rats, 6654
5-HT 1A & 5-HT 2A receptor binding in prefrontal cortex, 22–83 yr old suicide victims with major depression, 26633
5-HT1A receptor binding in orbital frontal cortex, postmortem brains of schizophrenic patients, implications for hypothesized abnormal glutamatergic innervation in schizophrenia, 4183
5-HT2A receptor polymorphisms, patient with seasonal affective disorder, 30892
8-hydroxy-2(di-n-propylamino)tetralin, sexual behavior, male rats castrated at adulthood or during early postnatal critical period, 25601

Serotonin Agonists—Serials

ACTH release in response to ipsapirone challenge & 5-HT activation of hypothalamo-pituitary-adrenal axis, adults with chronic fatigue syndrome, 38091
agonist-promoted downregulation & functional desensitization of Ser22 & Val28 naturally occurring variants of 5-HT receptor, hamster ovary cells, implications for antidepressant & anxiolytic treatment, 34572
agonists vs antagonists of 5-HT receptors, memory & mastery of active avoidance, male rats, 29597
altering shock intensity & shock delivery, anti-anxiety effects of 5HT-1A agonists & traditional anxiolytics in punished responding, pigeons, 21816
amitriptyline, prolactin response to serotonin agonist, 22 vs 70–73 day old rats, 6992
amphetamine vs quipazine vs hemicholinium, visual attention as assessed in touch window box, rats, 7081
anpirtoline vs RU24969 5HT agonist administration, locomotor activity, rats, 41501
antidepressants, intracellular calcium mobilization, Chinese hamster ovary cells transfected with human serotonin receptors, 29499
assessment of antidepressant potential of flesinoxan in forced swim test & open field activity & 8-OH-DPAT induced hypothemia, male rats, 34645
biphasic effects of 8-OH-DPAT vs 5-HT receptor antagonist WAY-100,635 vs pindolol, endurance of treadmill performance, male rats, conference presentation, 34632
cholecystokinin receptor antagonist devazepide, feeding response to dorsal or median raphe injections of 5-HT agonist OH-DPAT, rats, 15018
chronic eltoprazine vs haloperidol, time course of & tolerance to anti-aggressive action & post-cessation rebound phenomena, male rats, 11174
circadian rhythm in responsiveness of central 5-HT2A receptor to (2,5-dimethoxy-4-iodophenyl)-2-aminopropane hydrochloride, 7 wk old male rats, 15066
clozapine, persistent paroxysmal dyskinesia associated with concomitant paroxetine & sumatriptan use, 40 yr old female with 9 yr history of bipolar disorder, case report, 39895
coadministration of L-DOPA & serotonin agonist quipazine, hindlimb locomotion 24 hrs following mid-thoracic spinal cord transection, neonatal rats, 38131
dexfenfluramine & 5-HT agonist 8-OH-DPAT, impulsivity in delay-of-reward paradigm, male rats, implications for relation of impulsivity to alcohol consumption, 7031
diazepam vs flesinoxan, ACTH & corticosterone & plasma glucose levels in stress induced hyperthermia test, mice, 15041
dimethoxyidophenyl/aminopropane &/vs ritanserin, embryonic motility & viability & hatchability & umbilical herniation, fertile chicken eggs in early vs middle vs late embryogenesis, 11208
dopamine vs norepinephrine vs 5-HT agonists & antagonists, stimulus effects of d-amphetamine, rats, role of dopamine neuronal systems, 18350
dose & time response relationships of behavioral & physiological & biochemical effects of 8-OH-DPAT, male rats, 41543
efficacy & safety of low vs high dose of gepirone-extended release vs placebo, 17–77 yr old outpatients with major depressive disorder, 32587
efficacy & safety of sc sumatriptan vs dihydroergotamine nasal spray, headache relief, patients with migraine headaches, 20106
efficacy of gepirone extended release vs imipramine, adults with major depression, 23880
efficacy of sc sumatriptan, 18–64 yr olds with atypical facial pain, England, 36619
eltoprazine modification of serotonin metabolism, self injurious behavior, mentally retarded 18–65 yr olds, 5113
enantiomers of 8-OH-DPAT, hippocampal firing activity & hypothermic response, male rats, 29553
flesinoxan & ipsapirone & piperazine & fluvoxamine & ketanserin, working memory in delayed conditional discrimination task, male rats, 15044
flesinoxan, corticosterone & prolactin & behavioral responses, rats, 34664
fluoxetine vs m-chlorophenylpiperazine, emotional & physical aspects of symptom response, female 28–44 yr olds with PMS and premenstrual dysphoric disorder, 32559
heterogeneity vs correlation of serotonergic hormonal & behavioral responses to metachlorophenylpiperazine, patients with treatment refractory schizophrenia, 35610
HT-90B, anxiety in conflict & forced swim tests, male rats, implications for antidepressant efficacy, 3227
ipsapirone, immobility in forced swim test & hyperactivity in open field & hypothermic response to 8-OH-DPAT, rats with olfactory bulbectomy, models of depression, 6994
ipsapirone, substitution for ethanol cue in drug discrimination & conditioned taste aversion, rats, implications for simple stimulus subsitution in animal models of alcoholism, 6865
iv meta-chlorophenylpiperazine, central serotonergic function & subjective emotional responses, female 18–45 yr olds with bulimia nervosa, 35946
kavain & dihydromethysticin, ipsapirone-induced field potential changes, antemortem guinea pig hippocampal slices, 38173

long-term efficacy & tolerability profile of selective 5-HT 1B/1D receptor agonist zolmitriptan 311C90 in acute migraine treatment, 12–26 yr old patients, 39922
m-chlorophenylpiperazine, prolactin level & cortisol level & psychological variables & craving, male inpatients with alcoholism (mean age 38.9 yrs), 31299
MDMA vs fenfluramine vs 5-methoxy-6-methyl-2-aminoindan, activation of extracellular dopamine in nucleus accumbens & rewarding vs aversive responses in conditioned place preference, rats, 3248
microdialysis perfusion of 8-OH-DPAT in role of dorsal raphe nucleus, serotonin release & REM sleep, cats, 10995
mixed serotonin agonist/antagonist m-chlorophenylpiperazine, psychological & physiological & neuroendocrine functioning, type I vs type II alcoholics vs healthy adults, 23053
neonatal castration or androgenization & administration of 5-HT2 agonist vs ritanserin vs 8-OH-DPAT, exploration & anxiety & sociosexual preference & sexual behavior, adult male vs female rats, 15036
neonatal 8-OH-DPAT vs serotonin antagonist WAY 100135, interaction of 5-HT & testosterone & effect on organization of offensive vs defensive facets of agonistic behavior, adult rats, 14998
novel 5-HT agonist/antagonist FG5865, alcohol intake, high alcohol drinking rats, 3244
options for effective migraine management including treatment with novel selective 5-HT 1B/1D receptor agonist zolmitriptan 311C90, 39905
pharmacokinetic profile & bioavailability of selective 5-HT 1B/1D receptor agonist zolmitriptan 311C90 & its effectiveness as acute migraine treatment, 39903
postnatal cocaine & fluoxetine exposure, acoustic startle response, rats treated with serotonin agonists 8-hydroxy-dipropyl-aminotetralin or 1-(m-cholorphenyl) piperazine, 38093
pretreatment with p-chloroamphetamine, effects of 1-(m-chlorophenyl)-biguanide & ondansetron & tropisetron on CR, male rats,implications for role of 5-HT3 receptors in learning, 6926
pretreatment with p-chloroamphetamine vs MDMA vs d-fenfluramine, head twitches & serotonin syndrome & neuroendocrine response to d-fenfluramine & other serotonergic agonists, male rats, 15092
pretreatment with serotonin antagonist WAY-100635, somatodendritic serotonin receptors & 8-OH-DPAT-induced anxiolytic effects, male rats, 7043
repeated estradiol, lordosis inhibiting action of 5-HT agonist 8-OH-DPAT in ventromedial nucleus of hypothalamus, ovariectomized rats, 18230
ritanserin vs 8-OH-DPAT vs prazosin, raclopride vs haloperidol induced conditioned avoidance & escape responses, male rats, implications for 5-HT & dopamine receptor specific interactions, 15080
role of raphe nucleus 5-HT pathway in drug induced stress responses, rats & humans, 15037
sc vs olfactory bulb injection of ritanserin or sc 2,5-dimethoxy-4-iodophenyl-2-aminoproprane hydrochloride, 5-HT-2 receptor mediation of conditioned olfactory learning & preference, rat pups, 15059
selective 5-HT agonist CP-94,253, pellet & sucrose intake & feeding behavior & meal duration & satiety, male rats, 38124
serotonin agonists or antagonists, strategies in choice between delayed reinforcers, rats, implications for validity of operant paradigm, 15012
serotonin agonists vs antagonists, modulation of discriminative-stimulus responding effects of cocaine, male squirrel monkeys, 41519
serotonin antagonist MDL 100,907, serotonin receptor agonist-induced auditory & visual prepulse inhibition, male rats, 3263
serotonin antagonists &/vs agonists, growth hormone releasing factor vs somatostatin mediated regulation of growth hormone secretion in maternal separation, rats pups, implications for role of 5-HT receptors in attachment disorder, 6942
serotonin receptor agonist sumatriptan, growth hormone response, adults with seasonal affective disorder, 35577
serotonin receptor agonists 8-OH-DPAT vs TFMPP, water maze learning, male rats, 6940
serotonin receptor, startle reactivity & habituation & prepulse inhibition, serotonin receptor gene knockout vs wild-type mice, 41449
serotonin receptor stimulation via 8-OH-DPAT receptor agonist, ethanol intake & maintained self-administration behavior, female rats, 7111
serotonin systems & pharmacology & 5-HT receptor agonists & antagonists, anxiolytic effects, 19239
side effects & maximum tolerated dose of lesopitron, 18–65 yr old patients with generalized anxiety disorder, 27456
sumatriptan, headache & productivity & disability & quality of life, migraine patients, 1934
sumatriptan, panic-like symptoms & migraine headache attacks, adults, letter, 13003
sumatriptan vs usual therapy, workplace productivity & nonwork activities & health related quality of life, hospital employees with migraine, 16755
systemic vs intracerebral 8-OH-DPAT in median vs dorsal raphe nuclei vs dorsal hippocampus, spatial short term memory, male rats, 25625
total sleep deprivation & recovery, serotonergic neuronal activity in dorsal raphe nucleus, male cats, 41321
typical profiles & histories of migraine patients treated with selective 5-HT 1B/1D receptor agonist zoltriptan 311C90, 40–47 yr olds, case reports, 39900
zalospirone, outpatients with major depression, 1852
1-m-chlorophenyl-biguanide, K+ induced nucleus accumbens dopamine release, male rats withdrawn from cocaine, 29582
1A/1B receptor specific 5-HT agonist CGS-12066B, 1A receptor specific 5-HT agonist GBR-12909 vs cocaine self administration, male rats, implications for dopamine mediated reinforcement, 15074
10 vs 20 mg 5-HT1A agonist ipsapirone, REM sleep suppression, adults with major depression, 9071
5-HT agonists vs antagonists vs sertraline, punished responding in drug discrimination, male pigeons, 18315
5-HT nonselective agonist in dorsal hippocampus & restraint stress, effect of 5-HT-1A receptors on elevated plus maze exploration, male rats, 621
5-HT receptor agonists administered into paraventricular hypothalamus, neuropeptide Y induced feeding, male rats, 11141
5-HT reuptake inhibitors & agonists & antagonists & diazepam, anxiolytic effects & changes in freezing behavior induced by conditioned fear stress, male rats, 6934
5-HT 1A &/or 1B receptor agonists CP-94,253 & RU-24969, food intake & behavioral satiety sequence duration & frequency profiles, male rats, 11142
5-HT 1A agonist RU 24969 & paroxetine or imiprimine, behavior in tail suspension test, male mice pretreated with 5-HT 1A & 1B/D antagonists WAY 100135 & GR 127935, animal model of depression, 11179
5-HT-1A receptor agonists & partial agonists & silent antagonist vs benzodiazepine receptor agonists, conditioned fear & anxiety, food-deprived male rats pretreated with scopolamine, 18342
5-HT-1A receptors, effects of 8-OH-DPAT & DOI & LSD on exploratory locomotion, male rats, 21873
5-HT†B 1A †b receptor antagonist WAY 100635, anxiolytic- vs anxiogenic-like effects of 8-OH-DPAT vs buspirone on plus-maze, male rats, 41444
5-HT1A agonist (+)-WAY-100135, offensive behavior, male mice, 15006
5-HT1A receptor agonist flesinoxan, 22–47 yr olds with panic disorder with or without agoraphobia, 16663
5-HT1B agonist CGS 12066B vs 5-HT1B receptor antagonists, 5-HT behavioral syndrome & motor activity & body temperature, male rats, 29510
8-OH-DPAT & ipsapirone & NAN-190 & ketanserin & MDL-72222 & yohimbine & clonidine, antinociceptive effects of morphine during shock titration procedure, male squirrel monkeys, 7032

8-OH-DPAT & ritanserin, haloperidol induced catalepsy & changes in extracellular levels of striatal dopamine, male rats, 34678
8-OH-DPAT, incentive value of food & food-consumption & reinforced instrumental performance, rats, 6818
8-OH-DPAT, social competition, rat triads, implications for use as animal model of anxiety, 15107
8-OH-DPAT vs ipsapirone vs buspirone vs indorenate, ontogeny of conditioned defensive burying behavior at different ages of development, 2–21 wk old male rats, 15055
8-OH-DPAT vs serotonin antagonist, RT & choice accuracy in computerized visual learning task, male rats, implications for animal models of Alzheimer's disease, 6848
8-OH-DPAT vs tertatolol to dorsal raphe nucleus vs ventral hippocampus, anxiety & hyperactivity, rats naive to vs experienced with elevated plus maze, 15029
Serotonin Antagonists [See Also Lysergic Acid Diethylamide, Mianserin, Parachlorophenylalanine, Ritanserin, Tetrabenazine]—Serials
administration of serotonin antagonist FG5938, volitional intake of alcohol & food & water, alcohol preferring rats, 7028
agonists vs antagonists of 5-HT receptors, memory & mastery of active avoidance, male rats, 29597
anticholinesterase drugs tacrine & E2020 & 5-HT-3 antagonist odansetron & H-3 antagonist thioperamide, models of cognition & cholinergic function, male rats, 21869
antidepressants, intracellular calcium mobilization, Chinese hamster ovary cells transfected with human serotonin receptors, 29499
behavioral effects of 5-HT receptor antagonists & alpha 2-adrenoceptor activity in regulation of behavior, mice, 34707
benzodiazepine & serotonin selective reuptake inhibitors, psychosis, 40–48 yr olds with panic & anxiety disorder, case report, 19934
benzodiazepines with vs without specific norepinephrine vs serotonin uptake blockers, behavior in learned helplessness paradigm, rats, 6985
biphasic effects of 8-OH-DPAT vs 5-HT receptor antagonist WAY-100,635 vs pindolol, endurance of treadmill performance, male rats, conference presentation, 34632
BRL 46470A injected peripherally or into amygdala, memory & anticipatory anxiety & innate fear, rats, 11136
buspirone augmentation, responsivity to selective serotonin reuptake inhibitors, 18–50 yr olds with social phobia, 13068
cisapride, relief from nausea elicited by venlafaxine, 28–60 yr olds with treatment refractory recurrent major depression, 9151
combined treatment with amperozide & naltrexone, alcohol intake, high alcohol drinking rats, 6962
continuation therapy with tricyclic or selective serotonin reuptake inhibitor antidepressants, persistence of deficits in psychomotor & perceptual performance, major depressive patients in remission, 16627
cyanopindolol, high-pressure 5-HT–dopamine interactions, male rats, implications for role of 5-HT receptor in dopamine-related pressure-induced neurochemical & behavioral disorders, 6639
cyproheptadine as in vivo serotonin antagonist, 27 & 31 yr old males, case report, letter, 41478
d-fenfluramine & metergoline following amphetamine injection into nucleus accumbens, responding for CR, rats, implications for role of serotonin in incentive motivation, 6888
dimethoxyidophenyl/aminopropane &/vs ritanserin, embryonic motility & viability & hatchability & umbilical herniation, fertile chicken eggs in early vs middle vs late embryogenesis, 11208
discontinuation rates for serotonin-specific reuptake inhibitors vs reference vs newer tricyclics & heterocyclics in treatment of depression, meta analysis, 36460
dopamine vs norepinephrine vs 5-HT agonists & antagonists, stimulus effects of d-amphetamine, rats, role of dopamine neuronal systems, 18350
efficacy & tolerability & cost effectiveness of tricyclic antidepressants vs selective serotonin reuptake inhibitors in treatment of major depression, erratum, 13029
efficacy of clomipramine dose with vs without sertraline vs adjunctive risperidone, adults with treatment-refractory obsessive compulsive disorder nonresponsive to serotonin reuptake inhibitors, 23922
enhancement of serotonergic neurotransmission & fluoxetine & muscarinic & 5-HT & dopaminergic & noradrenergic antagonists & stereoisomers of SKF 10047, cocaine induced convulsions, male mice, 25606
evolution of risperidone & other serotonin & dopamine antagonists in treatment of schizophrenia, commentary, 9087
flesinoxan & ipsapirone & piperazine & fluvoxamine & ketanserin, working memory in delayed conditional discrimination task, male rats, 15044
fluoxetine vs sertraline treatment, development of paresthesias & alopecia, 36 yr old female with dysthymia, case report, letter, 16616
GR 68755, d-amphetamine induced mood & cognitive performance & appetite & food preference & caloric & macronutrient intake, 18–45 yr old males, 603
haloperidol vs clozapine vs olanzapine vs other 5-HT receptor specific antagonists, attenuation of PCP induced hyperlocomotion, male mice, 18293
haloperidol with vs without scopolamine vs metergoline with vs without scopolamine vs scopolamine vs placebo, cognitive processes & behavior, 20–33 yr old healthy males, conference presentation, 34721
icv cadmium, water intake attenuation & CNS & cholinergic & antiotensinergic activity, dehydrated male rats pretreated with carbachol or antiotensis II or 5-HT2 antagonist RP62203, 11126
intrahippocampal scopolamine with vs without ondansetron, dose-related impairment of spatial learning, rats, 21826
ketanserin & methysergide & methiothepin, modulation of attention & working memory & behavioral activity, male rats, 34700
m-chlorophenylpiperazine with vs without ondansetron pretreatment, behavioral & physiological & neuroendocrine responses, healthy Ss (mean age 34 yrs), 29513
MDL 100,907, time course of 5-HT_2 receptor occupancy, 23–43 yr olds, 41461
MDL 100,907 vs other 5-HT vs dopamine receptor antagonists, MDMA-stimulated locomotion & suppressed rearing behavior, male rats, 6943
MDMA & dimethoxybromoamphetamine & fluoxetine & ketanserin & cocaine & p-chloroamphetamine, serotonin receptors & transporters & protein kinase C activation, female rats, 41481
metergoline vs mesulergine vs mianserin vs ritanserin, attentuation duration of m-chlorophenylpiperazine vs DOI induced hyperthermia, male rats, 29590
mixed serotonin agonist/antagonist m-chlorophenylpiperazine, psychological & physiological & neuroendocrine functioning, type I vs type II alcoholics vs healthy adults, 23053
nefazodone, Hamilton Rating Scale for Anxiety & Clinical Global Impressions scale, adults with generalized anxiety disorder, 23888
neonatal 8-OH-DPAT vs serotonin antagonist WAY 100135, interaction of 5-HT & testosterone & effect on organization of offensive vs defensive facets of agonistic behavior, adult rats, 14998
novel 5-HT agonist/antagonist FG5865, alcohol intake, high alcohol drinking rats, 3244
ondanestron, development of blocking of cocaine induced sensitization & behavior & tolerance, male rats, 29571
ondansetron as 5-HT antagonist vs cocaine, psychoactive & physiological responses, 26–40-yr-old male inpatient cocaine abusers, implications for drug abuse treatment, 9619
ondansetron augmentation of clozapine therapy, 31 yr old male patient with chronic schizophrenia, case report, 43121
ondansetron, cigarette withdrawal symptoms & continuous abstinence, smokers in group treatment, 9621
ondansetron pretreatment, ECT-induced prolactin release, patients with major depression, Canada, 13081
oral sumatriptan, growth hormone release throughout menstrual cycle, healthy female 18–40 yr olds, 3240

paroxetine, prolactin response to sumatriptan, healthy 21–45 yr old males, 3292
pindolol & tranylcypromine, suicidal & psychotic 29-yr-old hospitalized female with severe depression, case report, 36467
pretreatment with p-chloroamphetamine, effects of 1-(m-chlorophenyl)-biguanide & ondansetron & tropisetron on CR, male rats,implications for role of 5-HT3 receptors in learning, 6926
pretreatment with serotonin antagonist WAY-100635, somatodendritic serotonin receptors & 8-OH-DPAT-induced anxiolytic effects, male rats, 7043
ritanserin vs ketanserin, arousal-induced phase shifts of circadian system, male Syrian hamsters, 21921
role of serotonin & monopharmacotherapy & polypharmacotherapy in obsessive compulsive disorder treatment, 23897
selective serotonin reuptake inhibitors, 14–42 yr old patients with trichotillomania, 12981
serotonin & dopamine antagonism in pathophysiology & treatment of schizophrenia, 18242
serotonin & noradrenaline uptake blocking traits of antidepressant venlafaxine, 15070
serotonin agonists or antagonists, strategies in choice between delayed reinforcers, rats, implications for validity of operant paradigm, 15012
serotonin agonists vs antagonists, modulation of discriminative-stimulus responding effects of cocaine, male squirrel monkeys, 41519
serotonin antagonist MDL 100,907, serotonin receptor agonist-induced auditory & visual prepulse inhibition, male rats, 3263
serotonin antagonist p-MPPI, performance on elevated plus maze, male mice, animal model of anxiety, 25563
serotonin antagonists &/vs agonists, growth hormone releasing factor vs somatostatin mediated regulation of growth hormone secretion in maternal separation, rats pups, implications for role of 5-HT receptors in attachment disorder, 6942
serotonin receptor antagonist, suppressed & unsuppressed responding in rat Geller Seifter & marmoset conflict test, rats, conflict models of anxiety, 6945
serotonin systems & pharmacology & 5-HT receptor agonists & antagonists, anxiolytic effects, 19239
serotonin 5-HT reuptake inhibitors, alcohol intake & craving & related depression, patients with alcohol dependence, literature review, 5053
short term risperidone safety, 11–16 yr olds with Tourette's syndrome or chronic tic disorders with or without obsessive compulsive symptoms, erratum, 13004
systemic vs 4th icv-administered fenfluramine, metergoline attenuation of intra-oral food intake reduction, intact vs chronic decerebrate male rats, implications for caudal brainstem contribution, 29294
tropisetron, ethanol vs morphine induced conditioned taste aversion & ethanol induced conditioned place aversion, male rats, 29509
tropisetron vs ondansetron, scopolamine-induced learning & memory deficits in step-through passive avoidance & spatial navigation paradigms, rats, 41505
use of 5-HT reuptake inhibitors & opioid antagonists in pharmacotherapy of alcohol dependence & effect on alcohol consumption, 5052
zimelidine & REM sleep deprivation, nucleus raphe dorsalis neurons & response to citalopram, male rats, animal model of depression, 6989
5-HT agonists vs antagonists vs sertraline, punished responding in drug discrimination, male pigeons, 18315
5-HT lesions, regional levels of monoamines & metabolites & working memory & motor activity following muscarinic vs serotonergic vs nicotinic receptor antagonism, male rats, 29354
5-HT reuptake inhibitors & agonists & antagonists & diazepam, anxiolytic effects & changes in freezing behavior induced by conditioned fear stress, male rats, 6934
5-HT uptake inhibiting antidepressants & blockade of NA & 5-HT uptake, 5-HT cell firing in dorsal raphe nuclei, male rats, 29545
5-HT 1A agonist RU 24969 & paroxetine or imipramine, behavior in tail suspension test, male mice pretreated with 5-HT 1A & 1B/D antagonists WAY 100135 & GR 127935, animal model of depression, 11179
5-HT-1A receptor agonists & partial agonists & silent antagonist vs benzodiazepine receptor agonists, conditioned fear & anxiety, food-deprived male rats pretreated with scopolamine, 18342
5-HT 2C subtypes, m-chlorophenylpiperazine-induced hyperthermia, male rats, 6990
5-HT†B 1A †b receptor antagonist WAY 100635, anxiolytic-vs anxiogenic-like effects of 8-OH-DPAT vs buspirone on plus-maze, male rats, 41444
5-HT1A antagonist pindolol & buspirone vs tricyclic antidepressants vs selective 5-HT reuptake inhibitor fluvoxamine, acceleration of antidepressant effects, 21–61 yr olds with unipolar depression, 32361
5-HT1A antagonist WAY 100635, amelioration of visuospatial & other cognitive impairments, adult marmosets with fornix transections, implications for treatment of Alzheimer's disease & dementia, 18296
5-HT1B agonist CGS 12066B vs 5-HT1B receptor antagonists, 5-HT behavioral syndrome & motor activity & body temperature, male rats, 29510
5-HT2 antagonism, extrapyramidal side effects of antipsychotic drugs, rodents & monkeys & psychiatric patients, 5045
5-HT3 antagonist ondansetron, psychosis, 56–72 yr old parkinsonian patients & 64–88 yr olds with advanced Parkinson's disease, commentary, letter, 20073
5-HT3 antagonist ondansetron, psychosis, 56–72 yr old parkinsonian patients & 64–88 yr olds with advanced Parkinson's disease, commentary reply, letter, 20110
5-HT3 receptor antagonist ondansetron, prolactin responses to d-fenfluramine challenge, 21–45 yr old healthy males, 15015
8-OH-DPAT & ipsapirone & NAN-190 & ketanserin & MDL-72222 & yohimbine & clonidine, antinociceptive effects of morphine during shock titration procedure, male squirrel monkeys, 7032
8-OH-DPAT vs serotonin antagonist, RT & choice accuracy in computerized visual learning task, male rats, implications for animal models of Alzheimer's disease, 6848
8-OH-DPAT vs tertatolol to dorsal raphe nucleus vs ventral hippocampus, anxiety & hyperactivity, rats naive to vs experienced with elevated plus maze, 15029

Serotonin Metabolites [See Also Hydroxyindoleacetic Acid (5-)]—Serials

monoamine & metabolite & tryptophan concentrations in frontal cortex & hypothalamus & gyrus cinguli, suicide victims, Sweden, 35709
serotonin selective reuptake inhibitor, drug metabolizing isoenzyme systems, 25572

Serotonin Precursors [See Tryptophan]

Serotonin Reuptake Inhibitors [See Also Chlorimipramine, Citalopram, Fluoxetine, Fluvoxamine, Paroxetine, Zimeldine]—Serials

augmentation of serotonin reuptake inhibitor with risperidone, 16–59 yr olds with obsessive compulsive disorder or trichotillomania or Tourette's syndrome, South Africa, 32551
azole antifungal agents & selective serotonin reuptake inhibitor antidepressants, inhibition of terfenadine metabolism in vitro with human liver microsomes, 11222
behavior therapy using exposure & ritual prevention with vs without pharmacotherapy with serotonin reuptake inhibitors, effective treatment of obsessive compulsive & panic disorder, 19684
cisapride, relief from nausea elicited by venlafaxine, 28–60 yr olds with treatment refractory recurrent major depression, 9151
clusters & duration of discontinuation symptoms following treatment with serotonin reuptake inhibitors & development of discontinuation syndrome, literature review, 43205
combination treatment with selective serotonin reuptake inhibitors, 15–59 yr old depressed patients, case report, 39814

combined deprenyl & antidepressant treatment , frequency of serotonin syndrome, patients with Parkinson's disease, 36624
combined risperidone & selective serotonin reuptake inhibitor induced enuresis, 10–14 yr old psychiatric patients, letter, 9163
combined vs single serotonin reuptake inhibitor & bupropion treatment, symptom relief, 20–83 yr old outpatients with affective disorders partially responsive to drug therapy, 36421
cytochrome P450 enzymes in metabolism of antidepressants & neuroleptics & benzodiazepines & alkaloids & implications for adverse effects with selective serotonin reuptake inhibitors, commentary, 21821
cytochrome P450 enzymes in metabolism of antidepressants & neuroleptics & benzodiazepines & alkaloids & adverse effects with selective serotonin reuptake inhibitors, 7094
drug craving & affective symptoms after abrupt substitution of nefazodone for other serotonergic drugs, adults, case report, letter, 23870
effectiveness & side effects in treatment of depression & panic disorders & obsessive compulsive disorder, serotonin vs noradrenaline reuptake inhibitors, conference presentation, 9053
effectiveness of tricyclic antidepressants &/vs selective serotonin reuptake inhibitors in treatment of endogenous melancholic depression, literature review, 13028
efficacy & cost effectiveness of selective serotonin reuptake inhibitors vs tricyclic antidepressants, literature review, 5032
efficacy of selective & general class of serotonin reuptake inhibitors, individuals with panic disorder, literature review, 27451
efficacy of serotonin reuptake inhibitors & neurotransmitter & neuropeptide mechanisms, obsessive compulsive disorder symptomatology, 32425
efficacy of 2nd serotonin selective reuptake inhibitor, 26–66 yr olds with major depression after failure of 1st serotonin selective reuptake inhibitor for current episode, retrospective study, 1823
fluoxetine & tryptophan depletion, vulnerability to depressed mood & quality of life, healthy adults (mean age 32.2 yrs), 29505
fluoxetine vs sertraline, adults with major depression, 27461
fluvoxamine & fluoxetine & sertraline & selective serotonin reuptake inhibitor efficacy & treatment of paraphilias & paraphilic disorders, 17–72 yr old male paraphiliacs, 27414
frequency & severity of side effects of tricyclic antidepressants vs serotonin selective reuptake inhibitors vs nefazodone, depressed patients, 12997
heterogeneity of therapeutic efficacy & pharmacology & side effects of fluoxetine & sertraline & paroxetine, literature review, 27447
inositol treatment, patients including elderly & children with different psychiatric disorders, 36473
interaction between cytochrome P450 enzymes & selective serontonin reuptake inhibitors, conference presentation, 6840
interchangeability & heterogeneity of serotonin reuptake inhibitors, 56 yr old male & 65 yr old female patients with major depression, case reports, letter, 5091
MAO inhibitors & serotonin selective reuptake inhibitors & tricyclic & other antidepressants, patients with panic disorder, 27425
MDMA & dimethoxybromoamphetamine & fluoxetine & ketanserin & cocaine & p-chloroamphetamine, serotonin receptors & transporters & protein kinase C activation, female rats, 41481
mechanism of action & pharmacology & efficacy & tolerability of fluoxetine & fluvoxamine & sertraline & paroxetine & citalopram, geriatric depression, literature review, 5082
methylphenidate & selective serotonin reuptake inhibitor induced sexual side effects, patients with depression, commentary, letter, 32519
methylphenidate & selective serotonin reuptake inhibitor induced sexual side effects, patients with depression, commentary reply, letter, 32553
movement disorders & serotonin selective reuptake inhibitors, review of case reports, 23899
neuroleptics with vs without serotonin reuptake inhibitors, adolescents with Tourette's syndrome with vs without comorbid obsessive compulsive disorder, letter, 9080
patient selection criteria & methodological issues in studies of serotonin reuptake inhibitor treatment of obsessive compulsive disorder, 43143
pharmacology & pharmacokinetics & plasma level monitoring of citalopram & other selective serotonin reuptake inhibitors, conference presentation, 9033
pharmacology of selective serotonin reuptake inhibitors, children & adolescents, clinical implications, literature review, 36472
pindolol augmentation of clomipramine or fluoxetine or sertraline, patients with obsessive compulsive disorder, letter, 1832
pindolol with vs without paroxetine &/or citalopram, terminal 5-HT release elicited by activation of somatodentritic 5-HT 1A receptors & extracellular 5-HT, male rats, 21915
prostaglandin E, auditory hallucinations, 42 yr old Asian male with schizophrenia & neuroleptic & selective serotonin reuptake inhibitor-induced erectile disorder, 23942
REM sleep deprivation, reduced inhibitory potency of serotonin reuptake blockers on central serotonergic neurons in dorsal raphe nucleus, male rats, 10977
response to serotonin selective reuptake inhibitors as evidence for role of serotonin dysregulation in pathophysiology of obsessive compulsive disorder, 19964
risk of mania in use of citalopram & paroxetine vs tricyclic antidepressants, patients with bipolar affective disorder, letter, 32575
role of serotonin in CNS & serotonin reuptake inhibitors in treatment of depression, conference presentation, 9055
role of serotonin receptors in therapeutic & side effect profile of serotonin selective reuptake inhibitors, conference presentation, 11140
selective serotonin reuptake inhibitors, depressive & psychotic symptoms, 69–92 yr olds with dementia of Alzheimer's type or other dementia, 36422
selective serotonin reuptake inhibitors, extrapyramidal side effects, elderly patients with mental and physical disorders, Ireland, 36450
selective serotonin reuptake inhibitors, stereotypic behavior, 22–53 yr olds, case reports, commentary, 36516
selective serotonin reuptake inhibitors & tricyclic antidepressants, kinetic parameters & maximal velocity & Michaelis constant of red blood cell L-tryptophan uptake, 24–79 yr olds with depression, 32534
selective serotonin-reuptake inhibitors in pregnancy & lactation, developing fetus & neonate of mothers with psychiatric disorders, literature review, 1976–96, 23861
selective serotonin reuptake inhibitors vs medroxyprogesterone acetate vs psychotherapy efficacy & compliance, males with active paraphilia, 33125
serotonin reuptake inhibitor treatment, inability to cry, 33–42 yr old females with obsessive compulsive vs panic vs major depressive disorder, case reports, letter, 32486
serotonin reuptake inhibitor withdrawal symptoms, literature review, 43194
serotonin reuptake inhibitors & other 1st-line antidepressant medications, obsessive compulsive disorders, case examples of 18 & 45 yr old males & 33 yr old female, research review, 32494
serotonin reuptake inhibitors in treatment of obsessive compulsive disorder & Tourette's syndrome & trichotillomania & related dopaminergic mechanisms, 1977–95, literature review, 12974
serotonin reuptake inhibitors induced mania, 19–46 yr old patients with depression, 26454
serotonin selective reuptake inhibitor, drug metabolizing isoenzyme systems, 25572
serotonin selective reuptake inhibitors, behavioral symptoms, 53–69 yr olds with frontotemporal dementia, 36519
serotonin syndrome & selective serotonin reuptake inhibitors & drug interactions, 36471

side effects & efficacy of risperidone augmentation of serotonin reuptake inhibitor, refractory patients with obsessive compulsive disorder, 13044
side effects of antidepressant drugs & use of serotonin reuptake inhibitors, Australia, letter, commentary with reply included, 4982
similarity of behavioral profiles of citalopram & paroxetine & sertraline & fluvoxamine & fluoxetine in animal models of depression & anxiety & aggression, rats & mice, 21917
theories for cause of panic attacks & agoraphobia & response to antidepressants with serotonin activity & serotonin selective reuptake inhibitors, role of serotonin in respiratory regulation, 19898
tolerance & efficacy of citalopram, elderly patients with dementia or depression, Denmark & Norway & Finland, conference presentation, 9073
tricyclic antidepressant vs benzodiazepine vs MAO inhibitor vs selective serotonin reuptake inhibitor treatment, patients with panic disorder, research review, 32585
tricyclic antidepressants & serotonin selective reuptake inhibitors, previously unresponsive 19–60 yr olds with affective disorder or interictal psychosis & chronic epilepsy, 27393
venlafaxine efficacy & tolerability, patients with obsessive compulsive disorder, letter, 9145
withdrawal buzz phenomenon following discontinuation of serotonin reuptake inhibitor, psychiatric patients, commentary reply, letter, 12963
withdrawal buzz phenomenon following discontinuation of serotonin reuptake inhibitor, psychiatric patients, commentary, letter, 13013
withdrawal from clomipramine or selective serotonin reuptake inhibitors, symptoms, outpatients with anxiety or mood or other disorders, 32382
zimeldine & citalopram & inhibitory effects of serotonin reuptake blockers, sensitivity & neuronal firing in dorsal raphe nucleus, male rats with learned helplessness, 29588
5-HT uptake inhibiting antidepressants & blockade of NA & 5-HT uptake, 5-HT cell firing in dorsal raphe nuclei, male rats, 29545
5-HT1A antagonist pindolol & buspirone vs tricyclic antidepressants vs selective 5-HT reuptake inhibitor fluvoxamine, acceleration of antidepressant effects, 21–61 yr olds with unipolar depression, 32361
Serpasil [See Reserpine]
Sertraline—Serials
bupropion & sertraline, symptom relief, 36–40 yr olds with treatment refractory depression or bipolar disorder, case reports, 16643
combination of sertraline & metoclopramide, development of mandibular dystonia, 23 yr old female with major depression, case report, letter, 32377
development of akathisia induced by sertraline, 28 & 29 & 54 & 61 yr old females with mental disorders, case report, 32487
efficacy & safety of sertraline vs fluvoxamine, prevention of recurrence of depressive episodes, patients with recurrent unipolar depression, Italy, 2 yr followup, 32413
efficacy & safety of sertraline vs imipramine, 25–65 yr olds with primary dysthymia, 9159
efficacy & tolerability of sertraline vs paroxetine, patients with delusional depression, 19983
efficacy of fluoxetine vs sertraline or paroxetine, male in mid 20s with social phobia, case report, letter, 32564
emergence of psychotic symptoms during treatment with sertraline, 29–70 yr old male psychiatric patients, case report, 36493
evolving trends in diagnosis & pharmacotherapeutic management of depression & effective therapeutic dose of sertraline advocated by competing pharmaceutical companies, commentary, letter, 1835
evolving trends in diagnosis & pharmacotherapeutic management of depression & minimum effective dose of sertraline & collusion between author & pharmaceutical company, commentary reply, letter, 1843
evolving trends in diagnosis & pharmacotherapeutic management of depression & minimum effective dose of sertraline & ethics of pharmaceutical sales representatives, commentary reply, letter, 1870
fluoxetine or paroxetine or sertraline, behavioral symptoms, children under 7 yrs old with developmental disorders, 16611
fluoxetine vs sertraline, adults with major depression, 27461
high dose sertraline, 22 yr old male with treatment resistant obsessive compulsive disorder, case report, 12949
imipramine vs paroxetine vs sertraline vs placebo, anxiety reaction to carbon dioxide inhalation, panic disorder patients, Italy, 31063
initial paroxetine followed by sertraline, galactorrhea, depressed female 40 yr old, case report, letter, 13001
methylphenidate & sertraline-induced seizure, 13-yr-old male with ADHD & depressive disorder, case study, 43130
mother's use of sertraline, plasma concentrations of sertraline &/or norsertraline, 6–26 wk old breastfed infants, 32461
patterns of prescribing mirtazapine or sertraline or venlafaxine 1 yr after introduction, Netherlands, 36435
sertraline & clozapine, clozapine concentration levels, 35 yr old White male with paranoid schizophrenia, case report, letter, 32497
sertraline & methylphenidate treatment, kleptomania, 11 yr old White female with ADHD & oppositional defiant disorder, case report, 36436
sertraline & phenytoin, elevated serum phenytoin concentration, 78 & 85 yr old Black & White males with depression, case report, 32429
sertraline, aggression & self-injury, 20–47 yr old outpatients with mental retardation &/or autistic disorder, 5028
sertraline, alcohol craving & consumption, patients with alcohol dependence, 2 vs 6 vs 12 mo followup, 2059
sertraline, choreiform dyskinesia & extrapyramidal symptoms, 86 yr old female with major depression & multi-infarct dementia, case report, 32456
sertraline, development of stuttering & speech blockage, female 32 yr old with recurrent depression, case report, commentary, letter, 9052
sertraline, development of stuttering & speech blockage, patients with major depression, commentary reply, letter, 9109
sertraline dosages, extent & time course of CYP2D6 inhibition, phenotyped 29–64 yr old males with major depression, Canada, 30908
sertraline, hallucinogen persisting perception disorder & mild depression, 22 yr old male who discontinued LSD use 6 mo previously, case report, letter, 32594
sertraline, hyponatremia, 75 yr old female with major depression, 5000
sertraline induced hair loss, female 21 yr old with dysthymia & 37 yr old with major depression with psychotic features, case reports, letter, 9042
sertraline induced mania, hospitalized 17 yr old male with depression, case report, letter, 9121
sertraline, irritability & aggressiveness, 52 yr old male & 42 yr old female with Huntington's disease, case reports, 1939
sertraline, obsessive sexual urges & thoughts, 15 yr old African American male with negative thinking & thoughts of early death & violent themed writings, letter, 9048
sertraline or lofepramine, hyponatremia, 78 yr old female with depression, case report, letter, 32365
sertraline, poststroke pathologic crying spells, male 80 yr old, case report, letter, 13166
sertraline, secondary depression, alcoholic males, 19971
sertraline treatment, 13 yr old male with enuresis, case report, 32550
sertraline vs desipramine, daily symptoms & depressive symptoms, female 18–45 yr olds with PMS, 5184
sertraline vs desmethylsertraline, extracellular 5-HT reuptake in corpus striatum & firing of serotonin containing dorsal raphe neurons, male rats, 3279
sertraline vs imipramine, acute vs continuous symptom reduction, 18–65 yr olds with major depression, Canada, 39803

sertraline vs imipramine, anger attacks, outpatients (mean age 40.1 yrs) with atypical depression or primary dysthymia, conference presentation, 32404
sertraline vs imipramine continuation therapy, stability of remission & psychosocial adjustment, 25–65 yr olds with early onset dysthymia without major depression, 23893
sertraline vs imipramine, monoamine receptors & adenylate cyclase activity & water wheel behavior, male Wistar rats, 29625
sertraline, 17 yr old male with dysmorphophobia & comorbid depression, case report, commentary, implications for relation to obsessive compulsive disorder, letter, 9093
sertraline, 6 & 13 yr old males with Asperger's disorder & anxiety & depression & compulsive behavior, case reports, letter, implications for treatment of pervasive developmental disorders, 31433
spontaneous orgasm with combined use of bupropion & sertraline, depressed 35 yr old female, case report, letter, 23887
5-HT agonists vs antagonists vs sertraline, punished responding in drug discrimination, male pigeons, 18315
Serum (Blood) [See Blood Serum]
Serum Albumin—Serials
serum L-tryptophan availability & total serum protein & albumin & alpha 2 globulin, depressed adults, Belgium, 4109
Service Personnel [See Also Technical Service Personnel]—Serials
behavioral & attitudinal components of employee-control & employee-role & managerial control mechanisms of manager-employee interfaces, management of customer-contact employees, adults, 13941
perceptions of procedural & distributive & interactional justice & job dissatisfaction, judgments regarding deviancy of employee theft, fast food restaurant employees, 33669
selection into restaurant business based on personality characteristics & subsequent risk of heavy drinking, waiters & cooks, Norway, 18822
service environment employee performance cues, perceived quality & value & word-of-mouth intentions, hotel customers, 10172
work related cultural assumptions & resultant conceptualizations of job behaviors & conflict, Chinese vs American personnel in Chinese restaurant, US, 33674
Service Quality [See Quality of Services]
Servicemen [See Military Personnel]
Set (Response) [See Response Set]
Severely Mentally Retarded—Serials
assessment & treatment & functional analysis & stimulus control of pica for cigarettes, 17 yr old male with severe mental retardation & autism, 16436
assessment-based antecedent intervention, alleviation of problem behaviors in sheltered workshop setting, female 26 yr old with severe retardation, case report, 36308
assessment of control device, ability to work independently & successfully with acoustic orientation system, 17 & 28 yr old male & female with blindness & severe or profound mental retardation, 13416
behavioral intervention &/vs methylphenidate, disruptive behavior & task engagement, 6 & 7.5 & 11 yr old males with severe to profound mental retardation, 8701
behavioral relaxation training, short & long term memory & incidental learning, adults with severe intellectual disabilities, 16534
communicative intent & graphic symbol use, normally developing children & children with severe intellectual disability, implications for communication instruction, 12391
discriminability & learning of lexigram vs printed word object associations, 26–52 yr olds with severe mental retardation, 8386
facial stereotypic movements, adults with tardive dyskinesia & severe or profound mental retardation, 8400
fast mapping & word learning, male adolescents & young adults with moderate or severe mental retardation with augmented language skills, 8397
gradual tapering of neuroleptic treatment, behavioral effects, 24–62 yr old males with severe or profound mental retardation, 9115
group treatment, anger management, 21–43 yr olds with moderate to severe mental retardation, 8909
haloperidol, Tourette syndrome, 35 yr old female with severe mental retardation, 27446
interinformant agreement on Motivation Assessment Scale across topographies of challenging behavior, 8-16 yr olds with severe intellectual disabilities, 6006
manipulation of classroom instruction & demand & attention, performance under analog assessment, 7 yr old female with severe intellectual disabilities & aggressive behavior, 16539
manipulations of prevocational task requirements & task sequence & reinforcement contingencies, stereotypy, 12 yr old with severe mental retardation, 19836
manual guidance with vs without verbal prompts & cross modal transfer on manual tasks involving sorting & matching, blind 9.0–19.5 yr olds with severe mental retardation, 19675
marital status & education & child age & stress & family resources & normalization attitudes, out-of-home placement application, parents of severely mentally retarded children & adolescents, Israel, 32975
medical conditions & self-injurious behavior, 3–35 yr olds with severe mental retardation, retrospective study, 31465
plasma HVA, 18–60 yr olds with severe or profound mental retardation with vs without body vs object stereotypy vs compulsions, implications for dopamine deficiency model, 8392
prevalence & causes of ocular defects, 3 mo to 25 yr olds with severe mental deficiency, 16171
prevalence of psychiatric disorders & maladaptive behaviors, 20–29 vs 60–79 yr olds with severe & profound mental retardation, 26803
prevalence of psychopathology, severely vs profoundly mentally retarded 21–30 vs 31–40 vs 41–50 vs 50 yr olds & older, 4426
public policy role in managed care & impact on delivery of social work services to severely mentally disabled, implications for role of social workers in policy, 16867
reinforcement history, attention to compound visual cues assessed using computer technique, 4.5– 5.5 yr olds of normal development vs 14 & 15 & 17 yr olds with severe mental retardation, 31473
response contingent interruption prompting of stereotypic behavior, on-task behavior, 9–31 yr olds with severe intellectual disability & autism, 16531
schedule induction & entrainment in experimental & classroom settings, 8 & 12 & 13 yr olds with severe mental retardation & challenging behaviors, 8859
stress types & informational & emotional & tangible support, well being, 40–68 yr old mothers of adult children with moderate to severe mental retardation, China, 26802
Treatment & Education of Autistic & Communication Handicapped Children program, learning capacity & adaptive behavior & behavioral problems, mentally retarded 7–18 yr olds with autism, 12 mo followup, 37112
validity of DASH-II anxiety subscale, presence of anxiety disorders, adults with severe mental retardation, 25062
validity of Diagnostic Assessment for the Severely Handicapped & correlation with the Aberrant Behavior Checklist, 4–86 yr old severely & profoundly mentally retarded residential patients, 40790
validity of facilitated communication, 13 yr old male with autism & severe mental retardation & seizure disorder, 2097
validity of Mania subscale of Diagnostic Assessment for the Severely Handicapped-II, assessment of bipolar disorder, severely & profoundly mentally retarded 21–86 yr olds, 40882
2-object & 2-picture choice format, evaluation of different levels of choice-making skills in expression of leisure activity preferences, 49–67 yr olds with profound mental retardation, 35923
Severity (Disorders)—Serials
activity levels, severity & nature of depressive symptoms, hospitalized 6–12 yr olds with major depression, 7891
advances in conceptualization & treatment of serious mental illness, 31948

age & psychiatric disorder & relationship & sex & disorder severity, quality & likelihood of reporting family history, family informants &/vs patients with dementia of Alzheimer's type or depression, 42148
age & severity & group parent training, improvement of child behavior, mothers of 2–16 yr olds with behavior problems, 4931
age & sex & cognitive ability, letter & category naming fluency, 65–85+ yr olds with vs without dementia of Alzheimer's type or vascular dementia, Canada, 23379
age at onset & severity of head injury & brain lesion characteristics, semantic & episodic memory, children (mean age 10.1 yrs), 12 mo study, 26998
age, behavioral outcomes & psychopathology & adaptive & cognitive functioning, 6–16 yr olds with mild vs moderate vs severe closed head injury assessed 3–60 mo postinjury, 16239
age, occurrence & severity of formal thought disorder, 19–96 yr old chronically hospitalized schizophrenic patients, 22840
aggressive treatment vs palliative care for intercurrent infection with fever, progression of dementia of Alzheimer's type, geropsychiatric inpatients, 5262
alcoholism & self rated personality, male vs female adults with moderate vs severe alcoholism, 35813
attributional style, fatigue & psychological distress & number of symptoms & level of disability, 18–45 yr olds with chronic fatigue, UK, 18 mo followup, 1490
A1 vs A2 allele of D2 dopamine receptor gene, personality correlates of addiction severity & withdrawal symptoms, male cocaine abusers, 16076
biological & functional illness & maternal appraisal of prognosis, mental health, mothers of 2–11 yr olds with juvenile rheumatoid arthritis, 8475
childhood & present SES, inequalities in mental health & serious illness, 65 yr olds & older, Norway, 43234
choice of Hamilton Depression Rating Scale to assess depression severity & adherence to use with diagnosis of primary depression & selection of scores in research in psychiatry journals, 6062
classification system for rating severity of personality disorder, 16–65 yr olds with generalized anxiety or panic or dysthymic disorder, 19268
clinical characteristics, adults with severe fear of flying, 39101
clinical severity of DSM-III-R vs DSM-IV diagnosis of melancholia, 18–65 yr old outpatients with unipolar depression, 1249
clinical symptom severity, alcoholic White vs African American patients, 1389
community vs hospital based psychiatric rehabilitation, quality of life & satisfaction with services & psychopathology, clients with serious mental illness, Canada, 1968
comorbidity & severity at presentation & duration of current episode, disorder persistence, 8–16 yr olds with major depression, England, 30848
comorbidity & treatment resistance & severity of illness, seriously emotionally disturbed 5–19 yr olds with vs without history of combined pharmacotherapy, 32381
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary, 26442
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary reply, 26476
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary, 26474
Composite International Diagnostic Interview vs DSM-IV algorithms, diagnosis of depressive disorder based on current symptoms & lifetime history, primary care patients, 4124
concordance between reports of symptom severity, remitted schizophrenic 22–38 yr old outpatients vs their family members, 4150
construct & predictive validity of Severity of Psychiatric Illness rating scale & associations with clinical status & outcomes & length of inpatient stay, 55 yr old & older psychiatric inpatients, 5369
CSF norepinephrine concentrations, healthy young vs aged adults vs patients with mild or moderate vs advanced Alzheimer's disease, 23392
CSF tau protein levels & dementia severity, 65 yr olds with Alzheimer's disease, 31 mo study, replication, 8611
daily emotional & material & instrumental support experiences, 25–61 yr olds with severe mental illnesses, assessment implications, 11929
dementia severity, premorbid intelligence estimation, elderly patients with Alzheimer's disease, 12639
demographic characteristics & duration & severity & family history of substance abuse, patients with vs without mental retardation, 1447
depression severity & psychomotor retardation, discrimination & response bias in verbal recognition memory task, outpatients with depression, 38969
design & staff & client involvement & study sample & measurement selection in evaluation of community mental health programs for seriously mentally ill patients, 5296
deterioration of semantic networks, patients with mild vs moderate vs severe Alzheimer's disease, 23374
development & reliability & validity of Yale Brown Obsessive Compulsive Scale Modified for Body Dysmorphic Disorder, assessment of illness severity, patients, conference presentation, 28507
disease severity & duration & age at onset, plaque & tangle clusters in hippocampus & neocortex, adults with Alzheimer's disease, 8631
disease severity & social support & self concept & self efficacy, quality of life, patients with non insulin-dependent diabetes mellitus, 8456
disease severity, medical & nonmedical costs of illness & expenditures by Alzheimer's disease patients & caregivers, outpatients, 20103
disorder severity measured by number of symptoms, DSM-IV and ICD-10 diagnostic disorder subtype, patients with depression, 30838
disorder type & severity & IQ & functional status, vocational prediction, adults with cerebral palsy, 13–36 yr followup, 1611
distribution & severity & lifetime presence of obsessions & compulsions, subsequent absence vs presence of clinical vs subclinical obsessive compulsive disorder, 16–17 yr olds, Israel, 8011
drug & alcohol abuse, symptom severity, female outpatients with bulimia vs anorexia nervosa, 4483
early course & onset & duration of untreated psychosis & symptom severity, male vs female patients with 1st episode nonaffective psychosis or schizophrenia, Norway, 12048
early vs late adolescent vs adult onset & illness severity, prediction of clinical outcome, 18–40 yr old females with anorexia nervosa, 8 yr followup, 12403
eating disorder symptomatology & severity of depression, depressed outpatients before vs after fluoxetine treatment, 26448
everyday stress & disease severity, 45–76 yr olds with angina pectoris, 1 yr study, Germany, 42778
experience of physical & emotional & social consequences of drinking, denial of alcoholism severity, older vs younger inpatients with alcohol dependence, 12269
expressive communicative ability & level of mental illness symptoms, aggressive behavior, 22–64 yr olds with mental retardation, 35917
extensive evaluation period, symptom severity, 7–17 yr olds with major depression, 26471
extent of volume deficit selective to cortical gray matter & sparing of white matter in regard to age at onset & length & severity of illness, female vs male schizophrenic inpatients, 42330
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23468

financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary reply, letter, 23371
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23481
floor effect & convergent & discriminant & known-group validities of Bedford Alzheimer Nursing Severity scale, 55–100 yr olds with severe dementia, Italy, 37425
fluoxetine, changes in self-critical & dependent personality traits & depression severity & trait-congruent life events, patients with major depression, 32596
forensic concept of severe mental disorder among personality disordered, forensic psychiatric investigations, prosecuted males, 10298
frequency & character & severity of & response to amitriptyline & sensory loss & extent of infarction as predictors of central poststroke pain, 24–84 yr olds with lateral medullary infarction, 39525
frequency & severity of symptoms & social support & functional status & grief intensity after spousal bereavement, elderly with subsyndromal vs major depression, 11995
genetic vulnerability & severity of psychopathology, hypertonic hemolysis in evaluation of osmotic behavior of erythrocytes, 18–68 yr olds with depression vs manic episode vs nonaffective psychosis, 1247
grief therapy based on tasks of mourning, relatives of severely mentally ill, 8782
history & invasiveness or seriousness of & age at 1st sexual & physical abuse, pain & somatic symptoms & functioning & psychological distress, female 18–70 yr olds with gastrointestinal disorders, 4541
history of stressful life events & illness severity, prevalence of PTSD, female cancer survivors receiving no active treatment 3 yrs postdiagnosis, 1545
HIV-related risk behaviors, 23–62 yr olds outpatients with severe mental illness, 31648
illness severity & self-efficacy, prediction of relapse & relapse latency & coping behavior, alcoholic adults, 6 mo followup, 4342
illness severity & stressful life events & quality of family support & SES, psychological distress, mothers of 8–17 yr old hemophiliacs with or without HIV, 19499
incidence & spectrum of severe medical complications & duration of inpatient stay, hospitalized HIV– vs HIV+ narcotic drug users, Switzerland, 9 yr retrospective study, 27754
incidence & spectrum of severe medical complications & duration of inpatient stay, hospitalized HIV– vs HIV+ narcotic drug users, Switzerland, 9 yr retrospective study, commentary, 27756
injury severity & preinjury psychiatric & behavioral & adaptive functioning & family functioning & psychiatric history, psychiatric outcome, traumatic brain injured 6–14 yr olds, 3 mo followup, 31831
Lancashire Quality of Life Profile psychometric properties & clinical utility, application to severely mentally ill, 28396
level of cognition, concordance between self reported & nursing staff ratings of mood, elderly with dementia, 12650
level of psychosis & CSF HVA, schizophrenic 21–65 yr old males, implications for dopamine theory of schizophrenia, 19210
level of self-reported childhood sexual abuse, help-seeking adults with PTSD, 16036
lifetime history of low vs high lethality suicide attempts, CSF 5-HIAA levels & prolactin response to fenfluramine challenge, 18–80 yr olds with current major depressive episode, 4110
living alone vs with roommate vs family vs in group home, loneliness, patients with severe & persistent mental illness, 26376
major depression, illness severity & physical & social & role functioning & activities of daily living, male vs female 28–83 yr olds with idiopathic Parkinson's disease, 4654
medication & disease course & symptom severity, spatial & non-spatial working memory, patients with Parkinson's disease, 31849
MMPI-2 scores, patients with moderate–severe vs minor–mild head injury in vs not in ongoing litigation, 43968
motivational factors & severity & suicidal & depressive history, 12–54 yr old females with trichotillomania with vs without comorbid self injurious behavior, 23001
notation of clinical features associated with disease severity & prognosis in initial assessments, patients with acute strokes, 19617
orthographic consistency, severity of written language impairments, German vs English 10–12 yr olds with dyslexia, 42632
outcome & assessment of differences in duration & severity of disorder to define recovery & recurrence, 8–17 yr olds with major depressive disorder, 1–5 yr followup, 35525
outcomes of California integrated service agency program combining structural & program reforms, patients with severe & persistent schizophrenia &/or bipolar disorder, 27630
outcomes of California integrated service agency program combining structural & program reforms, patients with severe & persistent schizophrenia &/or bipolar disorder, commentary & reply, 32857
parental style & disorder severity, parents with melancholic vs non-melancholic depression, Japan, 35565
pattern & severity of depressive symptoms as predictors of response to light treatment, 18–63 yr olds with seasonal affective disorder, 13094
perception of urgency of medical condition & reasons for choosing hospital emergency department, patients in hospital waiting area considered nonurgent by triage nurse, 13392
performance in Sustained Attention to Response Task paradigm & self- vs relative-reported everyday attentional slips, 18–65 yr olds with traumatic brain injury, England, 36133
personal history of applicants with physical or behavioral disabilities, rating of functional limitations, vocational rehabilitation counselors, eligibility determination implications, 13466
plasmapheresis treatment, basal ganglia size & symptom severity following group A beta-hemolytic streptococci infection, male 12 yr old with obsessive compulsive disorder, case report, 9179
poor social support & alexithymia, prediction of severity of ulcerative changes on gastrofiberscopy, 30–65 yr olds, Japan, 23256
preattack symptomatology & type & severity of panic attacks, 22–73 yr olds with panic disorder & agoraphobia, Netherlands, 12085
prevalence & severity & assessment of traumatic brain injury, psychiatric patients (mean age 34 yrs), 26377
prevalence & severity of & factors associated with & probability estimates of spontaneous & tardive dyskinesias, 59 yr old males in general population, Sweden, 39388
prevalence & severity of binge eating & psychopathology & weight control, obese 20–73 yr olds, 8413
prevalence & severity of major depression & cognitive impairment, elderly with Parkinson's disease, 19655
prevalence of depression vs dementia at admission, severity & course of illness & impaired activities of daily living 3 vs 8 mo later, elderly residential home admissions, England vs Germany, 32979
psychoeducational vs family education interventions, families of adults with serious mental illness, 27277
psychometrics of Mini-Mental State Examination, assessment of cognitive functioning vs dementia subtypes varying in cognitive impairment, 51–93 yr olds with Alzheimer's disease, 10486
psychometrics of 28- vs 30-item Clinician-Rated vs Self-Report Inventory of Depressive Symptomatology, severity & response to fluoxetine, patients with major vs remitted depression, 10461
quality of life & severity of depressive symptoms, inpatients & outpatients with major depression, 30900
recent developments in assessment & treatment of serious mental illness, 31943

reinforcement & latency & frequency of problem behavior & multicomponent intervention, severe problem behavior in community employment, autistic & mentally retarded 26 & 28 & 30 yr olds, 24288
reliability & validity of caregiver responses on Dementia Severity Rating Scale, 50–89 yr olds with Alzheimer's disease, scale appended, 2647
reliability of paper & pencil self report vs interview format, information about drug use severity, 22–50 yr olds seeking treatment for substance use disorders, 21052
reliability of Self-Report Manic Inventory & correlation with Young Mania-Rating Scale, quantification of manic symptoms & measurement of change during treatment, psychiatric inpatients, Germany, 73
route of administration & prevalence & severity of psychological morbidity, adult amphetamine users, Australia, replication, 12224
seasonal factors, symptom severity, VA patients with PTSD, commentary, letter, 12094
sedative hypnotic use & illness severity & hospital length of stay & costs, older patients admitted to tertiary care hospital, 27763
severity of dementia & socioeconomic & demographic factors, time to institutionalization or death, males vs females with Alzheimer's disease (mean age 72 yrs), longitudinal study, 36093
severity of detected vs undetected depression & level of functioning & psychiatric comorbidity, depressed primary care vs psychiatric patients, 19170
severity of disease & cardiac pump function & feelings of exhaustion, patients who underwent coronary angiography, 31720
severity of disorder & treatment & outcomes & predictors of response, 60–91 yr old depressed inpatients, Netherlands, 2-yr prospective study, 38982
severity of illness & CSF concentrations of glutamate & aspartate & taurine, 53–90 yr olds with dementia of Alzheimers type, 23380
severity of illness & other clinical variables, prediction of length of hospital stay, psychiatric patients, 40134
severity of medical & neurologic complications, degree of neurodevelopmental abnormality, high vs low-risk low birth weight 6–12 mo olds, 34780
severity of menstrual cycle symptoms & laboratory measure of aggression, healthy females, 23249
severity of mood symptoms, urinary N-acetyl-beta-glucosaminidase & possible marker of serotonin activity, patients with panic disorder, 4203
severity of negative symptoms & prevalence of dyskinesia, schizophrenic patients treated vs never treated with neuroleptics, India, 5069
severity of self-reported symptoms, post-partum mothers (mean age 27.59) probable for postnatal depression, England, checklist appended, 26463
sex & age & chronicity & experience of trauma & occurrence of injury & threat to caregiver, severity & expression of PTSD symptoms, severely traumatized 3–48 mo olds, 8040
snoezelen & hand massage/aromoatherapy & relaxation & active therapy, concentration & responsiveness, 23–62 yr olds with profound learning disabilities, 39864
SPECT assessment of regional cerebral blood flow, prediction of severity of positive & negative & independent symptom structures, neuroleptic treated schizophrenic 19–36 yr olds, Japan, 7971
symptom severity & caregiver psychological & financial distress & dysphoria & anxiety & burden, 31–68 yr old partners of Vietnam War veterans, 8012
symptom severity & cognitive impairment, chronically hospitalized geriatric patients with major depression or bipolar disorder vs schizophrenia, 35474
tau protein CSF levels as biological marker, mildly demented 50 yr olds & older with Alzheimer's disease, 39503
temporal context memory & severity of memory deficit, schizophrenic patients, 4181
temporal order memory for new & prior learning, patients with early vs middle stage Alzheimer's disease, 23420
traumatic combat related experience & development of PTSD, disease severity, 27 yr old male with Tourette's syndrome, Israel, case report, 27021
type of home care provided & illness severity & dependency in activities of daily living, physical & psychosocial & financial burdens, urban elderly chronically ill & their caregivers, China, 32952
use of advance directives for mental health treatment in Oregon, family members of & patients with severe & persistent mental disorders, 27625
utility of neuropsychological tests, assessment of delirium severity, 55 yr olds & older, 10468
validity of Addiction Severity Index, assessment of functioning essential to evaluation & treatment, 20–36 yr olds with severe mental illness vs drug abuse or dependence, 2586
verbal & spatial short- & long-term memory & aphasia, 20–82 yr olds with acute vs chronic vascular left-hemisphere damage, 36064
volume of ventricular & extracerebral CSF spaces & components of brain atrophy & severity of illness, 54–81 yr olds with Alzheimers disease, 8590
walking speed & stride length, prediction of falling, 71–83 yr old nursing home patients with mild vs moderate stage senile dementia of Alzheimer's type, 2 yr study, 4689
working through countertransference & use of verbal squiggle game in psychoanalysis, analyst & severely disturbed & regressed analysand, 23820
1 vs 2 or more late posttraumatic seizures & injury severity, neuropsychological & psychosocial functioning, adults with severe traumatic head injury, 1 yr followup, 12622
1-yr incidence rates & duration of & risk factors for DSM-III vs subclinical obsessive compulsive disorder, 7th–9th graders, 3 yr study, 8053

Sex—Serials

age & sex & diagnosis & activities of daily living, return to previous living conditions after rehabilitation, 64–85 yr olds, Germany, 33019
birth rank & overrepresentation of all-female sibships, patients with anorexia or bulimia nervosa (mean age 23.9 yrs), UK, 31490
family variables & life events & sex & parental education & employment status & SES, prediction of parental involvement in career development, high school seniors, 28123
influence as mediated by sex, health care seeking behavior, patients, 27604
interrelationship of sex & love & marriage as predictors of extramarital affairs, 23–36 yr old married adults, 22277
issues in transsexualism & sex & gender from psychoanalytic perspective, 41937
need for psychology to address issues of ethnicity/culture & gender & sexual orientation in curriculum & training & research & practice, 36837
popular magazines & sexual information, 18–25 yr old college females, 29698
psychic & biological & social influences on sexuality in psychoanalytic theory & practice, conference presentation, 30602
sex similarity, perceived employment interview quality & outcome, male vs female recruiters & applicants, 10053

Sex Change—Serials

etiology of gender identity in unrecognized neonatal genital ambiguity, subsequent sex reassignment, adolescent raised without stigma as girl who declared male identity at 14 yrs old, 8485
phases to establishing sexual identity, male-to-female & female-to-male transsexuals, case studies, 22363
postoperative functioning & gender identity, 15–20 yr old transsexuals who underwent sex reassignment surgery, 32607
sex, outcome attitudes & prognostic factors of social & psychological & psychiatric functioning, 19–55 yr old transsexuals in process of sex reassignment, Sweden, 5 yr followup, 3690

Sex Chromosome Disorders—Serials

absence of platelet MAO-B & increased plasma serotonin, cataplexy & unarousable REM sleep & seizures, male patients with atonic spells & apnea & Norrie disease gene deletions, 12497

literacy development, male patients with sex chromosome abnormality originally observed at age 10 yrs, longitudinal study, Scotland, 35971
ssessment & management & treatment, sexually abusive behavior, adolescent male with 48,XXXY syndrome, case report, 12453
Sex Chromosomes—Serials
paternally vs maternally derived X chromosome, social cognition, 6–25 yr old females with Turner's syndrome, 39396
physiology of trichromatic color vision vs polymorphic color vision resulting from pigment gene arrangements on X chromosome, Old vs New World monkeys, letter, 18131
recognition & investigation of X-linked learning disability syndromes, implications for genetic counseling, 8462
Sex Differences (Animal) [See Animal Sex Differences]
Sex Differences (Human) [See Human Sex Differences]
Sex Differentiation Disorders [See Genital Disorders]
Sex Discrimination—Serials
age & perceptions of gender bias in legal processes, male vs female judges & attorneys, 5872
biased referential processes & status processes & sex categorization & cueing of gender stereotypes in interaction & conservation of gender inequalities in employment, 30237
conversations about gender differences in instructional activity & classroom experiences, high school physics students, implications for gender bias in science classrooms, 17194
gender bias in academic environment, agentic self-efficacy expectations & sex role attitudes, female college students, 24640
impact of individual & institutional & structural discrimination, minority groups & women, 30026
increases in female representation among managers, perceived threat & intrusiveness & neosexism, 40–49 yr old male managers, Canada, 18761
individualistic social values, sex bias in choice of utilitarian vs expressive clinical hypotheses about client's difficulties in case vignettes, practicing psychotherapists, 5523
issues in resolution of past discrimination against females & affirmative action as feminist ideology, commentary, 948
model of quantitative assessment of multiple standards & judgments of just earnings, White male vs female workers, 30020
perceived power & gender harassment, resistance to military women, male vs female active army soldiers, 33728
perceived power & gender harassment, resistance to military women, male vs female active army soldiers, erratum, 40650
perceptions of gender bias in classroom, emotional reactions & levels of distraction & subsequent performance, graduate students, 13787
perceptions of sexual harassment & sex discrimination, male vs female graduate students, 24643
plaintiff gender & just cause determinination in wrongful employee dismissal court cases, 1980–1993, Canada, 5882
policies in higher education institutions & sexual discrimination, faculty & their families, research review, 9837
sex & amount & format of given information, detection of salary discrimination against hypothetical male vs female managers, social & business science students, Netherlands, 10083
social control of selection interview, exclusion & discrimination against females in entry level jobs in organization, interviewers, 17293
stereotyped setting of low vs high minimum competency vs ability standards for simulated Black vs White & male vs female job applicant, college students, 22233
stereotypes, assessment of male vs female White vs Black job applicants, male vs female White college students, 33610
study of sexual inequality in clinical psychology, 30224
the assessment of the glass ceiling effect by psychological consultants, 28222
theories of devaluation process in women & therapeutic guiding principles for psychodynamic group work with women, 43076
Sex Drive—Serials
development & factorial structure of Sexual Desire Inventory, 18–51 yr olds, 17620
female sexual desire & menstrual cycle phases, 29460
nature & role of eroticism in sexual interaction, implications for understanding & treatment of sexual desire problems, 967
relationship of marital adjustment & depression & anxiety to low sexual desire, 20–50 yr old couples, Canada, 22384
self reported importance of sex, sexual permissiveness & desire & perceptions of potential costs of sexual behavior, 19–49 yr old single females with high sexual interest, Australia & Canada & US, 30286
sex, reported discrepancies in desired level of sexual intimacy, unmarried heterosexual 17–35 yr olds, 22376
sexual drive & object relations, sexuality in contemporary psychoanalytic theory, conference presentation, 30612
symbolization of desire & psychoanalysis of original sin & repression in Garden of Eden story & analyst's ability to bracket own desire for analysand, 15122
Sex Education—Serials
advice to & view of teenagers & their sexual activity, providers of sexual health care, 9767
age during initial understanding of sexual intercourse & sources of information & sex equity in sex education, Caucasian vs African American vs Hispanic vs Asian undergraduates, 26112
application of "Canadian Guidelines for Sexual Health Education" to sex therapy, Canada, 32030
application of "Canadian Guidelines for Sexual Health Education" to social work in sexuality education, Canada, 32936
attitudes & opinions toward junior & senior high school drug & sexuality education programs & student risk behaviors, principals vs district administrators vs school board members vs teachers vs parents, 9883
development of "Care for Kids" sexual education & abuse prevention & adult responsibility program, Canada, 29895
evaluation of peer led safer sex workshops, college students, 32760
factors related to & attitudes toward loss of virginity in adolescence & satisfaction with experience & role of meaningful sex education, male vs female college students, 795
good movies as tool in sexual health education, 17–18 yr olds, Israel, 17121
innovative models for sexuality education programs utilizing both lower & higher levels of learning, sex knowledge & attitudes, adolescents, 24586
institutional barriers to sexual health at federal & provincial & local levels, impact on adolescent sexual health & implications for perpetuation of social inequalities, Canada, 24140
noncoital sex as educational strategy for prevention of sexually transmitted diseases & pregnancy, adolescents, 36644
outcomes of sex education programs & effectiveness of "just say no" approach & condoms, adolescents, literature review, 24575
outlines & objectives & approaches & benefits of school sex education programs, Africa, 24545
peer sexual health education, young people, 16771
preparedness of special education training programs to teach sex education, preservice special education teachers, replication, 13679
principles for writing AIDS & sexuality education program messages for youth, 20143
regulation of young people's sexual practices with current sex education policies, maneuvering by New Right in policy formation, 13709
safer sex education, lesbians & bisexual women, 30275
school-based early intervention sex education program, use of condoms & other contraceptive methods, high school & college students, Norway, 5602
self perceived needs for sex education, 14–20 yr olds, 24552
sex, perceptions of self in terms of sexual accommodation vs entitlement, college students, implications for male/female interactions & sex education, conference presentation, 22361
sexuality workshop, sexual attitudes & comfort in dealing with patients & knowledge, health sciences college students, 18 mo followup, Canada, 9693

small group tutorials to augment didactic components of human sexuality course, college students, Canada, conference presentation, 33382
theory based curriculum, sexual intercourse & condom use, middle school students (mean age 12.3 yrs), 32753
views of AIDS education & condom availability program, 25–55+ yr old parents of public high school students, 36655

Sex Hormones [See Also Androgens, Estrogens, Progesterone]—Serials
biopsychosocial approach to diagnosis & treatment, female 13 yr old with undefined cyclic psychiatric illness, case report, commentary, implications for levonorgestrel, letter, 7843
biopsychosocial approach to diagnosis & treatment, female 13 yr old with undefined cyclic psychiatric illness, case report, commentary reply, implications for levonorgestrel, letter, 7860
castration with vs without hormone replacement, prolactin response to m-chlorophenylpiperazine, male rats on low vs normal tryptophan diet, 6891
chronic stress, lever pressing for food & body weight & plasma ACTH & corticosterone & prolactin & estradiol & progesterone & estrous cycle length, female rats, 6729
Depo-Provera &/vs fadrozole with vs without estradiol, sexual behavior & progestin & androgen receptor binding & immunoreactivity, castrated testosterone-treated male monkeys with estrogenized female, 7117
evolutionary/sex hormone perspective on sexual fantasies, male vs female 17–57 yr olds, England, 21377
hormone levels of estradiol & progesterone & neurosteroid allopregnanolone & acute doses of benzodiazepine triazolam, mood & psychomotor performance, 18–35 yr old females across menstrual cycle, 25566
left vs right turning preferences, 17–33 yr old males vs females taking vs not taking oral contraceptives, implications for ovarian hormonal modulation, 29330
menopause, ovarian & adrenal hormones & sexuality & well being, 40–60 yr old females, 21757
neonatal male castration vs female testosterone & other androgens & progesterone & estrogens, mating & lordosis & marking & size of sexually dimorphic area of hypothalamus, gerbils, 18238
number of cohabiting relationships & sexual interest level & personality characteristics & hormone levels, heterosexual male alcoholic detoxification patients, 4317
oestrogen & progesterone, protein synthesis, cultured human lymphocytes, implications for postpartum psychiatric illness, 3135
ovarian hormones at menstrual & midluteal phases, test performance on verbal & nonverbal perceptual asymmetry in auditory & visual modalities, 20–36 yr old females, Canada, 6788
ovarian hormones, self-administered heroin initiation & maintenance, male vs female rats, 640
ovarian steroid hormones, reward effectiveness of hypothalamic stimulation, rats, 21936
sex hormones & incidence of hyperandrogenic disorders, female-to-male transsexualism, 19–44 yr old females with vs without gender identity disorder, etiological implications, 42691
short-day photoperiods & single vs group housing & gonadal steroids, seasonal ip white adipose tissue depletion, male vs female Siberian hamsters, 6573
urinary estrone conjugates & immunoreactive pregnanediol glucuronide during menstrual cycles, cycle length & phase & reproductive behavior & gestation, female macaques, 21780
3-methylcholanthrene & sex hormone levels, conditioned avoidance acquisition & retention, prepubertal vs adult male vs female rats, 41479

Sex Linked Developmental Differences—Serials
issues in genetic imprinting & behavioral sexual dimorphism resulting from study of cognitive function in Turner's syndrome, 39386
paternally vs maternally derived X chromosome, social cognition, 6–25 yr old females with Turner's syndrome, 39396
sex ratio bias toward males, families of children with neurodevelopmental disorders, commentary reply, 8341
sex ratio bias toward males, families of children with neurodevelopmental disorders, commentary, 8346

Sex Linked Hereditary Disorders [See Also Fragile X Syndrome, Hemophilia, Turners Syndrome]—Serials
moderately retarded 7-yr-old male with subcortical band heterotopia, case report, 39539
mutations in kinase Rsk-2, patients with Coffin–Lowry syndrome, 31634
recognition & investigation of X-linked learning disability syndromes, implications for genetic counseling, 8462

Sex Offenses [See Also Sexual Abuse]—Serials
acoustic startle response, female patients (mean age 38.1 yrs) with sexual assault-related PTSD, 42379
actuarial & clinical approaches & empathy & degree of isolation & predicting risk, serious sex offenders, 35469
applicability of self psychological principles in treatment, 14–18 yr old adjudicated sexual offenders, South Africa, 36826
assessment of offense & diagnosis & treatment, early intervention, 7–18 yr old male sex offenders seen on day of detention, Netherlands, 24365
body language of women, judgments of target's confidence vs vulnerability to sexual assault by strangers, 18–35 yr old college students & 27–52 yr old police officers, 12300
causal attributions & their consequence in sexual assault trial judgments, judges, Canada, 42055
characteristics & motivations for sexually abusive & aggressive behaviors & assessment & treatment issues, child & adolescent sexual offenders, literature review, 19408
childhood verbal & psychological & sexual & physical abuse experiences, 23–50 yr old male sex vs violent offenders, 42457

female sexual desire & menstrual cycle phases, 29460
feminist identification, sexual arousal & affect toward male dominant vs female dominant sexual scenarios, 18–65 yr old females, 29466
fetishistic interests & arousal & family background & early physical development, adult fetishists vs gender-conforming vs nonconforming transvestites, diagnostic implications, 7558
format for use of erotic videos for assessment of male sexual arousal in clinical settings, 22389
immediate vs delayed vs residual sympathetic nervous system activation, sexual arousal, 18–45 yr old females, Canada, erratum, 7565
marital status, sexual intercourse & feelings & coital satisfaction, male vs female normal 85 yr olds, Sweden, 3543
methodological & other issues & research on habituation of sexual arousal, literature review, 29458
nature & role of eroticism in sexual interaction, implications for understanding & treatment of sexual desire problems, 967
nonconsent & aggressive force cues in erotic auditory & visual stimuli, sexual arousal, sexually coercive vs noncoercive male college students, 30269
noncontact stimulation from estrous females, penile erection, male Wistar & Sprague-Dawley vs hooded Long-Evans & Brown Norway rats, replication, 11050
object relations view of sexual arousal & psychodynamics of nonorganic coital pain, females, 3985
psychometric properties & predictive value & clinical applications of phallometry, measurement of sexual interest, male sex offenders & aggressors, 18250
research in sexual psychophysiology & multidimensional & multidirectional model of female sexual arousal, conference presentation, 30280
self-esteem enhancement training, indirect reduction of deviant sexual arousal, male nonfamilial sexual offenders (mean age 36.17 yrs), Canada, 16536
self reported importance of sex, sexual permissiveness & desire & perceptions of potential costs of sexual behavior, 19–49 yr old single females with high sexual interest, Australia & Canada & US, 30286
sex & loving & liking & previous romantic involvement & friendship length as predictors of current sexual attraction with closest platonic cross-sex friend, 17–26 yr old heterosexual undergraduates, 38608
sexual arousal paired with nonsense syllables & other relational & equivalence conditioned responding, transformation of stimulus function measured by skin resistance, male 18–23 yr olds, 34626
sexual assertiveness & esteem & disposition toward sexual fantasy, compliance with & effectiveness of orgasm consistency training, females with hypoactive sexual arousal, 32037
sexual attractiveness ratings & viewing time vs phallometric measures, assessment & discrimination of sexual interest, child molesters vs normal males, 81
short vs long-term habituation of sexual arousal, male undergraduates, 37801
spinal cord injury & sexual desire & activity & orgasm & arousal, females, 31628
subjective sexual arousal, bisexual vs heterosexual vs lesbian 18–28 yr olds, 30257
testosterone replacement therapy, mood & arousal & enjoyment to auditory sexual stimuli, hypogonadal vs eugonadal adult males, 36609

Sexual Attitudes—Serials

a biopsychosocial model for sexual history-taking, 38604
acceptance of sexuality & encounter control & perceived susceptibility to sexually transmitted diseases & self-efficacy, condom use, female undergraduates, psychosocial model of condom use intentions, 41935
actor vs observer attitudes toward carrying and using condoms, male vs female 14–20 yr olds, Australia, 18589
advice to & view of teenagers & their sexual activity, providers of sexual health care, 9767
AIDS-related information & condom eroticization & normalization & communication skills vs information only, AIDS-related knowledge & condom attitudes & use, heterosexual female 18–32 yr olds, followup, 27605
anticipated feelings after unsafe sex, sexual risk taking behavior, college students, Netherlands, 22379
attitudes & descriptive or injunctive norms, willingness to engage in extradyadic sex, male vs female 18–70 yr olds, Netherlands, 18784
attitudes toward bisexuality & demographic predictors of biphobia & homophobia, 18–34 yr old college students, 30262
attitudes toward educational vs soft vs hard core vs violent vs bizarre or paraphiliac sexually explicit materials, mental health & health professionals, US vs Czech Republic vs Slovak Republic, 11631
attitudes toward emotional responsibility in commercial sex, male clients of prostitutes, New Zealand, 30278
attitudes toward fellatio & sexual compatibility & desire for each other, nondistressed husbands and wives, 22256

attitudes toward feminism & homophobia & masculinity ideology, date rape supportive attitudes & sexual aggression in dating situations, 17–48 yr old males, 4297
attitudes toward heterosexual & homosexual behavior of developmentally disabled, institutional staff, US vs Canada, 24482
attitudes toward male sexuality & sexual behavior outside marriage, males & females, Nigeria, implications for AIDS reduction strategies, 38615
attitudes toward sexual behaviors, scientists vs engineers, implications for grouping occupations in attitudinal surveys, 20775
attitudes toward women's toplessness & differences in social & sexual meanings of toplessness for men & women, male college students, 22366
beliefs about sexuality & gender differences & sexual drives & sexual power & sexual orientation & naturalization of sexuality, adult men vs women, 26114
cognitive & social & emotional issues of sexual decisions & sexual scripts & beliefs about AIDS, 15–19 yr old Black inner city males, 26111
condom use attitudes & HIV-related risk behaviors, 16–70 yr old heterosexual African American males, 18789
cross cultural analysis of father's affirmation & son's self esteem & masculinity & intimacy & construction of sexuality, design implications, conference presentation, 22302
decision making & reasons given for engaging in specific sexual practices, gay males, 7551
disclosure of teacher's lesbian sexual orientation, end of term teaching evaluations & bias, counseling psychology college students, 24652
double standards for sexual jealousy, male vs female college students, 18796
ethical beliefs about & behaviors regarding sexual attraction & expression toward clients, Christian therapists, 36557
evolutionary origins vs individual's beliefs, human sex differences in jealousy concerning covariation between sexual & emotional infidelity, adults, commentary, 18782
evolutionary origins vs individual's beliefs, human sex differences in jealousy concerning covariation between sexual & emotional infidelity, adults, 18788
evolutionary origins vs individual's beliefs, human sex differences in jealousy concerning covariation between sexual & emotional infidelity, adults, commentary reply, 18787
factors related to & attitudes toward loss of virginity in adolescence & satisfaction with experience & role of meaningful sex education, male vs female college students, 795
family background & sexual behaviors & contraception & sexually transmitted diseases & sexual attitudes, guilt & shame of 1st sexual intercourse experience, female college students, 26118
game playing love style, sexual experience, 18–26 yr olds, 15531
gender specific legitimation vs condemnation of eroticism & attitudes toward pornography, enjoyment of viewing erotic slides alone vs with male vs female co-participant, males, 18795
hypermasculinity, history & future likelihood of rape, male college students, 8315
instructional strategy, HIV/AIDS related knowledge & attitudes & intended sexual behavior, 9th & 11th graders, Canada, 24576
intentions regarding sexual intercourse & perceptions & subsequent behavior, African American 9–15 yr olds, 6 mo longitudinal study, 15324
interactive computer erotica, attitudes toward women & affective disposition toward sexuality, male college students, 38591
interpretive vs evolutionary human sex differences, reason for distress due to partner's emotional vs sexual infidelity, male vs female college students, 18791
parent vs peer vs sex partner influence, sexual behavior & attitudes, 13–25 yr olds with hemophilia & HIV infection, 31592
perceived risk for STDs and HIV infection, sexually experienced & racially diverse urban adolescents, 8458
perception of penis size vs appearance & sexual orientation & heterosexual experiences & circumcision & experiences with sexually explicit material & brother & fathers, 18–28 yr old males, 15532
perceptions of sexual attractiveness & attitudes about polygamy & sexual behavior, 18–21 yr old college students, 30289
perceptual ambiguity & sex & target intoxication, perception of sexual harassment, 19–21 yr olds, 42464
personal expectations & experience & beliefs about the timing of 1st sexual intercourse in relationships with & without physical attraction &/or closeness, 17–37 yr old male vs female college students, 26105
physicians' attitudes to sexuality, 40311
practice & pleasure & danger perceptions of protected vs unprotected anal sex, 30 yr olds & younger vs over 30 yr old gay males, Belgium, 30291
predictors of heterosexual aggression, female college students, 7552
prevalence of psychosexual exploitation, females in cults, 31227
private attitude about sexual behavior & audience reaction to prosexuality speech, public attitude statements after counterattitudinal behavior, female college students, 11695
psychosocial variables & sexual behavior & condom use, 18–30 yr old Black vs White males who have had sex with men, 26123
reading erotic condom use vs no condom use vs nonerotic condom use stories, attitudes & intentions toward condom use, college students, 7571
reasons for consenting to unwanted intercourse & theoretical framework of gender-role socialization for understanding these experiences, adolescent & adult females, 38416
residence in home for senior citizens, sexual behaviors & attitudes, 69–95 yr old males vs females, 24248
safe sex practices & attitudes, 20–40 yr old single sexually active heterosexuals, Australia, 30284
scenarios of consistent vs inconsistent female resistance to male sexual advances & perceptions of female's intent, Brazilian vs American male vs female 17–38 yr olds, 3695
scenarios of consistent vs inconsistent female resistance to male sexual advances & perceptions of female's intent, Brazilian vs American male vs female 17–38 yr olds, erratum, 26110
secularization & religious affiliation & beliefs about premarital sex, regular vs infrequent church-going conservative Protestants vs mainline Protestants & Catholics, 1972–93, 35044
self reported global vs sexual personality attributes vs ideal male & female sexual attributes, male vs female college students, Canada, 15504
self reported importance of sex, sexual permissiveness & desire & perceptions of potential costs of sexual behavior, 19–49 yr old single females with high sexual interest, Australia & Canada & US, 30286
sex, attitudes toward premarital sex & sexual permissiveness & endorsement of sexual double standards, college students, US vs Japan vs Russia, 3702
sex guilt & sexual behavior, female childhood sexual abuse victims vs nonabused females (mean age 32 yrs), 26634
sex, perceptions of self in terms of sexual accommodation vs entitlement, college students, implications for male/female interactions & sex education, conference presentation, 22361
sex, sexual socialization & motives for 1st sexual intercourse experience, 16–20 yr olds, Norway, 3486
sexual activites & attitudes, 14–27 yr olds, Korea, 11634
sexual assertiveness & esteem & disposition toward sexual fantasy, compliance with & effectiveness of orgasm consistency training, females with hypoactive sexual arousal, 32037
sexual attitudes & behaviors, male vs female 15–20 yr olds, Switzerland, 29900
sexual attitudes & behaviors, 16–63 yr old homosexual males, China, 3699
sexual attitudes & functioning & experience, females with anorexia &/or bulimia nervosa, literature review, 1929–95, 26837

sexual behavior & knowledge & sources of health information, deaf & hard of hearing college students, 23506
sexual issues highlighted by spread of HIV infection, 4590
sexual motivation induced through high vs low sexually appealing photographs, perceived risk of contracting STD & HIV from high vs low risk sex partners, heterosexual male undergraduates, 38603
sexual partner relations & attitudes toward & knowledge of HIV risk behaviors, adults, Japan, implications for AIDS prevention education, 8523
sexual perceptions & attitudes & behaviors, college students on Spring Break, 30274
sexual practices & attitudes & knowledge related to HIV transmission, low income Hispanic females, 26912
sexuality in older adults, 38609
sexuality of obese persons, 38602
sexuality workshop, sexual attitudes & comfort in dealing with patients & knowledge, health sciences college students, 18 mo followup, Canada, 9693
sober vs alcohol vs placebo condition, HIV behavioral skills & condom attitudes, unmarried heterosexual men (mean age 24.9 yrs), 41958
sociosexual knowledge & experience & attitudes & interests, 16–46 yr olds with autism vs developmental delay, 42606
state & goals & objects of sexual desire, adults, 15535
target's rating of sober or moderate or high level of intoxication, inferences about target's sexual availability & willingness, male vs female college students, 30426
test-retest reliability & internal consistency & factor analysis of Sexual Beliefs & Information Questionnaire, older adults with sexual functioning problems, test appended, 2574
traditional ideology & political & religious beliefs & sexual behavior & attitudes, 19–40 yr old college students, Germany, 18781
variations of interpretations on Sexual Experiences Survey items, assessment of sexual coercion, male college students, 10420
willingness to buy sex vs intimacy & relation to psychotherapy, males vs females, 32064
Sexual Behavior [See Psychosexual Behavior]
Sexual Boundary Violations [See Professional Client Sexual Relations]
Sexual Compulsivity [See Sexual Addiction]
Sexual Delinquency [See Promiscuity]

organizing influence of perverse sexuality during altered ego states, female analytic patient with multiple personality, 19881
risperidone & fluoxetine, obsessive sexual thoughts, male 27 yr old with pedophilia & comorbid dysthymia, case report, implications for paraphilia as obsessive compulsive spectrum disorder, letter, 1803
role of fantasy in normal & deviant sexual behavior & evaluation & treatment of sexual obsessions & compulsivity, 31374
selective serotonin reuptake inhibitors vs medroxyprogesterone acetate vs psychotherapy efficacy & compliance, males with active paraphilia, 33125
self-esteem enhancement training, indirect reduction of deviant sexual arousal, male nonfamilial sexual offenders (mean age 36.17 yrs), Canada, 16536
Sexual Disorders (Physiological) [See Genital Disorders]
Sexual Fantasy—Serials
abstinence vs nonabstinence from masturbation over 30 day period, intensity of adult & child sexual urges & fantasies, male pedophiles in outpatient treatment, 13503
evolutionary/sex hormone perspective on sexual fantasies, male vs female 17–57 yr olds, England, 21377
phallic female in group-fantasy, Japan, 41933
psychoanalytic & behavioral approaches & organic causes for fantasies & sexual attraction toward uniforms, 22357
reliability & validity of paraphilic sexual fantasy questionnaire, male child molesters, 40891
role of fantasy in normal & deviant sexual behavior & evaluation & treatment of sexual obsessions & compulsivity, 31374
self-centeredness vs sensitivity to others' needs, risk factors & sexually aggressive behavior & imagined sexual aggression, male college students, 19277
Sexual Fetishism [See Fetishism]

Sexual Function Disturbances [See Also Dyspareunia, Impotence, Inhibited Sexual Desire, Premature Ejaculation, Vaginismus]—Serials
adult–child sexual contact & severity, long-term sexual dysfunction & well being, 18–59 yr old females, test of psychogenic vs life course perspective, 42437
amantadine, fluoxetine induced anorgasmia, 41 yr old female with depressed mood, case report, 23859
behavioral group approaches to sex therapy focusing on interpersonal &/vs sexual problems, sexually dysfunctional single males, 36591
childhood sexual abuse with vs without penetration, adult sexual dysfunction, 20–65 yr old females seeking sex therapy with their spouse, 16040
childhood sexual victimization & physical abuse & dysfunctional family background, sexual dysfunction, male college students, Austria, 8126
cyproheptadine, anorgasmia induced by citalopram, male 47 yr old with severe major depression, case report, 32448
demographic characteristics & referral sources & psychological distress & primary presenting problem, male vs female patients at psychosexual problems clinic, UK, 4528
demographic factors & diagnosis & treatment outcomes, 60–78 vs 17–59 yr olds with psychosexual dysfunctions, 12460
efficacy of group intervention format, patients with sexual dysfunction, 13135
efficacy of sexual rehabilitation services, 25–48 yr olds with spinal cord injury, 27771
electrical stimulation, sympathetic skin responses of median nerve at wrist & pudendal nerve, healthy females & males vs patients with urological &/or sexual complaints, 26881
etiology & treatment of anejaculation in context of spinal cord injuries & testicular cancer, infertile males attending sperm retrieval clinic, Canada, 23524
expectations of physicians in sexual health matters, discussion of sexual problems with physicians & physician reactions, male vs female patients, 24136
feminist vs masculist therapy & gender-sensitive approach to counseling, adults with sexual aversion or erection or ejaculation problems, 23658
imipramine, thioridazine induced orgasmic disorder, males with schizophrenia, 19919
issues in antidepressant medication effects on sexual function, 9079
J. M. Keynes's homosexuality & problem of premature ejaculation & economic ideas & observations about Freud's work, 15756
lifestyle factors & testosterone substitution, genital responses to erotic stimuli & subjective sexual function, females with hypothalamic hypogonadism induced amenorrhea, Netherlands, 1519
movement from psychopathological to existential diagnosis during 1st interview in psychoanalysis, 26 yr old female with sexual difficulties, 27328
nefazodone, sertraline-induced anorgasmia, 31 yr old male with severe major depression, case report, letter, 32515
nefazodone, sexual dysfunction, depressed patients, meta analysis, 9031
normal range of ejaculation time, 18–25 healthy males, implications for assessment of ejaculation disorder, 26873
organic & psychogenic factors in etiology of & psychological interventions for sexual problems, diabetic patients, 31596
organic & psychological factors & sexual & micturition problems & desire, multiple sclerosis patients, 12494
partial drug holiday, treatment of fluvoxamine-induced anorgasmia, female 22 yr old with major depression & obsessive compulsive disorder, case report, letter, 13023
perfectionism & marital satisfaction, 18–73 yr old males with erectile disorder, 12450
physical & psychosocial factors, sexual function, elderly males, 25955
physiological & psychological & social factors & origin & treatment of sexual dysfunction, females with multiple sclerosis, 12468
prevalence & classification & neurophysiology & etiology & psychophysiology of premature ejaculation, 26117
prevalence & obstacles to treatment in ambulatory mental health care unit, clients with sexual difficulties & staff & mental health professionals, Netherlands, 5288
prevalence of circumcision & sexually transmitted diseases & sexual dysfunction & practices, 18–59 yr old males, US, 32818
pros & cons of homologous artificial insemination as treatment for infertility resulting from sexual problems, 24010
pschoactive drugs & human sexuality & sexual dysfunction, 39372
risk & frequency & symptoms of sexual dysfunction, 25–45 yr old males vs females with multiple sclerosis, 5 yr follow up, 19652
sexual & marital satisfaction & difficulties & coping, 23–60 yr olds with multiple sclerosis and their spouses, 23390
sexual assertiveness & esteem & disposition toward sexual fantasy, compliance with & effectiveness of orgasm consistency training, females with hypoactive sexual arousal, 32037
sexual attitudes & functioning & experience, females with anorexia &/or bulimia nervosa, literature review, 1929–95, 26837
sexual behavior & dysfunction, 18–60 yr old outpatients with neuroleptic treated vs nontreated schizophrenia vs affective psychosis, Germany, 1209
sexual dysfunction & behavioral & cognitive behavioral interventions, 65 yr olds & older, literature review, 43247
sexual dysfunction, psychotropic medication, 39801
sexual dysfunction, 19–92 yr old cancer clinic patients, conference presentation, 39896
sexual dysfunctions & concerns & satisfaction & impact of HIV epidemic, homosexual males, 26122
sexual problems & PTSD, female crime victims with vs without mental problems, 19092
sexual self-schema as predictor of sexual dysfunction, 24–73 yr old female gynecological cancer survivors, 23342
sexual side effects of tricyclics & MAO inhibitors & selective serotonin reuptake inhibitors & bupropion & venlafaxine, literature review, 19955
short term cognitive behavioral therapy, hypoactive sexual desire, 28 yr old female with history of sexual molestation, case report, 23721
test-retest reliability & internal consistency & factor analysis of Sexual Beliefs & Information Questionnaire, older adults with sexual functioning problems, test appended, 2574
testosterone, sexual behavior & mood & psychological symptoms, 46–67 yr old males with erectile dysfunction, 31626
treatment strategies for antidepressant induced sexual side effects, 19683
validity & test reliability of Sexual Function Questionnaire, assessment of orgasmic & erectile functioning & sex drive & satisfaction & frequency, males with erectile dysfunction & their female partners, 6024
weekend holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary, letter, 12932
weekend holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary reply, letter, 13040
yohimbine, sexual experiences & nocturnal penile tumescence & rigidity, 25–64 yr old males with erectile dysfunction, 9271
5-stage developmental model of sexual intimacy for evaluation & treatment of hypoactive sexual desire & other sexual dysfunctions, 16720

Sexual Harassment—Serials
affective link between romantic relationships & sexual harassment in workplace, implications for organizational policy, 43818
age & sex, attitudes toward sexual harassment, 18–50 yr old & older workers, 19283
awareness of & experiences with & responses to sexual harassment from peers vs faculty & expectations of institutional intervention, male vs female college students, Hong Kong, 4295

behaviors experienced as sexual harassment & power differentials involved, 17–55 yr old & older male vs female college students & public utility employees, 16005
bullying & sexual contact in trainer-trainee relationship in clinical psychology, trainers & trainees, England, 36915
career progress & unequal access to organizational benefits & experience of sexual harassment, psychological & physical health impacts, male vs female police officers, 24897
characteristics of universities as work environment, occurrence & psychological consequences of & responses to sexual harassment on campus, 8177
conceptual model of organizational climate & job gender context as antecedents of & work related variables & psychological states & physical health as consequences of sexual harassment, females, 39140
concerns about being accused by students of inappropriate sexual behavior, university faculty members, 2161
court opinions & statutes & regulations addressing prosecution & remedy of sexual harassment & institutional liability on historically Black college & university campuses, 14157
credible forensic psychiatric evaluation in sexual harassment litigation, 17513
determinants of victim designation & factitious sexual harassment, 31196
development of Army Harassment Awareness Training Evaluation Questionnaire, Army personnel, Australia, 14391
family experiences & subjective & objective reports of sexual harassment in high school, female college students, 8120
frequency & severity & consequences & school context of sexual harassment, 8th–11th graders, implications for perpetator victim model, 13782
gender & characteristics of workplace sexual harassment, feelings about work & emotional & physical condition, federal government employees, 5777
gender & hostile vs benevolent sexism attitude & reasonable person vs woman legal standard, evaluation of work environment sexual harassment, college students, 24948
gender & physical attractiveness of female victim vs male harasser, attributions of responsibility for & sympathy in sexual harassment, college students, 1358
gender harassment, African American female firefighters, 26104
judgment about sexual harassment, 17–47 yr old males vs females, Australia vs Brazil vs Germany vs US, 42488
legal issues in sexual harassment cases, implications for role of forensic psychiatrists in evaluation & validation of claims, 5876
model of antecedents & outcomes of sexual harassment in organization, sexually harassed vs non-harassed female employees (mean age 41 yrs), 39148
organizational policies against harassment & effect on workplace culture & Post Office model of peer counseling for victims, 8171
perception of gender linkage & false consensus in confirmation of Judge C. Thomas to Supreme Court vs belief in sexual harassment charges by A. Hill, male vs female college students, 18746
perceptions of sexual harassment & sex discrimination, male vs female graduate students, 24643
perceptual ambiguity & sex & target intoxication, perception of sexual harassment, 19–21 yr olds, 42464
reactions to forceful sexual advances from females, male college students, 23004
role of mental health professionals as experts in harassment & discrimination litigation, 10282
severity & gender & status at university & duration of harassment as predictors of responses to unwanted sexual attention, male & female college students & faculty & staff, 35717
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, errata, 41727
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, 34937
sex & interpersonal relationship & job status of harasser & physical vs verbal behavior & physical setting & prior experience, perception of sexual harassment in vignette, graduates & undergraduates, 33680
sex & role relationship of harasser vs victim, perception of sexual harassment in hypothetical situation, male vs female Os, 23111
sex differences in perception of hostile environment of sexual harassment in job scenarios, use of "reasonable woman" standard in adjudication of sexual harassment cases, 20776
sex of perpetrator & recipient, perception of sexual harassment in hostile work environment & concept of "reasonable woman" standard, college students, commentary, 4253
sexual assault or harassment in school & relation to mental health & suicidal gestures or attempts, females in Grades 7–12, Canada, 34884
sexual coercion history & perceptions of interpersonal communication & psychological status, male vs female adolescents, 34883
sexual harassment & potentially sexualized patient behaviors in clinical practice, 30–91 yr old female psychotherapists, 20387
sexual harassment & sexual intimacy in academic environments & recommendations of Canadian Psychological Association, students & faculty & supervisors & psychologists, Canada, literature review, 5578
sexual harassment, development of body image problems & eating disorders, females, 4454
sexual harassment in medical education, 9710
sexual harassment, job attitudes & behaviors & coping responses & well being, female private-sector vs university employees, 33713
sexual harassment litigation & realistic or unrealistic goals & emotional costs & benefits & impact on relationships & finances & career & role of psychiatric consultation, 17514
structural vulnerability & organization of sexual harassment, individuals in temporary clerical employment, conference presentation, 33687
target & harasser relationship & harassment type & gender, targets' responses to sexual harassment, federal government employees, implications for policy design, 1361
type & severity of sexual harassment in traditional vs nontraditional occupations, perception of different types of sexual harassment, male vs female 18–36 yr old undergraduates, 19271
typology of & contextual & individual determinants of responses to sexual harassment, implications for organizational policies & procedures, 39153
use & misuses of psychiatry in sexual harassment litigation cases, 17510
victim's tolerance & harasser's job performance status, attributional judgment of & disciplinary reaction to complaint of sexual harassment, male vs female MBA students, 8167

Sexual Identity (Gender) [See Gender Identity]

Sexual Intercourse (Human) [See Also Dyspareunia, Extramarital Intercourse, Incest, Premarital Intercourse, Rape] —Serials

age during initial understanding of sexual intercourse & sources of information & sex equity in sex education, Caucasian vs African American vs Hispanic vs Asian undergraduates, 26112
alcohol &/or drug use, unsafe sexual behavior, acute psychiatric inpatients, 43241
alcohol consumption & environment, sexual intercourse, 16–20 yr olds, Norway, 11477
cues affecting intentions & decisions about engaging in sexual intercourse, college students, 22365
elements of social control & social learning & strain theories, frequency of sexual intercourse in past year & number of sexual partners in past year & lifetime, 13–17 yr olds in poor rural families, 22356
factors related to & attitudes toward loss of virginity in adolescence & satisfaction with experience & role of meaningful sex education, male vs female college students, 795
frequency of sexual activity & indifference & sexual behavioral modifications, community living patients with probable or possible Alzheimer's disease & their spouses, 19 mo followup, 19600

game playing love style, sexual experience, 18–26 yr olds, 15531
homosexuality & age at infection from unprotected intercourse with sexual partner with AIDS related immunodepression vs HIV, HIV disease progression, HIV positive patients, 4589
intentions regarding sexual intercourse & perceptions & subsequent behavior, African American 9–15 yr olds, 6 mo longitudinal study, 15324
lifetime & recent sexual partnerships & infidelity & casual sex & sexual initiation abroad & oral & anal sex & sexual abuse, female 15–48 yr olds with cervical papillomavirus infection, 12486
male vs female alcohol use & probability of sexual intercourse on 1st date, 13–19 yr olds, 4.5 yr study, application of C. M. Steele's inhibitory conflict model, 29860
marital status, sexual intercourse & feelings & coital satisfaction, male vs female normal 85 yr olds, Sweden, 3543
masturbation vs coitus vs sexual satisfaction, restriction of caloric intake & symptom severity, female 11–56 yr olds with anorexia nervosa vs bulimia nervosa, 4482
masturbatory practices & relationship to sexual intercourse & personal characteristics, male vs female 15–18 yr olds, Australia, 11471
meanings attributed to grief & sexual intercourse & death of child, couples, conference presentation, 35078
methodological limitations & potential responding or lying & relation to reports of viral transmission through vaginal intercourse, patients with HIV infection, commentary reply, 26911
models of HIV sexual transmission prevention, 32755
personal expectations & experience & beliefs about the timing of 1st sexual intercourse in relationships with & without physical attraction &/or closeness, 17–37 yr old male vs female college students, 26105
prevalence of regular vs casual partners & protected vs unprotected anal intercourse & other sexual behavior, homosexual males, 1993 vs 1994 vs 1995, UK, implications for HIV prevention, 11624
prevalence of zidovudine resistance mutations & sex with partner undergoing zidovudine treatment, HIV infected persons with rapid disease progression, Spain, commentary, letter, 32697
reasons for consenting to unwanted intercourse & theoretical framework of gender-role socialization for understanding these experiences, adolescent & adult females, 38416
relationship with parents & peers & other antecedents, timing of 1st sexual intercourse, 18–22 yr olds, 11 yr retrospective study, 41724
safety of negotiated sexual agreements regarding condom use with regular vs casual partners, 17–69 yr old gay males in HIV– concordant regular relationships, Australia, 30266
sex & age & genetic & environmental factors, age at first sexual intercourse, 27–70 yr old monozygotic vs dizygotic twins, Australia, 35159
sex & number of & regular vs casual partners, reported sexual practices, heterosexual 18–69 yr olds with multiple partners, France, implications for risk of sexually transmitted diseases, 3698
sex, sexual socialization & motives for 1st sexual intercourse experience, 16–20 yr olds, Norway, 3486
sexual activity & sexuality during pregnancy, female Chinese 17–38 yr olds, Hong Kong, 3696
unprotected intercourse & attitude toward condoms & HIV risk avoidance & substance use & high-risk sexual behavior, 20–55 yr olds HIV seropositive gay & bisexual men seeking HIV prevention services, 39443
use of condoms at sexual activity onset, later safe vs risky sexual behavior, Black 14–18 yr olds, implications for condom distribution & prevention of HIV & sexually transmitted diseases, 11474
vaginal dryness during sex, condom use & breakage, female HIV/AIDS peer educators who were commercial sex workers, Zimbabwe, 23316

Sexual Masochism—Serials
common themes among satanic ritual abuse & sexual masochism & UFO abductions & factitious illness patterns & extreme love experiences, commentary, 35711
empirical findings & integrated theory on appeal of sexual masochism, 35710

Sexual Orientation [See Also Heterosexuality, Homosexuality] —Serials
appearance rules at work, makeup use, 20–64 yr old lesbian vs heterosexual White vs Mexican vs Asian American vs African American vs Mexican American vs Taiwanese vs Venezuelan females, 33652
beliefs about sexuality & gender differences & sexual drives & sexual power & sexual orientation & naturalization of sexuality, adult men vs women, 26114
biological process of puberty & gonadarche vs adrenarche, development of sexual attraction & orientation, 25685
birth order, male 16–67 yr old heterosexual vs homosexual vs bisexual pedophiles, Canada, 31179
Black students' perceived & actual value violations & sexual orientation, judgments of Blacks' values violations, White college students, 3589
conception of sexuality as other- vs same-sex directed, understanding of sexual identity formation & transference & countertransference & gender panic, gay male therapist & lesbian female patient, 7775
content analysis of gender & race & sexual orientation diversity issues in introductory psychology textbooks written by male &/vs female authors, 33326
dismantling gender polarization & compulsory heterosexuality & relevance of biology of sex, 18780
genetic factors, male & female sexual orientation, literature review, 30255
handedness norms, sexual orientation, homosexual vs heterosexual males, 1938–63, 11616
HIV infection status & sexual orientation, AIDS educator effectiveness, heterosexual 18–23 yr olds, 39440
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, 22373
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, commentary, 22378
issues in defining & explaining mixed sex people with male & female characteristics, implications for surgical & hormonal treatment for transsexuals & use of hetero & homosexual terminology, commentary reply, 22374
Latino gay bar with transvestites as social & surreal space for familylike interaction, role of alcohol in reconstruction of gender/sexuality roles, bar patrons, 22360
methods for assessing sexual orientation in lesbian & gay & bisexual experimental studies, 11619
need for psychology to address issues of ethnicity/culture & gender & sexual orientation in curriculum & training & research & practice, 36837
number of older & homosexual brothers, heterosexual marriage or cohabitation, 40+ yr old siblings of hetero vs homosexual males, Canada, genetic implications for prediction of sexual orientation, 30258
number of therapists seen & therapy duration & selected therapist's characteristics & likelihood & methods of & satisfaction after prescreening, heterosexual vs 22–71 yr old gay vs lesbian clients, 36216
openness about sexual orientation & satisfaction with coworkers & pay, 21–59 yr old gay & lesbian employees in San Francisco vs Indianapolis, 15529
parent homosexuality, sexual orientation or experiences as children, human adults, 11617
perceived sexual orientation of interviewer, expressed attitudes toward male homosexuality, college students, 26115
sex & sexual orientation of caller & urgency of call, altruistic response, adults, 42017
sexual experience & homosexual & heterosexual behavior & participation bias & estimates of HIV risk behavior & embarrassment, 16–59 yr olds, Britain, 42735
sexual orientation communication, work attitudes, lesbian & gay adults, implications for job discrimination, 26109
sexual orientations, 17–50 yr old heterosexual vs homosexual professional dancers, 41934

stress & physical health or HIV status & psychosocial resources & coping, depressive mood, gay vs bisexual vs heterosexual Black men, 16280
therapist sexual orientation & gender & practices, perceived helpfulness, lesbian & gay 22–71 yr old clients, 19731
thoughts & attitudes about sexual orientation in relation to children's sexuality & parents' sexual orientation, elementary school teachers, 13673
Sexual Reassignment [See Sex Change]
Sexual Receptivity (Animal) [See Animal Sexual Receptivity]
Sexual Reproduction [See Also Fertility]—Serials
ability to reproduce successfully, patterns of familial risks, Ss with schizotypal disorder vs schizophrenia, 12020
audience effect & female's reproductive success, extra-pair courtship behavior, male budgerigars, 34402
behavioral ecology of difficulties reducing fertility & resource consumption & reproduction & sustainability, adult males vs females, 11524
body size & tail height & length, reproductive success & performance & mate competition & choice, eastern tiger salamanders, 37882
contraceptive use & expectation of fertility & understanding of reproductive physiology & pregnancy prevention program, patients with thalassemia or sickle cell disease treated with iron chelators, 42708
contributions to study of behavioral neurology & neuroendocrinology of reproductive behavior, L. R. Aronson, obituary, 41189
dismantling gender polarization & compulsory heterosexuality & relevance of biology of sex, 18780
dominance status & social setting, stress & reproductive capacity, male teleost fish, 41227
exposure to males with vs without cytoplasmically inherited parasites, nonrandom fertilization & reproductive success, female flour beetles, commentary, 410
exposure to mass media messages promoting family planning, reproductive behavior & contraceptive use, 15–44 yr old females, Nigeria, cross sectional study & 3 yr followup, 15167
exposure to virgin vs inseminated female, courtship & mating & sperm production & longevity, male Drosophila melanogaster, 10820
extra-pair copulation, number of eggs laid & surviving young, female red winged blackbirds, 29122
intersexual asymmetry in daily activity patterns & reproductive efforts, female vs male free ranging sexually dimorphic lizards, 29162
male reproductive strategies & infant survival & female reproduction potential, New World primates, 10885
male sexual rest, litter sex ratio, Norway rats, commentary reply, 41242
male sexual rest, litter sex ratio, Norway rats, commentary, 41244
male sexual rest, litter sex ratio, Norway rats, 393
male vs female adult vs pup intruders, aggression at introduction vs pregnancy vs lactation reproductive stage, resident male vs female wild house mice, 21576
mate choice & marital success & reproduction, male vs female adults close to completed fertility, Hungary, 18835
natal dispersal, social & genetic & reproductive factors, female horses, 10867
one child per couple policy, parental investment in children, school children & their parents, China, 15473
ornamentation, reproductive success, female pipefish, 29091
perceived adolescent reproductive health problems & adolescents' use of maternal child health or family planning services, adolescents & health workers & community leaders, Nigeria, 16815
pheromone exposure, spawning, Pacific herring, 38029
presence vs absence of males, molting & diel ecdysial rhythm & fecundity & ovulation & resulting reproductive opportunities, female amphipods Eogammarus oclairi, 2965
psychoanalytic & literary interpretation of conflicts concerning procreation, females, 30614
reproductive condition & parental care, sprint speed & predation risk & future reproductive potential, female scorpions, 548
reproductive history, mating & sexual role assumed & strength of gender & sexual conflicts, hermaphroditic snails, 429
social factors, reproductive development & singular breeding behavior, 2–24 mo old female black tufted-ear marmosets raised in their natal groups, 34469
starvation vs satiation & body size & time available, amount of silk wrapping produced for prey offered as nuptial gift, male spiders, implications for sexual reproduction, 29143
steroid levels & responsiveness to spawning pheromone, Pacific herring, 38028
use in research on role of gonadotropin-releasing hormone in behavior & reproductive physiology, hypogonadal mice, 38035
virgin male mating advantage & lifetime mating success, male sagebrush crickets, 2 yr study, 422
Sexual Risk Taking—Serials
AIDS prevention intervention program, injecting drug & sexual risk behavior, injection drug users & their sexual partners, Netherlands & Germany & Belgium, 3 yr study, 36643
AIDS-related knowledge & condom use & risky sexual behavior & commercial sex patronage, young males, Thailand, 30290
AIDS Risk Reduction Model & other psychosocial factors, HIV sexual risk behavior, heterosexual 24–60 yr old noninjecting cocaine dependent males, 12240
alcohol &/or drug use, unsafe sexual behavior, acute psychiatric inpatients, 43241
alcohol consumption, disinhibition of high risk sexual behavior, college students, implications for HIV prevention, 24064
alcohol consumption, risky sexual activity with new partner, 18–25 yr old Whites vs Blacks vs Hispanics, 38606
anonymity & social desirability, HIV preventive behavior, college students, 19561
anticipated feelings after unsafe sex, sexual risk taking behavior, college students, Netherlands, 22379
assessment of risk behavior & sexually transmitted diseases & seroconversion, HIV-negative gay men, implications for vaccine efficacy trials, 26914
attendance at 1 vs 3 session interventions, change in high risk sexual behavior, bisexual & homosexual African American males, 12 & 18 mo followups, 16788
background characteristics & sexual relationships & condom use & risk perception, 18–30 yr old female bar workers, Tanzania, 41947
changes in multiple &/or risky sexual partners & condom use & HIV testing, heterosexual 18–49 yr olds, 2 yr study, 18786
close relationships & elevated HIV risk behavior, information motivation behavioral skills model of preventive behavior, literature review, 35163
cocaine use & level of psychiatric distress, sexual HIV risk behaviors, homeless men, 39452
community based AIDS risk reduction intervention program focusing on cultural context & sexual behavior, low income & urban African American adolescents, 18 mo follow-up, 20135
conceptualization of trust as situationally specific & negotiated & purposeful in relation to sexual risk taking & condom use within context of AIDS & HIV, heterosexual 22–56 yr olds, 35166
conditional vs unconditional estimate of perceived risk measure, AIDS-related behavior & intentions, heterosexual STD clinic patients with prostitute vs private partner sexual contact, 26921
demographic & AIDS risk & lifestyle variables, engagement in anal sex & use of condoms, 18-84 yr old heterosexuals, implications for AIDS prevention, 5225
demographic & psychological & behavioral factors related to HIV risk & sexual behavior, need for intervention focused on condom & risk sensitization & safe sex norms, gay & bisexual males, 5229
demographic characteristics & drug use & sexual risk taking behaviors, Hispanic female sexual partners of injection drug users, Puerto Rico vs Mexico vs US, 26694

development & preliminary evaluation of theory-based HIV-prevention program, adolescent females, 27597
development & reliability & validity of Sexual Risk Cognitions Questionnaire, assessment of type & frequency of cognitions associated with unsafe sex, 18–71 yr olds, England, 40847
development of Sex & AIDS Thought Scale, relationship of condom use & perceived partner HIV serostatus during insertive & receptive intercourse, gay males, 2662
effectiveness of HIV sexual risk reduction interventions in increasing condom usage, females, literature review, 20142
enhanced methadone maintenance project, factors associated with HIV risk behaviors, 20–56 yr old female heroin addicts, 16966
evaluation of HIV risk reduction intervention, female substance abuse treatment inpatients (mean age 34.2 yrs), 32742
expected consequences & social support & self efficacy, intentions to use condoms, college students, application of health belief vs reasoned action vs social cognitive theory, 18798
extent of partner knowledge, performance of necessary safer sexual practices for AIDS prevention, college students, 24080
factors associated with HIV risk behaviors, homeless 13–21 yr olds, 4597
factors associated with unsafe sex practices, 17–36 yr old male sex workers, England, 966
fertility status & demographic & sexual partner & health variables, condom use for contraception &/or sexually transmitted disease prevention, divorced or separated female 20–49 yr olds, 9318
gender & sexual orientation & sexual risk behavior & reasons for testing, homosexual & heterosexual repeat vs first time HIV testers, England, 42746
grouping by demographic or medical data vs frequency of specific sexual practices & motivations & condom use, AIDS intervention & prevention messages & barriers to change, male 19–66 yr olds, 13193
health belief model vs reasoned action vs social cognitive theories & sexual risk behavior, 17–59 yr old gay males, implications for self efficacy model, 3705
heterosexual behavior & condom usage & awareness about STDs & AIDS, 15–60 yr olds from lower class, India, 38610
high-risk behavior & rates of HIV infection, 21 yr old males, Thailand, 4 yr study, implications for public health programs, 8524
HIV prevalence & risk behaviors & social & sexual norms, 15–45 yr olds from ethnic minority groups, northern Thailand, 42733
HIV-related risk behaviors, 23–62 yr olds outpatients with severe mental illness, 31648
HIV risk behavior & stages of change for condom & needle behavior, adult injecting drug users, 27584
HIV risk behaviors & serostatus, adult gay or lesbian vs bisexual vs heterosexual male vs female injection drug users & crack smokers, 27591
impact of positive HIV test result on sexual behavior, female injection drug users vs Haitian or African origin noninjection drug users vs Whites who never injected drugs, Canada, 39441
issues in relation to HIV prevention & safer sex education for learning disabled, 9303
knowledge of HIV & risk factors, reasons for not engaging in safer sex with last sexual partner, adults enrolled in HIV education & testing trials, 12513
mean weighted effect of HIV risk reduction interventions on behavioral outcomes associated with HIV transmission, meta analysis, 13197
mental health problems & social environment & sex, involvement in sexual risk behavior, inner city 14–18 yr olds, 38847
mortality awareness, sexual & drug & athletic risk taking, male vs female college students, 7756
nature of relationship & age & education level & alcohol or drug use & self esteem, safe sex & sexual risk taking, gay & bisexual men, 3692
peer counseling & leadership training group, AIDS knowledge & effects of attitudes about & unavailability of condoms on safer sex & drug use risks, Black female 20–59 yr olds in methadone maintenance, 9314
perceived susceptibility & severity of threat of AIDS & communicative & sexual self efficacy & outcome expectancy, HIV preventive behavior, heterosexuals, 5219
prevalence & pattern of sexual activity & relationship with high-risk sexual behavior & family & school & individual variables, urban Hispanic & African-American adolescents, longitudinal study, 38407
prevalence of regular vs casual partners & protected vs unprotected anal intercourse & other sexual behavior, homosexual males, 1993 vs 1994 vs 1995, UK, implications for HIV prevention, 11624
psychiatric symptoms & AIDS knowledge & HIV risk behaviors, 18–59 yr olds with severe mental illness, 30779
psychosocial correlates of risky sexual activity & placing others at risk, HIV+ vs HIV– homosexual or bisexual males, 39447
psychosocial factors & risky sexual behavior & AIDS Risk Reduction model, literature review, 1986–93, 30264
psychosocial factors, HIV sexual risk behaviors, drug abusing adolescent offenders (mean age 15.5 yrs), 31677
psychosocial factors, sexual risk-taking behavior, 20–51 yr old female workers at risk for HIV, Jamaica, 26916
race & age & sex & drug use & sexual risk behaviors & self-reported HIV infection, methadone maintenance treatment program enrolles, 40173
reasons for abstinence & safer sex & unprotected sexual intercourse, 16–18 yr olds, 22112
risky drug & sexual behavior & psychological well being & depression, 19–66 yr old homeless or drug recovering females & their closest supportive person, 35815
risky sexual behaviors, HIV seropositive vs seronegative females dependent on noninjection drugs, implication for safer-sex interventions, 26674
risky sexual practices & knowledge & behavior changes, adults, Senegal, 16782
safe sex practices & attitudes, 20–40 yr old single sexually active heterosexuals, Australia, 30284
self-efficacy & safe sexual behavior, female college students, 18797
self reported reasons for having sex & frequency of participation & sexual risk taking, 19–66 yr old heterosexual males from public STD clinic, 38607
self reported risk-taking sexual behaviors, high school juniors & seniors, 41701
sensation seeking, substance use & high risk sexual behavior, male homosexuals, implications for HIV prevention interventions, 3697
sex with commercial &/vs noncommercial sex partners & networks & rate of HIV infection & exposure risk for noncommercial sex partners, 17–45 yr old truck driving vs low income males, Thailand, 31681
sexual- & drug-risk behavior, risk for HIV, 21–55 yr old male drug users in correctional institutions, 33129
sexual & drug abuse & other HIV risk taking & reduction readiness, hard to reach & out of treatment African American & Mexican American females at high risk for HIV infection, 12523
sexual encounter with vs without alcohol consumption, risky sexual behavior, 20–35 yr old single females, 41950
sexual experience & homosexual & heterosexual behavior & participation bias & estimates of HIV risk behavior & embarrassment, 16–59 yr olds, Britain, 42735
sexual practices & relationships & HIV risk avoidance coping behavior, gay or bisexual HIV seropositive males seeking AIDS prevention services, 36648
sexual practices, illicit drug users (mean age 43.9 yrs), implications for sex & marital therapy for high risk behaviors, 19357
sexual risk & other risk behavior & condom use vs unprotected sex & exposure to street outreach services, HIV risk, 12–23 yr old injection drug users & high risk youth, 12507
sexual risk behavior of drug users & social relations of risk, current & future prevalence of HIV transmission, literature review, intervention implications, 16089

sexual risk-taking behavior & risk of HIV transmission & response to HIV/AIDS community outreach or home meetings or safer sex workshops or antibody testing, homosexual & bisexual men, letter, 43285
stage of change & cognitive & demographic variables & intervention group & chance of HIV infection & number of sex partners, change in condom use, crack smokers & drug injectors, 6 mo followup, 27587
Stella Seattle serial cartoon strip media campaign addressing unprotected anal sex, gay males, 3318
substance use & condom use & HIV related sexual risk taking behaviors, 13–46 yr old African American females, 32756
survey of health & sexual risk behavior & rates of drinking & binge drinking & illicit drug use & sexual activity & violence & suicidal behavior, juvenile detainees, 19414
trading sex for drugs & HIV prevention, African American females, 38605
trading vs agricultural village & sexual risk behavior & rate of HIV infection, 13–19 yr olds, Uganda, 42743
treatment advances, decisions & attitudes about sexual risk taking, homosexual males (mean age 32 yrs), 42736
unprotected intercourse & attitude toward condoms & HIV risk avoidance & substance use & high-risk sexual behavior, 20–55 yr olds HIV seropositive gay & bisexual men seeking HIV prevention services, 39443
unsafe sex & perceptions regarding safer sex related to HIV transmission, subsequent fact based AIDS prevention, gay male 13–19 yr olds, 13205
use of condoms at sexual activity onset, later safe vs risky sexual behavior, Black 14–18 yr olds, implications for condom distribution & prevention of HIV & sexually transmitted diseases, 11474
use of personal construct group work to reduce HIV risk taking, 14–17 yr old adolescents & juvenile justice offenders, 32251
utility of stages of change model to assess intervention readiness & outcome in modifying drug related & sexual HIV risk behaviors, 19–70 yr old injection drug & crack users, 6 mo followup, 27607
validity of Condom Use Self-Efficacy Scale, male college students, implications for HIV-risk reduction education, 20998

Sexual Satisfaction—Serials

attitudes toward fellatio & sexual compatibility & desire for each other, nondistressed husbands and wives, 22256
development & standardization of Comprehensive Sexuality Scale, assessment of sexual adjustment & satisfaction, 26–45 yr old married couples, India, 5987
educational background & religious affiliation, sexual dissatisfaction, husbands vs wives, Nigeria, implications for sex therapy, 22368
efficacy & tolerability of nefazodone vs sertraline & effects on sexual function & satisfaction, 22–73 yr olds with single or recurrent nonpsychotic major depression, 12964
empirical findings & integrated theory on appeal of sexual masochism, 35710
interpersonal exchange model of sexual satisfaction in long-term relationships, conference presentation, 30268
marital & sexual satisfaction, psychosocial well-being & life satisfaction & positive sexual relationship characteristics, 24–58 yr old female nurses, 30222
marital status, sexual intercourse & feelings & coital satisfaction, male vs female normal 85 yr olds, Sweden, 3543
masturbation vs coitus vs sexual satisfaction, restriction of caloric intake & symptom severity, female 11–56 yr olds with anorexia nervosa vs bulimia nervosa, 4482
original family environment & husband characteristics & state trait anxiety & body image & sex role identity, vaginismus & sexual satisfaction & marital harmony, 19–42 yr old couples, Turkey, 23297
satisfaction with sexual activities & interpersonal communication, sexual desire, heterosexual couples with vs without hypoactive sexual desire, 38617
sexual & marital satisfaction & difficulties & coping, 23–60 yr olds with multiple sclerosis and their spouses, 23390
sexual dysfunctions & concerns & satisfaction & impact of HIV epidemic, homosexual males, 26122
type of marriage & marital duration & sexual satisfaction, adjustment in marriage, 25–50 yr old females, 30141
variables of sexual satisfaction, 18–74 yr old male vs females, 1971 & 1992, Finland, 41941
vibrator use, sexual attitudes & experiences & reasons for use & orgasmic satisfaction, 18–75 yr old females, 26108

Sexuality—Serials

addressing sexuality issues & sexual identity in treatment & long term recovery, female alcoholic patients, 9617
adolescent sexual activity, 38614
application of "Canadian Guidelines for Sexual Health Education" to social work in sexuality education, Canada, 32936
approaches to sexuality issues in rehabilitation context, survivors of traumatic brain injuries & their partners, 5392
assisted reproduction & shifts in structure of modern family from nuclear to nonnuclear & sexuality issues, 24007
attitudes toward clients with learning disabilities & AIDS & client sexuality & mandatory testing for HIV, residential institution direct care staff, Scotland, 5532
attitudes toward male sexuality & sexual behavior outside marriage, males & females, Nigeria, implications for AIDS reduction strategies, 38615
attitudes toward sexuality & sexual expression in cognitively impaired vs intact residents, nursing home staff, 43406
behavior-analytic vs biological view of sexuality & transsexuality & homosexuality & heterosexuality, 30271
beliefs about sexuality & gender differences & sexual drives & sexual power & sexual orientation & naturalization of sexuality, adult men vs women, 26114
body dissatisfaction, coital & masturbation experience & sexual activity, 18–52 yr olds with bulimia nervosa, 31548
childhood sexuality & power & social order, implications for contemporary society, 7436
client perception of therapeutic process & underlying philosophy of mutual sexuality of Sexual Concerns Unit & treatment outcomes, male & female adults, 32883
conception of sexuality as other- vs same-sex directed, understanding of sexual identity formation & transference & countertransference & gender panic, gay male therapist & lesbian female patient, 7775
degree of ethnicity as focus of sexuality research, literature review, 1971–95, 26127
development & factorial structure of Sexual Desire Inventory, 18–51 yr olds, 17620
development & integration of sex & racial & ethnic & sexual & class identities, literature review, 29873
development & standardization of Comprehensive Sexuality Scale, assessment of sexual adjustment & satisfaction, 26–45 yr old married couples, India, 5987
developmental aggression & sexuality, toddler attachment & parental perceptions & behaviors in caregiving system, 3449
effects of ratings of childhood & adolescent sexual experiences as positive or mixed or negative, adult sexual attitudes & adjustment, undergraduates, 22355
eroticism & maintenance of sexual desire, implications for clinicians treating inhibited sexual desire, conference presentation, 30267
erotophobic & negative attitudes towards female sexuality, acquaintance rape, 22982
ethnography of perceptions of gender identity & sexuality & aging, female 64–82 yr olds, 29982
evolutionary basis of male motivation to control female sexuality & expansion of feminist analyses of patriarchy, commentary, 11607
expectations of physicians in sexual health matters, discussion of sexual problems with physicians & physician reactions, male vs female patients, 24136
experiences & feelings & understandings of child's sexual development & identity, parents of profoundly disabled teenagers vs physicians & teachers, 8401
feminist identification, sexual arousal & affect toward male dominant vs female dominant sexual scenarios, 18–65 yr old females, 29466
gynecologic care and sexuality issues for women with disabilities, 43268

hormones & sexuality & mood, 24–40 yr old females with vs without premenstrual complaints, 42713
identity & sexuality & self in adolescent development & identity concept in Jung's writings, late adolescent males, 22609
individual differences in testosterone & social control, sexual interest & activity, White & Black females (mean age 13.8 yrs), 41415
infertility, sexuality, males, literature review, 26871
institutional barriers to sexual health at federal & provincial & local levels, impact on adolescent sexual health & implications for perpetuation of social inequalities, Canada, 24140
internal validity & reliability & utility of a sexuality questionnaire & age, menopausal status & hormone levels on sexual functioning, 38–48 yr old women, Australia, 40802
issues in gender and sexuality in cyberspace, 33836
issues in research on neuroscience & sexuality & performativity theory, S. LeVay, 41942
issues related to aging & sexuality, elderly, literature review, 30285
J. Lacan vs J. Benjamin's notion of gender identity & sexuality in psychoanalysis, 26308
knowledge of sexuality and AIDS, 12–18 yr olds, New Zealand, 25862
lack of centrality of genital sexuality & Oedipus complex in current psychoanalytic theory & clinical practice, commentary, letter, 38810
lexical decisions in sentences with last word as sexual double-entendre, male vs female college students, test of sexual content-induced delay model, 28849
menopause, ovarian & adrenal hormones & sexuality & well being, 40–60 yr old females, 21757
mother to child relating of birth stories as determinant of misshaped early sensual feelings & subsequent tranference issues in psychoanalysis, 15781
narrative or interpersonal & multiple & decentered notions of subjectivity & sexuality & gender, implications of taking multiple subjectivity seriously for psychoanalytic theorizing & practice, 11798
object relations theory & human sexuality, 38611
oral contraceptive use & sexuality, 18–26 yr old females, 7564
perceived changes in sexual functioning & body image following weight loss, obese adult females, 26125
personality & social behavior & sexuality, male research volunteers vs nonvolunteers, implications for human sexuality research, 3691
phases to establishing sexual identity, male-to-female & female-to-male transsexuals, case studies, 22363
principles for writing AIDS & sexuality education program messages for youth, 20143
pschoactive drugs & human sexuality & sexual dysfunction, 39372
psychic & biological & social influences on sexuality in psychoanalytic theory & practice, conference presentation, 30602
psychoanalytic theory of gender identification & object choice as basis of sexuality & lesbian eroticism, 7779
reading romance novels, expectations of marital sexuality & gender role patterns, 16–22 yr old single middle-class females, India, 41928
recollection of meaningful discussions about sex in the home, college students vs their parents, 26116
reliability & validity & factor structure of Sexual Self-Esteem Inventory for Women, assessment of affective reactions to self appraisals of sexuality, female 18–39 yr olds, 2566
religiosity, sexuality & AIDS knowledge & attitudes & beliefs & practices, Black college students, South Africa, 4604
research in sexual psychophysiology & multidimensional & multidirectional model of female sexual arousal, conference presentation, 30280
sex & gender identity in post-modern society & psychoanalytic theory & practice, conference presentation, 30588
sexual & countertransference & treatment issues, older female therapy or counseling clients, case examples, 23588
sexual activity & sexuality during pregnancy, female Chinese 17–38 yr olds, Hong Kong, 3696
sexual drive & object relations, sexuality in contemporary psychoanalytic theory, conference presentation, 30612
sexual dysfunctions & concerns & satisfaction & impact of HIV epidemic, homosexual males, 26122
sexual practices & attitudes & knowledge related to HIV transmission, low income Hispanic females, 26912
sexual self-schema as predictor of sexual dysfunction, 24–73 yr old female gynecological cancer survivors, 23342
sexuality in older adults, 38609
sexuality in psychoanalytic theory, conference presentation, 30630
sexuality of obese persons, 38602
sexuality workshop, sexual attitudes & comfort in dealing with patients & knowledge, health sciences college students, 18 mo followup, Canada, 9693
small group tutorials to augment didactic components of human sexuality course, college students, Canada, conference presentation, 33382
social construction of & psychoanalytic & postmodern conceptions about role of gender & sexuality in lesbian identity, 7774
structural model of psychoanalytic components to sexuality & gender identity & the construction of femininity, conference presentation, 30633
support of stereotypes about male sexuality & resulting sexual behavior strategies, 20–60 yr old females, 30259
target's obese vs normal body weight & gender, perception of target's sexual experiences & sexuality, 17–23 yr olds, 11691
the psychological effects of vasectomy, males, 27574
treatment of cancer & other medical causes of infertility, physiological & psychological effect on sexual functioning & relationship of couple, 23261
unprimed lexical decision delays & times for sexual & romantic & neutral word targets, male vs female college students, 11623
word choice & telling style as signifiers of sexuality during the psychoanalytic process, conference presentation, 30589

Sexually Transmitted Diseases [See Venereal Diseases]

Shamanism—Serials

shamanic healing techniques in conjunction with holistic addiction counseling paradigm "participatory holism', 9612

Shame—Serials

analytic perspective on narcissistic vulnerability & shame dynamic in V. van Gogh, 26319
applicability of theory of reintegrative shaming in treatment of addiction & 12-step program, drug & alcohol abusing patients, 16968
childhood abuse & bodily & characterological & behavioral shame & disease course, 17–73 yr old depressed patients, 38963
conceptual & methodological issues in dispositional & state measurement of shame vs guilt, 6005
development of Shame/Guilt Recognition Questionnaire, assessment of accurate distinction between affective states of shame & guilt, counseling psychologists (mean age 44.57 yrs), 33948
distinctiveness of antecedents & facial expressions of embarrassment & shame & guilt, college students, 11736
dysfunctional families in childhood, shame & guilt as adult, 18–25 yr old undergraduates, 11559
evolution of concept of social attractiveness & role in shame & humiliation & guilt & psychotherapy, 38766
family socialization experiences in form of inductive vs affective vs coercive style of parental control, proneness to feelings of guilt & shame, college students, retrospective study, 38373
internal reliability & construct validity of Internalized Shame Scale, healthy adults & drug dependent clients, 6057
inverse vs direct correlations of self-reported narcissism & shame, college students, test of defensive self-esteem & continuum theories, 3981
maternal positive vs negative feedback & pride & shame, maltreated vs nonmaltreated male vs female 4–5 yr olds, 12138
politics of Russian society & family & school socialization of personality using discipline with violent punishment & fear of shame & revenge, children, 3440

psychoanalytic characterization of "victim from sense of shame", 22623
relations between shame & guilt & embarrassment & judgments of character, 35347
relationship between shame & low functional literacy in health care setting, 18–88 yr old African American patients, 24142
remembered parental practices, scenario-evoked shame & guilt, male vs female college students, 38769
response to client shame expression, beginning therapists, implications for training, 23632
role of shame in psychotherapy, 30 yr old female with history of childhood sexual abuse, 1695
shame & countertransference & analytic style in psychoanalysis, 19879
shame & guilt & self critical cognitions & perfectionism, males vs females, 22549
shame & its role in adolescent social & cognitive & physical & interpersonal development, implications for development of psychopathology, literature review, 18614
shame & narcissistic rage & suicide in Sophocles' Ajax, 11234
shame proneness & anticipated shame states, hypothetical decision to commit drunk driving & shoplifting, college students (mean age 19.4 yrs), rational choice model of offending, 31391
shame response, anger & violent crime, case examples, 4381
systems & unity & other theories in exploration of metaphorical links between psychological & biological processes of shame, 28376
temperament & parenting antecedents, individual differences in pride & shame reactions following success or failure, 10-mo-old boys, 27-mo study, 41684
theoretical model of psychological processes involving shame & leading to poor adjustment & stigmatization, child & adolescent victims of sexual abuse, 8102

Shape Perception [See Form and Shape Perception]

Shared Paranoid Disorder [See Folie A Deux]

Sharing (Social Behavior)—Serials
patterns of consumption & production & procurement decisions & foraging behavior & social construction of use-value, resource-sharing groups, Papua New Guinea, commentaries & reply included, 30092
pooled common resources, cooperation in use of public goods in static vs dynamic setting, adults, application of prospect theory, 38679
reactions to & repetition of partially shared vs unshared information to contribute to group discussion & decision making, college students, 15597
seasonal effects on acquisition & distribution of prey & predictions of kin selection & tolerated theft & risk-reduction reciprocity & trade models of sharing, hunters, Melanesia, commentaries & reply, 30076
tolerated interactions & transfer of food from adults to infants, tufted capuchins, 34423

Sheltered Workshops—Serials
center for vocational rehabilitation & daytime activities, patients with mental disabilities, Belgium, 16992
nonprofit sector's interest in & ignorance about failure, continuing contribution of resources for battered women & handicapped employment, 13986
sheltered workshop for social rehabilitation & work reintegration through restoration of old cars, adolescents & adults with psychosis, Belgium, 16997

Shelters—Serials
academic achievement & classroom behavior, 6–11 yr olds from homeless families staying in shelters, 43571
assessment of client sexual & physical abuse & familial substance abuse, runaway/homeless youth shelter staff, 5304
assessment of father–child relations, impact on child development & support, sheltered homeless & low-income housed females & their children (mean age 5 yrs), 11587
domestic violence, behavior problems, children of females at family violence shelters, implications for social constructivist intervention, 42475
duration of rooflessness & cognitive function, male homeless hostel entrants with schizophrenia vs alcohol dependence plus current drinking vs other vs no diagnosis, 30739
experiences with & perceptions of religious organizations & shelters that provide services to battered females, 20–71 yr old victim advocates, implications for service improvement, 31206
perceptions of resident sexual behavior, staff in hostel for homeless men, England, 32886
perpetuation of homelessness by shelters & institutional housing system, severely mentally ill & homeless adolescents & adults, 32903
postshelter follow up programs, social support & self esteem & perceived stress, 18–60 yr old female victims of partner abuse, 3 mo follow up, 16871
StreetCity community housing project, homeless adults, Canada, 32884

Shifts (Workday) [See Workday Shifts]

Shock—Serials
amylacetate olfactory CS paired vs unpaired with electric shock UCS, heart rate & behavioral responses, 16 & 23 & 75 day old rats, 18064
footshock, acquisition & extinction of amphetamine-induced conditioned taste aversion, male rats, 6832
intensity of immediate shock paired to freezing & defecation & side crossing & nose crossing contexts, fear, rats, 34350
intraventricular (D-Pen 2, D-Pen 5) enkephalin, rearing & horizontal activity & exploratory head dipping following uncontrollable footshock, mice, 6999
legshock CS paired with tailshock UCS, tail-flick antinociception as associative learning vs pairing-specific enhanced sensitization vs protection from habituation in spinal conditioning, male rats, 14844
metyrapone &/vs corticosterone vs dexamethasone, shock-induced inactivity & escape behavior & serum corticosterone, male rats, 11104
olfactory CS paired with shock UCS in retention interval & reinstatement of shock condition, heart rate & behavioral arousal, 16 day old rats, 41202
poststress glucose treatment, behavioral impairment from shock in the learned helplessness model of psychopathology, male rats, 41424
predictable vs unpredictable footshock, self administration of oral fentanyl, male vs female rats, 29572
prolonged fixed duration shocks, cues for fear conditioning & punishment intensification effects, Sprague Dawley rats, 18038
shock covariation & expectancy biases, fear-relevant biological vs technological stimuli, undergraduates with high vs low fear levels, 34300
tentacle shock, plasticity in sensory neurons in cerebral ganglion & role in learning, Aplysia, 25469
time since septal lesioning, diminution of anxiolysis on elevated plus maze vs shock probe burying paradigm vs general tolerance to anxiolytic effects of lesions, rats, 14858
water deprivation, shock escape impairment after exposure to inescapable shock, male rats, implications for motivational deficit predicted by learned helplessness theory, 29073

Shock Therapy [See Also Electroconvulsive Shock Therapy]—Serials
curare & quinine methochloride, convulsive shock therapy, 43212

Shoplifting—Serials
biorhythmic critical state & proneness to shoplifting, employee shoplifters, 4368

Shopping—Serials
compulsive buying & impulsivity & sensation seeking, depressed inpatients with vs without compulsive buying behavior, 35669
fluvoxamine, preoccuation with & time & money spent shopping, 30–55 yr olds with compulsive buying, 13 wk study, 36420
grocery shopping skills & instruction, students with moderate or severe or profound intellectual disabilities, literature review, 28077
history & epidemiology & family & etiology & clinical symptoms & treatment, individuals with compulsive buying problems, literature review, 26551
implications of interactive electronic home shopping for consumers & retailers & manufacturers, 40652

Nutrition for a Lifetime System, fat & fiber & fruits & vegetables in food purchases, 19–77 yr old supermarket shoppers, 39963
positive vs negative in-store mood, spending & satisfaction with retailer, shopping mall customers, 10165
retail patronage experience of shopping & buying & delivering & using & service & disposal, customer affection & satisfaction, shoppers, 10184
shopping orientations & acculturation level, Asian American 18–87 yr olds, 20848

Shopping Centers—Serials
anchor stores & site location & layout, shopping center image & consideration & choice, mail survey respondents, Canada, 10170
cognitive mechanisms in consumer in-store navigational search strategies, 18–55 yr olds, 5824
pleasant ambient fragrance, prosocial behavior in large shopping malls, people, 26140

Short Term Memory—Serials
accelerated reading, short term memory processing, children with dyslexia (mean age 9.3 yrs), Israel, 31453
addition of ability constructs of Enhanced Computer Administered Test to Armed Services Vocational Aptitude Battery, predictive validity, armed forces recruits, 17734
Age & working memory capacity, predictions of calibration of comprehension based on processing ease heuristics vs direct assessments of comprehension, 18–82 yr olds, 41657
age, forward vs backward digit span verbal working memory task performance, 16–79 yr olds, Belgium, 41617
age, working memory & processing speed & fluid intelligence, 7–19 yr olds, 15216
aging, information processing speed & working memory & declarative learning, 17–87 yr olds, 11357
American Sign Language-based articulatory rehearsal loop in visuospatial domain of working memory, deaf 18–41 yr olds, 36172
anandamide administration after phenylmethylsulfonyl fluoride pretreatment, reference & working memory, male rats, 612
anteromedial or anteroventral thalmic lesions, working & reference memory in 12 arm radial maze performance, male rats, 14825
anxiety, task performance & response time in working memory articulatory loop & central executive using processing-efficiency theory, 18–31 yr olds, 37772
applications of short term & working memory concepts in cognitive psychology, literature review, 10718
atropine vs scopolamine vs benactyzine vs trihexyphenidyl vs aprophen, paired discrimination performance, male rats, implications for effects of anticholinergic drugs on working & reference memory, 6909
attention-independent auditory sensory memory performance, adult schizophrenic patients, 30992
auditory stimuli sequence interpolated between initial & comparison tones, short-term tone recognition memory, college students, test of streaming vs interference disruption hypotheses, 37712
auditory vs visual information processing & working memory, 24–56 yr olds with multiple sclerosis, 23387
behavioral relaxation training, short & long term memory & incidental learning, adults with severe intellectual disabilities, 16534
brain activity during rhyming & short term memory task with visually presented letters, adults with developmental dyslexia, 26794
capacity limitations in working memory, children with specific language impairment, 12440
center embedding & numeric bounds & interference in short-term memory of sentence processing, 6386
cholinomimetic RU 47213, scopolamine-induced working memory impairments in radial maze spatial task & T-maze delayed reinforced alternation task, male rats, 41495
chronic nicotine effects on working & reference memory in 16-arm radial maze & interaction with dihydrexidine & dopamine antagonist SCH 23390, female rats, 6967
clozapine, spatial working memory deficits induced by FG7142, female monkeys, implications for schizphrenia treatment, 34687
conditional delayed response vs delayed CR & retention interval location, proactive interference & short term spatial discrimination accuracy, pigeons, 34399
content & contextual & working memory performance, male military veterans with schizophrenia or alcoholism, 22678
decision processes in recognition memory, college students, meta analysis, 296
development of short term memory for ignored speech, 1st through 4th graders & adults, 7273
digit span with vs without articulatory suppression, 18–30 yr old native speakers of Chinese vs English vs Finnish vs Greek vs Spanish vs Swedish, test of working memory theory, England & Finland, 28946
disease onset before vs after age 5, short term memory rehearsal strategies & word recall performance, 9–16 yr olds with insulin-dependent diabetes mellitus, 16271
dissociation of patterned vs positional movements in working memory, college rowers, 2798
dissociations in encoding & retention & retrieval of spatial vs object information in working memory & ERP components, adults, 2877
dorsomedial thalamic lesions, prelesion memory of delayed alternation task, male rats, 21688
drawing development & artistic giftedness & relation to working memory capacity, 4 vs 6 vs 8 vs 10 yr olds, Canada, 29815
enactment vs verbal learning, short-term memory, adults, Germany, 41168
ERPs in short term memory related task, healthy 18–39 yr olds, 3120
escapable stress & neurosteroids, memory for water maze learning, rats, 543
ethanol, nonspatial working memory & attention & septohippocampal functioning, rats, 29550
executive impairments in deductive reasoning & memory updating, adults with Parkinson's disease (mean age 66.0 yrs), 42790
facilitative advantages of adjunct displays in addition to verbal & spatial representations in instructional materials, working memory, college students, test of conjoint retention hypothesis, 5655
finger tapping & short-term memory processing, duration & variability of tapping intervals, college students, Canada, 21410
flesinoxan & ipsapirone & piperazine & fluvoxamine & ketanserin, working memory in delayed conditional discrimination task, male rats, 15044
Frontal/Executive Program of neurocognitive rehabilitation, cognitive flexibility & working memory & planning ability, schizophrenic patients, 33018
full vs divided attentional state at encoding, performance on direct vs indirect memory tests, college students, 302
functional modular organization of prefrontal cortex for representing working memory process, primates, 29359
functional MRI, assessment of working memory associated regions of neocortical activation during analytical vs figural vs visuospatial reasoning in problem solving tasks, 23–30 yr olds, 38021
generated vs imposed information, verbal & spatial short term memory, late middle aged & elderly with dementia of Alzheimer's vs frontal lobe type, France, 16379
haloperidol vs bromocriptine, response accuracy & latency for spatial vs nonspatial working memory, 19–37 yr olds, 38128
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary, letter, 19246
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary reply, letter, 19228
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary, letter, 19245
homophone & rhyme judgment & pseudohomophone detection, aphasic 35–75 yr olds, test of models of verbal short term memory, 19635
images presented side by side, time to detect difference between images, adults, France, 37618

impairments of executive functions & neuropsychological ability, forward planning & cognitive flexibility & working memory, schizophrenic patients, 1297
individual differences & general vs specific processing systems, working memory & writing ability, 4th & 6th graders, 13760
individual differences in working memory capacity for language, language & sentence comprehension, adults, commentary, 2886
individual differences in working memory capacity for language, language & sentence comprehension, adults, commentary reply, 2873
individual differences in working memory capacity on verbal fluency, college students, 41153
induced global ischemia, hippocampal cell loss & spatial learning & working memory in water maze & Skinner box tasks, male rats, 34564
inhibitory mechanisms, clearing no longer relevant information from working memory during sentence completion task, 17–22 vs 60–79 yr olds, 34272
initial storage & later retrieval processes of object vs spatial visual information, spatiotemporal patterns of brain activity, adult males, 21747
instructional design & short term memory in learning to use computer program, 1st yr trade apprentices, Australia, 2862
interpretation of cues in eponymous noun phrases & relations between vocabulary & working memory capacity & listening span & intended interpretations, younger vs older adults, 18523
interstimulus interval, visual short term memory for contrast & spatial frequency of sinusoidal gratings, adults, 17831
intertrial proactive interference in short term memory during tone vs light matching to sample, male rats, 18048
intraseptal flumazenil vs benzodiazepine binding inhibitor, spatial working memory vs anxiety vs locomotor activity, male rats, 25583
intraseptal infusion of selective postsynaptic adrenoceptor antagonist BE 2254, anxiety & spatial working memory in maze performance, male mice, 11106
irrelevant sounds, phonological coding in reading comprehension & short term memory, college students, 2801
irrelevant speech & phonological similarity effects measured by ERPs, 20–41 yr olds, test of phonological loop model of working memory, 41396
ketanserin & methysergide & methiothepin, modulation of attention & working memory & behavioral activity, male rats, 34700
level of encoding & preattentive processing & working memory capacity, prediction of cognitive ability, 19–30 yr olds, 14612
lexical & sentential context effects, reading rate & working memory of semantically associated & unassociated word pairs, adults, 34290
maintenance of task-specific stimulus–response channels, 25–76 yr olds with lesions of inferior lateral prefrontal cortex, 12662
manipulation of retention interval in within vs between Ss experimental designs involving distractor short term memory tasks, college students, 17778
medication & disease course & symptom severity, spatial & non-spatial working memory, patients with Parkinson's disease, 31849
mental animation as mechanical reasoning, impairment of simultaneously held visuospatial vs verbal working memory load, college students, 34287
methodology to examine cross language equivalence for tests measuring short term memory using word length & spoken duration, bilingual Mexican American male college students, 33958
model for storage of unique lists of known items in oscillatory short-term memory network & interaction with pre-existing long-term memory, humans, 24909
model of behavioral inhibition deficit in ADHD & relation to working memory & self regulation of affect & internalization of speech & reconstitution & motor control & fluency & syntax, 16122
model of short term memory, effects on production of random sequences & decision behavior by individuals & groups, 34233
MRI scans of cerebral cortex activation during working memory task, 18–34 yr olds, 29259
MRI study of regional brain activity during verbal working memory task, indications of neurocognitive network involved in attention & executive function & mnemonic processes, males, 14857
multiple neuron hippocampal electrical ensemble activity during performance of delayed nonmatching-to-sample 2-lever operant version, rats, 11029
multiple sclerosis, short term vs long term vs working memory & free recall vs cued recall vs recognition, meta analysis, 36154
musical experience, retention capacity & temporal aspects of auditory short term memory as assessed with multitone sequence paradigm & recognition task, 16–38 yr olds, 14658
neonatal hippocampal lesions, spatial learning & working memory & nicotinic & muscarinic acetylcholine systems involvement, rats, animal model of schizophrenia, 10933
nerve growth factor, spatial recent memory & sensorimotor skills, 4 vs 22 mo old rats, 34655
nerve growth factor, spatial recent memory, 4 vs 23 mo old male rats, implications for Alzheimer's disease, 18317
neural activity & perceptual & mnemonic cortical roles in visual working memory, adults, 29263
neural architecture for associative/content addressed vs address based neural memory module & support for recall from partial input patterns & multiple recalls & fault tolerance, 17495
neurobiological & psychological studies & use of MRI in understanding of working memory, 28953
neuroimaging for cognitive models of working memory systems & memory load for spatial & object & verbal information, literature review, 37728
neuropsychiatric assessment of long & short term memory & awareness of own memory deficits, mildly aphasic patients, 23467
NMDA lesions of dorsal anterior cingulate area of medial prefrontal cortex, spatial delayed alternation & working memory, male rats, 25492
NMDA receptor antagonists, short-term memory, rats with scopolamine-induced amnesia, 21875
number of syllables per digit, digit span performance, English vs Spanish speaking adults, 14657
object properties & arrangements & presentation with vs without verbal labeling, immediate visual memory, college students, 2885
occupancy distribution, estimation of probability of discrimination of baited vs unbaited choices in multiple location search task & test of working memory capacity in sampling of finite population, 14470
overexpression of human S100 beta gene in hippocampus, spatial & temporal exploratory behavior in T-maze, transgenic CD1 mice, animal model of short term memory impairment, 6589
peptidergic galanin antagonist M40, galanin induced choice accuracy impairment on delayed nonmatching to position working memory task, rats, 10979
performance in learning & memory & cognitive & noncognitive behavior tests, Wistar & Fischer 344 & Brown Norway rat strains &/vs hybrids, animal models of age-related cognitive deficits, 6592
performance of spatial vs nonspatial working memory tasks, metabolic activation of caudate nucleus, male rhesus monkeys, 34553
performance on 14 short-term memory tests, Black vs White 5–19 yr olds, 29797
phonological memory capacity for & encoding & perceptual processing & rate of articulation of nonsense & similar vs dissimilar words, specifically language impaired children, replication, 1476
phonological sensitivity & syntactic processing & verbal working memory & reading performance, 3rd graders, 11352

phonological short-term store-rehearsal components & neuroanatomical correlates, male left brain-damaged 26 & 28 yr olds with selectively impaired auditory–verbal memory span, Italy, case reports, 36157
phonological working memory vs phonological awareness focus in language interventions, children with language impairment, 13495
positron emission tomographic regional cerebral blood flow assessed changes during working vs declarative memory & relation to task performance, 28–43 yr olds, 21691
positron emission tomography analysis of activation of brain regions & functional dissociation of phonological storage vs rehearsal in verbal working memory tasks, college students, 18141
positron emission tomography of cerebral blood flow as measure of fronto-parietal network for sustained attention & working memory in rapid visual information processing, male university graduates, 6612
practice & transfer effects, coordination processes of mental transformations of patterns in visual working memory, college students, Germany, 21415
prefrontal cortex cells & inferior temporal cortex mechanisms, visual working memory in delayed matching to sample task, macaques, 14860
pregnenolone vs pregnenolone sulfate vs dehydroepiandrosterone vs dehydroepiandrosterone sulfate, working memory & memory impairing effect of ethanol, male mice, 3252
presence of organizing cue or interfering text, text memory, college students, 17990
presentation vs termination of houselight, temporal estimation & working memory in matching to sample task, White Carneaux pigeons, 34377
pretraining on spatial delayed matching to sample followed by estrogen, working memory performance under retention intervals with vs without emotional distraction, ovariectomized rats, 6745
processing speed & item identification & short term memory, arithmetical difficulties, 7 yr olds, Scotland, 29771
processing speed & working memory, long term memory for performed vs nonperformed activities, older (mean age 67.23 yrs) vs younger (mean age 20.34 yrs) adults, 11341
pupillary responses & digit recall, index overload & working memory resources, adults with schizophrenia, conference presentation, 39036
pure central executive interference task, frequency of connected sequences of stimulus independent thoughts, college students, Belgium, 6397
reference & working spatial memory, BXSB mice with vs without ectopias in prefrontal/motor cortex, 25504
regional brain activation measured with positron emission tomography during eye movement paradigms & spatial work memory, healthy adults (mean age 27 yrs), 21289
retrieval cues & proactive interference, short term recall, undergraduates, Australia, 14666
reward magnitude, discrimination ability for memories, rats, 34355
right vs left temporal lobectomy, spatial working memory, patients with epilepsy, England, 13150
role of cholinergic & glutaminergic cortical structures in synchronization in short term memory, monkeys, 34532
role of lexical priming in verbatim short-term sentence recall, college students, 25304
role of metacognition in working memory & comprehension & vocabulary, learning disabled vs average readers, 8378
role of setting information in cued recall of categorically related words, 7–11 yr olds, 29760
scopolamine & receptor specific muscarinic antagonists in dorsal medial prefrontal cortex, delayed conditional discrimination measure of short term memory, male rats, 25582
scopolamine, working & reference memory, 8 mo old rats, 8 mo followup, 570
secondary memory & task demands during encoding & encoding & rehearsal time, memory & forgetting, college students, 25305
selective CB1 cannabinoid receptor antagonist SR 141716, short-term olfactory memory in social recognition, adult & aged male rats & mice, 643
selective immunotoxic lesions of medial septal cholinergic cells, spatial working & reference memory, male rats, 11008
self-host discrimination & short-term memory, parasitic female wasps, 10887
serial position effects in auditory memory scanning task, auditory EPs & working memory, adults, 6709
shifts in spatial attention vs spatial orientation, rehearsal in spatial working memory, adults, 18004
short & long term memory functioning, adults with primary fibromyalgia vs major depression, Norway, 26353
short & long-term spatial memory, performance on T maze & 12-arm radial maze, male Ts65Dn mice, 21489
short term memory & working memory operations, reading proficiency, 13–15 yr olds with vs without learning disabilities, 19455
short term memory for printed words vs signs vs visuospatial stimuli & reading comprehension, deaf 23–67 yr olds, Australia, 4726
short-term spatial memory for rewarded location, foraging honeybees, 34374
short vs long term memory & lexical-semantic knowledge, word span performance, children with Williams syndrome, Italy, 1630
short vs long-term memory in recognition task, ERPs in amygdala vs hippocampus vs anterior vs posterior temporal lobe, patients with epilepsy, 8597
similarity in processing for olfactory & visual verbal recency & primacy, 17–36 yr olds, 41165
smoking & smoking deprivation, articulatory loop of working memory, adult smokers, 38079
somatic vs cognitive anxiety & self confidence, decrements in working memory vs enhanced perceptuomotor performance at 3 competitive levels, male 18–23 yr old varsity hockey players, 40641
spatial learning & working memory & psychomotor impairments in 8-arm radial maze, male normotensive vs spontaneously hypertensive rats, 6742
spatial working memory & strategy formation, 19–69 yr olds with frontal lobe excisions, 16358
stepwise selection of common battery of predictor tests from Armed Services Vocational Aptitude Battery & Enhanced Computer-Administered Test battery, maximum mean validity, armed services schools, 17578
strategies for short term memory retraining therapy, 13418
symbolically suggested rotations & reflections, coordination of control processes in visual working memory of matrix patterns of filled-in squares in grid vs between line drawings, college students, 28955
systemic vs intracerebral 8-OH-DPAT in median vs dorsal raphe nuclei vs dorsal hippocampus, spatial short term memory, male rats, 25625
task specific processing speed & working memory, long term memory, 20–90 yr olds, 11381
telecephalic ablation, short-term memory & attention, goldfish, 34567
temporal dynamics of short- & long-term facilitation of monosynaptic connection between tail sensory & motor neurons, adult aplasia, 18176
test battery performance parameters for potential test batteries from Enhanced Computer Administered Test battery & Armed Services Vocational Aptitude Battery, trainees in Army or Air Force or Navy, 17733
test retest relibility & practice effects of Enhanced Computer Administered Test battery, assessment of working memory & psychomotor ability & spatial perception, high school & junior college students, 17570
theoretical approaches to psychology of writing based on role of working memory, conference presentation, 34739
thyrotrophin-releasing hormone analog RX77368, working memory in delayed non-matching to position task, male rats with cholinergic lesions of septal-hippocampus, 18266
unilateral entorhinal cortex lesions, spatial ability & short term memory in Hebb–Williams maze, male rats, 21644
unilateral visual spatial imagery neglect, 67 yr old male ischemic stroke patient, case report, application of visual spatial working memory model, 26936

validity of Amsterdam Short Term Memory Test & Distraction Test, detection of feigned memory deficits, patients with closed head injury vs their healthy 1st degree relatives, 21114
verbal working memory load, regional brain activation, adults, 41333
visual delayed response test with vs without spatial condition, spatial working memory, adults with Parkinson's disease, 23456
voice extract length & variation, recognition & short & long term memory for familiar voices & words spoken, Ss, 28947
Wisconsin Card Sorting Test performance & auditory working memory measured by letter-number span, schizophrenic patients (mean age 34.4 yrs), 35597
working memory & inhibitory efficiency & attentional flexibility, predicting planning task performance, 65–97 yr olds, Germany, 29995
working memory & language comprehension, meta analysis, 17971
working memory & on-line sentence comprehension, 51–87 yr olds with dementia of the Alzheimer's type, Canada, 39566
working memory & reasoning & reading ability, 4th–6th graders, Netherlands, 22001
working memory capacity & knowledge access, text comprehension & reading speed, undergraduates, Canada, 14663
working memory capacity, implicit learning in problem solving, college students, 28973
working memory capacity, processing of high & low level macropropositions in summaries of expository passages, 9th graders, Finland, 24614
working memory capacity, speech rate effect on spoken sentence comprehension, 67–77 yr olds with Alzheimer's disease, 42838
working memory impairment & phonological loop dysfunction & cognition, normal 18–39 vs 60–80 yr olds vs 52–82 yr olds with dementia of Alzheimer's type, 12583
working memory performance on executive vs capacity tasks, children with autism vs with moderate learning difficulties, 8353
working memory, recall of visual stimulus-context associations, rats, 37819
working memory, sentence comprehension, children with specific language impairment, 12435
working memory span & main verb vs relative clause in syntactically ambiguous vs unambiguous sentences, on-line reading times & off-line sentence comprehension, 18–25 yr olds vs 63–84 yr olds, 34805
working memory task load, prospective memory, younger (mean age 19.6 yrs) vs older (mean age 70.9) adults, 41780
3-amino-1-hydroxypyrrolid-2-one, delta(9)-tetrahydrocannabinol-induced alteration in monoamine transmission & spatial working memory, male rats, 34668
5-HT lesions, regional levels of monoamines & metabolites & working memory & motor activity following muscarinic vs serotonergic vs nicotinic receptor antagonism, male rats, 29354
Short Term Potentiation [See Postactivation Potentials]
Short Term Psychotherapy [See Brief Psychotherapy]
Shyness [See Timidity]
Sibling Relations—Serials
age & social influences measured by number of peer & sibling & adult daily interactions, understanding of false belief task, 36–59 mo olds, Greece, 25760
birth order & sex & gender composition of sibling dyad, advice about life plans & personal problems & satisfaction with support & sibling influence, 16–19 yr olds with 13–23 yr old siblings, 25906
closeness & rivalry & power in sibling relationship, loneliness in late adolescence, college students, 25898
construction & psychometric properties of Social Interaction Between Siblings Interview, assessment of sibling role in antisocial behavior, 6–11 yr old males with delinquent older brother, 25035
emotional bonding with siblings in childhood & adolescence, complexities & sustaining nature & importance of late life sibling relations, elderly, 22161
emotional closeness & risk for substance use disorder, 16–63 yr old monozygotic vs dizygotic twins, 37945
experiences of subjective burden & stigma & fears & worries about future, siblings (mean age 45 yrs) of persons with mental illness, 30756
failed attempts to influence outcomes of children's conflicts, parents & 2–5 yr olds, Canada, 38574
family cohesion & characteristics & history of family member substance abuse treatment, likelihood of drug & alcohol use, high school students, 30313
family size & age spacing, sibling relationships & conflict, children, 3459
family values & family history, conflict & cooperation in transition to filial caregiver, working vs middle class adult sons vs daughters vs daughters-in-law caring for noninstitutionalized parents, 3623
genetics & environment, child–family interactions & sibling dyad relationships, 8–17 yr olds, 38537
maintenance of sibling relationships in child care placement, less than 5 to 12+ yr olds in foster & adoptive placements, Scotland, implications for social workers, 27694
nature of & individual differences in early adulthood sibling relationships, college students & their siblings aged 17 yrs & older, 35089
older sibling health risk behaviors & substance use outcome expectancies & consequences, substance use & health risk behaviors & expectancies of younger siblings, 13–17 yr old & 17–25 yr old siblings, 41699
parental treatment, social & emotional adjustment & problem behavior, biological vs nonbiological 10–18 yr old siblings of nondivorced vs remarried families, 18594
parents & older siblings as resources for young children's learning in the home, Mexican parents of 2–6 yr olds, 25777
perception of portrayal of family relationships & experience of children in domestic TV comedies from 1954 to 1994, college students, 18412
perceptions & attributions of parental behavior as moderator for association between parental differential treatment & sibling relationship quality, 11–13 yr olds & their siblings, 29887
perceptions about family of origin & relationships with parents & siblings, homeless 21–56 yr old females, 15401
role expectations for older brother or older sister or younger brother or younger sister, shared norms for sibling roles, young adults, 30144
sex & family size & educational level, stress & attitudes, 13–20 yr old siblings of children with autism or mental retardation or Down's syndrome, Turkey, 8356
sibling relationship qualities, childbearing attitudes & expectations & problem & sexual behaviors, 11–16 yr old females with 15–19 yr old pregnant or parenting sisters, 29866
sibling temperament ratings & parent—child relationship quality & family problem-solving behavior, sibling relationship quality, 4–9 & 6–11 yr old siblings, 3411
theoretical & clinical role of sibling vs parent-child transference & countertransference in family psychotherapy, 23767
Westermarck effect & parental injunction to marry & psychopathological consequences in M. Shelley's novel "Frankenstein" & personal experiences, 3298
Siblings [See Also Brothers, Sisters]—Serials
attentional deficits in continuous performance test with distractors, neuroleptic naive vs withdrawn schizophrenic patients & their siblings, 30969
autosomal dominant form of late onset hereditary sensory ataxic neuropathy in 2 generations, siblings, 16386
behavior & psychological distress & sense of self following sibling's bone marrow transplantation, 6–18 yr old donors vs nondonors, 43259
bereavement following death of a twin, parents & siblings, 30130
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary reply, letter, 22358

birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22364
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22370
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22385
birth rank & overrepresentation of all-female sibships, patients with anorexia or bulimia nervosa (mean age 23.9 yrs), UK, 31490
coping skills & needs & self-perceived strengths, 27–56 yr old offspring or siblings of persons with schizophrenia or bipolar disorder or major depression, 26398
emotions & reciprocity in relationships with close friend vs younger sibling, 1st born 5 yr olds, 18629
environmental predictors of differential personality development, adult monozygotic & dizygotic twins & same-sex nontwin siblings, 15720
expectation of completing high school & academic self-confidence & number of absences & retention, Mexican-American 3rd–5th grade siblings of high school dropouts vs persisters, 17195
exposure to siblings, ontogeny of antipredator behavior, paradise fish larvae, 29154
family functioning & parental problem drinking, alcohol use & misuse, 12–18 yr old adopted vs biological offspring, 16086
gender & composition of sibships & ordinal position, effects of social origins on educational attainment, adult siblings, 30142
genetics & environment, IQ, 4.01–26.41 yr old unrelated sibling dyads of same age, 33472
heritability & continuum vs categorical approaches to ADHD, 4–12 yr old twins & siblings, Australia, 35881
identification of backward mask, 17–46 yr old unaffected siblings of schizophrenic patients, 30978
impact of having gifted sibling, self perception & learning style, same vs opposite sex gifted 14–18 yr olds & their nongifted 11–21 yr old siblings, 7250
marital conflict, differential treatment of siblings, parents of 2.3–9.7 yr olds, 26059
multipoint sibling pair analysis of quantitative traits in behavioral genetics, conference presentation, 10908
multivariate multipoint linkage analysis of behavioral genetic data, sibling pairs, conference presentation, 10907
nature of & individual differences in early adulthood sibling relationships, college students & their siblings aged 17 yrs & older, 35089
omitted variable bias in study of relationships between intellectual skill & family environment & academic performance, adolescent siblings, 17181
ontogeny & phylogeny of sibling differentiation from Darwinian perspective, 18427
parental warmth & control, sibling differences in internalizing vs externalizing behavior, 1–11 yr old siblings & their mothers vs fathers, 11571
parenting style differences, depressive symptoms & antisocial behavior, 10–18 yr old monozygotic vs dizygotic twins vs full vs half vs unrelated siblings in stepfamilies, reprint, 30696
perceptions of generalization of parent–child interaction therapy treatment effects to untreated siblings, parents & their 3–6 yr olds with oppositional defiant disorder & their 2–16 yr old siblings, 36315
psychological variables & genetic liability to disorder, discrimination from schizophrenic patients, high risk 1st degree relatives of schizophrenics, 19185
P300 latency & amplitudes of ERPs, male siblings with 2 or more 1st degree alcoholic relatives with vs without early onset alcohol dependence, 19355
resemblance of psychotic symptoms & syndromes, sibling pairs from high-density schizophrenia families concordant for schizophrenia or nonaffective psychoses, Ireland & Northern Ireland, 22845
risk factors & coping strategies, 8–16 yr old siblings of children with cancer, 8544
sex & birth order & severity of patient's illness, behavioral & emotional & affective symptoms & positive changes, adjustment after diagnosis of cancer in sibling, 4-18 yr olds, 8537
sex, age at onset, families with male &/vs female sibling pairs with schizophrenia or chronic schizoaffective disorder, Germany, 1268
sibling behavioral/emotional adaptation & maternal well-being & health problems & help-seeking & resource use & perceived satisfaction with support, mothers & siblings of children with cancer, 42764
social cognitions about sibling vs peer expected vs prescribed behavior in role as bystander of aggressive act, male vs female 4th vs 6th vs 8th graders, 15255
temperament & psychopathology, 8–17 yr old siblings of probands with depressive & anxiety disorders, 7849
type & number of siblings & birth order, manic depressive tendencies & past suicidal ideation & attempts, college students., 30651
Wilsonian Method of concept analysis of bereavement at death of sibling, literature review, 41879

Sick Leave [See Employee Leave Benefits]

Sickle Cell Disease—Serials

active coping strategies, tendency to report pain, 8–17 yr olds with sickle cell disease, 43235
benefits & challenges to implementation of manual-based & psychoeducational & culturally sensitive family intervention, families of children with sickle cell disease, 27259
child perception & control feelings depicted by self drawings, life effects & cognitive ability & emotional state, 5–13 yr olds with sickle cell disease, 23290
ecological theory of similarities & differences in mutual assistance support groups, 19–68 yr old African Americans with sickle cell disease, 9220
homozygous sickle cell disease, psychiatric complications, 18–20 yr olds, Jamaica, 35977
neuropsychological & cognitive ability, 17 yr olds & older with sickle cell disease without history of stroke, 4563
pre & post stroke MRI & neuropsychological studies, 11-yr-old female with sickle cell disease, case report, 16259
psychological adjustment & intellectual ability & family functioning, 6–16 yr olds of African & Afro-Caribbean origin with sickle cell disease, England, meta analysis, 12471
social functioning & peer relations & internalizing & externalizing behaviors, African American 4–17 yr olds with sickle cell disease, 4559
upward vs downward self-evaluation style when experiencing chronic pain, depressive affect & coping, 18–51 yr old African American patients with sickle cell disease, 42718

Side Effects (Drug) [See Also Drug Addiction, Drug Dependency, Drug Sensitivity]—Serials

abuse of & normal use of dextromethorphan based cough syrups with vs without guaifenesin, 35 yr old female with bipolar disorder, commentary, case report, 31296
abuse of & normal use of dextromethorphan based cough syrups with vs without guaifenesin, 35 yr old female with bipolar disorder, commentary reply, case report, 31332
abuse potential of & dependence on & withdrawal from & side effects of & guidelines for use of benzodiazepines for panic & anxiety & disturbed sleep, clinicians, 23924
addictive effect & complications from methylphenidate & imipramine & resulting blood dyscrasia & plasma drug levels, 10.2 yr old male with ADHD, case report, letter, commentary, 9110
adverse allergic cross reactions between clozapine & chlorpromazine, HIV positive 36-yr-old psychotic male with alcohol binges & auditory hallucinations & confusion, case report, letter, 23918
adverse effects of combined lithium & ECT, 20–80 yr old psychiatric patients, 8 yr retrospective case control study, 4742
adverse events & overall safety profile of fluvoxamine, depressed 65–97 yr old patients, 16665
adverse reactions to clonidine, 8 & 10 yr olds with ADHD, case reports, 27396

age & clozapine dosages, symptom alleviation & side effects, 68–83 yr olds with schizophrenia or psychotic symptoms refractory to typical neuroleptic therapy, commentary, letter, 32414
akathisia & parkinsonism during risperidone treatment & after discontinuation, 69 yr old female with acute schizophrenia, case report, letter, 23923
alopecia & mood stabilizer therapy, 34 yr old divorced Caucasian female with mania, case report, 32470
alprazolam, hyperprolactinemia, 26 & 45 yr old females with panic disorder, case report, 19974
amantadine, agoraphobic symptoms with panic attacks, 38 yr old male with Parkinson's disease, case report, letter, 5075
amantadine hydrochloride & neuroleptics, extrapyramidal symptoms & psychosis, 48–83 yr old inpatients with tardive dyskinesia, Canada, 32340
angiotensin converting enzyme inhibitors or beta or calcium channel or histamine blockers or corticosteroids or sedative hypnotics, development of depressive symptoms, medical inpatients, Canada, 27571
antidepressant drug treatment, mortality rate, 15–75+ yr olds, 9 yr study, Sweden, 32359
antidepressant treatment-emergent manic symptoms, 19–60 yr olds with obsessive compulsive disorder, case reports, 12938
antidepressive efficacy & safety & side effects of mianserin vs amitriptyline, inpatients with major depression, 5073
antipsychotic drug therapy, extrapyramidal side effects of tardive dyskinesia & akathisia & parkinsonism, schizophrenic patients with nonfunctional CYP2D6 alleles, Scotland, 39786
antipsychotic drug therapy, levels of visual acuity & toxic side effects, adult inpatients with chronic schizophrenia, 39839
antipsychotic efficacy & anxiolysis & extrapyramidal side effects of potential antipsychotic 1192U90, mice & rats & pigeons, implications for schizophrenia, 3269
artesunate, ataxia & slurred speech, 36 yr old male with malaria, 32706
atypical antipsychotic ICI 204,636, affinity for dopamine & 5-HT receptor binding & prolactin elevation & catalepsy & other behaviors & dystonia & extrapyramidal side effects lability, rodents, 6922
behavioral & extrapyramidal side effects of sertindole vs haloperidol vs clozapine or risperidone, monkeys, 3200
benefits & adverse effects of lithium treatment, patients with acute mania or bipolar disorder or major depression, 43165
benefits & adverse effects of lithium treatment, patients with acute mania or bipolar disorder or major depression, commentary, 43125
benztropine, venlafaxine induced sweating, 48 yr old female with major depression, case report, 36444
bromacriptine & pseudoephedrine induced psychosis, 21 yr old postpartum female, case report, 43176
buprenorphine withdrawal, development of Koro attacks, 38 yr old male addicted to buprenorphine, India, case report, letter, 12213
bupropion induced dyskinesia, 70 yr old female with bipolar disorder, 36445
bupropion, selective serotonin reuptake inhibitor induced fatigue, 46, 47, & 50 yr olds, case reports, 36452
carbamazepine & haloperidol, EKG QTc prolongation, 35–80 yr olds with schizophrenia & without heart disease, Japan, retrospective study, 19944
cardiovascular side effects of tricyclic antidepressants, children & adolescents with psychiatric disorders, literature review, 27467
carisoprodol, neuropsychological test performance as measure of cognitive function, 19–23 yr old males, 41540
carnitine, valproic acid induced hyperammonemia, 24 yr old borderline personality disorder patient & 38 yr old bipolar patient, case report, 43175
centrally mediated adverse CNS effects of beta-adrenoceptor blockers, literature review, 19936
chlorpromazine, development of obsessive-compulsive symptoms, 27 yr old female with mild mental retardation & schizophrenia & 39 yr old male with moderate mental retardation, case reports, letter, 12980
chlorpromazine, serotonin syndrome, female with depressive illness, case report, 32420
cholecystokinin type B antagonist LY288513 vs diazepam, behavioral & electrophysiological & clinical profiles, male mice & rats, implications for treatment of anxiety-related disorders, 11146
chronic lithium, basal & stress- & muscarinic- & pilocarpine- & haloperidol-induced c-†i fos †n mRNA expression, male rats, 34685
chronic lithium pretreatment with vs without SCH 23390 or sulpiride, bromocriptine dose related effect on penile erection, male rats, 7068
chronic vs acute prednisone, hippocampal dependent explicit vs hippocampal independent implicit memory, 22–73 yr olds with non-CNS related disease, 20086
cisapride, relief from nausea elicited by venlafaxine, 28–60 yr olds with treatment refractory recurrent major depression, 9151
citalopram, neuroendocrine & 5-HT function measured by rectal temperature & heart rate & side effects & secretion of prolactin & cortisol & growth hormone, 22–29 yr old males, Switzerland, 3273
citalopram treatment, 48 yr old male patient with salbutamol-induced panic disorder, case report, 43178
citalopram vs dothiepin, cognitive & psychomotor function, adults (mean age 29.3 yrs), 34650
clinical differentation of neuroleptic malignant syndrome vs catatonia, commentary reply, 36438
clinical differentiation of catatonia vs neuroleptic malignant syndrome, commentary reply, 36521
clinical differentiation of lethal catatonia vs neuroletpic malignant syndrome, commentary, 36426
clinical efficacy & safety of low vs high dose selegiline vs placebo, adults with ADHD, 32403
clinical efficacy & side effects & advantages & disadvantages & effects on quality of life & work productivity, benzodiazepine treatment, patients with panic disorder, 27400
clinical efficacy & side effects of pindolol & methylphenidate, 7–13 yr olds with ADHD, Netherlands, 9045
clinical efficacy & side effects of risperidone, 8–17 yr olds with developmental disorders, 8–15 mo followup, 27418
clomiphene induced psychosis, 25 yr old male & 27 yr old female patients with no previous psychiatric history, case report, 43258
clomipramine, adverse effects & movement disorders & compulsions, 6 & 9 yr old males with autistic disorder & mental retardation, letter, 43119
clomipramine, syndrome of inappropriate antidiuretic hormone, 80 yr old female with depression, case report, 39841
clonidine & development of major depressive episode, 8-yr-old autistic male, case report, letter, 32705
clothiapine, development of obsessive compulsive symptoms, 8 yr old schizophrenic male, case report, commentary reply, letter, 9164
clothiapine, development of obsessive compulsive symptoms, 8 yr old schizophrenic male, case report, commentary, letter, 9116
clozapine & cephalexin & cellulitus & eosinophilia & unilateral pleural effusion, 37-yr-old male with schizoaffective disorder depressed type, 36427
clozapine & clonazepam, tardive dystonia, 28 yr old female with schizophrenia, case report, 5098
clozapine & ephedrine, urinary incontinence, 27–72 yr old inpatients with schizophrenia or schizoaffective disorder, 32416
clozapine & onset or exacerbation of preexisting diabetes mellitus, 32–51 yr old males with paranoid or treatment refractory schizophrenia or schizoaffective disorder, 32501
clozapine, agranulocytosis, patients with schizophrenia & other psychosis, 27407
clozapine, development of agranulocytosis, 74 yr old female with schizophrenia, case report, letter, 32408

clozapine, drug induced tardive dystonia, male patients with schizoaffective disorder treated with neuroleptics, letter, 12927
clozapine efficacy & side effect profiles, 32–83 yr olds with neurological disorders, 5183
clozapine, emergence of obsessive compulsive symptoms, psychiatric inpatients, commentary, letter, 1839
clozapine, eosinophilia & agranulocytosis, 37 yr old male with schizophrenia, case report, letter, 36408
clozapine, hypersalivation, 23–60 yr olds with schizophrenia, 4988
clozapine induced decline in neutrophil count, development of eosinophilia, male 44 yr old with chronic schizophrenia & tardive dyskinesia, letter, 5019
clozapine induced myoclonus, 26–62 yr olds with schizophrenia or sleep disturbances & anxiety or psychotic depression, commentary on case reports, letter, 36464
clozapine induced myoclonus, 26–62 yr olds with schizophrenia or sleep disturbances & anxiety or psychotic depression, commentary reply on case reports, letter, 36414
clozapine induced urinary urgency &/or enuresis & treatment with oxybutynin or intranasal desmopressin, patients with refractory psychotic disorders, letter, 5015
clozapine, Levodopa-induced psychosis symptoms, patients (mean age 74.3 yrs) with Parkinson's disease, 39849
clozapine, sialorrhea & aspiration pneumonia, 50 yr old inpatient female with schizophrenia, case report, 27423
clozapine tapering, acute brain syndrome, male 34 yr old with schizoaffective disorder treated with lithium & clozapine, case report, 5029
clozapine, transient swelling of left submandibular salivary gland, male 44 yr old with schizophrenia, case report, letter, 27462
clozapine treatment & incidence of agranulocytosis & neutropenia & associated risk factors, 9–91 yr olds, 4.5 yr study, United Kingdom & Ireland, 32347
clozapine treatment, induction of hypertension, male 34 yr old with paranoid schizophrenia, case report, letter, 12972
clozapine, 25 yr old female with bromocriptine-induced psychosis, case report, 32336
combined deprenyl & antidepressant treatment , frequency of serotonin syndrome, patients with Parkinson's disease, 36624
combined paroxetine & haloperidol, development of extrapyramidal symptoms, 69 yr old female with recurrent major depressive disorder, case report, letter, 4983
combined risperidone & selective serotonin reuptake inhibitor induced enuresis, 10–14 yr old psychiatric patients, letter, 9163
combined vigabatrin & lamotrigine, seizure control & side effects, patients with intractable epilepsy, 32716
conjunctive low dose nefazodone & role inhibition of cytochrome P450, 45 yr old female with chronic alprazolam interdose dysphoria, case report, commentary reply, 43149
conjunctive low dose nefazodone & role inhibition of cytochrome P450, 45 yr old female with chronic alprazolam interdose dysphoria, case report, commentary, 43131
conjunctive low dose nefazodone & role of inhibition of cytochrome P450, female 45 yr old with chronic alprazolam interdose dysphoria, case report, letter, 12987
consultation-liaison intervention services, costs & adverse drug reactions & hospitalizations, patients with medical illness & psychiatric comorbidity, research review, 13241
correlation of electrophysiological & sleep stage effects of psychoactive substances, framework for analysis of expected sleep/dream & side effects of CNS agents, 11181
cyclobenzaprine, development of neuroleptic malignant syndrome, male patient, commentary on case report, implications for diagnosis of lethal catatonia, commentary reply, 9160
cyclobenzaprine, development of neuroleptic malignant syndrome, male patient, commentary on case report, implications for diagnosis of lethal catatonia, commentary, 9065
cytochrome P450 enzymes in metabolism of antidepressants & neuroleptics & benzodiazepines & alkaloids & adverse effects with selective serotonin reuptake inhibitors, 7094
cytochrome P450 enzymes in metabolism of antidepressants & neuroleptics & benzodiazepines & alkaloids & implications for adverse effects with selective serotonin reuptake inhibitors, commentary, 21821
cytokines, clozapine-induced agranulocytosis, 41 yr old male with schizophrenia, 1806
daily vs alternate day lithium dosing in maintenance therapy, side effects & serum concentration, manic depressive 21–48 yr olds, 5038
delirium induced by lithum with risperidone, 69 yr old female with chronic obstructive pulmonary & bipolar disorders, case report, 12953
depot neuroleptic medication, extrapyramidal side effects, 46 yr old female with paranoid schizophrenia, case report, 43182
depot neuroleptic treatment, plasma levels & clinical symptoms & side effects, 28–77 yr old psychiatric outpatients, 3 yr longitudinal study, 32569
depression as a drug side effect, hospital patients with vs without depressive disorders, Canada, 30896
desensitization to carbamazepine induced skin rash, 38 yr old female with bipolar affective disorder, case report, 12946
desipramine & fluoxetine treatment during infancy, number & type of leukocytes in CSF, adolescent rhesus monkeys, 29522
desipramine or imipramine antidepressant treatment, EKGs, 8–17 yr old child psychiatry patients, Canada, 5041
desmopressin induced ADHD & pseudohallucinations, male 5 yr old & female 7.9 yr old with primary nocturnal enuresis, case reports, letter, 9292
detecting adverse effects of carbamazepine or valproate in epilepsy treatment, passive vs routine checking strategies of neurologists, 43253
development of akathisia induced by sertraline, 28 & 29 & 54 & 61 yr old females with mental disorders, case report, 32487
development of carbamazepine hypersensitivity, psychotic 13 yr old Hispanic female with suicidal & homicidal ideation, case report, letter, erratum, 12936
development of clozapine & other new antipsychotics with few or no extrapyramidal effects & risk factors of patient & drug & temporal characteristics in clinical trials & nonhuman primate models, 6847
development of ketoacidosis following clozapine treatment, 50 yr old male with schizophrenia, case report, letter, 39829
development of neuroleptic malignant syndrome during clozapine therapy, 49 yr old male, case report, commentary reply, 43123
development of neuroleptic malignant syndrome during clozapine therapy, 49 yr old male, case report, commentary, 43156
development of neuroleptic malignant syndrome during clozapine therapy, 49 yr old male, case report, 32374
development of Pisa syndrome during antidepressant therapy, 58 yr old male, Japan, case report, 32560
dietary phenylalanine challenge, tardive dyskinesia symptoms & involuntary movements & recall memory & plasma phenylalanine, schizophrenic 28–65 yr old males with tardive dyskinesia, 26509
digoxin & angiotensin converting enzyme inhibitors & beta-blockers & calcium channel blockers, depressive disorder, hospitalized patients with congestive heart failure or hypertension, Canada, 27572
divalproex sodium for behavioral management, cognitive status, 63–74 yr old patients with dementia, 32511
dose dependent clozapine induced myoclonus of interossei & facial muscles, male 26 & 42 yr olds with schizophrenia, case reports, letter, 12933
dose-response for efficacy & adverse effects of olanzapine, patients with schizophrenia, 32483
drug craving & affective symptoms after abrupt substitution of nefazodone for other serotonergic drugs, adults, case report, letter, 23870
drug-induced hepatitis & assessment of liver function before & during disulfiram therapy, letter, 13148

drug safety monitoring of fluoxetine, 14–94 yr olds with mental disorders, England, 6 mo followup, 36434
early side effects, subsequent therapeutic response to clomipramine, patients with obsessive compulsive disorder, 12926
ECT, drug induced tardive dystonia & parkinsonism & depression & panic attacks, 44 yr old schizophrenic female, case report, 32727
ECT pretreatment with vecuronium, thiopentone & suxamethonium induced pain in upper chest & shoulders & neck for 24 hrs, depressed female 19 yr old, case report, letter, 9181
effectiveness & side effects in treatment of depression & panic disorders & obsessive compulsive disorder, serotonin vs noradrenaline reuptake inhibitors, conference presentation, 9053
efficaciousness & adverse effects of valproate, 63-85 yr olds with affective disorder, 1826
efficacy & adverse effects of clozapine, psychotic elderly, commentary, letter, 13043
efficacy & dose dependent adverse effects of clozapine, elderly with psychosis & agitation, commentary, letter, 13017
efficacy & safety & tolerability of fluvoxamine vs fluoxetine, 21–61 yr old depressed outpatients, 32508
efficacy & safety & tolerability of nefazodone vs paroxetine, 19–74 yr olds with moderate–severe nonpsychotic major depression, UK & Ireland, 12931
efficacy & safety of acamprosate, 18–65 yr old detoxified alcoholics, Belgium & France, 90-day followup, 40176
efficacy & safety of ICI 204,636, 18–60 yr olds with chronic or subchronic schizophrenia, 12943
efficacy & safety of low vs high dose of gepirone-extended release vs placebo, 17–77 yr old outpatients with major depressive disorder, 32587
efficacy & safety of mianserin, depression, females with breast cancer, 32572
efficacy & safety of paroxetine vs clomipramine, 16–70 yr olds with obsessive compulsive disorder, 31133
efficacy & safety of remoxipride, 15–18 yr olds with Tourette's syndrome, 9250
efficacy & safety of sertraline vs imipramine, 25–65 yr olds with primary dysthymia, 9159
efficacy & safety of varying doses of olanzapine, 18–65 yr olds with schizophrenia, 4987
efficacy & safety of varying doses of sertindole, 20–66 yr olds with schizophrenia, 5117
efficacy & side effects & safety of paroxetine vs maprotiline, 18–65 yr olds with major depression, Switzerland, 16653
efficacy & side effects of atypical antipsychotic olanzapine, patients with schizophrenia, 43196
efficacy & side effects of buspirone vs lorazepam, outpatients with anxiety disorders, 4 yr followup, 5095
efficacy & side effects of traditional vs newer antipsychotic drugs, schizophrenia & psychotic symptoms, 32562
efficacy & tolerability & safety of nefazodone, 18–91 yr olds with depression, 13036
efficacy & tolerability of besipirdine during 3 mo of treatment vs after 3 mo withdrawal, 49–91 yr olds with Alzheimer's disease, differentiation of neuroprotective vs symptomatic efficacy, 20081
efficacy & tolerability of nefazodone vs sertraline & effects on sexual function & satisfaction, 22–73 yr olds with single or recurrent nonpsychotic major depression, 12964
efficacy & tolerability of tacrine, 82–105 yr old nursing home residents with Alzheimer's disease, letter, 27580
efficacy & tolerability of ucb L059 add-on therapy, 24–71 yr olds with refractory epilepsy, 9288
efficacy of conventional serotonin reuptake inhibitors vs selective noradrenaline reuptake inhibitors & reboxetine in terms of adverse effects & tolerance in major depression, 39823
efficacy of fluoxetine & side effects, elderly outpatients with dysthymic disorder, 1844
efficacy of reboxetine vs trycyclic antidepressants in terms of side effects & psychomotor functions in major depression, 38114
emergence of parkinsonian syndrome as adverse interaction of tacrine & haloperidol, 72-yr-old female with psychosis, case report, letter, 13006
emergence of psychotic symptoms during treatment with sertraline, 29–70 yr old male psychiatric patients, case report, 36493
excessive weight gain during risperidone treatment, male 17 & female 15 yr olds with schizophrenia, case report, letter, 1846
experience or fear of intolerable side effects & effectiveness of medication, discontinuation of haloperidol, 10–47 yr olds with Tourette's disorder, implications for medication psychoeducation, 1941
extrapyramidal & other side effects of clozapine vs perphenazine or flupenthixol or zuclopentixol, 21–68 yr olds with schizophrenia, 5083
extrapyramidal side effects from medication change from clozapine to haloperidol, 31 yr old male with long-standing schizophrenia, case report, 39789
famotidine pharmacokinetics & induced delirium, hospitalized 67–76 yr olds with neuropsychiatric disturbances & stress ulcers, 13146
fenfluramine & phentermine induced psychotic mania, 45 yr old obese female with severe anergic major depression, case report, letter, 32507
fluoroquinolone inhibition of clozapine metabolism, 72-yr-old male with multi-infarct dementia and behavioral disturbances, case report, letter, 43161
fluoxetine & clomipramine, tachycardia & other cardiac side effects, 83 yr old female with depression, case report, 12930
fluoxetine addition to pimozide & benztropine treatment, development of galactorrhoea, 15 yr old female with psychotic symptoms & convulsions, letter, 12928
fluoxetine, co-occurring exercise induced orgasms & difficulty achieving orgasm during intercourse, 50-yr-old female with depression, case report, letter, 32402
fluoxetine, extrapyramidal system, 12 yr old female with major depression & panic disorder & history of cannabis & amphetamine abuse, letter, 9095
fluoxetine induced anorexia, 25 yr old female with bulimia & antecedents of anorexia nervosa, commentary reply on case report, letter, 36525
fluoxetine induced anorexia, 25 yr old female with bulimia & antecedents of anorexia nervosa, commentary on case report, letter, 36499
fluoxetine induced hyponatremia & inappropriate secretion of antidiuretic hormone, 84 yr old female with depression, letter, 27448
fluoxetine induced syndrome of inappropriate secretion of antidiuretic hormone, depressed elderly patients, commentary, letter, 4998
fluoxetine induced syndrome of inappropriate secretion of antidiuretic hormone, depressed 74–89 yr olds, 4997
fluoxetine, induction of Raynaud's phenomenon, female 54 yr old with bipolar disorder, case report, 36497
fluoxetine related lingual dyskinesia, patient with tardive dyskinesia, commentary with reply included, letter, 32449
fluoxetine, suicidal ideation & muscle aches, 72 yr old Chinese male with poststroke depression, case report, 27432
fluoxetine vs sertraline treatment, development of paresthesias & alopecia, 36 yr old female with dysthymia, case report, letter, 16616
fluvoxamine induced akathisia & response to propranolol & trihexiphenidyl, male 38 yr old with obsessive compulsive disorder & kleptomania, case report, letter, 13059
fluvoxamine induced dose dependent increases in clozapine plasma concentration, 32 yr old female with schizophrenia & bulimia & obsessive compulsive disorder, case study, letter, 27434
fluvoxamine, total serum cholesterol, 19–54 yr old obese females in behaviorally oriented weight reduction treatment, 5006
fluvoxamine vs paroxetine, depressive symptoms & side effects, 25–60 yr old outpatients with major depression, 7 wk study, 36463

frequency & medications & reasons for & incidence of side effects for iv sedation, adult involuntary psychiatric inpatients, Australia, 39826
frequency & severity of side effects of tricyclic antidepressants vs serotonin selective reuptake inhibitors vs nefazodone, depressed patients, 12997
ganciclovir induced psychosis, 43 yr old male with HIV, 27559
glycine & glycyldodecylamide, phencyclidine & amphetamine induced hyperactivity, rats, 41472
granulocyte colony-stimulating factor treatment, clozapine-induced agranulocytosis, 44-yr-old male with schizophrenia, case report, letter, 13027
gynecomastia following antipsychotics, 13 yr old male with manic symptoms & psychotic thinking, case report, letter, 32555
haloperidol, phentermine-induced affective psychosis, 32 yr old female with family history of affective disorders, case report, 26654
haloperidol, time dependent changes of serum soluble interleukin-2 receptors, male schizophrenic 19–41 yr olds, 1830
heterocyclic antidepressants, manic episodes & cycle acceleration, patients with treatment refractory bipolar disorder, commentary, 13048
heterocyclic antidepressants, manic episodes & cycle acceleration, patients with treatment refractory bipolar disorder, commentary, letter, 12969
heterogeneity of therapeutic efficacy & pharmacology & side effects of fluoxetine & sertraline & paroxetine, literature review, 27447
history & major types & effectiveness & side effects of antipsychotic drugs, effectiveness of olanzapine compared with other antipsychotic drugs, 43162
hyponatremia during treatment with clomipramine or perphenazine or clozapine, adults with mental disorders, letter, 32549
ICI 204,636 vs clozapine, paw test & amphetamine-induced social isolation, rats & monkeys, 21840
illness & treatment & other risk factors for hypothermia, male schizoaffective 34 yr old inpatient, implications for link between hypothermia & antipsychotics & sudden death, 22869
imipramine, diarrhea, 32-yr-old HIV-infected male with chronic hepatitis B hospitalized for depressive episode with suicidal intentionality, 39811
imipramine induced subfulminant hepatic failure, male 48 yr old with panic attacks, case report, 9089
imipramine, thioridazine induced orgasmic disorder, males with schizophrenia, 19919
incidence of & risk factors for visual hallucinations induced by erythropoietin treatment for anemia, dialysis patients, 32720
informed consent, responsible neuroleptic treatment decision-making, patients with schizophrenia, 2 yr followup, 9099
inhaled beclomethasone dipropionate-induced psychotic reaction, 14 yr old male with allergic bronchial asthma, 43266
initial paroxetine followed by sertraline, galactorrhea, depressed female 40 yr old, case report, letter, 13001
interactions of fenfluramine with psychotropic & antidepressant medications, 55 yr old female with generalized anxiety disorder, case report, letter, 23882
Interferon Alfa-n3, neuropsychological & neuropsychiatric side effects, 22–52 yr olds with asymptomatic HIV-1, 5204
issues in antidepressant medication effects on sexual function, 9079
ketamine anesthesia with ECT, EEG seizure length & heart rate & BP & psychological reactions, 39–71 yr olds, 27489
l-tryptophan augmentation of light therapy, treatment response & side effects, 26–52 yr olds with seasonal affective disorder, 31968
lamotrigine, development of cognitive impairment, 69 yr old female with history of epilepsy & alcohol induced dementia, case report, letter, 36611
leukocyte associated blood dyscrasias of eosinophilia & neutropenia, patients treated with clozapine vs haloperidol, 32338
levodopa induced psychosis & dyskinesias, elderly with Parkinson's disease, conference presentation, 32713
lithium &/vs neuroleptic induced tardive dyskinesia & parkinsonism & other extrapyramidal symptoms, 20–68 yr olds with bipolar disorder vs major depression vs atypical affective disorder, Canada, 5021
lithium induced neurotoxicity & extrapyramidal symptoms at serum lithium levels within therapeutic range, 73 yr old female with bipolar disorder, case report, 32345
lithium induced photophobia, female 45 yr old with mixed bipolar disorder, case report, 5087
lithium therapy, prednisolone induced depression, female 24 yr old with systemic lupus erythematosus & female 66 yr old with polyarteritis nodosa, 36520
lithium vs divalproex sodium replacement treatment, cognitive & functional impairment, 25–55 yr old bipolar patients, 5109
lithium with vs without divalproex sodium, chance of relapse or recurrence & side effects & need for adjunctive medication, 30–65 yr old patients with bipolar I disorder, 1 yr study, 32547
long term efficacy & side effects of & headache recurrence following sumatriptan, migraine patients, Netherlands, 2 yr review, 13178
long-term risperidone use, hepatotoxicity, 6–18 yr olds with schizophrenia, 36468
long-term tetrabenazine, safety & efficacy in drug therapy, patients with hyperkinetic movement disorders (mean age 42.4 yrs), followup study, 32702
lorazepam, psychomotor & cognitive function & ERP P300 wave latency & amplitude, healthy 21–36 yr olds, 11188
lorazepam, visual acuity & accommodation & oculomotor balance & perceptual integration of visual forms, healthy 20–30 yr olds, France, 3216
low-dose thioridazine induced retinopathy, 52 yr old male with schizophrenia, case report, 13062
manic symptoms associated with risperidone, 42–47 yr old males, 13045
mathematical models of relationship between antipsychotic drug dosages & likelihood of response & side effects, 32475
medical complications associated with clozapine & risperidone, patients, 32570
metabolic ratios of dextromethorphan/dextrorphan & haloperidol disposition & incidence of extrapyramidal side effects, patients with schizophrenia, China, 36470
methodological issues in studies of residual sedative effects of zopiclone on psychomotor performance, Ss with vs without insomnia, research review, 1982–90, conference presentation, 5208
methylene blue & 7-nitroindazole & nitric oxide stimulation guanylate cyclase activity, MK-801 elicited popping, mice, animal model of schizophrenia, 6869
methylphenidate & selective serotonin reuptake inhibitor induced sexual side effects, patients with depression, commentary, letter, 32519
methylphenidate & selective serotonin reuptake inhibitor induced sexual side effects, patients with depression, commentary reply, letter, 32553
methylphenidate, clozapine associated sedation, 45 yr old male with schizoaffective disorder depressed type, case report, 13016
methylphenidate, development of euphoria, 11 yr old male with hyperkinetic disorder, case report, letter, 27553
methylphenidate, suppression of T-helper/inducer cells & hypergammaglobulinemia & aggravation of allergies & other atropic diseases, mice & 7–14 yr old males with ADHD, 43114
methylprednisolone or fluocortolone, development of neuropsychological symptoms & psychopathology, patients with ocular diseases, Germany, prospective study, 9275
metoclopramide induced depression with delusions, 85 yr old male, case report, 24028
metronidazole induced psychotic disorder, 26 yr old female patient, case report, 43263
mirtazapine, serotonin syndrome, depressed female 30 & 70 yr olds, case reports, 9085
movement disorders & serotonin selective reuptake inhibitors, review of case reports, 23899

myo-inositol vs forskolin, reversal of enhancement of serotonin syndrome by lithium, rats, 6952
nefazodone &/or sodium tetradecyl sulfate & leukopenia & fever & shaking chills, 45-yr-old female with premenstrual dysphoric disorder, case report, 36440
nefazodone, development of visual symptoms, female 22 yr old with major depression, case report, letter, 12995
nefazodone induced akathisia, 64-yr-old male with major depression, case report, 32400
nefazodone induced mania, 55 yr old female with recurrent depression, case report, letter, 32398
nefazodone, sertraline-induced anorgasmia, 31 yr old male with severe major depression, case report, letter, 32515
nefazodone, visual trails side effect, depressed female 54 yr old, case report, letter, 39795
nefazodone vs trazadone, priapism, 51 yr old male with major depression, case report, letter, 32491
neurochemistry & addiction & common pathways & individual factors in drug abuse & addiction treatment, 42534
neuroleptic discontinuation & subsequent clozapine, course of tardive dystonia &/or tardive dyskinesia, chronic psychiatric patients, followup study, 5116
neuroleptic drug therapy, galactorrhea & hyperprolactinemia, female schizophrenic patients (mean age 32.3 yrs), Germany, 19980
neuroleptic malignant syndrome paradigm & clinical spectrum of neurotoxicity induced by lithium alone vs lithium-haloperidol vs lithium-nonhaloperidol neuroleptic groups, 32423
neuroleptic treatment, depressive symptoms, acute schizophrenic & schizoaffective patients with different haloperidol plasma levels, 3 wk followup, 43153
neuropsychiatric side effects of felbamate & methodological confounds, adults with refractory seizure disorders, commentary reply, 20093
neuropsychiatric side effects of felbamate, 23–55 yr olds with refractory seizure disorders, commentary, 20087
neuropsychiatric side effects of felbamate, 23–55 yr olds with refractory seizure disorders, 1936
nicotine dose & gum vs 1 vs 2 transdermal 16 vs 24 hr patches vs polcrilex, withdrawal symptoms & side effects during intermittent abstinence, tobacco smokers (mean age 35 yrs), 20322
nitric oxide, haloperidol induced supersensitivity to cocaine, rats, 32503
NK3 tachykinin agonist senktide & mediation by 5-HT antagonist ritanserin, wet dog & head shakes, Sardinian alcohol preferring vs Wistar rats, 18278
nortriptyline, serum nortriptyline & 10-hydroxy-metabolite levels & anticholinergic side effects, depressed 62-88 yr olds, 9098
olanzapine, dopminomimetic psychosis, patients (mean age 66.5 yrs) with Parkinson's disease, 27579
ondansetron instead of cisapride, relief from nausea & gastrointestinal upset caused by fluvoxamine, adults, commentary, 32383
onset of mania following hormone replacement therapy, 85 yr old female with osteoporosis & mild seasonal depressive symptoms, 32595
oral glycine, serum glycine & adverse effects & neuroleptic levels for haloperidol & clozapine, schizophrenic patients, 1837
paclitaxel induced transient self resolving encephalopathy, 54 & 72 yr old females with breast cancer, case reports, 24048
parameters for grading & differentiation between neurophysiological & neuropsychological side effects of increasing doses of carbamazepine treatment, patients wiht trigeminal neuralgia, 43254
parotid gland swelling with clozapine, 41 yr old male with paranoid schizophrenia, England, case report, letter, 23913
paroxetine & benztropine & other drug combinations, delirium like symptoms & dry mouth & nausea, mentally retarded 17 yr old male with manic depression & grand mal seizures, case report, letter, 32341
paroxetine & paroxetine & lithium, serotonin syndrome, 59 & 61 yr old females, case study, 39840
paroxetine, chorea, 42 yr old female with depression, case report, letter, 36442
paroxetine, development of acute angle closure glaucoma, 70-yr-old woman with symptoms of major depression, case report, letter, 32452
paroxetine dose, efficacy & side-effects, 14–18 yr olds with mild intellectual disability & major depressive disorder, 9-wk study, Italy, 39818
paroxetine effectiveness & side effect of increased spasticity, female 24 & 30 yr olds with mixed cerebral palsy & depression, case reports, letter, 1853
paroxetine induced akathisia, female depressed 18 yr old, case report, 1801
paroxetine induced akathisia, female 40 yr old with obsessive compulsive & panic disorder, case report, letter, 9136
paroxetine induced angioedema & tongue swelling, 64 yr old female with depression & panic disorder, case report, letter, 23910
paroxetine-induced mania, 14 yr old female with mild depression, case report, letter, 27416
paroxetine induced mania, 16 yr old female diagnosed with recurrent major depression, case report, 36489
paroxetine induced tardive dyskinesia, female 81 yr old nursing home residents with major depression, case reports, letter, 1802
paroxetine level in breast milk, effects on infant during lactation period, female 39 yr old with recurrent depressive & obsessive disorder who resumed treatment 3 days after giving birth, letter, 5103
paroxetine, relationship of tolerance & anticholinergic effects & psychomotor performance to plasma drug levels, 72–89 yr old depressed patients, 39808
paroxetine, sudden improvement in symptoms & cessation of side effects in 2nd wk of treatment, 48 yr old depressed female, 5 wk followup, case report, 16652
paroxetine treatment initiation, paresthesias, 22 & 25 & 29 yr old females with depression &/or anxiety &/or dysthymia &/or borderline personality traits, case reports, 36418
partial drug holiday, treatment of fluvoxamine-induced anorgasmia, female 22 yr old with major depression & obsessive compulsive disorder, case report, letter, 13023
path model for assessing direct & indirect narcoleptic drug effects on negative symptoms in schizophrenia, 32472
patterns & side effects & treatment of & influence of social & psychological & developmental factors & body image on androgenic anabolic steroid use & abuse, 26139
patterns of antidepressant use & side effects & outcomes, 70 yr olds & older with major depression, retrospective chart review, commentary, 5071
patterns of antidepressant use & side effects & outcomes, 70 yr olds & older with major depression, retrospective chart review, 5043
pefloxacin & paracetamol, psychotic syndrome development, female 52 yr old treated for urinary tract infection, case report, 5190
pemoline, darkened urine & intermittent vomiting, 19 yr old female with ADHD, letter, 32468
perazin, development of blepharospasm & oral hyperkinesia, 43 yr old female patient, case report, 5057
perphenazine induced parkinsonism, elderly patients with major depression with psychotic features vs dementia of Alzheimer type, 23937
pharmacokinetic interaction of venlafaxine & fluoxetine & nortriptyline, anticholinergic effects, 70 yr old female with chronic major depression, 43117
pharmacokinetics & metabolism of reboxetine in humans & animal models, literature review 1976–96, 38092
pharmacological & side effects of clozapine, patients resistant to classic neuroleptics, 19945
placebo response & drug side effects & nonresponse to fluoxetine after 2 vs 4 vs 6 wks, prediction of nonresponse after 8 wks, patients with major depressive disorder, commentary reply, letter, 13024
prevalence & subtype of respiratory dyskinesia, inpatients (mean age 51.2 yrs) with schizophrenia or delusions or affective disorders or alcholism, Japan, 36486
prophylactic mefloquine for multidrug resistant malaria & acute psychosis, 50 yr old female & 30 yr old male, Austria, 19957

prostaglandin E, auditory hallucinations, 42 yr old Asian male with schizophrenia & neuroleptic & selective serotonin reuptake inhibitor-induced erectile disorder, 23942
questions about safety & efficacy of clonidine-methylphenidate combination to treat ADHD & reports about sudden death, 13030
raclopride vs clozapine vs haloperidol dose, vacuous jaw movements & prediction of extrapyramidal side effect onset, male rats, 4 wk study, 7083
rapid decrease of high lithium levels, disorientation & encephalopathy, 38 yr old female hospitalized for malaise with diarrhea & nausea & vomiting, case report, 9158
rapid risperidone dosage increase, acute dystonia, 34 yr old male with chronic paranoid schizophrenia, case report, 27394
refractoriness to treatment & adverse effects & noncompliance & comorbid conditions & maintenance issues, antipsychotic treatment of schizophrenia, 27427
relapse prevention with & adverse effects & cost considerations of clozapine & risperidone & other new antipsychotic drugs, patients with schizophrenia, 23864
relationship between depressogenic drugs & depression, 65–84 yr olds with major vs nonmajor depressive disorder, 11956
relationship between neuroleptic dysphoria & substance abuse, patients treated with conventional antipsychotics for schizophrenia, 42351
renal side effects of 1–15 yr lithium treatment, patients with bipolar disorder, Turkey, 39791
repeated cognitive measures, identification of cognitive decline following administration of diphenhydramine, healthy 69–90 yr olds, 32527
residual effects of nighttime zolpidem treatment, elderly & adults with vs without insomnia, literature review, conference presentation, 5216
review of dietary restrictions & practical approach to MAO inhibitor diet, 1963–94, research review, 1815
risks & benefits of clozapine treatment for schizophrenia, 65 yr olds & older, Australia, 43141
risperidone & priapism, 46 yr old male with schizoaffective disorder taking lorazepam, case report, 32484
risperidone, development of hyperprolactinemia & galactorrhea, 42-yr-old female with autoimmune thyroiditis & nonremitting moderate-to-severe major depression & hypnagogic images, case report, 32532
risperidone, development of neuroleptic malignant syndrome, elderly patient with history of bipolar affective disorder, case report, commentary, letter, 32586
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary reply, letter, 39800
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary, letter, 39799
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, letter, 27406
risperidone, ejaculatory dysfunction & dysuria, 38 yr old male with schizoaffective disorder, case report, letter, 32457
risperidone induced hepatotoxicity, male 64 & female 68 yr olds with psychosis & multiple comorbidities, case reports, letter, 9068
risperidone induced jaundice, male 54 yr old with presenile dementia & worsening aggression, case report, letter, 13165
risperidone induced mania, male 50 yr old with schizophrenia & mild mental retardation, letter, 5007
risperidone induced neuroleptic malignant syndrome, 75-yr-old male with bipolar affective disorder, case report, 32364
risperidone induced obsessive compulsive behavior, 46 yr old male with chronic schizophrenia, case report, letter, 32395
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9090
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9148
risperidone, mania, 44 yr old Vietnam combat male veteran with psychotic depression, case report, letter, 16637
risperidone, paraesthesia, 37–65 yr old outpatients with schizophrenia or mood disorder with psychotic features, 27419
risperidone vs haloperidol, psychotic symptom & psychopathology scores & extrapyramidal side effects, 1st admission schizophrenic patients, 13015
risperidone, weight gain & bulimia nervosa, 12 yr old female with schizophrenia, letter, 32385
role of mesolimbic & mesocortical vs nigrostriatal selectivity & 5-HT receptors, mechanisms & lack of extrapyramidal & tardive dyskinetic effects from atypical antipsychotics, literature review, 6998
role of serotonin receptors in therapeutic & side effect profile of serotonin selective reuptake inhibitors, conference presentation, 11140
safety & adverse effects of antipsychotic olanzapine vs haloperidol, schizophrenic patients, 32353
safety & efficacy in pain management, direct conversion from oral sustained release morphine to transdermal fentanyl, 33–77 yr old cancer pain patients, 32694
safety & efficacy of risperidone, patients with schizophrenia with vs without acute exacerbation, 39815
safety & efficacy of venlafaxine, adults with ADHD, 1818
safety & efficacy of venlafaxine, 19–59 yr olds with attention deficit disorder, 1798
safety & patient acceptance of venlafaxine, depressed elderly, 1829
safety & tolerability of OPC-14117, patients with HIV-associated cognitive impairment, 39894
safety of haloperidol treatment & prevalence of haloperidol dyskinesias, 2.3–8.2 yr olds with autism, prospective study, 36424
safety of mirtazepine vs placebo vs other antidepressants, depressed patients, Europe & US, 16645
selective serotonin reuptake inhibitors, extrapyramidal side effects, elderly patients with mental and physical disorders, Ireland, 36450
serotonin reuptake inhibitors induced mania, 19–46 yr old patients with depression, 26454
serotonin syndrome & selective serotonin reuptake inhibitors & drug interactions, 36471
sertraline & phenytoin, elevated serum phenytoin concentration, 78 & 85 yr old Black & White males with depression, case report, 32429
sertraline, choreiform dyskinesia & extrapyramidal symptoms, 86 yr old female with major depression & multi-infarct dementia, case report, 32456
sertraline, development of stuttering & speech blockage, female 32 yr old with recurrent depression, case report, commentary, letter, 9052
sertraline, development of stuttering & speech blockage, patients with major depression, commentary reply, letter, 9109
sertraline, hyponatremia, 75 yr old female with major depression, 5000
sertraline induced hair loss, female 21 yr old with dysthymia & 37 yr old with major depression with psychotic features, case reports, letter, 9042
sertraline induced mania, hospitalized 17 yr old male with depression, case report, letter, 9121
sertraline, obsessive sexual urges & thoughts, 15 yr old African American male with negative thinking & thoughts of early death & violent themed writings, letter, 9048
sertraline or lofepramine, hyponatremia, 78 yr old female with depression, case report, letter, 32365
severity of catalepsy after haloperidol injections, development of vacuous chewing movements, rats, animal model of parkinsonian signs & tardive dyskinesia, 6932
sex & age, mortality due to acute adverse reactions to opiates or cocaine, 15–49 yr olds, Spain, 23093
sexual dysfunction, psychotropic medication, 39801

sexual side effects of tricyclics & MAO inhibitors & selective serotonin reuptake inhibitors & bupropion & venlafaxine, literature review, 19955
short term efficacy & safety of clomipramine & presence of untoward effects, hospitalized autistic 3.5-8.7 yr olds, 5093
side effect of fluoxetine, memory recall of early life events, 42–57 yr olds with depression, case reports, 32518
side effect profile & neurobiologic actions of venlafaxine, 43139
side effect profiles of novel vs traditional antipsychotic drugs, implications for treatment of schizophrenia, 32370
side effects & brain lithium concentration, adults with bipolar affective disorder, Japan, 5046
side effects & efficacy of paroxetine treatment, females with severe PMS, 43265
side effects & maximum tolerated dose of lesopitron, 18–65 yr old patients with generalized anxiety disorder, 27456
side effects associated with neuroleptics & antidepressants & lithium & stimulants & sedatives & hypnotics & antihypertensives & anticonvulsants, individuals with autism, 36407
side effects of antidepressant drugs & use of serotonin reuptake inhibitors, Australia, letter, commentary with reply included, 4982
side effects of clozapine, constipation, 49 yr old patient with schizophrenia, case report, letter, 32396
side effects of lithium carbonate drug with gluten, female with affective disorder, case report, letter, 5059
side effects of new vs traditional neuroleptic drugs, conference presentation, 27397
single dose fenfluramine challenge relative to body weight, plasma drug concentration & prolactin response & physical & psychological symptoms, healthy male vs female 25–60 yr olds, 11175
sodium lactate, flashbacks or other intrusive PTSD symptoms, patients with PTSD vs panic disorder, 22895
spontaneous orgasm with combined use of bupropion & sertraline, depressed 35 yr old female, case report, letter, 23887
steroid-induced dementia & confusion, 70 yr old male, case report, 31903
sudden death, 7 & 9 yr old males treated with tricyclic antidepressants, case report, 32574
sumatriptan, panic-like symptoms & migraine headache attacks, adults, letter, 13003
susceptibility to drug effects & difficulty in recruitment & dropout rates, exclusion of elderly Ss from pharmacological treatment research, conference presentation, 32533
switching between MAO inhibitors without 2-wk washout period, adverse effects, 22–67 yr old outpatients & inpatients with uni- or bipolar depression, 43190
symptoms of cholinergic toxicity & tacrine induced delirium & other somatic symptoms, 80 yr old with dementia referred for psychiatric consultation, case report, 16764
tacrine, plasma levels & clinical results & level of liver enzymes, patients with dementia of Alzheimer type, 20064
temperament & hostility & adverse consequences of alcohol use, 18–33 yr old social drinkers, 30303
tolerability & safety of short & long-term use of citalopram, conference presentation, 9130
tolerability & side effects & safety & cost of tricyclic antidepressants & use of 2nd generation antidepressants as drugs of 1st choice, 9106
transfer to general hospital because of adverse drug reactions, psychiatric inpatients, 24278
transient cognitive changes & delirium & tachycardia after smoking marihuana, 15–18 yr old males treated with tricyclic antidepressant for ADHD, case reports, 32588
treatment strategies for antidepressant induced sexual side effects, 19683
treatment with granulocyte-monocyte colony stimulating factor, development of symptoms of mania, female 41 yr old with idiopathic neutropenia, case report, 16766
triazolam as a sedative in a dental setting, healthy 6–9 yr olds, 34669
tricyclic antidepressant induced manic episodes, depressed male 10 & 15 yr olds with family history of affective disorder, case reports, 4994
tricyclic antidepressant-related extrapyramidal side effects, 24 & 70 yr old females with major depression, 43198
trifluoperazine hydrochloride, idiopathic Parkinsonism & accompanying dysphagia & aspiration, 74 yr old female, case report, 19922
trimipramine, development of clinical & biological pattern similar to neuroleptic malignant syndrome, 39 yr old female with recurrent major depressive disorder, case report, 39782
urinary concentrations of naltrexone & its metabolite & subjective side effects, 21–31 yr old male social drinkers, 43151
use of different pharmaceutical manufacturer's version of carbamazepine or phenytoin or sodium valproate, incidence of seizures & side effects, epileptic adults, 32687
utilization & cost & safety & effectiveness of risperidone during 1st year of availability, 1805
validity & reliability of Maryland Psychiatric Research Center involuntary movement scale & characterization of involuntary movements, patients with drug-induced movement disorders, 37379
valproate, development of thrombocytopenia & macrocytic anemia, 48-yr-old female with bipolar I disorder, case report, letter, 32406
valproic acid, development of hyperandrogenism & polycystic ovaries, females with bipolar disorder, letter, 27409
venlafaxine & ecchymosis, 19 yr old female with major depression, case report, 32443
venlafaxine, breast pain & engorgement without galactorrhea, 42 yr old female with depression & PTSD & panic disorder, case report, 19924
venlafaxine-induced hyponatremia, 79 yr old female with depression, Italy, 39832
verbal vs numerical mode of expression of medical labels, judgment of & choice for consumption of & perception of side effects for medical drugs, college students, Germany, 24027
vigabratin induced dementia-like state, female 62 yr old with epilepsy, case report, letter, 1933
weekend vs holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary, letter, 12932
weekend holidays from fluoxetine vs paroxetine vs sertraline, sexual functioning, depressed patients with selective serotonin reuptake inhibitor induced sexual dysfunction, commentary reply, letter, 13040
zolpidem induced agitation & disorientation, 61 yr old female with hypothyroidism & mild vascular dementia, case report, letter, 20080
zolpidem induced psychotic reactions with hallucinations, female 30 & 36 yr old psychiatric patients, case reports, 23905
5-HT2 antagonism, extrapyramidal side effects of antipsychotic drugs, rodents & monkeys & psychiatric patients, 5045

Side Effects (Treatment) [See Also Side Effects (Drug)] —Serials

adverse effects of combined lithium & ECT, 20–80 yr old psychiatric patients, 8 yr retrospective case control study, 4742
characteristics & adverse effects of ECT, 14–19 yr olds with intractable manic vs major depression vs schizophrenia vs schizoaffective disorder, 1 yr follow-up, France, 32606
combined valporate or carbamazepine & ECT, response & side effects, 35–85 yr old patients with major depression or bipolar disorder, 36186
delusions of omnipotence & iatrogenic treatment reactions, psychotherapists, 23644
diagnosis & prevalence & psychosocial & medical side effects & assessment & treatment, patients with bulimia nervosa, 19474
ECT, neuroleptic-induced parkinsonian symptoms & dystonia, 33 yr old male with schizoaffective disorder, case report, 23959
ECT, platelet peripheral-type benzodiazepine receptors, 28–59 yr olds with medication resistant major depression, 13095

ECT, tardive dystonia, 34 yr old male with schizophrenia, case report, 23966
effectiveness & tolerability of ECT, adolescents & young adults with treatment resistant bipolar acute manic vs depressive states, 13090
elevated creatinine phosphokinase following ECT in combination with neuroleptic therapy, 86 yr old female with severe dementia, case report, letter, 5125
frequency & indications & effectiveness & side effects of ECT treatment, 14–18 yr olds with psychiatric disorders, Australia, 36551
herbal preparation with vs without ECS, recall of spatial memory task, rats, implications for protection against ECT-induced amnesia, 21842
iatrogenic injury & decision to override advance directives, physicians, 43549
iatrogenic reinforcement, initiating & maintaining hypochondriasis, 39–52 yr olds, case reports, 12445
implications of repetitive publications on outcome of database dependent research such as meta analyses & adverse events rates, letter, 9677
inositol, cognitive effects of ECT, 27–72 yr old psychiatric patients, 5133
oral phosphate supplementation during refeeding, development of hypophosphatemia, female 22 yr old with anorexia nervosa with heart failure, case report, 4433
physical & psychological side effects of adjuvant chemotherapy, confrontive & avoidant-confrontive & avoidant-resigned & resigned-coping behavior, 33–76 yr old females with Stage II breast cancer, 42765
physical restraints & catheter & malnutrition & medications & iatrogenic events, precipitation of vs predisposition to delirium during hospitalization, 70+ yr old medical patients, 13396
stimulus intensity & right unilateral vs bilateral electrode placement, efficacy & cognitive effects of ECT, depressed patients, commentary, 5129
subjective side effects of low vs high dose unilateral vs bilateral ECT, depressed patients (mean age 56 yrs), 23958
symptomatology & side-effects & violent acts &/or suicidal behavior, 19–69 yr old involuntarily vs voluntarily committed neuroleptic treated schizophrenics, 42334
vitamin B12 deficiency & thrombocytopenia due to posttransfusion purpura, female 73 yr old with history of schizophrenia & anemia, case report with discussion, 13161

Sight Vocabulary—Serials

fast vs slow paced taped words interventions, sight-word reading accuracy, 10.4 & 11.8 & 12.2 yr old male elementary students with mental retardation, 33557
interspersal of known items & multiple response error correction in treatment package, teaching of sight words, 12 & 13 & 16 yr old middle school students with moderate mental retardation & severe behavior disorders, 13815
phonological recoding instruction, sight-vocabulary, 1st & 2nd graders with phonological processing deficits, 37121
reading racetrack drill & practice intervention, sight word acquisition & fluency, 8.10–11.5 yr old students with vs without learning or physical disorders, 40487
1 vs 5 second intertrial interval, sight word learning & recognition, 2nd graders with reading disabilities, implications for role of school psychologists in instructional decision making, 33561

Sign Language—Serials

American Sign Language-based articulatory rehearsal loop in visuospatial domain of working memory, deaf 18–41 yr olds, 36172
American Sign Language spatially unassociated pronouns & unambiguous repeated nouns, ambiguity resolution & nonantecedent suppression in sentence processing during probe recognition, deaf adults, 31926
concurrent & delayed & combination imitation patterns & modeling, immediate & long-term recall of 26 handshapes of American manual alphabet, college-aged males & females, 28981
extent of participation in stories read in American Sign Language &/vs manually coded English, deaf or hard of hearing 4.6–5.1 yr olds, 24682
functional communication training with vs without extinction, self injurious behavior & manual signing, 24 & 29 & 39 yr olds with profound mental retardation, 33122
handshapes presented in left vs right visual field, hemispheric specialization for sign language, prelinguistically or congenitally deaf right handed 15–26 yr olds, 1644
interpreter role to deaf parents, 18–79 yr old hearing sons vs daughters, 4 yr study, 39593
knowledge of American Sign Language, identification of facial expressions of emotion, hearing college students, 3809
left hemisphere dominance & neurobiology of sensory or motor pathways, linguistic ability, sign language users with unilateral brain lesions, implications for neural basis of language, letter, 10957
left vs right hemispheric differences, enhanced image generation ability of categorical or coordinate spatial relations, deaf vs hearing American Sign Language signers, 12707
local/horizontal & global/vertical encoding, addressing of narratives, deaf mothers using American Sign Language to deaf 2–7 yr olds vs English-speaking parents to hearing 2–8 yr olds, 31930
overt vs null pronouns, probe recognition & reactivation of antecedents referents during online sentence comprehension in American Sign Language, prelingually deaf signers, 4723
parental report of acquisition of handshape aspect of American Sign Language signs, 6–18 mo olds with deaf parent or parents, 5–14 mo study, 29827
sensory experience & age of American Sign Language acquisition, event related potential patterns & neural organization, deaf vs hearing 21–38 yr olds who learned to sign at a young vs later age, 31931
sign communication intervention program, ability to code English into sign & use American Sign Language to enhance students' comprehension of instructions, teachers, 4-yr longitudinal study, 24543
sign language acquisition & hand preference development, young children of deaf parents, longitudinal study, 34783
sign language, language development, hearing kindergarten students, 2 yr follow up, 29776
sign location frequency & accuracy & handshape & movement production, 9–20 yr olds with autism, 42612
visual left field neglect, visual linguistic sign processing vs nonvisual object processing, 61 yr old deaf male American Sign Language signer, 36170
visual vs auditory perception areas of brain activated by signed vs spoken language, 33–45 yr olds, Sweden, 37999

Signal Detection (Perception)—Serials

amplitude & bandwidth & frequency of signal added in phase to maskers, estimation of threshold signal levels, adults, 17866
amplitude modulation of nontarget components, disruption of profile analysis of signal types during presentation, adults, 17843
broadband stochastic resonance & additive noise level, information exchange between test signal processing & cell's encoding response & related behavior, crickets, letter, 6644
detection & discrimination of gliding tones as function of frequency transition & center frequency, adults, 17855
detection & simple reference tasks, covariation of cardiovascular responses & cortical ERPs, 20–30 yr old students, 11092
detection of spatial discontinuities in 1st-order optical flow fields, adults, 28774
detection of time-varying signal in spatiotemporal noise with vs without temporal phase information cue, adults, 25189
duration & level & frequency of signals, detection of decrements in level of sinusoidal signals, listeners, 25224
envelope parameters & signal frequencies, discrimination & detection of modulation frequencies & complex envelopes, adults, 25229
eyewitness account accuracy examined from signal detection theory framework, male police cadets vs civilian college students, South Korea, 14151
forward vs backward masking, measurement of loudness enhancement & intensity just noticeable difference, adults, 21309

forward vs simultaneous damped vs ramped masking, psychophysical tuning curves & dip listening & thresholds & long term excitation patterns, listeners, 25214
hidden covariation detection, college students, commentary & replication & extension, 17912
high vs low signal probabilities, high workload degraded digit vigilance task, 18–22 yr olds, 18015
interstimulus interval & left vs right visual field & noise vs pattern backward masking of words vs faces, hemispheric perceptual asymmetry measured by signal detection speed, adults, Switzerland, 41326
masking produced by broadband noise presented in virtual auditory space, dichotic signal detection, 21–26 yr olds, 17847
mathematical model of multiple event forced choice tasks in signal detectability theory, 14448
multinomial vs dual process signal detection approach for treatment of response bias, commentary, erratum, 17956
multinomial vs dual process signal detection approach for treatment of response bias, commentary, 6353
nonsimultaneous signal presentation vs negative interstimulus contingency benefit, divided attention, test of race model of redundant targets & of effect of upper bound, 28992
number & spatial location of concurrent utterances, utterance identification in cocktail party problem, adults, 17872
number of possible locations & signal contrast, locating disk-shaped signal in structured background, adults, application of signal detection theory with assumed Gaussian response, 28747
number of stimulus features used to cue spatial location of target, RT during report of presence or absence of target letter, 18–41 yr olds, test of race models of visual search, 25207
physical distance between signal & response, RT on pointing task, college students, Germany, 25242
repetition blindness as reduced sensitivity for detection of repeated vs unrepeated visual targets, college students, application of signal detection model, 2773
response force & time & other psychophysiological measures in target detection & motor coactivation, college students, 17878
short term energy of frequency masker of narrow-band vs incoherent noise, comodulation masking release following application of small vs large weight to signal channel, listeners, 10650
signal presentation probabilities & reinforcer distributions, signal detection performance & response bias, college students, 18066
signals through headphones vs simulated real word sources, distinction of virtual image vs real source signal & their external & compact & localized characteristics, listeners, 25219
similarity of modulation patterns across frequency, effect of envelope similarity on comodulation masking release, college students, 25213
step size & value of k, mean & standard deviation of threshold estimates for sinusoidal signals based on k-down 1-up procedure, adults, 10671
stimulus estimation & signal detection methods, P-receptor afferents & pyramidal cell responses & temporal encoding & processing of modulations in electric field amplitude, weakly electric fish, 29418
target masking, attentional blink in detection of target letter, adults, implications for 2-stage model, 21247
unpredictable variation of spatial frequency of signal sensory vs symbolic cues, visual target detection, Os, 197
use of multidimensional signal detection analyses computer program to test perceptual & decisional separability & independence, 10241
use of normalized correlation to account for binaural detection across center frequency, adults, 17846
variance in EEG spectrum & changes in alertness on auditory detection task, 18–39 yr olds, 14565
verbal priming, asymmetric lateralization of attention & visual field advantage in neutral detection vs word recognition trials, 18–33 yr olds, 480
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17931
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17913

Signal Intensity [See Stimulus Intensity]

Significance (Statistical) [See Statistical Significance]

Significant Others—Serials

Al-Anon vs reinforcement training vs unilateral family therapy vs pressures to change procedure, nondrinking partner's well being, female partners of heavy drinkers, 33031
characteristics & interpersonal problems associated with & reasons for & treatment of PTSD, female partners of veterans with PTSD, 31105
clinical functioning progress, schemes of self/object & significant others, seriously mentally ill adolescent & young adult inpatients in psychodynamic psychotherapy, 12767
cultural myths about & reactions to & treatment of trauma due to rape & need for social support, female rape victims & their families & significant others, implications for family therapists, 4892
early vs recent loss of significant others, fear of personal death, adults, Israel, 30492
plans for careers & marriage & family & choice of Black or other racial & ethnic dating & marriage partners, 17–25 yr old Black females, 15459
relationships with significant others & government attitudes to fiscal restraint & mental health care reform & licensure, postgraduate psychiatric residency program selection, medical students, Canada, 33199
shift in working self concept upon meeting new person resembling significant other, college students, 15690
social & communal aspects of significant other's coping, depression, inner city pregnant women (mean age 23 yrs) & their significant others (mean age 32 yrs) during 3rd trimester & postpartum followup, 39001
stress & grief response, 17–56 yr old partners of women who suffered miscarriage, England, 15878
treatment issues & approaches, male partners of female victims of childhood sexual abuse, 31198
2-group sequence support group, male childhood sexual abuse survivors & partners of survivors, 9206

Silent Reading—Serials

electrical activation in traditional language areas during silent reading & visual word form area in visual stimuli encoding, 18.8–29.5 yr old males, 10982

Similarity (Stimulus) [See Stimulus Similarity]

Simile [See Figurative Language]

Simple Schizophrenia [See Schizophrenia]

Simulation [See Also Computer Simulation, Flight Simulation, Heuristic Modeling, Markov Chains, Mathematical Modeling, Simulation Games, Stochastic Modeling]—Serials

avoidance & safe wandering basis behavior set following aggregation & dispersion & homing observed in nature, synthesis of group behavior in multiagent systems in simulations & physical mobile robots, 5864
choice or no choice & Langer effect as critical test of simulation vs theory theories of mental states, 18–53 yr olds, Austria, replication, commentary, 14606
choice or no choice & Langer effect as critical test of simulation vs theory theories of mental states, 18–53 yr olds, Austria, replication, 14601
cognitive modeling of modularity of general intelligence vs input systems, implications for quantifier scoping, 10233
consistent vs inconsistent causal sequences, computational analysis of text comprehension & construction-integration simulation of language processing, 3312
determinants of age differences in synthetic work performance, younger vs older workers, 17353
educational level & task difficulty, effectiveness of scenarios to assess communication skills in objective structured clinical examinations, clinical clerks & residents & medical students, 33193
environmental structure, evolution of behaviors, simulated organisms without sensors or memory, 29039
fictional conversations from children's television show as models for ordinary conversational organization & practices, 15131

Hyperspace Analogue to Language computational model of high-dimensional context space & effects on syntactic processing, 41559
malingering detection with Dot Counting Test, neuropsychological evaluation patients & coached vs uncoached malingering simulators, 25046
mental simulation factors in judgment of likelihood of causal scenario, college students & university personnel, 37701
mental simulation of an action, T- & H-reflex amplitudes, 21–33 yr olds, 29405
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15640
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game, 15635
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15633
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15619
neural network research & psychological modeling, 33852
problem solving performance on process & object oriented tasks using object-oriented modeling, experienced vs inexperienced process-oriented modelers, implications for systems analysis & design, 14064
scanning simulation preparation without sedation, heart rate & self-reported distress during simulation & actual MRI scanning procedure, 6–17 yr olds with vs without obsessive compulsive disorder, 35677
simulation probabilities of Type I errors of 2-sample student t test & Wilcoxon-Mann-Whitney test & Welch separate variances t test under variation of homogeneity of variances, 10591
SkillBuilder prototype behavior modeling system, design & implementation & assembly of repertoire of adaptive motor skills for human-like virtual actors in virtual environments, 14096
use of simulated patients vs videotapes of simulated patients as teaching methods, obtainment of clinical skills & process & content ratings, occupational & physical therapy students, 40394
warning on ability to detect malingering on memory & motor tasks, simulated memory & motor deficit performance, college students, 31800

Simulation Games—Serials

manipulation of Allocator vs Recipient offers during modified Ultimatum game, expectation & fairness satisfaction of equitable allocation, adults, Israel, implications for game theory, 22441

Simulators [See Simulation]

Sincerity—Serials

disciplined description preceding interpretation in examination of D. Meltzer's psychoanalytic account of post-Kleinian phenomenology of sincerity derived from H. Pinter's "The Dwarfs", commentary, 30634
disciplined description preceding interpretation in examination of D. Meltzer's psychoanalytic account of post-Kleinian phenomenology of sincerity derived from H. Pinter's "The Dwarfs", commentary, 30613
disciplined description preceding interpretation in examination of D. Meltzer's psychoanalytic account of post-Kleinian phenomenology of sincerity derived from H. Pinter's "The Dwarfs", 30587

Singapore—Serials

cultural bias in reading & math scales of Self Description Questionnaire, 6th graders, Singapore vs Australia, 2521
reliability & use of Occupational Stress Indicator, 30–55 yr old school administrators, Singapore, 28609

Singing—Serials

conventional vs biofeedback assisted singing lessons, development of voice parameters, adults, 25227
protocol for assessment of singing ability development in school context, 5 yr olds, England, 1 yr study, comparison with data for 6–12 yr olds, 11399
psychological benefits of singing lullabies to their unborn infants, pregnant females participating in maternal education groups, Spain, 27609
qualities in singing to own infant vs simulation & childcare experience & culture & musical background, accuracy in identifying song, listeners & mothers vs fathers of 4–18 mo olds, 30184
spontaneity & individuality & emotional expression & problem resolution through 4 forms of Venezuelan psycho-opera, 32643

Single Cell Organisms [See Microorganisms]

Single Fathers—Serials

likelihood & demographic characteristics over time & consequences for children, single parent families headed by fathers, 1960–90, 11555

Single Mothers—Serials

attainment & advantages of higher education, females receiving Aid to Families with Dependent Children, 11532
attribution & myths of welfare, poor & single mothers & federal welfare recipients, 11535
characteristics & availability of social support networks & child adjustment, Euro- vs Mexican American 5–8 yr olds from single vs 2-parent homes & their mothers, 34906
demographic & psychosocial & clinical correlates, continuous vs episodic use & length of stay on Aid to Families with Dependent Children, homeless & poor females, 13319
employability & risk factors, access to family supportive benefits, pregnant single working females, implications for welfare reform, 13315
generation & SES, size & density of kinship vs friendship networks, Mexican American vs White single mothers, 7488
goals of solution focused intervention, recovering alcohol-dependent single parent mothers & their children, 32223
government policy making & welfare services affecting single mothers, US vs Denmark, 38542
low vs higher SES & parent child relations & children's adjustment, married vs single Black mothers of 5–8 yr olds, South Africa, 41735
maternal & child & family factors related to employment status & employment history, single mothers of low birth weight vs full term 3–5 yr olds, 37164
participation in Aid to Families With Dependent Children program, divorced vs never married single mothers, 9428
positive vs negative illustrations of psychological sense of community & resilience, 26–46 yr old African-American single mothers raising children in risky communities, 18731
predictors & barriers & facilitating factors to employment, homeless & low-income housed females, 13911
role of kin support in decisions to participate in productive activities outside home, 14–21 yr old single mothers, 1979–92, 29876
SES & social support systems & self esteem & family environment & length of time as single parent, general well being, 21–56 yr old female single parent college students, 15454
terminal & instrumental values after birth of child, comparison to national sample, single inner city mothers, 38572
weekly contact with adult friend through Big Brothers program, self competence & academic performance & behavior problems & parent–child relations, 8–14 yr old males raised by single mothers, 25841
welfare incentives & recent marriage market, family formation & female-headed households, 10 yr study, 43385

Single Parents [See Also Single Fathers, Single Mothers]—Serials

demographic changes, family adaptation & retention & readiness & use of family social support services, single parent Army personnel, 2349
growing up in stepfamilies after divorce vs single-parent vs unstable vs stable intact families, intimate relationships & relational attitudes & well being, 15–24 yr olds, Netherlands, 30166

psychosocial & academic benefits of living with same vs opposite sex parents, children & adolescents living in single parent households, 41905
sense of personal well-being, divorced maternal & paternal single parents vs 2-parent family heads, Israel, 7494
single-parent & female-headed families, gender gap in delinquency rates, adolescents, test of traditional & extended power-control theories, 35728
Single Persons—Serials
behavioral group approaches to sex therapy focusing on interpersonal &/vs sexual problems, sexually dysfunctional single males, 36591
desires & socio-psychological pressures for motherhood, 30 yr old & older single females & unwed mothers, 7507
perceptions of being single, heterosexual female 30–65 yr olds, implications for marital therapy, 30232
safe sex practices & attitudes, 20–40 yr old single sexually active heterosexuals, Australia, 30284
self assessments of likelihood of contacting & worry about AIDS, 18–44 yr old unmarried heterosexuals, 4592
Sisters—Serials
mutation in amyloid precursor protein gene & autosomal dominant inheritance of Alzheimer's disease, 55 & 60 yr old sisters, Japan, case report, 23436
role expectations for older brother or older sister or younger brother or younger sister, shared norms for sibling roles, young adults, 30144
Sixteen Personality Factors Question—Serials
factor structure of 16 PF based on 5 factor model & Revised NEO Personality Inventory, college students, commentary reply, 2525
factor structure of 16PF & revised NEO Personality Inventory, college students, commentary, 2526
independent rotation vs confirmatory factorial analysis as tests of robustness of 5-factor structure across 2 forms of the 16 Personality Factor Questionnaire, 17–88 yr old police applicants & felons, 40829
item & scale factor analyses of Eysenck Personality Questionnaire & 16- PF Questionnaire, college students, 21008
reliability & validity of Malayalam version of 16 Personality Factor Questionnaire Form C, 22–26 yr olds, India, 14280
Size [See Also Body Size, Brain Size, Family Size, Group Size, Litter Size, Size Discrimination]—Serials
absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary reply, letter, 19676
absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary, letter, 19673
cup size & weight & handle size, grasping pattern, 20–45 yr old women, includes commentary on implications for occupational therapists, 40196
head circumference, under 16 yr olds with autism vs other pervasive developmental language disorders, England, 8363
horizon-ratio relations as reliable source of information in pictorial size perception, adults, 6243
increased head circumference, White 17–86 yr olds with schizophrenia or schizoaffective disorder, 22823
interplace & intraplace analysis of activities & relationship with environment, small vs large city inhabitants, Italy, 14080
intraindividual development of ability to modify size of human figure drawing, 7 yr olds, Iceland, 5 yr study, 41649
judgment of rectangular areas using gestural strategies, blind 5.3–8 yr olds, 8680
larger effect sizes & contrasts of means, illusion of control, meta analysis, 15638
locomotor activity & mating latency & courtship pattern & mating success, short- vs long-winged flies, 41238
log linear model of effect of participation rates & size of participating population on highest expected achievement, application to analysis of national & sex differences in chess performance, 17737
macrocephaly & clinical features, 3–38 yr olds with autism, 31426
mass & volume, weight perception, college students, 17804
mismatch of expansion rate of simulated object size & of texture element size, estimation of time to collision, adults, 21295
package size & fill level & unit cost & price promotions, usage volume, adult consumers, 2370
size in relation to others in shoal & presence of predator, foraging behavior, 3-spined sticklebacks, Finland, 41268
stimulus size & left-right orientation, priming on perceptual implicit memory tests, college students, 306
straight line movement & mate location & body size & fighting, mating success, male rattlesnakes, 41225
visual stimuli size & eccentricity, global precedence effect in speed of processing compound stimuli, college students, Australia, 6288
Size (Apparent) [See Apparent Size]
Size (Group) [See Group Size]
Size Discrimination [See Also Apparent Size]—Serials
angle of approach & target size & distance on computer display screen, cursor movement time with mouse, college students, application of Fitts' law linear model, 21296
arrangement of test & referent stimuli in visual hemifields in relation to each other, size discrimination of 2-dimensional contour images in fovea, adults, 14504
background texture gradient, visual search for size & speeded performance, 17–27 yr olds, 6220
correlation of category membership & magnitude, semantic distance for judgments of object size, undergraduates, 14611
distance, visual & haptic size perception, 18–58 yr olds, 6227
height of stimuli & combinations of pairs of circles & squares & triangles, evaluation of linear sizes of figures, adults, 14498
right vs left & early vs late changes in orientation or size of repeated object, later memory of attribute, young adults, 25295
spatial frequency & amplitude of edge modulation & object width, perception of size & shape, Os, 190
tactile capability to discriminate between 2 objects differing in size &/or shape, California sea lion, 10753
Skeletomuscular Disorders [See Musculoskeletal Disorders]
Skewed Distribution—Serials
behavioral attributes as determinants of religious giving, application of rational choice model, 41839
linear regression vs variance/mean method, assessment of spatial patterns of beta-amyloid deposits in postmortem brain tissues, patients with Alzheimer's disease, 4642
robustness of Fligner-Policello rank-order test for nonnormal populations with unequal variances & applicability to symmetric vs skewed RT data, 40965
skewed latent variable & manifest indicators, robustness of MAMBAC taxometric analysis procedure, 2712
Skill Learning [See Also Fine Motor Skill Learning, Gross Motor Skill Learning]—Serials
acquisition & comprehension of tool use with vs without model of successful performance, 2–4 yr old chimpanzees, 2925
added-purpose & meaningful occupation, motor learning, 21–27 yr old college students, 38317
alternating task modules vs massed protocol in isochronal distributed training, learning & retention in computer games & algebra word problems, 18–30 yr olds, 298
assistance prompting in learning to use video recorders & personal computers, 13–18 yr olds with intellectual & physical disabilities, 43429
backward transfer technique, efficiency of part vs whole task training for desktop flight simulator, 18–30 yr olds, 2870
community housing services, adaptive behavior & skill development, deinstitutionalized 19–67 yr olds with intellectual disabilities, Wales, 2 yr study, 16843
computer tutoring based on adult learning, attitudes toward & amount of time for computer use & perception of skills learned, female human service program managers, 13565
conductive education, functional & motor skills, 3–12 yr olds with cerebral palsy, Australia vs Hungary, 5696
conversational model & opportunities for reflection in computer-based instructional program, interpersonal skills development, college students (mean age 21 yrs), Netherlands, 38665

daily practice with physical & functional vs functional interface designs, control task performance & skill acquisition, 23–32 yr old power plant operators, 28292
discrete knowledge forms & development in & influence of instruction & activities on use of interactive information systems, novice upper primary level students, 9881
educational research programs in developing thinking skills, children, Northern Ireland, 33410
exposure to counseling module, use of learned skills in professional & personal life, 38 yr old & younger vs 39 yr old & older teachers, 1 yr followup, 9835
generalizability of training effects vs practice, problem solving performance on Wisconsin Card Sorting Test vs modified Vygotsky Concept Formation Test, 24–54 yr old patients with schizophrenia, 7948
goal setting & self monitoring during self regulated practice, acquisition of dart throwing skill, 14–16 yr old females, 22059
goal setting & self monitoring during self-regulated dart throwing practice, motoric skill & self-efficacy & self-reactions & intrinsic interest, 14–16 yr old high school females, 11403
group discussion of advice vs social comparison vs motivation, performance on Space Fortress computer game, 17–30 yr olds, 26179
instructional factors, psychomotor & affective achievement measures during 6-wk badminton project unit, high- vs low-skilled target 9th graders, 9861
least prompts instructional procedure for microwave oven food preparation, 31–45 yr old females with disabilities, 43428
manualized community reintegration skills training program, males vs females with schizophrenia or schizoaffective or nonspecified psychotic or affective disorders with psychotic features, 36782
mathematical ability & use of currency in commercial transactions in low income environments, 4–14 yr olds, Brazil, 11353
mental & life skills training program delivered by teacher, self-relaxation & implementation of stress control strategies & frequency of highlights, Grade 2 students, Canada, 33572
minimalist design principles vs commercially available instructional unit in word processing skills, computer anxiety, adults, 14069
mirror reading task skill acquisition & neurological mechanisms involved in procedural memory process, patients with Parkinson's disease vs spinocerebellar degeneration, 31917
mode of learning & skill level, performance of complex tasks, 19–30 yr old college students, Ireland, 28969
modeling & recognizing human simple actions based on hidden Markov model representation, application to human intent recognition & skill learning, 20901
pretraining computer self efficacy, learning outcomes & self concept changes in computer skills, 18–40 yr olds with physical disabilities, 2090
prior knowledge, complex procedure learning, college students & adults, 34206
protocol for assessment of singing ability development in school context, 5 yr olds, England, 1 yr study, comparison with data for 6–12 yr olds, 11399
psychology–library faculty collaboration, outcome-focused library instruction efficacy measured by skill development & library usage & attitude change, college students in core psychology course, 24558
reliance on examples vs abstract rules in learning process, high school & college students, 37762
safety training program, behavioral approach of reducing public housing fires, low income heads of households, 5236
severity of conceptual & other neuropsychological deficits, motor skill learning on rotary pursuit task, schizophrenic 26–40 vs 55–77 yr olds, implications for role of corticostriatal pathology, 15947
skill acquisition & strategy shifting, college students, test of instance theory of automatization vs alternative component power laws, 41152
surface & semantic error revision in own & others' text, 2nd–5th graders, 33448
tactical &/or skill instruction in 3 wk units, badminton performance skill learning, 9th graders, 9855
tactical &/or skill instruction in 3 wk vs 6 wk units, badminton performance skill learning, 9th graders, replication, 9854
task related skills & self management & motivation & self concept in learning skills interventions, students, meta analysis, 24567
training & education & skill development in psychotherapy & psychodiagnosis, psychological practice, commentary, 13543
training & skill acquisition & competency testing for use of physical agent modalities, occupational therapists, 43495
training interventions supporting perceptual decision making, performance acquisition in time-pressured & complex dynamic tasks, college students, 253
use of simulated patients vs videotapes of simulated patients as teaching methods, obtainment of clinical skills & process & content ratings, occupational & physical therapy students, 40394

Skills [See Ability]

Skin (Anatomy)—Serials

amitriptyline vs fluoxetine, functional reactivity of cutaneous microcirculation, Ss with major depression, 9129
attitudes toward skin cancer risk & sunbathing behavior, adults, England, 18940
comprehensive prevention program vs information only, skin cancer knowledge & sun-safe attitudes & beliefs & behaviors about sun exposure, mothers of 6 mo–10 yr olds, 12 wk followup, 16791
cultured skin fibroblasts & molecular mechanisms underlying pathogenesis of schizophrenia, 26503
E. Bick's theories of skin sensitivity & ego boundaries & containment, 42121
efficacy of fluoxetine treatment, 20–58 yr olds with chronic pathologic skin picking, 43185
high vs low tanning benefits & protection efficacy messages & appearance concern, intention to protect self from sun-induced skin damage, college students, 43297
laterality of dermatoglyphics on hands as genetic sign of right hemisphere dominance, 3–10 yr olds with Williams syndrome, Russia, 35966
outgrowth & morphology of cell types from tissue fragments in cell cultures from skin biopsies, schizophrenic 18–42 yr olds, 1281
pharmacologic activation of protein kinase C, modulation of amyloid precursor protein secretion in human skin fibroblasts, demented vs nondemented patients with Down's syndrome, Italy, 26808
static skin indentation depth & stimulus frequency & contactor size on forearm locations, vibrotactile thresholds, adults, 25174
threshold for detection of thermal or tactile stimulation in painful vs nonpainful denervated skin areas, 23–72 yr olds with spinal cord injury and central dysesthesia, 19603

Skin Cancer Screening [See Cancer Screening]

Skin Conduction [See Skin Resistance]

Skin Disorders [See Also Allergic Skin Disorders, Alopecia, Dermatitis, Herpes Simplex, Lupus]—Serials

biofeedback &/vs relaxation, symptoms of psoriasis, patients, 24000
clinical & psychometric properties of Psoriasis Life Stress Inventory, 18–79 yr olds receiving treatment for psoriasis, England, 34009
desensitization to carbamazepine induced skin rash, 38 yr old female with bipolar affective disorder, case report, 12946
high vs low tanning benefits & protection efficacy messages & appearance concern, intention to protect self from sun-induced skin damage, college students, 43297
hypnosis & relaxation response & symptom-oriented approach & imagery & creativity, distressing dermatological conditions, 39-yr-old female with hydradenitis suppuritiva and multiple contact dermatitis, 32631

measures of anxiety & depression & levels of social support, non-treatment seeking male veterans with eczema vs tinea vs no medical diagnosis, 26874
metronidazole gel, smell from benign or malignant cutaneous lesions & pain & bacteriological profile, cancer patients with infected fungating tumors & benign cutaneous ulcers, 24026
pattern of psychological & social problems & psychiatric illness, 12–88 yr old dermatology outpatients referred to liaison psychiatrist, 31639
prevalence of personality disorders & psychiatric symptoms, patients with psoriasis, Italy, commentary reply, 19515
prevalence of personality disorders & psychiatric symptoms, patients with psoriasis, Italy, commentary, 1496
psychiatric symptoms & psoriasis, adults with personality disorders, commentary reply, 42689
psychopathological & personality factors related to self concept, self excoriative behavior, females with mild to moderate facial acne vulgaris, 1498
sex & likelihood of burning, knowledge & beliefs & attitudes & behavior relevant to sun protection & suntanning, 12-17 yr olds, 5221
Skin Electrical Properties [See Also Skin Potential, Skin Resistance]—Serials
blushing propensity & intensity & temperature & skin conductance level, 17–33 yr old females with high vs low blushing propensity, Netherlands, 34624
electrical stimulation, sympathetic skin responses of median nerve at wrist & pudendal nerve, healthy females & males vs patients with urological &/or sexual complaints, 26881
Skin Potential—Serials
sympathetic denervation of facial skin & cervical ganglionectomy, electrodermal responses, freely moving rats with clomipramine induced depression, animal model of endogenous depression, 18159
Skin Resistance—Serials
anagram difficulty & trial length, skin conductance activity & self-report & objective task performance, undergraduates, 11083
attention in picture induced emotional responses, EMG & heart rate & skin conductance, college students, 6765
awareness of aversive vs nonaversive contingency in conditioning, discrimination of startle eyeblink & skin conduction responses, 20–35 yr olds, Germany, 6780
between-group vs within-subject vs intermodal vs intramodal procedures, blocking & UCR diminution of skin conductance response, adults, 6205
breath reductions & skin conductance responses & heart rate deceleration as markers of Transcendental consciousness vs other meditation experiences, adults practiced in Transcendental Meditation, 18262
d-fenfluramine, skin conductance & induced anxiety, 18–36 yr olds, 18299
differential allocation of attentional resources & skin conductance orienting responses & secondary RT, schizophrenic adults & college students at risk for psychosis, 30982
EEG & skin conductance level during re-creation of out of body experience in laboratory, 20–75 yr olds, implications for schizotypal personality, 14689
fear related vs unrelated stimuli, startle reflex modulation & autonomic responses, females high in animal vs blood injury fear, Germany, 18249
happy & angry & neutral facial configurations, left vs right hand skin conductance, high- vs low-hostile male undergraduates, 29474
heart rate & skin conductance, behaviorally inhibited vs uninhibited 3 yr olds, Mauritius, 29725
paced smoking control of smoke intake in laboratory vs natural settings, heart rate & skin conductance & finger temperature, light vs heavy smokers, Germany, 18337
processing of pain-related & body-related & mental words, EMG & heart rate & skin conductance level & visual event related potentials, adults (mean age 28.3 yrs) with prechronic pain, 41419
rest vs tone vs RT, CSF monoamine metabolites & ACTH & corticotropin releasing factor & heart rate & skin conductance, children & adolescents with obsessive compulsive vs disruptive behavior disorders, 7814
semantic similarity in guilty knowledge paradigm, orienting response & skin conductance generalization, college students, 6763
sex & testing time & season, skin conductance activity, 5–25 yr olds, Mauritius, 15186
sexual arousal paired with nonsense syllables & other relational & equivalence conditioned responding, transformation of stimulus function measured by skin resistance, male 18–23 yr olds, 34626
skin conductance activity, 15–50 yr olds with schizophrenia vs 1st degree relatives, India, 7980
skin conductance orienting response, college students with vs without schizotypal personality disorder, 19265
stimulus novelty vs significance, skin conductance orienting responses, college students, 6778
Wisconsin Card Sorting Task performance & delayed skin conductance orienting response, patients with schizophrenia, 22859
Skin Temperature—Serials
blushing propensity & intensity & temperature & skin conductance level, 17–33 yr old females with high vs low blushing propensity, Netherlands, 34624
classical conditioning procedure using warm & cold water for UCS & tone for CS, bilateral hand reflex & skin temperature, 22–35 yr olds, 11079
enzymatic activity of peripheral blood elements & skin vascular temperature response to cold, progress in learning, 6 yr olds, 11377
heart beat & spontaneous finger temperature change discrimination, 18–26 yr old female left vs right lateral eye movers, replication, 3142
learned control of heart rate & skin temperature responses & biofeedback, motion sickness, 18–45 yr olds, Canada, 14955
self induced mental imagery & age & sex, cardiac rate & skin temperature & electrodermal activity, 5–15 yr olds, 11360
various mildly stressful incentives, face & hand skin temperatures, 18–22 yr old White females, 6794
Skinner (Burrhus Frederic)—Serials
accuracy & completeness of treatment of Skinner's approach to cognitive processes, introductory psychology textbooks, 28367
problems with Skinner's definition of verbal community behavior reinforcement illustrated by esoteric Buddhist concepts, 30576
psychoanalytic psychobiographical inquiry of B. F. Skinner & behaviorism theory based on his autobiography "Particulars of My Life", 7780
selectionistic & mechanistic accounts of Skinner's 3-term contingency of reinforcement on pragmatism & determinism & natural selection & operant behavior, 29654
Skinner & behaviorism & role of cognitions in human behavior, 14191
Skinnerian behavior analytic approaches to self awareness & relational frame interpretation of human self discrimination, 30575
Skinner's discussion of Pavlov's theories of conditioned reflexes as learned behavior, conference presentation, 20940
Skull—Serials
linearity properties & frequency response of sound propagation through skull, male 52 yr old with bilateral skin penetrating titanium implants for bone anchored hearing aids, 10661
Sleep [See Also Napping, NREM Sleep, REM Sleep]—Serials
abnormal EEG sleep profile as characterization of major depression & responsivity to cognitive behavioral therapy or interpersonal psychotherapy, 19–69 yr old depressed inpatients & outpatients, 30911
adenosine, mediation of sleep inducing prolonged wakefulness, cats, 34614
age & domestic commitment & work-home conflict, sleep duration & difficulties & on-shift alertness, female nurses working permanent night vs rotating shifts, 13632

alcohol, sleep stage structure during naps, 19–25 yr old males, erratum, 6410
antidepressant drug venlafaxine, sleep architecture & periodic leg movements of sleep, normal volunteers, 41517
antipsychotic agents, EEG sleep patterns, drug naive vs clozapine vs haloperidol vs flupentixol treated schizophrenic patients, 27466
association of menstruation & hormonal fluctuations with sleep & mood, females, 3136
brief sexual arousal before sleep, sleep-related erections, adults, 38047
bright light circadian readjustment during dim light night work vs circadian synchronization during recovery after night shift, daytime sleep & nocturnal performance, personnel, 14000
caffeine intake vs napping, sleepiness, adult drivers taking short break, 2912
child characteristics, sleep patterns, mothers of 6 mo–5 yr olds with moderate to severe multiple disabilities vs Down's syndrome vs typical development, 1136
circadian melatonin secretion & relation to cortisol secretion & sleep, 22–44 yr olds with melancholic depression, 42287
clozapine, sleep continuity, 20–56 yr old inpatients with schizophrenia, 2 wk study, 43142
daytime sleepiness while driving, automobile accidents, male drivers, England, 43925
detection of phases of dreaming by static charge sensitive bed, 23–25 yr olds, 6737
development & evaluation of Sleep Behaviors Scale 60+, assessment of nature of activities during periods of nocturnal wakefulness, 55–89 yr old good vs poor sleepers with vs without insomnia, 21060
developmental psychophysiology & psychopathology & role of prefrontal cortex in regulation of sleep & arousal & affect & attention, 6771
doxepin, nocturnal melatonin secretion & sleep latency & efficiency & total sleep time, Ss with chronic primary insomnia, 27417
early vs late nocturnal sleep, declarative & procedural memory, 21–38 yr old healthy males, 41151
EEG sleep profiles & response to interpersonal therapy, unmedicated 20–59 yr old outpatients with recurrent depressive disorder, 30910
financial incentives & daytime sleepiness, Multiple Sleep Latency Test sleep onset, female 18–28 yr olds, 6782
fluoxetine, nitrazepam induced behavioral sleep, day old chicks, 599
GABA interacting neurosteroids, decrease of pentobarbital sleep, socially isolated vs group-housed male mice, 11167
heuristic vs algorithmic orientation cognitive styles & optimism & sleeping habits & coping strategies, college students, 11753
high vs low scores for neuroticism, sleep quality & caffeine kinetics, 22–24 yr olds, letter, 3161
historical change in report of symptoms of insufficient sleep, 16–65 yr olds from 1930 vs 18–70 yr olds from 1980, 35965
home-based vs communal sleeping ecological context, transmission of attachment across generations, kibbutz mothers & their 14–22 mo olds, Israel, 30180
insomniac nocturnal EEG patterns, hyperarousal & symptoms of primary insomnia, 18–50 yr old normal sleepers, 34307
late afternoon ethanol vs mineral water intake, nocturnal sleep & sleep EEG, middle-aged males (mean age 61.6 yrs), 25588
maintenance nortriptyline with vs without interpersonal psychotherapy, subjective & EEG sleep measures & symptom recurrence, 60–80 yr olds with major depression, 1 yr study, 4737
maternal polydrug abuse & postnatal sleep architecture & efficiency, newborn infants with prenatal exposure to cocaine & other drugs, 1391
menstrual cycle phase, sleep, 27–51 yr old females, 29456
Morningness/Eveningness survey, noninvasive method of assessing sleep & influence of precompetitive sleep patterns on performance, male & female collegiate athletes (mean age 19.6 yrs), 40794
muramyl peptides, stimulation of slow wave sleep & suppression of active sleep, rat pups, conference presentation, erratum, 21823
nefazodone &/vs lithium, sleep architecture, healthy male adults, 7069
nefazodone vs fluoxetine, sleep architecture & clinician & patient rated sleep measures, 21–55 yr old outpatients with major depression & insomnia, 36448
neural network catastrophic forgetting & sleeping brain consolidation mechanisms, model of learning & sleep & role of hippocampus, 33857
neuroticism & languidness & morningness, prediction of health & sleep complaints, female nurses working shifts, 14008
nocturnal core temperature in summer vs winter, patients with seasonal affective disorder, 39013
number of consecutive night shifts worked, impact of sleep duration & quality on health & well being, permanent night vs rotating shift nurses, circadian adaptation explanations, 13998
occurrence & nature of sleep problems & behaviors, 4–19 yr olds with Down's syndrome vs their siblings vs those with other intellectual disabilities vs without, England, 16175
paroxetine, REM & NREM sleep EEG microstructure, healthy male 23–32 yr olds, 41516
pentylenetetrazol & bicuculline & icrotoxin & strychnine & memantine, ethanol-induced behavioral sleep & body temperature, rats, 38076
peripheral somatostatin, continuity & architecture & REM & slow wave & EEG parameters of sleep, healthy 60–73 yr olds, 29452
phase of illness & drug therapy, state vs trait related EEG sleep continuity & slow wave & REM sleep, patients with schizophrenia or schizoaffective disorder, 4 wk vs 1 yr followup, 4163
polysomnographic effects of flurazepam & flunitrazepam & temazepam & triazolam & zopiclone & zolpidem, healthy volunteers & Ss with insomnia, 9278
preictal pseudosleep with EEG evidence of wakefulness, diagnosis of pseudoseizures, patients with epilepsy vs pseudoseizures, 12584
presence of stressful life events, secretion of growth hormone during sleep, depressed 6–12 yr olds, 22808
pulsed high-frequency electromagnetic fields, REM sleep, healthy 21–34 yr olds, implications for effects on mnestic functions & learning processes, 6717
quantitative & qualitative aspects of sleep & awakening & napping & dreaming, 100–107 yr olds, Italy, conference presentation, 30005
quiet vs active sleep state & health status & heart rate variables & 3-yr developmental outcome, healthy vs high risk very low birth weight infants, 19498
regional cerebral blood flow during REM sleep & dreaming, 20–25 yr old males, 3081
reliability of endogenous concept based on TSH & DST responses & percentage of time awake during night, patients with endogenous vs nonendogenous major depression, 15917
retrospective reports of sleeping with parents during childhood, male vs female college students, implications for research on parent–child interaction, 18730
role of locus coeruleus in neuronal gene expression, sleep vs waking states, brain lesioned vs unlesioned rats, 25459
rotating vs permanent night shifts, sleep diary & self ratings of mood & work load & personal disruption & cognitive performance, female nurses, 13633
self report vs actigraphic recordings of sleep, adult males with PTSD, 39078
serotonin receptor subtypes & sleep & anxiety disorders & drug abuse & schizophrenia & depression, 26354
short term pharmacotherapy with delta sleep inducing peptide, 21 yr old female with opioid dependence, case report, letter, 33077
single vs multiple doses of dexnafenodone vs imipramine, sleep patterns, healthy males, 11202
sleep complaints & mood & disability & fatigue & lifestyle, adults with depression vs chronic fatigue syndrome with vs without psychiatric disorder, 38863

sleep continuity & architecture parameters & sleep onset REM periods & response to ECT, 38–88 yr olds with major depression, 27481
sleep deprivation, sleep & sleep regulation, prion protein deficient vs wild-type control mice, 29227
sleep disturbances & neuroticism & morningness, minor psychological disorders & chronic fatigue & severe diseases of body systems, air traffic controllers on morning shift & rest days, 14002
sleep following track running task, replay of neuronal or CA1 pyramidal cell firing sequences in hippocampus, male rats, 3128
sleep neurophysiology, males (mean age 9.91 yrs) with fragile X syndrome, 4555
sleep parameters & dream recall & content, male 39–56 yr old veterans with PTSD &/vs major depression, 1201
sleep parameters, naltrexone- vs methadone-treated drug addicted outpatients, 27788
sleep quality & number of psychosomatic & digestive complaints, circadian rhythm of oral temperature & heart rate, oil refinery workers tolerant vs intolerant of shift work, 14025
sleep quality vs quantity, health & well-being & sleepiness, college students, 37802
sleep states & psychological & neurological development & social environment, prediction of developmental disabilities, preterm vs fullterm infants, Czech Republic, 9 yr study, 21976
sleeping in chemical protective mask, sleep quality & choice RT & mood, male 19–25 yr old soldiers, 6786
spectral &/vs nonlinear EEG measures & discrimination of sleep stages, male 23–36 yr olds, 531
stability of & individual & age differences in sleep & waking patterns, 2–24 wk olds, Czechoslovakia, 11306
subjective reports of sleep & sleep disorder, personality correlates & physical & mental health, healthy 21–79 yr olds vs 17–63 yr olds with chronic fatigue syndrome, 12487
symptoms of complicated grief associated with to posttraumatic distress vs depression, sleep, bereaved 60+ yr olds, 38467
tetrabamate vs meprobamate vs diazepam, delta sleep, recently detoxified alcoholic inpatients, 12929
transfer properties of brain & averaged acoustical & visual EPs for sleep stages, 23–63-yr-old inpatients with acute depression, application of linear systems theory approach, 30903
venlafaxine, depression & sleep patterns, adult inpatients, 23903
venlafaxine, sleep architecture, male rats, 21916
Vietnamese ginseng & majonoside-R2, pentobarbital induced sleep & gastric lesions, psychologically stressed male mice, 6930
5 vs 30 vs 90 sec sleep onset criteria, Multiple Sleep Latency Test sensitivity to low daytime sleepiness, 18–36 yr olds, 327
6-hrs on/12-hrs off submarine work schedule, sleep characteristics & alertness & free running circadian rhythms, military personnel, 24818

Sleep Apnea—Serials

cognitive performance & respiratory symptoms of sleep disordered breathing & snoring & breathing stoppage during sleep, 60–70 yr olds, France, commentary, 26855
cognitive performance & respiratory symptoms of sleep disordered breathing & snoring & breathing stoppage during sleep, 60–70 yr olds, France, 26861
nasal continuous positive airway pressure treatment, alertness & neuropsychological functioning, patients with sleep apnea with vs without hypoxemia, 9289
neuropsychological functioning & determinants of morning alertness as assessed by RT test, 29–73 yr olds with obstructive sleep apnea vs primary insomnia, 31637

Sleep Deprivation—Serials

advanced vs normal sleep timing, depressed mood, patients with major depression who had responded to sleep deprivation, 5136
age & migrant status & SES & sleep/wake schedules prior to departure vs regular & subjective daytime sleepiness & driving behavior, 18–78 yr old highway drivers during summer vacation, France, 24901
amitriptyline with vs without partial late sleep deprivation, 25–70 yr olds with major depression, 8713
amount of REM sleep deprivation, sexual behavior, male rats, 14968
attitudes toward sleep deprivation & prevalence during medical training, medical students & residents, 2 yr followup, conference presentation, 9695
binocular depth inversion induced visual perceptual illusion during psychotic & similar states, patients with schizophrenia vs alcohol withdrawal vs sleep deprived medical staff, 7992
bright vs dim light therapy after partial sleep deprivation, prevention of symptom relapse, antidepressant treated 26–69 yr olds with major depression or depressed episode of bipolar disorder, Austria, 1888
chronic haloperidol vs REM sleep deprivation, REM sleep rebound & involvement of dopamine receptor up-regulation, male rats, 38155
dopamine agonist amineptine, total sleep deprivation, adults with bipolar depression, 32354
effectiveness of Alpha Attenuation Test vs Multiple Sleep Latency Test, assessment of sleepiness during 40 hr sleep deprivation protocol, adults, implications for organizational studies, 10364
effects of sleep deprivation, rats, animal model of mania, conference presentation, 6779
eye blink & saccadic eye movements, prediction of performance decrements after fatigue in simulated flight tasks, partially sleep deprived 25–42 yr old pilots, 11048
fluoxetine with vs without total sleep deprivation, hastening of depressive symptomatology, bipolar depressed inpatients, 36417
imposed sleep wake schedule followed by sleep restriction, dysregulation of sleep latency & REM sleep & recovery sleep, 12–18 yr olds with major depression, 7903
insomniac nocturnal EEG patterns, hyperarousal & symptoms of primary insomnia, 18–50 yr old normal sleepers, 34307
lesions of preoptic anterior hypothalamus, role in heat retention & subsequent mediation of total sleep deprivation, male rats, 3063
one night of sleep deprivation & time of day, performance on letter cancellation task, 20–30 yr old males who are regular, normal sleepers, 34310
paradoxical sleep deprivation, avoidance performance & sleep recording, male rats, 25548
pretraining paradoxical sleep deprivation, 2-way active avoidance conditioning & retention, male rats, 351
previous night's sleep duration, slow wave sleep in recovery nights, 21–25 yr old males, 25536
Psychophysiological Reserve Capacity Comprehensive Evaluating System, assessment of professional reliability, healthy vs hospitalized vs sleep deprived pilots, 28618
REM sleep deprivation, reduced inhibitory potency of serotonin reuptake blockers on central serotonergic neurons in dorsal raphe nucleus, male rats, 10977
selective & total sleep deprivation, non-REM sleep vs REM sleep EEG parameters, male rats, 29450
sleep deprivation & sleep phase advance treatment, medicated vs unmedicated adults with major depression (mean age 46.7 yrs), 42879
sleep deprivation &/vs bromocriptine, eye-blink rate, 25–50 yr old males with vs without major depression, 22754
sleep deprivation, negative cognitive style self-schemes, patients with major depression (mean age 39.8 yrs), 35513
sleep deprivation, sleep & sleep regulation, prion protein deficient vs wild-type control mice, 29227
sleep loss, task performance & RT distribution functions & spectral performance of EEG, 18–24 yr olds vs 62–73 yr olds, Netherlands, conference presentation, 29463
sleep wake cycle & sleep loss & augmentation of manic episode, manic bipolar inpatients, 22746

social defeat by aggressive conspecific & sleep deprivation during rest period, stress-induced reduction in open field locomotion, male rats, 4 wk followup, 6789
time course of late night partial sleep deprivation, hormone serum levels & onset of clinical improvement, patients with major depression, 9183
total sleep deprivation & recovery, serotonergic neuronal activity in dorsal raphe nucleus, male cats, 41321
zimelidine & REM sleep deprivation, nucleus raphe dorsalis neurons & response to citalopram, male rats, animal model of depression, 6989
Sleep Disorders [See Also Hypersomnia, Insomnia, Narcolepsy, Sleepwalking]—Serials
assessment & treatment, children & adolescents with sleeplessness & excessive sleepiness & parasomnias & other sleep disorders, 12489
behavioral modification program, sleep problem extinction, severely learning disabled children (mean age 7.2 yrs) with severe & lifelong night-settling & night-waking, 13123
chronic buprenorphine treatment, sleep disturbances, cocaine- or heroin-dependent 30–40 yr old males, 9595
circadian core body temperature rhythm disorder & sleep disturbance, 12–18 olds with school refusal without physical or psychiatric disorders, 31124
clonidine, sleep disturbances, 4–12 yr olds with ADHD, 9142
comorbidity between sleep disturbance & psychopathology, adults with primary sleep complaint vs psychiatric problems vs community sample, 19096
daily hassles & mood states & sleep disturbances in 3 days before attack, female 20–49 yr old migraine patients, 19520
daily routines & sleep disorders, visually impaired 10–72 mo olds vs nonhandicapped 10–51 mo olds, 19679
demographic & cognitive impairment & other health & illness factors related to excessive sleepiness & daytime napping, risk of mortality, 65 yr olds & older, 4 yr study, 12458
depression/anxiety & chronic illness & lower exercise & social support, sleep difficulties, Black 62–99 yr olds, 19490
diagnostic features & mechanisms & primary clinical data & treatment outcomes, 17–75 yr olds with delayed sleep phase syndrome, commentary, 12484
diet & sleep disturbances, elderly with self reported environmental chemical odor intolerance or cacosmia, 1557
eating & sleeping problems, children with Prader Willi vs Williams Beuren syndrome, 8398
efficacy & dosage levels of nefazodone in treatment of spectrum of depressive disorders & anxiety & sleep disorders associated with depression, 9125
epidemiology & manifestations & psychiatric treatment of sleep disorders, infants, 31612
form & frequency of & disability caused by sleep problems & relationship to mental disorders, 15–65 yr olds in general health care, 14 countries, conference presentation, 4571
genetic disposition for primary nocturnal enuresis, 6 & 10 & 11 yr old children of 3 German families, letter, 42715
historical change in report of symptoms of insufficient sleep, 16–65 yr olds from 1930 vs 18–70 yr olds from 1980, 35965
incidence & types of sleep disorders among children with ADHD (mean age 9.3 yrs) vs with school problems (mean age 8.4 yrs), 26756
Lewy body disease, 84 yr old male with REM sleep behavior disorder, case report, commentary with reply, letter, 12473
lifetime occupational status as white collar vs blue collar worker vs tradesperson/craftsperson vs homemaker, sleep symptoms, 75 yr olds & older, 15370
light & chronotherapy, circadian rhythms & cytokines & cortisol & growth hormone levels & sleep-wake cycle, 29-yr-old female with delayed sleep phase syndrome, case report, 32629
melatonin, sleep problems, children with multiple psychiatric disorders, letter, 9112
melatonin treatment, fragmented sleep, 3–13 yr olds with mental handicaps, 16622
nocturnal activity & sleep disruption, physically & sexually abused (mean age 9.4 yrs) vs depressed (mean age 10.0 yrs) children, 42145
occurrence & nature of sleep problems & behaviors, 4–19 yr olds with Down's syndrome vs their siblings vs those with other intellectual disabilities vs without, England, 16175
pediatric sleep disorder treatment methods & DSM-IV classifications, children & adolescents, literature review, 31570
perceived sleep patterns & disturbances, parents of medicated vs unmedicated children with ADHD, 35869
plasma cortisol & circadian rhythms of temperature & pulse & BP, depressed 19–72 yr olds with good vs disturbed sleep, Bulgaria, 4108
postmortem brain stem histochemical analysis, 72 yr old male with REM sleep disorder & delayed-emergence Alzheimer's disease, case report, 31625
presenting features & cognitive & physiological mediating variables & psychobiological conceptualization of nocturnal panic & distinction from other sleep related disorders, 31069
prevalence & nature of sleep disturbances & behavioral & psychiatric symptoms, patients with Alzheimers disease, 12597
prevalence of dementia or anxiety syndromes or depression or psychotic symptoms or sleep disturbance & use of psychotropic drugs, 90–102 yr olds, Sweden, 36441
prevalence of hypnagogic & hypnopompic hallucinations & symptoms of sleep disturbances & mental disorders, 15–100 yr olds in general population, England, 31932
prevalence of self-reported sleep disturbances & association with physical & psychological health, 65–100 yr old participants of Cardiovascular Health Study, 35993
psychotropic medications prescribed, 15–100 yr olds with sleep disorders, France vs Canada, conference presentation, 27439
regional cerebral glucose metabolism, 6–12 yr olds with continuous spike & wave discharges during slow sleep, implications for etiology of Landau-Kleffner syndrome, 16349
report of National Commission on Sleep Disorder Research on status & costs of insomnia & other sleep disorders, US, conference presentation, 4561
restlessness & sleep disorder & history of hypotension lipothymia, chronobiological explanation of sundowning syndrome, elderly with dementia, 1594
serum cholesterol levels, 18–60 yr olds with recurrent sleep panic, Turkey, 12081
sex, prevalence of self-rated sleep disturbances, patients with Parkinson's disease (mean age 67 yrs) vs their spouses, Germany, 36148
sleep complaints & problems, treatment & recognition of psychological disorders in presence of psychiatric diagnosis or physical disease, 15–65 yr olds, 14 countries, conference presentation, 4538
sleep disturbances & visual hallucinations & complaints of sexual abuse, subacute sclerosing panencephalitis resulting in death, 8 yr old female, case report, 4663
sleep problems & experience & usefulness of treatment, severely intellectually disabled 5–16 yr olds & their parents, England, 16722
sleep problems, 4.4–25.6 yr olds with Sanfilippo syndrome, 12447
sleep problems, 50–89 yr old caregivers of 36–92 yr olds with dementia, 13359
subjective reports of sleep & sleep disorder, personality correlates & physical & mental health, healthy 21–79 yr olds vs 17–63 yr olds with chronic fatigue syndrome, 12487
training to 24 hr schedule, restoration of detectable melantonin, male 37 yr old with sleep–wake disorder, 32616
trazodone, sleep, military veterans with PTSD & sleep disorder, 23856
valproic acid, 14 yr old male with Kleine-Levin syndrome, case report, letter, 39792
Working Model of Child Interview to assess maternal perceptions, 16–42 yr old mothers with 2 wk–67 mo olds with failure to thrive or sleep disorders or attending infant psychiatry clinic, 37384
Sleep Inducing Drugs [See Hypnotic Drugs]

Sleep Onset—Serials
advanced vs normal sleep timing, depressed mood, patients with major depression who had responded to sleep deprivation, 5136
alcohol & caffeine & tobacco intake & exercise & bedtime activities & sleep enhancing measures, sleep duration, workers on rotating day vs night shifts, 14005
basal level of sleepiness/alertness & circadian time, sedative & performance disruptive effects of ethanol consumed after 4 vs 8 hrs in bed, health male 21–45 yr olds, 11196
Brief Psychiatric Rating Scale symptom factors & sleep onset latency & sleep time & slow wave sleep & REM minutes & latency, 19–47 yr olds with schizophrenia, 31055
cool white fluorescent light in winter, sleepiness & saliva melatonin & serum 25-hydroxyvitamin D3, 23–35 yr olds with seasonal affective disorder, 9188
dexamphetamine, reduction of opioid induced drowsiness & analgesia, cancer patients, England, 9268
doxepin, nocturnal melatonin secretion & sleep latency & efficiency & total sleep time, Ss with chronic primary insomnia, 27417
EEG correlates of auditory awareness during drowsiness, adults, 6716
effectiveness of Alpha Attenuation Test vs Multiple Sleep Latency Test, assessment of sleepiness during 40 hr sleep deprivation protocol, adults, implications for organizational studies, 10364
financial incentives & daytime sleepiness, Multiple Sleep Latency Test sleep onset, female 18–28 yr olds, 6782
holistic vs analytic processing, sleep onset & REM sleep reports, adults, test of cognitive psycholinguistic model, 2910
imposed sleep wake schedule followed by sleep restriction, dysregulation of sleep latency & REM sleep & recovery sleep, 12–18 yr olds with major depression, 7903
instructions to fall asleep quickly vs whenever under high vs low cognitive work load, sleep onset latency, college students, test of ironic process theory, 238
relationship of minute scale fluctuations in EEG spectrum to minute changes in auditory detection performance & behavioral alertness during drowsiness, adults, 14936
sleep parameters & personality & performance, college students with subjective vs objective insomnia, 31583
summed homeostatic & circadian functions in modified 3-process quantitative model of predicted alertness/sleep latency, 18224
5 vs 30 vs 90 sec sleep onset criteria, Multiple Sleep Latency Test sensitivity to low daytime sleepiness, 18–36 yr olds, 327

Sleep Wake Cycle—Serials
advanced vs normal sleep timing, depressed mood, patients with major depression who had responded to sleep deprivation, 5136
age & migrant status & SES & sleep/wake schedules prior to departure vs regular & subjective daytime sleepiness & driving behavior, 18–78 yr old highway drivers during summer vacation, France, 24901
amount & intensity of crying & disruption in sleep wake states & synchrony in interactions with mother, irritable vs nonirritable 4-16 wk olds, longitudinal study, 707
amplitude & frequency of delta wave counts during slow wave & all night sleep, negative symptoms, schizophrenic 22–39 yr old outpatients, 7969
behavior problems measured by Time-based Behavioral Disturbance Questionnaire, actigraphic measures of sleep–wake activity, 56–88 yr olds with Alzheimer's disease, 39502
behavioral state organization during quiet sleep vs active sleep vs indeterminate states, low-risk perinatal infant at 38–40 wk gestation vs 2 wks after birth, 29711
central cannabinoid receptor antagonist SR141716A, EEG effects & wakefulness & occurrence & duration of slow wave & REM sleep during sleep wake cycle, rats, 632
correlation of electrophysiological & sleep stage effects of psychoactive substances, framework for analysis of expected sleep/dream & side effects of CNS agents, 11181
cyclic alternating pattern of sleep EEG architecture & induction & maintenance, patients with panic disorder without sleep panic attacks, 12084
development & clinical application of automatic integrative interpretation of awake background EEG & detection of artifacts & reduced vigilance level, adults, 11033
diurnal & nocturnal actimeter recordings of trunk vs ankle vs dominant vs nondominant wrist motor activity, 19–33 yr olds, Netherlands, 25537
duration of sleep inertia following 1 hr nap, performance on spatial memory & logical reasoning tasks, 20–27 yr old males, 29010
felbamate vs lamotrigine vs carbamazepine vs phenobarbital, EEG REM & NREM sleep & waking in light & dark phases, male rats, 11107
flunitrazepam with vs without alpha methylparatyrosine, slow wave sleep & latency of paradoxical & total sleep time, male rats, implications for role of noradrenergic mechanisms in sleep wake cycle, 3207
forward rapid shift rotation, sleep & mood & fatigue & activity & performance, Air Force air traffic controllers, 20827
historical change in report of symptoms of insufficient sleep, 16–65 yr olds from 1930 vs 18–70 yr olds from 1980, 35965
imposed sleep wake schedule followed by sleep restriction, dysregulation of sleep latency & REM sleep & recovery sleep, 12–18 yr olds with major depression, 7903
individual differences & daily fluctuations & developmental changes, waking & fussing & crying & feeding & sleeping, 2 wk olds, 6 & 12 & 40 wk followups, England, 18520
isoproterenol infusions in medial septum region of basal forebrain, behavioral & EEG & EMG indices of waking, male rats, 29244
issues in role of melatonin in sleep-wake cycle, 29453
light & chronotherapy, circadian rhythms & cytokines & cortisol & growth hormone levels & sleep-wake cycle, 29-yr-old female with delayed sleep phase syndrome, case report, 32629
melatonin, REM & non-REM sleep time & efficiency & latency, 41–67 yr olds, 568
outdoor exercise, urinary excretion of 17-hydroxycorticosteroids & catecholamine rhythm & sleep-wake pattern, 36–51 yr old airline cockpit crewmembers, 21774
peripheral somatostatin, continuity & architecture & REM & slow wave & EEG parameters of sleep, healthy 60–73 yr olds, 29452
quantitative & qualitative aspects of sleep & awakening & napping & dreaming, 100–107 yr olds, Italy, conference presentation, 30005
rapidly rotating shift schedules & bright light exposure, performance & hormonal excretion & oral temperature & activity-sleep logs during shift work cycle, nurses, 13612
scheduled awakenings, elimination of sleepwalking, 6 yr old male & 12yr-old male & 7 yr old female, 36301
sex, adjustment of sleep–wakefulness & other circadian rhythms during consecutive night shifts, shift workers, Finland, 24792
shift work & related sleep durations & quality, alertness & cognitive task performance & work load, nuclear power plant workers, 14023
sleep deprivation & sleep phase advance treatment, medicated vs unmedicated adults with major depression (mean age 46.7 yrs), 42879
sleep duration & quality & napping strategies on morning vs day vs night shift vs days off, young workers at 1.5 & 3.5 & 5.5 yrs of shift work experience, 14020
sleep patterns, 21–55 yr old drug-naive inpatients with paranoid schizophrenic disorder, 35606
sleep-wake cycle & circadian phase & subjective mood, healthy 18–30 yr olds, 34607
sleep wake cycle & sleep loss & augmentation of manic episode, manic bipolar inpatients, 22746
sleep–wake patterns, 3–21 yr olds with mental retardation & severe behavior disorders, 31481
temazepam, nighttime sleepiness after daytime administration, males mean age 33.5 yrs, 41507

total sleep time & REM sleep during acute vs subacute withdrawal period of short term abstinence, alcoholic vs stimulant abusing patients, 1402
training to 24 hr schedule, restoration of detectable melantonin, male 37 yr old with sleep–wake disorder, 32616
zolpidem vs zopiclone vs lorazepam vs triazolam treatment, cyclic alternating pattern during non-REM normal sleep vs noise induced situational insomnia, healthy volunteers, conference presentation, 5211
zopiclone, transition from slow wave sleep to paradoxical sleep, male rats, 29546
Sleeplessness [See Insomnia]
Sleepwalking—Serials
clinical characteristics & treatment, 17–63 yr old nocturnal wanderers with vs without violent behavior, 8466
fear of suicide during sleepwalking, 42 yr old female with panic disorder who exhibited sleepwalking behavior & suicide attempts, case report, 31602
scheduled awakenings, elimination of sleepwalking, 6 yr old male & 12yr-old male & 7 yr old female, 36301
Slow Wave Sleep [See NREM Sleep]
Slums [See Poverty Areas]
Smell Perception [See Olfactory Perception]
Smiles—Serials
eye contact vs aversion during interaction over closed circuit TV vs in person, visual attention & gaze & smiling, 14–26 wk olds & mothers, Canada, 18575
manipulations of maternal touch & smiling in still & silent interactions, affective & attentional infant responses, mothers & their 5.5 yr olds, socioemotional development research implications, 7372
situational & status differences in student–student vs student–professor relationships, intention to smile & types of smiles, US vs Japanese college students, 38517
testosterone, smiles & facial appearance & dominance, 17–44 yr old college students, 38058
Smokeless Tobacco—Serials
age of onset & type & use of smokeless tobacco, male smokeless tobacco users, 7581
availability & usage of cigarettes & smokeless tobacco products, impact on oral health, Navy personnel deployed during Operation Desert Storm, 14039
demographic & psychosocial characteristics & level of dependence & tobacco product preferences, former tobacco vs current smokers from Pacific Lumber Company, 38643
gender & ethnicity, use of smokeless tobacco, high school students, implications for smokeless tobacco's fit in unidimensional model of drug involvement, 38386
personality characteristics of current (mean age 25.9 yrs) vs former (mean age 29.6 yrs) smokeless tobacco users vs nonusers (mean age 32.0 yrs), 41957
Smoking (Tobacco) [See Tobacco Smoking]
Smoking Cessation—Serials
ability of stage of change models to measure likelihood of smoking cessation, adult smokers, 2 yr follow up, 26660
accuracy & bias in real-time vs 12 wk retrospective recall of first lapse & temptation episodes, ex-smokers, 23000
action vs preparation processes & stage of smoking cessation, smoking abstinence self efficacy & temptation to smoke, pregnant vs nonpregnant female 18–39 yr olds, 5423
amount of smoking & belief in positive health consequences of quitting, smoking quit rate, less educated smokers, 20338
analysis of "Stages of Change" Model in health psychology & application to smoking cessation, 43454
behavioral vs nicotine replacement approach to smoking cessation, 9578
caffeine consumption, tobacco smoking cessation success & nicotine withdrawal symptoms, caffeine-using vs -abstaining smokers, 1 yr study, 25621
changes in social influences on smoking vs quitting, 15–18 yr olds, New Zealand, 3 yr study, 11473
cognitive-behavioral smoking treatment, smoker vs abstainer self-concepts, smokers, longitudinal study, 5421
contingency management, smoking abstinence & effect on reduced cocaine but not opiate use, methadone maintained cigarette smoking patients, 33074
cranial electrical stimulation, short-term smoking cessation, cigarette smokers, 40177
depression following smoking cessation, 24–68 yr old female smokers, 22802
effectiveness & mechanisms & costs of & adherence to behavioral & pharmacological & combined approaches to smoking cessation, literature review, 13434
effectiveness of knowledge- & skills-building workshop on treatment of nicotine dependence, chemical dependency counselors & their tobacco-smoking & alcohol-abusing clients, 27860
efficacy & implementation & national & international diffusion of interventions for smokers, Australia, 9611
exercise, weight gain, 40–75 yr old female smokers vs former smokers, followup study, 32751
extension of Transtheoretical Model of behavior change from smoking cessation to screening mammography, 9328
factors in smoking policy & success of smoking cessation programs at inner city hospital, hospital employees, 16923
factors of motivation for smoking cessation & framework for intervention, 33057
fluoxetine, tobacco smoking & alcohol drinking patterns, smokers (mean age 35.5 yrs) with major depression & alcohol dependence, 12 wk study, conference presentation, 33038
health clinic smoking cessation programs based on Doctors Helping Smokers, cessation outcomes, Native American smokers, 1 yr followup, 40168
hypnosis in smoking cessation, quitting or smoking reduction, pregnant female smokers, Norway, 9620
hypothetical models & statistical implications of cluster effects on design & analysis of evaluation studies of smoking cessation interventions where effects vary between practices or practitioners, 9569
incidence of major depression following successful smoking cessation treatment with clonidine, patients with history of no vs single vs recurrent major depression (mean age 45.6 yrs), 3 mo followup, 24301
interaction of processes & stages of change, smoking cessation intervention volunteers in contemplation or preparation to quit stage, 6 mo followup, application of transtheoretical model, 13446
later stage of smoking cessation, practice of healthful behaviors, adults who were current smokers vs had quit within past yr, implications for lifestyle based health promotion, 24089
likelihood of smoking cessation, 21–30 yr olds with current vs past alcoholism, 31297
likelihood of success & cost & convenience in choice of assisted vs unassisted stop smoking methods, college students, 5409
mood management vs health education in smoking cessation intervention with vs without nicotine gum, mood & withdrawal symptoms, 22–65 yr olds with vs without history of major depressive disorder, 9580
motivation level for smoking cessation, patients with schizophrenia, 30924
movement through stages of change for naturalistic smoking cessation, smokers & former smokers, 2 yr study, 9599
multicomponent smoking cessation program with baseline & treatment & postcessation phases, smokers, 20312
multiple behavioral intervention, smoking cessation, 30 & 34 yr old male smokers, longitudinal study, 16971
national trends in & prevalence & health consequences of smoking & cessation methods, adults, 36807
negative affect & prediction of smoking motivation & nicotine dependence & withdrawal symptoms, smokers, 36801
negative affect & smoking withdrawal & drug dependency, implications for behavioral therapy research, commentary, 36788
nicotine dependence & concentration of carbon monoxide in expired air & number of cigarettes smoked, prediction of abstinence, adults in smoking cessation program, 1 yr follow up, 5402
nicotine dependence & self-efficacy & attributions & affective reactions to initial smoking lapse, prediction of progression & characteristics of relapse, adults in smoking cessation program, 9615

nicotine nasal spray, smoking cessation, 30–70 yr olds with chronic obstructive pulmonary disease & chronic bronchitis, 42696
nicotine patch & self help video, cigarette smoking cessation, smokers, 40169
nicotine polacrilex gum, smoking cessation, highly nicotine dependent smokers, 33047
nicotine withdrawal effects on anger & depression & craving & appetite & confusion & tension, time to relapse following abstinence, 22–63 yr old ex-smokers, 5424
ondansetron, cigarette withdrawal symptoms & continuous abstinence, smokers in group treatment, 9621
perceptions of health risk associated with smoking relapse & commitment to quitting & self concept, adults in smoking cessation clinic, implications for cognitive dissonance theory, 16965
personality characteristics & spontaneous modification of smoking habits, persistent vs non- vs exsmokers after their 1st myocardial infarction, 5 mo followup, Netherlands, 31718
pharmacologic & nonpharmacologic treatments for cigarette smoking cessation, 16980
postcessation craving & ability to abstain, smokers, 30310
practice guidelines & policy recommendations for smoking cessation strategies, primary care physicians & smoking cessation specialists & health care administrators & insurers, 20309
presence & number of dependent children at home, rates of smoking cessation, male vs female 16–49 yr olds, UK, 24311
provision & inclusion of smoking cessation treatment in healthcare practice, 36798
reasons for doctor visit & readiness to quit smoking, frequency of smoking cessation interventions by primary care physicians, adult smokers, 36805
reasons for smoking & importance of personal beliefs in smoking cessation programs, male smokers, Nigeria, 22401
reasons for smoking & perceptions of effective smoking prevention strategies, African American vs Latino vs other 7th graders, 5418
relapse intervention component of Lung Health Study, smoking cessation program participants, 5 yr longitudinal study, 40175
self efficacy & temptation strength, smoking cessation attempts, adult smokers, Australia, 2081
short-term effects & evaluation of anti-smoking mass media campaign, 15–16 yr old smokers & nonsmokers, Norway, 9577
signal detection algorithm, analysis of interactive effects of depression & nicotine dependence & weight change on late smoking relapse, ex-smokers, 9593
smoke free policy, recruitment to & retention in residential substance abuse treatment program, 13–17 yr olds, 5411
smoker networks & perceptions of typical smoker, predictions of smoking status, adult smokers at cessation clinic, 1 yr study, 13427
smoking abstinence & nicotine withdrawal, facilitation of processing of smoking related stimuli, heavy smokers, 6937
smoking ban, attitudes & unit milieu, patients & staff in locked psychiatric unit, 4 mo followup, 5361
smoking ban, attitudes & unit milieu, patients & staff in locked psychiatric unit, 4 mo followup, commentary reply, 36765
smoking ban, attitudes & unit milieu, patients & staff in locked psychiatric unit, 4 mo followup, commentary, 36772
smoking behavior & cessation, males vs females with major depression, 30846
smoking behavior & nicotine replacement products, female smokers, 33070
smoking behavior & smoking cessation, African Americans, 33029
smoking cessation, body weight, point prevalent vs continuously abstinent smokers, 1 yr study, 24315
smoking cessation, ethanol consumption patterns, 35–60 yr olds, 9604
smoking cessation, health related quality of life, 18–65 yr old smokers, 32763
smoking cessation intervention vs usual prenatal care, stages of smoking change at 1st & 2nd & 36th -wk prenatal visits, low income pregnant females, 5422
smoking cessation interventions, smokers with present or past alcohol dependence, 33049
smoking, standard treatment vs behavioral counseling with physical exercise vs with nicotine gum, recovering alcoholics (mean age 41.8 yrs) with 3 mo abstinence from smoking & other drugs, 12 mo study, 20326
stage paradigm & integration of clinical & public health approach to smoking cessation, 9610
strategy for incorporating social support into community tobacco smoking cessation contest, 25–74 yr old smokers & their designated support persons, 27783
stress & social support & other psychosocial factors, smoking cessation & related mortality, under 50 to over 70 yr olds with acute myocardial infarction, 5.6–6.9 yr followup, England, 12560
team & brief counseling & video & written material & telephone call approach to tobacco cessation interventions in health care settings, 9594
telephone counseling for smoking cessation, 24331
temptations to smoke after quitting, adults who quit smoking & maintain abstinence vs adults who quit & then lapse, 13452
tobacco smoking cessation & development of major depressive disorder, adults (mean age 50 yrs), 30826
transdermal nicotine, smoking cessation, Hispanic adults, 33055
transdermal nicotine with smoking cessation therapy, amelioration of tobacco withdrawal symptoms, smokers, 16753
urge intensity & temptation episodes, prediction of subsequent lapse risk, adult smokers who recently quit, 18825
use of nicotine replacement therapy & provider support & problem solving & coping training, adults in smoking cessation programs, 36808
weight concerns & smoking related self-efficacy, 20–64 yr old women smokers in smoking cessation intervention, 33063
weight gain concern, cessation rates & quit attempts & stage of change progress for smoking cessation, smoking employees of companies with vs without health promotion program, 2-yr study, 43450
weight gain, smoking cessation intervention, adults, 1 & 6 & 12 mo followups, 36800
Working Well worksite nutritional change & smoking cessation intervention, cancer prevention, employees, 2-yr study, 32761
workplace smoking ban, quitting rate & movement on stages of change quitting continuum, current vs former smokers employed in hospitals, 1 yr followup, 20468
worksite stepped care smoking cessation program, smokers, 17283

Snake Phobia [See Ophidiophobia]

Snuff [See Smokeless Tobacco]

Sobriety—Serials

abstinence, alcohol consumption patterns & psychological functioning & clinical symptomology, 28–59 yr old male abstinent alcohol dependent patients, 6 mo study, Sweden, 8287
acamprosate, alcohol abstinence, newly detoxified alcohol dependent 21–65 yr olds, Germany, 48 wk followup, 2074
alcohol consumption levels, BP, female alcohol abstainers vs moderate vs heavy drinkers vs alcoholics, use of BP in diagnosis of alcohol abuse, 12258
alcohol consumption vs abstinence, perception of consequences of risk taking, female moderate heavy drinkers (mean age 22 yrs), 18819
attitudes of members of Alcoholics Anonymous on the organization's agenda, 60–82 yr olds who have achieved 15–50 consecutive yrs of sobriety, 24329
choice of abstinence vs moderate drinking in outpatient behavioral self management treatment, chronic alcoholic clients, 12 mo followup, 40166
corticotropin releasing factor stimulation test & insulin induced hypoglycemia & DST, ACTH & cortisol levels, alcoholic male 42–60 yr olds in 1st 2 wks of abstinence, Italy, hypothalamo-pituitary-adrenal function implications, 4320

demographic variables as related to length of sobriety, adult female patients in a long-term residential treatment facility, 27782
detoxification & subsequent abstinence, alexithymia, psychoactive substance dependent patients, 2073
drinking related locus of control, alcoholic vs recovering alcoholic vs non-alcoholic males, 4337
drinking related locus of control, alcoholic vs recovering alcoholic vs non-alcoholic males, commentary, 8292
effects of Completion/Integration Healing process, high bottom drinkers & enablers & recovering alcoholics, 33037
fluoxetine, abstinence, 21–65 yr old detoxified alcoholics, 20321
frequency of alcohol use vs abstinence, older urban American Indians, commentary, 3724
household composition & health & physical functioning & tribal affiliation, frequency of alcohol use vs abstinence, male vs female urban 38–60 vs 61–91 yr old American Indians, 3716
length of alcohol abstinence, TRH/TSH responses, euthymic alcoholics, 4350
long term recovery & effects of therapy, 25–60 yr olds in Alcoholics Anonymous, 33076
moderate drinking vs abstinence from alcohol, coping style & mental absorption & sensation seeking & affect inhibition, undergraduates (mean age 21.9 yrs), Norway, 15559
plasma HVA, recently abstinent alcohol dependent males, commentary reply, letter, 23052
plasma HVA, recently abstinent alcohol dependent males, commentary, letter, 23068
positive & negative expectancies & values & post-discharge abstinence survivorship, 23–68 yr old alcohol abusers, 1 yr followup, 13433
positive social identities & perceived social support at substance abuse treatment entry, outcome measured by abstinence status, alcohol &/or cocaine abusing 23–60 yr olds, 3 & 6 mo followups, 5426
program philosophy & membership in Women for Sobriety, cognitive approach to recovery, group members, 24313
psychosocial status & changes in self esteem & motivation & depression & neuropsychological function associated with alcohol abstinence, substance abuse clients, 40179
relapse precipitants & reasons & methods for stopping drinking again, abstinence seeking alcohol dependent 23–65 yr olds in outpatient treatment programs, Canada, 43449
SES & alcohol drinking patterns, 60 & 70 yr old males originally assessed for alcohol abuse at 47 yrs old, 23 yr longitudinal study, 8283
sex, abstinence & drinking behavior & relation to gender roles in society, adults, 1958–93, Netherlands, 23079
sobriety, hemodynamic mechanisms of persistent transitory vs borderline hypertension vs normotension, male alcoholic inpatients, 1392
treatment & patient & research design characteristics, abstinence rates following alcohol abuse treatment, alcohol abusers, 20328
12-yr alcohol & marijuana & amphetamine abuse & subsequent rehabilitation & abstinence, 23-yr-old White male, case report, 13450

Soccer—Serials

achievement goals & perceived purposes of soccer, English 15–35 yr old semiprofessional & amateur soccer players, 43843
comparison of intense loyalty achieved by football clubs with brand loyalty, UK, 43872
creativity, coping with stress & soccer efficiency, 14–17 yr old male soccer players, Slovakia, 38392
relationship between perception of disadvantageous inequity & vulnerability to dropping out, youth male soccer players at a soccer school, 43854

Sociability—Serials

body image & social adjustment, 11–21 yr olds who completed cancer treatment, 19571
drug & alcohol use, sociability & rebelliousness & deviant behavior & school problems, male vs female 10th graders, 31311
frontal EEG asymmetry & sociability, maladaptive behavior, 4 yr olds interacting in play quartets, 7325
intercorrelation matrix of shyness & sociability items on Portuguese personality scales, measurement of distinct personality dispositions, college students, Portugal, 17611
SES & cognitive development & social responsiveness & initiation, high risk vs low risk children with low birth weights vs full term children, 3 yr study, 34807
sociability & impulsivity in extraversion, effects of haloperidol on critical flicker fusion frequency & arousal, males (mean age 27.66 yrs), 34643
social competence & expectations of rejection & perfectionistic orientations, prediction of shyness, 18–25 yr old college students, Canada, 35330

Social Acceptance—Serials

abstractness vs concreteness of social acceptability & objective life accomplishments, social response to mental disorder, female undergraduates, 19118
brief interpersonal group therapy, academic achievement & self concept & social acceptance & locus of control, low achieving 2nd–6th graders, Israel, 19847
classroom based social skills training program with coaching & social problem solving approaches, social skills & acceptance & problem behaviors, 9–12 yr olds with learning disabilities, Canada, 28088
classroom vs eating vs reading vs TV vs playground context & ethnic group, preferences for physically different peers as playmates, 2.9–6.4 yr old males vs females, 18601
clinical & family & first person perspectives on & images of social lives of individuals with schizophrenia, 26491
concerns about rejection & powerlessness & death in counseling process, clients with HIV/AIDS, 13125
construct validity & developmental appropriateness of Pictorial Scale of Perceived Competence & Social Acceptance for Young Children, urban African-American 4.0–5.3 yr olds in Head Start, 2516
cooperative vs regular classroom structure, academic task values for mathematics & language & perceptions of personal social satisfaction, junior high school students, New Zealand, 24661
expression of acceptance to homosexual clients, art therapists, 16682
hospital vs community residence label & behavior, social acceptance vs rejection of mentally ill persons, 18+ yr old community members living near hospital or hostel, 11894
instrumental & symbolic functions of attitudes, rejection of individuals infected with HIV, college students & community adults, 19538
interaction frequency & peer & teacher perceptions of social behaviors, social acceptance & rejection, mentally retarded children (mean age 11.3 yrs) in special education settings, 20675
internal working model of self & maternal attachment, competence & social acceptance & adjustment & self esteem, 4.5–6.2 yr olds, Belgium, 18628
issues & problems around adjustment to gay identity & social acceptance, young adult males with learning disabilities, 16149
level of narcissism of & gender of & interest in interaction with or rejection of target, male vs female 18–54 yr olds, 18949
level of self esteem & "if...then" expectancies of interpersonal acceptance, 18–44 yr olds, 15566
mainstreamed vs specialized settings, social acceptance & integration, developmentally delayed vs typically developing male 4.3–5.5 yr olds, 9975
musical taste & racism & democratic liberalism & social status & education level & symbolic cultural exclusion, adults, conference presentation, 30420
parental expressed affect & control behaviors, classroom social acceptance, 4.8–6.4 yr olds, longitudinal study, 11442
peer acceptability of image of model & Black students, high achieving African American 11th graders in desegregated urban college preparatory vs comprehensive high schools, 5679
peer acceptance & social status of children who like vs dislike them, 4th & 5th graders, 18602
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary reply, 18597

perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, 18596
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary, 18543
perception of maternal acceptance vs rejection, 7–11 yr olds, 7 yr followup, implications for reliability of retrospective recollections, 18547
physical & relational aggression & prosocial behavior, peer rejection & acceptance & reciprocal friendships, male vs female 3rd vs 6th graders, 22132
popular vs rejected vs neglected vs average vs controversial social status & psychosocial adjustment & academic competence, male vs female 10–12 vs 13–16 yr old students, Greece, 3437
progression of HIV-infection, gay males sensitive to social rejection, 9 yr study, 19537
psychometrics of peer treatment measure assessing relation between overt & relational victimization & social acceptance, male vs female 3rd–6th graders, 29861
recipient need & efficacious caring, reactions to rejection vs acceptance of help, college students, 11692
responses to peer conflicts involving rights infraction, well vs low accepted 4th & 5th graders, 34915
self- vs other-directed feedback, perceived social status of self vs peers, aggressive- vs nonaggressive-rejected vs average status 4th graders, 3496
self & other acceptance & emotional climate, college students in personal development groups, application of interpersonal theory to small group processes, 38666
self & other ratings of social acceptance & academic & athletic competence & physical appearance & behavioral conduct, male & female 3rd & 6th graders & their parents & teachers & peers, 22092
sex & age, peer acceptance & social status & peer nominated social behaviors, 3–10 yr olds in mixed age preschool or elementary school programs, 34928
social acceptance & academic achievement in multicultural school, Black & White 12 & 13 yr olds, Zimbabwe, 24619
social acceptance, aggressive problem-solving & behavior, male vs female 14 yr olds, Finland, 11461
social acceptance vs rejection vs preference vs liking, friendship & popularity, 3rd vs 4th vs 5th vs 6th graders, 9944
social behavior & cognitive skills, social status, accepted vs rejected children with mental retardation, 35926
social competence & expectations of rejection & perfectionistic orientations, prediction of shyness, 18–25 yr old college students, Canada, 35330
social exemplars, social behavior & group inclusion, autistic 2nd–4th grade special education students, 2232
social failure vs heritable dispositions, high vs low psychological effort put forth to obtain & guard short-term mates, 13–20 yr old brother pairs & sister pairs, 38678
social reputation & preference or acceptance of children, sampling bias, teachers & 2nd–12th graders with vs without parental permission to participate in classroom research, 24655
social status & characteristics of frustrator's car during traffic jam, aggressive responses, blocked drivers, Germany, 18879
social tolerance & individual use of & attitudes toward marijuana, 22–47 yr olds, implications for social learning theory of control, 26665
sociometric choices & short term psychodrama workshops, development of feelings of warmth & trust, 21–52 yr olds, Russia vs Bulgaria, 13113
sociometric status, male vs female 6th grade bullies & their victims, 18615
status elevation ceremonies, deconstruction of degraded identities & reconstruction of new identity & socially acceptable elevated status, actors with degraded identities in Alcoholics Anonymous, 3829
stereotypic attitudes & behavioral intentions toward physically handicapped peer, 3rd–6th graders, 4553
stranger vs acquaintance & relationship duration & symptom specificity & gender & depression & rejection from roommate & raters, college students, 26167
structural model of association between body dysphoria & social pressure for thinness & self-esteem & depression & menses, eating disorder symptoms in 8–13 yr old females, conference presentation, 31541
surprise task as therapeutic directive in family therapy, female 14 yr old humiliated by teasing, case report, 12867
victim vs bully vs outsider roles in bullying process & social acceptance vs rejection & belongingness to group, self estimated behavior in bullying situations, male vs female 12–13 yr olds, Finland, 3476

Social Adaptation [See Social Adjustment]

Social Adjustment—Serials

adaptive social role of gangsta persona, 14 yr old Black male, case report, 41965
adult mental health & illegal behavior & relationship & family formation, 14 yr old females with depression vs conduct disorder, 7 yr study, 26337
age & sex & type of school, social & behavior problems, Arabic speaking vs bilingual 14–17 yr olds, Algeria, 22105
age & sex, family integration & self-esteem & school achievement & peer relations & racial & ethnic identity, 12–17 & 18–25 yr old inter-country adoptees, Canada, 29946
age & type of onset & sex, social functioning & development of social disability during prodromal vs psychotic prephases, schizophrenic patients, 2 yr followup, 7963
application of R. Rubin's model of taking-in & taking-hold to psychosocial development after several days of postpartum hospitalization & as basis of postpartum nursing, contemporary mothers, 22300
association with peers of major American racial groups & assimilation & social adjustment, Vietnamese American high school students (mean age 16 yrs), 41680
behaviorally oriented social skills training &/vs supportive group therapy &/vs fluphenazine, psychotic relapse & social adjustment, male outpatients with schizophrenia, 19695
biological risk factors during pregnancy & delivery & neonatal period & social adversity during pregnancy, prediction of mildly impaired or borderline scores on PPVT, 5 yr olds, 23169
childhood reading difficulties, transition to adulthood & early adult psychosocial functioning, poor vs normal readers, 29896
chronic exposure to community violence & other risk factors, social & emotional adjustment, urban African American school age children, 15290
clinical outcome & social adjustment, long-stay psychiatric hospital patients discharged to community facilities, 1 yr followup, 13307
coercion model of parental distress & acceptance & relations with children & children's adjustment & effects of social pressure & social support, 28–59 yr old single parents, China, 41895
communication function, hearing impaired elderly in residential care, Canada, 2 yr study, 2036
comorbid Axis I & Axis II diagnosis, psychosocial adjustment & health status, 14–70 yr old heart or kidney or lung or liver transplant candidates, 1927
comorbidity & life stress & duration & severity, social functioning, 18–60 yr olds with episodic depression vs dysthymia with vs without concurrent major depression, 4105
compatibility & similarity of new behavioral rules to related vs unrelated old rules & short vs long training condition, simulated cultural adaptation, 13–14 yr old students, China, 22244
conceptual model of aggregation & amplification of marginal deviations in social construction of personality & maladjustment, children, 779
conceptual models of disability & WHO International Classification of Impairments & Disabilities & Handicaps, assessment of social dysfunction, 28526
conceptualization & assessment & intervention aspects of psychological & educational service delivery, preschool age children with internalizing & externalizing social–emotional problems, 26624

confirmatory factor analysis of Weinberger Adjustment Inventory, self report measure of general social emotional adjustment, clinical vs nonclinical 10–17 vs 18–30 vs 31–65 yr olds, 34034
construct validity of Inventory of Interpersonal Problems, typology of interpersonal problems & perceptions of psychodynamic psychotherapy sessions, clients & therapists, 2598
construction & evaluation of the Social Adaptation Self-evaluation Scale, assessment of social motivation & behavior, 18–65 yr olds with & without major depression, 37426
coping styles as predictors of college adjustment, college freshmen, application of F. B. Tyler's psychosocial model, 40449
course & duration of illness & social adjustment, 15–54 yr old patients with 1st episode of schizophrenia, 1 & 2 & 13 yr follow-up, 31013
course of anxiety after stroke in relation to depressive symptoms & impairment in activities of daily living & social functioning, stroke patients (mean age 58.1 yrs), 3 & 6 & 12 & 24 mo followups, 39012
course of disorder & educational/occupational outcome & social functioning, inpatients less than 18 yrs old with schizoaffective episodes, Germany, followup study, 35607
cross informant variance in perceptions of patient's social & psychological adjustment, 5–13 yr old newly diagnosed pediatric cancer patients, 23352
cultural expectations & causal attribution of adaptive behavior of foreign manager with host country subordinates, management students (mean age 22 yrs), 43775
demographic & past & current psychiatric & adaptation process data & onset time of psychiatric episodes, English speaking temporary residents, Japan, 30647
demographics & therapy characteristics & symptoms & social integration & activities of daily living, geriatric clients with schizophrenia evaluated by their case managers, 30 mo study, 4180
design & tailoring of differential intervention packages, female 13–19 yr olds with social & personality distress, Israel, 4734
development & delivery of wraparound individualized case management model, community adjustment, youth at risk for residential treatment, 9425
development of childrens' narrative representations of mothers in relation to childrens' & mothers' socioemotional adaptation, 4 yr olds & their mothers, 1 yr followup, 29911
disturbed thoughts vs social withdrawal vs depression vs antisocial behavior, symptoms & social functioning, community dwelling vs acute vs long stay schizophrenic 19–60 yr olds, England, 7964
early college entrance, academic performance & social adjustment, gifted college students, 10001
education groups focused on information about condition, quality of life & social functioning & social networks, schizophrenic patients, Scotland, 4138
educational & career & access & social & psychological issues, well-being & social integration, 13–25 yr olds with hearing impairment, Canada, 1649
effects of 5 types of shift schedule changes, health & social life & attitudes toward new shift system, workers, 14006
emotionally stressful life events, psychopathology & illness related psychosocial changes, patients with benign essential blepharospasm vs hemifacial spasm, 12482
experience of aging & moving out of the parental home after age 40 yrs, 55 yr olds & older with intellectual disabilities, Australia, 39288
family relationships, adolescent social competence & cognitive agency & externalizing behavior, nondivorced vs stepfather families with 9–13 yr old children, 38540
group therapy conducted by graduate students & professor, psychosocial functioning, 6–16 yr old psychiatric hospital & residential treatment facility patients, 32216
health behaviors such as tobacco or alcohol use & indicators of social adjustment & psychosomatic symptoms, 11–15 yr olds with vs without asthma, Australia, 16230
health status perception & pain & role functioning due to physical & emotional & social problems, outpatients at clinical liaison psychiatry clinic vs mood disorder clinic, 3996
interpersonal & academic competence & quality of direct family interactions, psychiatrically hospitalized 7–14 yr olds with depression vs schizophrenia spectrum disorders, 26391
issues & problems around adjustment to gay identity & social acceptance, young adult males with learning disabilities, 16149
juvenile justice diversion program participation & drug use & self labels & societal bonds, 13–17 yr old male vs female substance users, followup, application of control vs labeling theory, 26658
kindergarten retention & current & subsequent social adjustment & academic performance, 57–80-mo-old retained children vs promoted age mates vs classmates in repeated yr, longitudinal study, 33508
life satisfaction & adjustment & problems, gainfully employed vs unemployed student vs unemployed nonstudent outpatients with spinal cord injury (mean age 38.8 yrs), 39380
limb salvage procedure vs initial amputation, psychosocial adaptation & psychological symptoms & coping skills, 11–24 yr olds with bone sarcomas, 24014
maternal gestational stress, adaptive & social behavior, 36–50 mo old adolescent rhesus monkeys, 21786
meaning & experience of involuntary intra-institutional relocation to assisted living, elderly religious sisters living in retirement facility, 9511
measures of community function in persons with serious mental illness, literature review, 1986–1996, 37365
mental health status & social circumstances, adolescents released from juvenile detention, Australia, 1 yr followup, 31382
model for integrated assessment approach to social difficulties, students with learning disabilities, 28063
mothers' teaching interactions & social & emotional & cognitive adjustment in 1st grade, high social risk mothers & their 20 mo olds, longitudinal study, 33498
mutual recognition in psychodynamic group psychotherapy, 13–17 yr olds with learning disabilities & related psychosocial problems, 8902
mutuality in parent–child play & children's social competence, 45–76 mo olds & parents, 38570
neurocognitive deficits & functioning, schizophrenic patients, literature review, commentary, 22849
neuropsychological assets & deficits & patterns & degrees of psychosocial functioning & subtypes of learning disabilities, children, 4417
nonsatisfactory basic skills as measured by standardized achievement tests, social maladjustment both before & after late adolescence, Swedish males, longitudinal study, 25905
nonshared environmental experiences & parental treatment, social & emotional adjustment, 10–18 yr old monozygotic twins, 7360
nonverbal receptive social-processing abilities, internalizing vs externalizing 9–14 yr olds in psychological treatment, 42209
ongoing stressful & problem situations, social & emotional functioning, 12–17 yr olds with cystic fibrosis & parents & health care professionals, application of behavior-analytic model, 24019
overt & relational aggression & prosocial behavior, prediction of future social adjustment, male vs female 3rd–6th graders, 18549
paroxetine, anxiety & avoidance & depression & functioning, patients (mean age 33.3 yrs) with social phobia, 32462
pattern of psychological & social problems & psychiatric illness, 12–88 yr old dermatology outpatients referred to liaison psychiatrist, 31639
perceived self competence & intellectual ability & emotional understanding & social adaptation, high functioning autistic 9–16 yr olds, reprint, 31412

perception of migration-related health & social & cultural adaptation problems & problem resolution techniques, immigrant families vs health & social service network practitioners, Canada, 43384
planning-oriented vs avoidant vs impulsive social reaction styles & well-being & social adjustment & behavior, 18–32 yr olds, application of person-oriented approach, longitudinal study, Finland, 22467
political system lived, latent aspects of psyche & adjustment to emigration to US, male Polish immigrant analysand, 32288
political system lived, latent aspects of psyche & adjustment to emigration to US, male Polish immigrant analysand, commentary, 32308
presence & characteristics & functional impact of nonobscene socially inappropriate behavior, 14–82 yr olds with Tourette's syndrome, US & UK, 1591
psychiatric & psychosocial & neuropsychological outcome, 6–17 yr old brothers of children with ADHD, 4 yr followup, 26751
psychiatric morbidity & social adjustment & criminological characteristics, 16–69 yr old female prisoners, Australia, 12294
psychiatric symptoms & social adjustment, 5–14 yr old survivors of parent or sibling suicide, 31246
psychological & social & interpersonal functioning & risk for physical & sexual assault, stalking victims, 35734

own vs public perceptions of attitudes toward law & police & stereotypes, 18–60 yr old police & members of public, Scotland, 1029
parallels of S. Guisinger & S. J. Blatt's & A. Adler's observations & formulations in personality development & social interest & cultures & evolution, 15757
paternally vs maternally derived X chromosome, social cognition, 6–25 yr old females with Turner's syndrome, 39396
personalization vs context in cognitive activation of behavior labels vs actor–trait links, inference assimilation in subsequent nontarget person judgments, adults, 3831
place of TV violence in social work interactions, social workers & 6–10 yr olds, 22477
positive vs negative constructive biases in social judgment elicited by questions about participants in videotaped discussion, college students, Germany, 11683
prepared vs unprepared child witness & standard vs repetitive vs concrete expert testimony levels in mock sexual abuse trial, educational vs influential impacts on decision making, 18–46 yr old jurors, 24941
processing & evaluation of supportive or helpful interactions, dysphoric vs nondysphoric 10–13 yr olds, 35568
property for individual use vs social power & for groups vs individuals, intergroup resource allocations, college students, 26206
psychodynamic & social identity & cultural theory, pattern of social representations of crises & self protection through group identity, 3812
psychological situation & social cognition model of stress responses, HIV/AIDS patients, implications for psychotherapeutic assessment, 12511
relation of mass communication to socially differentiated groups, influence on & reflection of social representations, 3828
relative group status, differential processing effect in cognitive individuation of ingroup vs outgroup, graduates vs undergraduates & college sophomores vs freshmen, 30441
scores on Halstead-Reitan Neuropsychological Battery & WAIS-R & Wechsler Memory Scale & assessment of social judgment, elderly with multi-infarct dementia vs dementia of Alzheimer's type, 4659
secure vs avoidant vs anxious attachment style, emotional & behavioral & cognitive experiences of romantic jealousy, college students, 22439
self perceptions & perceptions of others & estimation of others' perceptions of self & ratings of liking, college students, test of Social Relations Model, 15634
sense of coherence, psychological distress & depression & anxiety following Hurricane Hugo, 17–45 yr olds, 15879
sensitivity of contingency judgments of events in social & nonsocial situations, adults, 38711
situating action & cognitivism & alternate approach to research & theory, 18878
social behavior & cognitive skills, social status, accepted vs rejected children with mental retardation, 35926
social cognition, 7–11 yr olds with phonologic-syntactic vs semantic-pragmatic developmental language disorder vs high-level autism, neuropsychological implications, 11860
social cognitions about sibling vs peer expected vs prescribed behavior in role as bystander of aggressive act, male vs female 4th vs 6th vs 8th graders, 15255
social cognitive & reference point model of 2 party price negotiations, MBA students, 14586
social cognitive ability of person perception, 7–12 yr olds with pervasive developmental disorder not otherwise specified, 4409
social cognitive approach to achievement motivation, female former elite gymnast, 24806
social cognitive framework for analysis of cognitive process factors in propensity for sexual offending, 16102
social cognitive model of schizophrenia symptomatology & role of nonsocial vs social cognition in disorder etiology & development, 15945
social-cognitive predictors of fruit & vegetable intake, 7–11 yr olds, 29724
social cognitive theory & correlates of early onset of sexual intercourse, female adolescents, 1984–1994, literature review, 41710
social cognitive vs gender & power theory based intervention, HIV risk reduction, incarcerated 17–53 yr old females, 6 mo followup, 36828
social representation paradigm as social construction & discourse analysis, approach to scientific understanding of social phenomena, 3837
social representations of aggression & forms of aggressive behavior & level of indirect aggression, male vs female undergraduates, England, 35264
social–cognition expectations, mathematical interest & performance, high school students, 20620
theoretical developments in cross cultural social & organizational psychology & social cognition & group processes & organizational behavior, literature review, 15560
theory of personal constructs & relationship between materialism & cognition, 2812
theory of social representations based on polarities of post-Hegelian social science & implications for need for independent thinkers to free themselves from constraints of symbolic social environment, 3822
threat appraisal, affect & intrusive cognitions & cognitive test performance, female college freshmen, 30499
time pressure, attributions & solutions in hypothetical social problem situations, aggressive vs nonaggressive 8.7–11.8 yr old males, 29856
twofold retrieval by associative pathways free recall & frequency estimation model as predictor of incongruency & expectancy based illusory correlation effects, college students, US & Portugal, 10719
understanding of & explanation for ethnic discrimination, Dutch & ethnic minority 10–13 yr olds, Netherlands, 22145
understanding of others' biased interpretation of ambiguous visual information, 4 vs 5 vs 6 vs 7 yr olds, 3378
use of Abraham Lincoln's image during WWII & social frames of memory, Americans living in 1940's, 30440
use of relationship knowledge schemas in social cognition, 18881
Western individualistic educational practices vs Soviet collectivist culture, social decision-making strategies, adolescents, Finland vs Estonia, 15229

Social Comparison—Serials

affective & self-evaluative & behavioral responses to objective vs social comparison information, college students, 30432
age at maturation & negative verbal commentary about physical appearance & social comparison & sociocultural pressures, body image & eating disturbance, female 17–30 yr olds, 4474
age, influence of social vs temporal comparison appraisals on global self-ratings in health & income & memory, 53–90 yr olds, 38468
age, use of temporal vs social comparison, 18–87 yr olds, 25736
application of methods of agreement &/or difference to dispositional attribution & causal explanations, 1st-yr students, 42031
biases favoring color white vs color black & favoring light-skinned vs dark-skinned human figures, 5 vs 8 yr old students, Portugal, 34938
biases toward self-enhancement in self-reports vs peer-reports of social network & academic achievement & competence values, 4th & 7th graders, Hong Kong, 9953
comparative feedback on energy saving, energy consumption behavior & beliefs, metallurgic plant employees, Netherlands, 17481
construction of gender & class identities based on denigration of minorities, White working-class male adolescents & adults, 30424
contextual information & comparison standard, self–other probability judgments & optimism, college students, Netherlands, 3931

defensive comparison of teaching effectiveness of close friend & colleague teaching same subject matter, high school teachers, 43584
definition of social class & perception of self as middle class, differentiation of self from others on basis of lifestyle & housing & money & speech & dress & behavior, 14–18 yr olds, England, 7359
differential comparison standards, agreement between job performance ratings, supervisors vs employees, 13934
familiarity, perceptions of outgroup vs ingroup feature homogeneity, male vs female 18–75 yr olds & undergraduate vs MBA students, 3821
high vs low group identification & ingroup vs outgroup vs self evaluations, college students, Finland, 35275
identification with low vs unknown status in-group with permeable vs impermeable boundaries, desire for individual mobility to another group, 16–34 yr old college students, Netherlands, 22419
information about peers' healthy behavior, unrealistic optimism & self-frequency ratings of risky behavior, college students, 3919
intergroup evaluations, self esteem motivations, 14–16 yr olds with low vs high collective self esteem, Netherlands, 22144
intra & interindividual comparison of respect vs admiration vs aggrandizement in evaluation of self &/vs others, application of A. Smith's "Theory of Moral Sentiments", 22540
knowledge of performance & performance-related attributes information about another person, affective reactions to & perceptions of one's own task performance, male college students, 26258
level of private & social self-concepts & social conflict, technically vs non-technically educated employed vs unemployed 27–32 yr old males, India, 24709
load vs no load & social vs nonsocial judgement conditions, accessibility of dominance ideation in parent-child relationships, parents (mean age 40.77 yrs) with high vs low-perceived power, 35263
methods & procedures in social comparison research, 2740
mortality salience & social identity, intergroup bias in ratings of personality characteristics, college students, 7613
objective vs subjective judgment & self vs other judgment scale anchor, assimilative & contrastive associations between self & other judgments, college students, 38695
pay status & competitive wage structure, organizational attachment & commitment, police personnel, application of R. H. Frank's economic social comparison theory, 24956
perceived influence of desirable vs undesirable media messages, attitudes compared with average peer, 18–44 yr olds, Netherlands, implications for self enhancement explanation of 3rd person effect, 7157
personal evaluations of social comparisons & submissive behavior & shame proneness & social rank, confidence & depression, college students, UK, 3900
prevalence of comparatively perceived superiority of intimate relationship & satisfaction, adults, Netherlands, 42011
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26212
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary, 26203
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26199
property for individual use vs social power & for groups vs individuals, intergroup resource allocations, college students, 26206
race & geographic location of actors, favorable rating, 18–41 yr olds, implications for in-group bias theory, 26210
relevancy of superstar as role model & attainability of their success, self-views, adults, 35337
religiosity & gender, social judgments of sexual activity & double standards, adolescents, Scotland, 796
self-enhancing illusions, 3rd–6th graders (aged 8–17 yrs), China, 34903
self-evaluation maintenance, marital interaction & partner perception of partner needs, committed heterosexual married couples, 15452
sex & expectations of social comparison & concerns about fitting in, performance on cognitive perceptual task, 10–12 yr olds at summer camp, France, 7336
social comparison standard vs loafing by group members, performance motivated by potential for group evaluation, college students, 18866
social comparison vs verbalization, idea generation & performance perception in group computer brainstorming, college students, 3763
social validation by in-group vs out-group traits, stereotype applicability & sharedness, college students, Australia, 7663
social value of comparison dimensions, social comparison strategies, 15–16 yr olds, France, 22482
societal valued goods & income distribution, emigration among rich vs poor migrant vs others in origin vs destination countries, application of comparison theory & prediction strategies, 7434
stereotyped category-based expectancy violation, extreme evaluation of member of ingroup vs outgroup, college students, 30418
trait shyness, perceptions of intelligence during leaderless discussion group meetings, college students, Canada, 22435
upward & downward social comparison tendencies & manipulations & body mass index, body image ratings, college students (mean age 23.9 yrs), 42062
upward vs downward social comparison, physical distress & subjective well being, adult cancer patients, 8546

Social Control—Serials

control theory psychology & real life goal of meeting needs as illustrated in K. Paterson's realistic fiction "The Great Gilly Hopkins", 29646
development of economic models of language & social control, application to anthropology, 22193
dimensions & features of social relationships & monitoring & control, conference presentation, 38696
elements of social control & social learning & strain theories, frequency of sexual intercourse in past year & number of sexual partners in past year & lifetime, 13–17 yr olds in poor rural families, 22356

impact of early sensory-social environment on brain development & behavior & relation to origins of love & violence, 708
importance of local ties in personal community networks, network members, reanalysis, 25996
instrumental variables estimation of effect of neighborhood dropout rate on chance of graduating from high school, adolescents, 140
intragration & models of transactional analysis integration, paradigm analysis & transactional analysis theory & social action psychotherapy, 27156
judgments of rights of child & adults to freedom of speech & religion in society & school & family, 1st vs 3rd vs 5th vs 7th graders vs college students, Canada, 41714
leadership behavior & social environment, exercise induced feeling states & self efficacy, female college students, 37239
mainstream vs specialized social setting, friendship formation, male normally developed children vs children with communication disorders vs cognitive developmental delays, 19440
mental health problems & social environment & sex, involvement in sexual risk behavior, inner city 14–18 yr olds, 38847
mental illness & social environmental & physical background, susceptibility to suicide, under 25 yr olds who committed suicide, implications for support for surviving family, 31221
model of social contexts as framework for human computer interaction & computer supported cooperative work & computer mediated communication, 5833
national religious environment & parental religiosity, religious beliefs, adults, 15 nations, 41842
perceived social climate of forensic unit, nurses vs patients, Wales, 43475
perceptions of alcohol related interventions, drinking motivation & context & norms & alcohol use intensity & frequency & impaired travel, 7th–12th graders & college students, 27790
perceptions of external forces & structural associations, supportive resources & obstacles to identity expression, lesbian vs gay male 14–18 yr olds, 11632
perceptions of housing environment before vs after parental divorce, parents vs their children, 41890
physical space & group dynamic processes, elementary & junior high school students & adults, Japan, 7353
places & patterns & types of drug use in rave dance scene, 14–44 yr olds, Scotland, 8240
predisposing & enabling & reinforcing factors & smoking behavior, 7th–9th graders in rural vs suburban vs city areas, Shanghai, 41739
prevalence of committed patients & discharge rates & area variation in compulsory psychiatric care, Sweden, 1979–93, 32998
psychometric properties of Situational Confidence Questionnaire subscales, assessment of self efficacy in drinking situations, 12–18 yr olds with vs without psychoactive substance use disorders, 28490
risky environment & social support factors & access to guns, risk for gun carrying, adolescents legally charged in court with gun carrying, 23115
self esteem & sensation seeking & leisure boredom, leisure-time usage & satisfaction & substance abuse & crime involvement, rural vs urban 12–19 yr olds, Australia, 11440
sex & individual differences & social environment, emotional development, 2.8 yr olds, 4 yr study, 3412
sex, self reported circumstances of initiation & escalation of binge drinking & marihuana & illicit drug use & abuse, young adults, implications for gender specific sociodevelopmental differences, 4344
social & environmental sources of occupational stress, productivity, workers, Nigeria, 24755
social context of drinking & perceived social norms & parental influence, alcohol drinking patterns, 9th–12th graders, 3406
social environment characteristics & patterns of hypothalamic-pituitary-adrenal axis & sympathetic nervous system & cardiovascular activity, humans & animals, literature review, 29484

social worker characteristics & community setting & number & types of violent acts, perceptions of violence as problem in schools, school social workers, 33249
state community conflict vs covert opposition & political repression vs intracommunity violence, violence exposure & perceptions of township life & distress, 14–27 yr old Blacks, South Africa, 7375
style of socially desirable responding, value priorities in relation to social environment, adults, Israel & Finland, 30052
theory of social representations based on polarities of post-Hegelian social science & implications for need for independent thinkers to free themselves from constraints of symbolic social environment, 3822
training & generalization of contextually appropriate affective behavior, autistic 11.3–18.9 yr olds, 1 mo followup, 8863
war, living conditions & personal & collective development, children, 22110

Social Equality—Serials
age related inequalities as aspect of social structure stability, perceptions of distributive justice & claims on resources, working adults vs welfare recipients, 7433
belief in equality, democratic leadership behavior, college students vs adults in work-force, Russia, 3658
development & reliability & validity of Sex-Role Egalitarianism Scale, measurement of attitudes toward equality of females & males across content domains, adults, 20961
discourse in text structure of working women's initiative, enactment of gender inequality, UK, 949
dispositional inferences about decision makers who positively vs negatively allocate resources according to equity or equality or need, college students, US vs Germany, 15620
economic inequality & poverty, homicide rate, Latinos, 1980, 8311
equity vs equality in allocations of rewards to adults & children, 20–55 yr olds, England, 41999
faith experience in patriarchal religion, perception of inequalities & cognitive strategies for empowerment, 18–71 yr old females, 15413
fulfillment of affirmative action in government & education & industry with those whose ideology matches social elite, comparison with African decolonization & implications for justice, 24704
gender issues in education from feminist perspective, 30234
increasing heterogeneity & inequality expressed as cumulative advantage & disadvantage, aging cohorts, conference presentation, 3532
individual vs social circumstances vs social relationships hypotheses, violence & affection experienced by children & power & gender inequalities & equalities, 20–45 yr olds, Barbados, 26620
meritocractic vs communitarian notions of social justice in special education reform, 43682
myth of gender equality, implications for marital therapy, 23782
psychophysical threshold measurement in demarcation between qualified vs unqualified, implications for egalitarian selection criteria, 2471
racial policy attitudes & policy-specific differences, White adults, commentary, 30111
racial policy attitudes, White adults, 30116
racial policy attitudes, White adults, commentary reply, 30117
racial policy attitudes, White adults, commentary, 30109
racial policy attitudes, White adults, commentary, 30086
racial policy attitudes, White adults, commentary, 30078
social psychology role in study of gender power relations & relationship to feminist psychology, 30236
societal valued goods & income distribution, emigration among rich vs poor migrant vs others in origin vs destination countries, application of comparison theory & prediction strategies, 7434
study of sexual inequality in clinical psychology, 30224
substitutes for career mentoring to promote equal opportunity, implications for career success of females & non-White males, 43761

Social Facilitation—Serials
embarrassment vs distraction-conflict, social impairment of public task performance, college students, 3803
food deprivation & sight & sound of another bird feeding, social facilitation of appetitive phase of feeding & amount of food consumed & number of pecks, chickens, 2968
group cohesiveness, social loafing & social compensation, secretarial students, 38668
open classroom meetings, social responsibility & interest & sense of mutuality within & across grades, 2nd–5th graders, 33509
physical attractiveness of & expectations of interaction with target, likelihood of requesting proof of age in allowing access to alcohol, college students, 30436

Social Groups [See Also Dyads, Ingroup Outgroup, Minority Groups, Reference Groups]—Serials
accuracy of blood alcohol concentration estimations based on drinkers' behavior in small vs large vs public social groups, observers, 26173
affiliative social set characteristics, 3 vs 4 yr olds, 803
biases toward self-enhancement in self-reports vs peer-reports of social network & academic achievement & competence values, 4th & 7th graders, Hong Kong, 9953
classroom social environment, fluidity of relationships & changes in social group stability, 4th–5th & 7th–8th graders, 1 yr study, 9956
concept of race as scientific & social construct, implications for social work practice, 43356
consensus & self-other agreement & meta-accuracy on Big Five factors for target person, family members & friends & coworkers, 18894
definitions & operationalizations & empirical data on prevalence & moderating conditions of social exclusion & harassment, children & adolescents & adults, literature review, 22411
evaluation by & number & involvement of social audiences, religious vs romantic role commitment, college students, conference presentation, 42029
friendship pair similarity & valuation of height &/vs weight &/vs age &/vs politics &/vs exercise, social group membership & desirability, male vs female & Black vs White college students, 38657
G. Le Bon's crowd psychology & mass manipulation through construction of social categories, 18861
Galois mathematical lattice analysis, definition & structure of containment among cliques & actors within social networks, 15575
initiation severity & companionship, group attractiveness & frustrated & lonely & depressed feelings & decision to join group, 18–23 yr olds, Netherlands, 35210
intrasexual aggression & failure to breed simultaneously & harmoniously, full sisters in social group of Goeldi's monkeys, implications for hypothesis of subordinate female dispersal, 18104
logical inference rules in construction of social mental cliques from learned sentiment relations & role of social context cues in activating such rules, college & high school students, Germany, 38719
methods for study of stability of relationships in peer & social network structures, children, implications for socialization processes, 7343
number of species & individuals & social group size & vertical stratification & polyspecific associations, cercopithecid species, 18114
patterns of consumption & production & procurement decisions & foraging behavior & social construction of use-value, resource-sharing groups, Papua New Guinea, commentaries & reply included, 30092
perceivers' evaluations & expectations & representation of information about individual & group target entitativity, college students, 30437
perpetually salient in- vs out-group markers with vs without functional use of social categories, formation of intergroup attitudes, 6–9 yr olds, conference presentation, 41686
personal network stability & core–periphery membership structure, recently widowed 59–85 yr olds, 1 yr study, 26175

presence of offspring vs total coefficient of relatedness to social group, alarm calling behavior, yellow-bellied marmots, 21532
propensity to join groups & psychological well being, college students, 18867
psychodynamic & social identity & cultural theory, pattern of social representations of crises & self protection through group identity, 3812
relation of mass communication to socially differentiated groups, influence on & reflection of social representations, 3828
sex & political orientation & civil discourse, external vs internal social group friends vs enemies & attachment to symbolic boundaries & attitudes toward national issues, adults, Australia, 7528
small groups as information processors during cognitive tasks, literature review, 15581
social background information, memory for sentiment relations, undergraduates, 7615
social categorization type & purpose, opposition to category use in affirmative action, college students, 3558

flexibility/rigidity & regularity of daily habits & social emotionality & emotional & social tempo, dissociativity, college students, implications for biological & perceptual theories, 22507
framework & specific statistical techniques for structuring analysis of social organization & interactions of populations easily or not easily viewed & studied, sperm whales, Ecuador, 34478
frequency & variability of make-up usage, self-concept in social situations, 20–22 yr old females, 38754
group therapy, 13–17 yr olds with social problems & learning disabilities, 19846
hearing dog ownership & level of loneliness & changes in social interactions & life stress, deaf 22–85 yr olds, 8678
hostile attributions about another's actions, aggressive vs nonaggressive 7–12 yr old males & their mothers, 8079
hyperactivity & aggression & chaotic social & communicative interaction, children with ADHD &/vs conduct disorder, 26365

implications of assumption of hedonism in social constructionist accounts of human interaction, 18379
implications of theory of social statics & dynamics in interaction contexts for knowledge of human behavior, 18381
individual cognitive & behavioral assumptions, social fragmentation & loss, computer simulated society, 18897
infant & maternal & family/social characteristics as early predictors of attachment status, infants with vs without cleft lip & palate vs cleft palate at ages 3 & 12 mo, 31629
informal social videotaped interactions high & low in behavioral coordination & without sound & with mosaic pattern imposed on faces, behavioral & judged coordination, college students, 15622
integration with severely learning disabled students, intergroup contact & attitudes toward learning disability, nondisabled 8–10 yr olds, 20660
interaction & structured social context, cognitive problem-solving computer-based task , 9–10 yr old males vs females, 40428
interaction frequency & peer & teacher perceptions of social behaviors, social acceptance & rejection, mentally retarded children (mean age 11.3 yrs) in special education settings, 20675
interaction with males of different species, mate preference & generalization of preference to other males of same species, female Amazon molly fish, 34446
internationalist vs nationalist worldmindedness & expected future interaction, negotiation reactions to competitive opponents, college students, 982
involvement in work & family & social roles, health practices, 19–63 yr old low income female nursing assistants, 43294
issues in view of reading & writing as social & cultural practices & concept of time as dimension of literacy practices & classroom applications, 34199
isumaluttuq vs demon possession vs mental illness causal attribution & perception of likelihood of recovery, amount of preferred social distance, Inuit 16–78 yr olds, Canada, 22711
judgments of infants' socially responsive looks to parents vs nonface stimuli, nonparents vs parents with vs without developmentally delayed children & 12–28 mo olds with developmental disabilities, 19451
kinds of relations & contribution to social capital, managers, 43767
level of narcissism of & gender of & interest in interaction with or rejection of target, male vs female 18–54 yr olds, 18949
life review program & status as program veteran, disorientation & social interaction & self esteem, nursing home residents, 20265
loneliness as an antecedent or consequence of strategies used in social situations, 18–32 yr old college students, Finland, longitudinal study, 42080
material properties as affordances to humans & ecological approach to social interaction, 18829
meaning of social interactions in transition from acquaintanceship to friendship, young adults, 41982
menses vs preovulatory vs midluteal phases of menstrual cycle, reactions to stories of nonsexual vs sexual jealousy & cognitive coping & reactions to social frustration, females, 3160
mood maintenance or neutralization prior to social interaction, college students, 41983
nature of small group social interactions in mediation of science learning, 1st graders & their teacher, 17153
neonatal hippocampal lesions, socioemotional behavior, monkeys observed at 2 & 6 mo & 5–8 yrs of age, animal model of schizophrenia, 25453
new pet dog, emotional & family & social interactions & health & well being, 8–12 yr olds & their families, 1 yr study, 7357
nonverbal behavior patterns during social interaction & alexithymic traits, normal adults, experimental replication, 7874
number of social cues leading to correct interpretation of child–child interaction story & degree of complexity, social perception skills, 4–12 yr olds with autism vs mental handicaps, 35887
omnipotence as delusional aspect of ideology & relation to love & power in social and interpersonal dynamics, 22622
organizing processes of affective communication, development of symbolic competence during mother–child play behavior, 25–36 yr old mothers & their 12–15 wk old infants, 2 yr study, Israel, 38380
outdoor mobility needs & hindering factors & social relationships, elderly individuals in Italy & Finland & Germany, 29999
parental divorce during childhood, adult health-related behaviors & psychological adjustment & social relationships & SES & mortality, children followed through life span, prospective study, 38560
patterns of social interaction, exclusion within firehouse, 26–42 yr old African American female fire fighters, 35221
peer mediated social skills intervention, frequency of instructional vs social interactions, mild to moderately mentally retarded 3rd graders & their peers, 20664
peer mediation, increases in social behavior, isolated children in school settings, literature review, 2255
peer tutoring, academic achievement & social interaction, 3–5 yr olds with & without disabilities, 43680
perceptions of achievement motivation & informal social & formal competition, college students, implications for definition of competition & future research, 30542
perceptions of hostile intent in social interaction & importance of situation, level of aggressive responses, male 16–18 yr olds, 34958
personality & social role quality & involvement as predictors of well being in midlife, adult females, longitudinal studies, 30241
physical attractiveness of & expectations of interaction with target, likelihood of requesting proof of age in allowing access to alcohol, college students, 30436
place of TV violence in social work interactions, social workers & 6–10 yr olds, 22477
planned & systematic support during general education participation, social interaction with students without disabilities, 11 & 18 yr old males with severe disabilities, 40483
play activities & teacher predictions & peer social initiations, social interactions, autistic & normal preschoolers, 2239
positive vs negative social interaction, task induced cardiovascular activity, college students, 3168
potential for positive interaction & play in integrated nursery, 2–4 yr olds with vs without severe learning difficulties, 17226
powerless speech style, agentic behavior & amount of talk in low vs same status condition interaction, 17–24 yr olds, Scotland, 42023
private vs shared hospital room with pre- vs post-operative cardiac vs noncardiac patient, affiliation patterns & preoperative anxiety & postoperative recovery, 41–70 yr old coronary bypass patients, 13400
processing & evaluation of supportive or helpful interactions, dysphoric vs nondysphoric 10–13 yr olds, 35568
public self-presentational bias in couples interaction, predictive validity of observed behavior, unemployed adult volunteers, 40783
relationship type & relational issues reflected in men's vs women's magazines, application of dependency theory, 38252
religion & majority & minority power & status & conflict & vernacular domestic architecture, Zoroastrians, Iran, 30372
remoxipride & risperidone & sertindole & olanzapine & quetiapine, phenylcyclidine-induced stereotyped behaviors & social interaction, male rats, animal model of schizophrenia, 41518
research on cognitive & social development, understanding of interaction between cognitive & social processes, children, 7171
risk & fear of loss, coercive power in nonnegotiated social exchange relations, adults, 25994
role of illnesses & injuries in development of social competence & relationships, infants to 5 yr olds, 29917

self perceptions & negative social expectancies, 9–15 yr olds with anxiety disorders, 42362
sex & audience figure & response expectancy & family emotional expressiveness, self reported expressive regulation & display rule use, children mean age 4.6 yrs & their parents, 34963
sex composition of group, level of social interaction & expression of own perspectives, 4–5 yr old girls, 41685
shift in working self concept upon meeting new person resembling significant other, college students, 15690
situational & status differences in student–student vs student–professor relationships, intention to smile & types of smiles, US vs Japanese college students, 38517
social & interactive behaviors & frontal activation asymmetry, 4.1–5.2 yr olds, reprint, 29872
social & interpersonal & educational context, attitudes toward American Indian students, college students, 5670
social competency training provided to primary peer followed by provision to selected secondary peer, peer type & frequency of social contacts, peers & deaf blind 10–18 yr olds, 19871
social construction therapy & 6-stage problem oriented therapeutic model for sociocultural & individual relationship influences in remarried families, literature review, 32193
social context of private vs public situation, emotional state & pleasantness & loneliness & ability to cope & likelihood of sharing experience, college students, Netherlands, 3747
social exclusion vs inclusion, power in social network exchanges, adults, 35217
social interaction & conceptions of masculinity, assaults in public drinking venues, bar patrons, Australia, 42497
social interaction & skills research, autistic persons, literature review, 1422
social interactive variables, performance on Bayley Scales of Infant Development & Mental Development Index, small-for-gestational-age vs appropriately-grown neonates, 12 mo study, 15243
social life participation in late adulthood, life satisfaction, adult sample from ongoing longitudinal study, 15371
social networks & support & depressive symptomatology, community-dwelling older adults (mean age 75.2 yrs), France, 22741
social pretend play, peer-related social competence & language & cognitive development, children with mild to moderate disabilities, 19087
Social Problem Questionnaire test–retest reliability, primary care patients, Italy, 28409
social problem solving skills, 13–16 yr old males with vs without history of stealing, 26719
social problem solving strategies, parents of aggressive vs nonaggressive 12–13 yr old males, Finland, 7509
social relationships as social context & social stressors & coping strategies, depressive symptoms, 55–65 yr old cardiac patients, 4-yr followup, application of resources model of coping, 30502
social trap theory to examine diversity initiatives in organizations, 13969
solitude & loneliness & social intercourse & circular model of loneliness, 11716
sources of variance & data analysis issues in & design of social interaction research, 14435
speech giving vs writing task, empathic & interpersonal perceptions of self vs other state vs trait anxiety, female college students, application of social relations model, 22480
stability & bistability & instability in small group influence patterns, college students, longitudinal study, 15565
strategies for involving parents in drug prevention, at risk youths in Boys & Girls Clubs, 3 yr study, 43045
training, improvement in interactions, severely & profoundly mentally retarded 23–55 yr olds & staff in residential facilities, 6 mo followup, 9509
trait-positive vs -negative affect, participant vs observer ratings of social interactions, college students, 3879
TV viewing & TV focused social interactions & solving of real vs videotaped balance scale problems, 3 & 5 yr olds, 2 yr study, 742
unfilled intervals at beginning vs middle vs end of social episode, time judgments, university students, 11682
use of relationship knowledge schemas in social cognition, 18881
variant vs high-probability request sequences, compliance with low-probability requests to initiate interaction with social peer, 4 & 5 yr olds with emotional-behavioral disorders, 16530
verb type & sex of actor & recipient, causal attribution regarding outcomes in verbal account of social interaction, college students, 38708
wilderness use social encounters, achieved privacy, backpackers, 10159
work related stress, family & social relationships & home activities, HIV/AIDS staff & oncologists, 9762

Social Isolation [See Also Patient Seclusion]—Serials

actuarial & clinical approaches & empathy & degree of isolation & predicting risk, serious sex offenders, 35469
age & testing conditions & ambient temperature variations & body weight, isolation induced ultrasonic vocalization, N: NIH strain rat pups, 10751
aggression & withdrawal & negative peer status & experiences, social self-perceptions, 8–10 yr olds, Canada, test of social process model, 15277
amphetamine & rank position, social behavior & occurrence of social isolation, alpha vs beta male Java monkeys, 29573
behavioral & biological responses associated with high & low levels of aggression, aggressive vs nonaggressive mice lines selectively-bred for isolation-induced intermale aggression, 10913
bilateral fimbria lesions & housing in standard vs impoverished social conditions, Morris maze acquisition & spatial orientation performance, male rats, 496
combined olfactory contact with parent colony & direct contact with nonbreeding members, suppression of ovulation, isolated female naked mole rats, 38044
community psychology based counseling intervention model, isolated elderly, 32898
creativity & alonetime as coping strategies, school psychologists, 13674
daily neonatal isolation from mother & siblings, amphetamine-induced open field activity & ventral striatal dopamine release, juvenile rats, 15049
dopaminergic drugs, self stimulation & dopamine metabolism, rats with lesions to ventral field of tegmentum & medial prefrontal cortex reared in isolation vs in communities, 34691
early social isolation rearing, role of neurochemistry in mesolimbic dopamine system in hyperactivity & novelty & stress & cognition responses, rats, schizophrenic attentional dysfunction model, 486
emigration & fate of dispersed members & infanticide & immigration & recruitment & group age-sex composition, black howling monkeys, 14755
English–Spanish emotion word vocabulary disparities, acting out & social withdrawal, bilingual Hispanic 6–11 yr olds, 38342
enhanced experience stimulation & training vs isolation, rate of acetylcholinesterase synthesis & anatomical brain plasticity, rats, 14818
facing vs broadside subliminal model stimuli, aggressive behavior, socially isolated siamese fighting fish, 34428
GABA interacting neurosteroids, decrease of pentobarbital sleep, socially isolated vs group-housed male mice, 11167
GABA-transminase inhibitor vigabatrin & social isolation, exploratory behavior on elevated plus maze model of anxiety & open field test, rats, 636
idazoxan vs yohimbine vs CH-38083, isolation induced aggressive behavior, male mice, 11143
individual cognitive & behavioral assumptions, social fragmentation & loss, computer simulated society, 18897
isolated vs social rearing, morphine-conditioned place preference, male rats, 11227
isolation & adult male presence under cold conditions, potentiation & inhibition of ultrasonic vocalization, 8- & 11–12-day old rat pups, 38043

isolation & morphine injection, place preference conditioning & avoidance & escape learning, 4–5 wk old male mice, 29050
isolation during laboratory rearing & thermoregulation & maturity & exploratory behavior & distress/anxiety, ultrasonic vocalizations, male vs female 10 day old N:NIH rat pups, 10750
isolation vs social rearing & diazepam, anxiety & aggressive & social interaction behaviors, male rats, 7112
language adjustment & discrimination & social isolation & acculturation & demographics, immigration satisfaction, Chinese Americans, 15446
level of shyness & social support & positive & negative affect & loneliness, depressive symptoms, undergraduates, 38985
low vs high trait self-esteem & possibility of random exclusion vs removal by group vote, preference for working in group vs alone on worthwhile vs worthless task, college students, 38663
m-chlorophenylpiperazine, plasma corticosterone & 5-HT 2C receptor protein levels & elevated plus maze behavior, male rats reared in isolation, animal model of anxiety, 6889
neuromodulatory & neuroanatomic & neuroendocrine & social/maternal regulation of isolation call signaling anxiety due to abrupt separation & ultrasonic vocalization, rat pups, 6630
neuromodulatory & neuroanatomic & neuroendocrine & social/maternal regulation of isolation call signaling anxiety due to abrupt separation & ultrasonic vocalization, rat pups, erratum, 29300
peer mediation, increases in social behavior, isolated children in school settings, literature review, 2255
post-weaning housing conditions, behavioral effects of cocaine and d-amphetamine, female rats, 34711
prepartum vs postpartum response to social separation, pregnant ewes, 34459
relationship between sense of belonging & personal characteristics & indicators of social & psychological functioning, 18–72 yr olds, 15687
relationship with family members & friends, mothers who do vs do not maltreat their children, test of social isolation hypothesis, 4246
repeated defeats, tyrosinehydroxylase & phenylethanolamine N- methyltransferase activity, individually vs socially housed intruder vs resident male mice, 21763
reputation & isolation & behavior of officers in drug transaction as conceptualized through notion of cognitive bridge, high school undercover officers, 17531
resilient peer treatment, social play, socially withdrawn African American 3.8–5.1 yr old victims of physical abuse & neglect, 16568
single 5 min isolation stress, activation & turnover & binding of dopamine in striatum & septal regions, 10 day old rat pups, 3231
social exclusion vs inclusion, power in social network exchanges, adults, 35217
social isolation & transport mode, exploratory behavior in plus-maze, rats, 21574
social isolation at birth, striatal Met-enkephalin immunoreactivity, 10 day old rat pups, 6608
social isolation, time course of thymosin & cortisol & acute inhibition of functional immunity, juvenile squirrel monkeys, 6770
social isolation vs group housing & dominance, situation-specific intake of etonitazene & spontaneous increased consumption & addiction following abstinence, male rats, model of opiate addiction, 3224
socially dominant vs subordinate vs isolated experience, effect of serotonin on neural circuit commanding tailflip escape behavior, crayfish, 6695
sociometric analysis of subtypes of social withdrawal, kindergartners, 4 yr study, 34914
sociometric choice & peer nominations for friendship & aggression & isolation & social withdrawal, 7–8 yr olds, Italy, 41679
time spent playing videogames & leisure activities & aggression & social integration & school performance, 11–14 yr old 7th & 8th graders, Netherlands, 38414

Social Issues [See Also Crime, Homeless, Human Rights, Peace, Poverty, Social Discrimination, Social Equality, Social Integration, Unemployment, War]—Serials
attitudes toward women's equality & abortion & homosexuality & Blacks, 1st-generation Russian immigrants vs US residents, 15390
Baptist Church affiliation & suicide & homicide & illegitimacy & divorce & unemployment & education level & voter registration, 30065
carpool priority lane, judgment & preferences to commute alone or carpool, solo drivers vs carpoolers, Netherlands, test of structural solution to social dilemma, 22495
changes in conceptualization & measurement & appraisal of & growth in comparative data on life satisfaction & its use in conceptions of social welfare, literature review, 3836
community work educational program, social work students, Hong Kong, 27862
company's corporate social performance & reputation & attractiveness to prospective employees, college students, 40603
comparative model of political cultures & analysis of American political culture & its tension between autonomy & equality, 35134
critique of possibility theorem, effect of self alteration on accuracy of social & economic predictions, 11522
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary, 33898
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary reply, 33900
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary, 33896
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, 2449
definition of corporate consciousness & implications for industrial/organizational psychology, 10123
definition of corporate consciousness & relation to construct of social responsibility, implications for methodological issues & selection of viable research topics, 10112
definition of corporate consciousness based on cognitive & social & organizational literature vs construct of social & moral responsibility, commentary, 10116
dimensions of attitude strength, temporal stability of attitudes toward socially relevant & irrelevant issues, college students, 7739
erotetic rationality approach, unbounded ignorance in policy analysis problem structuring & solving, extension of C. E. Lindblom's social change critique, 22198
ethical issues regarding the role of social work in organ sudden death & transplantation & family bereavement, 30022
ethnic & political violence, development, children, commentary, 7169
ethnic & political violence, development, children, 7180
etiological/causal vs societal/conceptual orientation in work stress research, 5793
explanatory models of & social impact of & role of traditional healing practices for & management of epilepsy in developing countries, Africa & India & China & South America & Middle East, 16296
extent of diversification & corporate social performance, 157 business firms from 20 industries, 43823
Holocaust & effects on survivors & their families & society, 25968
impact of October 1995 "pill scare" on oral contraceptive use, analysis of data in general practice automated database, England & Scotland & Wales, 41945
indicators of social & economic well being, African American youth, 3575
individual rights to privacy & societal conditions & legislative controls in genetic testing & screening for the Human Genome Project, 33316

information & thought induced polarization, favorability & personal importance & knowledge of social issues, college students, 38767
interdisciplinary work with social scientists on noneconomic problems & effect of human nature in decision making & impact of economics on noneconomic behavior, economists, 11529
issues of social class & social outcomes & racial & ethnic differences in intelligence in & intellectual construction of R. Herrnstein & C. Murray's "The Bell Curve," commentary, 3956
majority vs ingroup vs outgroup minority attitudes toward social issues, direct vs indirect influence on social perception, college students, 30416
media coverage of animal rights issues, 1976–94, implications for trends in animal rights movement, commentary reply, 7156
media coverage of animal rights issues, 1976–94, implications for trends in animal rights movement, commentary, 7159
motivation theory, news seeking behavior & involvement in understanding current events issues, college students (mean age 20 yrs), 35320
news media's presentation of findings about role of genetics & behavior in social issues, 38475
newspaper vs local vs network TV newscasts, hard vs soft news knowledge, adults, 11303
orthogonal cultural identification theory of identification with more than 1 culture, use of traditional ways in social work & implications for health & social issues, American Indian 8–12 yr olds, 9448
patient physician alliance in community model of patient physician relationship & responsibilities within new social context of health care system, 13216
polarization in American social & political attitudes, 30209
pollution & discrimination & global war & community violence, level of concern & coping skills & strategies, 12–17 yr olds, Australia, 22199
private vs state schooling, political & social views, 15–18 yr old females, England, 9961
process of corporatization & redefinition of street gang activity & interaction with community members, urban ghetto street gangs, 41817
product provider's stance on minority group social issue & familiarity with minority group, willingness to engage in product consumption behaviors, male vs female college students, 5823
proenvironmental attitudes & need for achievement & attitudes toward social welfare & intercultural adjustment & environmental knowledge, college students, Japan, 17479
religious objections to & feminist concerns about & other social issues related to donor insemination to treat male factor infertility, 24039
role of & problems faced by families in preventing & adapting to HIV/AIDS, introduction to journal special section, 19554
role of social workers in social & economic development, 27699
self reported mental health functioning & perceived community problems, residents (mean age 46.6 yrs), 22213
Social Problem Questionnaire test-retest reliability, primary care patients, Italy, 28409
social problems work & mental disorders as causally influential nonhuman agents, 38948
societal & personal issues & legal & medical personnel perspectives in socially assisted dying, 43962
themes of truth & building dialog in integration of Christianity & psychology, implications for Christian psychologists, commentary, 7447
Tragedy of the Commons parable vs Comedy of Community social catharsis concept, environmental & health concerns & risks & solutions in use of depleted uranium, 24894
trauma consultation in Los Angeles Head Start program after 1992 civil disturbance, self reported posttraumatic stress & student aggression & noise level & peer relations & academic progress, teachers, 40454
use of small & large groups in modalities of social action & education & training & psychotherapy, 30378
worries & fears related to security & self image & other current issues, mothers vs fathers vs their 4th–6th graders, implications for parental childrearing effectiveness, 22306

Social Learning [See Also Imitation (Learning), Imprinting]—Serials

application of social learning theory to medical education in ambulatory care settings, medical students, 24418
fluoxetine & prior social learning, pins & dorsal contact in rough play, juvenile rats, 11152
model of social transmission of behavior & animal social learning, local adaptation to behavioral alternatives, commentary, 10856
model of social transmission of behavior & animal social learning, local adaptation to behavioral alternatives, commentary reply, 10829
neurotoxin lesion induced selective cell loss in hippocampus, memory for odor guided social transmission of food preferences, rats, 10930
novel foraging skill, social learning with vs without behavioral model, white-throated magpie-jays, Costa Rica, 37807
observation & experience of violence during childhood & adolescence, adult marital violence, 11–15 yr olds, longitudinal study, application of social learning model, 25894
philosophical & research bases for learning cycle pedagogy in mathematics teaching based on social learning, special needs of middle school student, 24564
problems & solutions for methods in comparative study of adaptive specialization & ecological correlates of social learning & cognition, pigeons & doves, 358
role of illnesses & injuries in development of social competence & relationships, infants to 5 yr olds, 29917
role of individual rationality considerations in learning to coordinate social conventions, 2809
scores on Level of Supervision Inventory based on social learning theory, prediction of chances for recidivism, provincially incarcerated offenders, 17009
self & peer rated attributions of skill efficacy & behavioral self control, social & academic learning, application of social relations model, mainstreamed adolescents with learning disabilities, 37118
shoaling & social learning of foraging information, adult female guppies, 37834
social & asocial learning, stability of socially learned tradition of food preference, domesticated female Norway rats, 37825
social control theory & social learning reformulation differential association theory & empirical validity of integrated model of delinquency, 13–20 yr olds, 16095
social learning & collaborative context & modeling, problem solving failures & successes in mathematics computation task, 3rd–4th graders, 33457
social learning & scrounging behavior, naive individual vs grouped pigeons observing producer, 37890
social learning model for aggressive actions & violent outcomes instigated by organizational factors, commentary reply, 14018
social learning model for aggressive actions & violent outcomes instigated by organizational factors, commentary, 14007
social learning theory perspective & behavior analytic interpretation of vicarious learning, 28967
social transmission of food preference during nestling vs early fledgling stages, subsequent food preferences, juvenile captive house finches, 371
social tutoring from both species, repertoire inclusive of own & black throated green warbler songs, male prairie warbler, 29150

Social Maladjustment [See Social Adjustment]

Social Mobility—Serials

family structure during childhood, socioeconomic attainment & social mobility, adult Black vs White males, 38483
future orientation & self expectancy for opportunity for social mobility & decision to postpone childbearing, 17–19 yr old urban Black females, 41736
marital solidarity & social & geographic mobility, childbearing decision, adult married couples, 12 yr study, 38573
meaningfulness of racial constraint & social mobility, low-income urban Black 20–25 yr old males, 42034

social class & mobility of parents, risk of psychiatric disorder & coping ability & occupational status, cohort of male 27 yr olds studied from birth, Sweden, 4018
Social Movements [See Also Activist Movements, Homosexual Liberation Movement, Womens Liberation Movement]—Serials
analysis of 1989 Chinese student movement's development & outcome, application of game theory, 30014
disputes within sex & gender movements & inclusion/exclusion processes & construction of collective identity, male homosexuals & transsexuals & lesbians, 30265
distinction between impairment & disability in social model of disability, comment, 30692
impact of social model on disability research, 30702
incorporation of psychological factors into social model of disability, commentary, 30678
libidinal economy perspective on affectual & sexual relationships in Communist led Huk rebellion, Philippines, 25974
marginalization of women & omission of feminine perspective in peace psychology & activism, 18671
old vs new social movements & labor education practices focused on environmental issues, Canada, 20721
political & media backlash movements, survivors of childhood sexual abuse, implications for therapists' protective role, 24501
process of Progressive social reform in life of Caroline Bartlett Crane & association with club women for municipal reform, 1858–1935, 30239
self categorization theory of social psychology of determination of collective behavior & social movement mobilization, anti-abortion argumentation, England, 26085
Social Networks [See Also Social Support Networks]—Serials
application of formal dynamic multilevel identity model to computer simulation of network exchange & structure & power, 25991
assessment of associative biases in first name cued recall interview procedure on personal networks, adults, conference presentation, 41123
attachment style & interparental relationship & self esteem & social networks, involvement in & coping with troublesome relationships, 18–74 yr olds, 30367
casual & commercial sexual networks, prostitutes & 18–52 yr old male clients, 6 mo study, Uganda, implications for HIV & sexually transmitted ddisease transmittal, 30277
dependency & networking behavior & career success, managers, Australia, 10080
developmental synthesis perspective on peer & classroom social networks & social skills training & behavior, students with disabilities, implications for special education service delivery, 13826
drug sharing network oriented HIV prevention intervention, unhygienic injection equipment sharing, HIV seronegative vs seropositive injection drug users, 1.5 yr followup, 9316
earthquake evacuation, social networks & psychological distress, 21–70 yr old male factory workers, Italy, 26242
emergence of network capitalism as distinctive institutional form in China's economic system, 18662
ethnicity & self esteem & childrearing practices, social networks, low income American Indian & Hispanic & Anglo parents & caregivers of 2–5 yr olds, 26064
evaluation by & number & involvement of social audiences, religious vs romantic role commitment, college students, conference presentation, 42029
evaluation of method for eliciting representative sample of total personal networks, adults, 41966
females' instrumental & expressive power in corporate & government networks, male vs female corporate & government relations managers, 13944
free recall vs recognition survey techniques, morphological & relational & functional features of egocentered networks, 18–32 yr olds, Germany, 35280
friendship processes & influence on well being, assistance for effective use of friend networks, 55–84 yr olds, intervention implications, 22162
Galois mathematical lattice analysis, definition & structure of containment among cliques & actors within social networks, 15575
goal achievement vs friendship motivation, peer group entry processes & outcomes, male vs female 10–12 yr olds, Canada, 18634
homophily & tie strength & range in middle managers' information & career support networks, females vs males with high vs not high advancement potential, 33624
impact of networking characteristics on new venture growth, entrepreneurships, England, 24699

positive vs negative illustrations of psychological sense of community & resilience, 26–46 yr old African-American single mothers raising children in risky communities, 18731
presentation of cost & details of local government reorganization options, change & nonchange in subsequent opinion survey, adults, England & Wales, 15639
private attitude about sexual behavior & audience reaction to prosexuality speech, public attitude statements after counterattitudinal behavior, female college students, 11695
process of corporatization & redefinition of street gang activity & interaction with community members, urban ghetto street gangs, 41817
projected vs target emitted vs shared emotionally relevant information, appraising family members' anxiety under threat of missile attack, 11–12 yr olds & parents, Israel, 22488
propensity of target person to employ specific word categories, judges' impressions of target person, college students, 26201
psychometric properties & construct validity of Quality of Relationships Inventory, interpersonal context of social support, college students & parents, 33962
public explanations vs private attributions for target persons, noncompliance in providing assistance or accepting advice, adults, 7655
public representation of opinion of social group, private endorsement of opinion, female college students, 7653
public-self vs inner-self perspectives on formation of personal relationships, 35215
race & gender & age dimensions, perceptions & expectations & service recommendations, African American social workers & their same race 12 & 16 yr old clients, 43373
race & geographic location of actors, favorable rating, 18–41 yr olds, implications for in-group bias theory, 26210
race & social class & gender, consciousness & identity & relationships, implications for social workers & psychotherapists & clinicians, 42904
race, feelings of difference & professional life & social life, 20–35 yr old Ethiopian Jews, Israel, 38509
racism & White self concept & myths about racial & ethnic differences in intelligence, Whites vs Blacks, 3949
ratings of intelligence of reviewer & author in positive & negative book reviews, adults, replication, 38700
real vs false risk statistics for "average person", accuracy of own personal risk estimate, college students, 1024
receipt of social support, subsequent perceived social support & psychological distress, hurricane victims, test of deterioration deterrence model, 3759
recognition of effect of implicit social influence on presentation of self, college students, Canada & US, 38720
relations between shame & guilt & embarrassment & judgments of character, 35347
relationship between personality function/dysfunction scores & love style perception scores, college students, 15673
relationship between the looking glass self & social penetration theoretical approaches to human behavior, 15628
relative group status, differential processing effect in cognitive individuation of ingroup vs outgroup, graduates vs undergraduates & college sophomores vs freshmen, 30441
relative perceptions of suicide vs drug addiction or AIDS or PTSD or cancer, college students, 26209
religiosity & valences of observed person & outcome experienced by that person, perceived justice vs injustice in life events, college students, 7674
reneging & incongruence factors in model of development of perceived violation of psychological contract with employer, employees, 20772
representation of self & teachers in drawings of classroom life, 4th graders in teacher centered vs child centered classroom settings, Tanzania vs Sweden, implications for social scaling & space, 7310
sadness, correction of positive vs negative stereotypes, college students, 30435
selective self-stereotyping in response to threat of negative ingroup characterizations, college sorority/fraternity members, 15621
self- vs other-directed feedback, perceived social status of self vs peers, aggressive- vs nonaggressive-rejected vs average status 4th graders, 3496
self-categorization, social influence in rhetoric of speech, anti-abortionist, 974
self concept about mathematics & perception of family support & perception of mathematics as male domain & attitude toward self, achievement in mathematics, 1–12th graders, meta analysis, 37036
self critical &/vs interpersonal preoccupations in perceived relationships with parents, 11–17 yr old psychiatric inpatients with depression, 35526
self-enhancement & self- vs group-serving biases in evaluation of family or university vs others, Japanese vs European Canadian vs Asian Canadian college students, Japan vs Canada, 35272
self enhancing &/or other enhancing social judgments, nondepressed vs depressed undergraduates with high vs low dysfunctional attitudes, 11947
self esteem & narcissism, evaluations of sources of negative feedback, college students, 19002
self perceptions & perceptions of others & estimation of others' perceptions of self & ratings of liking, college students, test of Social Relations Model, 15634
self perceptions of own psychological & physical & sexual abuse, later adult psychological & social adjustment, parents with early victimization experience, 8176
self-views & affiliation choices, 17–24 yr olds with high vs low self esteem, 35203
self–other merging, empathy-induced helping, adults, comment, 42024
self–other merging, empathy-induced helping, adults, commentary reply, 42006
self–other merging, empathy-induced helping, adults, 42007

sex & interpersonal relationship & job status of harasser & physical vs verbal behavior & physical setting & prior experience, perception of sexual harassment in vignette, graduates & undergraduates, 33680
sex & perceptions of parents' & teachers' empathy & warmth & genuineness, 10th vs 11th vs 12th graders, 18554
sex & relationship status & proximity to closing time, perceived attractiveness of opposite sex bar patrons, college students, 7671
sex & verbal aggressiveness, perception of interruption vs simultaneous talk, college students, 7650
sex, construal & popularity rating of ambiguous activities, 25–50 yr olds, Netherlands, 7648
sex similarity, perceived employment interview quality & outcome, male vs female recruiters & applicants, 10053
shift in working self concept upon meeting new person resembling significant other, college students, 15690
similarity & conscientiousness, social support judgments of supportiveness & other personality traits, undergraduates, 11689
situating action & cognitivism & alternate approach to research & theory, 18878
smoker networks & perceptions of typical smoker, predictions of smoking status, adult smokers at cessation clinic, 1 yr study, 13427
social & political ideologies & political party identification, recall of information about occupation & political orientation & behaviors of target persons, college students, 7683
social cognitive ability of person perception, 7–12 yr olds with pervasive developmental disorder not otherwise specified, 4409
social expectations, Maori vs European 9 & 12 yr olds, New Zealand, 3473
social perception & expectancy formation & intrinsic vs extrinsic motivational orientation toward activities, college students, 42032
social perceptions & labeling of ADHD as public validation of behavior & treatment, implications for professional practice, 16133
social perceptions revealed through TAT story responses, 13–18 yr olds from different ethnic groups living in economically poor neighborhoods, Brazil, 34898
social reaction expectancies of accepting vs refusing alcoholic drink, 1st vs 4th vs 7th graders, 29879
social skill mediation of perceived physical attractiveness of adults with chronic schizophrenia or schizoaffective disorder, raters, 15946
social success & self-protective social goals & negative emotional states & social perceptions, adults with generalized social phobia, 39099
social support & social integration & suicide risk, suicide attempters, Denmark, application of measurement model, 22959
social validation by in-group vs out-group traits, stereotype applicability & sharedness, college students, Australia, 7663
societal attitudes & constraints, self perception of womanhood & gender roles, 17–22 yr old physically disabled females, Sweden, 31573
societal pressure & negative stereotypes, identification with school & academic success, females & African Americans, 37045
sources of & self presentational mechanisms underlying competitive stress, 17–31 yr old athletes, 24805
speech giving vs writing task, empathic & interpersonal perceptions of self vs other state vs trait anxiety, female college students, application of social relations model, 22480
static vs moving facial emotional expression, dominance & affiliation interpersonal trait inferences, undergraduates, 22473
stereotyped & prejudiced evaluation of others, self-image maintenance & self affirmation, adults, 35268
strategies used in verbal apology, judgments made by hearers about speaker & apology, undergraduates, 29688
strategy & information processing structure of sensemaking context & institutional identity & image, issue interpretation during strategic change, top managers in colleges & universities, 13974
"strength" of presidential popular vote winners & degree of societal threat & popular vote victory margin, elections from 1833–1964, 35127
structural constraints & social component of sequential resource dilemma game, position effect in request behavior & decision making, college students, 35199
structural invariance & semantic space, social representations in word associations, adults, Spain & Nicaragua, 7682
superordinate group vs subgroup identification, evaluation of justice & instrumental vs relational issues in conflicts with authority, Asian vs Hispanic vs European vs African American workers, 18848
supporter characteristics & perceiver personality, social support perceptions, college students, erratum, 3819
target marital status & age, personal & professional trait perception, college students, 38717
target's obese vs normal body weight & gender, perception of target's sexual experiences & sexuality, 17–23 yr olds, 11691
target's race & belief similarity, evaluative & social distance judgments, Black vs White 9th graders, 1966 vs 1979 vs 1993, 3418
teacher feedback & hypothetical target peer reputation, evaluation of peer behavior, 1st & 2nd graders, 9965
temperament, perception of interpersonal behavior & understanding of meaning, college students, 18898
threats to perceived organizational identity, cognitive responses to threats, members of business schools ranked in Business Week top 20, 1992, 13972
transcendental concerns with meaning of life & religiosity & personal hero identification, adults, 3937
transfer of social attributions within stimulus equivalence classes, 3.8–4.6 yr olds, 25678
TV viewing, normative social beliefs & memory regarding prevalence of affluence, heavy vs light viewing adults, 33750
type & relevance of prime & delay between prime & rating, ratings of stimulus female's attractiveness, 19–37 yr old males, 1017
types of cues used to detect emotion, college students & working adults, 11690
unwillingness vs imposition vs inability to complete request of assistance, persistence or compliance to rejected response, adults, 7666
validation of structure of hierarchical model of social self concept, preadolscents vs early vs late adolescents, 3413

victimizer's aggression level, perception of aggression & responsibility in hypothetical situations, 17–21 yr olds, Slovak Republic, 26211
views of timber workers & stigma & struggle for political power, environmentalists vs timber workers, 1026
within & cross cultural interpersonal & group photographic judgments using zero acquaintance paradigm, college students, US vs China, 22460
3rd person perceptions of attraction & liking, graduate students, development & application of triadic relations model, 21156

Social Phobia—Serials

alcohol & sedative-hypnotic use, patients with social phobia or panic disorders, 31107
alexithymia as state reaction, 18–49 yr old patients with panic disorder vs social phobia, Japan, 6 mo followup, 35659
body vigilance & anxiety symptomatology, patients with panic disorder vs social phobia, 22910
buspirone augmentation, responsivity to selective serotonin reuptake inhibitors, 18–50 yr olds with social phobia, 13068
buspirone, social anxiety & avoidance, patients with social phobia, 12 wk study, Netherlands, 36524

carbon dioxide & oxygen, patients with panic disorder &/vs social phobia, Italy, 42360
cerebral blood flow & metabolism, patients with social phobia, Canada, 12099
characteristics of response vs nonresponse to brofaromine or fluvoxamine, patients with social phobia, 13049
clonazepam, anxiety & work performance, male 51 yr old with stuttering & social phobia, case report, letter, 12958
clonazepam vs placebo, 28.8–46 yr olds with social phobia, 2 yr followup, 16658
cognitive behavior therapy, danger cognitions, adults with agoraphobia vs social phobia, 4856
confirmatory factor analysis & 3 factor model of Fear Questionnaire, patients with social phobia, 2587
construct & convergent & discriminative validity of Social Phobia & Anxiety Inventory for Children, 3rd–7th graders with social phobia, 2581
cultural variations in DSM–IV-defined social anxiety or phobia vs Japanese variant Taijin Kyofusho, 18–26 yr olds, Japan vs US, 31092
demographic & clinical characteristics, treatment acceptance & dropout rate & improvement, patients with social phobia, 22916
density of dopamine reuptake sites, 31–47 yr old patients with social phobia vs 19–75 yr old healthy volunteers, Finland, 22914
diagnostic criteria & epidemiology & neurobiology & pharmacotherapy of social phobia, 19236
discriminant & convergent validity of Icelandic translation of Social Phobia Scale, assessment of social anxiety, 19–70 yr olds, Iceland, 34027
efficacy of fluoxetine vs sertraline or paroxetine, male in mid 20s with social phobia, case report, letter, 32564
efficacy of venlafaxine, 24–74 yr olds with social phobia, 1827
epidemiology & comorbidity & treatment & symptoms of social phobia, 12093
escalated dosage in open label vs double blind placebo controlled discontinuation of paroxetine, treatment responses vs relapse, patients with generalized social phobia, 1862
fluoxetine & topical aluminum chloride, anxiety-related hyperhidrosis, male 51 yr old with public speaking phobia, case report, letter, 12941
focus of attention in cognitive behavioral treatment, anxiety & self awareness & social performance, social phobics (mean age 34 yrs), 32184
Harm Avoidance & Reward Dependence subscale scores on Tridimensional Personality Questionnaire, patients with social phobia vs major depressive disorder, 19237
high vs low anxiety, suppression of emotional Stroop effect, patients with social phobia, 19224
high vs low expectancy of positive outcome of cognitive behavioral group treatment, patients with social phobia, 39708
history of trauma, features & persistance of major depression, adults with agoraphobia or panic disorder with or without agoraphobia or generalized anxiety disorder or social phobia, 5 yr followup, 22920
homework compliance & perceptions of control, posttreatment anxiety, cognitive behavioral therapy clients with social phobia, 4852
multicenter trial of efficacy & safety of moclobemide, outpatients (mean age 36 yrs) with social phobia, 13 countries, 36403
neuropsychological assessment of visual spatial & executive functions & memory & attention, 18–52 yr olds with obsessive compulsive disorder vs social phobia, 4199
paroxetine, anxiety & avoidance & depression & functioning, patients (mean age 33.3 yrs) with social phobia, 32462
pentagastrin administration, sensitivity to panicogenic effects, 18–55 yr olds with generalized social phobia vs panic disorder, 23907
pentagastrin challenge, symptoms of panic attack & apprehension, adults with vs without social phobia, 35680
phenomenology & treatment, 16–43 yr olds with offensive type taijin-kyofu-sho, US vs Japanese & Korean data, 31067
plasma neuropeptide Y vs norepinephrine, patients with panic disorder or social phobia, implications for normal sympathetic nerve activity in anxiety disorders, 4214
predictors associated with treatment response to cognitive-behavioral group therapy, adults with specific or generalized social phobia, 39722
prevalence & context of social phobia & anxiety & avoidant disorder, female 5 yr old with selective mutism, case report, commentary, letter, 8440
prevalence & context of social phobia & anxiety & avoidant disorder, female 5 yr old with selective mutism, case report, commentary reply, letter, 8430
prevalence & impact of social phobia & other anxiety disorders, 20–65 yr old disabled workers with chronic musculoskeletal pain, 19489
prevalence & overlap between social phobia &/or avoidant personality disorder & major depression, 18–65 yr old outpatients, conference presentation, 35446
prevalence of anxiety & other psychiatric disorders, 4–18 yr old children of patients with social phobia, Canada, 26571
prevalence of personality disorders, patients with obsessive compulsive disorder vs social phobia vs panic disorder & agoraphobia, 12083
prevalence of social phobia, primary care patients, 4215
propensity for & fear of & frequency of blushing & self-focused attention & private & public self-consciousness, 18–41 yr olds, 18943
quantification of G proteins in platelets & leukocytes, patients with panic disorder or social phobia, 8046
racially sensitive social effectiveness therapy with exposure treatment over 4 mo, female African American with chronic & severe social phobia, case report, 12844
recognition bias for critical faces, social phobics, 22903
sensitivity of 5 measures of social phobia to treatment related changes, adults with generalized social phobia, 34029
severity of impairment & outcome of cognitive behavioral treatment, adults with social phobia with vs without avoidant personality disorder, erratum, 42996
social phobia & perfectionism & levels of anxiety & general psychopathology, adults with vs without social phobia, 8026
social phobia & social anxiety, growth hormone-deficient patients vs volunteers with short stature 15–35 yrs old, followup study, 42706
social success & self-protective social goals & negative emotional states & social perceptions, adults with generalized social phobia, 39099
soundness of DSM-IV criteria of social phobia without inclusion of occurrence secondary to medical disorder, adult stutterers, commentary, letter, 23229
Stroop response times to positive & threatening words related to panic vs social vs general concerns, 18–49 yr olds with vs without panic disorder vs social phobia, 8032
systematic replication strategy intervention, school refusal behavior, 10 yr old female with separation anxiety disorder & social phobia, 19829
validity of Social Interaction Anxiety Scale & Social Phobia Scale, patients with anxiety disorders, 17627

Social Problems [See Social Issues]

Social Processes [See Also Coalition Formation, Human Migration, Immigration, Industrialization, Social Control, Social Deprivation, Social Integration, Social Mobility, Socialization, Status, Urbanization]—Serials

specialist vs generic vs community approach to social work team organization, service delivery, elderly, 27688
strategic mission & types of leadership & mobilization in revitalization of human service organizations, 5311
student title designation & perceptions of social work field training assignments, social work agency administrators vs field instructors, 43509
typology of parent & child behavior & characteristics & poverty, family problems & service needs, child welfare cases with documented maltreatment, 16842
use of computer networking in human services, 9422
use of social services, African American parents of minor children, 24201
user involvement in organization & delivery of social work & psychiatric services, 43330
views & experiences with health & social services, 22–64 yr olds with acquired physical impairments, England, 32841

Social Skills—Serials

adult learning principles & problem based methods, acquisition of psychosocial competencies, medical students, 13534
age & sex, factor structure & scale characteristics of shortened version of Social Competence & Behavior Evaluation Scale, 3–6 yr olds, US vs Canada, 14243
age of treatment onset, development of fine & gross motor skills & language & social self-help, 0–7 mo olds with Down's syndrome, longitudinal study, 12727
attachment security & maternal directiveness, child's social competence, 4 yr olds & their mothers, 794
behavior problems & social & self-care & community living skills, patients aged over 60 yrs with schizophrenia or schizoaffective disorder vs bipolar disorder vs major depression, 42190
beliefs about & influence on promotion of peer social skills in early childhood, female kindergarten & Headstart teachers, 17198
cognitive & academic functioning & social competence & externalizing problem behaviors & school history, 2nd–4th graders at high vs moderate vs low risk for behavior disorders, 13833
cognitive self modeling vs participant modeling training programs, social competence, adolescents, Nigeria, 23814
collaboration & enhancement of professional growth & school intervention approaches in consortium for social competence promotion, school researchers, 5572

conceptions of emotions & parental emotional socialization & emotional competence with peers, 3.1–5.7 yr olds, 29865
consideration of risk & social competence & multiculturalism, enhancement of health promotion & primary prevention programs, special education students, 16777
cooperative learning & task-oriented skills & person oriented skills, social skills & behavior in & out of classroom, 10–12 yr old students, Australia, 10 wk study, 33399
coping styles & family communication patterns, social skills, young adult children of alcoholics, 16090
development & reliability & factor structure & criterion related validity of Social-Adaptive Functioning Evaluation, measure of adaptive life skills functioning, geriatric psychiatric patients, 17644
development & validity of Chinese version of Matson Evaluation of Social Skills with Youngsters, adolescents, Hong Kong, 20981
development of instrument to measure social work practice skills, MSW interns (mean age 30.7 yrs), 37546
diagnosis of Tourette's syndrome & haloperidol treatment & social interventions, behavior problems & tics, learning disabled 28 yr old male, 8708
dimensionality of social competence, 18–41 yr olds, 18996
disqualifying family communication & child anxiety & social competence, offspring mental health & hospitalization, 30–64 yr old psychiatric inpatients & their 7–10 yr olds, 14 yr study, 11930
dynamics of work performance & personal & social functioning, psychiatric patients attending vocational reintegration program, 12 wk study, 9646
ecology of peer relations & social competence & relation to family experience, children, 18580
ethnic & gender differences in AIDS prevention related social skills, Latino vs Anglo adolescents (mean age 15.3 yrs), 39932
exposure to violence, violent acts & abuse of alcohol or narcotics & psychosocial problems, teenagers in care of social service department, Sweden, 22990
family communication & offspring social & interpersonal functioning & psychiatric hospitalization, male 7 or 10 yr olds with parent with serious psychiatric disorder, 10–14 yr followup, 30810
group formation vs familiar group period, temperament & social competence & hypothalamic pituitary adrenocortical system activity, 3–5 yr olds, conference presentation, 41713
individual temperamental differences at age 3 yrs, interpersonal functioning at age 21 yrs, New Zealand, 18 yr followup, 22124
interactions of dyads with vs without experience in reciprocal peer tutoring program, mathematics achievement & behavioral conduct & social competence, at risk 9.4–12.1 yr old African Americans, 40390
intercase reliabilities of standardized patient checklist vs rating scale form, assessment of interpersonal & communication skills, medical students, conference presentation, 6098
mothers' social coaching & responsive style, child's peer competence, 3–6 yr olds & their mothers, 34936
multicomponent competence enhancement vs information/attention control school-based prevention program, problem solving & social skills, 1st–4th graders with disruptive behavior, 2 yr study, 36296
parental attachment bonds & social competence & emotional well being, Black vs White adolescents, 18616
parental emotional socialization & parent child emotional interaction, children's emotional & general social competence, 2 yr 7 mo–6 yr 2 mo olds & their parents & teachers, 34897
peer relations & loneliness & self perceptions of social competence & ego-involvement in classroom, 14–18 yr old middle school students & their teachers, Norway, test of model, 20627
perceived self competence & intellectual ability & emotional understanding & social adaptation, high functioning autistic 9–16 yr olds, reprint, 31412
physical education, antisocial behavior & resolution of interpersonal disputes & physical skill levels, prekindergarten–6th graders in urban at-risk community, 24551
play activities & teacher predictions & peer social initiations, social interactions, autistic & normal preschoolers, 2239
preferred playmate choice & generalization & level of social skills among mutually preferred child pairs, autistic 4–5 yr olds in early intervention program, 23165
premorbid social competence, symptom expression in thought action orientation & length of psychiatric hospitalization, mildly mentally retarded inpatients, 9525
psychiatric comorbidity hypothesis of social skills deficits, learning disabled children, implications for treatment & special education, 12372
psychiatric status & activities of daily living & social & vocational functioning, adults with severe mental illness living in rural area, 42200
psychometric properties of Interpersonal Relationship Inventory, homeless & 1st time shelter using males, Canada, 40824
recruiter training, perception of recruiter's interpersonal skills & effectiveness, job applicants & recruiters, 43747
regulation & emotionality, resiliency & social functioning, kindergarten–3rd grade students & their peers & parent & teacher, 34902
relationship between depressive symptoms & perceived social & academic competence, Chinese 13–17 yr old students, Hong Kong, implication for screening using the Children's Depression Inventory, 38970
reliability & validity of Multi-Problem Screening Inventory for personal & social functioning, master's or undergraduate level social work students (mean age 32.4 yrs), 28439
Responsibility Model & development of personal & social skills in physical activity programs for inner city youth, 24075
role of illnesses & injuries in development of social competence & relationships, infants to 5 yr olds, 29917
secure attachment with or alienation from parents, interpersonal relational competence, 10th graders, 15321
self competence & family functioning & maternal coping, 8–15 yr old males vs females with diabetes vs asthma & their mothers, 19504
self enhancing &/or other enhancing social judgments, nondepressed vs depressed undergraduates with high vs low dysfunctional attitudes, 11947
self-esteem & social competence & externalizing behavior, male 7–12 yr olds with difficulties making &/or keeping friends, 7326
sex, information processing & social skills & negative symptoms, patients with schizophrenia or schizoaffective disorder, 4177
sex, recollections of early childhood touch & tactile attitudes & touch behaviors & effectiveness of paper & pencil measures vs log recordings in predicting social self-confidence, college students, 22472
sex, social & social-cognitive & academic & cognitive competence & problem behavior, 10–13 yr olds, Norway, 24641
social & emotional goals of Special Olympics International, social competence & self esteem, 9–37 yr old mentally retarded athletes assessed before vs 4 mo after participation in World Games, 8390
social & interactive behaviors & frontal activation asymmetry, 4.1–5.2 yr olds, reprint, 29872
social behavior & everyday living skills, new long stay psychiatric inpatients vs discharged patients with stays in hospital vs community for 6 mo to 5 yrs, England, 9540
social competence & behavioral & physiological reactivity & CSF 5-HIAA level, Chinese-Indian hybrid vs Indian-origin infant rhesus macaques, 41402
social competence & emotional behavior & cognitive & academic development, 5.3–12.9 yr olds with left vs right hemisphere damage with vs without frontal lobe lesions after perinatal stroke, 4716
social competence & maladaptive behavior, children & adults with learning disability, Northern Ireland, 42637
social discourse skills, social competence, 8–12 yr olds with language & learning disabilities, Canada, 35958
social interaction & skills research, autistic persons, literature review, 1422

social pretend play, peer-related social competence & language & cognitive development, children with mild to moderate disabilities, 19087
social problem solving motivation & ability, distress & personal problems, 9th grade health education students, application of Stepped Approach Model to delivery of health education & promotion, 9310
social skill mediation of perceived physical attractiveness of adults with chronic schizophrenia or schizoaffective disorder, raters, 15946
social skills & problem behaviors, prediction of academic success & promotion or retention, 60–93 mo old kindergartners at end of school year, 37022
social skills deficits, development of psychosocial problems, college students, 26181
social skills training, interpersonal effectiveness, 21–30 yr old developmentally disabled adults, implications for social work practice, replication, conference presentation, 39242
social skills training, social skills & negative symptoms, 30–40 yr olds with schizophrenia with vs without deficit symptoms, 24289
social style & communication apprehension & self esteem & academic major, reports of teachers' verbal immediacy behavior, college students, 20520
social validation in social skills training & assessment, persons with disabilities, 11865
supported employment vs nonwork experiences in day service provision, interaction & engagement patterns, adults with learning disabilities, 16990
teacher vs parent perceptions of frequency & importance of social skills & problem behaviors, 32–64 mo olds considered typical vs at risk for educationally disabling conditions, 35893
teacher–child relationship, social competence & compensatory function for insecure mother–child relations, 2.8–4.6 yr olds & their teachers, 24644
teacher's rating of social competence, 2nd–6th graders with self-rated high vs low levels of depressive symptoms, 15928
validity of modified Interpersonal Competence Questionnaire, assessment of competence in mother–adolescent relationships, high school students, 40808

Social Skills Training—Serials

behaviorally oriented social skills training &/vs supportive group therapy &/vs fluphenazine, psychotic relapse & social adjustment, male outpatients with schizophrenia, 19695
beliefs about & influence on promotion of peer social skills in early childhood, female kindergarten & Headstart teachers, 17198
Child Behavior Checklist & DSM-III-R diagnosis, prediction of outcome of social skills training & generalization to school context, 7–11 yr old males with ADHD & oppositional defiant disorder, 36350
classroom based social skills training program with coaching & social problem solving approaches, social skills & acceptance & problem behaviors, 9–12 yr olds with learning disabilities, Canada, 28088
cognitive self modeling vs participant modeling training programs, social competence, adolescents, Nigeria, 23814
conflict resolution training integrated with English literature study, academic achievement & negotiation mastery & retention & application, 9th graders, Canada, 40400
cooperative learning strategies, social & academic skills, mainstreamed students with disabilities, 13864
coping skills training group, self efficacy to withstand relapse, chronic alcohol-dependent inpatients, Norway, followup, 33081
developmental synthesis perspective on peer & classroom social networks & social skills training & behavior, students with disabilities, implications for special education service delivery, 13826
generalization & maintenance of social skills training in multiple settings with sighted peers, 8–11 yr old visually impaired females & sighted male & female peers, follow up, 27529
inductive social skills training vs cognitive-relaxation coping skills, general anger reduction, college students, 19818
instructional techniques for social awareness in work enviroments, mentally retarded adolescents, 42639
intervention program, prosocial behavior, preschool children with & without developmental disabilities, 8988
long-term social skills training & support group, hospital readmission, patients with schizophrenia, 27744
parent-assisted transfer of social skills training & stimulant medication, 6.9–12.9 yr olds with vs without ADHD vs oppositional defiant disorder, 42928
peer mediated social skills intervention, frequency of instructional vs social interactions, mild to moderately mentally retarded 3rd graders & their peers, 20664
pivotal response training implemented by multiple peers, social behavior, 7 & 8 yr old males with autism, 32168
potential assessment & intervention methods based on attribution theory for possible enhancement of social skills training for children, 34890
presence vs absence of integration of conflict resolution training in academic literature unit & cooperative vs individualistic learning, conflict resolution & performance, 7th–8th graders, Canada, 17208
priming, spontaneous social initiations, 4 yr old males with autism & their nonhandicapped 4–6 yr old peers, 1426
procedural issues in & recommendations for social skills training related to employment facilitation, 14–66 yr olds with mild–profound mental retardation, literature review, 16569
rebuilding self esteem through social skills education & play & modeling with children with ADHD, 32627
refusal & resistance skill training for tobacco use & substance abuse & sexual activity, children & adolescents, literature review, 24076
research issues & needs in determination of long-term effectiveness of social skills training, students with emotional & behavioral disorders, 17237
resilient peer treatment, social play, socially withdrawn African American 3.8–5.1 yr old victims of physical abuse & neglect, 16568
role of Social Problem Solving Lab in increasing application of Social Problem Solving knowledge obtained in classroom to bolster effective social problem solving, at-risk 3rd graders, 40446
school based cognitive behavioral treatment program focusing on cognitive & social skills, aggressive children, Canada, 37137
school exclusion vs in-school suspension & prevention model for development of school based social skills, behaviorally disturbed students, literature review, 1975–95, 20671
social competency training provided to primary peer followed by provision to selected secondary peer, peer type & frequency of social contacts, peers & deaf blind 10–18 yr olds, 19871
social skills training & intervention for children with learning disabilities, meta analysis, 1981–96, 36349
social skills training, interpersonal effectiveness, 21–30 yr old developmentally disabled adults, implications for social work practice, replication, conference presentation, 39242
social skills training, male 33 yr old with obsessive compulsive disorder & schizotypal pesonality, 6 mo followup, 8989
social skills training, self concept & perceptions of support from close friends & classmates & loneliness, withdrawn & unpopular 8.6–14.6 yr olds with cerebral palsy or spina bifida, 6 mo followup, 37104
social skills training, social skills & negative symptoms, 30–40 yr olds with schizophrenia with vs without deficit symptoms, 24289
social skills training strategies, schizophrenia, literature review, 12885
social skills training vs group or institutional therapy, social skills & self esteem & efficacy & quality of life, chronic schizophrenic patients, 16936
social validation in social skills training & assessment, persons with disabilities, 11865
socioemotional day care intervention, emotional & social competence, at risk 3.5–5 yr olds, 2004

"Stack-the-Deck" table game, social skills training & generalization, institutionalized mildly & moderately mentally retarded 16–17 yr olds with behavior problems, 16543
supervision of combined behavioral & psychodynamic social skills training groups, patient attitudes & relationship between supervisees & supervisors, 24428
training, improvement in interactions, severely & profoundly mentally retarded 23–55 yr olds & staff in residential facilities, 6 mo followup, 9509
trauma based treatment for survival of sexual abuse, supportive group therapy & cognitive reframing & social skills training, dually diagnosed mentally ill & substance abusing females, 23724
Social Stigma [See Stigma]
Social Stress—Serials
attack & social defeat, leukocyte & lymphocyte subpopulations & T helper cell subset numbers, male rats, 21799
behavioral & EKG responses to attack induced social stress, male rats, 563
beta-adrenergic antagonist butoxamine & social confrontation & defeat, mammary tumor metastasis, intruder male rats, 7082
chronic psychosocial stress & phenytoin, CA3 hippocampal neuron structure & urinary cortisol & body weight, subordinate male tree shrews, 18175
chronic social stress & social rank, 5-HIAA & 5-HT & other monoamines in prefrontal cortex, male monkeys, 29282
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, 34620
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, comment, 34619
chronic social stress, levels of corticotropin-releasing factor & arginine vasopression mRNA, rats, 34617
clomipramine, psychosocial stress induced behavioral & endocrine alterations, tree shrews, 15032
cognitive science analysis of interaction between psychosocial stress & neurobiology of major depressive disorder, kindling & sensitization effects in neural structure activation, 22794
divorce-related stressors & coping strategies, 35–50 yr old middle class/working class Black males, 7498
hostility & perceived social support & daily interpersonal stress & health behavior, ambulatory BP, 18–25 yr olds, 29467
manifestations of social distress, adolescents, West Virginia, 30041
parental occupational & family role social stressors, cognitive & behavioral outcomes, 10–14 yr olds of young mothers, longitudinal study, 29718
parental presence vs absence in early family environment, endocrine stress responses & behavior patterns, male vs female 2 mo to 58 yr olds, 8 yr study, West Indies, 11419
psychosocial stress & MK-801 administration, neurogenesis in dentate gyrus, adult male tree shrews, 34539
psychosocial stress in early pregnancy, 16–41 yr old females with miscarriage vs successful pregnancy, UK, 8482
psychosocial stressors & physical illness, individuals (mean age 74.1 yrs) with major vs psychotic vs minor vs organic depression, Australia, 30835
psychosocial stressors vs climatic variables, seasonal mood variations, Asian (mean age 28.32 yrs) vs Asian-British (mean age 26.28 yrs) vs White (mean age 27.07 yrs) females, 1 yr study, England, 30909
rate & correlates of depressive symptoms, community dwelling 75 yr olds & older, Israel, 19165
rearing in poor vs enriched environment, adult social stress measured by puberty onset & weight gain & basal cortisol & subordination, female pigs, 6483
resident–intruder aggression as social stress, cocaine self-reinforcement, male rats, 18321
role stress & socialization & cigarette smoking, smokers (mean age 26.5 yrs), 7584
severe life events in 12 mo before onset of globus pharyngis, patients, implications for psychological diathesis & social stress factors in etiology, 8467
social & environmental sources of occupational stress, productivity, workers, Nigeria, 24755
social defeat, behavioral & physiological stress responses, Roman high avoidance vs low avoidance rats, 34623
social defeat stress, behavioral & accumbens dopaminergic responses & cocaine self administration, defeated vs nondefeated rats, 29491
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, commentary, 22707
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, 4060
social relationships as social context & social stressors & coping strategies, depressive symptoms, 55–65 yr old cardiac patients, 4-yr followup, application of resources model of coping, 30502
social stress & life course perspectives on transitional events in aging cohorts, conference presentation, 3533

sociocultural factors & risk for sexually transmitted diseases & reproductive tract infections, infertility rates, African nations, 19501
sociocultural factors in mental health self-care strategies, elderly Korean immigrants (aged 60 yrs & older) with depression, US, 30894
sociocultural factors, perceptions of dieting & own & others' body weight & image, 14–16 yr old females, Australia, 29945
sociocultural influence on eating habits & attitudes of Romans during 1st 2 centuries AD currently considered pathological, 4439
sociocultural influences, attitudes toward disease etiology & treatment of chronic illness, 20-yr old male Mexican American with cystic fibrosis, 12492
sociocultural issues in description of students with learning disabilities in inclusion research, 1990–1995, 37090
sociocultural sexual selection interpretation of male genital modification, 11541
sociocultutal adaptions in cognitive therapy treatment, Malaysia, 32137
sociodemographic & diagnostic correlates of psychiatric referrals, 1–61+ yr old inpatients, 1 yr study, Nigeria, 24262
sociodemographic factors & contraception beliefs & attitudes & experiences, 16–37 yr olds with planned vs unplanned pregnancy, 968
sociodemographic factors, marketing mail survey response rate & speed & quality, research review, 10180
sociodemographic variables associated with racial group identification, 18–101 yr old Blacks, 38522
sociodemographics & HIV≅IDS knowledge & beliefs & prevalence & behaviors, migrant laborers & seasonal farmworkers, literature review, 36025
socioeconomic & cultural & environmental & other factors, health beliefs, 21–71 yr old Black patients attending specialized medical facility, 20100
socioeconomic & cultural factors & maternal support, childbearing & pregnancy, immigrant Mexican mothers with low vs normal birth weight infants, conference presentation, 35021
sociohistoric background & organization & financing of deinstitutionalization & outpatient care in mental health services, Germany, 32849
sociological approach & developmental niche framework in culture-ecological model for study of childrearing in bicultural settings, application of Indian migrant data, Netherlands, 927
sociological reasons for recovering from anorexia nervosa, treatment implications, 35938

statistical approach to analysis of socioeconomic impact areas in environmental risk perception, socioeconomic scholars, Taiwan, 14081
status category & congruence, participation in extracurricular activities perceived as threatening to cultural assumptions of prestige & privilege, female 7th–8th grade cheerleaders, 5685
strategies to avoid dominant cultural script of getting & staying away from abuser, 22–45 yr old battered women who participate in social and police services, conference presentation, 42433
suicide & individual & family & tribal & community factors, Native American & Alaskan Native & Canadian Aboriginal youth, 31271
suicide as a result of social forces & pathologies & individual characteristics, 31238
suicide rates in immigrant populations in America & cultural influences, Chinese & African Americans & Native Americans, counseling implications, 31231
systematic approach to culturally relevant counseling services for Korean American elementary school children, 33574
the psychological considerations of sexual health for men in culturally diverse communities, 26107
the relationships between sociocultural experiences & world view & clinical reasoning, female occupational therapist from India, case reports, 33104
therapist self assessment & personal bias & cultural influences in therapy, ethnic minority couples, 27253
underlying cognitive functioning & environmental factors, IQ, adults with Down's Syndrome, 23197
use of cultural & socioeconomic conditions of foreign countries in formation of international brand image strategies, brand performance, marketing managers, 24863
use of "cultural categories" to interpret consumer behavior, Japan, implications for cross-cultural consumer research, 24831
validity of cognitive ability testing protocol, monitoring of nutritional & health & home & educational intervention effects, 5–12 yr olds, Laos, 5956
weight related positive vs negative feedback, self reported body satisfaction, White vs Black female undergraduates, 18968
Western education & religion & legislation, tribal structure & culture, Native Americans, implications for suicide rate, 31191

Socioeconomic Class Attitudes [See Also Lower Class Attitudes]—Serials

class based racial stereotyping & sociohistorical analysis of psychological experiences of & psychotherapy for rape survivors, African American females, 32050
cognitive theory of maladaptive & abusive transactions in family systems & societal & psychotherapist biases & cognitive restructuring, disadvantaged mothers, 32002
culture & SES & class, attitudes toward long-term socialization goals & child behavior, lower vs middle class Anglo vs migrated vs island Puerto Rican mothers, US vs Puerto Rico, 18736
economic disadvantage & class bias, academic achievement & identification of giftedness, lower class women, 33455
feminist literature on social class & class attitudes & psychotherapy, 32043
issues in assumptions Whiteness & processes in students' constructions of gender & class & ethnicity & race, 37073
lower vs middle class, concepts of personal choice & moral vs conventional regulation, 8 vs 9 vs 12 vs 15 vs 16 yr olds, Brazil, 3461

Socioeconomic Status [See Also Family Socioeconomic Level, Income Level, Lower Class, Social Class]—Serials

age & occupation & SES of potential mate, selection of mate, husbands vs wives, 42001
age & SES & sense of control, exercise self efficacy, older adults, conference presentation, 3522
age & SES, exercise & smoking, 24–65+ yr olds, 27517
age & social support & economic conditions & psychiatric symptoms & diagnosis & adjustment in late-life, 39–90 yr old adults with severe mental illness living in the community, prospective study, 35486
attitudes toward women's role & religious affiliation & SES & family structure, attitudes toward centrality of children, citizens of Austria & Great Britain & Ireland & Italy & Netherlands & Germany, 38568
availability of alcohol as determined by geographic & socioeconomic & drinking characteristics, driving after drinking alcohol, drivers, 12223
barriers to accessing services & training program to recruit neighbor volunteers for assisting with such access, low income frail elders, 32831
birth risk conditions & SES & home environment, intelligence, 3 yr olds, 6 yr study, 34816
childhood & present SES, inequalities in mental health & serious illness, 65 yr olds & older, Norway, 43234
childhood socioeconomic conditions & sense of coherence & adult social class & adult health, adults, Sweden, 43238
class differences & power & negotiations in construction of gender ideals, female customers vs beauticians, 26095
client race & ethnicity & s SES, perceptions about children with developmental difficulties suggestive of autism & ADHD, speech-language pathologists vs school psychologists vs child psychiatrists, 2125
county income & suicide incidence, richest vs poorest counties, Sweden, test of social psychological vs socioeconomic suicide epidemiology hypotheses, 16016
culture & SES & mobilization & gender roles, participation in nonelectoral activities, Mexican Americans vs Cuban Americans vs Puerto Rican Americans, 30220
current & previous unemployment, depression & SES & subjective health & local job availability & educational background, 25 yr olds & older, erratum, 5742
depression & acculturation & SES, Mexican American or Hispanic vs Mexican National college students, 35519
developmental delays & SES, clinical presentation of ADHD, Black & White children diagnosed with behavior or learning disorder or speech delay, South Africa, 8357
economic inequality & poverty, homicide rate, Latinos, 1980, 8311
economic well being, Southeast Asian vs Soviet/East European vs Cuban vs Haitian vs Nicaraguan refugees who arrived in US as children, 22216
educational level & SES & religious affiliation, rural vs urban women in polygynous vs monogamous marriages, Ghana, 35080
ethnic group ties & identity & economic resources, solidarity & political & economic empowerment, Mexican American adults, 7472
ethnicity & SES & life experiences of respondent vs vignette subject, attributions of responsibility in father–daughter incest scenarios, 18–65 yr olds, 35743
family structure & financial & life-cycle factors, negative vs positive marital quality, Black vs White 25 yr olds & older, 3614
family structure during childhood, socioeconomic attainment & social mobility, adult Black vs White males, 38483
father's SES & mother's vs father's education & remarriage & child's age & mother's sole vs joint custody, postdivorce contact with children, fathers, 11568
gender & SES & academic ability, choice of field of study & college & lucrative fields within selective colleges, 14–21 yr old African Americans &/vs Hispanics, annual followup, 40445
high vs low SES & dieting practices, 20–45 yr old females, 32750
home literacy practices, emergent literacy knowledge, 4–6 yr olds in low SES homes, 11386
income & education & employment status & life cycle effects, voting participation, Mexican American & Cuban American & Puerto Rican American adults, 30204
indicators of social & economic well being, African American youth, 3575
individual & household & neighborhood & metropolitan characteristics, residential mobility between poor & nonpoor neighborhoods, Blacks vs Whites, 30028
influence of SES & demographics on environmentally responsible behaviors & examination of extent to which influence is mediated by social contextual factors, Canada, 40699

issues in basal readers & creation of reading failures in elementary schools & role of differences of students' social & economic backgrounds, 36975
learning environment & occupational attainment & aspirations & school-outcome measures, male vs female 21 yr old Australians of Anglo-Australian or Greek or Italian descent, Australia, 10 yr study, 9928
level of ego strength & literacy & SES, 17–75 yr old accused vs convicted prisoners, India, 8300
lifecourse SES & health behaviors & psychosocial characteristics, adult males, Finland, 43239
lifestyle incongruity between material way of life & occupational class, BP, male vs female modernizing 25–64 yr olds, Western Samoa, 3146
long-term care for disadvantaged children, adult educational attainment & median incomes & attitude toward life & other social & economic measures, orphanage alumni, 36758
low vs higher SES & parent child relations & children's adjustment, married vs single Black mothers of 5–8 yr olds, South Africa, 41735
maternal child rearing attitudes & IQ & SES, child's verbal vs performance IQ, male vs female 4.8–5.7 yr olds & their mothers, Scandinavia, 3342
membership in single vs dual parent household & SES, educational achievement, Hispanic 8th graders, 37025
memory performance & SES, literature review, 28957
model of socioeconomic & familial & peer influences & self processes, efficacy beliefs & academic achievement, 11–14 yr olds, Italy, 5637
musical taste & racism & democratic liberalism & social status & education level & symbolic cultural exclusion, adults, conference presentation, 30420
normative data on soft neurological signs & role of SES, 5–12 yr olds, Colombia, 3322
occupational aspirations & expectations, 2nd–8th grade inner city minority males from poor neighborhoods vs White males in more advantaged circumstances, implications for job preference development, 25856
occupational interests & academic skills & willingness to receive needed training, low SES drug abusing females with young children attending center for addiction & pregnancy, 20339
own &/vs peer family poverty & social status, academic achievement, Black & White 10th graders, 37028
parental divorce & SES, academic achievement, 11–17 yr olds, Sweden, 17183
paternal alcoholism & maternal socioeconomic position, behavior problems & pubertal maturation & sexual behavior & school adjustment, 10–11 yr old males, 4 yr study, 25889
perceived correlates of adolescent popularity & stress level, low vs high SES parents of male vs female 12–17 yr olds, 3485
perception of educational merit & economic need & caste & SES & political connections as determinants of admission to university & job recruitment & financial assistance, university students, India, 22485
predisposing & enabling & reinforcing factors, smoking behavior, 25–55 yr old blue-collar & white-collar workers, China, 11642
premigration exposure to violence & SES & postmigration stressors, adults (mean age 35 yrs) seeking asylum, Australia, 41815
progress of socioeconomic & cultural factors & differences & cost effectiveness of cross cultural psychiatric service modalities, literature review, 32832
relationship of hopelessness to physical functioning & age & economic situation & survival, 23-78 yr old hospitalized cancer patients, 8541
relationships between socioeconomic factors & severity of depressive symptomatology & sickness absence rate, 16 yr olds & older, Hungary, 2319
reliability & factor structure & construct validity of Multidimensional Perfectionism Scale, college students in mixed sex vs all female groups from academically typical vs elite universities, 2557
religious affiliation, SES, Black Catholics vs Protestants, 30063
school-based child protection program effectiveness, children with vs without low SES, 1 yr followup, New Zealand, 27958
SES & access to welfare programs & prevalence of developmental disabilities, Whites vs Blacks vs Latinos, 42598
SES & body satisfaction & dieting behavior & body mass index, eating disordered behaviors, 7th–12th grade females, 31523
SES & cognitive development & social responsiveness & initiation, high risk vs low risk children with low birth weights vs full term children, 3 yr study, 34807
SES & covariates & perceived caregiver availability, 58–74 yr old Mexican Americans vs non-Hispanic Whites, 13366
SES & defense styles & role of loss of father vs mother, male vs female 14–20 yr olds, Finland, 3467
SES & ethnicity & family constellation & contact with biological mother & father, 3–18 yr old outpatients with psychological problems &/vs learning difficulties, 35086
SES & family structure & Catholic school attendance & number of school changes, dropping out of high school, 8th graders at 10th & 12th grade followups, 40455
SES & health & sex & insurance status of patients, decisions made by general practitioners, 15–65+ yr old patients & their physicians, 24148
SES & health status & mortality, 43240
SES & hostility & blood pressure reactions to mental stress, male 35–55 yr olds, England, 21785
SES & sociocultural & parental & peer influences & appropriation of violence definitions, violent delinquency, 11–17 yr old males, 35848
SES based on education & poverty & Medicaid payment & use of supplemental food program during pregnancy & residential crowding, health behaviors, females who delivered infants in 1990–91, 24111
SES factors & length & context of observation, functional & social contexts of interactions, 1st born infants from low vs middle SES families & their mothers, Costa Rica, 29892
SES, manual dexterity, 6–17 yr old poor vs middle class students, South Africa, 25691
SES of schools in suburban vs urban vs rural areas, learning opportunities in preparation for state mathematics performance assessment, middle school students, 6101
SES, risk behaviors for chronic disease, 12–17 yr olds, 19093
SES, sense of control over one's life & belief that Americans control their own lives & good or bad outcomes, 18–90 yr olds, 22215
severity of dementia & socioeconomic & demographic factors, time to institutionalization or death, males vs females with Alzheimer's disease (mean age 72 yrs), longitudinal study, 36093
sex & economic status & self concept & learning style, mathematics achievement & attitudes, Black 4th–8th graders, 5652
sex & SES, attitudes toward applied statistics, 21–43 yr old college education students, South Africa, 43655
sex & SES, body shape satisfaction & self esteem, young adults, 7707
social & economic & cultural basis & fertility impact of preferences for sex of offspring, female 15–54 yr olds, Nepal, 11586
social & emotional support & involvement & health & economic condition & sociodemographic characteristics, loneliness, 65+ yr olds, 15375
sociocultural & economic factors, patterns of child care & parent-child interaction, 3 mo olds of 17–42 yr old European-American vs recently immigrating Central American mothers, 30172
socioeconomic & cultural & environmental & other factors, health beliefs, 21–71 yr old Black patients attending specialized medical facility, 20100
socioeconomic & cultural factors & maternal support, childbearing & pregnancy, immigrant Mexican mothers with low vs normal birth weight infants, conference presentation, 35021

socioeconomic & demographic factors & psychological factors based on health belief model, decisions to seek medical consultation & care, literature review, 32786
socioeconomic & demographic variables, spousal violence & decision making, 25–31 & 40–49 yr old married women, Mexico, 38541
socioeconomic & personal & drug use & criminal justice characteristics, 18–25 yr old Black vs Hispanic vs White male inmates in the federal correctional system, 39229
socioeconomic & political upheaval, historical changes in epidemiological patterns of mental illness, China, 38931
socioeconomic characteristics & abstinence levels & quality of life & adverse effects & health care costs, 20–82 yr old alcohol dependent or abusing patients, 23076
socioeconomic development & marital satisfaction & harmonious extended family relations & desire for sexual possessiveness in urban marriages, 19–68 yr old husbands vs wives, Turkey, 35079
socioeconomic inequalities & mental health problems, poor persons, 15888
socioeconomic stress, psychological well being, 18–86 yr olds with poor mental health, 4056
stressful life events & socioeconomic factors, prevalence of minor psychiatric disorders, 15–55 yr olds & older, Brazil, 30775
tactics of hierarchy negotiation to improve or maintain position in society, adults & 17–41 yr old husbands vs wives, 4 yr followup, 18975
TV viewing, normative social beliefs & memory regarding prevalence of affluence, heavy vs light viewing adults, 33750
use of public vs private health insurance, socioeconomic differences in general practitioner vs outpatient specialist care utilization, patients, Netherlands, 39873
views of & participation in effective early instruction, urban Black low to middle income parents of regular or special education students, 3-yr study, 5704
walking speed & SES, male vs female walkers, Austria, implications for sexual selection theory, 2795
weighting of acoustic parameters in speech perception & phonemic awareness, 7.8–8.9 yr olds with low SES &/vs chronic otitis media, 23511
yrs married & economic & occupational & parental status, marital satisfaction & thoughts of divorce over life course, 25 yr olds & older in 1st marriage, 910

Socioenvironmental Therapy [See Milieu Therapy]

Sociolinguistics—Serials
contextualist perspective of & multiple discourses & identities in terms of investment & agency in 2nd-language learning, 7th & 8th grade Chinese-speaking immigrants, 2-yr study, 5605
face & equivocation in political interview discourse, British political leaders, 676
politness strategies in conversational argument, college students, 38234
referent status vs familiarity vs addressee familiarity, use of terms of reference, 46–74 yr olds with right hemisphere damage, 23373
self & identity as revealed through family narrative analysis, Jewish American females, 7745

Sociology [See Also Sociobiology]—Serials
analysis of contemporary health lifestyles using work of sociological theorists M. Weber & G. Simmel & P. Bourdieu & A. Giddens, 35292
application of empirical psychology research to M. Weber's sociological theory of Protestantism as religious ethos in rise of capitalism, 41841
concept of magic in healing process & need for medical sociology to become more interdisciplinary in conceptualization & design of research projects, conference presentation, 32646
content analysis of abnormal psychology & sociology of deviance textbook portrayal of homosexuality as illness vs sin vs as minority group, 1980–1995, 22387
contextualist theories of constructivism & interactionism in counseling & sociological assumptions of human development, 4819
contribution of sociological surveys & statistical methods in understanding causation of homosexuality, 26126
core conflicts & values of culture in sociology of psychotherapy, 1689
dramaturgical social framework of role of mass media in politics & interpersonal relations in contemporary American society, 11300
ethics of role of informants' discourse & researcher's narrative in Verstehende approach in sociology research, application of dialogical model as ethical research foundation, 11528
ethnomethodology & role in therapeutic alliance, 19728
future directions of sociology as action & policy science, 25964
historical & current national trends in family social research & policy regarding demographics & individualism & gender & marriage & family & intergenerational relations, Austria, 30137
M. Foucault's thesis of social control & power relations in prison, sociological conceptions of institutional regulation of life, 11595
post-structuralism & phenomenology in development of sociology of impairment vs social model of disability, 39373
prediction of social system trends, reprint, postscript by author, 41806
psychiatry & psychoanalysis & sociology in work of H. S. Sullivan, 40758
realist & structurationist theories of social being incorporated into structure of interview in sociological research, 11526
situational analysis as neglected situation in psychology & sociology & proposed model, 28384
sociological & clinical & historical perspectives on psychoanalysis vs other sciences, Freud–present, 37358
sociological context of public's perception of childhood after 1993 murder of infant by children, England, 12293
sociological model of social structure & interaction & personality, identity formation in Western & Western-influenced societies, 25858
sociological perspective on family & marital & friendship relationships in later life, elderly, literature review, 35001
sociological research on family theory, Norway, 19th century–present, 30135
sociological theory & institutional ethnography, practice of occupational therapy, adults in mental health day programs, 13478
sociology of political freedom & its application to family, 35012
suicide rates, Catholics vs Protestants, Netherlands, statistical test of validity of E. Durkheim's theory about religion & suicide, 12172
use of Internet in collecting data from questionnaires & software instruments in psychological & sociological experimentation, 10239

Sociometric Tests—Serials
development of biasing sociometric status determination on rating scales with covering computer program, judgment of status via nomination & 7- point scales, 7–14 yr olds, 2481
rating scales for nominations & dimensions of sociometric status, 7–12 yr olds, 28443
reactions to & sociometric risk of positive & negative peer nomination techniques, 4th–5th graders, 15293
sociometric measures of group density & cohesiveness & satisfaction & performance, undergraduates, 30371
validity of ESTCOL Scale, assessment of collectivism structure & relationship to personality, 15–87 yr olds from Estonian cultural subgroups, Estonia & Sweden, 20964

Sociometry [See Also Sociometric Tests]—Serials
parallels between chaos theory & sociometric theory, implications for techniques in psychodrama, 8796
sociometric analysis of subtypes of social withdrawal, kindergartners, 4 yr study, 34914
sociometric measures, prediction of team performance in workplace, 18–21 yr old military cadets, 18853

Sociopath [See Antisocial Personality]

Sociopathology [See Antisocial Behavior]

Sodium—Serials
anterior tongue stimulation with amiloride, suppression of saltiness or sourness, 18–55 yr olds, 21239

bilateral chorda tympani nerve transection, NaCl conditioned taste aversion retention, Fischer 344 vs Wistar male rats injected with LiCl vs NaCl, 6455
chorda tympani nerve transection, potassium vs sodium chloride taste aversion conditioning, male rats, 21708
dopamine receptor antagonists, sham & real drinking of NaCl after sodium depletion, male rats, 34699
fungiform taste bud denervation, long-term taste preferences for NaCl vs KCl concentrations, male hamsters, 6600
intensity of NaCl solution, degree of adaptation & recovery time course as measures of taste responsivity, adults, 21238
low vs high saltiness preference & soups with vs without umami additives, changes in soup pleasantness ratings, 19–47 yr olds, 10615
salivary sodium & potassium & cortisol & perceived coping incapacity, occupational stress, 19–60 yr old electronics factory employees, questionnaires appended, UK, 11064
sodium azide-infusions, changes in hippocampus & cortex & retention of water-maze & passive-avoidance tasks, male rats, animal model for learning & memory deficits, 29527
sodium balance restoration following induced sodium deprivation, gustatory-evoked responses in nucleus tractus solitarius, rats, 6649
subfornical organ lesion & hydration, sodium-depletion-induced salt appetite, male rats, 21778
Sodium Lactate [See Lactic Acid]
Sodium Pentobarbital [See Pentobarbital]
Solvent Abuse [See Inhalant Abuse]
Solvents [See Also Toluene]—Serials
concentration levels & training in avoidance of capsaicin vs piperine vs zingerone vs turpentine, European Starlings, 18071
dearomatized white spirit exposure, morphological vs electrophysiological vs neurobehavioral changes, male rats, 38129
ERPs & neuropsychological & psychiatric function, solvent-exposed adults with mild toxic encephalopathy (mean age 41.2 yrs), 16228
exposure vs nonexposure to organic solvents, neuropsychological performance, male journeyman painters (mean age 38 yrs), 31568
neuropsychological rehabilitation program, 33–60 yr old males with solvent induced toxic encephalopathy, Sweden, 24291
1,1,1-trichloroethane inhalation, locomotor activity, male mice, 38081
Somalia—Serials
cultural & sociopolitical influences & sources & management of ethnic conflict, Somalia vs Fiji, 3595
Somatization—Serials
acting up & self-destructive behavioral reactions & somatic complaints before & during & after therapist's vacation, hospitalized female 14–45 yr olds with borderline personality disorder, 19755
affect & desomatization & psychosomatic disorders & consequences of infantile psychic trauma, adult male, 35984
age & history of back or neck or abdominal complaints & frequency of consultation, somatization vs symptoms of psychiatric disorder, 20–44 yr old general practice patients, Netherlands, 5274
age & sex & somatization, illness behavior, primary care patients presenting with new vs continuing physical vs psychiatric illnesses, 23284
alternative approach to reattribution techniques in primary care, somatizing patients, 32802
application of object relations theory to somatic illness & intrapsychic growth in therapy, symbiotic & narcissistic & borderline couples, clinical vignettes, 27267
automatic thoughts, self-reported illness symptoms. male vs female depressive vs nondepressive college students, Turkey, implications for validity of Automatic Thoughts Questionnaire, 30482
benzodiazepine receptor partial inverse agonist FG 7142, somatic & cardiovascular components of acoustic startle response, male rats, replication, 34639
change in number of medically unexplained psychiatric symptoms under different criteria to explain somatization disorder, patients with chronic fatigue syndrome vs multiple sclerosis vs depression, 4006
childhood history of illness & deprivation & life events & abuse, prediction of adult somatization & depressive & anxiety disorders, 20–44 yr old frequent general practice attenders, Netherlands, 30794
comorbid medical disorders & somatization & depression, self perceptions of health, patients with panic disorder, 12097
compliance & satisfaction with & feasibility of psychiatric consultation intervention in family practice setting, general practitioners & their 18–75 yr old somatizing patients, Netherlands, 32865
concordance of ICD & DSM classifications of multiple somatoform symptoms & somatization disorders, adult inpatients, Germany, 16258
cross cultural perspectives on somatization, primary care patients, 14 countries, conference presentation, 39370
current emotions & coping behavior & mental absorption & personality factors & well being & somatic complaints, male military recruits, Norway, 30552
daily events & somatic symptoms appearing 3–4 days later, college students, 19518
delusional misidentification & accompanying somatic & perceptual symptoms, 37 yr old male inpatient, case report, 15949
dental amalgam fillings, physical & mental symptomatology, 22–66 yr old self-referred patients complaining of multiple somatic & mental symptoms, Norway, 39384
depressive information processing & somatic items on depression scale & affective distress, 18–75 yr old osteoarthritis patients, 39358
desomatization of selfobject & transference & idealization & affect in analysis, 46 yr old female with eating disorder, case report, conference presentation, 32275
development of abridged threshold of somatization to screen for psychopathology in primary care settings, 32797
diagnosis at family physician visit & appropriate antidepressant treatment, patients with somatic manifestations of depression, 19149
discussion of concepts of hysteria & abnormal illness behavior, 31621
facilitating anxiety & emotional instability & complaints about physical health, low vs high reactive 18–26 yr olds, Poland, 12103
frequency of everyday bodily experiences & health concerns, somatization & relationship with adaptive functioning & psychiatric problems, 12-16 yr olds, 4569
functional & somatic symptoms & psychiatric morbidity, 16–65 yr old Asian vs White outpatients with gastrointestinal disorders, England, 23286
group psychoanalytic psychotherapy in general hospital setting, 23–60 yr olds with psychosomatic illness & somatizing disorder, 9235
hypnotizability, threat or negative affect, adult patients with chronic pain, implications for trauma-related somatization, 12501
internal vs external & catastrophic vs noncatastrophic attributions in response to somatic symptoms of panic, 3rd vs 6th vs 9th graders, 25767
issues in diagnosis of somatization & impact on health care system, 12455
medical utilization & costs & unexplained physical symptoms, patients with panic disorder, 26564
medically unexplained symptoms & alexithymia & neuroticism & other psychological constructs, men (mean age 47.8 yrs) & women (mean age 45 yrs) from various medical & nonmedical settings, 26342
multiple code theory model of somatization, 35374
new method of using language patterns to identify somatization & antisocial personality disorders, male vs female patients, 35489
physical fatigability & exercise capacity & disability & somatization & psychopathology, adults with chronic fatigue syndrome, 31591

positive & negative valenced CS & CO2-enriched air UCS, respiratory behavior & somatic complaints, 20–57 yr old psychosomatic patients, experimental replication, 39400
prevalence & clinical characteristics of somatization, primary care patients, Spain, 5268
prevalence & symptoms of somatization & associated psychiatric disorder, Caucasian vs Chinese American psychiatric patients, 35979
primary care physician recognition of hypochondriasis & somatizing characteristics, medical clinic outpatients, 5257
primitive psyche & communication & somatization, 35973
psychodynamic meaning of bodily symptoms, body's enactment of unconscious processes & use of bodywork for provision of preverbal environment, 45 yr old male client, case report, 12808
psychosomatic issues & Posttraumatic Stress Disorder & psychiatric diagnoses & medical patients, 42703
psychotherapeutic interventions, psychological disorders, patients with chronic physical illness or somatization, research review, 5166
relationship between absorption & social desirability & global distress & psychological & somatic symptoms, patients with psychological & medical conditions at a behavioral medicine clinic, 42144
relationship between alexithymia & somatization, 18–71 yr old psychosomatic inpatients, replication, 16234
responses to Bradford Somatic Inventory & Hospital Anxiety & Depression Scale, assessment of psychiatric morbidity & somatization, Asian vs indigenous Caucasian primary care patients, Britain, 21071
scores & symptoms reported on Diagnostic Interview Schedule-Illness Attitude Scales vs MMPI-2, somatizing patients, 11898
self-report screening questionnaire vs clinical opinion, estimation of prevalence & recognition of medically unexplained physical symptoms, general practitioners & 17–81 yr old primary care patients, 25065
sensitivity & specificity between somatic eye symptoms question & Geriatric Depression Scale, detection of depression, 65 yr old & older patients of low vision clinic, 37520
sex & age & marital status & education & religion & residence & duration of illness, laterality of psychogenic somatic symptoms, 18–65 yr olds with depressive vs anxiety vs somatoform disorders, Korea, 35425
sociocultural factors & family dynamics & separation & somatization, adolescent females with eating disorders, Switzerland, 16181
sociodemographics & severity of illness & diagnostic distribution & psychopathology, primary care patients classified as somatizers vs psychologizers, Spain, 5256
somatic morbidity, 16–66 yr old juvenile delinquents & criminals who underwent forensic psychiatry exams, Sweden, 37318
somatic symptoms & emotional distress, 15–65 yr old males vs females from less vs more developed centers in 14 countries, 35431
somatic symptoms & psychological distress in Homer's Iliad, 21950
somatic symptoms & psychological distress, 18–65 yr old primary care patients, Europe vs Asia vs South America vs Nigeria vs United States, 29486
somatic symptoms, 12–18 yr old school refusers with comorbid anxiety & depressive disorders, 35451
somatization & hypochondriasis & its pharmacological treatment, implications for primary care settings, 23877
somatosensory amplification & somatization, outpatients with panic disorder vs major depression, 30803
stigma, depressive & somatoform symptoms, psychiatric outpatients with depressive neurosis, South India, 1252
stimulus entrapment & somatization, 35384
subjective side effects of low vs high dose unilateral vs bilateral ECT, depressed patients (mean age 56 yrs), 23958
symbolic nature of psychosomatic symptom & relation to self, 38816
trauma & dissociation & somatic memories, female survivor of childhood sexual abuse, case report, conference presentation, 35719
traumatic stress & related risk factors, male vs female peripheral victims of the M/S Estonia disaster & on-board vs not-on-board rescue ferry workers, Finland, 22901
understanding mind vs body dilemma of chest pain, 42692
unemployment, mental well being & depression & psychosomatic symptoms, unemployed factory workers (mean age 44 yrs), 6 & 18 mo followup, Finland, 33590

Somatization Disorder [See Psychosomatic Disorders]

Somatoform Pain Disorder—Serials

object relations view of sexual arousal & psychodynamics of nonorganic coital pain, females, 3985
physical vs social & cultural symptoms of illness, Chinese psychiatric patients with somatoform disorder, China & Hong Kong & Taiwan, 42701
physiological & dietary & psychological variables & treatment methods for recurrent abdominal pain in children, literature review, 31624
psychogenic basis for symptoms, 24 & 30 & 38 yr old females & 31 yr old male with basilar migraine & suspected coexisting epilepsy, commentary reply, 23247
psychogenic basis for symptoms, 24 & 30 & 38 yr old females & 31 yr old male with basilar migraine & suspected coexisting epilepsy, commentary, 23293
psychological vs pharmacological treatments of chronic disease-related & non-disease-related pain, literature review, 12732
sex & age & marital status & education & religion & residence & duration of illness, laterality of psychogenic somatic symptoms, 18–65 yr olds with depressive vs anxiety vs somatoform disorders, Korea, 35425
symptom description & speech manner & personality characteristics & interviewer reactions & interpersonal & work relationships, male patients with psychogenic vs organic pain, Switzerland, 35962

Somatosensory Cortex—Serials

aggressiveness & social activity levels & behavioral & somatosensory cortical neurotransmission responses to aversive stimuli, sheep, 10819
bilateral lesions over forelimb subarea vs forelimb cutaneous representation, reaching into tube vs through grid, rats, 14878
cell recordings & spatial segregation of thalamic afferents into barrel territories, topological order in somatosensory cortex & spatiotemporal relay of sensory information, barrelless mutated mice, 3099
collicular motor control of somatosensory saccades, monkeys, 21649
electrical nerve stimulation resulting in painful vs nonpainful sensations, activation of somatosensory vs cingulate cortex as detected with MRI, adults, 14926
electrical stimulation of paws, activity recorded from ipsilateral vs bilateral receptive fields of primary somatosensory cortex, male rats, 29396
excitatory & inhibitory GABAergic neuronal activation in whisker/barrel cortex during normal behavior, hamsters, 41342
eye position dependent collicular somatosensory activity, awake monkeys, 21650
frontal & posterior association cortex interactions, role of conditional learning & corollary discharge & remembered representations in computational mechanisms theory of mind ability, animals & humans, 461
hand representation in somatosensory cortex following repeated movements, monkeys, animal model with neuroplasticity/learning hypothesis for repetitive strain injuries & dystonia, 18148
histological & behavioral & neurophysiological correlates, rats with traumatic injury to forelimb & hindlimb sensorimotor areas, 6674
hypnotic suggestions to alter unpleasantness of noxious stimuli without changing perceived intensity, pain affect encoded in anterior cingulate vs primary somatosensory cortex, adults, 41351
lesions to postcentral face area, somatosensory thresholds, 11–55 yr olds with left vs right temporal vs frontal vs parietal lobe excisions to relieve cerebral seizures, 39919

limb immobilization after lesions of forelimb representation area of sensorimotor cortex, dendritic growth & neuronal injury & behavioral deficits, male rats, 3075
local anesthesia, relationship of reorganization of receptive fields of nucleus gracilis neurons to reorganization of somatosensory cortical maps, rats, 14868
median sensory nerve transection followed by surgical repair, representation of innervated hand in primary somatosensory cortex, immature macaques monkey, 29279
plasticity & reorganization of somatosensory cortex with 3 layered neural network model with neuronal groups, 24915
sensory afferent terminations in spinal cord & brainstem & somatotopic organization of cortical area 3b, adult monkeys with amputated hand or forearm, 25470
somatosensory & vestibular inputs, perceiving direction of passive whole-body motion, healthy adults, 37686
study of topography of paw representations in somatosensory cortex through analysis of reflectance changes with optical imaging of intrinsic signals, rats, 14929
tactile & noxious stimulation & conditioning, MK-801 binding to NMDA receptor sites & AMPA binding to AMPA receptor sites in primary somatosensory cortex, mice, 18164
tactile discrimination learning, acetylcholine release in frontal vs somatosensory cortex, male rats, 29251
tactile interference stimulation to hand ipsilateral vs contralateral to electrically stimulated median nerve, somatosensory evoked magnetic fields, 20–42 yr olds, 29422
tetanic stimulation of intracortical vertical & horizontal inputs, long term potentiation in intrinsic connections in barrel cortex, rats, 14923

Somatosensory Evoked Potentials—Serials

age & RT tercile, amplitude & latency of N2 & P3 somatosensory ERPs, 20–85 yr olds, 29421
ethanol, threshold intensity for motor EPs in abductor digiti minimi muscle as assessed with transcranial magnetic stimulation, adults, 15109
event related coherence as tool for studying dynamic interaction of spatially separated brain regions in relation to finger movement, adult, 11028
fast neuromagnetic frequency procedure, study of frequency responsiveness within extended alpha band with visual or somatosensory stimulation, adults, 3123
interstimulus interval, sural nerve pain EP scalp topography, college students, implications for measurement of spinal & supraspinal pathway excitation, 18204
isometric exercise, motor evoked potentials, 26–54 yr olds with chronic fatigue syndrome vs unipolar or bipolar depression, 19098
laser evoked cerebral potentials, 51–82 yr olds with lateralized central pain syndromes, implications for disinhibition of spinothalamic excitability, 31577
laser-induced lesions, location & size of & acute changes in somatosensory EPs & recovery of somatosensory function, male rats, 25494
latency of N2 & P3 somatosensory ERPs, 30–75 yr olds with lateralized Parkinson's disease, 16325
movement & movement imagery, somatosensory evoked magnetic fields following posterior tibial nerve stimulation, 28–42 yr olds, 29423
operant conditioning of P200 peak of somatosensory EP amplitude, pain sensitivity, 18–39 yr olds, replication, 3115
painful electrical stimulation, somatosensory evoked magnetic fields, adults, 21740
preparatory modulations of motor potentials evoked by transcranial magnetic stimulation, 28–40 yr olds, Japan, 29420
simple visual RT & somatosensory EPs following electrical stimulation, sedentary adults vs elite gymnasts vs endurance runners, 17417
somatosensory EPs in median nerve & relation to pathophysiology, adults with panic disorder, 26567
start of response preparation in relation to mental rotation, RT & lateralized readiness potentials during go vs no go mental rotation task trials, undergraduates & volunteers, 25522
stimulus intensity & interstimulus interval, negative difference potential amplitude generated by supraspinal nociceptive pathways, 18–37 yr olds, 3114
subcutaneous apomorphine & non-nociceptive ipsilateral digital stimulation, EMG of small hand muscle & motor EPs, 50–66 yr old Parkinson's disease patients, 27551
transcranial magnetic stimulation, central conduction time & thresholds to stimulation & other electrophysiological properties of motor EPs, patients with major depression vs chronic schizophrenia, 1265

Somatostatin—Serials

acoustic startle response, role of somatostatin in caudal pontine reticular nucleus and central gray as main source of somatostatinergic input, rats, 6774
CSF concentrations of corticotropin-releasing factor & somatostatin, Vietnam combat veterans with PTSD, 31066
dexamethasone induced growth hormone secretion for major depression, patients with depression & schizophrenia & mania & alcohol dependency syndrome, 22682
peripheral somatostatin, continuity & architecture & REM & slow wave & EEG parameters of sleep, healthy 60–73 yr olds, 29452
plasma norepinephrine in supine & upright postures & growth hormone responses to challenge with desmethylimipramine, 15–58 yr olds with noncombat related PTSD, 15992
repeated ECS, hippocampal hilar somatostatinergic neurons & neuronal hybridization labeling in brain tissue, male rats, 3057
serotonin antagonists &/vs agonists, growth hormone releasing factor vs somatostatin mediated regulation of growth hormone secretion in maternal separation, rats pups, implications for role of 5-HT receptors in attachment disorder, 6942
somatostatin & its molecular forms in CSF, hospitalized geriatric patients with senile dementia of Alzheimer's type, 36151
somatostatin immunoreactive neurons in hippocampus during alcohol withdrawal kindling, rats, 11219

Somatotropin—Serials

acetylcholinesterase inhibitor pyridostigmine, growth hormone responses as sign of cholinergic responsivity, 19–45 yr olds with panic disorder, 35653
buspirone, plasma prolactin & growth hormone concentrations, 18–50 yr old male patients with chronic fatigue syndrome, 26888
cholinergic & neuroendocrine control of hypothalamic release of growth hormone with restricted calorie intake, dogs & female 13–19 yr olds with anorexia nervosa vs atypical eating disorders, 4460
dopamine agonist apomorphine, growth hormone response during 4 days postpartum, depressed pregnant females at risk for recurrence of illness, 9117
growth hormone, recovery of estrous cycle & acquisition of active vs passive avoidance responses & novelty induced grooming & prolactin & LH & estradiol levels, female rats, 14948
growth hormone response to dopaminergic stimulation with apomorphine during intoxication & after detoxification, relapse following rehabilitation, alcoholics, 6 mo followup, 2075
growth hormone responses to growth hormone releasing hormone, inpatients with delusional vs nondelusional depression, 22752
in vivo 2,3-dichloro-alpha-methylbenzylamine, 3-methoxy-4-hydroxyphenylglycol concentration & clonidine induced growth hormone secretion & alpha-2-adrenoreceptor function in hypothalamus, rats, 18310
insulin-induced hypoglycemia, growth hormone & insulin & insulin-like growth factor I & II & binding protein 1 & C-peptide, nondepressed patients with chronic fatigue syndrome, 26851
iv 5-HTP challenge, peripheral prolactin & growth hormone & cortisol activity, females with bulimia nervosa, Canada, pathophysiological implications, 4446

light & chronotherapy, circadian rhythms & cytokines & cortisol & growth hormone levels & sleep-wake cycle, 29-yr-old female with delayed sleep phase syndrome, case report, 32629
nocturnal secretion of ACTH & cortisol & growth hormone & prolactin, 6–13 yr olds with prepubertal major depression, 7904
oral sumatriptan, growth hormone release throughout menstrual cycle, healthy female 18–40 yr olds, 3240
persistence of defective serotonergic and GABAergic controls of growth hormone secretion, 38–52 yr old long-term abstinent patients with alcoholism, 31344
presence of stressful life events, secretion of growth hormone during sleep, depressed 6–12 yr olds, 22808
prolactin & growth hormone following methylphenidate to evaluate dopamine status & craving in early & late withdrawal, 23–39 yr old chronic cocaine abusing males, 24305
response of growth hormone & cortisol & prolactin as tool to quantify flight induced stress level, adult male student pilots vs flight instructors before vs after flight training, Italy, 14977
serotonin antagonists &/vs agonists, growth hormone releasing factor vs somatostatin mediated regulation of growth hormone secretion in maternal separation, rats pups, implications for role of 5-HT receptors in attachment disorder, 6942
serotonin receptor agonist sumatriptan, growth hormone response, adults with seasonal affective disorder, 35577
serum level of baclofen, growth hormone response, 24–50 yr old males with major depressive disorder, 35521
social phobia & social anxiety, growth hormone-deficient patients vs volunteers with short stature 15–35 yrs old, followup study, 42706
stimulus energy & ECT frequency, post-ictal prolactin response & growth hormone levels, male vs female drug-naive vs medicated adults with major depression, 43222
yohimbine, growth hormone response to apomorphine & clonidine, 20–30 yr old males, 29575
10 vs 20 mg doses of baclofen, growth hormone response & serum baclofen & determination of preferred dose, 30–58 yr old healthy males, 11123

Somatotypes—Serials
body type preferences & body characteristics associated with attractive & unattractive bodies, Blacks vs Whites, 26096
body type preferences, Euro-American vs African-American males, 11727
concurrent validity of Shape & Weight Based Self-Esteem Inventory & eating disorder symptomatology & cognitive schemata, female 18–45 yr olds, 17698
factor analysis of thin vs muscular vs overweight physique stereotype traits in semantic differential format & comparison with five factor personality model, college students, replication & extension, 38697
stereotyped perceptions of physique subtypes & corresponding personality traits, college students, 26215
waist-to-hip ratios & weight, self vs other perceptions of male vs female body shape attractiveness, 18–47 yr old male vs female undergraduates, replication, 26204

Somesthetic Perception [See Also Cutaneous Sense, Kinesthetic Perception, Pain Perception, Temperature Perception, Weight Perception]—Serials
anxiety sensitivity, heart rate & cardiac awareness during mental arithmetic & caffeine manipulation, female college students, 11089
beliefs & expectations about heart rate, heart rate measured by heartbeat counting, college students, 3164
conceptual distinction between body image & schema & limitations on motor control, male with loss of sense of touch & proprioception from neck down, case report, 16242
fear of anger & depression & positive emotions, fear of induced bodily sensations, college students, extension of D. L. Chambless & A. J. Goldstein's fear of fear construct of panic disorder, 22919
flight simulator training, validity of Simulator Sickness Questionnaire disorientation subscale vs physiological measure of postural instability, male Navy aviators, 17581
intra- vs intermanual aesthesiometric applications, interhemispheric relay of somesthetic discrimination, college students, Canada, 457
laser evoked cerebral potentials, 51–82 yr olds with lateralized central pain syndromes, implications for disinhibition of spinothalamic excitability, 31577
positions & time course of somatic & visual cues to targets in unilateral & bilateral stimulations, RT, 20–41 yr olds, 10618
postural orientation & visual vertical estimates during pitch tilt, healthy vs labyrinthine defective adults, 17809
sensitivity to mechanical stimuli & ability to make intermodality simultaneity judgments, heartbeat detection, college students, 41418
somatosensory amplification & somatization, outpatients with panic disorder vs major depression, 30803
somatosensory transduction & morphology of mystacial vibrissae, object detection & discrimination & spatial perception, blind female & male albino rats, 25456
vestibular activation by rocking, dream lucidity, adults, 2913

Somesthetic Stimulation [See Also Tactual Stimulation]—Serials
haloperidol, susceptibility & potentiation of immobility responses elicited during restraint inducing stimuli, guinea pigs vs hamsters vs rats, 29577
increasing endogenous acetylcholine & blockade by scopolamine, sensory stimuli effects on extracellular activity of hippocampal neurons, awake rabbits, translated article, 11221
interaction between vestibular & somatosensory & visual information,perception of direction of self-motion & body sway, adults, 28763
laser evoked cerebral potentials, 51–82 yr olds with lateralized central pain syndromes, implications for disinhibition of spinothalamic excitability, 31577
massage therapy, weight gain & cognitive & developmental performance & stress, HIV exposed neonates, 20002
neuronal nitric oxide inhibition, cerebral blood flow during whiskers stimulation of trigeminal pathway, male rats, 10936
social desirability scores & cardiovascular reactivity to baroreceptor stimulation & mental arithmetic stress, 20–33 yr old males, Germany, 29468
unusual vestibular vs visual stimulation, motion sickness-like symptoms & dynamic balance on moving platform, healthy adults, 39359
visual &/or vestibular stimulation, motion sickness, 17–34 yr old college students & staff, Australia, 14949
visual vs somatosensory information, adaptation of fingertip forces to object shape, 21–30 yr olds, 41049

Somnambulism [See Sleepwalking]

Sonar—Serials
low frequency active sonar exposure & mood & activation & personality, male Navy personnel, replication & extension, 14560

Songs [See Music]

Sons—Serials
early experience of loss & separation, 33–75 yr old mothers whose sons died from suicide or car accident, implications for intergenerational cycle of adverse childhood experiences, 30700
neuropsychological deficits & general cognitive functioning, 10–14 yr old sons of active vs recovering alcoholic vs nonalcoholic social drinking fathers, 31328

Sorting (Cognition) [See Classification (Cognitive Process)]

Sound [See Auditory Stimulation]

Sound Localization [See Auditory Localization]

Sound Pressure Level [See Loudness]

Sound Waves [See Acoustics]

Sourness [See Taste Perception]

South Africa—Serials
age & ingroup vs outgroup racial preference & self-esteem, Black 6–12 yr olds, South Africa, 11445
applicability of self psychological principles in treatment, 14–18 yr old adjudicated sexual offenders, South Africa, 36826
attitudes & mathematics achievement, 17–24 yr old 12th graders, South Africa, 43569

attitudes & motivation toward studying, Black 14–21 yr old high school students, South Africa, 43673
attitudes toward new ANC-dominated government in South Africa, students in English-medium vs Afrikaans-medium universities, South Africa, 35132
attitudes toward racially integrated schooling, English- vs Afrikaans-speaking White secondary school teachers at previously nonintegrated government vs integrated private schools, South Africa, 2167
changing form & content of psychiatric case histories in practice over past century & postmodern psychiatric case histories, South Africa, 38878
deconstruction of narratives in & discourse analytic & narrative approach to family therapy, Colored South African parents & their 3–15 yr old children, South Africa, 39735
demographic data on psychiatrists practicing in South Africa, 33256
development of family theory & research, South Africa, 26044
dialogical augmentative & alternative communication strategy, implementation of training program, parents & teachers & aides & therapists, South Africa, 33115
discourse analysis of talks about race & racism, young White South Africans who defined themselves as Nationalist, South Africa, 38516
experiences at historically White university, Black intern clinical psychologists, South Africa, implications for supervision, 24436
food adequacy & housing quality & financial assets & consumer goods & social resources as characterizations of childrearing environments, urban township families, South Africa, 4 yr study, 35029
health care utilization & attitudes during pregnancy & birth, South Africa vs Western society, 26010
history & present status of forensic psychology & recommendations for training & ethical code & research & register for forensic psychologists, South Africa, 33867
interviewer recruitment & training & supervision & barriers to success for community based health needs survey, Black adult indigenous interviewers, South Africa, 16847
issues in development of multilingual language policy in education, South Africa, 43607
issues in school organizational development practice & educational psychologist role as consultant, South Africa, 5560
locus of control & sex of experimenter, personal space demands, male vs female 15–20 yr old college students, South Africa, 42048
moral development, Black vs White 10–28 yr olds, South Africa, commentary & reanalysis, 15323
moral development, Black vs White 10–28 yr olds, South Africa, 798
perceived role in schooling processes, educational psychologists, South Africa, 13899
perceptions of school guidance & counseling, Black vs White 15 yr olds, South Africa, 10010
personal experience with apartheid & social upheaval following its repeal, indigenous student counselor, South Africa, implications for guidance & counseling, 13894
philosophical base incorporating humanness for reconstruction of educational practice, South Africa, 40334
philosophy of human nature & behavior in industrial environment, Afrikaners vs English Whites vs Zulus, South Africa, 15643
potential for misinterpretation of South African Wechsler Bellevue Adult Intelligence Scale, commentary, 10421
prevalence of psychiatric morbidity, adults, South Africa, 22722
prevention implications of AIDS related discourses, females, South Africa, 4609
psychological adjustment & health locus of control, adult females with vs without breast cancer, South Africa, 42757
relative deprivation & ethnic identification, racial attitudes, Blacks & Whites on eve of new political dispensation, South Africa, 26006
season & month of birth, schizophrenic patients, South Africa, comparison with northern hemisphere data, 4141
self reported work related stress, 20–52 yr old secondary school teachers, South Africa, 33358
social context & psychological testing & eugenics & Christian nationalism in construction of "race", 1918–1939, South Africa, 35059
social desirability, male vs female high school students, South Africa vs Canada, 791
socialization-related tensions, rural Black families with school age children, South Africa, 11439
sociopolitical attitudes & symbolic & traditional racism, Standard 8–10 class students, South Africa, 11451
state community conflict vs covert opposition & political repression vs intracommunity violence, violence exposure & perceptions of township life & distress, 14–27 yr old Blacks, South Africa, 7375
status of early childhood care & education in rural vs urban areas, family & community members of 0–6 yr olds, South Africa, 38565
structure & function of high school counseling facilities on Cape Peninsula, full & part time guidance counselors, South Africa, 37130
support of social value of bridewealth custom, Xhosa-speaking male (mean age 36.5 yrs) vs female (mean age 37.2 yrs) graduate students, South Africa, 30095
underlying funder interest & potential biases, neuropsychological assessment of Black children, South Africa, commentary, 42157
underlying funder interest & potential biases, neuropsychological assessment of Black children, South Africa, commentary reply, 42159
underlying funder interest & potential biases, neuropsychological assessment of Black children, South Africa, 42158
verbal health communication in multicultural clinical setting, Xhosa speaking patients & Western medical practitioners, South Africa, 9372
South America [See Argentina, Bolivia, Brazil, Chile, Colombia, Peru, Venezuela]
South Korea—Serials
coping strategy, examination stress & related emotional & physical problems, female vs male 12th graders, South Korea, 18586
Korean cultural just-world beliefs & attributions of causal responsibility, 15–20 yr olds, South Korea, 30084
perceptions of distributive & procedural & interactive justice, college students, South Korea vs US, 5873
reward allocations, college students, US vs South Korea, 30443
South Pacific [See Also Fiji, Western Samoa]—Serials
antisaccadic eye movements & attentional asymmetry, patients with schizophrenia, New Zealand & Palau & Papua New Guinea, 12017
rate & method of suicide & parasuicide, human males & females, Honiara area of Solomon Islands, 31248
South Vietnam [See Vietnam]
Southeast Asia [See Indonesia, Laos, Malaysia, Philippines, Singapore, Thailand, Vietnam]
Spaceflight—Serials
vestibulo-ocular reflex during yaw & roll head movements in microgravity & re-adaptation to gravity, 28–43 yr old cosmonauts, 14951
Spain—Serials
beverage preferences & alcohol use patterns, 16 yr olds & older, Spain, 7576
incidence & prevalence of late onset paraphrenia, 65 yr olds & older, Spain, 7988
incidence of TV property vs verbal vs physical violence, adults, Japan vs Spain vs US, commentary, 1345
labeling of variables in study of incidence of TV property vs verbal vs physical violence, adults, Japan vs Spain vs US, commentary reply, 16044
marriage & birth & suicide rates & source of suicide statistics, Spain, 1950–85, 4271
marriage & birth & suicide rates, males & females, 1950–1985, Spain, 19298
perceptions of & actual alcohol use & smoking, 13–14 yr olds, Spain, 11643
perceptions of European Community & regional identities, college students, Scotland vs Andalucia, 22240
prevalence & clinical characteristics of somatization, primary care patients, Spain, 5268

prevalence of HIV/AIDS & related psychopathology & suicide, implications for suicide intervention & mental health services, Spain, 8513
prevalence surveys & demographic characteristics, problem & pathological gambling, adults, Germany & Netherlands & Spain, 4237
psychosocial & sociobiological rehabilitation & cognitive methodology training, research & administrative reform, chronically mentally ill, Spain, 16932
sociodemographics & severity of illness & diagnostic distribution & psychopathology, primary care patients classified as somatizers vs psychologizers, Spain, 5256
trait anxiety, tobacco smoking, 18 yr olds, Spain, replication, 15553
trends in suicide, 60 yr olds & older, 1982–91, Spain, 22965
Spanish Americans [See Hispanics]
Spasms [See Also Muscle Spasms]—Serials
clinical & EEG & neurologic aspects & response to ACTH therapy, 3–30 mo olds with infantile spasms, India, 8644
morphological bases & assessment of visuoperceptual disturbance, 6–13 yr olds with spastic diplegia, 12628
Spatial Ability [See Also Visuospatial Ability]—Serials
acquisition & retention of learning set in spatial navigation, Swiss Webster vs Dilute Brown Agouti vs Deer Mice strains, 2936
acquisition of serial pattern, patterned responding & tracking performance, 3 vs 24 mo old rats with hippocampal lesions, 3055
age & articulatory suppression & spatial ability, visual memory span for patterns, 5–11 yr olds & adults, Wales, 11370
articulation rate & memory performance in verbal & visuospatial tasks, 19–36 yr olds, UK, 6343
bilateral lesions of substantia innominata vs globus pallidus vs central nucleus of amygdala, passive avoidance of drinking & spatial navigation & escape in milk maze & body weight, male rats, 21676
bilateral lesions of substantia innominata vs globus pallidus vs central nucleus of amygdala, passive avoidance of drinking & spatial navigation & escape in milk maze & body weight, male rats, 475
brief oxygen deprivation, impulse activity of visual & prefrontal cortex neurons & behavioral reactions & motor action during delayed visual spatial choice, monkeys, translated article, 10944
cholinomimetic RU 47213, scopolamine-induced working memory impairments in radial maze spatial task & T-maze delayed reinforced alternation task, male rats, 41495
chronic piperoxane administration, enhancement of spatial navigation ability in Morris water maze, 18 & 24 mo old male rats, 29525
cognitive mechanisms in consumer in-store navigational search strategies, 18–55 yr olds, 5824
collinear edge- and brightness-based grouping, spatial extinction, bilateral parietally damaged 56 yr old male, 31779
conditional delayed response vs delayed CR & retention interval location, proactive interference & short term spatial discrimination accuracy, pigeons, 34399
cross-cultural validation of item complexity of 3-Dimensional Cube Comparison Test, 17–61 yr olds, US vs Austria, 2514
dementia & left brain damage & performances on Spatial Location Test vs Mental Status Questionnaire, psychiatric patients (mean age 70 yrs) vs patients (mean age 63 yrs) with left brain lesions, 28558
distance & distraction, apprehension of spatial relations, college students, 17933
EEG alpha asymmetry during verbal vs spatial cognitive tasks, schizophrenic 22–53 yr old males, 39050
ethanol, spatial processing of hippocampal place cells, male rats, implications for impaired navigation during intoxication, 11168
factor structure & reliability & construct validity of Spatial Learning Ability Test vs Differential Aptitude Battery, college students, 2675
factors responsible for occurrence of cognitively based spatial stimulus-response correspondence effects in simple RT tasks, adults, 17916
individual differences in strategic use of diagrams as external memory in solving mechanical reasoning problems, college students with low vs high spatial ability who did vs did not take notes, 25261
issues in stimulus-driven facilitation & inhibition of visual information processing in environmental & retinotopic representations of space, 28772
listening to Mozart piano concerto vs repetitive relaxation music, spatial reasoning measured by performance in maze task varied by complexity & size, college students, replication, 34250
long term baclofen, recognition memory & novelty detection for spatial locations of stimuli using habituation paradigm in open field, rats, 7092
manipulation of egocentric vs allocentric spatial information, spatial encoding & ability to locate hidden object, adult cats, 348
menstrual phase, spatial bisection of midsagittal plane, 18–32 yr old females vs 18–25 yr old males, implications for cerebral hemispheric involvement, 28819
mental rotations vs spatial relations performance, male vs female college students & 9th graders, Canada vs Japan, 34830
nature vs nurture, individual differences in spatial ability, female college students, commentary reply, 2805
nature vs nurture, individual differences in spatial ability, female college students, 2804
nature vs nurture, individual differences in spatial ability, female college students, commentary, 2810
nootropics oxotremorine vs catopril vs odansetron vs tacrine, water-maze spatial deficits induced by combined pCPA & scopolamine, male rats, animal model of cognitive deficits in Alzheimer's disease, 41465
orientation in spatial organization, ability to imagine projective transformations, undergraduates, 10700
origins of problems & modern study of tasks & future directions of water-level task measuring spatial development, 25795
practice, paper & pencil vs dynamic spatial tasks, males vs females, 17943
prefrontal cortex lesions, attentional set shifting & visual discrimination reversal & object retrieval & spatial delayed response in analog of Wisconsin Card Sorting Test, female marmosets, 10941
pretest with vs without learning assessment, prediction of posttest performance in verbal & spatial tasks, preschool children, 33450
problem solving of spatial task, spatial reasoning, rhesus monkeys, 29068
procedural factors, magnitude of differences in spatial performance, male vs female undergraduates, 37636
role of vision in spatial abilities & effect of lack of visual experience on brain functioning, Ss with early blindness, 16419
salivary testosterone & cortisol, performance on visuospatial & verbal cognitive tests, healthy young adults, 3138
search latency in ability to detect ambiguous vs nonambiguous descriptions of location, 3 vs 4 vs 5 yr olds, 746
septal lesions, spatial learning in Morris test vs water maze-based left–right response differentiation task, rats, implications for allocentric–egocentric dichotomy in navigation & spatial mapping, 10989
single neonatal convulsion, adult locomotor activity & spatial ability & convulsion susceptibility, rats, 21667
sleep following track running task, replay of neuronal or CA1 pyramidal cell firing sequences in hippocampus, male rats, 3128
slow vs fast rotation, identification of inverted object, adults, New Zealand, 21275
spatial ability as measured by Silver Drawing Test, 12–15 yr old males vs females, 18516
spatial ability, choice of spatial vs cancellation strategy in reasoning task, 1st yr undergraduates, England, 41085
spatial patterns of arm pointing movements, adults, 17875
spatial problem solving & logical reasoning, monkeys, 21505
spatial relational vs stimulus-reward cued solutions & age, performance on place learning tasks, children of different developmental stages & adults, 15241

spatial skill & math anxiety & math self-confidence as mediators of gender difference in the Mathematics Scholastic Aptitude Test, 13.3–14.8 yr old college-bound students, 37531
spatial strategy for & accuracy of construction of simple & complex block models, 3.8–6.2 yr olds with left vs right hemisphere damage, 36150
standard mirror image vs different direction-different slope vs same direction-different slope spatial predicates, oblique line comparisons, college students, test of theory of spatial cognition, 25203
testosterone, spatial cognition, male & female gifted vs non-gifted elementary school students, 2 yr study, 25772
unilateral entorhinal cortex lesions, spatial ability & short term memory in Hebb–Williams maze, male rats, 21644
upper & lower & right & left lip vermilion sensitivity & spatial acuity, 18–25 yr olds vs 66–85 yr olds, application of grating orientation discrimination technique, 15260
verbal & mathematical reasoning ability tests vs CTY Spatial Test Battery, prediction of academic success in international school, native English speaking vs ESL 6th graders, 37536
verbal & spatial abilities, 15–19 yr old twin pairs, Croatia, 18466
verbal sequential & visuospatial functioning on Cognitive Laterality Battery, Caucasian vs American Indian college students, 246
virtual worlds with assistance through organizational grid &/ vs map principles, wayfinding & navigating in virtual environments, 20–45 yr olds, 10607
visual cortex lesions on postnatal day 4 vs 10 vs in adulthood, horizontal-vertical stripes discrimination & spatial navigation & dendritic branching & arborization, rats, 470
visual display configuration & spatial proximity, object counting, 7 & 8 yr olds, England, 3387
visuospatial ability in location memory tasks, 53–76 yr olds with Parkinson's disease vs healthy 57–75 yr olds vs 27–40 yr olds, France, 39507

Spatial Discrimination [See Spatial Perception]

Spatial Distortion—Serials

visible vs nonvisible starting limb location, pointing to target with continuous vs more discrete sagittal movements during exposure to prismatic displacement, college students, 34192

Spatial Frequency—Serials

artificially induced image defocusing, visual acuities as measured by spatial frequency sweep pattern reversal VERs & Snellen measurement, adults, 21255
behavioral & electrophysiological research on hemispheric dominance processing of visual–spatial frequency, literature review, 3069
coarse vs fine spatial information, visual face & object processing, 18–50 yr olds, Scotland, 6334
cochlear mechanical & temporal modulation of spatial bandpass filtering bandwidths, amplitude of response of auditory nerve transfer functions to signals, cats, 10951
contributions of spatially unstructured cues & random luminance mask, grating detection & contrast sensitivity for orientation discrimination, adults, 14521
delay time & spectral bandpass filter condition & pitch strength of iterated rippled noise stimuli, tone discrimination & processing by peripheral auditory system, listeners, 10674
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, commentary reply, 37621
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, commentary, 37630
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, replication, 37620
differential spatial frequency, eye nystagmus frequency & perceived self-motion velocity & motion sickness symptoms, 18–25 yr olds, 25193
discrimination & matches of & adaptation to high spatial frequency & contrasting laser interference fringe patterns, Os, 2781
envelope parameters & signal frequencies, discrimination & detection of modulation frequencies & complex envelopes, adults, 25229
filtration of spatial frequency spectrum, hemispheric differences in object detection & filtration level estimation, adults, 14534
frequency level of target with distractor above vs below, classification of laterality of target vs distractor based on interaural delays, college students, 10655
global precedence & recognition of visual patterns with low vs high frequency sinusoids in divided & focused attention tasks & statistics of natural images, adults, 14524
gratings of alternating ridges & grooves, spatial discrimination & tactile learning, adults, 21235
high vs low pass spatial frequency filtering of images, eye movements made in response to images of natural scenes, adults, 14532
high vs low spatial frequency, global vs local precedence & hemispheric processing differences, 20–37 yr olds, 21251
interocular spatial frequency differences, stereopsis, adults, 14517
linear spatial frequency & disparity tuned filters of correlated vs uncorrelated band pass 1 dimensional noise pairs & orientation of stimulus envelope, stereopsis & localization, Os, 218
low or high & broad range contrast 1 vs 4 cycles/deg gratings, perceived contrast of spatial frequencies in visual task, adults with normal vision, 21285
luminance & spatial frequency, perception of suprathreshold contrast, adults, 25202
peak-valley & peak-peak local contrast & luminance gradients, channel vs local features models for suprathreshold pattern discrimination, adults, 6221
sine wave vs square wave vs missing fundamental at different spatial frequencies of orientation modulation, detection of abrupt vs smooth changes in orientation defined micropattern textures, Os, 201
spatial frequencies, color discrimination & neural pathway function, patients with melanoma associated retinopathy (mean age 61 yrs) vs 30–40 yr olds with night blindness, 14548
spatial frequency & amplitude of edge modulation & object width, perception of size & shape, Os, 190
spatial frequency & equidetectability of 3-element target, adaptational aftereffect to spatial offset of middle element to opposite direction of alignment & detection thresholds, adults, 2771
spatial frequency & location of sinusoidal gratings flashed to relevant & irrelevant visual field quadrants, ERPs, college students, implications for early attentional selection of visual input, 29442
spatial frequency & peripheral vs foveal target area & retinal eccentricity, RT & accuracy of texture segmentation, adults, 14526
spatial frequency & visual hemifield of stimulation, RTs to targets in selective attention task, healthy 18–28 yr olds, 37992
spatial frequency, contrast discrimination threshold dip downs, adults, role of localized light adaptation, 21256
spatial frequency in right vs left visual field, global vs local interference & RT advantage to bright vs contrast-balanced hierarchical stimuli, 18–48 yr olds, 21261
spatial frequency modulated by oblique masks, performance in contrast detection task, pigtail macaque monkeys with experimental strabismic amblyopia, 6739
spatial frequency of contrast modulated sinusoidal gratings, temporal discontinuity detection thresholds, adults, 198
spatio-temporal frequency domains & their relation to cytochrome oxidase staining in visual cortex, cats, 29365
spatio-temporal frequency domains & their relation to cytochrome oxidase staining in visual cortex, cats, erratum, 29366
spatiotemporal aspects of binocular correlation in stereopsis, Os, 10629

spectral separation between temporal frequencies of noise bands presented above detection threshold, detection of auditory gap for pairs of noise bands, Ss, 10662
stimulus element density & spatial frequency, motion detection, Os, test of algorithmic models, 10626
unpredictable variation of spatial frequency of signal sensory vs symbolic cues, visual target detection, Os, 197
2nd order pattern carrier spatial frequency & angle between gratings & modulation, encoding orientation in 2-dimensional space & space-time in spatial vs motion task, Os, 204

Spatial Imagery—Serials
angular & depth rotation in picture plane, perceptual RT, adults, 41032
apparent width & distance of gates, RT & mental walking time in imaginary walk in 3-dimensional virtual environment, adults, support for Fitts's law, 228
character rotation & viewing vs visually imagining test alphanumeric characters, memory source confusions, college students, 21427
hemispheric processing of categorical & coordinate spatial relations in vision & visual imagery, young adults, Japan, 28761
left vs right hemispheric differences, enhanced image generation ability of categorical or coordinate spatial relations, deaf vs hearing American Sign Language signers, 12707
orientation in spatial organization, ability to imagine projective transformations, undergraduates, 10700
performance of mental rotation vs mirror image tasks, regional cerebral blood flow, 19–39 yr old right handed males, 21610

Spatial Learning—Serials
acquisition of spatial knowledge, learning & transfer of route knowledge from virtual environments to real world settings, adults, 10259
acute ethanol intoxication on gestational day 8, spatial learning, 45 vs 90 day old male vs female rats, 7002
aging, spatial memory information coding in hippocampus, male rats, 41366
amygdala nuclei lesions, glucocorticoid induced modulation of learning & memory for spatial cues, male rats, 10999
baclofen, spatial learning & activity & thigmotaxia, male rats, 6995
bilateral fimbria lesions & housing in standard vs impoverished social conditions, Morris maze acquisition & spatial orientation performance, male rats, 496
blockade of NMDA & dopaminergic receptors with MK-801 &/or haloperidol, locomotor activity in & habituation of exploration of novel spatial configuration of objects, male mice, 7053
calorie restriction, learning in cued & spatial tasks, 2–4 vs 19–23 mo old male mice, animal model of cognitive deficits in aging, 6438
cathodal sections of fimbria-fornix vs ibotenic lesions of hippocampal cells, place & spatial learning in swimming task & circadian activity, rats, 11021
CA1 vs CA3 long term potentiation during spatial learning & memory, mice bred without metabotropic glutamate receptor 5, 41395
central cholinergic blockage & spatial mapping vs nonplace strategies, acquisition of place learning in Morris water task, male rats, 10939
cerebral ischemia induced by occlusion of unilateral vs left or right vs middle cerebral artery followed by recirculation, locomotor activity & radial maze performance, male rats, 490
cholinergic synaptic transmission in hippocampal subfields & spatial learning & visual discrimination, young vs adult vs old male rats, 11007
construct & factorial validity of Spatial Learning Ability Test scores, assessment of complex spatial processing, college students, 17567
cued & spatial place-learning & memory performance & hippocampal protein kinase C during development, 10–60 day old C57BL/6 vs DBA/2 mice, 14732
diazepam, water maze learning & sensorimotor disturbances, male rats with vs without nonspatial pretraining, 29514
dorsal hippocampal & central amygdaloid lesions, spatial & visual discrimination learning in radial 8-arm maze, male mice, 6437
dorsal vs ventral hippocampus lesions, detection of spatial novelty & radial maze performance, C57BL/6 vs DBA/2 mice, 37951
dosage level of nicotinamide & age, choline concentrations in intracellular & extracellular brain spaces & acetylcholine release & spatial learning, male rats, 6954
dosage levels of ibogaine, sensorimotor function & activity & spatial learning & memory, rats, 18306
elimination of access to extrinsic spatial cues in radial arm maze, spatial choice, rats, 41193
firing properties of hippocampal neurons during coding of spatial information about novel environment, young vs aged rats with vs without memory impairment, 41365
global cerebral ischemia & GYKI 52466 vs LY 231617 vs staurosporine, hippocampal & striatal neuronal damage & spatial learning & memory, male rats, 41311
global cerebral ischemia & hippocampal damage, spatial learning in acquisition & working memory tasks, male rats, 29340
GM1 ganglioside, aging effects on spatial learning & memory, cognitively impaired aged rats, 29281
gratings of alternating ridges & grooves, spatial discrimination & tactile learning, adults, 21235
hidden bait in fixed vs randomly configured object landmarks, spatial navigation, male rats, 41199
hippocampal kindling, acquisition & retention of spatial learning & memory in water maze, rats, 21494
hippocampal lesions vs entorhinal lesions, exploratory behavior & contextual & spatial learning, male rats, 34538
hippocampal protein kinase C, long term spatial discrimination learning & retention, male mice, 7018
hippocampal spatial vs nonhippocampal nonspatial learning of water maze task, female rats in different stages of estrous cycle vs males, 29210
ibotenic vs quinolinic acid thalamic dorsomedial nucleus lesions, configural learning & spatial navigation & amphetamine induced locomotion, rats, 495
in utero & lactational exposure to coplanar PCBs or 2,3,7,8-tetrachlorodibenzo-p-dioxin, spatial learning & memory, rats, 38156
induced global ischemia, hippocampal cell loss & spatial learning & working memory in water maze & Skinner box tasks, male rats, 34564
intrahippocampal scopolamine with vs without ondansetron, dose-related impairment of spatial learning, rats, 21826
knowledge of results, learning of a spatiotemporal movement pattern, college students, Germany, 28828
learning & acquiring information from large geographical maps, college students, 9962
learning by scaling of distances vs estimation of bearings vs positioning of objects, spatial memory, adults, Germany, 25321
localized landmarks in large-scale virtual building, development of spatial knowledge & route finding ability, adults, 33837
long-term potentiation & spatial learning, awake mice lacking cell-adhesion molecule Thy-1, 38016
metabotropic glutamate receptor agonist 1S,3S-ACPD injected into hippocampus, spatial & nonspatial discrimination & transference & excitatory postsynaptic potentials, male rats, 29058
modulation by cerebral hemispheres & task properties & mode of response & age, dissociation between categorical & coordinate spatial computations, young vs older adults, 29247
molecular indices of neuronal and glial plasticity in hippocampus, 6 & 27–28 mo old rats, animal model of age induced spatial learning impairment, 18344
navigating in computer simulated space vs map viewing, spatial knowledge, 18–41 yr old college students, England, 266
neonatal hippocampal lesions, spatial learning & working memory & nicotinic & muscarinic acetylcholine systems involvement, rats, animal model of schizophrenia, 10933

NMDA induced lesions in insular cortex, acquisition of conditioned taste aversion & spatial learning in water maze, rats, 18179
NMDA receptor agonist MK-801, spatial learning & memory, male mice, 11112
NMDA receptor antagonists, hippocampal long term potentiation & spatial learning & sensorimotor processes & visual discrimination, male rats, 25562
novel vs traditional neuroleptics, spatial learning & memory in Morris water maze, male rats, implications for treatment of schizophrenia, 3277
ontogenetic differences in retention of spatial learning tested with Morris water maze, preweanling vs juvenile vs adult rats, 29046
oral reading & maze & vocabulary general outcome measures, prediction of comprehension & acquisition & retention performance on content area tasks, 6th–8th graders, 2182
paired stimulation of perforant path, dentate field potentials & inhibition of granule cells during spatial learning in exploratory task, rats, 10986
performance in learning & memory & cognitive & noncognitive behavior tests, Wistar & Fischer 344 & Brown Norway rat strains &/vs hybrids, animal models of age-related cognitive deficits, 6592
pointing & verbal labeling directions in spatial layout learning, college students, Spain, 14592
prelimbic cortex excitotoxic lesions, scores in spontaneous & reinforced spatial delayed-alternation tasks, male rats, implications for working memory & response selection & attentional hypotheses, 14726
prenatal vs postnatal stress, behavioral reactivity to novelty & corticosterone secretion & spatial learning & memory, adult rats, 34630
prior habituation & stress responses to water immersion, learning & memory in spatial task, aged rats, 18068
problem solving of spatial task, spatial reasoning, rhesus monkeys, 29068
reduction of cerebral blood flow, spatial learning & memory & cell loss, adult male rats, 6 mo study, implications for Alzheimer's disease, 10992
regional inhibition of long term potentiation, spatial learning, mice lacking Thy-1 gene, 10912
restoration of norepinephrine with dihydroxyphenylserine, motor function & spatial learning & memory of passive & active avoidance, mice, 34717
restricted access to visual cues in rotated vs nonrotated radial-arm maze, spatial choice, male Sprague Dawley rats, 18044
route learning & recognition of landmarks for learning real world environments & map learning & translation, 18–21 yr old undergraduates vs 59–81 yr old volunteers, 34840
saporin injection into basal forebrain, spatial learning & performance on water & radial arm maze, male rats, 21490
septal lesions, spatial learning in Morris test vs water maze-based left–right response differentiation task, rats, implications for allocentric–egocentric dichotomy in navigation & spatial mapping, 10989
spatial learning & memory in hippocampal-dependent maze task, estrus vs proestrus female rats, 29205
spatial learning & trans-1-amino-cyclopentyl-1,3-dicarboxylate & arachidonic acid, synaptosomal glutamate release & inositol phospholid metabolism & protein kinase C in hippocampus, male rats, 21500
spatial learning & working memory & psychomotor impairments in 8-arm radial maze, male normotensive vs spontaneously hypertensive rats, 6742
spatial representation in hippocampus during forced choice vs spatial memory task, young vs aged rats, 10983
standard reference memory vs cued platform vs straight swim versions of Morris water maze, identification of blindness, male rats dosed with atropine vs blind & enucleated rats, 37980
systems level computational theory & associated computer model of navigation based on interacting representations of space & role of hippocampus, rodents, 14884
telencephalic ablation, spatial learning & memory deficits in pre-trained place & turn maze procedures, goldfish, 11002
telencephalic lesion, spatial constancy vs cued learning & spatial memory, goldfish, 6666
unilateral vs bilateral locus ceruleus lesions, general activity & response learning & nonmonotonic serial pattern acquisition in water maze, rats, role of norepinephrine, 14827
use of proximal & distal cues, place navigation & spatial learning in water maze tasks during ontogeny, 22 day old mice, 10760
water maze performance & path integration, returning to hidden escape platform, rats, 41212

Spatial Memory [See Also Visuospatial Memory]—Serials

active arginine vasopressin fragments, spatial cognition & acetycholine release, rats with scopolamine-induced spatial memory impairment, 21845
active vs passive mobility & choice training, memory for locations visited, children with vs without spina bifida or cerebral palsy (mean age 7.2 yrs), 42820
administration of nefiracetam, learning & memory & emotional behavior, 8 vs 90–108 wk old male rats, 29554
age & number of neurons in hippocampal subdivisions, spatial reference memory, rats, 485
age, cognitive processing time & imagery skill & spatial memory span, 8–20 yr olds, 22016
age, spatial memory & habituation, 3–9 wk old C57BL/6 mice, 25361
aging & nitric oxide synthase inhibitors, spatial memory in radial-arm maze task & neurotransmitter role of nitric oxide, 3 vs 30 mo old rats, 21896
aging, spatial memory information coding in hippocampus, male rats, 41366
alcohol intake, kinesthetic memory & T-maze performance & interference, social drinkers, 3223
alpha-2-adrenergic receptor antagonists RU 52583 & idazoxan vs physostigmine vs arecoline, spatial memory in radial maze, rats with septal nucleic lesions, 41345
amygdala nuclei lesions, glucocorticoid induced modulation of learning & memory for spatial cues, male rats, 10999
anteromedial or anteroventral thalmic lesions, working & reference memory in 12 arm radial maze performance, male rats, 14825
CA1 vs CA3 long term potentiation during spatial learning & memory, mice bred without metabotropic glutamate receptor 5, 41395
central facilitation of glutamate receptors, retention of olfactory & transient spatial memory, male rats, 11012
cerebellectomy, working & long-term spatial memory in delayed spontaneous alternation, lurcher mutant +/Lc mice, 21623
cerebral ischemia induced by occlusion of unilateral vs left or right vs middle cerebral artery followed by recirculation, locomotor activity & radial maze performance, male rats, 490
cholinergic agonist oxotremorine & age, spatial reference memory & cholinergic activity, middle aged rats, 21640
chronic restraint stress with vs without tianeptine pretreatment, spatial memory performance on Y maze, rats, implications for relevance of hippocampus in spatial tasks, 15017
clozapine, spatial working memory deficits induced by FG7142, female monkeys, implications for schizphrenia treatment, 34687
constant start-goal position & elimination of allocentric orientation, acquisition retention of spatial memory in egocentric place navigation tasks, male rats, 29065
corticosterone replacement, spatial memory & dentate gyrus size, adrenalectomized male rats, 34680
cued & spatial place-learning & memory performance & hippocampal protein kinase C during development, 10–60 day old C57BL/6 vs DBA/2 mice, 14732
decision processes vs shifts of spatial attention, interference in immediate spatial memory, college students, Germany, 21428
differences in feeding ecology, prediction of differences in performance on spatial & visual memory tasks, golden lion tamarins vs Wied's marmosets, 10785
discrete cingulum bundle lesions, acquisition or performance of spatial working memory tests, rats, 21681

dissociations in encoding & retention & retrieval of spatial vs object information in working memory & ERP components, adults, 2877
duration of sleep inertia following 1 hr nap, performance on spatial memory & logical reasoning tasks, 20–27 yr old males, 29010
dynorphin A(1-13)with vs without nor-binaltorphimine, spatial working memeory, mice with scopolamine- & prienzepine-induced impairment, 21928
effects of photoperiod, spatial memory & food storing, captive marsh tits, 14757
efficacy of verbal vs nonverbal selective reminding tests for nonverbal spatial memory, adults with right vs left temporal lobe epilepsy, 34046
egocentric coding process, spatial memory in goal & current locations of shelter & food, mammals & birds & hymenoptera, 374
egocentric vs allocentric orientation & feature vs configural analysis & categorical vs coordinate judgments in visuospatial perception & construction & memory, alcoholic adults, 4316
embryonic hippocampal vs anterior telencephalon transplants, hippocampal lesion induced spatial memory deficits, zebra finches, 34569
estrous cycle related plasticity, spatial memory performance, regularly cycling female rats, 37846
food caching & social living, observational spatial memory, Clark's nutcrackers vs Mexican jays, 14724
gliadin rich diet, changes in emotionality & spatial memory, rats, animal model of gluten induced enteropathy/coelia disease, 3137
global cerebral ischemia & GYKI 52466 vs LY 231617 vs staurosporine, hippocampal & striatal neuronal damage & spatial learning & memory, male rats, 41311
global cerebral ischemia & hippocampal damage, spatial learning in acquisition & working memory tasks, male rats, 29340
haloperidol vs bromocriptine, response accuracy & latency for spatial vs nonspatial working memory, 19–37 yr olds, 38128
herbal preparation with vs without ECS, recall of spatial memory task, rats, implications for protection against ECT-induced amnesia, 21842
hippocampal damage, nonspatial declarative processing & flexible memory expression, rats, letter, 453
hippocampal kindling, acquisition & retention of spatial learning & memory in water maze, rats, 21494
hippocampal kindling, acquisition of place task vs retention of cue task on radial arm maze, male rats, 10971
hippocampal protein kinase C, long term spatial discrimination learning & retention, male mice, 7018
hippocampal size, food storing & spatial memory for food caches, male vs female black-capped chickadees, 6660
hippocampal volume with & without lesions, spatial & location memory in food storing vs nonstoring bird species, chickadees vs juncos, Canada, 10956
idazoxan, executive function measured by SPECT & RT & verbal fluency & spatial working memory & category fluency & anxiety, adults (mean age 68 yrs) with probable Alzheimer-type dementia, 39809
immediate vs delayed recall & spatial memory deficits, children with fetal alcohol syndrome, 12261
in utero & lactational exposure to coplanar PCBs or 2,3,7,8-tetrachlorodibenzo-p-dioxin, spatial learning & memory, rats, 38156
in vivo microdialysis of scopolamine-evoked hippocampal acetylcholine release & motor function & spatial memory following lateral cortical impact, rats, animal model of traumatic brain injury, 11127
initial storage & later retrieval processes of object vs spatial visual information, spatiotemporal patterns of brain activity, adult males, 21747
interstimulus interval, visual short term memory for contrast & spatial frequency of sinusoidal gratings, adults, 17831
intraseptal infusion of selective postsynaptic adrenoceptor antagonist BE 2254, anxiety & spatial working memory in maze performance, male mice, 11106
kindling, performance on spatial memory task, male rats with hippocampal damage, implications for memory dysfunction in human epilepsy, 25528
learning by scaling of distances vs estimation of bearings vs positioning of objects, spatial memory, adults, Germany, 25321
list position & retention interval, serial position effect for recognition of spatial abstract patterns vs words, adults, 21429
location memory & attention behaviors, preterm vs full term 2.5–6.5 mo olds, longitudinal study, 11400
manipulation of egocentric vs allocentric spatial information, spatial encoding & ability to locate hidden object, adult cats, 348
medication & disease course & symptom severity, spatial & non-spatial working memory, patients with Parkinson's disease, 31849
methylphenidate, spatial working memory & planning & verbal fluency & attentional set-shifting & sustained attention, young healthy males, 38095
MPTP, long term spatial memory deficits as seen in performance on spatial delayed response task, rhesus monkeys, 10 yr followup, 15028
nerve growth factor, spatial recent memory & sensorimotor skills, 4 vs 22 mo old rats, 34655
nerve growth factor, spatial recent memory, 4 vs 23 mo old male rats, implications for Alzheimer's disease, 18317
NMDA antagonist MK-801, spatial memory, homing vs nonhoming pigeon breeds, 15061
NMDA lesions of dorsal anterior cingulate area of medial prefrontal cortex, spatial delayed alternation & working memory, male rats, 25492
NMDA receptor blockade, spatial memory retrieval & reconsolidation following reactivation, rats, 25600
novel vs traditional neuroleptics, spatial learning & memory in Morris water maze, male rats, implications for treatment of schizophrenia, 3277
object & spatial memory, monkeys with orbital frontal vs anterior cingulate brain lesions, 37986
parietal cortex vs dorsal vs ventral vs total hippocampal lesions, memory for allocentric spatial cues, male rats, 10973
patterns of long term potentiation, model of hippocampal spatial navigational map of environment, rats, 21728
performance of spatial vs nonspatial working memory tasks, metabolic activation of caudate nucleus, male rhesus monkeys, 34553
pretraining on spatial delayed matching to sample followed by estrogen, working memory performance under retention intervals with vs without emotional distraction, ovariectomized rats, 6745
prior habituation & stress responses to water immersion, learning & memory in spatial task, aged rats, 18068
processing resources, visual–spatial vs verbal retrieval efficiency, 30–80 yr olds, 7229
radiofrequency lesions of thalamus vs frontal cortex, spatial learning & memory, male rats, 6626
re-presentation of narrative & visual spatial stimuli, recall, college students vs elderly people, 21411
recognition & memory for items vs locations, adults with Down syndrome vs nonspecific mental retardation, 8389
reference & working spatial memory, BXSB mice with vs without ectopias in prefrontal/motor cortex, 25504
retroactive interference effects caused by surprising reward omission, T maze memory, rats, 366
reversible inactivation of medial septal area by tetrodotoxin, spatial reference & working memory versions of Morris water maze, male rats, 21909
right vs left temporal lobectomy, spatial working memory, patients with epilepsy, England, 13150
salient extramaze visual landmark location, head direction cell activity & spatial reference memory in radial arm maze, female rats, 21492
SDZ ENA 713, spatial learning impairment & neurochemistry of cholinergic neurons, basal forebrain lesioned rats, 21899

selective immunotoxic lesions of medial septal cholinergic cells, spatial working & reference memory, male rats, 11008
serial position effect, wayfinding performance in route reversal task, 8 & 12 yr olds, implications for police search for lost child, 7220
session length, spatial associative memory task for food reward, pigeons, 14741
shifts in spatial attention vs spatial orientation, rehearsal in spatial working memory, adults, 18004
short & long-term spatial memory, performance on T maze & 12-arm radial maze, male Ts65Dn mice, 21489
short-term spatial memory for rewarded location, foraging honeybees, 34374
situation awareness & implicit & explicit knowledge in dynamic spatial memory during simulated driving task, 17–34 yr old civilian & Air Force recruit drivers, 17979
spatial abilities used to locate host nests & hippocampal size, male vs female brood parasite vs non brood parasite cowbird species, 29350
spatial learning & memory in hippocampal-dependent maze task, estrus vs proestrus female rats, 29205
spatial location memory & relationship to dopamine depletion, nondemented "de novo" parkinsonian patients, 23451
spatial memory & parietal cortex acetylcholine release, aged rats without molar teeth, 21665
spatial memory deficits, 16.4–60.4 yr old patients with unilateral damage to right vs left hippocampus, implications for cognitive mapping vs working memory theory of hippocampal function, 19583
spatial memory influencing doses of metabotropic glutamate receptor agonists vs antagonists, open field behavior, male rats, 14889
spatial memory, locating food pellets in spatially heterogeneous environments, sheep, 10766
spatial properties of small vs large number of objects, memory for visual locations, Os, 2875
spatial reference & alternation task learning & memory deficits & A-beta elevation & amyloid plaques, transgenic mice, animal model of Alzheimers disease abnormalities, 29302
spatial representation in hippocampus during forced choice vs spatial memory task, young vs aged rats, 10983
spatial vs color/pattern cues, return to previously visited flower, hummingbirds, 353
spatial vs figural delayed memory, adult patients with left vs right temporal lobe epilepsy with vs without hippocampal sclerosis, 12588
spatial vs verbal information retrieval from long term memory, activation of slow wave cortical EPs, undergraduates, Germany, 14931
spatial working memory & strategy formation, 19–69 yr olds with frontal lobe excisions, 16358
stress induced vs oral cortisol, procedural & declarative memory & spatial thinking, healthy adults, 6948
stria terminalis & amygdala lesions & adrenalectomy, glucocorticoid induced modulation of memory formation for inhibitory avoidance & spatial learning, male rats, 14875
systemic vs intracerebral 8-OH-DPAT in median vs dorsal raphe nuclei vs dorsal hippocampus, spatial short term memory, male rats, 25625
systems level computational theory & associated computer model of navigation based on interacting representations of space & role of hippocampus, rodents, 14884
taxonomy of self-centered & local & overall systems of reference in spatial memory, animals, 29044
telencephalic ablation, spatial learning & memory deficits in pre-trained place & turn maze procedures, goldfish, 11002
telencephalic lesion, spatial constancy vs cued learning & spatial memory, goldfish, 6666
tetracycline transactivator control of CaMKII transgene expression, explicit & implicit memory storage in spatial & fear conditioning & role of hippocampus & forebrain, modified mice, 25447
thalamic lateral internal medullary lamina & posterior nuclei lesions, learning & spatial memory & habituation, male rats, 21698
transient forebrain ischemia, disruption of spatial cognition & dysfunction in hippocampal acetylcholine & noradrenaline & frontal noradrenaline systems, male rats, 14841
traumatic brain injury, working & reference memory & spatial localization strategies, rats, animal model of learning & memory impairments in humans, 23476
tropisetron vs ondansetron, scopolamine-induced learning & memory deficits in step-through passive avoidance & spatial navigation paradigms, rats, 41505
variable dose mesoaccumbens dopamine antagonist haloperidol infusions into nucleus accumbens with vs without previous information of location of rewarding stimuli, foraging tasks, rats, 21638
verbal & spatial long- & short-term memory, children with Williams syndrome, 26896
viability of process dissociation procedure in exploring implicit & explicit memory processes underlying place recognition & spatial cognition, healthy adults, 6364
views of space in spatial memory, single viewpoint-independent vs 2 viewpoint-dependent representations, adults, 25318
visual & social cues of food locations, spatial & object memory capabilities in foraging, long-tailed macaques, 6512
visuospatial ability in location memory tasks, 53–76 yr olds with Parkinson's disease vs healthy 57–75 yr olds vs 27–40 yr olds, France, 39507
3-amino-1-hydroxypyrrolid-2-one, delta(9)-tetrahydrocannabinol-induced alteration in monoamine transmission & spatial working memory, male rats, 34668

Spatial Neglect [See Sensory Neglect]

Spatial Organization—Serials

accessibility of objects in spatial situation models, generality of impact on attention & narrative comprehension, college students, implications for cognitive modeling, 2826
assessment of direction of turn stereotypes for 2-D horizontally moving displays & 3-D display/control arrangements & RT as measure of compatibility of displays & controls, adults, Australia, 17808
attentional processes in perceptual organization by element clustering vs shape formation, college students, 28726
boundary information, perception of color & chromatic detection & integration & S-cone discrimination, observers, 34158
changes in viewpoint, use of height-in-picture as depth cue for own drawings, 5–6 vs 6–7 yr olds, conference presentation, 41635
changes in visual direction & compression of visual space before saccade, adults, 28765
color stimulus location, selective processing of visual information, college students, Netherlands, replication & extension, 10645
constant start-goal position & elimination of allocentric orientation, acquisition retention of spatial memory in egocentric place navigation tasks, male rats, 29065
contrast polarity of edges, parallel coding of collinearity within visual search grouping of solid regions, 19–37 yr olds, England, 25190
control of 3-dimensional object arrangement on hippocampal place cell firing fields, male rats, 34598
cue induced vs voluntary attention, repulsion effect during visual perception of probe stimulus, observers, 25343
cued symmetry in recall of letter sequences in spatial locations, adults, England, 41163
cylindrical vs square chamber painted with different visual stimuli, spatial firing patterns in hippocampal place vs subicular cells, female rats, 29363
decision context, pseudoneglect in visual line bisection, right-handed males, 21268
detection of spatial discontinuities in 1st-order optical flow fields, adults, 28774
direct pathways from extrastriate visual cortex to dorsal premotor area, visually guided reaching, macaques, 14883
display characteristics, bias estimates of whisker length of regular & notched boxplots, college students, 10711
drawing strategies as evidence of recovery of spatial integrative abilities, 7–15 yr olds with left vs right hemisphere brain injury, 23477

dual process account vs computational model of spatial filtering of geometrical vertical lines crossed by oblique line producing illusory shift in line orientation, 2768
echolocation, ability to form aspect independent representations & match 3-dimensional targets at haphazard orientations, bottle nose dolphins, 10773
egocentric & allocentric placement of biological-motion walker, transsaccadic memory, adults, Belgium, 34160
elongation axis & symmetry of surrounding context, reference frames in perception of ambiguously oriented objects, college students, Canada, 10642
functional relations between objects, use of intrinsic vs deictic-extrinsic words in description of spatial relations, college students, 17894
geometrical organization of architectural space & professional background, aesthetic & emotional responses, 22–35 yr old chemistry vs architecture majors, 187
imaging assessments of landmark & survey environmental judgments realized as distinct functional neuroanatomical regions, 18–27 yr olds, 34512
integration of object form & color perception & spatial location in working memory in prefrontal cortex, monkeys, 29349
intraindividual development of ability to modify size of human figure drawing, 7 yr olds, Iceland, 5 yr study, 41649
judgments of line orientation, former servicemen with unilateral left vs right hemisphere post-Rolandic brain lesions, 31838
judgments of relative time-to-contact of 2–8 approaching objects, college students, 41017
linear configuration & reference strategy, perception & immediate memory for simplified graphs, college students, commentary reply, 41160
location vs object based visual attention, college students, replication, commentary reply, 18016
location vs object based visual attention, college students, replication, commentary, 18014
long-term spatial memory for seed caches, Clark's nutcrackers vs pinyon jays vs scrubjays vs Mexican jays, 25395
manipulation of egocentric vs allocentric spatial information, spatial encoding & ability to locate hidden object, adult cats, 348
morning vs afternoon & FRs, motivation behavior for additional space, 14-wk old male caged lab mice, 21508
multiple-element line segment precues, orientation & location attention effects, college students, 17819
multiple spatial codes & temporal overlap & attention shifting effect on stimulus-response relations, Simon effect & RTs in choice-reaction tasks, adults, replication & extension, 14610
number of landmarks used in training & spatial blocking, swimming to submerged platform, rats, 18082
opposite-contrast polarity & position acuity, Os, 10631
orientation in spatial organization, ability to imagine projective transformations, undergraduates, 10700
orientation of stimulus & response arrays along parallel vs orthogonal axes, 4-choice RT task performance, college students, 41051
original vs alternate title, description & spatial organization of paintings, college students, 658
pattern interference, tactile identification of spatial pattern presented to 1 vs 2 fingers, adults, 21230
perceived orientations of rival gratings of 2 orthogonal rotations, activity of neurons & visual pathways in visual cortex, monkeys, letter, 6643
perception & reproduction of spatial layout of objects in virtual vs real-world viewing condition, male vs female college students, 33793
perceptual organization & visual confrontation naming, Hooper Visual Organization Test performance, adults with brain damage or dysfunction, 4693
post-habituation responses to complete vs broken rod test displays, perception of object unity, 2 vs 4 mo olds, 15226
preservation of scale & size in spatial configuration reconstructions, 4–5 vs 6–7 yr olds vs adults, 25791
proximal-distal vs oblique vs medial-lateral nonmoving-oriented patterns, sensitivity of middle vs index finger of right vs left hand, 21–36 yr olds, implications for class 1 & 2 anisotropies, 25170
proximity &/vs alignment cues for perceptual grouping in horizontal vs vertical orientation, rats, 34333
representation of spatial distance in situation models of narratives, college students, Germany, 34234
role of frontal cortex in dissociation between visual perception of object & awareness of object's inherent spatial & nonspatial information for mediating visuomotor control of accurate movements, 224
segmentation of multiple vs large gratings into single vs multiple stimuli, speed of visual discrimination, Os, letter, 10646
sensory integration of spatial information, 18–56 yr olds with panic disorder with vs without mild vs moderate vs severe agoraphobia, 35664
Simon effect & incongruent vs congruent visual stimuli, ability to direct & shift attention, 59–82 yr olds with Parkinson's disease vs patients with Tourette's syndrome vs Huntington's disease, 8577
Simon effect, lateralized readiness potential & P300 latency, 19–26 yr old undergraduates, 14941
sine wave vs square wave vs missing fundamental at different spatial frequencies of orientation modulation, detection of abrupt vs smooth changes in orientation defined micropattern textures, Os, 201
spatial arrangement of social network graph data, perceptions of & judgments about structural features of network, college students, 37628
spatial attention & visual masking object substitution, adults, 28749
spatial configuration of baited poles, choices, rats, 342
spatial contiguity between Pavlovian CS & UCS, ring doves, 18047
spatial distribution of prey in search paths, foraging behavior, European starlings, 21543
spatial firing of place cells in & efferent projections of parasubiculum in hippocampal formation & similarities to hippocampal place cells discharge, rats in cylindrical apparatus, 11016
spatial frequency & amplitude of edge modulation & object width, perception of size & shape, Os, 190
spatial location & object based limitations on divided visual attention, 18–33 yr olds, 10630
spatial location memory & relationship to dopamine depletion, nondemented "de novo" parkinsonian patients, 23451
spatial nonuniformities, visual search task performance, adults, implications for guided search model, 194
spatial organization of prelexical representations of words, 20–26 yr olds, 11268
spatial position of adjunct pictures, processing of accompanying text, college students, 14647
spatial properties of small vs large number of objects, memory for visual locations, Os, 2875
spatial strategy for & accuracy of construction of simple & complex block models, 3.8–6.2 yr olds with left vs right hemisphere damage, 36150
spatial threshold for discrimination of grating orientation, assessment of tactile spatial acuity at lower lip & each fingertip, adults, 10616
spatial vs location cues, performance on graphic vs partially graphic vs latent multidimensional vs recognition tests of configurational knowledge, 18–29 yr old students of geography, Wales, 14649
spatial vs tree-based similarity scaling of products & services in market analysis, adults, 14060
spatially distributed vs rapid communication display, response latencies & visual search performance, 17–32 yr olds, 28297
standard mirror image vs different direction-different slope vs same direction-different slope spatial predicates, oblique line comparisons, college students, test of theory of spatial cognition, 25203
stimulus size & left-right orientation, priming on perceptual implicit memory tests, college students, 306

strategies of spatial thought for cognitive mapping tasks, configurational knowledge, 18–29 yr olds, Wales, 17922
susceptibility to Ponzo illusion, rhesus monkeys vs chimpanzees vs 22–41 yr old humans, 21761
target-position facilitation vs distractor-position inhibition, cumulative priming effects in pop-out target search & discrimination, adults, 17832
time course of retrieval of item vs spatial position information, adults, 41130
trajectory mapping as nonmetric scaling technique designed to recover parameterizations & axes & paths used to traverse feature space, 210
unexpected 1st vs 2nd visual target step to new location, spatial & metrical parameters of eye & arm movement response amplitudes, 23–67 yr olds, 10677
vantage point & plan vs oblique type, geometric & representational correspondence in understanding of maps, 4–5 yr olds vs adults (mean age 38 yrs), 25761
varying configurations of search space, search organization, capuchin monkeys, Italy, 21544
visual fixation on a peripheral object during simulated locomotion through cluttered environment, heading & path information, adults, 28742
visual perception of random vs linguistic spatial textures & communication of aesthetic & scientific & stylistic information, 211
2nd order pattern carrier spatial frequency & angle between gratings & modulation, encoding orientation in 2-dimensional space & space-time in spatial vs motion task, Os, 204

Spatial Orientation (Perception)—Serials
ability to track & anticipate final object orientation following invisible spatial transformations, 4–8 mo olds, 7272
absence of orientation mechanisms, cognitive mapping abilities & accurate navigation toward hidden goal, rats, 2950
active vs passive control of aircraft, opto-kinetic cervical neck reflex, military pilots, 34193
adaptation to & detection of motion in depth & rotation in human visual field, adults, implications for position invariance of complex motion detectors, 2782
age & gender, multidimensional face-space, young adults, Japan vs Wales, 28758
age & skill level & cue-target interval, spatial orientation of covert visual attention, 12 vs 15 yr old hockey players vs adults, 22002
alcohol & workload, detection of angular acceleration, male pilots (mean age 24.5 yrs), 21893
asymmetric distributions of velocity magnitudes, perception of heading, college students, 25188
bilateral fimbria lesions & housing in standard vs impoverished social conditions, Morris maze acquisition & spatial orientation performance, male rats, 496
center of mass effect, distribution of spatial attention in vertical vs horizontal dimensions of line bisection task, normal 19–36 yr olds, 37797
cerebellar abnormality & additional or corollary parietal pathology, speed of orientation in spatial attention, autistic 14–42 yr olds, implications for role of cerebellum & parietal cortex, 8360
conspicuous landmark use in visual tracking, juvenile Atlantic salmon, 333
constant start-goal position & elimination of allocentric orientation, acquisition retention of spatial memory in egocentric place navigation tasks, male rats, 29065
contributions of spatially unstructured cues & random luminance mask, grating detection & contrast sensitivity for orientation discrimination, adults, 14521
control of 3-dimensional object arrangement on hippocampal place cell firing fields, male rats, 34598
cue–target time interval, speed & direction of orienting, 2 vs 4 vs 6 mo olds, 7243
depth of monocularly recognizable vs purely binocular objects & S's eye dominance, perception of direction, adults, 14539
differential motion parallax vs optical flow as basis of visual wayfinding, college students, commentary reply on replication, 2775
differential motion parallax vs optical flow as basis of visual wayfinding, college students, replication, 2774
differential motion parallax vs optical flow as basis of visual wayfinding, college students, commentary on replication, 2766
direction of lighting & spatial orientation, identification of inverted faces, college students, 21245
distance & luminance polarity & contrast of nearby luminance defined flanking boundary, shift in apparent position of color defined target boundary, adults, 6230
distance & signal to ratio & orientation, vehicle identity confusion, tank gunners & crewmen, implications for human object identity for military training, 17837
dopamine depleting lesions of dorsal striatum, RTs contralateral to lesion as measurement of covert orienting, rats, implications for motor impairment, 6689
egocentric & allocentric placement of biological-motion walker, transsaccadic memory, adults, Belgium, 34160
egocentric coding process, spatial memory in goal & current locations of shelter & food, mammals & birds & hymenoptera, 374
egocentric vs allocentric orientation & feature vs configural analysis & categorical vs coordinate judgments in visuospatial perception & construction & memory, alcoholic adults, 4316
elimination of access to extrinsic spatial cues in radial arm maze, spatial choice, rats, 41193
elongation axis & symmetry of surrounding context, reference frames in perception of ambiguously oriented objects, college students, Canada, 10642
exposure to sky & magnetic field, development of visual orientation mechanisms at sunset, night migrating Savannah sparrows, 25394
extinction & spatial aspects of compounded visual stimuli, variable responding, male pigeons, tests of summative vs additive models, 29063
eye position, thresholds for detection of full field visual rotation, adults, implications for visual coding according to head centered craniotopic vs retinal based reference system, 14519
facial orientation & congruency of visual & auditory speech signals, visual & audiovisual speech perception, 18–30 yr olds, 25222
full-cue vs reduced-cue viewing conditions, visual perception of location & distance, Os, 202
functional relations between objects, use of intrinsic vs deictic-extrinsic words in description of spatial relations, college students, 17894
gaze behavior cues of conspecifics, gaze direction & attention orientation, male rhesus macaques, 37866
gravitational cues, haptic perceptions of vertical & horizontal & oblique orientations, college students, 10609
habituation & orientation & motor behavior & range & regulation of state & autonomic stability & abnormal reflexes, infants of HIV positive vs HIV negative mothers, 19557
head movement & position of body relative to center of rotation during constant speed rotation of body, motion sickness, college students, 23304
head position & attitude interpretation & spatial orientation in flight simulation, pilots, 34190
hierarchical representation of 2-dimensional space, 4–6 vs 6–7 vs 9–10 yr olds, 3381
imaging assessments of landmark & survey environmental judgments realized as distinct functional neuroanatomical regions, 18–27 yr olds, 34512
immobilization before flight vs transporting in dark or driving in circuit to release site, emotional factors & disruption of initial orientation, homing pigeons, 2956
in-flight spatial disorientation training, British Army Air Corps helicopter pilots, 28263
independence of knowledge of object identity & orientation, 44-yr-old female with a visuo-spatial disorder & 9-yr-old male with visual object agnosia, case report, 31899
inertial eigenvectors, spatial orientation of occluded contralateral limbs, adults, 6284

inhibition of return in location vs identity based choice decision tasks, college students, Canada, test of motor vs attentional process underlying inhibition of return, 41082
interaural time differences & cues for sound localization, neuronal responses within space map in external nucleus of inferior colliculus, barn owls, 6637
landmark use in visual search task, pigeons & 18–42 yr olds, 21587
lateral differences in visual spatial orienting, 13–31 yr old high functioning males with autism, 1425
learning strategies for goal attainment & spatial orientation & knowledge acquisition in unstructured hypertext, 28943
left vs right hemispheric differences, enhanced image generation ability of categorical or coordinate spatial relations, deaf vs hearing American Sign Language signers, 12707
line length representation, normal vs left unilateral neglect dextral French vs Israeli left to right vs right to left readers, 26956
localized landmarks in large-scale virtual building, development of spatial knowledge & route finding ability, adults, 33837
manipulation of egocentric vs allocentric spatial information, spatial encoding & ability to locate hidden object, adult cats, 348
map orientation & prior knowledge, learning & remembering cartographic map features, high school students (mean age 16.9 yrs), 17964
maps of visual space & orientation in primary visual cortex, cats, 34529
maze orientation & handedness & initial hand use, intermanual transfer of learning, adults, replication, 11013
measurement methods & ambient lenses as intervention, spatial orientation abilities, 4–15 yr olds with autism, Canada, 8349
memory & learning of sun's pattern of movement, navigation, honeybees, 347
model of spatial orientation & intrinsic dynamics of head-direction cell ensemble in rat limbic system, 21722
modularity & development of spatial reorientation, 18.1–24.1 mo olds & 17–26 yr olds, 15224
moving objects, heading judgments, adults, 6244
multidirectional inertial perturbation, accuracy & kinematics of fast pointing movements, college students, 225
multiple-element line segment precues, orientation & location attention effects, college students, 17819
multiple exogenously cued spatial locations, inhibition of return of attention during visual search, college students, commentary reply, 2763
multiple exogenously cued spatial locations, inhibition of return of attention during visual search, male college students, Wales, commentary, 2784
navigating in computer simulated space vs map viewing, spatial knowledge, 18–41 yr old college students, England, 266
nonvisual navigation & tracking an object's orientation & location, undergraduates, 28716
number of landmarks used in training & spatial blocking, swimming to submerged platform, rats, 18082
numerical simulation test of continuous attractor neural network model of path integration & cognitive mapping in hippocampus, 43941
object centered reference frame, attentional allocation of brain, college students, 18125
object pose, psychophysical determination of image correspondence in perception of photographs of 3-D objects, Os, 41025
ontogeny of spatial behavior, development of global map of large environment, infant rats, 6461
orientation & number of distractors & proximity to attention point, interference of unattended distractor line segments in detection of orientation, adults, 14511
orientation vs location vs size of target object & direction & movement amplitude & orientation of fingers during reaching & grasping with vs without visual feedback, 21–35 yr olds, 28751
patterns of artificially correlated neural activity, development of orientation & direction tuning in visual cortex, ferrets, 38025
perceived orientation of aliased lines in comparison with orientation of pairs of dots, adults, 6235
perception & reproduction of spatial layout of objects in virtual vs real-world viewing condition, male vs female college students, 33793
persistence of cooperation in spatial Prisoner's Dilemma in presence of noise, players, commentary reply, letter, 995
persistence of cooperation in 3 versions of spatial Prisoner's Dilemma, players, commentary, letter, 994
physical distance between signal & response, RT on pointing task, college students, Germany, 25242
pointing at memorized targets & knowledge of arm position in microgravity vs on ground location & during restriction of vision, Spacelab crewmembers, 21321
positional or directional correlates of firing patterns in prelimbic frontal cells, freely moving rats, 25527
postural condition, error rate in judgment of distance at which static vs dynamic object is reachable, college students, 14538
postural orientation & visual vertical estimates during pitch tilt, healthy vs labyrinthine defective adults, 17809
practice & water temperature stress, evolution of individual & populational asymmetric spatial preference in water T-maze, male rats, 6453
prenatal protein malnourishment, spatial navigation, male rats, 644
presence & orientation of motion stimulus & response amplitude & direction of motion, synchronization of spatially segregated middle temporal area cells, awake macaque monkeys, 18169
preview of familiar sites & access to olfactory cues, involvement of visual landmarks in familiar area map, homing pigeons, replication & extension, 37859
radial vs laminar flow presented on different parts of retina, estimation & spatial distribution of heading during movement through environment, human vs ideal Os, 227
reactivity to spatial vs object novelty, inbred mice with hippocampus vs posterior parietal cortex vs sham lesions, 21711
reflexive & compensatory & voluntary mechanisms in orientation of spatial attention, human adults, 28990
repeated disorientation, acquisition of appetitive &/vs radial arm maze & Morris water maze, rats, 25365
retinal image & extraretinal information, estimation of heading direction in presence of executed &/vs simulated eye movements & rotation, Os, 189
reverse suturing & resultant inability of eyes to see at same time, alignment of orientation preference maps, kittens, implications for visual experience as necessary for match of orientation, letter, 542
right vs left & early vs late changes in orientation or size of repeated object, later memory of attribute, young adults, 25295
role of right parahippocampal gyrus in object-location encoding & retrieval, 18182
rotated drawing as example of agnosia for object orientation, brain damaged 67 & 58 yr old males, case reports, implications for object recognition theories, 23479
salient extramaze visual landmark location, head direction cell activity & spatial reference memory in radial arm maze, female rats, 21492
semantic priming & spatial perception, selective attention, college students with normal vision, 18013
septal lesions, spatial learning in Morris test vs water maze-based left–right response differentiation task, rats, implications for allocentric–egocentric dichotomy in navigation & spatial mapping, 10989
serial position effect, wayfinding performance in route reversal task, 8 & 12 yr olds, implications for police search for lost child, 7220
sex & academic discipline, orienting of liquid surfaces & plumb lines & knowledge of simple physics, college students, Canada, 10641
sex & estimation of rods in left vs right hemispace & concurrent verbal task, bisection accuracy & bias, blindfolded adults, Italy, implications for hemispheric specialization in spatial attention, 6641

shape & contour orientation, visual search for orientation target, 21–34 yr olds, 41020
shifts in spatial attention vs spatial orientation, rehearsal in spatial working memory, adults, 18004
space constancy following passive locomotion along route with left or right turns, blindfolded 42–83 yr olds with right hemisphere brain damage & left neglect, 39484
spatial & cue navigational abilities in water maze tasks, male rats with fimbria/fornix vs caudate putamen lesions, 25462
spatial ability as measured by Silver Drawing Test, 12–15 yr old males vs females, 18516
spatial disorientation through transportation & rotation, goal location in plus vs Morris maze, male rats, 25376
spatial frames of reference & integration of retinal & eye or head position information in planning egocentric vs retinocentric sequences of saccades, 4–6 mo olds, 34796
spatial information & decision factors & visual attention, transsaccadic matching, adults, 41024
spatial orientation & wayfinding problems in King Saud University built environment, high school students, Saudi Arabia, 24890
spatial representation & pointing task deficits, 63 yr old female with focal atrophy of posterior & superior & parietal lobes, 4709
spatially predictive vs misleading target tones, endogenous covert spatial orienting in audition measured by ERPs & RT, 22–35 yr olds, implications for intermediate vs peripheral attentional selection, 37604
stereoscopic information & changing size cues, forward linear vection in self motion perception in depth, 17–47 yr olds, 10637
stimuli discriminability, variation in incidence & magnitude of mental rotation effect, 19–31 yr old adults, 28750
subjective orientation in visual cortex using optical imaging of intrinsic vs single-unit signals, contour perception, cats, 21705
taxonomy of self-centered & local & overall systems of reference in spatial memory, animals, 29044
temporal & spatial location cues, foraging behavior, laboratory pigeons, 29076
time required to orient visual-spatial attention, autistic 16–37 yr olds, 12338
traumatic brain injury, working & reference memory & spatial localization strategies, rats, animal model of learning & memory impairments in humans, 23476
use of information about another person's age & perceptual access of hidden object to infer that person's knowledge about hidden object, younger vs older 3 vs 4 yr olds, 41658
use of local & global spatial cues, searching behavior for hidden seeds, Clark's nutcrackers, replication & extension, 10771
use of proximal & distal cues, place navigation & spatial learning in water maze tasks during ontogeny, 22 day old mice, 10760
use of 2- vs 3-dimensional visual cues in target location, homing pigeons, 25399
validity of computerized tests of pattern recognition & memory & spatial orientation without extensive baseline testing, 19–27 yr old male army personnel, Norway, 14285
viewpoint dependent vs independent neuropsychological accounts of constancy in object recognition, 29379
visual cortical processing of orientation discrimination & identification & speed discrimination, 20–30 yr olds, 6657
visual cues, neural mechanics of orienting & alerting & influence on target response speed, adults, 29276
visual search tasks with color & orientation & motion targets, N2pc component of ERP waveform, neurologically normal 18–30 yr olds, 28711
2nd order pattern carrier spatial frequency & angle between gratings & modulation, encoding orientation in 2-dimensional space & space-time in spatial vs motion task, Os, 204
3-D viewing experience, ability to point to images generated by stereoscopic 3-D image display, college students, 21252

Spatial Perception [See Also Depth Perception, Direction Perception, Distance Perception, Motion Perception, Size Discrimination, Spatial Distortion, Spatial Organization, Spatial Orientation (Perception)]—Serials
ability of left hemisphere to process spatial information in haptic modality, female split-brain patient, 42782
accurate discrimination in visual vs tactile vs auditory spatial separation, college students, test of Korte's time–distance constraint, 37610
afterdischarges of dorsal hippocampus, production of retrograde amnesia for spatial discrimination problems, mice, 37979
age effects on experience-dependent plasticity of hippocampal place cells & spacial location & theta rhythm in task performance, 11–12 mo vs 25–31 mo old rats, 41361
age, spatial aspects of spontaneous object grouping, 1.3–4.4 yr old female chimpanzees & 2 yr old chimpanzee studied for 2 yrs, comparison with human infants, 2979
age, tactile spatial acuity & roughness discrimination, 46–63 yr olds with Parkinson's disease, 39549
attention & sensory modality & speeded detection & intensity & color discrimination & spatial discrimination for auditory & visual targets, 18–46 yr olds, 28725
auditory stimulation & single unit neurophysiological methods, spatially selective auditory responses of neurons in superior colliculus, echolocating big brown bats, 29380
center of mass effect, distribution of spatial attention in vertical vs horizontal dimensions of line bisection task, normal 19–36 yr olds, 37797
cognitive representation in spatial & temporal information processing, insects, 332
cross modal matching & illusion through audiovisual integration, selective spatial attention to speech sounds & their perception, 28788
cueing & distractors & number of items & position of attentional focus, enumeration, adults, Canada, 21465
development of spatial analysis of hierarchical letter patterns & geometric forms, 4 vs 6 yr olds, 7226
dexamphetamine, development & expression of spatio-temporal behavior, male rat high vs low responders to novelty, 41459
electroretinogram responses to patterned stimuli in contrast & spatial frequency, 3–4 vs 16–20 mo old male vs female quail, animal model of effects of aging & sex on retinal mechanisms of vision, 41028
encoding of spatial with temporal cue information during delayed sequential vs conventional reaching task, single neuron activity in prefrontal cortex, male monkeys, 25524
environmental enrichment, motor activity & exploration & spatial performance, 4 vs 22 mo old rats, 14740
ethanol effects on spatial cognitive processing, 29584
Facade theory of 3-dimensional vision & figure–ground perception of 2-dimensional pictures, 34153
frequency level of target with distractor above vs below, classification of laterality of target vs distractor based on interaural delays, college students, 10655
functional imaging of right hemispheric activation for exploratory vs nonexploratory movements, healthy right-handed males, implications for lateral dominance for spatial attention, 14837
generation of spatial code to specify selection of right vs left response, attentional shifts from initial fixation point to stimulus location, college students, replication, 28993
head & body centered hemispace, line bisection task performance, male 62–78 yr olds with left unilateral neglect, 23401
high vs low pass spatial frequency filtering of images, eye movements made in response to images of natural scenes, adults, 14532
horizon-ratio relations as reliable source of information in pictorial size perception, adults, 6243
horizontal vs vertical spatial codes & RT in visual task, 19–40 yr olds, 6232
human spatial perception, design of virtual reality 3 dimensional computer environments, erratum, 5842
intention to reach toward center of rod or place coin on lid vs pointing to center, unilateral neglect, 44–77 yr old patients with cerebral infarct, 16369

intercranial self administration of bicuculline into ventral tegmental area with vs without sulpiride, spatial discrimination, male mice, 29529
judgment of direction of broadband signal presented in quiet vs noise, Ss, 10659
line bisection in spatial location & directional cuing conditions, right vs left hemisphere lesioned patients, 31839
line bisection using left vs right hand & judgment of prebisected lines, normal right vs left handed 4–5 vs 10–12 yr olds, 14508
line configuration aspects &/vs actual number of dots, perceived numerosity of dotted lines, college students, distance & spatial perception implications, 41027
linear spatial frequency & disparity tuned filters of correlated vs uncorrelated band pass 1 dimensional noise pairs & orientation of stimulus envelope, stereopsis & localization, Os, 218
long term visual transposition research, literature review, Japan, 6255
lorazepam, spatial attention, 20–40 yr olds, 29598
measurement theoretic approach as partial explanation of empirical contradictions of R. Luneberg's conception of a psychophysical theory of binocular space perception, conference presentation, 34095
mental coding in same & mixed stimulus-response sets in spatial precuing task, college students, 6301
multiframed apparent motion visual stimuli, spatial & motion perception, Os, 2783
muscular sensitivity to & neural detection of rotational inertia, spatial perception of handheld objects, implications for dynamic touch in perception theory & role of muscles as measuring instruments, 6217
NMDA receptor antagonists, effect of dopamine on prefrontal cortex function assessed during spatial delayed alternation, rats, 11220
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary reply, 5805
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary, 5804
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary, 5798
parallel vs serial processing, response time for programming of direction of planar reaching arm movements, 25–40 yr olds, 10686
path angularity & direction on map, processing of spatial information while making distance estimates, 25–60 yr old consumers, 208
perceptual grouping, visual extinction, 63 yr old female & 78 yr old male with damage to right parietal cortex, 23515
peripherally presented cues, automatic covert orienting of visuospatial attention, 54–95 yr olds with dementia of Alzheimers type vs healthy 18–25 vs 61–90 yr olds, 23395
postsaccadic target blanking, saccadic suppression of image displacement, 21–32 yr olds, 2767
preattentive analysis of visual field & spatial attention, 38 yr old with apperceptive agnosia, case report, 21294
precue interval duration & level of stimulus processing required & type of instructions, spatial precue effect, college students, 37619
predictive relation between incidental information & location of target events, spatial attention, college students, 2815
presentation mode & repetition lag, temporal & spatial repetition blindness in letter string recognition, college students with normal vision, 17830
principles underlying wayfinding behavior of animals & spatial representation for animat navigation systems & simulated wayfinding system, 5858
proximity &/vs alignment cues for perceptual grouping in horizontal vs vertical orientation, rats, 34333
reduction of gravitational inputs conveyed by otolith system, directional errors in line bisection task, brain damaged patients with unilateral neglect, 16364
representation of object-centered space in frontal lobe, monkeys, 29341
representation with vs without depth information, attentional selection in spatial cuing task, college students, 6212
response properties of neurons in intraparietal areas & contributions to different spatial representations & motor action, 29260
sensory-attentional & motor-intentional factors, spatial bias in line bisection & cancellation tasks, 24–63 yr old males & 28–73 yr old females, 28767
slowness of attentional bias, asymmetries in covert spatial attention to left vs right visual field, patients with Alzheimer's disease, 16353
somatosensory transduction & morphology of mystacial vibrissae, object detection & discrimination & spatial perception, blind female & male albino rats, 25456
spatial & behavioral correlates of hippocampal neurons, cell representations of temporal organization of behavior in symmetrical arena, rats, 14890
spatial & form based processing in stimulus-response compatibility task, performance on fixated stimuli & automaticity reflecting stimulus-response mappings vs codes, college students, 10710
spatial & temporal conceptual representations & linguistic systems, language development, 2–6 yr old American vs Finnish vs Polish children, conference presentation, 34839
spatial arrangement of social network graph data, perceptions of & judgments about structural features of network, college students, 37628
spatial attention during visual search, 50–84 yr olds with dementia of Alzheimer type vs healthy 63–74 vs 75–81 yr olds, 23407
spatial dysgraphia & cerebellar atrophy, 67-yr-old male, case report, 39555
spatial heterogeneity of environment, nest site selection & reproduction, artificial fish, 29146
spatial interaction between visual stimulation & attentional focus in area V4, macaque monkeys, 34528
spatial interactions with real vs gap induced illusory lines in vernier acuity, trained Os, implications for models of illusory contour brightness, 41022
spatial neglect, goal directed arm movements, adults with unilateral right hemisphere lesions, 31807
spatial orientation discrimination vs categorization of photographs & transfer, homing pigeons, 29060
spatial orienting of attention & RT, 10–15 yr old vs 28–31 yr old rhesus monkeys, implications regarding underlying neural systems, 10922
spatial selective attention, visual EPs & sensory processing in visual cortical areas, 18–30 yr olds, 3111
spatial tactile presentation of voice fundamental frequency F/0, speechreading enhancement, postlingually deafened vs normal hearing 20–61 yr olds, 13497
spatial threshold for discrimination of grating orientation, assessment of tactile spatial acuity at lower lip & each fingertip, adults, 10616
spatial training program, elimination of sex differences on water level task performance, college students, 14496
spatial trajectory complexity & temporal synchrony demands, performance in bimanual movement tasks, callosotomized male 40 yr old, 4665
spatiotemporal correlations in gamma band cortical EEGs recorded during somatosensory discrimination task & detection of perceptual categorization, 19 & 37 yr old females with epilepsy, 12644
standard mirror image vs different direction-different slope vs same direction-different slope spatial predicates, oblique line comparisons, college students, test of theory of spatial cognition, 25203
stimulus object in vs not in isolation, unilateral spatial neglect, 35–76 yr olds with mild neglect, 1624
suppression of 1 hemisphere, representation of visible vs objective geometry of objects & visual sensual spatial relations, 21–45 yr olds with depression vs schizophrenia, 15882
task complexity & target luminance & age, endogenous visuospatial precuing, 20–27 vs 64–68 yr olds, 6251
timing of ipsilesional & contralesional stimuli, selection of objects at spatial location, 65 yr old male stroke patient, 42796

upper & lower & right & left lip vermilion sensitivity & spatial acuity, 18–25 yr olds vs 66–85 yr olds, application of grating orientation discrimination technique, 15260
views of space in spatial memory, single viewpoint-independent vs 2 viewpoint-dependent representations, adults, 25318
visual localization of 3 dimensional image in different spatial positions, 30–50 yr olds, 21290
visual perception of environmental layout & virtual reality systems, conference presentation, 28293
visual perception of environmental layout & 3-D computer graphics & virtual reality, commentary, conference presentation, 28303
visual stimuli spatial separation & interstimulus interval, 1st-stimulus persistence, application of neural network boundary detection & lateral inhibition model of spatial vision & visual cortex, 17822
visuomotor bisection & bisection judgment of horizontal lines presented on paper vs computer, right handed 21–62 yr olds, 6281
visuospatial attention, object centered vs scene based neglect, 49–80 yr old patients with hemispatial neglect, Canada, 4715
visuospatial performance on Raven's Coloured Progressive Matrices, patients with Parkinson's disease, 23378
Spearman Rho [See Rank Difference Correlation]
Special Education—Serials
accomodating special education legal mandates in quality schools, 33552
adaptation of music lessons, on task behavior & success with music tasks & peer interaction, male elementary special needs students, 17220
age & IQ level & time spent in mainstream, perceptions about special education placement, 1st–6th graders with learning disabilities, 9983
agreement of cognitive-language assessment profiles in cognitive referencing model of service triage, 3–6 yr olds with delayed language ability, 28586
application of state & territory policy statements & interpretation of inclusion & integration & mainstreaming for schooling, schools as exclusive institutions, Australia, 13858
attitudes toward special education programs in self contained vs mainstreamed settings for students with emotional & behavioral disorders, school district personnel, 5 yr follow-up, 2227
attitudes toward special education provision, 20–30 yr old student teachers, Australia, 5582
behavioral interactionist perspective of behavior analysis in special education, 5710
benefits & persistent problems of implementing co-teaching as special education models, school teachers & administrators of special education students, 3 yr study, 40490
biopsychosocial perspective on biology & behavior & education, children with ADHD, implications for educational psychologists & researchers & policymakers, 23153
changes in research & role of Office of Special Education Programs in special education technology, students with learning disabilities, implications for instruction, 20657
collaboration between general & special educators & functional approach to managing resistance to providing services to students with special needs, 24672
combined performance assessment & curriculum based measurement, instructional planning, implications for special education, 5701
conductive education, functional & motor skills, 3–12 yr olds with cerebral palsy, Australia vs Hungary, 5696
constant time delay & unrelated instructive feedback, acquisition of math facts in collaborative instructional arrangement, 6–9 yr olds with mild mental disabilities, 2241
constructivism in classroom, students with special needs, 5702
constructivist & Vygotskian & multiple intelligence theories, strategies for inclusion of students with severe multiple disabilities in general elementary classes, teachers, 10 mo study, 13861
consultative & direct service roles as tutoring alternatives & strategies for functional classroom intervention by speech language pathologists, children with language disorders, 20665
Copy & Cover & Compare procedure as parent intervention to teach multiplication facts in home setting, 3rd grade female with learning disabilities, 28085
cultural & social context & diverse problem solving approach, effectiveness of inclusive schooling for disabled students, US vs England, 13853
current legislation & program regulations in special & general education reform efforts & school inclusion, 33556
curricular innovations & school personnel & classroom organization in inclusive programing & pull-out programs, elementary students with mild learning disabilities, literature review, 43691
definition & philosophy & implementation of inclusion in education of handicapped children, 24664
definition of & classification system & selection guidelines for task analysis, special educators, 5697
description & evaluation of summer school for children with learning disabilities & challenging behavior, mothers & teachers & project workers & volunteers, 28074
description of Michigan system for improvement of quality of inclusive education for pupils with disabilities, 17234
development & evaluation of HIV & AIDS education & skills training program, 15–37 yr olds with mild developmental disabilities, 37119
different vs repeated listening with vs without retelling, retention & fluency of delayed retelling, junior high school students with developmental disabilities, implications for special education, 28062
differential teacher & organizational characteristics & implementation of curriculum based measurement, student math achievement, special education teachers & their 3rd–6th grade students, 2217
difficulties in implementing inclusive special education policies, Australia & New Zealand & UK, 33542
ecological approach to early intervention & use of planned activities as units for problem analysis & review of sampling strategies in special education, 37087
economic & demographic variables, national & state patterns of placement within schools, seriously emotionally disturbed students, 1988–91, 17221
education & human rights acts & policy guidelines & attitudes toward disabled & cultural contexts, inclusive & nondiscriminatory classrooms & schools for deaf & Maori, New Zealand, 13809
educational & service integration reforms, changes in teacher & special education training, 2233
educational participation & performance & accommodations, 4+ yr old students with spinal cord injury or disease, 40479
efficacy of home-based Portage Program, promotion of physical & social & academic development, handicapped infants with high vs low developmental quotients (mean age 41 mo), Israel, 5 yr study, 20666
enrichment perspective as alternate special education model for inclusive educational programs, 37089
environmental & political factors, conceptualization of & provisions for special education, Brazil, 40478
ethical & legal issues in special education consultation, 13838
fiscal frameworks & equality policy, organizational quality & level of expenditure on special education, 7th–9th graders, Norway, 13863
foster care &/vs special education for emotional or behavioral disorders, school related problems, students, 17245
Foucauldian perspective on special education needs in mainstream schools, 5694
general early education & services for children with vs without disabilities, 33562
government special education technology program in cooperative effort with school district's school teams, achievement of students' own educational goals, Canada, 9990
grocery shopping skills & instruction, students with moderate or severe or profound intellectual disabilities, literature review, 28077

high- vs low support groups, perceptions & interest in & implementation of classwide peer tutoring practice for including learning disabled students, elementary school teachers, 37122
home visit content & processes employed in interventions with newborn–3 yr olds with disabilities & their families, 25–54 yr old childhood special educators, 40486
HORIZONS Student Support Program approach to teaching problem solving in classroom, college students with physical disabilities or from low income families, 43683
idiom use in classroom communication, primary school teachers of 6–11 yr olds with vs without language disorders, 40484
implications of research on & recommendations to enhance effectiveness of group brainstorming in gifted education, 43712
implications of school-linked services integration reform movement for professional practice & discourse in special & remedial education, 2238
influence of Western special education technology on community-based services, India, 5706
integration of special education & compensatory education systems into school reform process & state & national standards development, implications for school psychologists, 20677
involvement in implementation of individual education plans for special education students, school administrators & teachers & educational psychologists, 13850
issues & international developments in inclusive schooling, 13856
issues in role definition & education & training & professional development & management of paraeducators, implications for services to students with developmental disabilities, 36940
journal entries of perceptions of teaching process, general & special education teachers in cooperative teaching team, 24681
key components of systems change & better service integration, students with special needs, 20672
language & reading & behavioral adjustment, 5.9–11.8 yr olds in primary school unit for developmental language disorders, England, 3.3–3.7 yr followup, 28065
learning disabilities & relation to crime & delinquency & special education placement, adolescents, 35915
legal & policy developments for special education, emotionally & behaviorally disordered students, 13857
legal status of special education, Israel, 13834
locus of control & self esteem & teaching experience & perception of child's characteristics, referral of emotionally disturbed vs nondisturbed student to special education, 22–52 yr old teachers, 17243
meal planning training strategy, maintenance of skills needed for planning nutritious meals, 16–17 yr old males with dual diagnosis of mental retardation & mental illness, 37086
meritocractic vs communitarian notions of social justice in special education reform, 43682
methodological & individual difference issues in full inclusion research, disabled students, 2219
model of preservice & inservice programs to improve teacher development & efficacy in inclusive special education settings, 2160
model of transition service delivery in general & special education, disabled individuals from birth to 21 yrs old, 2235
modern vs postmodern versions of hope in special education, mentally retarded individuals, 33528
modified curriculum to fit student interests & produce meaningful & reinforcing outcomes, problem behavior & on-task responding, developmentally disabled 9–13 yr old students, 24667
modified mnemonic keyword-pegword training & rehearsal & representational pictures, name recall or numerical order of US presidents, inner city junior high school students with learning disabilities, 24673
motivational orientations of learning disabled students & teaching methods for enhancing academic intrinsic motivation, 24665
multiple perspectives on inclusion in special education, persons with disabilities, 2236
national leadership for identification & provision of educational & related services for children & youth with serious emotional disturbance, 9970
need for & core elements of school-based consultation models in special education settings, special service personnel, 13835
newly opened pupil referral unit, pupils with emotional & behavioral problems & teachers & special needs coordinators, 43688
origin & impact of Education Act's Code of Practice special educational needs feature & appeals Tribunal, England, 37095
pathological vs cultural view of deaf in special education textbooks, literature review, 5705
perception of roles & coping experiences in rural special education, female occupation therapists, 2132
perceptions of junior high inclusion pilot program based on teacher & student collaborative teams, parents of students with learning disabilities or behavior disorders, 43686
personal growth & experience of teaching in special education, 40477
perspectives & assessment & special education programming & teacher preparation, students with mathematics learning disabilities, literature review, 26795
perspectives toward education & diagnostic & intervention practices, children with ADHD, Australia, 23145
philosophy & enhancers of & strategies for individualized instruction in special education, 13818
phonological awareness & early reading, 1st graders with low letter-sound knowledge in kindergarten, 1 yr followup, 33522
placement in general vs self contained classrooms, social contact & friendships with & social support from peers without disabilities, elementary school students with severe disabilities, 24668
placement policy & identification procedures & placement options for community based child care, preschoolers with special needs, 5699
play & other developmental domains & assessment testing in early childhood special education, 12–36 mo olds, 122
policy & practice in systemic reform & special education in Kentucky & Massachusetts & Oregon & Vermont, 33553
practical implications of current research in teaching students with severe disabilities, 33524
problems associated with implementing research-based intervention procedures in special education classes & directions for future research & policy decisions, 17232
profile of university programs for preparation of professionals for instructional & rehabilitation services to persons with visual impairments, college teachers, 20445
psychiatric disorders & IQ & use of special education services, children with traumatic brain injury, 31832
recruitment & retention of Black & other minority teachers in gifted education, 43709
research on & definition & social validity & functional outcome analysis of inclusion in special education, 2229
restrictiveness of behavioral placement, language deficits, 6–12 yr old students with behavioral disorders in a day school program vs residential treatment center, 40481
restructuring & reform movements & overview of historical trends & sociocultural factors affecting general & special education, African American students with problem behaviors, 13849
right to education of Compulsory Education Act of 1986, developments in special education, children with disabilities, China, 13817
roles in cooperative teaching, bilingual special educators, 24680
school intervention assistance programs & prereferral teams, students who are difficult to teach, 13854
school-linked service integration, approach to special education service intervention, female 1st grader with possible emotional disturbance, 2218
school psychology role in education reform & inclusion for disabled students, 20650

semantic & phonological approach for teaching vocabulary, 10.7–10.9 yr olds with wordfinding difficulty, 5 wk followup, 40480
social constructivist approach to literacy, elementary school students with mild disability, 5700
software design features, learning, 3–4 yr olds with disabilities, 28072
special & general education reform efforts, high school students, 33324
special education & school psychology consultation as educational technology & zeitgeist of school reform politics, 13655
special education legislative mandates, US vs mainland China vs Taiwan, 37106
special education service issues, preschoolers with disability, People's Republic of China, 13830
special needs programs in higher education & role of educational psychology, UK, 13865
standards developed for regulating use of behavioral procedures in schools, state departments of education, US, 1994, comparison with 1989 study, 36972
state & local & federal programs & policies, school-linked integrated services, 2240
systems perspective on special education reform, 20656
teacher assistance problem solving teams in elementary schools, special education referrals & placements, regular education teachers, 20674
technology use changes in California's special education programs, administrators & educators, late 1980s & mid-1990s, 43689
the role of materials & motivations to learning & instructional strategies in teaching students with disabilities, literature review, commentaries included, 33564
transition of services from remedial class to learning support, pupils with special needs, Malta, 17238
Treatment & Education of Autistic & Communication Handicapped Children program, learning capacity & adaptive behavior & behavioral problems, mentally retarded 7–18 yr olds with autism, 12 mo followup, 37112
treatment acceptability & use of the Curriculum-Based Measurement & student's mathematical improvement, elementary school special education teachers & 3rd–6th grade special education students, 28061
trends in curricular research in moderate & severe & profound mental retardation, literature review of 6 special education journals, 1976–95, commentaries included, 33545
validity of Burt Word Reading Test vs British Ability Scales vs Wide Range Achievement Test-Revised, assessment for special education placement, 3rd–6th graders with learning difficulties, Zimbabwe, 2685
variety of perspectives on inclusive schooling, England, 13814
views of & challenges to receipt of specialized therapy services for children with disabilities, intervention therapists & nontherapist professionals & school administrators & mothers, 13847
views of & participation in effective early instruction, urban Black low to middle income parents of regular or special education students, 3-yr study, 5704

Special Education Students—Serials

accomodating special education legal mandates in quality schools, 33552
attitudes toward education & participation in child's education, Hispanic parents of children in regular vs special education classes, 13852
attitudes toward full inclusion of special needs students in public schools, school administrators, 9972
basketball training, maladaptive behavior, trainable 10–14 yr olds with mental retardation, Turkey, 28067
characteristics of & tests used in assessment of special education students, assessment professionals including teachers & specialists & psychologists & speech therapists, 13846
consideration of risk & social competence & multiculturalism, enhancement of health promotion & primary prevention programs, special education students, 16777
constructivism in classroom, students with special needs, 5702
development & validity of survey of perception of academic & social competence & integration & involvement in educational decision making & satisfaction, special education students in Grades 4 & 6 & 8, 37533
educational goals for & realities of developing inclusive programs, students with mild disabilities, 13821
effectiveness of Vocabulary-Block Design subtest, estimate of WISC-III IQ scores, 5–6 & 8–16 yr old special education students with academic & behavior problems, 10445
focus on meeting needs of at risk students vs labeling them learning disabled or mentally retarded, implications for effectiveness of teachers, 33548
fostering development of metacognitive & self perception & problem solving & autonomous decision making aspects of self determination, elementary & middle school special education students, 13855
fully vs partial inclusive vs no inclusion, perceptions of elementary students with severe disabilities in general education classrooms, elementary school principals vs general vs special educators, 37097
functional assessment & comprehensive intervention in the design and implementation of effective behavioral support, students with severe disabilities & behavior problems, commentaries included, 33536
inclusive educational programs & practices & outcomes for students with severe disabilities, literature review, 33537
mathematical word-problem-solving instruction, students with mild disabilities or at risk for mathematics failure, literature review, 1978 to present, 37103
mathematics instruction in resource rooms vs inclusive settings, comprehension scores, male 5th & 6th graders with learning disabilities, 43568
perceptions of integration link scheme, 11–17 yr old mainstream & special school pupils, 5695
perceptions of testing adaptations for students with disabilities, general education teachers, 13841
planning & attention & simultaneous & successive processing in Process-Based Reading Enhancement Program, word decoding deficiency remediation, Chapter 1 status 4th graders, 37092
practical implications of current research in teaching students with severe disabilities, 33524
preparation of education personnel for inclusion of students with disabilities, 2242
reintegrating into mainstream for math instruction, 3rd–7th graders with learning disabilities, 2 yr followup, 20652
secondary special education student social interaction & employment & community adjustment outcome measures in conceptual framework for analysis & literature review on transition to adult life, 37101
self instruction & self monitoring verbalizations, 1st & 2nd grade regular education students & special education students mainstreamed into regular classes, 33516
sex & race & other variables moderating teacher's decision to refer students to school psychological assessment service, 4–18 yr olds with developmental or severe behavioral handicap, 37129
strategies & practice vignettes for facilitation of inclusive education for students with disabilities & special needs, school social workers, 33550
test scores on Eysenck Personality Questionnaire, adolescents in special education vs regular classes, 28081
treatment acceptability & use of the Curriculum-Based Measurement & student's mathematical improvement, elementary school special education teachers & 3rd–6th grade special education students, 28061

Special Education Teachers—Serials

educational & service integration reforms, changes in teacher & special education training, 2233
flexible cognition theory & teacher training programs for vocational special education & development of hypertext computer program, 5579
instructional strategies for teaching reading & writing & philosophical approach of direct instruction vs whole language, 2nd & 5th grade educators & teachers of students with learning disabilities, 36938

mediated peer coaching, planning & organization & instruction & classroom management, preservice special education teachers, 43687
perceptions of teacher assistant role in classroom with mainstreamed special educational needs pupils, 7–14+ yr olds, England, 33523
preparedness of special education training programs to teach sex education, preservice special education teachers, replication, 13679
retention & transfer & attrition & reassignment patterns, general vs special education teachers, US, 5 yr followup, conference presentation, 36934
standards for classroom behavior of behaviorally disordered students, elementary & secondary school teachers across cascade of special education placements, 13848
standards for preparing teachers to teach mathematics to students with learning disabilities, 33362
state certification requirements for teachers of students with emotional or behavioral disorders, 40352
teacher & school & district characteristics, retention & turnover, special vs general education teachers, 5 yr followup, conference presentation, 36935
training & knowledge level of special education teachers on health education issues for disabled students, teachers, 28066
treatment acceptability & use of the Curriculum-Based Measurement & student's mathematical improvement, elementary school special education teachers & 3rd–6th grade special education students, 28061

Special Needs—Serials

accomodating special education legal mandates in quality schools, 33552
adaptation of music lessons, on task behavior & success with music tasks & peer interaction, male elementary special needs students, 17220
adaptive functioning & communication & daily living skills, behavioral problems, Asian vs Afro Caribbean vs European 5-16 yr olds with special needs, 7784
attitudes toward full inclusion of special needs students in public schools, school administrators, 9972
computer interface design & access, elderly & other people with special needs, 10207
counseling needs assessment, elementary school teachers, Malasia vs Lesotho, 10018
development of attitude scales, assessment of views about federal Individualized Family Service Plan for early intervention for special needs children, parents & professionals, 10460
difficulties in implementing inclusive special education policies, Australia & New Zealand & UK, 33542
dynamic assessment approach of special needs intervention unit, children with learning difficulties, 13812
evaluation of multiage bookwriting group, 3–23 yr old adopted children with special needs, 16856
family centered philosophy & infant–parent interaction in early intervention model for families of children with special needs, 40475
family centered philosophy & infant–parent interaction in early intervention model for families of children with special needs, commentary, 40485
focus on meeting needs of at risk students vs labeling them learning disabled or mentally retarded, implications for effectiveness of teachers, 33548
Foucauldian perspective on special education needs in mainstream schools, 5694
group work services, special needs, adolescent immigrants from former USSR, 27237
integrated picture mnemonics, letter recognition & letter-sound acquisition, 1st graders with special needs, 24669
interactive videoconference, ability to increase knowledge & enhance role in implementation of Public Law 99-457 Part H for children with special needs, public health nurses, 27652
issues & international developments in inclusive schooling, 13856
key components of systems change & better service integration, students with special needs, 20672
legal guidelines for special health care service delivery in schools, children with extensive health care needs, 2150
origin & impact of Education Act's Code of Practice special educational needs feature & appeals Tribunal, England, 37095
perceptions of teacher assistant role in classroom with mainstreamed special educational needs pupils, 7–14+ yr olds, England, 33523
personal growth & experience of teaching in special education, 40477
placement policy & identification procedures & placement options for community based child care, preschoolers with special needs, 5699
social preferences toward peers with special needs, typically developing 3.1–5.8 yr olds, 30690
special needs programs in higher education & role of educational psychology, UK, 13865
strategies & practice vignettes for facilitation of inclusive education for students with disabilities & special needs, school social workers, 33550
transition of services from remedial class to learning support, pupils with special needs, Malta, 17238

anatomical differences in motor systems, forelimb movements in prey catching & reaching, rats vs opossums, 6634
animal's behavioral similarity to human behavior in similar context, psychological interpretation of animal's behavior, college students, test of anthropomorphic extrapolation hypotheses, 29035
anticipation of rewards & contingent vs noncontingent reinforcement, operant variability vs repetition, rats vs pigeons, 346
assortative mating occurring in reinforcement process in explanation for speciation, 34409
biologically significant target cue, forward & backward blocking in Pavlovian conditioning in animals vs acquisition of causal judgment in humans, rats, 6449
brain asymmetry, language ability & tool use & hand preference, humans vs animals, 6423
concurrent variable-interval reinforcement schedules in operant conditioning, sensitivity to reinforcement in allocation of behavior across alternatives, humans vs nonhuman species, reanalysis, 37716
conservation of liquid quantities, 6–8 yr olds vs orangutans, 2927
detection & classification of same/different relations, capacity for abstract representation of identity relations between individual vs pairs of objects, monkeys vs chimpanzees, literature review, 6456
development of object permanence, parent- vs hand-reared young New Zealand parakeets vs human infants, 6 mo study, 10767
differences in feeding ecology, prediction of differences in performance on spatial & visual memory tasks, golden lion tamarins vs Wied's marmosets, 10785
dominance style & kinship, reconciliation, Japanese vs long-tailed vs Barbary macaques, Netherlands, 21526
egocentric coding process, spatial memory in goal & current locations of shelter & food, mammals & birds & hymenoptera, 374
EMGH activity patterns of limb muscles during vertical climbing, male Japanese macaques vs antipronograde primates, 18208
evolutionary explanations for species differences in food related stereotypies & foraging, captive pigs & chickens & mink, 34334
family group vs solo male bachelor social organization, agonistic interactions, guanacos vs vicunas, 10861
feeding behavior, leafhoppers species, 6544
food caching & social living, observational spatial memory, Clark's nutcrackers vs Mexican jays, 14724

haloperidol, susceptibility & potentiation of immobility responses elicited during restraint inducing stimuli, guinea pigs vs hamsters vs rats, 29577
hippocampal volume with & without lesions, spatial & location memory in food storing vs nonstoring bird species, chickadees vs juncos, Canada, 10956
homologies of animal & human sexual behaviors & application of Incentive Sequence Model, 25538
housing with pairs of female conspecifics vs pairs of male & female canaries, vocal ontogeny, juvenile male Molothrus ater ater vs M. ater artemisiae, 2969
interaction with males of different species, mate preference & generalization of preference to other males of same species, female Amazon molly fish, 34446
invisible displacement of stimulus target, internal representation & prediction of target movement, male rhesus monkeys & humans, 6418
judgments of pairs of upright vs inverted human vs monkey faces vs scenes as same or different, monkeys vs human adolescents & adults, 14621
language structures in communication, common chimpanzees vs sibling bonobos vs humans, 2971
long-term spatial memory for seed caches, Clark's nutcrackers vs pinyon jays vs scrubjays vs Mexican jays, 25395
migratory cycle vs recency of common ancestry, overproduction in song development, Zonotrichia leucophrys-nuttalli vs -pugetensis vs -oriantha, 409
neural basis & mechanisms of mammalian & primate maternal behavior across species, 469
number of species & individuals & social group size & vertical stratification & polyspecific associations, cercopithecid species, 18114
patterns of aggression & reconciliation, captive Macaca fuscata vs M. nigra vs Papio papio monkeys, 37907
perception & judgment of abstract identity relations, human vs chimpanzee infants vs adult rhesus monkeys, 336
perception of object unity, chicks, implications for human neonate object perception, 21480
predator diet & previous predator experience & body size, antipredator behavior, Bufo bufo vs Rana temporaria tadpoles, 34442
preference for conspecific male calling songs, female Allonemobius fasciatus vs socius, 384
problems & solutions for methods in comparative study of adaptive specialization & ecological correlates of social learning & cognition, pigeons & doves, 358
processing of global vs local aspects of compound visual stimuli presented in left vs right visual hemifield, global precedence effect, baboons vs 20–28 yr old humans, 25467
retrieval delay of hours vs days, memory for stored food, marsh vs willow tits, 392
rich vs lean early tutor experience, song learning capacity, migratory vs sedentary male white crowned sparrows, 10780
sexual selection & male thorax length & number & symmetry of sternopleural bristles & sex comb teeth, mating vs nonmating Drosophila simulans vs pseudoobscura, 14808
size of hippocampal complex, Clark's nutcrackers vs pinyon vs scrub vs gray-breasted jays, implications for role in dependence on food stores & spatial memory, 3049
skilled forelimb reaching for food task performance & movement & posture, female rats vs mice, 29194
social & sexual preferences for males differing in pigmentation before & after exposure to predatory cichlid, 2–6 mo old virgin female guppies, 10836
social interactions & spatial relations & pair bond maintenance, wild siamang vs white-handed gibbons in heterosexual pairs, 2.5 yr study, 6518
susceptibility to Ponzo illusion, rhesus monkeys vs chimpanzees vs 22–41 yr old humans, 21761
V_1a receptor gene expression, V_1a receptor binding sites & behavioral response to vasopressin administration, monogamous vs nonmonogamous voles, 34510

Species Recognition—Serials
ability to discriminate between & lasting representations of conspecifics & transfer of learning to unknown conspecifics, male Wistar rats, 34362
ability to discriminate between familiar & unfamiliar conspecifics, female guppies, 34363
black-capped chickadee mobbing call playbacks, interspecies recognition, 10 bird species, 10847
body vs facial cues, categorical differentiation of animal species, 3 vs 4 mo olds, 7270
breeding vs nonbreeding season, season- & sex- & species-specific chemosensory cues in urinary odors, conspecific vs heterospecific mole rats, 10754
conspecific intruder recognition, female stenogastrine wasps, 21537
cuticular compound, colonial recognition & aggressive vs amicable vs neutral behavior, parabiotic ant species, 25420
discrimination & tolerance of intraspecific spiderlings, female prelaying vs nursing C. terrestris spiders, 25397
discrimination of self- vs conspecific produced chemical cues, male amphisbaenian, 21568
familiarity & visual cues, discrimination between siblings vs unrelated conspecifics vs heterospecifics, juvenile guppies, 10790
feeding behavior with video images of vs real conspecifics vs flockmates, 31 & 61 wk old laying hens, 10822
geographic isolation, sexual incompatibility & divergence of mate recognition systems, North American mountain dusky salamanders, 10841
hunger & species, feeding on damaged conspecifics vs nonspecifics, intertidal scavenging snails, 2975
kinship & familiarity & population source, agonistic behavior, Northwestern salamander larvae, 29186
Pavlovian conditioning with red vs green signals, discrimination learning of rival presentation, male threespine sticklebacks, implications for agonistic behavior & territoriality, 6441
preference for conspecific vs heterospecific mating, female mollies, 10878
recognition of & response behaviors to prey vs predator vs conspecific macroinvertebrate opponent types, damselfly larvae, 2981
self-host discrimination & short-term memory, parasitic female wasps, 10887
transient global cerebral ischemia & exposure to unfamiliar juvenile stimulus & interstimulus interval, social recognition, 6 & 12 wk old gerbils, animal model of amnesia, 41304
use of bill shape vs vocalizations in recognition of brown-headed cowbirds, yellow warblers, 37873

Spectral Sensitivity [See Color Perception]
Speech [See Oral Communication]
Speech and Hearing Measures—Serials
analysis of standardized procedure of speech elicitation, assessment of symptoms that are relevant for diagnosis, 6.2–7.8 yr olds with developmental apraxia of speech, Netherlands, 24990
auditory brainstem & middle-latency response morphology, profoundly-involved multi-handicapped vs normal 8–16 yr olds vs normal 1–4 mo olds, 19464
development & evaluation of instrument for assessing communicative suitability of speech, 15.8–39.3 yr old stutterers & unsophisticated & clinician & stuttering listeners, 24998
Phonological Profile &/vs Phonological Analysis of Child Speech in assessment of speech & language disorders, 31551
psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, commentary, 23396
psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, commentary, 23367
psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, 23422
psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, commentary reply, 23423
psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, commentary, 23435

psycholinguistic assessment of language processing in aphasia, patients with acquired brain damage, commentary, 23485
sample size, temporal reliability of total & different number of words & syntactic & morpheme utterance length as language sample measures, 2.6–3.8 yr olds, 15219
short interval high-frequency tone bursts, auditory brainstem responses, 17–27 yr olds with normal hearing, 18206
validity of the Auditory Continuous Performance Test in differentiating central processing auditory disorders with & without ADHD, 9–12 yr olds with impaired central auditory function, 17665

Speech Anxiety—Serials

anxiety & self consciousness, speech fluency, college students vs social alcohol drinkers vs adults with Wernicke's vs Broca's aphasia, 3737
appraisal & coping & task performance & cardiovascular responses, 17–25 yr old males with high vs low speech anxiety, 3145
communication apprehension & argumentativeness & innovativeness & self monitoring, compulsive communication assessed by Talkaholic Scale, college students, 18841
multidimensional cognitive behavioral treatment with vs without hypnosis, public speaking anxiety, 18–56 yr olds, 43226
public speaking evoked fear, emotions & cardiovascular activity & plasma hormones & immunological parameters, college students, 558
sex & race & age & GPA normative score data for Personal Report of Confidence as a Speaker, measurement of fear of public speaking. 17–40 yr olds & older, 28506
social style & communication apprehension & self esteem & academic major, reports of teachers' verbal immediacy behavior, college students, 20520
workshops based on book "Coping with Speech Anxiety" vs systematic desensitization, public speaking apprehension, college students, 19722

Speech Characteristics [See Also Articulation (Speech), Pronunciation, Speech Pauses, Speech Pitch, Speech Rate, Speech Rhythm]—Serials

acoustic differences in less vs more masculine sounding speech production patterns of male speakers, female listeners, 25209
acoustic features of vowel-like grunt calls, baboons, implications for human vowel production processes & functions, 37905
acoustic intensity & valence of vocalized portrayals, inference of emotion, listeners, Germany, 3302
acoustical correlates of glottal vibratory patterns in speech, female 14–49 yr olds, 29674
amount of stuttering, acoustic dimensions of speech as measured by area under speech envelope, 11–21 yr old stutterers vs fluent speakers, 23223
anxiety & self consciousness, speech fluency, college students vs social alcohol drinkers vs adults with Wernicke's vs Broca's aphasia, 3737
artificial pitch change in auditory feedback, fundamental frequency & reading & speaking pitch, normal hearing adults with vs without nonoptimal phonatory habits, 40202
bootstrapping of phonetic segment competencies as approach to speech segmentation, infants, 38307
classification of speech sound from personally familiar & unfamiliar face photographs, college students, UK, 2757
clinical profile of speech & prosody-voice & causal-correlates characteristics in developmental phonological disorders, 3–6 yr olds with delayed speech, 8437
computational model for prediction of role of formant transitions & differences in identification of concurrent vowels, adult listeners, 21298
connected speech vs vowel-type voice fragments, consistency & reliability of perceptual evaluation of voice quality, adults, 6271
consonant-vowel intensity ratio & suprathreshold VCVs, recognition of spectrally degraded speech, college students, 25211
context adjustments in comparable syllables, perception of voice onset time & voice offset time, undergraduates, Iceland, 18406
convergent validity of metrics of articulation competence in conversational speech with Speech Disorders Classification System, 3–40+ yr olds with normal or disordered speech, 40901
derivation of quantitative measure of perceptual distance between speech segments, 28792
duration & variability in temporal characteristics of speech, 7–11 yr olds, 1.5 yr study, 11391
duration characteristics of single-syllable whole vs part-word repetitions in speech, 25–47 mo old stutterers, 8441
elderspeak, ability to reproduce route drawn on city map or dot pattern following speakers' instructions & without interrupting or questioning speakers, 18–25 vs 65–91 yr olds, 25756
encoding of phoneme & rate information & talker characteristics during speech perception, adults, 41042
face-to-face dialogue, visual control of intelligibility of speech, young adults, Scotland, 28717
fetal cell transplant surgery, speech production & phonatory function & overall movement & gait & posture, 46–68 yr olds with Parkinson's disease, 39897
fluency-evoking conditions, aerodynamic variables in speech, 22–52 yr old stutterers, comparison with data from adults with normal speech, 42685
fluency shaping program, speech kinematics, 30–45 yr old male stutterers, 24360
footedness & size of human speech sound lexicon, parrots, 34579
fricative consonants produced in syllable initial position followed by vowel vs embedded in utterance with preceding voiced vs voiceless stop consonant, voicing characteristics, adults, 38238
fundamental frequency & formant structure spectral continuity, vowel length effect, college students, 17854
gender & speech style of interviewer, accent accommodation or divergence, 17–42 yr old job interviewees, Australia, conference presentation, 38242
high variability perceptual training program, aquisition of the English /r/–/l/ perceptual contrast & production, Japanese adults, 37663
individual &/vs group differences in sequence & rate & error patterns in long-term speech normalization, 3.7–5.3 yr olds with developmental phonological disorders, 7 yr study, 8436
infant-directed speech & relation of infant-directed communicative acts to value system & child's place in society, Wolof-speaking Senegalese vs French speaking mothers & their 4 mo olds, France, 29683
intelligibility tests with hearing impaired listeners & self-ratings of ability to communicate with such listeners, speech clarity, adult speakers experienced with communicating with hearing impaired, 27062
intensive smooth speech vs intensive EMG feedback vs home-based smooth speech vs no treatment, stuttering percentage & speech rate & naturalness, 9–14 yr old stutterers, 1 yr study, 2093
interference by variance of features, limited scope of fundamental frequency distance as having greater perceptual weight in height perception of back vowels, listeners, 10657
internal structure of phonetic categories, within category phonetic trading & role of multiple acoustic properties in specification of exemplars of categories, adults, 10663
irrelevant speech & phonological similarity effects measured by ERPs, 20–41 yr olds, test of phonological loop model of working memory, 41396
language accent ethnicity & strength & identification & monocultural vs multicultural ethnic contact, speaker status & solidarity evaluations & stereotyping, 10 vs 12 yr olds, Australia, 15438
language domain interactions, intervention, children with cooccurring speech & language impairments, literature review, 40204
linguistic trade-offs during speech production, children, implications for clinical assessment, literature review, 38327
locus of control, evaluation of powerful vs powerless speech styles, adults (mean age 20.9 yrs), 38235

loudness vs level of consonant vowel salience, perceptual evaluation of temporal modifications in speech, adults, test of loudness & CV models, conference presentation, 37673
migration paradigm for detection of illusory words in spoken word recognition research, 28795
mispronunciation detection paradigm in spoken word recognition research, 28810
modifications emphatic stress patterns, language processing, children, implications for language intervention, 38344
neurolinguistic analysis of phonological & lexical components of language, 55 yr old female with bilateral infarcts & phonemic jargon aphasia, case study, 12624
new method of using language patterns to identify somatization & antisocial personality disorders, male vs female patients, 35489
overaccommodative speech, comprehension & recall of diagnostic & medication regimen instructions, younger (mean age 21 yrs) vs older (mean age 71 yrs) females, 38230
parameters of speech production in automatic speech recognition, 29678
pedantic speech symptoms, adolescents with Asperger syndrome vs high-functioning autism, 11839
perception of sex & identity of speaker in sine-wave utterance replicas, listeners, 41040
perceptions of & frequency of receiving baby talk, functional health & need for succorance & self esteem, community living vs nursing home resident elderly, 9515
perceptual differences in comparison with normal speech, speech of preschool & early school age children who recovered from stuttering without formal treatment, 42680
perceptual differences in speech, 24–83 yr old stutterers who recovered without treatment vs speakers without a history of stuttering, 42679
perceptual structure of pathologic voice quality, expert listeners, 16252
phonetic information from familiar talkers vs sinewave replicas with eliminated natural voice quality & preserved idiosyncratic phonetic variation, talker identification, 30–74 yr olds, 28804
phonetic units, mothers' of 2–5 mo olds infant-directed vs adult-directed speech, US & Russia & Sweden, 41648
phonological similarity & irrelevant speech effect, immediate recall of visually presented items, college students, 21432
phrase vs single word prosody using natural speech, acquisition of artificial language, college students, 223
powerless speech style, agentic behavior & amount of talk in low vs same status condition interaction, 17–24 yr olds, Scotland, 42023
presence of random speech band noise & time-rate alteration of speech, speech intelligibility, Ss, application of pitch-adaptive algorithm, 25233
problems in speech production, pronunciation of "the" as "thee", British men & women in conversation, 29673
production of nonpropositional speech & aphasic speech automatisms following right hemispherectomy, 23376
prolonged speech treatment, percent syllables stuttered & speech rate & naturalness, 10.7–41.6 yr old stutterers, Australia, longitudinal study, 2096
relative amplitude & fundamental frequency difference, concurrent vowel identification, 18–26 yr olds, 37667
release bursts & aspiration & formant transition acoustic cues to place of articulation, McGurk effect, college students, 37670
response contingent time out, stuttering & speech control patterns, 10.5–11.1 yr old male stutterers, 27224
rhythmic ability & syllabic structure in production of single- & 2-word phrases & overall language ability, 4–8 yr olds with moderate learning difficulties, 26791
role of sonority in constraint of word identification errors, 22–35 yr olds, reanalysis, 6269
sample size, temporal reliability of total & different number of words & syntactic & morpheme utterance length as language sample measures, 2.6–3.8 yr olds, 15219
serial order in planning speech production of successive word morphemes, college students, 14608
sex, speech characteristics, 18–28 yr old friend dyads, 3303
spectral balance vs intensity in reverberant vs nonreverberant speech, perception of linguistic stress, adults, Netherlands, 28807
spectral restoration, perceived intelligibility of speech in noisy conditions, listeners, 21316
speech & prosody-voice & risk-factor characteristics, prediction of short & long-term speech-sound normalization in developmental phonological disorders, 3–6 yr olds with speech delays, 1 yr followup, 8438
speech dialect, speech naturalness, stuttering vs nonstuttering 17–38 yr olds with vs without General American dialect, 31556
speech intelligibility assessment method based on consistency among speech parameter vectors, implications for human performance on perception of filtered speech, 17863
speech intelligibility prediction based on psychoacoustically motivated perception model, 24–70 yr old hearing impaired listeners, 16412
speech parameters as indicators of mood improvement in course of therapy, depressed inpatients, 4770
speech pitch height & range in ordinary & play situations, German-speaking mothers & their 11–12 mo olds, 4 mo followup, 11277
stuttering severity & speech kinematics, intersyllabic movement timing durations in fluent speech, 21–46 yr old stutterers in speech treatment, 8432
successful maintenance & attitude change programs, fluent speech, 18–38 yr old stammerers, 2 yr study, 24359
symptom description & speech manner & personality characteristics & interviewer reactions & interpersonal & work relationships, male patients with psychogenic vs organic pain, Switzerland, 35962
talker & rate changes in highly compressed speech, perceptual adjustment, young adults, 28789
temporal control of repetitive articulatory gestures, oral diadochokinesis with internal & external cues, 55 & 74 yr olds with Parkinson's disease, 19584
terminology & conceptual definitions of private & social speech in communication, 11263
variable timing characteristics of reiterant force syllable sequences in tongue, orofacial nonverbal motor control, 22–30 yr olds, 6268
varied pitch & amplitude in utterances, perception of glottal stops, college students, 14561
vocal health & behaviors & attitude toward voice & singing & mood, female college student singers vs nonsingers, vocal health questionnaire appended, 18408
vocal instruction & Visi-Pitch feedback, speaking fundamental frequency range & vocal intensity & pause time & verbal intelligibility, aphasic & dysarthric 64 & 70 yr olds, case reports, 16998
vowel & between-word segment duration in production of words & word strings & sentences, 44–72 yr olds with apraxia of speech, 23478
word spotting & rhythmic characteristics, perceptual segmentation of words, undergraduates, Netherlands, 14572

Speech Development [See Also Retarded Speech Development]—Serials

bootstrapping of phonetic segment competencies as approach to speech segmentation, infants, 38307
cross validation of stress as diagnostic marker, 4.6–14.3 yr olds with suspected developmental apraxia of speech, 31562
descriptive & theoretical perspectives of suspected developmental apraxia of speech, children, 31561
development of segmental phonological production, bilingual 1.5 yr old male, 3 yr study, Puerto Rico, 25785
diagnostic markers, 3–14 yr olds with suspected developmental apraxia of speech vs 3–13 yr olds with speech delay, 31560
differences in parental reports of ADHD & speech & reading & behavior problems, 4–12 yr old twin &/vs siblings, Australia, 7802
distribution of determiners in early multiword speech, 1 yr olds, 2 yr study, 41659
duration & variability in temporal characteristics of speech, 7–11 yr olds, 1.5 yr study, 11391

L. Vygotsky's sociocultural perspective of speech & its relationship to development of thinking, study of moral development, 21986
L. Vygotsky's sociocultural perspective of speech & its relationship to development of thinking, study of moral development, commentary, 21974
narrative development, toddlers with slow expressive language development in kindergarten & 1st & 2nd grades, implications for academic achievement prediction, 16210
patterns of visual signalling & emergence of single word speech & role of gestures & vocalizations in transition to spoken language, hearing impaired vs normal hearing 6 mo olds, 15 mo study, 16416
phonetic & grammatical complexity & lexical development, 18–33 mo old late talkers, 1480
prosody & other phonological information in input speech, development of root processes of parsing, 6–12 mo olds, 11373
relationship between lexical & grammatical development, early talking 17 & 21 mo olds, 11396
repeated testing on phonemic fricative identification task, speech perception vs production, 21–29 mo olds, 740
role of cerebellum in normal & disordered speech & language, 23219
syntactic phrase structure categories in speech & use of determiner types, 23–28 mo olds, 2 mo followup, 11383
temporal processing impairment & speech production, learning impaired children, 31462
validation of Sentence Repetition Screening Test, 4.5–5.5 yr olds, 14248
vowel & syllable duration & peak fundamental frequency & amplitude in differential production of stressed vs unstressed syllables in initial & final positions, 2 yr olds vs adults, 25786

Speech Disabled—Serials

physiological & psychological & psychoacoustical correlates of speech–hearing disability, 11–69 yr old patients with King-Kopetzky syndrome, 27069

Speech Disorders [See Also Articulation Disorders, Dysphonia, Stuttering]—Serials

acquired symptomatic cluttering, 61 yr old female with cortical & subcortical & cerebellar & medulla damage, implications for neurophysiological basis of cluttering, 16383
acquisition of foreign accent syndrome, 59 yr old male with minor concussion, case report, 4686
analysis of standardized procedure of speech elicitation, assessment of symptoms that are relevant for diagnosis, 6.2–7.8 yr olds with developmental apraxia of speech, Netherlands, 24990
areas of possible speech & language & communication deficits, 6.9–17.2 yr olds with early onset schizophrenia, 4139
assessment & treatment planning strategies in management of data for clutterers, 9.7 yr old male, 16195
attitudes toward speech disorders, 17–71 yr old Cantonese speaking Chinese Americans vs English speaking Americans, 31552
auditory processing ability, 9.6–12.5 yr old male clutterers with attention deficit disorder, 16206
breath control & slowed speech rate & easier onset of articulation & increased awareness of speech as therapy treatment goals, adult male who stutters & clutters, case report, 17005
cluttering as possible motor disorder, 15 yr old male with fluency disorder not thought to be stuttering, case report, 16205
collaboration with teachers within a psycholinguistic program by speech & language therapists, 5 & 8 yr old students with phonological disorders including dyspraxia, 5720
communication pattern of dialog, 13.6–16.1 yr old clutterers in dyads with normal speakers, 16213
convergent validity of metrics of articulation competence in conversational speech with Speech Disorders Classification System, 3–40+ yr olds with normal or disordered speech, 40901
critical summary & synopsis of articles on cluttering in special issue of "Journal of Fluency Disorders", 16211
delayed auditory feedback as treatment, cluttering, 12 & 16 yr old males, case report, 17003
development of scheme of work for science, building in subject specific vocabulary, students with speech & language difficulties, 9988
diagnostic criteria in differentiation of cluttering vs stuttering vs mixed cluttering & stuttering, 11–33 yr old stutterers, Bulgaria, 16198
factors in literacy learning in self contained setting, 12–14 yr olds with cerebral palsy & speech impairment & learning disability, 9982
formal & informal procedures in assessment of cluttered communication, 36 yr old deaf male with autistic features, UK, case report, 16418
handedness & visuospatial & mathematical skills & speech problems & immune disorder vulnerability, male vs female 18–53 yr olds, England, test of cerebral lateralization theory, 10938
hearing & language & speech & vestibular & dentofacial disorders, 3.7–26.9 yr olds with fetal alcohol syndrome, 31302
hearing & speech & language & vestibular disorders in fetal alcohol syndrome, literature review, children, 35800
history & perspective on cluttering as part of speech-language pathology, 16208
integration of observations & insights of case reports on cluttering in special issue of "Journal of Fluency Disorders", 16192
intensive smooth speech treatment program, speech & psychological status, 21 yr old male who stutters & clutters, 16999
language domain interactions, intervention, children with cooccurring speech & language impairments, literature review, 40204
language sample analysis as assessment practice, speech pathologists working with preschool age children, 40201
Leiter International Performance Scale–Revised scores, assessment of nonverbal intelligence & cognitive abilities, Hispanic vs non-Hispanic 11–21 yr olds & speech impaired 11–15 yr olds, 40864
motor hand function, 4–7 yr olds with developmental speech & language disorders, England, 39345
pervasive overall vs articulation vs comprehension speech/language classification at age 5, developmental & academic outcomes, 12.5 yr olds, 8429
pervasive overall vs articulation vs comprehension speech/language classification at age 5, behavioral & emotional & social outcomes, 12.5 yr olds, 8428
phonologic impairment, prereading ability & working memory & productive syntax, letter identification, 3–6 yr olds, 3 yr study, 39350
phonological mediation of reading & spelling, male stroke patient with impaired speech production, case report, England, 36039
pre & perinatal hazards & family background, twins (mean age 8.4 yrs) with speech-language impairment, instrument appended, 16193
prosodic influences on grammatical morphology, children with impaired speech systems, 39343
psychiatric status, speech/language impaired 5 yr olds, 7 yr study, 12430
risk for speech disorders, adopted vs nonadopted children with speech disordered biological vs adopted parent, 42678
role of cerebellum in normal & disordered speech & language, 23219
similarities & differences in cluttering behaviors, 11 & 12 yr old males, case report, 16209
speech & motor deficits & cognition & language, 57–74 yr olds with amyotrophic lateral sclerosis, 8649
strategies for management of speech & language problems in psychiatric patients, psychiatric care staff, England, 15867
stuttering therapy program, 18–42 yr old males who clutter & stutter, 17001
time in alone vs combined use of time in & time out, treatment of noncompliance in classroom setting, 4 & 11 yr olds with speech language disorders, 32161
treatment of acquired surface dyslexia & dysgraphia, 39 yr old male, 13500

Speech Handicapped [See Speech Disabled]
Speech Measures [See Speech and Hearing Measures]

Speech Pauses—Serials
gesture restriction & lexical access difficulty, fluency & frequency of pauses in speech production with spatial vs nonspatial content, adults, 15143
identification of stop releases with bursts as cues to stop place & without knowledge of following vowel, college students, 10649
metronome synchronization, number of filled pauses during speech, 17–22 yr old fluent speakers, implications for stuttering therapy, 16194
pain & optimum stimulus parameters for lateralized suppression of speech with magnetic brain stimulation, 31–48 yr olds, 18205
response latency vs verbal pause as stochastic models of individual differences, 7–10 yr old males with specific language impairments, 42677
verbosity & syntactic complexity & pausing in speech, adults with bipolar disorder who were in manic episodes vs schizophrenia, 38904
Speech Perception—Serials
ability to label speech sounds & phonological awareness, normal hearing vs hearing impaired 5–7 yr old beginning readers, 1 yr followup, 15221
acoustic cues, labelling of fricatives & affricates, 16–48 yr olds with vs without sensorineural hearing loss, 42870
acoustic differences & phonemic contrasts between synthesized speech syllables, encoding & cortical EPs along auditory pathway, guinea pigs, 25355
acoustic intensity & valence of vocalized portrayals, inference of emotion, listeners, Germany, 3302
acoustic rate of change, perceptual center location in consonant–vowel vs vowel–consonant syllables, listeners, 21304
age & sex & auditory thresholds, speech recogniton, 55–84 yr olds with hearing loss, 31925
age of second language acquisition, perception of speech in noise, 20–49 yr old bilingual Spanish speakers with early vs later English acquisition vs monolingual English speakers, 37678
age, perception of vowel contrasts as spoken by German vs English speaking adults, 6–8 vs 10–12 mo olds, 11384
amplitude envelope expansion & simple attenuation, patterns of consonant confusions & recognition, college students with normal hearing, 14558
application of bootstrap error estimation for automatic tuning of parameters in combined neural networks to speech recognition system, 37310
application of distributional regularity model for unification of theories in word discovery & on-line speech segmentation using lexicons, children & adults, 34785
attentional allocation to syllable structure in American English speech perception, adults, 14557
audiovisual syllables pronounced in Japanese & English, report of audio content, 19–30 yr old native speakers of Chinese residing in Japan, test of McGurk effect, 21312
auditory word perception in single-trial presentation paradigm, funtional MRI correlates, 22 yr old native English speaking female, 34162
bilingual computerized speech-recognition cellular telephone vs face-to-face prototype of Center for Epidemiological Studies Depression Scale, 18–67 yr old Spanish vs English speakers, 6032
child's speech pitch & apparent age, attention to voice & memory of verbal content, female undergraduates with high vs low perceived control, 42010
cochlear implant use & age, long term speech perception performance, prelingually deafened children & adolescents aged 2–15 yrs at implantation, 27809
cohort model theoretical predictions, recognition of gated words, 18–30 vs 59–84 yr olds with vs without Alzheimer's disease, 1598
component phase & target harmonicity & task, vowel identification, adults, 37668
computational model for prediction of role of formant transitions & differences in identification of concurrent vowels, adult listeners, 21298
connected speech vs vowel-type voice fragments, consistency & reliability of perceptual evaluation of voice quality, adults, 6271
consonant & syllable variation, discrimination & categorization of word stress patterns, 48–72 hr old newborns, Italy, 15249
consonant-vowel intensity ratio & suprathreshold VCVs, recognition of spectrally degraded speech, college students, 25211
context adjustments in comparable syllables, perception of voice onset time & voice offset time, undergraduates, Iceland, 18406
correct consonant production experience, audiovisual speech perception task performance, 3–5 vs 21–29 yr olds, 38313
correlational method to estimate listeners' weighting function for identifying speech signals, listeners, 17849
cross modal matching & illusion through audiovisual integration, selective spatial attention to speech sounds & their perception, 28788
delay of lower tone onset in two tone nonspeech stimuli, discrimination of temporal order differences of speech sounds, 4 day olds, 18517
derivation of quantitative measure of perceptual distance between speech segments, 28792
development & evaluation of instrument for assessing communicative suitability of speech, 15.8–39.3 yr old stutterers & unsophisticated & clinician & stuttering listeners, 24998
development & reliability & validity of computerized adaptive form of Speech Sound Pattern Discrimination Test, 17–49 yr olds with sensorineural hearing loss, 37377
development & validity of psychoacoustical model, prediction of noise masking of plosive bursts during speech perception, 24–30 yr olds, conference presentation, 37671
development of short term memory for ignored speech, 1st through 4th graders & adults, 7273
development of vowel perception from brief synthetic consonant vowel syllables as function of systematic variations in dynamic properties, 5 vs 6 vs 7 vs 9 vs 11 vs 21–25 yr olds, 18501
differences in susceptibility to blending illusion & lip-reading of words & cliche sentences, 19–32 yr old native Hebrew vs native English speakers, 7130
duration & fundamental frequency correlates of syntactic phrase boundaries & other prosodic information in interpretations of ambiguous phrases, 5 vs 10 yr olds vs adults, 25755
dynamic vs summary features of vocal fundamental frequency, statistical discrimination of pragmatic categories of infant directed speech, 4 mo olds & their mothers, 7245
early phonological discrimination skills, later phonological skills & receptive language ability, 3–5 yr olds followed since infancy, 7283
encoding of phoneme & rate information & talker characteristics during speech perception, adults, 41042
evaluation & activity & potency dimensions of speech perception, speeded lexical decisions about emotion words heard in meaning-congruent vs incongruent tone of voice, college students, 28812
evaluation of acoustic cues for perception of Dutch prevocalic stop consonants via simulation of perceptual data & modeling of cue integration in perception of stimuli, 17870
evaluation of sets of acoustic cues for perception of prevocalic stop consonants, college students, Netherlands, 17869
extended exposure to authentic spoken English, perceptual mastery of English /r/ and /l/, Japanese 26–48 yr olds, 684
facial orientation & congruency of visual & auditory speech signals, visual & audiovisual speech perception, 18–30 yr olds, 25222
fixed coefficient vs adaptive system algorithms for short microphone array in hearing aid applications, speech intelligibility in noise, hearing impaired listeners, 27562
FO dependence & number of alterations of formants, identification of vocalizations of German vowels, children & adults, 3376
formant synchrony & coherence masking protection in vowel identification thresholds, listeners, 21302

formant transition duration, ability to identify place of articulation of stop consonants, normal vs hearing impaired adults, 39597
format of mental representation of recognized words in early receptive lexicon, 10–11 mo olds, 22014
frequency discrimination & speech recognition at various formants, patients using Ineraid cochlear implants, 13149
frequency following response participant & word probability & category cues with words, evaluation of speech evoked frequency following responses, female 21–22 yr olds, 14928
frequency importance functions for words & sentences & continuous discourse in low & high pass filtering & signal-to-ratio conditions, 18–35 yr olds with normal hearing, 222
fundamental frequency & formant structure spectral continuity, vowel length effect, college students, 17854
fundamental frequency of phonation measures, perceived emotional stress in natural speech, college students, 37681
general processing tree models for measuring latent cognitive processes in factorial categorization & application to speech perception data, conference presentation, 34083
hearing with vs without lip-reading, vowel & consonant intelligibility, French-speaking adults, 6266
high variability perceptual training program, aquisition of the English /r/–/l/ perceptual contrast & production, Japanese adults, 37663
identification of stop releases with bursts as cues to stop place & without knowledge of following vowel, college students, 10649
importance of emotional connotation dimensions of evaluation & activity & potency in speech perception & access of words from general lexicon, college students, 37731
inhibition in spoken word recognition, 17–21 vs 62–80 yr olds, 21451
integration & organization of speech percepts for phonemic restoration of dichotically presented words, adults, 10656
intelligibility of DECTalk synthesized speech delivered in noise vs quiet, native & nonnative English speakers, 29685
intelligibility tests with hearing impaired listeners & self-ratings of ability to communicate with such listeners, speech clarity, adult speakers experienced with communicating with hearing impaired, 27062
intonation & affective prosody perception & comprehension with vs without semantic cues, 43–82 yr olds with right vs left cerebral infarctions, Canada, 23448
judgment & measurement of stuttering patterns in own vs others' speech, adult stutterers vs nonstuttering observers, 39340
keyword tone & intonation & sentence position, fundamental frequency contours, young vs older right or left brain damaged nonaphasic vs fluent aphasic vs nonfluent aphasic Thai speakers, 34161
knowledge of Cantonese, spoken word processing of lexical tone in Cantonese, college students, Hong Kong & Netherlands, 21961
lexical activation & phonemic percepts within restoration & adaptation tests, adults, 28883
lexical inhibition & attentional allocation during speech perception, undergraduates, conference presentation, replication, 34168
lexical knowledge & perceptual migration of linguistic units between 2 auditory stimuli presented simultaneously, word recognition, college students, 21307
lexical neighborhood vs lexical status, phonetic word perception, young adults, 28799
linear predictive coding parameter manipulation & synthesis of misarticulated /r/, judgments of utterance correctness, 7.1–13.9 yr olds with phonological disorders & speech student & pathologist, 1477
lipreading & remedial language therapy, prespeech & speech perceptual processes & auditory discrimination at phonemic level, 73 yr old with aphasia, case report, 24357
localization of brain areas involved in auditory speech perception & lipreading & viewing nonlinguistic facial movements, auditory cortex activation, right handed adults, 28786
loudness vs level of consonant vowel salience, perceptual evaluation of temporal modifications in speech, adults, test of loudness & CV models, conference presentation, 37673
migration paradigm for detection of illusory words in spoken word recognition research, 28795
mismatch negativity component of auditory ERP & its use to study maturation of auditory discrimnation & sensory memory mechanisms & speech perception, infants, 34778
models of speech perception & phonological processing in reading, 8.0–10.8 yr olds, replication, 11365
modification of temporal envelopes as function of ripple density of frequency bands, spectral contrasts in speech perception, listeners, 10654
neural model of harmonic interference cancellation in concurrent vowel identification, 37666
number & spatial location of concurrent utterances, utterance identification in cocktail party problem, adults, 17872
organization of speech production based on articulatory vs acoustic & auditory goals, articulation in speech perception, commentary, implications for role of linguistic knowledge, 17871
organization of speech production based on articulatory vs acoustic & auditory goals, articulation vs linguistic processes in speech perception, commentary, 17865
organization of speech production based on articulatory vs acoustic & auditory goals, articulation processes in speech perception, 17853
parameters of speech production in automatic speech recognition, 29678
perception & imitation & identification & serial ordering of stop consonants, 6–10 yr olds with vs without expressive &/or receptive language impairment, 1479
perception of familiar vs novel extraneous noises occurring at different junctures within synthetic syllable strings, 6 & 9 mo olds, 18496
perception of rhythmic units in speech, 7 vs 9 mo old infants vs adults, conference presentation, 34794
perception of sex & identity of speaker in sine-wave utterance replicas, listeners, 41040
perceptual differences with dual vs single electrode stimuli & effects on speech perception, Ss with cochlear implants, 13160
perceptual salience of acoustic changes caused by perturbation of articulation, auditory identification & speech quality rating task, 18–28 yr old female listeners, 25212
perceptual structure of pathologic voice quality, expert listeners, 16252
perceptual weighting of acoustic properties relevant to fricative & vowel judgments in speech perception, 3 vs 4 vs 5 vs 7 yr olds vs adults, 38329
performance on auditory & visual speech perception tests as assessed with individual differences methodology, college students, 21317
phoneme monitoring paradigm for speech perception & spoken word recognition research, 28787
phoneme restoration paradigm for spoken word recognition & auditory illusion research, 28805
phonemic stress perception & pattern processing & identification of linguistic & affective prosodic cues, 62–73 yr olds with Parkinson's disease without intellectual or language impairment, Canada, 16360
phonetic & phonological & experimental & anecdotal evidence refuting hypothesis that speech perception involves recovering articulations that generate acoustic signals, 17860
phonetic & phonological & experimental & anecdotal evidence refuting hypothesis that speech perception involves recovering articulations that generate acoustic signals, commentary, 17861
phonetic & phonological & experimental & anecdotal evidence refuting hypothesis that speech perception involves recovering articulations that generate acoustic signals, commentary, 17852
phonetic categorization paradigm for speech perception & spoken word recognition research, 28796
phonetic information from familiar talkers vs sinewave replicas with eliminated natural voice quality & preserved idiosyncratic phonetic variation, talker identification, 30–74 yr olds, 28804

phonological awareness & phoneme identification, dyslexic vs CA matched vs reading level matched children in grades 2–10, conference presentation, 42633
pitch memory for speech vs nonspeech sounds, brain regions activated by pitch comparisons, French speaking adults, 21313
point-light technique of reduced visual images of actor's face, perception of augmented degraded speech, college students, implications for telecommunications, 14494
presence & intensity of distractor voice, selective attention to target voice, infants (mean age 7.5 mos), 11378
presence of internally structured perceptual categories in consonantal contrast, 3–4 mo olds, 11371
presence of random speech band noise & time-rate alteration of speech, speech intelligibility, Ss, application of pitch-adaptive algorithm, 25233
psychoacoustical evaluation of pitch-synchronous overlap-and-add speech-waveform manipulation technique using single-formant stimuli, 25 & 27 & 35 yr olds, 37674
pure vs noise-induced temporal modulation reduction, sentence intelligibility & speech reception threshold, 19–27 yr olds, Netherlands, 28800
recognition of code switched words in speech, Chinese-English bilingual college students, Hong Kong, 14564
relative alpha desynchronization & synchronization during speech perception, 21–36 yr olds, 38019
relative intensity & attenuation of formant transition segments, identification of diphthongs, normal hearing vs hearing impaired adults, 17858
relative spectral change & formant transitions as cues to labial & alveolar place of articulation in identification of /b/ & /d/ initiated syllables, college students, 17850
repeated testing on phonemic fricative identification task, speech perception vs production, 21–29 mo olds, 740
right hemisphere in psychoacoustic processing underlying discrimination of voiced vs voiceless cues, research review, 21707
segmentation of words from fluent speech based on statistical relationships between neighboring speech sounds, 8 mo olds, 29824
segmentation of words from fluent speech based on statistical relationships between neighboring speech sounds, 8 mo olds, commentary, 29761
selected cognitive factors, changes in speech recognition, 18–40 vs 65–76 yr olds with vs without hearing loss, 31927
sensitivity to Japanese moraic nasals via phoneme detection task, college students & 18–30 yr olds, Japan vs Netherlands, 17862
sequential vs pitch-based electrode ordering, electrode discrimination & pitch ranking & pitch scaling in speech perception, postlingually deaf adults with cochlear implants, 33118
single-band syllabic amplitude compression, temporal information in nonsense syllables & sentences, 21–36 yr olds, 21315
single-channel syllabic compression, use of temporal speech information, 34–76 yr olds with mild or severe hearing loss vs normal hearing, 23513
situational context & message predictiveness & use of gestures & familiarity with speaker & audio &/vs video presentation, intelligibility of dysarthric sentences, male vs female 18–30 yr olds, 1475
slow wave ERPs as measure of auditory processing of sentences with subject-object vs subject-subject relative clauses, 18–35 yr olds, 29432
speaker characteristics & speaking rate & speech amplitude, spoken word recognition, younger normal hearing vs normal hearing vs hearing impaired elderly, 39596
speaker rate & pitch, recall of information & perception of benevolence & competence, college students, 11278
spectral balance vs intensity in reverberant vs nonreverberant speech, perception of linguistic stress, adults, Netherlands, 28807
spectral restoration, perceived intelligibility of speech in noisy conditions, listeners, 21316
speech discrimination, auditory ERPs & mismatch negativity, healthy preterm infants, Finland, 18471
speech input, activation of words embedded in words in spoken word recognition system, adults, Netherlands, 28895
speech intelligibility assessment method based on consistency among speech parameter vectors, implications for human performance on perception of filtered speech, 17863
speech recognition thresholds & auditory enhancement & suppression, speech recognition in noise, 20–53 yr olds with normal hearing, 21314
speech-specific failure in phonological representation vs general deficit in auditory temporal processing, speech perception, reading-impaired 2nd graders, 23185
speech speed & frequency, perception of stop consonants, males (mean age 15.1 yrs) with dyslexia, 42635
spoken word recognition on speech gating task & relation to phonemic awareness & reading, reading disabled 6–14 yr olds, 23184
stimulus modality & sentence type & context, lipreading with vs without auditory low-frequency supplement, college students, Sweden, 25657
stimulus onset asynchrony, perception of visual & auditory speech, 18–22 yr olds, implications for fuzzy logic model of perception, 14490
talker & rate changes in highly compressed speech, perceptual adjustment, young adults, 28789
technique for analysis of hierarchical structure of phonetic factors in discourse, adults, 28808
theoretical & empirical evidence for double weak theory of speech perception, adults, conference presentation, 37679
theories & simulation of distributional regularity & phonotactic constraints in segmenting speech into words, children, 18468
thresholds for increments & decrements to central component of tone complexes & spacing & density, across channel level comparisons of speech pitch cues, adults, 25217
timing & pitch prosodic acoustic cues, identification of linguistic units in mother speech, 13–14 mo old females & their American English vs Japanese speaking mothers, 25746
upright vs inverted facial orientation, perception of natural-speech auditory & computer-animated visible & bimodal syllables, college students, test of fuzzy logical model of speech perception, 17856
upward spread of masking & speech recognition under low frequency gain reduction, 25–72 yr olds with vs without hearing loss, 31923
use of ARTPHONE neural network model for rate-invariant phonetic perception to quantitatively explain difficult psychometric data about variable-rate speech categorization, 28338
varied pitch & amplitude in utterances, perception of glottal stops, college students, 14561
visible speech sound stimuli, dominance of left vs right hemisphere mechanisms for processing photographs of different views of speaking faces, right handed college students, Netherlands, 10931
visual gesture &/vs auditory stimuli, speech perception & listening comprehension, aphasic patients, 8638
voice extract length & variation, recognition & short & long term memory for familiar voices & words spoken, Ss, 28947
vowel context & acoustic parameters, perceptual relationship & similarities between Korean vs English consonants in consonant-vowel syllables, 21–38 yr old Korean listeners, replication & extension, 25658
vowel set presentation, discrimination & identification & serial ordering of similar vs dissimilar vowels, 6–10 yr olds with vs without language impairment, 1478
weighting of acoustic parameters in speech perception & phonemic awareness, 7.8–8.9 yr olds with low SES &/vs chronic otitis media, 23511
word identification in noise paradigm for spoken word recognition & speech perception research, 28801
word monitoring paradigm for spoken or visual word recognition research, 28864
word spotting & rhythmic characteristics, perceptual segmentation of words, undergraduates, Netherlands, 14572

Speech Pitch—Serials
child's speech pitch & apparent age, attention to voice & memory of verbal content, female undergraduates with high vs low perceived control, 42010
dynamic vs summary features of vocal fundamental frequency, statistical discrimination of pragmatic categories of infant directed speech, 4 mo olds & their mothers, 7245
fundamental frequency of phonation measures, perceived emotional stress in natural speech, college students, 37681
hydration vs dehydration, physiological & psychological measures of phonatory effort, adults, 6275
intonation training through regular methods with vs without Intonation Meter, improvement of production of intonation patterns, prelingually & profoundly deaf 6–7 vs 9–11 yr olds, Netherlands, 37683
knowledge of Cantonese, spoken word processing of lexical tone in Cantonese, college students, Hong Kong & Netherlands, 21961
perceptual identity & spectral differences of German high-pitched vowels in isolated vocalizations, males & females & children, 37677
speech pitch height & range in ordinary & play situations, German-speaking mothers & their 11–12 mo olds, 4 mo followup, 11277
speech speed & frequency, perception of stop consonants, males (mean age 15.1 yrs) with dyslexia, 42635
thresholds for increments & decrements to central component of tone complexes & spacing & density, across channel level comparisons of speech pitch cues, adults, 25217
timing & pitch prosodic acoustic cues, identification of linguistic units in mother speech, 13–14 mo old females & their American English vs Japanese speaking mothers, 25746
Speech Processing (Mechanical) [See Also Automated Speech Recognition, Compressed Speech, Filtered Speech, Synthetic Speech]—Serials
cepstral domain representation derived from forward masking model, functional model of time frequency masking, 11254
experimental variations of intonation & speech rate using reproduction of acoustically presented interrogative sentences, speech rate & fundamental frequency, adult stutterers vs nonstutterers, 39333
modifications emphatic stress patterns, language processing, children, implications for language intervention, 38344
SpeechLab digital speech signal processing program, 37295
uniform vs topic tailored conversational perspective structures, speed of storage & retrieval of utterances, 20–53 yr olds, implications for augmentative & alternative communication systems, 17004
voice output communication aid training, acquisition & use of communication skills, adults with profound physical & mental disabilities, 13499
Speech Rate—Serials
articulation rate & memory performance in verbal & visuospatial tasks, 19–36 yr olds, UK, 6343
clinical profile of speech & prosody-voice & causal-correlates characteristics in developmental phonological disorders, 3–6 yr olds with delayed speech, 8437
duration characteristics of single-syllable whole vs part-word repetitions in speech, 25–47 mo old stutterers, 8441
encoding of phoneme & rate information & talker characteristics during speech perception, adults, 41042
experimental variations of intonation & speech rate using reproduction of acoustically presented interrogative sentences, speech rate & fundamental frequency, adult stutterers vs nonstutterers, 39333
F2 transitions & coarticulation characteristics in fluent utterances, adult male stutterers, 23228
gesture restriction & lexical access difficulty, fluency & frequency of pauses in speech production with spatial vs nonspatial content, adults, 15143
grammatical complexity & speech rate & repetition of sentences, sentence comprehension, patients with Alzheimer's disease (mean age 72 yrs), 23475
intensive smooth speech vs intensive EMG feedback vs home-based smooth speech vs no treatment, stuttering percentage & speech rate & naturalness, 9–14 yr old stutterers, 1 yr study, 2093
interspeaker variation in habitual speaking rate, 18–35 yr olds, test of neuromuscular vs sociolinguistic hypotheses, 41581
judgments of disfluency & frequency of occurrence of disfluencies & speaking rate & articulation time in speech of females with vs without spasmodic dysphonia, normal listeners, 39334
lecture rate, comprehension & perceived topic importance, college students, 33424
long term memory & rehearsal rate, memory span performance & speech rate, older vs younger adults, 6390
memory span & naming time & speech rate for words & digits, 8–11 yr olds, 15240
methodological issues on speech rate & its effects on stuttering frequency, 18–52 yr olds, commentary reply, 21207
methodological issues on speech rate & stuttering research data, 18–52 yr old stutterers, commentary, 23221
normal & fast speech rates & delayed vs non-altered auditory feedback conditions, stuttering frequencies, 18–52 yr olds, 16203
presence of random speech band noise & time-rate alteration of speech, speech intelligibility, Ss, application of pitch-adaptive algorithm, 25233
prolonged speech treatment, percent syllables stuttered & speech rate & naturalness, 10.7–41.6 yr old stutterers, Australia, longitudinal study, 2096
semantically & phonologically related vs unrelated distractors, speech onset time of noun phrases & sentences, college students, Netherlands, 255
speech rate reduction, speech & pause characteristics, 56–77 yr old speakers with hypokinetic dysarthria due to Parkinson's disease, 17000
speech speed & frequency, perception of stop consonants, males (mean age 15.1 yrs) with dyslexia, 42635
stuttering severity & speech kinematics, intersyllabic movement timing durations in fluent speech, 21–46 yr old stutterers in speech treatment, 8432
temporal control of repetitive articulatory gestures, oral diadochokinesis with internal & external cues, 55 & 74 yr olds with Parkinson's disease, 19584
use of ARTPHONE neural network model for rate-invariant phonetic perception to quantitatively explain difficult psychometric data about variable-rate speech categorization, 28338
use of prosody & duration & intonation, interpretation of syntactically ambiguous phrase & pictures, 5 vs 7 yr olds vs college students, 11256
verbosity & syntactic complexity & pausing in speech, adults with bipolar disorder who were in manic episodes vs schizophrenia, 38904
working memory capacity, speech rate effect on spoken sentence comprehension, 67–77 yr olds with Alzheimer's disease, 42838
Speech Rhythm—Serials
acoustic rate of change, perceptual center location in consonant–vowel vs vowel–consonant syllables, listeners, 21304
consonant & syllable variation, discrimination & categorization of word stress patterns, 48–72 hr old newborns, Italy, 15249
lexical familiarity & meter, syllabic function morpheme omissions, 25–28 mo olds, 21996
perception of familiar vs novel extraneous noises occurring at different junctures within synthetic syllable strings, 6 & 9 mo olds, 18496
perception of rhythmic units in speech, 7 vs 9 mo old infants vs adults, conference presentation, 34794
Speech Therapists—Serials
clinician &/vs parent intervention, grammar facilitation, 3.7–5.8 yr olds with problems in expressive grammar, 5 mo followup, 27808
collaboration with teachers within a psycholinguistic program by speech & language therapists, 5 & 8 yr old students with phonological disorders including dyspraxia, 5720

efficacy of group for facilitators working with clients on early communication skills in augmentative & alternative communication program, 12–21 yr old clients, 9655
interactions with normal hearing S simulating hearing loss, learning effective & clear communications skills, student clinicians, 24479
language sample analysis as assessment practice, speech pathologists working with preschool age children, 40201
methods of & reasons for collaboration, teachers & speech therapists working with 3–11 yr olds with communication problems, England, 5726
opinions about role & performance & academic preparation of speech language pathologists, special education teachers & elementary school principals & school psychologists, 13631
understanding of counseling & teaching vs counseling activities, 1st- vs 4th-yr students vs new vs experienced speech & language therapists, 20474
WHO vs alternative & augmentative communication models in development of situated pragmatics approach & effects on work of speech language pathologists, children with severe communication disorders, 20365

Speech Therapy—Serials

activation & deactivation in left vs right hemisphere during simple language tasks vs repetition of melodic intonation therapy loaded words, 40–58 yr olds with persistent post-stroke nonfluent aphasia, 20364
breath control & slowed speech rate & easier onset of articulation & increased awareness of speech as therapy treatment goals, adult male who stutters & clutters, case report, 17005
clinician &/vs parent intervention, grammar facilitation, 3.7–5.8 yr olds with problems in expressive grammar, 5 mo followup, 27808
computerized visual communication system single sentence production training, multisentence production, nonfluent aphasic adult males, 36823
consultative & direct service roles as tutoring alternatives & strategies for functional classroom intervention by speech language pathologists, children with language disorders, 20665
conversational written forms, collaborative therapy partnerships with speech language professionals, clients, socio-political implications, 9654
delayed auditory feedback as treatment, cluttering, 12 & 16 yr old males, case report, 17003
duration of vocalizations & length of utterances in speech therapy conversations, dyads of 12.2–15.6 yr old hearing-impaired adolescents & speech pathology students, Australia, 24347
effectiveness of semantic vs phonological tasks in therapy for aphasic naming disorders & success in therapy, literature review, 17002
efficacy of speech & language intervention, individuals with cognitive communicative disorders resulting from traumatic brain injury, 24348
efficacy of speech & language therapy, patients with aphasia, meta analysis, commentary reply, 33121
efficacy of speech-language interventions, stuttering, children & adolescents & adults, 24349
efficacy of speech-language treatment, patients with dysarthria resulting from Parkinson's disease or traumatic brain injury or cerebral palsy or amyptrophic lateral sclerosis or stroke, 24363
efficacy of speech rehabilitation, patients with aphasia, 24352
factors in nonverbal involvement in speech therapy conversations, hearing impaired adolescents & speech pathology student dyads, 9648
family therapy techniques in speech and language therapy, 26–71 yr old aphasic patients & their families, 27811
fluency shaping program, speech kinematics, 30–45 yr old male stutterers, 24360
functional approach to intervention using storybook reading as communicative context, children with phonological disorders, 20366
imitative vs conversational recasting treatment, acquisition of grammar targets, 4.7–6.7 yr olds with specific language impairment vs normal language 2.2–4.2 yr olds, 2095
inclusion of prosody in management of language impairment, children, 40200
intensive smooth speech treatment program, speech & psychological status, 21 yr old male who stutters & clutters, 16999
intensive smooth speech vs intensive EMG feedback vs home-based smooth speech vs no treatment, stuttering percentage & speech rate & naturalness, 9–14 yr old stutterers, 1 yr study, 2093
intensive treatment program, attitude change & social skills development & speech fluency, 11–36 yr old stutterers, 12–24 mo followup, 9650
intonation training through regular methods with vs without Intonation Meter, improvement of production of intonation patterns, prelingually & profoundly deaf 6–7 vs 9–11 yr olds, Netherlands, 37683
lipreading & remedial language therapy, prespeech & speech perceptual processes & auditory discrimination at phonemic level, 73 yr old with aphasia, case report, 24357
methods for determination of culturally appropriate augmentative & alternative communication & other speech/language services, children, 33119
physiology & phonology of use of negative intraoral air pressures & vowel based deviations & speech therapy, deaf 6.5–9.2 yr olds with cochlear implants, 23504
prolonged speech treatment, percent syllables stuttered & speech rate & naturalness, 10.7–41.6 yr old stutterers, Australia, longitudinal study, 2096
provision of communication systems & strategies, changes in communication with disease progression, clients with amyotrophic lateral sclerosis/motor neuron disease, 9651
remediation, communicative competence, language-impaired 5–6 yr olds, South Africa, 24353
role of stimulability in treatment & assessment, 3.2 yr old male with persistent sound system disorder, 5437
semantic therapy using word-to-picture matching tasks, word production & retrieval deficits, patients with aphasia, 24358
speech rate reduction, speech & pause characteristics, 56–77 yr old speakers with hypokinetic dysarthria due to Parkinson's disease, 17000
storybook reading as activity for language stimulation & milieu for intervention, preschool children with speech & language impairments, reading list appended, 20367
stuttering therapy program, 18–42 yr old males who clutter & stutter, 17001
successful maintenance & attitude change programs, fluent speech, 18–38 yr old stammerers, 2 yr study, 24359
training in phonological & semantic & syntactic processing skills in spoken language, reading accuracy & comprehension ability, 10–12 yr old primary school students with reading disabilities, 13832
treatment program to expand phonetic inventory by teaching stimulability, 3.3 yr old female with phonological disorder, 5436
use of educational evaluation methods to assess effectiveness of speech & language therapy in schools, 24356
vocal instruction & Visi-Pitch feedback, speaking fundamental frequency range & vocal intensity & pause time & verbal intelligibility, aphasic & dysarthric 64 & 70 yr olds, case reports, 16998
voice &/vs respiration speech treatment, disease related speech & voice deficits, Parkinsons disease patients, 6 & 12 mo follow ups, 20368
WHO vs alternative & augmentative communication models in development of situated pragmatics approach & effects on work of speech language pathologists, children with severe communication disorders, 20365

Speechreading [See Lipreading]
Speed [See Velocity]
Speed (Response) [See Reaction Time]

Spelling—Serials

Add-A-Word Program vs traditional basal program, spelling performance & vocabulary retention, 5th–6th graders, 24581

amodal graphemic vs abstract letter-form representations, letter substitution errors in written spelling, brain damaged 64–75 yr old dysgraphic males with intact oral spelling, 39543
analytic & synthetic phoneme training, cognitive abilities predicting growth in explicit phonological awareness & reading/spelling skills & verbal ability, kindergartners, 9899
critical vs multiple difference matching to sample discrimination training, selection & spelling of words with initial consonant clusters, 4.4–7.0 yr olds, 33379
development of concept of word in writing & relationship to developing spelling ability, 1st graders, 5654
Directed Spelling Thinking Activity for teaching spelling, learning disabled students, 9973
dysgraphia in dementia of Alzheimer's type, adults, 31797
early-acquired knowledge of letter names, spelling, kindergartners & first graders, implications for role of syllables in early writing, 28022
error correction strategy vs repetition of word writing, spelling performance & satisfaction with procedure, 4th–5th graders with emotional &/or learning disabilities, 2226
familial aggregation of spelling disability, children (mean age 11.2 yrs) & their 1st degree relatives, Germany, 12437
feedforward & feedback consistency of spelling & phonology in French monosyllabic words, 15149
final consonant cluster omissions in words ending in same vs different morphemes, kindergartners through 4th graders, 7285
individual community-based tutoring, phonological & early reading & spelling skill achievement, at-risk 4th graders, 37123
individual differences & lexical & sublexical patterns of reliance in spelling vs reading, 7–10 yr old 3rd graders, 21999
latent factors in handwriting & spelling & composing analyzed by structural equation modeling, 1st–6th grade students, 24609
management of reading & spelling problems, children & adults, bibliography, 31456
matching to sample & stimulus equivalence of printed words & pictures, reading & spelling generalization, nonreading 7.5–10.8 yr old 1st graders, Brazil, 17224
morphemic units as output of orthographic lexicon, 45 yr old male with brain injury, 12578
morphological spelling strategies, 2nd- vs 3rd- vs 4th-graders, England, longitudinal study, 38330
non word decoding skills & phonological & morphological awareness, spelling ability & comprehension, learning disabled vs regular 9th & 10th graders, 17177
oral vs written spelling, patients with Alzheimer's disease, 1566
phonemic segmentation vs rhyme sound categorization vs alliteration sound categorization vs onset-rime segmentation, reading & spelling ability, 5.4–9.4 yr olds, England, 25770
phonological awareness & IQ, reading & spelling skills, nonspeaking 14–20 yr olds with cerebral palsy, Sweden, 16371
phonological difficulties & reading & spelling skills, 6.5 yr old female, 40 mo study, implications for role of phonological processes in learning to read, 12439
phonological dyslexia vs dysgraphia, 27–53 yr olds with infantile or childhood left vs right hemispherectomies, New Zealand, 1610
phonological mediation of reading & spelling, male stroke patient with impaired speech production, case report, England, 36039
phonology & dialect, spelling, 6–10 yr old speakers of General American vs Southern British English, US vs England, 34834
prediction of reading & spelling deficits with cognitive vs language vs behavioral assessments, 8–13 yr olds with psychiatric disorders at day treatment & school, 5367
self-correction procedure, acquisition & maintenance & generalization of written spelling, 7–13 yr old students receiving remedial tutoring for spelling & written language deficits, 33547
Sing, Spell, Read, & Write program in schools differing in SES & racial makeup & standardized achievement scores, reading & writing & spelling achievement, K–2nd graders, 24549
spelling checkers, spelling performance, 5th–8th graders with learning disabilities, 13845
spelling errors of dictated common English words, Spanish speaking vs English speaking 2nd–3rd & 5th–6th graders, implications for cognitive theory of orthographic transitioning, 15215
spelling-sound consistency, naming of high-frequency words, college students, Canada, conference presentation, 28860
spelling strategy with vs without attribution training, spelling recall & effort attributions, learning disabled 7th–8th graders, implications for motivation, commentary, 20654
spelling strategy with vs without attribution training, spelling recall & effort attributions & strategy transfer, learning disabled 7th–8th graders, 20653
threatening vs emotional nonthreatening spelling of homophones, high vs low trait anxiety adults, 11749
traditional vs error correction teaching strategy using English vs Spanish words, spelling accuracy, 6th & 7th graders with vs without learning disabilities in bilingual migrant education program, 33438
use of analogies & priming effects, automatic activation of sound-letter knowledge in spelling, 6–7 yr olds, 13754
word frequency & lexicality, sound to spelling transcription & spelling procedures, French-speaking 2nd–5th graders with reading disabilities, 12363

Sperm—Serials
arrest of female co-evolution, increased remating & toxicity of seminal fluid as adaptation to static female phenotype & reduction of fitness, male Drosophila melanogaster, letter, 3035
correlations between directional asymmetry in testes size & song repertoire size & sperm features, male sedge warblers, Hungary, test of phenotype-linked fertility insurance hypothesis, 34484
genetic similarity & mate & sperm selection, female Swedish sand lizards, 25419
number of copulations & presence vs absence of 2nd male, sperm release & storage, spiny orbweaving spiders, 25398
patterns of mating behavior & sperm precedence, Arctic ground squirrels, 29142
sperm allocation & fertilization rates & production, bucktooth parrotfish, Puerto Rico, 10863
sperm depletion vs recent mating & food deprivation, resistance to mating, female water striders, 6503
variation in sperm precedence between & within Ss during mating, individual differences in fertilization success, male flies, 37904

Sperm Donation [See Tissue Donation]
Spider Phobia [See Phobias]
Spina Bifida—Serials
active vs passive mobility & choice training, memory for locations visited, children with vs without spina bifida or cerebral palsy (mean age 7.2 yrs), 42820
individual & parenting & marital functioning & gender-related psychosocial variables, parents of 8–9 yr olds with vs without spina bifida, 26868
parent's perceptions of disablities & functional needs, 5–18 yr olds with myelomeningocele vs meningocele, 31805
social skills training, self concept & perceptions of support from close friends & classmates & loneliness, withdrawn & unpopular 8.6–14.6 yr olds with cerebral palsy or spina bifida, 6 mo followup, 37104

Spinal Column—Serials
fast vs slow floor to knuckle vs knuckle to shoulder lift range, maximum acceptable weight of lift & moment about the lumbar spine, college students, 41046

Spinal Cord [See Also Dorsal Horns, Dorsal Roots, Extrapyramidal Tracts, Lumbar Spinal Cord, Pyramidal Tracts, Spinothalamic Tracts]—Serials
anesthetic agents, suppression of afferent & neuronal activity in spinal cord & formalin induced c-Fos immediate early gene, 3 day old rats, implications for pediatric anesthesiology, 11230

causes & detection of spinal pain, implications for diagnosing malingering, 31593
chronic infusion with spinal morphine, release of amino acids before vs during antagonist precipitated withdrawal, rats, 11148
efficacy of epidural steroid injections for low back pain & evaluation of quality of research methods, literature review, 5194
estradiol & progesterone, effect of kappa receptor specific opioid antagonists vs agonists on antinociception, female rats with hormone simulated pregnancy, 29265
etiology & ambulatory & general outcome features, patients with ischemia & infarction of spinal cord, 19596
intrathecal prostoaglandin E1, allodynic &/vs hyperalgesic state in sensory processing pathways at spinal level as seen in responses to somatic & visceral stimuli, male rats, 3092
legshock CS paired with tailshock UCS, tail-flick antinociception as associative learning vs pairing-specific enhanced sensitization vs protection from habituation in spinal conditioning, male rats, 14844
local anesthesia, relationship of reorganization of receptive fields of nucleus gracilis neurons to reorganization of somatosensory cortical maps, rats, 14868
noxious cutaneous thermal stimuli, release of endogenous substance P in spinal cord, male rats, 41302
peripheral inflammation induced by paw formalin injection vs thermal stimulation with vs without zinc, role of carbon monoxide in spinal nociceptive transmission, male rats, 29394
role of spinal cord neurons in proposed swimming model, lampreys, 21619
spinal cord transection at thoracic vs lumbar levels & bilateral transection of vagus nerves, pupil dilatation & alteration in vocalization threshold to vaginocervical mechanostimulation, female rats, 10966
spinal learning, rats, 34547
spinal neurotensin & MK 801, associative vs nonassociative morphine analgesic tolerance, male rats, 18294
use of ECT with prior Harrington rod implementation, 50 yr old depressed female with spinal disease, case report, 23529

Spinal Cord Injuries [See Also Whiplash]—Serials

age & sex & race & level of injury, self perceived reasons for unemployment, Caucasian vs Black vs Native American 18–59 yr olds with spinal cord injuries, 12462
bilateral tendon transfers & unilateral implementation of the FreeHand system, occupational performance, 17 yr old male with spinal cord injury, 27798
educational participation & performance & accommodations, 4+ yr old students with spinal cord injury or disease, 40479
efficacy of sexual rehabilitation services, 25–48 yr olds with spinal cord injury, 27771
electronic music program during physical occupational therapy, performance & promotion of self esteem & emotional expression & peer support, clients with spinal cord injury, 2089
experiences of vertebral fractures, 58–86 yr olds with postmenopausal osteoporosis, 4556
factor analysis of Brief Symptom Inventory item responses, psychological assessment, rehospitalized vs non-rehospitalized 18–70 yr old spinal cord injury patients following rehabilitation, 83
hyperacute allodynia, male 75 yr old with Schneider's syndrome, case report, 31744
intercorrelation of positive transition to employment & enhanced adjustment to life after injury, adults with spinal cord injuries, 11 yr followup, 12632
life & residential satisfaction, self concept & locus of control & autonomy in daily activities choice, urban dwelling 18–35 yr olds with spinal cord injuries, 12587
life satisfaction & adjustment & problems after spinal cord injury, male vs female vs Caucasian vs minority adults, 36103
life satisfaction & adjustment & problems, gainfully employed vs unemployed student vs unemployed nonstudent outpatients with spinal cord injury (mean age 38.8 yrs), 39380
nature & prevalence of health risks, 18+ yr olds with spinal cord injuries, Canada, 16355
neurotrophin-3 cellular administration, corticospinal axonal growth & motor functioning, rats with spinal cord injury, 41322
nontraumatic vs active vs passive traumatic onset, MMPI-2 profile, spinal cord injured patients, 1494
perceived avoidability & attributions of causality & judgments of blame, patients with accident-induced spinal cord injury, 8580
postinjury personality traits & employment status & productivity, 18–60 yr old patients with traumatic spinal cord injuries, 39519
postinjury vocational achievements, people with spinal cord injuries, Australia, 19587
prevalence of psychiatric disorders, veterans with vs without spinal cord injuries, 1615
reflex & staircase descent & horizontal ladder crossing & treadmill & overground locomotion, rats with fetal spinal tissue transplant & spinal transection vs spinal transection alone vs no operation, 34563
social work advice, employment & finances & home situation needs & mental health status, patients attending tertiary neurosurgical chronic spinal clinic, England, 6–18 mo followup, 24197
spinal cord injury & sexual desire & activity & orgasm & arousal, females, 31628
suicidal plans, patients with spinal cord injury, 6 mo study, 16339
threshold for detection of thermal or tactile stimulation in painful vs nonpainful denervated skin areas, 23–72 yr olds with spinal cord injury and central dysesthesia, 19603

Spinal Fluid [See Cerebrospinal Fluid]

Spinal Nerves—Serials

bilateral sectioning of somatomotor vs viscerocutaneous branch of pelvic nerve, copulatory behavior, male rats, 473
depot neuroleptic medication, extrapyramidal side effects, 46 yr old female with paranoid schizophrenia, case report, 43182
noradrenaline, action potentials & excitability of dorsal root ganglion neurons, sciatic nerve-damaged male rats, implications for transmission of nociceptive information, 29497
optimal initial & supplemental dose of intrathecal morphine, pain, 3–10 yr olds undergoing selective rhizotomy, 24018
R-PIA or CGS 21680 with caffeine & 8-SPT vs CPT vs DMPX, allodynia induced by L5/L6 spinal nerve ligation, male rats, implications for management of human pain, 6966
somatosensory EPs in median nerve & relation to pathophysiology, adults with panic disorder, 26567

Spinothalamic Tracts—Serials

course & termination of spinohypothalamic tract neuron descending axons, rats, 25510
role of cutaneous nociceptors & spinothalamic neurons in spontaneous & touch evoked pain, 47 yr old male with phantom limb pain, case report, commentary reply, implications for neuropathic pain, 4500
role of cutaneous nociceptors & spinothalamic neurons in spontaneous & touch evoked pain, 47 yr old male with phantom limb pain, case report, commentary, implications for neuropathic pain, 4572
role of nitric oxide cGMP signal transduction system & inhibitory effects of periaqueductal gray in nociceptive processing by & sensitization of spinothalamic tract neurons, monkeys, 34554

Spiperone [See Spiroperidol]

Spirit Possession—Serials

cultural & anthropological & diagnostic & illness behavior aspects of Zar spirit possession, 43–56 yr old Ethiopian immigrants, Israel, 18715
Freudian vs interpersonal vs object relations concepts of primitive anxiety & relation to delusions of demonic influence, patients with borderline or schizophrenic disorders, 42211
modern mental health care system assessment & treatment vs cultural significance of patient symptoms, spirit possession & exorcism, male Bedouin psychiatric patient, Israel, 39856

possession & ethnopsychiatry as historical discourse, 17 yr old female, Western Samoa, case report, 16488
Spirituality—Serials
Adlerian psychospirituality, 38820
Africentric values & spirituality & demographics, drug knowledge & atttitude & use, African American 8.5–13 yr olds, 41683
Afrocentric approach to social & psychological services & principles of spirituality & collectivity, African American adolescent males at risk for delinquency, 43473
age vs sex vs ethnicity, spirituality in acceptance of death, adult home hospice patients, 5327
applicability of questions in Levenson locus of control scale & influence of spirituality, 70–99 yr old nursing home residents, 25957
child sexual abuse treatment program integrating spirituality & role of female therapists, male Roman Catholic priests or brothers, 36563
clinical integration of religious & spiritual beliefs & values & methods in psychotherapy, literature review, 36206
conceptual model of spirituality in Alcoholics Anonymous 12-step rehabilitation program, 13461
contribution of social work practice to care of people who are dying or bereaved & need for incorporation of spiritual dimension in practice, hospital social workers & bereaved & dying persons, 36715
convergence of spirituality & therapeutic practice, 8743
cosmobiological balance of emotional & spiritual worlds & phenomenological structuralism in traditional medical thought, China, 16719
cultural traditions & tribal history & spirituality in substance abuse prevention program, 19–49 yr old Native American students, 37136
deficiencies of sociomedical & producer & consumerist models vs ElderSpirit Centers as alternative paradigm based on Hindu principles of spirituality & development, older adults, 29993
development & factor analyses of Spiritual Assessment Inventory, measurement of spiritual maturity & awareness of & relationship with God, undergraduates, 25022
developmental psychology of trauma & spirituality, children experiencing violent trauma, 22968
difficulties in integrating spirituality into psychotherapy, 23653
effect of Islam on health care beliefs & practices & health related social & spiritual issues including relations between sexes & family structure, 11538
eye movement desensitization & reprocessing as therapy for trauma & psychospiritual potentials, 32167
inductive theory of content & function of religious & spiritual beliefs, 18–24 yr olds, 3584
integration of family systems theory & therapy with religious or spiritual or faith perspective, 36324
integration of politics & spirituality in sociospiritual approach of social work for substance abuse, 13310
Islamic spirituality, American Muslims, implications for counseling, 30056
issues in training to work with values & spirituality in current climate of amorphous values & culture wars, psychotherapists, 20419
Jungian-oriented group dreamwork, spiritual well being & purpose in life & social interest, 18–22 yr old students of religiously oriented college, 11796
life change, spiritual well being & psychological mood states, 17–28 yr old college students, 7716
models of sexual identity & development & concept of "2 spirit", lesbian & gay & bisexual Indigenous Americans, Canada, 11633
Native American spiritual beliefs & cross cultural counseling, 32046
nature & extent of spiritual thinking based on Alcoholics Anonymous philosophy, addiction treatment providers, 20477
prior experience &/or expectations or desirability of religious experience & relation to content of religious experience, 15–78 yr olds, 3483
psycho-spiritual characteristics of spontaneous & involuntary weeping, 14 historical & contemporary Christian writings & 3 females, conference presentation, 30479
psychological & spiritual functioning of pastors, literature review, 38497
psychological health in final stages beyond unity of creative process & religious experience, 1103
psychometrics of Sprituality Scale, Afrocultural perspective of spirituality, African- vs European-American college students, replication, 10401
psychopathology & weight loss criterion, importance & length of abstinence & spirituality, Overeaters Anonymous participants with current vs past obesity or other eating disorder, 32641
psychotherapy as cooperation with God & as eschatological work & as Spirit centered work in integration with theology, 27136
relationship with God & psychospirituality & understanding of developmental bonding in treatment, adult survivors of physical & emotional & sexual abuse, 12152
religious & spiritual dimensions of African American culture & their incorporation into counseling, African American clients, 32023
research methods in clinical psychospirituality, 18362
ritualization of vision & openness to expressions of numinosity in life of Ralph Waldo Emerson, implications for appearance of Transcendentalism in US, 18366
role in assessment of spirituality as coping behavior of patients with advanced cancer, social workers, 32890
role of experimental psychology in nurturing spiritual life & character formation, instructors & students, 9884
role of religion & spirituality in mental health, Maori people, New Zealand, commentary, 30058
role of religion & spirituality in mental health, Maori people, New Zealand, commentary, 30057
role of religion & spirituality in mental health, Maori people, New Zealand, 30071
role of spirituality in British vs US hospice system of care, literature review, 20256
Rule of Opposites based on meaning & cultural significance of circle & understanding of universal truths & spiritual symbolism of eagle feather, counselors & their Native American clients, 4776
spirit-focused conceptual model of nursing, implications for professional relationship between advanced pediatric nurse practitioners & their clients, 20401
spiritual & religious experiences & model for related counseling, gay males & lesbians, 32004
spiritual beliefs & role of spirituality in recovery from addiction, dually diagnosed inpatients with severe mental illness & chemical dependency & their nurses, 5415
spiritual disciplines in integration of psychology & Christianity inside & outside of consulting office as means of promoting change & growth, 36566
spiritual encounters with deceased children, grief process, bereaved parents of pediatric cancer patients, 39459
spiritual wellness & depression, implications for counseling & counselor education, literature review, 15929
spiritualism & materialism & cognitive patterns before vs after treatment, adults recovering from substance abuse, retrospective analysis, 5992
spirituality & experience of cancer, 50+ yr old African Americans successfully treated for cancer, implications for psychosocial interventions, 32618
spirituality & occupational therapy, 33105
spirituality & religiosity & personality traits & mental health, college students, 38501
spirituality as world view approach to alcoholism treatment, 33036
spirituality, daily occupations, implications for occupational therapy & science, Orthodox Jewish married couples in their twenties, 30061
spirituality, quality of life, Alcoholics Anonymous members, 33078
therapist's spirituality & therapist–patient interaction & couple therapy, 32190

traditional methods & paradigms of kairos time & psychological dynamics of friendship in Christ concept & spirituality, 30059
training in & incorporation of psychospiritual dimension, community mental health service delivery, Black & Latino clients & counselors, 43397
transpersonal movement & its relation to historical psychospiritual systems, Russia, 14190
transpersonal psychology & existential phenomenology & psychoanalysis in discovering sacredness in everyday life, 33–39 yr olds, 11791
tripartite model from application of B. J. Lonergan's analysis of human consciousness, spirituality as specialty within psychology, 22224
tripartite model from application of B. J. Lonergan's analysis of human consciousness, spirituality as specialty within psychology, commentary, 22227
tripartite model from application of B. J. Lonergan's analysis of human consciousness, spirituality as specialty within psychology, commentary, 22222
tripartite model from application of B. J. Lonergan's analysis of human consciousness, spirituality as specialty within psychology, commentary reply, 22225
validity of survey questionnaire, assessment of therapists' opinions & practices with regard to spirituality & therapy, 22–67 yr old US registered occupational therapists, 28605
Spiroperidol—Serials
cue properties of quinpirole & blocking capabilities of spiperone, dose response curve & time course of quinpirole discriminative stimulus & rebound, rats, 18302
Spleen—Serials
stress severity & strain differences & propranolol, splenic plaque-forming cell response, male mice, 6738
Split Brain [See Commissurotomy]
Split Personality [See Dissociative Identity Disorder]
Spontaneous Abortion—Serials
grief & depressive reactions following miscarriage, male vs female members of couples, 12 mo study, 4502
predictors of distress & psychological morbidity following miscarriage, implications for intervention, literature review, 4539
prevalence of psychiatric morbidity, 16–47 yr old Chinese females who had recently miscarried, Hong Kong, 38930
psychiatric & personality & social environmental & demographic & pregnancy-related risk factors for prediction of grief intensity, 19–41 women experiencing involuntary pregnancy loss, Netherlands, 35981
psychological debriefing, emotional adaptation, 19–42 yr old females with early miscarriage, 4 mo followup, 5167
psychological effects & psychiatric consequences of miscarriage, 1917–93, literature review, 4520
psychometrics of 30-item General Health Questionnaire & Edinburgh Postnatal Depression Scale & utility in psychiatric morbidity screening after miscarriage, 16–44 yr old females, China, 40879
psychosocial stress in early pregnancy, 16–41 yr old females with miscarriage vs successful pregnancy, UK, 8482
short-term psychotherapy & barriers to psychoanalytic treatment, persons experiencing pregnancy loss or infertility, 23630
sociodemographic & reproductive & psychiatric factors in increased risk for 1st episode or recurrence of major depressive episode in 6 mos after miscarriage, adult females, 30890
stress & grief response, 17–56 yr old partners of women who suffered miscarriage, England, 15878
Spontaneous Alternation—Serials
cerebellectomy, working & long-term spatial memory in delayed spontaneous alternation, lurcher mutant +/Lc mice, 21623
dynorphin A(1-13)with vs without nor-binaltorphimine, spatial working memeory, mice with scopolamine- & prienzepine-induced impairment, 21928
ectoparasite load, pattern of burrow use, insecticidal spray treated vs untreated badgers, 10814
fetal alcohol exposure, performance of alternation task & expression of immediate early gene RNA in brain areas, female rats, 7010
receptor specific adenosine agonists vs antagonists, effects of dizocilpine vs scopolamine induced motor activity & deficits in spontaneous alternation, male mice, 29541
spatial reference & alternation task learning & memory deficits & A-beta elevation & amyloid plaques, transgenic mice, animal model of Alzheimers disease abnormalities, 29302
Spontaneous Recovery (Learning)—Serials
connectionist nets & spontaneous recovery of associations by learning unrelated tasks, implications for spontaneous recovery of memory in CNS, 17499
nicotine, reinstatement & spontaneous recovery of nicotine seeking & extinguished food-reinforced behavior, nicotine-experienced vs naive male rats, 29615
stimulus habituation & recovery & duration & brief exposure, stability & continuity of visual attention, new borns, 5 mo study, England, 15205
unconditioned stimulus extinction & acquisition, spontaneous recovery, rats, Canada, 21496
white noise or light Pavlovian CS paired with food pellets or liquid sucrose, extinction & spontaneous recovery of responding, male Sprague Dawley rats, 18081
word pair cuing with novel associates & immediate vs delayed test, errorless vs errorful verbal learning measured by spontaneous recovery, memory impaired adults, cognitive rehabilitation implications, 42839
Sport Performance [See Athletic Performance]
Sport Psychology—Serials
acute stressors in competitive sport, approach & avoidance & task- & emotion-focused coping strategies, 14–17 yr old male athletes, Australia, 28257
assumptions & components of values-based intervention model for sports team building process, 33715
cognitive behavioral vs physical skills vs no training program, motivation & preparation & putting performance, 17–28 yr old novice golfers, 5797
concepts & practical perspectives on sports team building, 33716
confidence before vs during putting in medal vs match play, putting performance, golfers, 17415
cusp catastrophe model of anxiety & performance, practical implications for sport psychology, 5803
demographics & educational backgrounds & current positions & incomes & career goals & supervised experiences, graduates of advanced degree programs in sport psychology, 1989–94, 43491
development of effective social support in team building, student athlete team members, 33722
development of questionnaire, measurement of attitudes toward seek sport psychology consultation, 17–23 yr old NCAA division student athletes, 37235
dissemination of professional sport psychology practice knowledge through publications, editorial, 37231
gender bias in evaluation of sport psychology consultants, members of Association for Advancement of Applied Sport Psychology, 5536
indirect team building intervention strategies, cohesiveness in sport & exercise groups, 33719
individual differences in burnout, 13–21 yr old male & female junior tennis players, case reports, 43846
issues in evaluation of qualitative research methods in sport psychology, 37229
mental practice for sport performance enhancement & recommendations for research design & practice, 43853
models of & major issues in supervision & metasupervision in training & practice, sport psychologists, 9685
Myers Briggs Type Indicator psychological types, outstanding high school basketball officials, 28259
organizational development & group dynamic theory perspective in hands on approach to sports team building interventions, 33726
perceptions of sport psychologists, adult athletes, UK, 14030
position statement of European Federation of Sport Psychology on definition of sport psychology, 10145
position statement of European Federation of Sport Psychology on positive & problem outcomes & recommendations for & role of adults in participation by children in sport, 7162

process & impact of disengagement, individual athletes & teams, 33720
psychological skill patterns across rodeo event & gender & athletic skill level, collegiate rodeo athletes, 17414
reconceptualization of sports coaching as instructional sport psychology, 43851
response rate to requests for handouts or manuscripts following a poster session, presenters at a sport psychology conference, 43479
social psychological perspectives in applied sport psychology, 24798
sports team building research & interventions, research review, 33718
supervision in sport psychology practicum, 13533
use & characteristics of single subject design in evaluations of applied sport psychology interventions, 10596
use of critical thinking & the examination of assumptions in improving team strategy, sports coaches, application of S. D. Brookfield's critical thinking model, 43852
use of examples from sport & exercise psychology in undergraduate psychology curriculum, 5585
Sport Training [See Athletic Training]
Sports [See Also Baseball, Basketball, Football, Soccer, Swimming, Tennis, Weightlifting]—Serials
achievement motivation & sports related future orientation, sports careers, 16–19 yr olds, Norway, 43847
acute stressors in competitive sport, approach & avoidance & task- & emotion-focused coping strategies, 14–17 yr old male athletes, Australia, 28257
age & skill level & cue-target interval, spatial orientation of covert visual attention, 12 vs 15 yr old hockey players vs adults, 22002
anticipated consequences & social context, moral behavior & concern for opponent, 10–18 yr old team vs indivual athletes, Canada, 41996
attitudes toward helmet use, undergraduate bicyclists, 20832
classification system for anxiety inducing competitive game situations, university & regional basketball vs field vs ice hockey vs soccer athletes, 17411
coach power & resistance & morality in sports, male vs female middle vs high school vs college students, 24799
coaches' leadership behaviors, team cohesion, male vs female 13–19 yr old high school vs 18–33 yr old junior college baseball & softball players, 18564
coaching behaviors & targets of behavior, 30–45 yr old youth ice hockey coaches, Canada, 2339
definition of sportsmanship based on social psychological theories & research, 10–18 yr old athletes, Canada, 11478
enduring involvement with golf & downhill skiing & windsurfing, participants, 14038
enjoyment in sport & exercise defined as optimal psychological state of flow vs related constructs of affect & attitude & pleasure & intrinsic motivation, 10151
enjoyment in sport & exercise defined as optimal psychological state of flow vs related constructs of affect & attitude & pleasure & intrinsic motivation, commentary, 24813
exposure to sports promotion of tobacco & alcohol products, smoking & drinking behaviors, 13–18 yr olds, 38634
extraversion & neuroticism & other personality traits, outstanding vs average endurance sport athletes vs nonathletes, Germany, 5799
guidelines for assessment & management of concussion in athletics, 39517
guidelines for identification & management of sports concussion, 39476
helmet use, university bicyclists, 20836
historical & contemporary function & significance of sports & recreation in community settings, 24801
homonegativism & socialization & sport environment & conceptual framework for experiences in sports & development of positive sexual identity, lesbians, 10152
image content & visual & kinesthetic imagery ability & sport confidence, 12–18 yr old elite competitive rollerskaters from various countries, 3457
individuating information about 1st America's Cup all female team, gender stereotyping of traits & outcome judgments, college students, 11610
instructional factors, psychomotor & affective achievement measures during 6-wk badminton project unit, high- vs low-skilled target 9th graders, 9861
issues of integration & inclusion in disability sport & Paralympic movement, 30708
learning & instructional foundations of sport & games, 9886
mental imagery in athletics, performance enhancement & arousal regulation & affective & cognitive modification & rehabilitation, research review, 28258
multidimensional anxiety & Zone of Optimal Functioning hypothesis & subjective & objective performance measures, 18–23 yr old female softball players, 37236
organizational tasks in working with athletes in training & competition, expert high performance gymnastic coaches of males & females, Canada, 10146
participation level & type of sport & level of success, mental health & extraversion & personality profile & vigorousness, Grade 11 or 12 elite vs nonelite athletes, Australia, 40646
perception of constraints on leisure, 18–65 yr old recreational sport participants vs nonparticipants, Greece, 43855
performance profiling technique to increase communication, women's volleyball team coach & athletes, 10147
personal & team pre & postcompetition routines, 40–62 yr old team sport expert coaches, 37232
physical activity & behavioral approach, disruptive behavior disorders, 8–13.5 yr old males with behavior disorders, 42480
position statement of European Federation of Sport Psychology on positive & problem outcomes & recommendations for & role of adults in participation by children in sport, 7162
precompetitive cognition & affect & resulting performances in wrestling matches, collegiate wrestlers, 5800
precompetitive state anxiety & self confidence, competitive performance, top vs lower level junior female gymnasts, Hungary, 33717
predictions of goal perspective theory in & factor analysis of Korean version of Task & Ego Orientation in Sport Questionnaire & Intrinsic Motivation Inventory, 12–18 yr old athletes, Korea, 33983
process- vs performance-oriented goals, processes that support performance, male golfers, England, 43848
professional athletic aspirations & expectations, career goal discrepancy, African American male college students on NCAA Division I athletic team, 28260
qualitative & quantitative research in inclusion & integration & participation in disability sport, literature review, 30703
referee behaviors & targets & objectives of behavior, 20–35 yr old male minor league ice hockey referees, Canada, 2338
self-talk package, performance improvement, 11–13 yr old figure skaters, Canada, 1 yr followup, 10153
sex & skill level & coping responses & situational appraisal of acute stress, coping strategies, 18–44 yr old competitive athletes, 37228
sex, perceptions of positive vs negative friendship dimensions in sports, 8–16 yr olds, 15332
sport aggression & competition & moral reasoning & masculinity in study of conflict & peace, 24800
tactical & skill approaches to teaching sport & games, implications for practice & future research, 9885
tactical &/or skill instruction in 3 wk units, badminton performance skill learning, 9th graders, 9855
tactical &/or skill instruction in 3 wk vs 6 wk units, badminton performance skill learning, 9th graders, replication, 9854
task vs ego orientation vs social approval, motivation toward physical activity & sport, 12–14 yr olds, Zimbabwe, comparison with data on US & England, 25850
tempo & rhythm & level of applied force & relationship of auditory signal to golf performance, 60–69 vs 19–25 yr old golfers, 37233
traditional masculinity, hockey violence & its impact on perception of competence by teammates & coaches, 14–16 vs 16–20 yr old hockey players, 7388

validation of Task & Ego Orientation in Sport Questionnaire, assessment of dispositional differences in goal perspective, undergraduates (mean age 21.05 yrs), US vs Thailand vs Taiwan, 14226
violence & increase of time & role of sports in peace, introduction to special issue, 24810
youth sports & physical activity & moral & social development, 22088
Sports Spectators—Serials
attraction to on-ice hockey fights & fight history & group size, personal involvement in crowd disorders, adult males, Finland vs Canada, 18985
type of sporting events, incidence of male perpetrated child abuse on days coinciding with sporting events, 8097
Spouse Abuse [See Partner Abuse]
Spouses [See Also Husbands, Wives]—Serials
analysis of risk markers & factors influencing cessation & persistence of wife assault, male adults, 8075
assessment & therapy & closure phases of cognitive behavioral treatment of negative reactions to infertility, couples, 9225
attitudes toward & obstacles in way of obtaining diagnosis of dementing illness, spouse caregivers of demented patients, 19598
caring for demented vs physically disabled undemented spouse, caregiver burden & marital closeness & social contacts, elderly spouses, 13348
characteristics & interpersonal problems associated with & reasons for & treatment of PTSD, female partners of veterans with PTSD, 31105
Christian feminist vs evangelical interpretations of marital male domination & female submission patterns in Ephesians 5:22, 41845
chronic life stress, beta adrenergic receptors, caregiver spouses of Alzheimer's disease patients (mean age 73 yrs) with high vs low stress, 36119
cognitive-behavioral vs spouse-aided therapy, mood & behavioral activity & dysfunctional thoughts & communication, non-maritally distressed depressed adults (mean age 42.2 yrs), Netherlands, 16477
competency of problem solving responses to difficult marital vs nonmarital situations, maritally violent &/vs distressed spouses, 42431
conflict handling behaviors toward spouses vs supervisors, married male vs female subordinates, Turkey, 10106
critical interaction couples therapy, combat related traumatic memories & related violence & flashbacks & dissociative events, male Vietnam veterans with PTSD & their wives, 4898
denominational beliefs about marriage & spousal involvement in church & homogamy, marital dependency, adults, 15415
depression in patient & social support, psychological distress, carers of spouse with Parkinson's disease, 5329
dramaturgical analysis of burden & home care vs institutionalization choice, 68–80 yr old spousal caregivers, Israel, 24237
educational background & religious affiliation, sexual dissatisfaction, husbands vs wives, Nigeria, implications for sex therapy, 22368
effectiveness of solution-focused therapy & psychoeducational group process, married 30–50 yr olds, 38545
emotion vs problem focused counseling, levels of distress in 2nd yr of bereavement for death of spouse, widows & widowers under 65 yr olds, Netherlands, 23654
endocrinological & immunological correlates of martial conflict & satisfaction, couples (mean age 67 yrs) married for an average of 42 yrs, 41417
expressed emotion & causal attributions & prediction of depressive relapse, spouses of depressed patients, 30856
extraversion & openness to experience scores on revised NEO Personality Inventory, marital adjustment on Dyadic Adjustment Scale, 20–78 yr old spouses, 18725
family vs couple initiated marriage, married couples, Turkey, 41874
gender & income & educational & occupational status resources, male dominance ideologies, middle-class African American married couples, 41805
gender, control & positive & negative behavior in conversation to resolve disagreements, married couples, implications for identity & expectation states theories, 15602
hassles & anger & hostility & fasting insulin & glucose levels, nondiabetic spouse caregivers of patients with Alzheimers disease, 15–18 mo follow up, 29493
individual behavioral-cognitive vs marital therapy, depressed mood & relationship dysfunction, 18–65 yr old depressed patients experiencing marital distress, 22756
interdependence & feelings of intimacy & closeness over marital life course, couples aged 54–89 yrs old, US vs Japan, implications for family development theory, 3619
internal consistency & reliability & concurrent validity of Kansas Marital Satisfaction Scale & Quality Marriage Index, couples, 25015
marital closeness & style & depressive symptoms, spousal depression, 65+ yr old married couples, 7 yr study, 12011
marital distress & violence & attributions for events, married couples, 42446
marital interactions, nondepressed couples vs those with depressed husbands vs depressed wives, 19160
marital relationship & adjustment, health, 24–75 yr old females with chronic fatigue & immune dysfunction syndrome & their spouses, 35975
marital status discrimination & challenges to legality of no spouse rules in the workplace, employees, implications for personnel management, 28204
mate availability & own & husband's educational level, marriage prevalence, 20+ yr old Black females, 35066
measure of overt & covert coparenting behaviors & processes, 19–49 yr old married couples, 40835
negative life events & problem-solving behavior, depressive symptoms & marital adjustment, newlywed couples, 18 mo study, 35517
negative vs positive facial expression of conjugal bereavement & mediation of grief course, adults, 18944
object relations theory & projective & introjective identification in treating marital joint personality in couples therapy, 36323
participation vs nonparticipation in premarital counseling programs, marital outcomes & risk for marital problems, 18–35 yr old newlywed couples, 18 mo followup, 19848
patient quality of life & disease stage & advance directive & spouse burden, decision to consent to vs forego breathing machine &/vs feeding tube &/vs CPR, spouses of Alzheimer's disease patients, 9274
Perceived Stress Model of Caregiver Burden, mental & physical health outcomes, 21–74 yr old caregivers of spouses with traumatic brain injury, 1563
perceptions of characteristics of happy marriages, couples, 7479
perceptions of family adaptation, husbands vs wives, implications for potential predictive validity of couple measure of family adjustment, 26028
perceptions of qualities of good wife or husband, 15–25 yr olds, Nigeria, 34942
perceptions of spouse & real-ideal discrepancies & subsequent marital well-being, African-American vs White newlywed couples, 2 yr study, 38543
positive & negative aspects of spouse responses, psychological adjustment, male vs female 29–78 yr olds with cancer, 31702
positive & negative cognitions about parenthood, recently married childless spouses in distressed vs nondistressed vs husband-to-wife aggressive marriages, 35081
prebirth interaction, marital adaptation & conflict during 1st 2 yrs of child's life, 23–37 yr old wives with their 23–42 yr old husbands at mid-pregnancy & 1 & 6 & 12 mo after birth, 11577
preretirement characteristics of husband's job & division of labor & health & social support, retirement effects on marital quality, older married couples, longitudinal study, 7418
psychoeducational support group model, spouse caregivers of early stage Alzheimers disease patients, 32639

psychometric properties of Bereavement Phenomenology Questionnaire & ability to measure grief, spouses & offspring of deceased patients, Australia, longitudinal study, 40877
psychometrics of Spouse Situation Inventory, role play measurement of coping skills, female adults (mean age 35 yrs) with alcoholic partners, 40898
psychosocial factors & influence on stress, 29–74 yr old spousal caregivers of persons with multiple sclerosis, 24233
recognition of spouse by certain & sequence of emotions, 25–77 yr old husbands & wives, 38532
relationship length & marital communication & relational styles & marital satisfaction, recently married couples, 30385
research on extramarital affairs & social constructionist therapy model for working with extramarital sex issues, couples, 32192
resilience & burden, 20–81 yr old spouses of people with bipolar or schizoaffective disorder or paranoid schizophrenia or major depression, 26405
right wing authoritarianism & income level & wife abuse, 17–77 yr old males, 31208
self-evaluation maintenance, marital interaction & partner perception of partner needs, committed heterosexual married couples, 15452
severity of violent experiences & observations in family of origin, anticipation of violence in familial vs nonfamilial relationships, cohabiting vs married couples, 8123
sex, characteristics desired in potential sexual vs marriage partner, 17–25 yr olds, 26120
sex, prevalence of self-rated sleep disturbances, patients with Parkinson's disease (mean age 67 yrs) vs their spouses, Germany, 36148
shared obsessive compulsive disorder as variant of folie a deux, married couple, case report, letter, 22915
social support & coping strategies, self reported depression & anxiety & anger & physical symptoms, 39–80 yr old spouses of terminally ill patients admitted to hospice, 20260
spirituality, daily occupations, implications for occupational therapy & science, Orthodox Jewish married couples in their twenties, 30061
spousal NEO-Personality Inventory ratings & self-reported marital satisfaction, married couples, 15458
spousal violence & cognitive functioning measured by brief neuropsychological test battery, married males recovering from multiple substance abuse, 26683
spouse's solicitous behaviors in response to patient pain behaviors, rate of nonverbal pain behavior & physical disability, chronic pain patients, 4560
stressors in terms of changes in work & marital satisfaction & social support before vs after open heart surgery, patients' spouses, 6 wk followup, 13162
validity & reliability of Existential/Dialectical Marital Questionnaire, assessment of marital interaction, married couples, Israel, 5971
validity & reliability of Marital Disaffection Scale, spouses, implications for planning conjoint therapy, 5941
validity of Bereavement Risk Index, 15+ yr olds whose spouse died from lung cancer, 2 mo prior to death & 6 wk & 6 & 13 & 25 mo following death, 14281
validity of Perceived Understanding Instrument, 21–54 yr old married couples, 40826

Spreading Depression—Serials
role of synaptic plasticity & AMPA receptor desensitization in phasic & long-term depression of brainstem nucleus tractus solitarius neurons, rats, 41399

Sri Lanka—Serials
deep vs surface learning strategies & range of learning goals, 17–47.7 yr old college students, Australia vs Sri Lanka, 2185
factorial structure & dimensionality of questionnaire, assessment of idiocentrism & allocentrism, adults, Sri Lanka, 47

Stability (Emotional) [See Emotional Stability]

Stage Plays [See Theatre]

Stammering [See Stuttering]

Standard Deviation—Serials
standard deviation as informative measure of variability in reporting interobserver agreement means, 17736
standard deviation of performance method & utility information frame & type of human resources program, reactions to utility analysis, managers (mean age 40 yrs), 24744

Standard Error of Measurement [See Error of Measurement]

Standard Scores—Serials
FORTRAN subroutine, measurement of joint agreement between multiple raters & correct set of responses, 28399
full vs 64-card versions of Wisconsin Card Sorting Test, relationship of standard scores, patients (mean age 47.8 yrs) with or without neurological & psychiatric & medical disorders, 37497
reliability & correlation of composite standard score computer program for mental health practitioners, 10236

Standardization (Test) [See Test Standardization]

Standardized Tests—Serials
administration & accommodations & verbal equity in standardized psychological & educational & work related testing procedures, test takers with hearing impairments, 79
criteria for development of standardized needs assessment measures, provision of health & social service care, persons with severe mental disorders, 10511
differences in latent trait composites, unidimensional item response theory true-score equating for large scale standardized test forms, African American vs White vs Hispanic examinees, 14220
extension & augmentation & reconception of models & methods within standard test theory to address a wider range of issues concerning student learning, students, 28594
extent & character of system-wide standardized student testing, US, 34068
issues in literacy assessment & politics of identities, 34066
mandated standardized testing, minority students' access to quality curriculum & instruction in mathematics & science, 4th & 8th grade & high school teachers of high vs low minority classes, 17144
manipulation of variables related to motivation & attention, performance on standardized tests, 3–9 yr olds with autism, 35879
network flow vs noncorrecting average growth approximation algorithm for automated test assembly, matching to targets from standardized test item banks, 28
5th grade level content validity of selected standardized tests of mathematics achievement, students with disabilities, 34067

Standards (Professional) [See Professional Standards]

Stanford Binet Intelligence Scale—Serials
colored vs noncolored versions of absurdities subtest of Stanford-Binet Intelligence Scale & Picture Completion subtest of WISC-III, K–1st & 5th–6th graders, 10373
concurrent validity in screening ability of Slosson Intelligence Test Revised & Stanford Binet Intelligence Scale 4th Ed, mentally retarded 5–69 yr olds, 14315
concurrent validity of WISC-III & Stanford Binet Intelligence Scale-IV, 6–16 yr olds, 5964
concurrent validity of WISC-III vs Stanford-Binet IV, assessment of IQ, 6–17 yr olds, 10375
partial vs test composites on Stanford Binet Intelligence Scale 4th Ed, 5–15 yr olds referred for academic underachievement & possible learning disabilities, 2605
time between assessments & performance on Bayley Mental Development Index vs two verbal ability subscales vs Stanford-Binet IV, 1–2 vs 3–5 yr olds, 29803
validity of composite standard age scores in Stanford-Binet Intelligence Scale–4th Edition, mentally retarded 7–24 yr olds, 2488

Stanines [See Standard Scores]

Stapedius Reflex [See Acoustic Reflex]

Startle Reflex—Serials
acoustic startle response, female patients (mean age 38.1 yrs) with sexual assault-related PTSD, 42379
acoustic startle response, role of somatostatin in caudal pontine reticular nucleus and central gray as main source of somatostatinergic input, rats, 6774

acoustic stimuli & pleasant vs unpleasant vs neutral slides, eyeblink startle reflex amplitude, men (mean age 33.8 yrs) & women (mean age 32.7 yrs) with high vs low harm avoidance, replication, 26246
activation of dorsal periaqueductal gray, fear-potentiated startle accompanying high footshock training, male rats, 38003
airpuff probes presented to left vs right side of face during viewing of pleasant vs unpleasant pictures, startle responses, right handed 18–35 yr olds, 18251
airpuff startle, ACTH & corticosterone & anxiety related behavior in defensive withdrawal paradigm, male rats, 14976
alpha-ethyltryptamine with vs without fluoxetine pretreatment, startle plasticity measured by prepulse inhibition & habituation, male rats, 21885
attention vs emotion, time course of prepulse inhibition of startle eyeblink reflex EMG, college students, 6803
auditory startle response, unmedicated help-seeking trauma survivors with vs without PTSD (mean ages 38.29 & 33.14 yrs), Israel, experimental replication, 42388
auditory startle responses & habituation of EMG & heart rate & skin conductance & anxiety before Persian Gulf war vs during missile alert vs 8 mo after war, healthy adults, Israel, 564
behavioral inhibition & maternal ratings of shyness & salivary cortisol & baseline startle, extreme vs middle vs low social wariness groups, 4 yr study, replication, conference presentation, 29934
benzodiazepine receptor partial inverse agonist FG 7142, somatic & cardiovascular components of acoustic startle response, male rats, replication, 34639
blocked vs mixed lateral acoustic startle probe presentation to left vs right ear, affective startle modulation for eyeblink reflexes, college students, 14972
brief airpuff stimuli, cardiovascular response magnitude & latency & habituation, male normotensive vs spontaneously hypertensive rats, 11091
cannabinoid CB1 receptor antagonist & agonist, impairment/improvement in FR scheduled responding & acoustic startle response, male pigeons & rats, 3247
cardiovascular responses associated with defense or active coping & affective startle modulation, male vs female normotensive college students, 18246
chlordiazepoxide vs oxazepam vs flesinoxan vs fluvoxamine, predictive validity & inter-laboratory reliability of fear vs strychnine-potentiated startle response, male rats, 604
cholecystokinin B receptor agonist pentagastrin with vs without L-365,260 or PD-135158 in amygdala, potentiation of acoustic startle response & locomotor activity, rats, 29539
cigarette smoking, prepulse inhibition of acoustic startle reflex, 18–45 yr old male smokers, England, 15052
clonidine, amplitude of acoustic startle reflex, adults, 6958
cry threshold & heart rate variability & behavioral state & startles & prediction of autonomic regulatory system disorder, typical vs high cry threshold newborns, 19670
diazepam, habituation of fear conditioned acoustic startle & freezing behavior responses, young & adult rats, 15077
dopamine agonists vs antagonists, regulation of prepulse inhibition of acoustic startle & sensorimotor gating, male rats, 3290
electrical stimulation of ventral tegmental area dopamine neurons & excitotoxin lesions & quinpirole, potentiated startle & fear motivation, male rats, 14821
electrolyte lesions of medial prefrontal cortex, conditioned inhibition & extinction of freezing & fear potentiated startle, male rats, 37966
eyeblink startle inhibition & prepulse selective attention processing, 18.3–31.3 yr olds, 561
fear related vs unrelated stimuli, startle reflex modulation & autonomic responses, females high in animal vs blood injury fear, Germany, 18249
gap duration & startle eliciting stimulus, acoustic startle reflex, rats, 41420
genetic differences, acoustic & tactile startle responses in a prepulse inhibition paradigm, male mice from 13 inbred strains, animal model of schizophrenia, 41295
habituation following repetitive stimulation, threshold & amplitude & latency of startle reaction, rats, 18077
individual variation in startle response & habituation & association with CNS & autonomic & myogenic activity, 7–11 yr old males, 3162
intensity of acoustic prepulse vs eliciting stimuli, startle eyeblink response inhibition, 18–22 yr old undergraduates, 11059
isolation vs social housing & D1 dopamine receptor activity, social & nonsocial acoustic startle reactivity, mice high vs low in motor activity, 29286
lesioning of midbrain central gray before vs after fear conditioning, fear potentiation acoustic startle response, male rats, 6620
light flashes, startle response & interruptibility of perch coos, male collared doves, 2923
monosynaptic vs disynaptic neural connections in acoustic startle reflex, vertebrates, literature review, 18188
motor response pattern of autogenic startle reflex, 11–53 yr old males with Tourette's syndrome, 31872
neonatal exposure to methamphetamine, long-term acoustic startle facilitation as function of prepulse stimulus intensity, female rats, experimental replication, 38172
offset of feature trained in serial feature negative discrimination, detection of inhibition of fear potentiated startle, male rats, 18054
olfactory bulbectomy & shock stress, acoustic startle reflex sensitization, male rats, animal model of depression, 21675
paired vs unpaired conditioned stimulus & aversive unconditional stimulus, fear-potentiated startle reflex, college students, 41414
PCP analog dizocilpine, prepulse inhibition & facilitation of acoustic startle response, male rats, animal model of sensory gating in schizophrenia, 29500
personality factors, modulation of eyeblink response in reaction to loud acoustic startle probes, adults, England, 22543
postnatal cocaine & fluoxetine exposure, acoustic startle response, rats treated with serotonin agonists 8-hydroxy-dipropyl-aminotetralin or 1-(m-cholorphenyl) piperazine, 38093
posttraining lesions of perirhinal cortex, inhibition of fear-potentiated startle to light & noise, male rats with lesions vs with sham lesions, 34534
predictive validity of fear potentiated startle paradigm as behavioral model for anxiolytic drugs, rats, 6921
prenatal cocaine exposure, acoustic startle reflex excitability, rats, 6929
prepulse effects, startle blink reflex & magnitude estimates of startle eliciting stimuli, 17.5–20.5 yr olds, 6764
serotonin receptor, startle reactivity & habituation & prepulse inhibition, serotonin receptor gene knockout vs wild-type mice, 41449
smoking status & psychosis-proneness, habituation & prepulse inhibition of the acoustic startle reflex, 19–45 yr old males, 42074
startle eyeblink facilitation & modification as measure of attentional & information processing, college students, 14984
startle reactivity & modulation in high vs low-risk offspring, 10–17 yr olds with vs without parental history of anxiety disorder &/or alcoholism, 38854
startle stimuli presented alone vs preceded by tone prepulses vs prepulses presented alone, startle eyeblink reflex inhibition, college students, 41401
startling acoustic stimuli, extracellular dopamine in nucleus accumbens, rats, 21858
time of day, acoustic startle reflex, rats, 38036
tone & foot shock training trials, fear-potentiated startle, C57BL/6J vs DBA/2J inbred mice, 37823
unconditioned stimulus modality & intensity, blink startle & electrodermal responses, 17–53 yr old college students, 41407
viewing pleasant vs unpleasant stimuli, blink reflex & P3 wave of ERP measures of acoustic startle response, adults, 18260
vigabatrin, startle response, 60 yr old female with PTSD, case report, letter, 13008

withdrawal from low-dose oral cocaine, tactile startle vs ultrasonic vocal distress responses, male rats, 569
yohimbine vs m-chlorophenylpiperazine, acoustic startle response magnitude & latency, recently detoxified male alcoholic patients, 39207
5-HT type 1B vs type 1D receptors, prepulse inhibition of startle response & locomotor activity, rats vs guinea pigs, 638
Starvation—Serials
starvation induced alterations of neuropeptide activity & neuroendocrine dysfunction, contribution to hypercortisolemia & amenorrhea & pathological behavior, 4451
starvation vs satiation & body size & time available, amount of silk wrapping produced for prey offered as nuptial gift, male spiders, implications for sexual reproduction, 29143
State Board Examinations [See Professional Examinations]
State Dependent Learning—Serials
exercise vs rest condition, memory performance on free & cued recall & recognition tests & state dependent learning, 18–38 yr olds vs 60–80 yr olds, 34826
post-training memory enhancement induced by physostigmine or oxotremorine as state dependent or facilitatory effect on memory storage processes, male mice, 6819
state dependent learning induced by ethanol vs MK-801 & involvement of NMDA & 5-HT receptors in learning, male rats, 15068
State Hospitals [See Psychiatric Hospitals]
State Trait Anxiety Inventory—Serials
Lie scale scores on Hindi Eysenck Personality Inventory & Trait scale of State-Trait Anxiety Inventory, impulsivity & neuroticism under no motivation to fake good, female Indian students, 17607
Pain Anxiety Symptoms Scale vs Fear Avoidance Beliefs Questionnaire vs Fear of Pain Qestionnaire vs Spielberger State-Trait Anxiety Inventory, assessment of anxiety & fear, adults with chronic pain, 17653
Statistical Analysis [See Also Cluster Analysis, Confidence Limits (Statistics), Consistency (Measurement), Effect Size (Statistical), Error of Measurement, Frequency Distribution, Fuzzy Set Theory, Goodness of Fit, Interaction Analysis (Statistics), Meta Analysis, Multivariate Analysis, Predictability (Measurement), Statistical Correlation, Statistical Data, Statistical Estimation, Statistical Norms, Statistical Probability, Statistical Regression, Statistical Reliability, Statistical Significance, Statistical Tests, Statistical Validity, Statistical Weighting, Time Series, Variability Measurement]—Serials
accuracy of models of statistical analysis of school performance assessments, 3rd vs 5th vs 8th graders, 40938
actuarial support for clinical assessment of violence risk, patients with mental disorders, 42156
alternate to Cox & Key's large sample method for conducting post hoc pairwise comparisons as followup to chi-square test of homogeneity of proportions, 10583
analyses & interpretations of counterbalancing & other uses of repeated-measures Latin-square designs, 20951
analysis of residuals in 2 parameter item response model, 156
analysis of standardized procedure of speech elicitation, assessment of symptoms that are relevant for diagnosis, 6.2–7.8 yr olds with developmental apraxia of speech, Netherlands, 24990
application & efficacy of Solomon Four Experimental Design meta analysis approach in intervention for depression prevention, elderly & newly relocated nursing home residents, 21179
appropriateness of monte carlo studies in item response theory based research, 6140
approximation of detection-theoretic model for likelihood ratio decision strategy in same–different tasks, 21169
averaging & geometric-mean models, functional measurement analysis methodology & conjunction fallacy, young adults, 25254
behavior in preferences for foraging with familiar vs unfamiliar conspecifics, bluegill, commentary reply, implications for pseudoreplication, 10896
bootstrap & Monte Carlo permutation procedures, comparison of kappa coefficients obtained from same sample, 25148
characterization & circumvention of E. Simpson's paradox & analysis of covariance with ordered bivariate data, 10589
classification of quantitative EEGs by classical statistical vs neural network analysis in dementia detection, ambulatory 18–84 yr olds with depression vs anxiety vs dementia, 27004
confirmatory factor vs common principal component analyses, assessment of validity & stability of structure in psychiatric scales, 14469
consequences of ignoring importance of statistical power analysis in study of effect of large body size on foraging behavior under predatory threat, juvenile rainbow trout, commentary, 14452
consequences of ignoring importance of statistical power analysis in study of effect of large body size on foraging behavior under predatory threat, juvenile rainbow trout, commentary reply, 14434
constrained latent class analysis using Gibbs sampler and posterior predictive checks, 33929
contribution of sociological surveys & statistical methods in understanding causation of homosexuality, 26126
correspondence analysis & classical metric multidimensional scaling equivalence relation in Euclidian distance recovery, 34087
current content & statistical specifications & item selection & review processes in test construction, 14231
data analysis problems in single case evaluation in social work practice, commentary, 1997
data analysis problems in single case evaluation in social work practice, 2019
data analysis problems in single case evaluation in social work practice, commentary, 2014
data analysis problems in single case evaluation in social work practice, commentary reply, 2018
data analysis problems in single case evaluation in social work practice, commentary, 2013
data analysis problems in single case evaluation in social work practice, commentary, 2023
data analysis problems in single case evaluation in social work practice, commentary reply, 2012
decomposition of model parameters into symmetric similarities & asymmetric dominance components, 165
degree of smoothing, equipercentile equating with postsmoothing method, 10590
derivation of optimum likelihood-ratio decision statistic for same-different paradigm, 6136
description & examples of constrained components technique for analysis of multitrait multimethod matrices, 17749
determination of sample size in chi square test using information from earlier study, 10572
development & validity of structured criteria for visual inspection of multielement functional analysis data, interrater agreement with graphs, interns vs experts, 37580
dipole model analysis & test-retest reliability of P300 component of auditory evoked potential vs principal component analysis, 21–63 yr olds, 38017
direction & magnitude of non-response bias in mail surveys & true sample mean, 2711
discriminant analysis of Personality Assessment Inventory, detection of feigned schizophrenia or major depression or generalized anxiety disorder, naive vs sophisticated simulators vs patients, 10458
discriminant analysis of Type A/Type B behavior with SAS statistical computer software, employed Black females, 21024
discriminatory power & reliability & construct & convergent validity of mental health dimension of SF-36 vs 12-item General Health Questionnaire, 16–64 yr olds, England, 28575
equivalence of data from 5 vs 7 point rating scales, 20–60+ yr olds, 28628
evaluation of gamma & Hamann coefficient measures of feeling of knowing performance, commentary, 2820
evaluation of gamma & Hamann coefficient measures of feeling of knowing performance, commentary, 2842

evaluation of random effects vs ANOVA analyses of efficacy of psychotherapy vs pharmacotherapy, cocaine abusers (mean age 28.8 yrs), 1 yr followup, 21184
event history analysis & ethnic competition arguments & models of diffusion to investigate effects of local conditions, city level hazard rates of rioting, Blacks, 1961–1968, 25979
exploratory data analysis, statistical pattern computation & interpretation of confirmatory data analysis results in hypothesis development, 28624
factor & cluster & discriminant analyses of phase structure of political events, Middle Eastern countries & US & Soviet Union/Russia, application to crisis early warning, 1979–1995, 37568
features of interrater/test reliability system, interrater & test reliability, 21152
fluctuating asymmetry data & statistical analysis, commentary, 21185
fluctuating asymmetry data & statistical analysis, commentary reply, 40963
framework & specific statistical techniques for structuring analysis of social organization & interactions of populations easily or not easily viewed & studied, sperm whales, Ecuador, 34478
game theory perspective on cognitive abilities & strategic behavior in preferences for foraging with familiar vs unfamiliar conspecifics, bluegill, commentary, implications for pseudoreplication, 10860
generalizability analysis & standard error measurement as alternative to conventional statistical analysis applications to educational measurement & interpretation, 28630
graphical representation of multidimensional item response theory analyses, 28620
high-performance computation in mathematical & computer simulation model development & testing, conference presentation, 28333
high-performance computing & visual perception & mathematical modeling & neural networks & data analysis, commentary, conference presentation, 28334
historical background & technical information & methodological aspects & examples of dual scaling, 17755
individual differences approach to the halo-accuracy paradox, 19–27 yr olds, 21170
individual S variability in study of genetics & behavioral medicine vs consideration only as error term, 23992
individually distributed birth order analysis vs aggregate pattern analysis as predictors of test scores & confluence model of intellectual development, 34841
item parameters, closed-interval signed vs unsigned area statistics for differential item functioning detection, 10570
kappa vs Yule's "Y" vs "Q" measures of agreement of DSM-III vs DSM-IV drug dependence diagnoses under 3 different baserate conditions, mixed substance users, 16084
latent growth curve model, analysis of developmental trajectory of alcohol use in accelerated vs single cohort longitudinal research, 12–17 yr olds, 168
linear paired comparison technique for interval scaling, 159
log linear & logit models of sequential analysis of classroom interactions, 17–18 yr olds, 21198
log linear model of effect of participation rates & size of participating population on highest expected achievement, application to analysis of national & sex differences in chess performance, 17737
logarithmic transformation & baseline correction in validity of electrocorticographic analysis of drug effects, rats, 25130
logical functional analysis as approach to refinement of structural diagnostic categories of DSM-IV & application to reinforcement-based disorders of alcoholism & pedophilia, 16049
logistic regression in clinical investigations of personality, 33978
logit modeling method for estimation of relationship between formal education & religious belief, application of General Social Survey data, 41840
loglinear Rasch models for analysis of repeated observations of polytomous indicators with ordered response categories, 17753
LSD, affective & thinking disturbances & blackouts as symptom patterns & relation to high vs low extraversion vs neuroticism identified by polyprediction configural frequency analysis, adults, 21877
mathematical model of structural relationship between phonological awareness & speech perception & memory & lexical knowledge & reading ability, 5 vs 7 yr olds with normal vs partial hearing, 11348
MAXCOV-HITMAN, determination of taxonic dimensional data for diagnosis of psychopathology, commentary reply, 6143
Maximum Covariance taxometric procedure in coherent cut kinetics method, 150
maximum entropy inference of Shepard's theory of generalization, 21182
methodological approach to interpretation of mortality data, long term lithium treated patients with manic depression, 13078
methodological issues in research on role of personality & psychosocial & lifestyle factors in disease development, sample size & hypotheses & statistical analysis, 17779
MMPI-A vs adult K corrected norms, accuracy ratings of code type interpretations & profile characteristics, adolescent psychiatric inpatients, replication, 6034
moving average & exponential data smoothing in prediction of human behavior & patterns & treatment effectiveness, 37569
multilevel modeling for contextual analysis in health-related behavior research, application to recording of smoking behavior, UK, 6137
network analysis of 2-mode matrices in social science research into dyadic attributes, 37550
nonlinear mixed-effects models in study of individual differences with repeated measures data, 14425
null hypothesis significance testing vs interval-based estimation, social science data analysis, 28629
omnibus test statistics & effect sizes, assessment of other's published data, research consumers, 10581
ordinal data analysis using ordinal statistics in research, 14423
over- vs underextraction, principal axis factor analysis with varimax rotation, 10588
pairwise partitioning as nonmetric algorithm for identifying feature-based similarity structures, 21168
parameter sensitivity & interdependence, prediction of scope & falsifiability in depth perception models, implications for all computational models, 6237
permutation test for H. Hotelling's multivariate matched pair T2 test, 153
pharmaco-EEG data processing modes & ANOVA vs Wilcoxon sign rank test, results of clinical evaluation of MAO-A inhibitor brofaromine, 21–30 yr olds, Germany, 18329
power differences in univariate vs multivariate statistical detection of repeated measures effects, 28622
prices & price endings, statistical analysis of scanner panel data sets, consumer behavior models, 40664
problems posed by litter effects & use of multiparous species in study design & suggested solutions, 29041
psychometric properties of scores derived from calibration curves & analogue of overconfidence based on estimates of correctly solved items, college students, Australia, 21193
quantitative analysis of defendant's achieved & ascribed status, prosecutorial decision to prosecute vs divert to drug treatment, felony drug defendants, 34081
quantitative analysis of mail vs telephone survey of criminal justice attitudes, adults, 34092
Rasch model for computing elementary symmetric functions & derivatives in conditional maximum likelihood estimation, 6132
ratio & residual & Z scores & subject residual profiles analytic methods on brain imaging data, depressed adults, 22763
robustness of maximum covariance taxometric analysis procedure in Monte Carlo test with skewed vs unskewed data sets, 14431
role of spline smoothing for nonparametric curve estimation in statistical analysis, conference presentation, 25133

SAS program, computation of many–one comparisons among sample variances, application to self concept assessment among ethnic groups, 28636
set-theoretical model & use of additive tree scaling programs to explore set-theoretical structure of objects, 21158
Shewhart quality control charts, identification of intervention effects in single S behavioral experiments, 34133
signal processing analysis of forced choice ESP data, adults, 14686
single vs multiple step transition analyses of multiattribute decision strategies, 34197
skewed latent variable & manifest indicators, robustness of MAMBAC taxometric analysis procedure, 2712
sources of variance & data analysis issues in & design of social interaction research, 14435
statistical analysis & spline smoothing in nonparametric regression & social science & demographic data management with computer based information retrieval system, commentary, conference presentation, 25127
statistical analysis of historical data on relationship between mortality & per capita alcohol consumption, 23081
statistical analysis of hypnotic susceptibility as typological vs dimensional construct, college students, Canada, 10743
statistical approach to analysis of socioeconomic impact areas in environmental risk perception, socioeconomic scholars, Taiwan, 14081
statistical methods for analyzing data on cognitive growth, children, implications for educational & psychological research, 155
statistical models for social networks, conference presentation, 161
statistical procedures for evaluation of rough set dependency analysis in artificial intelligence research, 34091
statistical procedures for testing variations within subject treatment by covariate interactions, 10573
statistical techniques for reduction of costs in evaluation of employee training programs, 10062
survival & multistate analysis models of effectiveness of psychodynamic psychotherapy with vs without cognitive behavioral techniques, inpatients with anorexia nervosa, 23616
survival analysis techniques to test turnover over time, registered nurses, 24734
Type I & Type II errors in multiple comparison procedures, 6147
uncertainty & statistical sample methods in analysis of longitudinal categorical data, 25154
use of new & evolving statistical procedures in personality assessment, literature review, 1990–94, 33991
use of normative vs ipsative configural frequency analysis in personality research, situation anxiety, 28666
use of proportion score to control for constructional deficits in performance of visual reproduction subtest of Wechsler Memory Scale Revised, patients with Alzheimer's disease, 1580
validity & applications for null hypothesis testing, 10571
windowed average vs linear vs 2nd-order polynomial regression criteria for measuring habituation in infants, 25124
3-mode association models, analysis of 3-way contingency tables, 127

Statistical Correlation [See Also Linear Regression, Phi Coefficient, Rank Difference Correlation, Rank Order Correlation, Tetrachoric Correlation]—Serials

algorithm for homogenization of multiway contingency tables analagous to partial correlation of statistical control by ANOVA, conference presentation, 34107
approximate Pearson product-moment correlations from Kendall's tau & Spearman's rho, 10582
behavior of characteristic curve method derived values for sampling distributions of equating coefficients, 128
comparison of accuracy of different procedures for estimating standard error of correlations corrected for restriction in range, 25128
concurrent validity of Beck Depression Inventory & correlation with generalized anxiety & locus of control & self-concept, college students, 14329
confounded vs unconfounded correlations among subscales & domain measures of NEO-Personality Inventory, 19–48 yr olds, 5983
context-dependent biases, intuitive correlation assessment, college students, 34216
correlation among Caregiver Burden Interview & Life Satisfaction Index-Z & Geriatric Depression Scale, 25–91 yr old caregivers for patients with Alzheimers disease, 25019
correlation between Crown-Crisp Experiential Index & Eysenck Personality Questionnaire, personality dimensions & neurotic symptoms, 16–21 yr olds, India, 14271
correlation between MCMI & revised Personality Diagnostic Questionnaire & assignment of clinical labels, nonclinical college students, 2641
correlation between Temperament & Character Inventory & Self rating Depression Scale, 18–31 yr old students, Japan, 25036
correlation estimates from perceptions of geometric characteristics of scatterplots as example of intuitive decision making, college students, 17833
correlation of scores on Kansas Marital Satisfaction Scale & Quality Marriage Index, spouses, 5970
correlation of trait families of personality & self-concept & interests & intelligence & trait-complex approach, 35297
correlational method to estimate listeners' weighting function for identifying speech signals, listeners, 17849
correlations of SONSO Personality Inventory vs Gordon Person Profile vs Gordon Personal Inventory & relations to extraversion & neuroticism, college students, 17606
degree of agreement between 4 self report depression questionnaires, assessment of postnatal depression, postpartum females, 40861
development & psychometric characteristics of Somatoform Dissociation Questionnaire, 20–57 yr olds with dissociative disorder vs 16–79 yr olds with other psychiatric diagnoses, 14330
equivalence of computerized vs pencil & paper administration of German versions of Eysenck Personality Questionnaire & Carroll Rating Scale for Depression, 18–55 yr olds, Germany, 5993
estimation of polyserial correlation coefficient, 129
external validity of laboratory vs real world aggression studies, meta analysis, 34122
formulas for attenuation of correlations that result from joint dichotomization of 2 variables & interpretation of partial correlation as conditional correlation, 10586
genetic interpretation of Pearson's correlation coefficient as probability of common descent, 139
illustration & procedures for meta-analysis of factor analyses, 10563
indirect range restriction on X & Y variables, sampling error variability in correlation coefficient, conference presentation, 37548
integration & interrelationship of performance-based Rorschach vs self-report-based MMPI assessment methods, 25026
intercorrelation matrix of shyness & sociability items on Portuguese personality scales, measurement of distinct personality dispositions, college students, Portugal, 17611
intraclass correlation among tobacco use measures & application to intervention studies, 8th–10th graders, 25132
level of reading proficiency, within-group correlations between Stroop Color & Word test & measures of response inhibition & executive functioning, parents of children with learning disabilities, 34204
limitations of covariance structure models & reparameterization of restricted factor analysis model for multitrait multimethod correlation matrices, erratum, 137
linear composites in multiattribute judgment & choices of weight, extension of Wilks' results to zero & negatively correlated attributes, 145
methods of testing empirical size & coverage & power of confidence intervals of Spearman's rho, 37551
options for determining confidence intervals & conducting significance tests for intraclass correlation coefficients, erratum, 10576

patterns & predictors of baseline Alzheimer's Disease Assessment Scale cognitive performance scores & other test scores & demographic & clinical variables, 42–88 yr old Alzheimer's disease patients, 37500
psychometric properties of Male–Female Relations Questionnaire & correlations with Attitudes Toward Women Scale, male vs female college students, 1978 & 1992, 33992
RANDALL computer program, randomization test of hypothesized order relations in correlations, application of model of vocational interest types, 17764
regression equation technique, predicting group trends using measures of individual differences, implications for applied problem solving, 17752
reliability & correlation of composite standard score computer program for mental health practitioners, 10236
reliability of correlation coefficients & interobserver agreement & Cohen's kappa & generalizability coefficients of a discourse analysis procedure, adults & females aged 15.9–17.11 yrs, 24999
reliability of measures of dispersion & correlation based on least-squares vs absolute-deviation statistics, 134
reliability of spatial embedding estimated correlation dimension from spatial embedding of single-variable time series data in reconstruction of EEG state-space dynamics, 17758
report & use of coefficient alpha, 14447
response distortion in computer vs paper & pencil administered noncognitive selection tests, college students, 21012
sample size, early detection & perception of correlation, college students, 40959
SAS algorithm for simple & complex multiple comparisons among correlation coefficients & applications in psychometrics & mental test theory, 17765
social correlates of suicide rates, Portugal, 1980–1982, 42470
statistical population parameters, Kendall's tau confidence intervals, 34099
statistical test for scree plot, test of equality of & linear decrease in eigenvalues of covariance matrix, 14418
statistics for comparing dependent correlations, 28640
structural equation modeling programs to accomplish hypothesis testing regarding correlation/validity coefficients disattenuated for score reliability, 37558
test–retest correlation of English vs Spanish version of Problem Oriented Screening Inventory for Teenagers, unique Spanish–English bilingual adolescents living on US-Mexico border, 21062
tests & estimates for unknown covariances in saturated models for repeated measures, 14417
use of normalized correlation to account for binaural detection across center frequency, adults, 17846
Visual Basic based Bivariate Agreement Program computer software for analysis of psychological assessment & simulation of normal distribution at various correlations & univariate scores, 10237

Statistical Data—Serials

additive vs direct product model for analysis of multimethod-multirater job performance data, 21204
application of maximum likelihood multiple imputation procedures to maximize usefulness of data obtained with planned missing value patterns, 141
approximate statistic based on nonlinear factor analytic item response theory, control over Type I errors in 1-dimensional & power in identification of 2-dimensional data, 14430
characterization & circumvention of E. Simpson's paradox & analysis of covariance with ordered bivariate data, 10589
computer program for selection & organization & summary of tabular data, conference presentation, 34106
correctly vs incorrectly specified estimation methods for nonexperimental data distribution in covariance structure analysis, 14419
covariance structure analysis of partially additive ipsative data using restricted maximum likelihood estimation, 14420
description & estimates of missing data in longitudinal studies, application of random-effects pattern-mixture regression models, 21165
exploratory data analysis, statistical pattern computation & interpretation of confirmatory data analysis results in hypothesis development, 28624
fitting ARMA time series model as structural equations model using lagged data, 33935
fluctuating asymmetry data & statistical analysis, commentary, 21185
fluctuating asymmetry data & statistical analysis, commentary reply, 40963
improving data tables using National Assessment of Educational Progress tables as examples, 28650
information theoretic framework to analyze knowledge content in multivariate cross classified data & measures of association based on knowledge concept, 20950
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences & study results issues, commentary, 18932
limitations of univariate & advantages of multivariate graphical displays, application to National Assessment of Educational Progress data, 21199
media vs statistical image of youth crime, public perception of youth crime & justice system, 20–39 yr olds, Canada, 38254
model for statistical map reading, cognitive subtasks of map orientation & legend comprehension & surface/legend integration & extraction of statistical information, 21345
nonlinear mixed-effects models in study of individual differences with repeated measures data, 14425
nonparametric statistical approaches for limited quantitative longitudinal data, 21161
ordinal data analysis using ordinal statistics in research, 14423
recommendations on testing & use of pseudo-random number sequences from linear congruential generators in Monte Carlo analysis for risk assessment, 6133
sampling distribution & factor patterns of congruence coefficient using orthogonal Procrustes rotations with simulated data, 17756
sparse multilevel data structure, extra-binomial variation estimates & logistic modeling, 34113
table vs line vs bar graph & high vs low data complexity & user familiarity with display, performance, college students, 41078
uncertainty & statistical sample methods in analysis of longitudinal categorical data, 25154
use of actuarial data & psychoanalytic object relations perspective to treat individuals prone to violence in context of intimate love relationship, 32 yr old female who shot her estranged husband, 31234
variable vs column standardization methods in cluster analysis, 157
3rd person perceptions of attraction & liking, graduate students, development & application of triadic relations model, 21156

Statistical Estimation [See Also Least Squares, Magnitude Estimation, Maximum Likelihood]—Serials

algorithm for estimation of error parameters in psychophysical discrimination experiments, 14457
application of bootstrap error estimation for automatic tuning of parameters in combined neural networks to speech recognition system, 37310
application of maximum likelihood multiple imputation procedures to maximize usefulness of data obtained with planned missing value patterns, 141
approach for estimating psychiatric manpower service & time requirements based on patient's needs & US population, 32799
Bayesian estimation of factor score in confirmatory model with polytomous or censored or truncated data, 21192
bootstrapping with noise, prediction of linear vs nonlinear data, application of general additive modelling, 33855
censored variables, estimates of genetic & environmental influences in family studies, 29228
classical total test score vs item response theory scales, estimation of true vs spurious interaction effects in ANOVA designs in psychological experiments, 21163
computer program designed to administer questionnaires & improvement in estimation of moderating effects, 10357
concept & indicators of & issues to consider in attributing importance to effect sizes, 6138

correctly vs incorrectly specified estimation methods for non-experimental data distribution in covariance structure analysis, 14419
correlation estimates from perceptions of geometric characteristics of scatterplots as example of intuitive decision making, college students, 17833
dependability of W. F. Stout's index of essential unidimensionality in tetrachoric correlations matrices, 143
effectiveness of Vocabulary-Block Design subtest, estimate of WISC-III IQ scores, 5–6 & 8–16 yr old special education students with academic & behavior problems, 10445
estimation of concomitant variable latent class model using EM algorithm, 10585
estimation of conditional measurement error variances specific to individual examinees or each point on raw score scale of test, 14429
estimation of effect sizes in meta analyses of psychosocial treatment outcome using "d" vs other mean difference statistics, 14443
estimation of polyserial correlation coefficient, 129
estimations for & criterion validity of short forms vs full length WAIS-R IQs, neurological vs healthy 16–90 yr olds, UK, 28469
generalized estimating equations method, analysis of within-cluster correlation in regression models with continuous & binary outcomes, application to prevention program effectiveness evaluation, 6146
improved bounds for optimal intervals in weakly constrained regression problems, 17762
index for measurement of differential functioning of test items based on Mantel-Haenszel statistics, 37371
instrumental variables estimation of effect of neighborhood dropout rate on chance of graduating from high school, adolescents, 140
interpolation error estimation in scalp topographic mapping, 532
invariant statistics & measurement structures, 34088
joint consistency of nonparametric item characteristic curves & ability estimation, 21162
mathematical model of random utility representations of "m"-ary relations, 14444
method used to estimate person response vectors & location parameters, person fit distribution, 10579
methods for estimation of interrater reliability vs agreement of subordinate vs superior performance ratings, 25–61 yr old manager ratees, 2716
multimodal data placement & collection model, estimation of threshold & slope parameters of psychometric function, 25223
nonparametric procedures for dimensionality assessment based on estimates of conditional covariance of item pairs, application to Law School Admission Test, 28646
occupancy distribution, estimation of probability of discrimination of baited vs unbaited choices in multiple location search task & test of working memory capacity in sampling of finite population, 14470
omitted variable bias method, assessment of uncertainty in statistical estimation of effectiveness of AIDS education program, inner city African American teenagers, 37565
parameter estimates of equivalent specifications of brand choice models & price elasticities, household vs store scanner data, 14047
performance in large scale simulation study of Crossing SIBTEST, hypothesis testing & estimation procedure for detection of crossing differential item functioning, 17750
population distribution, maximum likelihood vs a-posteriori estimation in simulated computerized adaptive testing using D. Andrich's rating scale model, 28625
probability of superiority estimate, estimation of probability of superior outcome in comparisons of psychotherapy vs placebo vs control, clients, meta analysis, 6139
random effects selection model, estimation of effect size & reduction of publication bias effects in meta-analysis, 17744
Rasch model for speed tests with incomplete statistical data, 37560
real vs false risk statistics for "average person", accuracy of own personal risk estimate, college students, 1024
regression method for estimation of individual genotypic factor scores in linkage analysis, detection of quantitative trait loci, simulated multivariate twin data, 3026
regression modeling & M-estimators, missing data & outliers around central tendency variance due to extreme responses on performance measures, employees over morning vs night shift, 10595
reliability of spatial embedding estimated correlation dimension from spatial embedding of single-variable time series data in reconstruction of EEG state-space dynamics, 17758
response bias & variability of simulated data in mean lateralized readiness potential onset latency, assessment of RT values & ERPs, 14478
robust estimation of effect size under semiparametric models in treatment meta analysis, 33937
role of spline smoothing for nonparametric curve estimation in statistical analysis, conference presentation, 25133
sampling distribution of swap rate under normality assumptions vs bootstrapping using real selection data, selection based on entrance examination rates, university applicants, 2719
simple model of H1 motion detector cell, derivation of closed expression for Fourier transform of optimal reconstruction filter using statistics of stimulus & neuron's firing rate, 21735
simple power approximation procedures, estimates of sample size for significance tests with 1 degree of freedom, 28632
simultaneous optimization of quota-restricted selection decisions with mastery scores, implications for computer assisted instruction, 34108
sparse multilevel data structure, extra-binomial variation estimates & logistic modeling, 34113
statistical analysis & spline smoothing in nonparametric regression & social science & demographic data management with computer based information retrieval system, commentary, conference presentation, 25127
statistics for comparing dependent correlations, 28640
tests & estimates for unknown covariances in saturated models for repeated measures, 14417
theoretical basis & criticisms & statistical significance of "p" values in null hypothesis testing in psychophysiology research, 14471
twofold retrieval by associative pathways free recall & frequency estimation model as predictor of incongruency & expectancy based illusory correlation effects, college students, US & Portugal, 10719
underextraction of factors & components in maximum likelihood factor analysis &/vs principal components analysis, 10569
use of A'r in estimation of area under isosensitivity curve with more than 1 data point, college students, 14426
use of F factors & degrees of freedom in reformulated method for correcting estimated effect sizes computed from factorial ANOVAs in meta-analyses, 28641
use of Gibbs sampling to account for publication bias in meta analyses, 37553
validity coefficients of restandardized vs revised National Adult Reading Test using WAIS-R scores as criteria, estimation of IQ, healthy 19–74 yr olds, 28407

Statistical Measurement [See Also Conjoint Measurement, Frequency Distribution, Predictability (Measurement), Statistical Norms, Statistical Probability, Variability Measurement, Variance Homogeneity]—Serials

Bayesian vs bootstrapping ERP procedures, assessment of memory & deception detection, college students, 25136
concept & indicators of & issues to consider in attributing importance to effect sizes, 6138
effectiveness of response bias indices of willingness to respond in vigilance task, Os, 28645
extension of Brogden's table of allocation averages, index of classification efficiency as function of number of jobs & rejection percentage & score validity & estimate intercorrelations, 10561
features of interrater/test reliability system, interrater & test reliability, 21152
g2 vs B vs spliced indices as statistical answer copying detection measures for multiple choice tests, examinee pairs, 17568

human judgment based vs mechanical evaluation of psychological data, prediction success, meta analysis, 17556
issues in extending & adapting unidimensional linking procedures for use with multidimensional item response theory models, 28631
judgmental & statistical methods for test adaptation & validation of cross cultural assessments, conference presentation, 2478
meta analysis of unpublished studies on self help programs, fail safe "N", 9204
meta analysis to correct effects of sampling & measurement errors & range restriction & artificial dichotomization in social science research, implications for policy making, 17747
model of quantitative assessment of multiple standards & judgments of just earnings, White male vs female workers, 30020
models for assembling tests measuring multidimensional traits based on targets for variance functions of trait estimators, application to 2-dimensional mathematics item pool, 28649
statistical measures for assessment of long term retention, infants, commentary reply, 3348
statistical measures for assessment of long term retention, infants, 3349
statistical measures for assessment of long term retention, infants, commentary, 3379
statistical procedures for evaluation of rough set dependency analysis in artificial intelligence research, 34091
swapping & relabeling utility balance methods in efficient choice designs, implications for consumer choice behavior, 2363
testable behavioral properties & utility measures of gains alone vs gains & losses, 21173
types & errors of measurement of & sampling properties in longitudinal studies, 25137
use of F factors & degrees of freedom in reformulated method for correcting estimated effect sizes computed from factorial ANOVAs in meta-analyses, 28641
use of practical significance in statistical assessment of data, 10575

Statistical Norms—Serials

demographics & general knowledge measure & depression score & results of Danish adaptation of National Adult Reading Test, norms for 8 neuropsychological tests, 64–83 yr olds, Denmark, 28554
MMPI-2 validity & clinical & content & supplementary scale comparisons, restandardization sample vs census-matched subsample norms, 40846
validity of SCL-90-R adolescent & adult statistical norms, outpatient vs nonpatient college students, clinical implications, 34030

Statistical Power—Serials

ANCOVA based on robust measures of location at empirically determined design points in independent random variable distributions, 34110
approximate statistic based on nonlinear factor analytic item response theory, control over Type I errors in 1-dimensional & power in identification of 2-dimensional data, 14430
calculation of & statistical power & Type III error risk & sample size for directional 2-tailed test & comparison with conventional 1- & 2-tailed tests, 146
consequences of ignoring importance of statistical power analysis in study of effect of large body size on foraging behavior under predatory threat, juvenile rainbow trout, commentary, 14452
consequences of ignoring importance of statistical power analysis in study of effect of large body size on foraging behavior under predatory threat, juvenile rainbow trout, commentary reply, 14434
continuous predictor & moderator variables, statistical power of moderated multiple regression in detecting dichotomous variables, 21153
importance of statistical power in planning & interpreting empirical psychological research, 2717
inadequacy of reliance on statistical significance measures in evaluation of cumulated research & reproducibility of phenomenon under review, 131
Monte Carlo studies of Type I error & power properties of univariate & multivariate procedures for testing within-S effects in split-plot repeated measures designs, meta analysis, 14436
paradigm of & techniques for cost optimization in context of statistical power analysis, experimenters, 21203
power differences in univariate vs multivariate statistical detection of repeated measures effects, 28622
power of U3 statistic vs sum of number of Guttman errors, ability to determine unexpected item score patterns or person fit, 10577
preservation of statistical power with minimization of sample size, 40962
rationale & procedures for examining statistical power in ANOVA designs of psychology of aging empirical studies, 21171
repeated measures ANOVA with ipsative data, Type I error rate & power in Monte Carlo paradigm, 28633
research designs for increased efficiency & statistical power, 21210
robustness of Fligner-Policello rank-order test for nonnormal populations with unequal variances & applicability to symmetric vs skewed RT data, 40965
sample size in analysis of levels of statistical power in research published in "British Journal of Psychology", literature review, 1993–94, 28627
simple power approximation procedures, estimates of sample size for significance tests with 1 degree of freedom, 28632
statistical power of Kolmogorov–Smirnov test vs comparing means & other robust measures of location in independent random variable distributions, 34109
statistical simulation package & customized power & sample size tables in research, 6155
type & number of deviant item scores in calibration sample & use of iterative procedure to remove misfitting patterns from dataset, power of nonparametric person-fit statistic, 6144
Type I error control & statistical power of univariate & multivariate omnibus hypothesis tests, 21160
Type I error rate & power of homogeneity Q test in Monte Carlo study, implications for behavior in fixed-effects meta-analytic model, 28634

Statistical Probability [See Also Binomial Distribution, Statistical Power]—Serials

Bayesian interpretive approach to assessment of malingering & presentation of test results in court or forensic settings, 33868
Bayesian network modeling of causal independence, probability assessment & inference, 14432
covariate–outcome relationship information use in cluster randomized designs, precision of randomized trial analyses, 28676
decision theory models for validating course placement tests in postsecondary institutions, 1st yr college students, 17711
Fisherian vs Neyman-Pearson approach to statistical inference to determine chance probability in psychology, 33934
fixed sets under best reply correspondence, solution to games with expected utilities with rank dependent probabilities, 2724
FORTRAN program to calculate probability of observed difference between agreement measures from 2 independent sets of raters, 25125
genetic interpretation of Pearson's correlation coefficient as probability of common descent, 139
hierarchical clustering algorithm using probabilistic similarity measure, location of appropriate clusters of attributes from dichotomous or frequency data, 2722
limitations of Bayes's theorem & effect of base-rate information on decision making in 2-person consensus games, adults, implications for organizational settings, 28851
mathematical complexity in generation & perception & encoding of randomness, students, US & Israel, 25253
modified Dempster-Shafer approach to classification, 17742
predictability of intervals during vigilance, preening sanderlings, commentary reply, 418
predictability of intervals during vigilance, preening sanderlings, commentary, 400

probabilistic user expertise modeling approach, inference of individual's knowledge state, 17739
probability of superiority estimate, estimation of probability of superior outcome in comparisons of psychotherapy vs placebo vs control, clients, meta analysis, 6139
role of Bayesian inference networks for updating of student models in intelligent tutoring systems, 17754
sequential probability ratio test vs sequential Bayes procedures, accuracy of classification of examinees into 2 categories using computerized tests, 17760
simulation probabilities of Type I errors of 2-sample student t test & Wilcoxon-Mann-Whitney test & Welch separate variances t test under variation of homogeneity of variances, 10591
simultaneous optimization of quota-restricted selection decisions with mastery scores, implications for computer assisted instruction, 34108
timing & Bayesian models of patch quality, prediction of optimum foraging performance, pigeons, 398
transferable belief model for decision making in valuation based framework for uncertainty representation & reasoning, 14459
troop size & food availability, troop fission, baboons, test of probability model, 29129
use of empirical Bayes estimator in hybrid univariate & multivariate repeated measures analysis, 37549
use of stand alone executable computer program for determination of statistical differences between clinical sample & specified population proportions, 40964
Variable Response Scale, detection of randomness in Jesness Inventory, honest vs not honest 14–18 yr old male delinquents, 37375

Statistical Regression [See Also Linear Regression, Multiple Regression]—Serials

Barona modification of regression equations for Wechsler IQ scales, prediction of premorbid intelligence from demographic characteristics, 65–103 yr olds, Canada, 110
calculation of academic achievement composite scores for regression discrepancy models & composite's reliability & correlation with IQ score, application to suspected reading disability case example, 10527
decorrelation network training method, regression learning in ensemble neural networks, 33858
description & estimates of missing data in longitudinal studies, application of random-effects pattern-mixture regression models, 21165
evaluation of smart ridge regression vs other linear models of judgment in policy equations & bootstrapping applications, adults, 14433
generalized estimating equations method, analysis of within-cluster correlation in regression models with continuous & binary outcomes, application to prevention program effectiveness evaluation, 6146
imputation of missing value scores for clinical trial subject dropouts, integration of data into random regression model analysis, 28675
IQ mean regression as selection criteria, outcome observations, 4–6 yr olds with Asperger syndrome vs autism, Canada, 2 yr study, 26774
linear regression vs variance/mean method, assessment of spatial patterns of beta-amyloid deposits in postmortem brain tissues, patients with Alzheimer's disease, 4642
linear vs logistic regression, pilot training applicant selection, college-graduated officers in US Air Force Undergraduate Pilot Training, 20845
logistic regression in clinical investigations of personality, 33978
logistic regression model for reconciling experts' differences in setting cut scores for pass fail decisions in educational measurement, 10531
logistic regression model to predict pilot error incidents, male vs female pilots employed by major vs nonmajor airlines, 1986–1992, 40706
Mantel-Haenszel vs simultaneous item bias vs logistic regression procedures, Type I error rates & identification of nonuniform differential item functioning, 21183
multilevel item response models approach to measurement errors in variables regression, 28621
multiple linear regression & hierarchical linear modeling, analysis of effects of perceived psychosocial climate of mathematics classes & student outcome, 5th graders, Singapore, 33452
post hoc & planned comparison regression based procedures, interpretation of standardized residuals & variance of factors in chi-square contingency tables & use in statistical packages, 28623
ratio measure vs regression equations of divorce & marriage rates, prediction of suicide rates, 1950–85, 2720
regression analyses of variables in ordered sequence, independent age-related effects on cognition, adults, 2829
regression-based models using horizontal distance from ankles to load & vertical location of load in calculation of L5/S1 compression forces, adults, 38065
regression equation technique, predicting group trends using measures of individual differences, implications for applied problem solving, 17752
regression modeling & M-estimators, missing data & outliers around central tendency variance due to extreme responses on performance measures, employees over morning vs night shift, 10595
regression to mean phenomenon in Beck Depression Inventory scores in test-retest design, college students, Canada, 2596
regression to mean phenomenon, predictable instability in Beck Depression Inventory scores of psychological distress, college students, commentary reply, 6028
regression to mean phenomenon, predictable instability in Beck Depression Inventory scores of psychological distress, college students, commentary, 6050
robust regression methods & analysis of heavy-tailed distributions & heterogeneity of variance & strategies for studying nonlinear relationships, 14458
role of spline smoothing for nonparametric curve estimation in statistical analysis, conference presentation, 25133
runs test, evaluation of nonindependent errors in time-series regression models, 17746
2-test habituation design & regression analysis of event set by event set factorial multitest design in interpretation of perceptual processing, 5–6 mo olds, 29767

Statistical Reliability—Serials

accuracy & reliability of diagnostic codes for schizophrenia & depressive disorder in administrative health care utilization datafiles, Canada, 38940
development & reliability & validity of Patient Registration Form & use for referral in consultation liaison psychiatry, 10451
geometric interpretation of difference score validity & reliability, 34114
information & reliability as conditional vs unconditional definitions of precision in test score & item response models, 152
inter-transcriber reliability for use of transcription notations in conversation analysis, undergraduate vs graduate students trained in transcription, 15141
intercase reliabilities of standardized patient checklist vs rating scale form, assessment of interpersonal & communication skills, medical students, conference presentation, 6098
item response theory method, estimation of average conditional standard error of measurement for & reliability of scale scores, 14437
latent curve approach, dynamic vs classical longitudinal models of reliability & validity, 21197
maximum vs submaximum work & power efforts, perceived pain & test-retest reliability of simulator system, male vs female adults with work-related cumulative trauma disorders, Canada, 24345
methodological problems in test–retest examination of stability of learning style scores derived from Kolb's Learning Style Inventory, college students, 10 wk followup, 33460
methods for estimation of interrater reliability vs agreement of subordinate vs superior performance ratings, 25–61 yr old manager ratees, 2716
reliability & correlation of composite standard score computer program for mental health practitioners, 10236

reliability & factor structure & convergence of O. F. Kernberg vs S. Akhtar & J. A. Thompson vs DSM-III-R criteria, diagnosis of narcissistic personality, 18–45 yr old psychiatric patients, 12120
reliability & validity of student self-reports of school violence, 5th–12th graders, 36928
reliability of automated information coding for mapping contentiousness & coerciveness & change goals & other aspects of mass political conflict & civil society, 4 countries, 1984–1994, 38473
reliability of measures of dispersion & correlation based on least-squares vs absolute-deviation statistics, 134
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary, letter, 22863
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary reply, 22851
reliability of single-item measure of job satisfaction & perceived & desired amount of participation in decision making, employees in manufacturing organization, 6129
self report stability & agreement rates for age of onset & overall use of substances by group, adults in National Institutes of Health Epidemiologic Catchment Study, 10 yr followup, 19391
structural equation modeling programs to accomplish hypothesis testing regarding correlation/validity coefficients disattenuated for score reliability, 37558
unifying expressiion for maximal reliability of linear composite, 33931
validity & interrater & test-retest reliability of Arthritis Hand Function Test & measures of activities of daily living, 49–87 yr old occupational therapy outpatients with osteoarthritis, Canada, 24342
validity & utility, desktop computer vs interactive telephone administered mental health screening interviews, 23–66 yr old community mental health clinic outpatients, 42151

Statistical Rotation [See Orthogonal Rotation]

Statistical Sample Parameters [See Also Sample Size] —Serials

Bayesian estimation of factor score in confirmatory model with polytomous or censored or truncated data, 21192
behavior of characteristic curve method derived values for sampling distributions of equating coefficients, 128
item parameters, closed-interval signed vs unsigned area statistics for differential item functioning detection, 10570
kappa & weighted kappa, interrater agreement & null hypothesis testing & type I sampling error control, 34103
method used to estimate person response vectors & location parameters, person fit distribution, 10579
MMPI-2 validity & clinical & content & supplementary scale comparisons, restandardization sample vs census-matched subsample norms, 40846
pairwise partitioning as nonmetric algorithm for identifying feature-based similarity structures, 21168
predictive validity of stratified normative data for Dutch version of Rivermead Behavioural Memory Test, elderly patients, Netherlands, implications for clinical neuropsychological rehabilitation, 28562
random digit dial telephone vs self-administered school based surveys, sample demographic characteristics & self-reported drinking & driving behavior, adolescents, 41712
robustness of Fligner-Policello rank-order test for nonnormal populations with unequal variances & applicability to symmetric vs skewed RT data, 40965
self-weighting random sampling technique using electoral registers to provide sampling frame for general population, reprint, 14462
simple power approximation procedures, estimates of sample size for significance tests with 1 degree of freedom, 28632
statistical population parameters, Kendall's tau confidence intervals, 34099

Statistical Samples [See Also Statistical Sample Parameters] —Serials

alternate to Cox & Key's large sample method for conducting post hoc pairwise comparisons as followup to chi-square test of homogeneity of proportions, 10583
complex item sampling, measurement of differential item functioning using Mantel-Haenszel procedure in Monte Carlo study according to balanced incomplete block design, 14414
computer tabulation of sampling distribution of d-prime discriminative sensitivity, 6145
covariate–outcome relationship information use in cluster randomized designs, precision of randomized trial analyses, 28676
direction & magnitude of non-response bias in mail surveys & true sample mean, 2711
effects of preclinical dementia groups on estimates of normal cognitive function, elderly, implications for methods of selection of robust elderly samples, 10600
sampling errors & market research survey data, 14464
statistical simulation package & customized power & sample size tables in research, 6155
use of Gibbs sampling to account for publication bias in meta analyses, 37553
use of multiservice census data to identify persons with dementia, 65 yr olds & older, Scotland, implications for needs assessment, 39509

Statistical Significance—Serials

inadequacy of reliance on statistical significance measures in evaluation of cumulated research & reproducibility of phenomenon under review, 131
issues in responsibility to report study results of Auditory Integration Training on autistic children that are statistically significant vs those that are therapeutically valuable, 35875
limitations of P-value, 40955
meta analysis of unpublished studies on self help programs, fail safe "N", 9204
minaprine vs imipramine, inpatients & outpatients with depression, application of exponential decay curve model of recovery rate, 26467
null hypothesis significance testing vs interval-based estimation, social science data analysis, 28629
options for determining confidence intervals & conducting significance tests for intraclass correlation coefficients, erratum, 10576
outlier detection & downweighting procedure, augmentation of Student t test & Wilcoxon-Mann-Whitney test for control of Type II error probability, 28653
SAS/IML computer program, assessment of statistical significance of mediating variables, 17751
simple power approximation procedures, estimates of sample size for significance tests with 1 degree of freedom, 28632
use of practical significance in statistical assessment of data, 10575
use of statistical significance testing in "Journal of Applied Psychology", 1917–94, 40957

Statistical Tables—Serials

ANOVA model, interpretation of underlying components of interaction in tables of group & individual means, commentary, 14442
ANOVA model, interpretation of underlying components of interaction in tables of group & individual means, commentary reply, 14445
ANOVA model, interpretation of underlying components of interaction in tables of group & individual means, commentary, 14413
extension of Brogden's table of allocation averages, index of classification efficiency as function of number of jobs & rejection percentage & score validity & estimate intercorrelations, 10561
improving data tables using National Assessment of Educational Progress tables as examples, 28650
post hoc & planned comparison regression based procedures, interpretation of standardized residuals & variance of factors in chi-square contingency tables & use in statistical packages, 28623

statistical simulation package & customized power & sample size tables in research, 6155
table vs line vs bar graph & high vs low data complexity & user familiarity with display, performance, college students, 41078
Statistical Tests [See Also Nonparametric Statistical Tests, Parametric Statistical Tests]—Serials
accuracy & skew effects of alpha levels & Type 1 errors for Tukey's pocket test & comparison to t test for various sample sizes, 17741
alternatives to ANOVA F test under assumption violation conditions, meta analysis, 28638
application of Akaike Information Criterion to backward & forward search tests in covariance structure analysis, 14421
binomial distribution method & use of F tables, derivation of confidence intervals for proportion of domain mastery in criterion referenced mastery measurement contexts, students, 2714
calculation of & statistical power & Type III error risk & sample size for directional 2-tailed test & comparison with conventional 1- & 2-tailed tests, 146
complex item sampling, measurement of differential item functioning using Mantel-Haenszel procedure in Monte Carlo study according to balanced incomplete block design, 14414
evaluating magnitude of differential item functioning in polytomous items, 10593
extension of Brogden's table of allocation averages, index of classification efficiency as function of number of jobs & rejection percentage & score validity & estimate intercorrelations, 10561
features of interrater/test reliability system, interrater & test reliability, 21152
Fisherian vs Neyman-Pearson approach to statistical inference to determine chance probability in psychology, 33934
measurement error, statistical tests for mean differences, 37552
outlier detection & downweighting procedure, augmentation of Student t test & Wilcoxon-Mann-Whitney test for control of Type II error probability, 28653
power differences in univariate vs multivariate statistical detection of repeated measures effects, 28622
runs test, evaluation of nonindependent errors in time-series regression models, 17746
sequential probability ratio test vs sequential Bayes procedures, accuracy of classification of examinees into 2 categories using computerized tests, 17760
simulation probabilities of Type I errors of 2-sample student t test & Wilcoxon-Mann-Whitney test & Welch separate variances t test under variation of homogeneity of variances, 10591
statistical equivalence testing, clinical biofeedback research, 5127
statistical population parameters, Kendall's tau confidence intervals, 34099
statistical test for scree plot, test of equality of & linear decrease in eigenvalues of covariance matrix, 14418
tests & estimates for unknown covariances in saturated models for repeated measures, 14417
Type I error control & statistical power of univariate & multivariate omnibus hypothesis tests, 21160
Type I error performance of SIBTEST & Mantel-Haenszel statistical procedures, detection of differential item functioning without latent distributional differences across examinees, 14446
Type I error rate & power of homogeneity Q test in Monte Carlo study, implications for behavior in fixed-effects meta-analytic model, 28634
unifying expressiion for maximal reliability of linear composite, 33931
Statistical Validity [See Also Concurrent Validity, Factorial Validity, Predictive Validity]—Serials
benefits of randomized single-S experimental designs for control of threats to internal validity, 169
cluster analytic validation of DSM-III symptoms of major depression & melancholia, unipolar depressed inpatients, 42285
comprehensibility & reliability & concurrent & predictive validity of Generalized Self Efficacy Scale, assessment of perceived coping ability, adults with arthritis, UK, 14289
confirmatory factor vs common principal component analyses, assessment of validity & stability of structure in psychiatric scales, 14469
convergent & discriminant validity of autophotographic essays, assessment of personal identity, college students, 7712
development & cross validation of empirically derived psychosocial taxonomy, Type I & Type II diabetic adults, Canada, 31620
development & reliability & validity of Patient Registration Form & use for referral in consultation liaison psychiatry, 10451
development & validation of demographic correction system for neuropsychological assessment, elderly with dementia, Canada, 2658
development & validity & internal consistency & reliability of Short Happiness & Affect Research Protocol, measurement of subjective well being, 21–82 yr olds in community or institutions, 2667
diagnostic validity of family history vs clinical interviews, relatives with psychiatric disorders of elderly with major depression vs dementia of Alzheimer's type, 11843
dialectic on current status of validity theory, 10355
dimensional relationship & comprehensiveness & convergent validity of five-factor vs RIASEC models of personality, working adults, 25033
estimations for & criterion validity of short forms vs full length WAIS-R IQs, neurological vs healthy 16–90 yr olds, UK, 28469
external validity of laboratory vs real world aggression studies, meta analysis, 34122
field validity of psychometric model of risk perception regarding nuclear reactor, Midwestern community residents, 14085
geometric interpretation of difference score validity & reliability, 34114
incremental validity of unit weighted composites of Armed Services Vocational Aptitude Battery & Enhanced Computer Administered Test battery, military recruits, 17720
internal & external validation of sales forecasts & simulated human interaction produced by & field applications of information acceleration, adults, 20855
internal consistency & convergent validity & discriminant validity of DSM-IV Personality Disorder criteria, mental health professionals rating patients known to them, 35695
latent curve approach, dynamic vs classical longitudinal models of reliability & validity, 21197
limitations of covariance structure models & reparameterization of restricted factor analysis model for multitrait multimethod correlation matrices, erratum, 137
reliability & factor structure & convergence of O. F. Kernberg vs S. Akhtar & J. A. Thompson vs DSM-III-R criteria, diagnosis of narcissistic personality, 18–45 yr old psychiatric patients, 12120
reliability & validity of rating candidates' characteristics for selection to medical school, interviewers, conference presentation, 9702
reliability & validity of student self-reports of school violence, 5th–12th graders, 36928
social desirability response, validity of self reports of treatment outcome, alcoholics, 9624
statistical performance of qualitative indices for word list learning tests in neuropsychoiogy, 21070
stepwise selection of common battery of predictor tests from Armed Services Vocational Aptitude Battery & Enhanced Computer-Administered Test battery, maximum mean validity, armed services schools, 17578
structural equation modeling programs to accomplish hypothesis testing regarding correlation/validity coefficients disattenuated for score reliability, 37558
type of health care service & patient social & demographic & health characteristics, validity of self reported health care utilization & distribution of reporting error, AIDS patients, 13276
validity & applications for null hypothesis testing, 10571

validity & design of National Assessment of Educational Progress standard based reporting for 1992 assessment of student mathematics performance, 33447
validity & interrater & test-retest reliability of Arthritis Hand Function Test & measures of activities of daily living, 49–87 yr old occupational therapy outpatients with osteoarthritis, Canada, 24342
validity & reliability of Retrospective Childhood & Current Adult Fear Survey, assessment of past & current fears for adults, 17–45 yr olds, 25025
validity & utility, desktop computer vs interactive telephone administered mental health screening interviews, 23–66 yr old community mental health clinic outpatients, 42151
validity of Children's Behaviour Questionnaire vs Reporting Questionnaire for Children, assessment of psychiatric morbidity, 7–14 yr old pediatric primary care clinic attendees & their mothers, Nigeria, 28502
validity of concept of good life encompassing hedonistic & humanist & dialectical & formalist dimensions, 22–70 yr old husbands & wives, Hong Kong, 34893
validity of control question test, detection of deception in criminal case data, Canada, 17605
validity of DSM-IV ADHD predominantly inattentive & combined types, children & adolescents with DSM-III or DSM-III-R attention deficit disorder with vs without hyperactivity, 12329
validity of family history vs family study method for diagnosing schizophrenia related disorders, 1st degree relatives of probands with schizophrenia & schizo-affective & affective disorders, 39047
validity of model of confusion based on Clinical Assessment of Confusion-A checklist, nurses, 40907
validity of SCL-90-R adolescent & adult statistical norms, outpatient vs nonpatient college students, clinical implications, 34030

Statistical Variables [See Also Independent Variables]—Serials

ability to identify relevant variables during investigative work, 12–14 yr old pupils, England, 20587
characterization & circumvention of E. Simpson's paradox & analysis of covariance with ordered bivariate data, 10589
continuous predictor & moderator variables, statistical power of moderated multiple regression in detecting dichotomous variables, 21153
documentation of & reasons for increase in use of variable as term in social psychological & personality research, 24967
generalization of Hopfield method onto Cohen-Grossberg model in solution of large class of combinatorial optimization problems with variable constraint, 14450
group code & structured means analysis methods of hypothesis testing of latent variable means, 40975
importance of stress as variable in psychotropic drug studies, rats, 15096
instrumental variables estimation of effect of neighborhood dropout rate on chance of graduating from high school, adolescents, 140
latent trait & latent class models, analysis of relationships among mixed manifest variables, 14439
methods of path analysis with composites of variables replacing latent variables & comparison with partial least squares, 149
regression analyses of variables in ordered sequence, independent age-related effects on cognition, adults, 2829
SAS/IML computer program, assessment of statistical significance of mediating variables, 17751

Statistical Weighting—Serials

combination of observed scores from sections of tests & shrinkage estimation of linear combinations of true scores, 33933
correlational method to estimate listeners' weighting function for identifying speech signals, listeners, 17849
development of Relative Content Contribution for determining component weights for content-related validity based test battery for job analysis, 14218
linear composites in multiattribute judgment & choices of weight, extension of Wilks' results to zero & negatively correlated attributes, 145
multielement visual display reliability, weighting efficiency of auditory vs visual information, undergraduates, 25197
outlier detection & downweighting procedure, augmentation of Student t test & Wilcoxon-Mann-Whitney test for control of Type II error probability, 28653
simulation of effect of differential component weights, predictive validity & adverse impact of personnel selection battery, 10547
use of scores weighted by patient preference, assessment of importance of domains of quality of life with adapted Functional Assessment of Cancer Therapy, cancer patients in chemotherapy, 21126
weighted least squares fitting using ordinary least squares algorithms, 33930
weighting & number in Twenty Statements Test to measure cross cultural differences in self concept, 16–18 yr old high school students in Hong Kong vs college students in Ethiopia vs Sweden, 40852

Statistics—Serials

application of computer algebra system to teaching of bivariate relationships in statistics courses, college students, conference presentation, 36961
calibration of probability judgments, commentary, conference presentation, 40960
combined Brunswikian & Thurstonian stochastic components of judgment, conference presentation, 40958
context of non-covariant vs covariant relations, statistical reasoning, 6th graders, implications for model of instruction, 22045
contributions to personality measurement & statistics & research design, A. L. Edwards, obituary, 18931
crime statistics & criminological theories to explain race differences in offending, application of cultural determinism & implications for Black culture, 23106
development of cognitive apprenticeship model for statistics instruction in elementary & secondary education, 24572
ethical & theoretical & scientific & statistical considerations in the use of no-treatment control groups & a new design for randomized clinical trials, 40992
excessive demand based job stress & performance & statistical shape of relationship between variables, male officer cadets, Israel, test of inverted-U hypothesis, 24736
Fisherian vs Neyman-Pearson approach to statistical inference to determine chance probability in psychology, 33934
high-level language program to obtain bootstrap-corrected asymptotic distribution-free test statistic, 34096
immediate vs delayed vs group-discussion judgment, propensity to use naked statistical evidence in legal liability decision making, undergraduates, Canada, 20915
INFOBITS computer macro program for calculating information theoretic statistics from behavioral sequence matrices, 14467
measurement & statistics & factor analysis in family psychology research, 40951
model performance statistics provided by decision support systems, assessment of confidence levels in decision making based on models, college students & managers, 14103
statistical training, perception of choice uncertainty as distribution of possible vs single uncertain outcome & use of loss minimizing vs noncompensatory heuristic, decision makers, 2811
structural equation modeling & basic concepts & applications in personality assessment, 34090
structured learning theory as alternative statistical analysis of learning, 6134
training in statistics, general & statistical critical thinking ability, college students, 2827
use of computerized tutor BasicBayes to teach Bayesian inference in statistics, adults, 43610
use of exams to teach statistics & probability concepts, undergraduates, 40389
World-Wide Web interface for teaching & learning of statistics, college students, conference presentation, 36949

Status [See Also Occupational Status, Socioeconomic Status] —Serials
Africentric theory of ethos & values of Africans & African Americans, challenge to privilege & oppression in American society through social work based on multicultural literacy, 9444
attribution based model of conflict escalation as consequence of nonverbal status displays, 17526
consistency of surname counts among authors of introductory psychology textbooks vs frequency of eponyms in psychological literature, assessment of eminence in psychology, 20395
degree of difference in & relative vs absolute ability, status differentiation in task oriented group, adults, Australia, 983
development of biasing sociometric status determination on rating scales with covering computer program, judgment of status via nomination & 7- point scales, 7–14 yr olds, 2481
eminence & historical recognition & placement in cultural configuration, creators & leaders, Japan, 3600
emotional reactions & status characteristics, status differences, adults, 30370
gender & income & educational & occupational status resources, male dominance ideologies, middle-class African American married couples, 41805
gender & race & class perceptions, 14–18 yr old African American females, 29909
gender role association & achievement of eminence, presidents'wives & first ladies, 26103
group size & group status, trait ratings & in-group heterogeneity & identification, college students mean age 22 yrs, 30359
high vs low amount of social anxiety, responses to discussion groups with heterogeneous vs homogeneous member status, female college students, 18998
high vs low status speaker of varying politeness statements, incidental memory for statements, adults, 21423
identification with low vs unknown status in-group with permeable vs impermeable boundaries, desire for individual mobility to another group, 16–34 yr old college students, Netherlands, 22419
impact factor of "British Journal of Psychiatry" vs other general psychiatry journals, 36840
interactional asymmetry, analysis of positioning & interactive frames in workplace interaction & conversation, employer-employee dyads, 17369
manipulation of social status as dominant vs subordinate, social behavior & ovarian function & hypothalamic-pituitary-adrenal function, adult female monkeys, 29176
mathematical model of structural equivalence of actors in interpersonal influence networks & effect on heterogeneity of initial opinions, application of social influence model, 37557
model of status belief diffusion with incorporation of group process theories, 30381
peer acceptance & social status of children who like vs dislike them, 4th & 5th graders, 18602
perceived status of & identification with group, biased ratings on typical & nontypical traits, members & nonmembers of student associations, Netherlands, 22466
perception of parents' getting-ahead-getting-by orientation & intellectual ability & social status, educational & occupational aspirations, 21 yr olds & their parents, Australia, 5 yr followup, 22121
personal evaluations of social comparisons & submissive behavior & shame proneness & social rank, confidence & depression, college students, UK, 3900
personality dispositions attributed to team members, all male & male-female & all female police officer dyads, 22468
politics underlying smoking ban implementation, implications for role of status politics in creation of deviant types, 22331
ranking by classmates on various measures of social status & their correlates, 10th–12th graders, China, 15281
relative group status, differential processing effect in cognitive individuation of ingroup vs outgroup, graduates vs undergraduates & college sophomores vs freshmen, 30441
relative personal & institutional rank or prestige, instances of interpersonal touch, male vs female touchers & recipients at academic meetings, 3746
role status & sex, powerless speech, students & lecturers, 7621
scores on MMPI-2 dependency & prejudice & social status & control & low back pain scales, adults from MMPI vs MMPI-2 normative samples, 1049
secure vs insecure motivation for recognition & fear of power & need for intimacy & prestige & impression-making imagery & peer ratings of recognition seeking, college students, Israel, 15675
situational & status differences in student–student vs student–professor relationships, intention to smile & types of smiles, US vs Japanese college students, 38517
skin color or tone & social status in mate selection preferences, male & female African American college students, 38677
social behavior & cognitive skills, social status, accepted vs rejected children with mental retardation, 35926
social similarity & status measures of social capital, CEO compensation, CEO–compensation committee chairperson dyads, 24737
social status, nonverbal encoding of happiness vs sadness vs anger, males vs females, 3738
status category & congruence, participation in extracurricular activities perceived as threatening to cultural assumptions of prestige & privilege, female 7th–8th grade cheerleaders, 5685
status characteristics of members, dynamic model for formation of dominance structures in small task groups based on social psychological theory of expectation & social network research, 15642
status elevation ceremonies, deconstruction of degraded identities & reconstruction of new identity & socially acceptable elevated status, actors with degraded identities in Alcoholics Anonymous, 3829
stimulus valence & relative group status & size, social discrimination in positive & negative outcome allocation to ingroup vs outgroup, adolescents & adults, 7624
target membership in majority vs minority vs equal number sex category & target sex & dominating vs dominated social status, perceived sex membership salience, college students, 7627
the process of concept exploration as exemplified in the case of undocumentedness, immigrants, political & economic & social & public health implications, 25978
victim vs bully vs outsider roles in bullying process & social acceptance vs rejection & belongingness to group, self estimated behavior in bullying situations, male vs female 12–13 yr olds, Finland, 3476
Stealing [See Theft]
Stelazine [See Trifluoperazine]
Stepchildren—Serials
perception of relationship quality & ability to acquire social support & reframe problems & agree on childrearing & satisfaction with remarriage, adolescent stepchildren & stepmother, 30163
period of 1-parent family life & child's preadolescent or adolescent development, relations with sons vs daughters in stepfather families, remarried mothers, literature review, 30165
Stepfamily—Serials
communication with mother vs father, 12–19 yr olds in stepfamilies formed after mother's divorce & remarriage vs father's death & mother's remarriage vs biological families, 30161
consensus in relations between children & new parent & spouses as role strain prediction factors, stepfamilies reconstituted following divorce, 30164
demographic data & federal & state policies on stepfamilies & stepparent stepchild relationships & model covering legal protections for stepchildren & rights & obligations of stepparents, 30162
family relationships, adolescent social competence & cognitive agency & externalizing behavior, nondivorced vs stepfather families with 9–13 yr old children, 38540

growing up in stepfamilies after divorce vs single-parent vs unstable vs stable intact families, intimate relationships & relational attitudes & well being, 15–24 yr olds, Netherlands, 30166
perceptions of successful vs unsuccessful aspects of stepfamily therapy, clients, 16555
perceptions of successful vs unsuccessful aspects of stepfamily therapy, clients, commentary reply, 43038
perceptions of successful vs unsuccessful aspects of stepfamily therapy, clients, commentary, 43023
period of 1-parent family life & child's preadolescent or adolescent development, relations with sons vs daughters in stepfather families, remarried mothers, literature review, 30165
Program Box Ritual technique, pre-marital & second marriage family counseling, case example, 27266
psychosocial family history & therapist assessment of remarried family life, stepfamilies seeking help in mental health facilities, 32236
typology of stepfamilies based on past orientation & acceptance of difference & focal subsystem & number & ages of children from previous & current marriages, remarried couples, 30159

Stepparents—Serials
affective reaction to parental behavior & perception of parental acceptance & birth parent vs stepparent relationship, reciprocity in response to parental behavior, 12–16 yr olds, Australia, 38577
perception of relationship quality & ability to acquire social support & reframe problems & agree on childrearing & satisfaction with remarriage, adolescent stepchildren & stepmother, 30163

Stereopsis [See Stereoscopic Vision]

Stereoscopic Presentation—Serials
algorithms for creating random-element stereograms on Macintosh, 14460
apparent depth discrimination in dynamic random dot stereograms, monkeys, 6416
binocular matching of vertical & horizontal contours & detection of interocular correlation for oriented dynamic random line stereograms, adults, 14505
issues in design of studies of effectiveness of stereo imaging, 14523
stereoscopic information & changing size cues, forward linear vection in self motion perception in depth, 17–47 yr olds, 10637
3-dimensional image on retina, stereoscopic depth cues & rapid visual stabilization of eyes in tracking of large moving scenes, humans & monkeys, 2915

Stereoscopic Vision—Serials
apparent depth discrimination in dynamic random dot stereograms, monkeys, 6416
background color, reversal in sign of monocular chromatic diplopia & binocular chromostereopsis, adults, 6253
binocular matching of vertical & horizontal contours & detection of interocular correlation for oriented dynamic random line stereograms, adults, 14505
color discrimination & stereoacuity & contrast sensitivity, 24–56 yr old outpatients with Down's syndrome, 39300
development of stereotest using dynamic random-dot stereogram, evaluation of stereoscopic ability, 5–10 yr olds with esotropia, Japan, 23503
disparity tuning of stereoscopic motion aftereffect, adults, 2778
experimental strabismus induced diplopia during infancy, development of stereoblindness, monkeys, 6415
experimental strabismus induced diplopia during infancy, developmental reduction in excitatory binocular neurons of visual cortex, monkeys, 6614
field of view & viewing distance & environmental effects, fusional limits of binocular vision in stereoscopic displays, 22–50 yr olds, 21276
generality of detection of stereoscopic disparity in parallel across visual field, Ss, 21280
gradual vs step changes in stereographic viewing distance & time on stereographic object task on CRT, accommodation & task performance, 18–45 yr olds, 21274
interocular spatial frequency differences, stereopsis, adults, 14517
issues in design of studies of effectiveness of stereo imaging, 14523
linear spatial frequency & disparity tuned filters of correlated vs uncorrelated band pass 1 dimensional noise pairs & orientation of stimulus envelope, stereopsis & localization, Os, 218
normal vs reversed parallax vs monocular conditions, virtual reality display system viewing of familiar & unfamiliar images & performing ring & hook test, strabismic patients & normal vision adults, 23507
observing binocular 3-D images & visual distance, accommodation & pupil functions, female students, 21243
ocular alignment & fusional amplitude & AC/A ratio & stereoacuity & accommodation & pupil size, viewing stereoscopic Hi-Vision TV, 24–69 yr olds, 21279
performing 3-D visually guided tasks using a head-mounted display, visual & oculomotor function, 22–27 yr olds, 21250
processing of & visual sensitivity to surface structure from motion & stereopsis & discrimination thresholds, adults, 37635
representation of depth in stereoscopic virtual reality displays, literature review, 6252
size of reconstituted image in front of vs behind monitor image, accommodation point of stereoscopic 3-dimensional images with binocular disparity, females (mean age 21.1 yrs), 21253
smoothness of the velocity field & frequency & amplitude & density & surface complexity, detecting 3-D surfaces & optic flow, undergraduate & graduate students, 28730
spatiotemporal aspects of binocular correlation in stereopsis, Os, 10629
unified approach to study of perception of motion & stereopsis & static flow patterns, 6241
viewing conventional vs binocular stereoscopic television, critical flicker frequency measurements of fatigue, expert and nonexpert viewers, 21273
viewing 3-D images with vs without fragrances, mood changes, college students, 22537
3-D viewing experience, ability to point to images generated by stereoscopic 3-D image display, college students, 21252

Stereotaxic Atlas—Serials
brain activation during comprehension of sentences varying in linguistic complexity, adults, 29351
brain maps of retrieval & recovery modes of episodic retrieval, adults, 14866
cerebral central pattern generator & connections with buccal feeding circuitry, Aplysia, 29347
chronic vs acute alcohol consumption & acute withdrawal, regional distribution & density of dopamine transporter, alcohol preferring vs avoiding monkeys, animal model of alcoholism, 29328
computerized multiresolution flattening & surface based coordinate system for generating 2-dimensional maps of cerebral cortex, 3059
EEG mapping with band powers & coherence & continuous estimation of high time & frequency resolution, sequences during category concept activation & patterns comparison, Ss, 14879
EEG power mapping & coherence analysis & source localization of epileptiform activity & psychoneurological assessment, male patients who cleaned after Chernobyl disaster, 1986–87, 16229
EEG topographic differences in relative vs absolute beta power in 15–45 Hz range across brain regions, male vs female 47–89 yr olds with dementia of Alzheimer's type vs multi-infarct dementia, 16333
electrocortical stimulation vs positron emission tomography, language localization mapping, 17–43 yr olds with intractable epilepsy, 34036
epoch averaged EEG in localization of word & face recognition memory, 18–40 yr olds, 18203
functional brain mapping during conceptual vs perceptual memory components, adults, 10925
hierarchical brain mechanisms of anxiety, rats, 29478

hierarchical organization in forebrain nucleus HVc of auditory temporal context sensitivity in song, adult male zebra finches, 29325
imaging assessments of landmark & survey environmental judgments realized as distinct functional neuroanatomical regions, 18–27 yr olds, 34512
interstimulus interval, sural nerve pain EP scalp topography, college students, implications for measurement of spinal & supraspinal pathway excitation, 18204
local anesthesia, relationship of reorganization of receptive fields of nucleus gracilis neurons to reorganization of somatosensory cortical maps, rats, 14868
localization & organization & density of lateral hypothalamic neurons projecting to central amygdaloid nucleus, male rats, implications for brain self stimulation behavior, 29377
mapping patterns of regional brain activation, rats receiving nicotine vs cocaine, animal model of neural substrates underlying compulsive self-administration, 21690
model of perceptual magnet effect, language specific auditory experience & prediction of perceptual effects from neural activities in map, 21303
MRI localization of neural systems activated during performance of precisely timed finger tapping movements, 18–31 yr olds, 41352
multiple-stimuli oddball vs single-stimuli task methodology with visual vs auditory stimuli, P300 ERP topography, college students (mean age 19.8 yrs), 6719
neuroimaging & brain structures involved in ADHD, literature review, 42594
neuroimaging studies & involvement of corticostriatal circuitry in pathophysiology of Tourette's syndrome, 42829
presence & number & location of hyperintensities in brain, neuropsychological status, 8–16 yr olds with neurofibromatosis Type 1, 23270
tolerance to sound intensity of binaural coincidence detection in nucleus laminaris, adult barn owls, 29346
topography & strength & laterality of channel ERP maps to sentence endings of different correctness & verbal vs nonverbal surface form & priming & repetition count, adults, 14822

Stereotaxic Techniques [See Brain Stimulation, Chemical Brain Stimulation, Electrical Brain Stimulation]

Stereotyped Attitudes—Serials

abstractness vs concreteness of social acceptability & objective life accomplishments, social response to mental disorder, female undergraduates, 19118
accuracy of ingroup & outgroup stereotypes, Black vs White college students, 11693
activation of positive vs negative Maori vs nondescript ethnic stereotype, judgements of responsibility for positive & negative stereotypic behaviors, college students, New Zealand, 30088
affect & cognition & stereotyping, attitudes toward deaf persons, college students, conference presentation, 42872
affect &/or behavior relevant vs inconsistent information, stereotypical judgments, adults, 7645
African American critiques of White presumptions of innate Black mental inferiority applied to analysis of R. Herrnstein & C. Murray's "The Bell Curve", 3917
age & sex & occupational label, social role theory of age-related agency stereotype, college students, 11687
age & sex of perceiver & target & neutral vs smiling facial cues of target, age & stereotype judgments of target photographs, 18–96 yr olds, 22471
age-associated stereotypes & job age-type & cognitive busyness, ratings of younger vs aged applicants' potential in simulated employment interview, undergraduates, 13923
age stereotyping of older vs middle-aged vs young females, undergraduates, replication & expansion, 7670
ageism, aging & health care policy & delivery, 1963
aging process vs generational perception, stereotyped attitudes toward older generation, young adults, 3545
antecedents to ingroup vs outgroup emotional responses to & stereotyped attitudes toward Surinamese vs Turkish or Moroccan ethnic groups, adults, Netherlands, 1018
attitudes toward elderly, implicit memory for adjectives consistent vs inconsistent with negative elderly stereotypes, college students, 6379
biased referential processes & status processes & sex categorization & cueing of gender stereotypes in interaction & conservation of gender inequalities in employment, 30237
biological markers of crack cocaine use during pregnancy & class & racial divisions & US reproductive politics, construction of "dangerous mother" stereotype, 41922
category-based subjective expectancies, amount & kind of individuating information sought when trying to make accurate judgments about attitudes of stereotyped group members, college students, 38718
category labels, priming for retrieval of typical vs atypical category members in social categories, college students, paradoxical implications for stereotype change, 2882
causal assumptions in stereotypic beliefs about African Americans, construal of social information, White college students, 22254
change & stability in marital expectations & beliefs & institutionalized notions of marriage, 17–27 yr olds, 1967 & 1994, 7474
choice of curricular track, psychological androgyny & traditional sex role stereotypes & feminine orientation, 16–18 yr old female students in vocational cosmetology class vs mathematics class, 25912
class based racial stereotyping & sociohistorical analysis of psychological experiences of & psychotherapy for rape survivors, African American females, 32050
cognitive & motivational factors in stereotype formation & maintenance & application & change, literature review, 15629
comparison information about stereotypic racial beliefs & validation of personal beliefs, college students, 7685
conception of ability & sex-type of sport task, self-efficacy, male vs female undergraduates, 15505
consensus vs accuracy motivation, development of shared impressions of stereotyped targets through conversation, same-sex dyads, 7630
control deprivation induced by insoluble problems, stereotype use in social judgments, high school students, France, application of cognitive theories of learned helplessness, 38713
control in information seeking, preference for matching vs mismatching information, undergraduates, 7667
cooperative contact with member representative of negatively perceived group, attitude amelioration, undergraduates, test of contact hypothesis, 35267
cultural individualism/collectivism, physical attractiveness stereotyping, college students, South Korea, comparison with North American data, 41864
cultural stereotype & category activation, high & low prejudiced White college students, 18891
descriptions of Blacks & Asians & physically attractive & male homosexuals, affect associated with group & content of group stereotypes, Anglo American adults, 38704
development of sex stereotype knowledge, male vs female Portuguese 8 vs 11 yr olds living in France vs rural vs urban areas in Portugal, replication & extension, 29906
dimensions of stereotypes of own vs other group, Chinese vs European 13–16 yr olds, New Zealand, 3490
disconfirmation of positive vs negative stereotypical & counterstereotypical traits, use of trait to describe group as whole, 16–17 yr old male Spanish high school students, 26205
discrediting of stereotypical information, reliance on individuating information in social judgment making, college students, 3824
drawings of very clever or stupid or nice or nasty people, elicitation of children's ideas about difference & disability, 8–10 yr old primary school students, England, 29931
evaluation of stereotypes related to common first names, religious identity, 16–50 yr old Israelis vs Jews, Israel, 7446
exposure to counterexample of fictitious outgroup member with disconfirming actions attributed to stable vs unstable or internal vs external cause, attitudes toward outgroup, college students, 3838

exposure to negative stereotype-related behavior of single Black confederate, perceptions & avoidance of subsequently encountered Black confederate, college students, 3592
factor analysis of thin vs muscular vs overweight physique stereotype traits in semantic differential format & comparison with five factor personality model, college students, replication & extension, 38697
gender cues in computer voice output, sterotypic responses, college students, 38592
gender-marked language, personality perception, college students, 3823
gender stereotype & biased responses to case vignettes describing males vs females, psychologists vs university professors vs college students, 35144
gender stereotypes in perception & expression of vocal affect portrayals of neutral vs fear vs anger vs happiness vs sadness emotional content, male vs female college students, 15501
hair color & cosmetic use, perceptions of job applicant's professional ability, female 16–65 yr olds, 11688
identification & evaluation procedures & curriculum & instruction & changes in beliefs & stereotypes, resolution to underrepresentation of minority students in gifted programs, 13888
impact of applied & theoretical psychological interpretation of unfit mother concept & maternal skill stereotypes, 23–44 yr old non-custodial mothers, 3640
impact of stereotypes & prejudice on judgments of public policy & consequences for individual members of stereotyped groups, adults, 22481
implicit stereotyped Jewish objectionable traits in letters of reference from R. S. Woodworth for university enrollment or academic psychology hiring, social history of psychology in 1930s, 10352
implicit vs explicit self stereotyping, memory, 60–90 vs 18–35 yr olds, 15696
individuating information about 1st America's Cup all female team, gender stereotyping of traits & outcome judgments, college students, 11610
information sources used to understand learning disabilities, 1st yr education students, Canada, implications for prevalence of stereotyped attitudes toward learning disabled pupils, 17108
integration of R. Plutchik's & R. Lazarus & S. Folkman's & S. Bem's theories into model, prediction of typical & stereotypical sex differences in emotion & personality measures, adults, 953
intentional forgetting of stereotypical information from long term memory, college students, 30511
language accent ethnicity & strength & identification & monocultural vs multicultural ethnic contact, speaker status & solidarity evaluations & stereotyping, 10 vs 12 yr olds, Australia, 15438
male vs female vs female affirmative action employee & successful vs failure vs ambiguous vs none performance information, competence evaluations & salary recommendations, managers, 40556
mismatch between stereotypical gender of referent & sex-specific pronoun in sentence, reading time & comprehension, undergraduates, England vs Spain, 17895
mood & salience of distinguishing information as seen in stereotype consistency regarding group members, perceptions of groups as homogeneous, college students, 3826
negative vs positive stereotyped perceptions of Hispanic vs Euro-American persons, 23–41 yr old Euro-American MBA graduates, 41862
number of negative stereotypes against men vs women, male vs female college students, implications for gender differential socialization, 35142
open-ended vs rating tasks & attribute category, perceptions of younger vs middle-aged vs older adults, 17–24 yr old undergraduates, 11694
perceived group variability, use of social & racial stereotypes in judgments of individual group members, college students, 3830
perceived national stereotypes & identifications & level of inclusiveness, adults, Poland vs Netherlands, 7623
perceived resemblances between Whites & Hispanics in general & successful Hispanic managers & middle managers in general, male vs female 23–44 yr old MBA students, 15444
perceived status of & identification with group, biased ratings on typical & nontypical traits, members & nonmembers of student associations, Netherlands, 22466
perceived variability of target person relative to social category stereotype & own attitudes toward issue, impression formation, college students, 7681
percentage measures of stereotyped trait attributions & social categorizations, college students, US vs Italy, 22475
perception of personal cost of male vs female deviation from gender-congruent occupations, 18–45 yr olds, 7548
perception of school subjects as masculine vs feminine & intrinsic &/vs extrinsic motivation, choices & sex stereotyped attitudes, male vs female Year 11 & 13 students, England & Wales, 2211
perceptions of host country & citizens & stereotypes & attitudes toward & perceived variability of host country citizens, US college exchange students assessed before vs after studying in West Germany or UK, 7679
perceptions of task performance flexibility, effects of stereotype-inconsistent information on impressions of older college educated employees, college students, Netherlands, 18657
personal beliefs & perceived cultural stereotypes, favorability of in- vs out-group racial characteristics, 18–39 yr old Blacks vs Whites, 3751
prevalence & genuinely complimentary nature of benign stereotypes of Jews & underlying prejudice, adults, implications for antiSemitic prejudice, 15445
ratings of typicality & desirability of personality traits & behaviors for traditional vs nontraditional boys vs girls, college students, 7543
realistic conflict theory & social identity theory of stereotyping & prejudice, implications for in-school intervention programs, 30031
receipt of American Psychological Foundation Gold Medal Award for Life Achievement in the Practice of Psychology concerning cultural stereotypes & prejudices, T. M. Abel, 40242
role of masculine ego justification in traditional gender stereotypes, implications for application of theory of gender behavioral flexibility, Africa, 22344
sadness, correction of positive vs negative stereotypes, college students, 30435
selective self-stereotyping in response to threat of negative ingroup characterizations, college sorority/fraternity members, 15621
self- or public-perceived threats & group status or distinctiveness, self-stereotyping as group member, 17–55 yr old college students, Netherlands, 26182
self-image & smoker stereotype, prediction of smoking onset, 5th–8th graders, longitudinal study, 11420
self-related motives, individuating vs stereotypical information processing in perceiving outgroup target, undergraduates, 7677
sensitivity of trait ascription vs perceived variability stereotype measurement techniques, college students, 22462
sentences containing reflexive pronoun referring to definitionally or stereotypically male or female antecedent noun, event-related brain potentials, male vs female college students, 34568
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, 34937
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, errata, 41727
sex, attitudes toward & flexibility of gender stereotyping during adolescence in transition into junior high school, 4th–11th graders, longitudinal study, 7308
sex, creative writing when provided with story starters introducing male vs female character, 3rd & 6th graders, 24566

sex role stereotypes & domestic violence participants' race & relationship intimacy, culpability attributions, European American college students, 3681
sex role stereotypes in judgments of male vs female actors with masculine vs feminine script, male vs female 7–12 yr olds, 25890
sex roles & stereotypes & mental illness, 4065
sex typed behaviors of hypothetical peer, preferences for child most exemplifying stereotyped traits of own sex in friendship judgments, K–2nd vs 3rd–6th graders, 7392
single- vs multi-trait vs social stereotype expectancies, recall of behaviors & person impression formation, adults, 38762
social stereotypes, behavioral style & influence of females, male college students & female confederates in mixed-sex groups, 15600
social validation by in-group vs out-group traits, stereotype applicability & sharedness, college students, Australia, 7663
societal pressure & negative stereotypes, identification with school & academic success, females & African Americans, 37045
stereotyped & prejudiced evaluation of others, self-image maintenance & self affirmation, adults, 35268
stereotyped attitudes & symbolic beliefs & emotional responses in assessment of attitudes toward labels for Native Peoples, college students, Canada, 15626
stereotyped attitudes, nurses & nursing students, literature review, 5524
stereotyped perceptions of female pornography stars vs female movie stars vs prostitutes, college students (mean age 28.34 yrs), 30279
stereotyped perceptions of physique subtypes & corresponding personality traits, college students, 26215
stereotyped setting of low vs high minimum competency vs ability standards for simulated Black vs White & male vs female job applicant, college students, 22233
stereotypes about women &/vs leadership prototypes, effectiveness ratings of women leaders with relationship- vs task-oriented styles, college students, test of role incongruence hypothesis, 38661
stereotypes, assessment of male vs female White vs Black job applicants, male vs female White college students, 33610
stereotypes, expectations about trait-related behavior, college students, 30434
stereotypes, tacit inferences of social behavior, college students, 42013
stereotypic attitudes & behavioral intentions toward physically handicapped peer, 3rd–6th graders, 4553
stereotypic representations of ingroups & outgroups conveyed in conversation, college students, 41964
stereotypical attitudes toward Asian vs Oriental Americans, college students, 26017
stereotypical attributes for Whites & African Americans, questionnaire measures & stereotyping & prejudice affects, White college students, 18714
stereotypical images of criminals & victims, fear, 13–60+ yr old homeless African American vs White upper-middle-class females, 35853
stereotypicality of gender role identity & cognitive & affective characteristics, assumption of caregiving role for elderly relative, 21–69 yr old males, 20251
stereotyping & ingroup favoritism, adults, Belgium vs Germany vs Great Britain vs Netherlands vs France vs Italy, 3816
support of stereotypes about male sexuality & resulting sexual behavior strategies, 20–60 yr old females, 30259
target marital status & age, personal & professional trait perception, college students, 38717
targets with extreme vs moderate deviance from stereotypes, stereotype assimilation or enhancement, college students, Canada & US, 30433
time pressure & ethnic identity of target & emotional responses, use of stereotypes in impression formation & recognition memory, adults, Netherlands, 7656
trait construct & priming & activation of stereotypes toward rudeness & elderly & African Americans, automaticity of social behavior, college students, 3801
use & misuse of commonly held perceptions of females' difficulties in science & mathematics, challenges to historical stereotypes, 950
utility of open-ended measures, assessment of intergroup ambivalence & stereotypical attitudes toward immigrants, college students, Canada, 17593

Stereotyped Behavior—Serials

activation of positive vs negative Maori vs nondescript ethnic stereotype, judgements of responsibility for positive & negative stereotypic behaviors, college students, New Zealand, 30088
assessment of direction of turn stereotypes for 2-D horizontally moving displays & 3-D display/control arrangements & RT as measure of compatibility of displays & controls, adults, Australia, 17808
binge cocaine administration & resultant increases in corticosterone levels, behavioral stereotypies, rats, 34714
broader autism phenotype defined by social & communication deficits & stereotyped behaviors, mothers & fathers of 4–28 yr old autistic siblings vs 2–27 yr olds with Downs syndrome, 23170
cage with sand vs burrow vs chamber accessed with vs without tube, stereotypic digging behavior, young gerbils, 29195
consequent stimuli, stereotypical & self injurious behavior, 9 yr old male & 20 yr old female with severe developmental disabilities & sensory impairments, 27226
cultural stereotypes & other issues in alcoholism, Irish American Catholics, 23082
development of stereotypical vs normal digging & retreating behavior in lab vs natural vs burrow environments, 15–37 day old Mongolian gerbils, 25430
dextroamphetamine induced focused stereotypy, neuronal responses in dorsal striatum, male rats, 29601
direct vs indirect dopamine agonists, behavioral sensitizaton to stereotypy, male mice, 6824
disconfirmation of positive vs negative stereotypical & counterstereotypical traits, use of trait to describe group as whole, 16–17 yr old male Spanish high school students, 26205
dopamine & haloperidol, amphetamine-induced stereotypy & locomotion, male rats, 29526
dose range of MK-801 vs CPP, stereotyped behavior & ataxia & locomotor activity & righting reflex latency, guinea pigs, 6938
effectiveness of Stereotypy Analysis in determining differential rates of stereotypic behaviors in relation to ongoing environmental events, 26–48 yr olds with developmental disabilities, 25084
eticlopride, cocaine- & dopamine D2 receptor agonist-induced hypermotility & penile erection-enhancement & stereotyped behavior, male rats, 11130
evolutionary explanations for species differences in food related stereotypies & foraging, captive pigs & chickens & mink, 34334
high doses of morphine sulfate, sensitization to morphine induced oral stereotypy & its reexpression 6 mo after sensitizing dose, male rats, 3265
histamine precursor vs l-histidine decarboxylase inhibitor, methamphetamine induced stereotypy & behavioral sensitization, male rats, 29562
ibotenic acid lesions of prefrontal cortex after established amphetamine behavioral sensitization, expression of stereotypy & locomotor hyperactivity, male rats, 25483
icv mu vs delta vs kappa selective opioid receptor subtype antagonists, total &/or ambulatory &/or stereotypic locomotor activity, male rats, test of antagonist-induced weight loss hypothesis, 11161
length of time in orphanage, eating & medical & stereotyped behavior problems, adopted Romanian children (mean age 31.5 mo), Canada, 29709
lifetime history of Axis I diagnosis & family history & persistence of thumb sucking & rocking from infancy, prevalence of DSM-IV stereotypic movement disorder, intellectually normal 9–48 yr olds, 1347
manipulations of prevocational task requirements & task sequence & reinforcement contingencies, stereotypy, 12 yr old with severe mental retardation, 19836

medical terminology for ritual handwashing, 42376
methamphetamine with vs without scopolamine, behavioral sensitization & drug conditioning, rats, 7114
mu opioid receptor agonist DALD, horizontal movement & rearing & stereotypy times, rats, 18319
object manipulation maintained by substitutable reinforcement, stereotypic self injurious behavior, 30–33 yr olds with profound mental retardation, 32174
object preferences, counting task performance & stereotypy, 5 yr old male with autism, implications for teaching, 35885
olfactory stimuli predictive of heroin availability, reinstatement of drugs-seeking behavior, rats, 34681
omega-3 fatty acid deficiency, home cage stereotyped behavior, monkeys, 562
ontogeny of stereotypic wire-gnawing & jumping behaviors, conventional albino vs nude athymic mutant strains of mice, Switzerland, 37921
OPC-14597 vs OPC-4392 vs (-)-3-PPP vs talipexole & interactions with haloperidol or pindolol or reserpine, yawning & stereotypy & rotation, 6-OHDA treated rats, 6896
plasma HVA, 18–60 yr olds with severe or profound mental retardation with vs without body vs object stereotypy vs compulsions, implications for dopamine deficiency model, 8392
preoccupation with female sex-stereotyped activities & objects, 3 & 5 yr old males with autism, case studies, 12339
prevention of wire gnawing on cage lid, serum corticosterone concentrations & validity of coping hypothesis, rats in barren housing conditions, 21781
previous cocaine exposure, dose effect curve for locomotor effects of cocaine vs RTI-55 vs mazindol vs GBR12909 & stereotyped behavior, rats, implications for cocaine rehabilitation, 6877
problems & methods & integration of research in study of stereotyped behavior, 25152
provision of hay vs grass cubes vs gnawing sticks vs box, stereotyped or abnormal behavior, individually caged male rabbits, 34443
ratings of typicality & desirability of personality traits & behaviors for traditional vs nontraditional boys vs girls, college students, 7543
reactive self-monitoring, reduction of inappropriate social & stereotypic behaviors, 29–48 yr olds with mild to moderate learning disabilities, 32172
remoxipride & risperidone & sertindole & olanzapine & quetiapine, phenylcyclidine-induced stereotyped behaviors & social interaction, male rats, animal model of schizophrenia, 41518
repetitive motor patterns & object manipulation & behavioral rigidities & tactile defensiveness, 7–14 yr olds with developmental disabilities & autism, 26744
response contingent interruption prompting of stereotypic behavior, on-task behavior, 9–31 yr olds with severe intellectual disability & autism, 16531
selective serotonin reuptake inhibitors, stereotypic behavior, 22–53 yr olds, case reports, commentary, 36516
sense of female identity & gendered parenting practices, self-esteem, 18–23 yr old females, 41924
sensitization of amphetamine induced stereotypy, acquisition & retention of tolerance to amphetamine hypophagia, male rats, 3293
serotonergic & GABAergic agents, oral stereotypies & standing & preening & drinker directed activity & pacing, female food restricted breeder fowls, 6955
sex typed behaviors of hypothetical peer, preferences for child most exemplifying stereotyped traits of own sex in friendship judgments, K–2nd vs 3rd–6th graders, 7392
single- vs multi-trait vs social stereotype expectancies, recall of behaviors & person impression formation, adults, 38762
staff strategies & explanations & challenging behavior, community vs institutional nurses & staff aged 16–46+ yrs, replication, England, 40006
stereotyped category-based expectancy violation, extreme evaluation of member of ingroup vs outgroup, college students, 30418
stereotyped echopraxic self-injurious behavior, 27 yr old female with severe Tourette's syndrome, case report, 4648
stereotypes, expectations about trait-related behavior, college students, 30434
support of stereotypes about male sexuality & resulting sexual behavior strategies, 20–60 yr old females, 30259
time budget & feedings, frequency of oral stereotyped behaviors, tethered heifers, 34462
trait construct & priming & activation of stereotypes toward rudeness & elderly & African Americans, automaticity of social behavior, college students, 3801
tryptophan restricted diet, serotonin reduction & self-grooming chain completion, female rats, 21788
weaning age or weaning weight, physical condition & stress level & plasma corticosterone level & stereotypy performance, male mice, 34493
whole-interval DRO vs momentary DRO, stereotyped behavior, 26 & 29 yr old males with severe learning disabilities, 32163
7-OH-DPAT vs apomorphine or quinpirole, spontaneous locomotion & operant food responding & electrical self-stimulation of ventral tegmental area & induction of stereotypies, male rats, 6868

Sterilization (Sex) [See Castration, Hysterectomy, Vasectomy]

Steroids [See Also Cholesterol, Corticosteroids, Progesterone]—Serials

abecarnil, foot shock stress induced changes in brain cortical neuroactive steroid concentrations, rats, 15003
anabolic-androgenic steroid use, criminal behavior, 16 yr old male murderer assessed by forensic evaluation & adult male prisoners, 31385
anabolic androgenic steroid use, hypomania & perpetration of child sexual abuse, male 25 yr old, case report, letter, 12146
anabolic-androgenic steroids &/vs d-amphetamine, brain stimulation reward in rate–frequency curve shift paradigm, male rats with electrodes in lateral hypothalamus, 11116
anabolic-androgenic steroids, aggressiveness & spontaneous activity & sexual behavior, male vs female mice, 6838
analgesic neurosteroid 3a-androstanediol & progesterone in medial basal hypothalamus & preoptic area, tailflick latencies & sexual behavior, ovariectomized female rats, 21844
androgenic neurosteroid activity at GABA receptor complexes, sexual receptivity, ovariectomized rats, 6895
androgenic neurosteroid interaction at GABA receptor complexes in medial basal hypothalamus vs preoptic area, lordosis & aggressive behavior, ovariectomized rats, 6894
antiglucocorticoid properties of dehydroepiandrosterone sulfate, memory of contextual vs auditory fear conditioning, rat pups, 34653
carbohydrate deficient transferrin & sex steroids & iron status, pregnant females, implications for fetal alcohol syndrome, 11053
classroom interventions in Adolescents Training & Learning to Avoid Steroids program, prevention of anabolic steroid use, male high school football players & team leaders & coaches, 28111
dehydroepiandrosterone & age-related diseases, literature review, 29506
dexamethasone, 20–67 yr olds with major depressive disorder, commentary, 1842
dianabol, cerebral cortical GABA receptors & relation to pro-aggressive & anxiolytic behavior, rats, 571
discriminative stimulus effects of ethanol vs allopregnanolone, female monkeys trained to discriminate ethanol, 3220
ECT, steroid induced depression, 15 yr old female with acute lymphoblastic leukemia, case report, 9193
efficacy of epidural steroid injections for low back pain & evaluation of quality of research methods, literature review, 5194
escapable stress & neurosteroids, memory for water maze learning, rats, 543
estradiol benzoate, effects of progesterone & other neuroactive steroid on pain thresholds through action at GABA receptors, female rats, 3214
follicular vs luteal phase of menstrual cycle, discriminative stimulus effects of ethanol vs neurosteroid allopregnanalone, cynomolgus monkeys, 25578
GABA interacting neurosteroids, decrease of pentobarbital sleep, socially isolated vs group-housed male mice, 11167

neurosteroidal modulation of GABA-A & mitochondrial diazepam binding inhibitor receptors, immobilization stress-induced antinociception & anxiety & ascorbic acid & motor activity & toxicity, male mice, 18328
oestrogen & progesterone, protein synthesis, cultured human lymphocytes, implications for postpartum psychiatric illness, 3135
olfaction & GABAergic neurotransmission in olfactory bulb & modulating role of steroids & effect on intermale aggression, mice, conference presentation, 10952
ovarian steroids, benzodiazepine receptor & postrestraint stress receptor binding over estrus cycle, female rats, 6830
pathological narcissism & anabolic steroid use & empathy, weightlifters & bodybuilders, commentary, letter, 19399
pathological narcissism & anabolic steroid use & empathy, weightlifters & bodybuilders, commentary, letter, 19395
patterns & side effects & treatment of & influence of social & psychological & developmental factors & body image on androgenic anabolic steroid use & abuse, 26139
pregnanolone vs allopregnanolone vs alphaxalone vs 5 beta pregnanediol & reversal with steroid antagonists, food intake & hyperphagia, male rats, role of GABA receptor, 6852
pregnenolone sulfate, visual discrimination learning & scopolamine induced learning & retrieval deficits, male mice, 11173
pregnenolone vs pregnenolone sulfate vs dehydroepiandrosterone vs dehydroepiandrosterone sulfate, working memory & memory impairing effect of ethanol, male mice, 3252
short-day photoperiods & single vs group housing & gonadal steroids, seasonal ip white adipose tissue depletion, male vs female Siberian hamsters, 6573
social physique anxiety & upper body esteem & social anxiety & body dissatisfaction, 18–48 yr old anabolic steroid using male body builders & weight lifters, 8279
steroid hormones, higher brain function & behavior, mammals, 18322
steroid-induced dementia & confusion, 70 yr old male, case report, 31903
steroid levels & responsiveness to spawning pheromone, Pacific herring, 38028
taste aversion, energy intake after parenteral dehydroepiandrosterone, lean vs obese rats, 648
tetrahydroprogesterone vs progesterone vs dexamethasone vs corticosterone, pituitary response to acute emotional stress & vasopressin gene transcription in hypothalamus, male rats, 11182
treatment-resistant depression & lupus erthyematosus & steroid therapy, 70 yr old female with cyclothymic disorder, case report, 38965
17 alpha-methyltestosterone vs methandrostenolone vs nandrolone decanoate, sexual & locomotor activity, castrated male rats, 15014

Stigma—Serials

AIDS knowledge & fear of contraction & homosexual & AIDS tolerance, self-disclosure responses to stigmatizing disclosures, college students, application of communication accommodation theory, 38612
ambiguous identity & dual stigmatization for bisexual women, 15526
attitudes toward mental illness & psychiatric stigma in Asian cultures, literature review, 42216
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7616
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7605
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7607
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7614
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7622
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7633
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7634
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, 7638
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7632
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary reply, 7639
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7602
attributional-emotional-action model & responsibility judgments in social motivation & application to help giving & aggression & responses to stigmatized people, commentary, 7595
concepts of recovery & stigmatization & consumer professional identity in mental health consumer–survivor movement, 31954
direct & vicarious contact, stigma of & attitudes toward people with AIDS or HIV, African American & other adults, 19541
discrimination & sources of stigmas, poor females of racial minority groups infected with HIV, implications for nurses & caregivers, 19536
empathy for member of stigmatized group, attitudes toward people with AIDS & homeless & convicted murderers, college students, 15618
experiences of subjective burden & stigma & fears & worries about future, siblings (mean age 45 yrs) of persons with mental illness, 30756
instrumental & symbolic functions of attitudes, rejection of individuals infected with HIV, college students & community adults, 19538
internal vs external vs reflected attributions & help seeking behavior, 18–62 yr old low literate adults, 16152
labeling, receipt of services & perceived stigma & quality of life, adults with chronic mental illness, 42225
motivation & social legitimacy & consanguinity in adoptive parent–child relationship, 22265
needs for & nature & perception of stigma of using child welfare services, UK vs Netherlands vs Spain, 43371
physical stigma & deviant acts, degree of negative social sanctions, adults, 22209
relative perceptions of suicide vs drug addiction or AIDS or PTSD or cancer, college students, 26209
social stigmatization & psychological variables & self destructive behavior, literature review on gay adolescents, implications for clinicians, 29925
social support type & availability & issues of secrecy & stigma, confidants providing care to 20–50 yr olds with middle stage AIDS, 9495
stigma & betrayal & powerlessness & self-blame as mediators of long term impact of child sexual abuse, 19–80 yr old females, 16007
stigma, depressive & somatoform symptoms, psychiatric outpatients with depressive neurosis, South India, 1252
stigma, psychological well being, males with dual diagnosis of mental disorder & substance abuse, 1 yr followup, 38860
stigmatization of peers varying in chronic loneliness, 2nd & 4th & 6th graders, conference presentation, 38405

theoretical model of psychological processes involving shame & leading to poor adjustment & stigmatization, child & adolescent victims of sexual abuse, 8102
views of timber workers & stigma & struggle for political power, environmentalists vs timber workers, 1026
welfare fraud & benefit-related & public exposure stigma, 40091
welfare reform & deconstruction of dependent & addict & illegitimate labels, implications for social work, 22214
Stimulants of CNS [See CNS Stimulating Drugs]
Stimulation [See Also Aversive Stimulation, Brain Stimulation, Electrical Stimulation, Perceptual Stimulation, Self Stimulation, Subliminal Stimulation, Verbal Stimuli] —Serials
cold water calorics, EEG changes & eye gaze deviation, 83 yr old female with massive hemisphere CVA exhibiting severe hemispatial neglect, case report, test of arousal hypothesis of neglect, 39562
issues in stimulated serial repetitions of gymnastic exercises in therapy of autistic children, 36579
low frequency stimulation, activation of synaptic transmission in hippocampus through long term potentiation, guinea pigs, 6655
noncontingent reinforcement/satiation vs stimulus competition vs liquid rescheduling, rumination, 46 yr old male with developmental disabilities, 32182
offspring-induced sensory stimuli, maternal nurturance, animals model of human behavior, conference presentation, 41280
stimulus response in behavior analysis & neural network models of conditioning, commentary reply, erratum, 41196
stimulus response issues in behavior analysis & neural network models of conditioning, erratum, 41197
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25368
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25378
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25377
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25371
stimulus response issues in behavior analysis & neural network models of conditioning & behavioral neuroscience, commentary, 25380
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25375
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25370
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25362
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25372
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25384
stimulus response issues in behavior analysis & neural network models of conditioning, 25363
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25366
supplemental vestibular & tactile/kinesthetic & auditory & oral stimulation & intra- or extrauterine environment, behavioral organization, premature infants, literature review, 34756
Stimulation Seeking (Personality) [See Sensation Seeking]
Stimulus (Unconditioned) [See Unconditioned Stimulus]
Stimulus Ambiguity—Serials
antecedent reactivation during ongoing processes in object-relative constructions using lexical ambiguity, college students, 7144
attribute value & diagnosticity, categorization of ambiguous products by type, adults, implications for consumer research, 5812
clear vs ambiguous go vs no-go signal in delayed matching-to-sample paradigm, imperative negative variation, schizophrenic patients, 19204
duration & fundamental frequency correlates of syntactic phrase boundaries & other prosodic information in interpretations of ambiguous phrases, 5 vs 10 yr olds vs adults, 25755
eye-tracking of French sentences with noun–verb syntax ambiguity, early-closure attachments measured by 1st-pass reading times, college students, France, implications for cross-linguistic processing, 37739
interpretation of ambiguous information as threatening, high anxiety college students, Spain, 21331
interpretive ambiguity resolution & multiple interpretation generation in story outcome, 2nd vs 4th graders, 25740
lexical frequency, syntactic ambiguity resolution & sentence comprehension, college students, 268
novelty & ambiguity of exact weight on barbell, weightlifting performance, 14–21 yr old Olympic weightlifters, 40644
object relative size ambiguity & ground intercept information & perspective displays, judgment of whether 2 objects approaching each other in midair would collide, Ss, 17453
orthographic & semantic ambiguity, word naming & lexical decision, college students, implications for distributed memory models, Australia, 6293
probabilistic model of lexical & syntactic access & disambiguation of linguistic knowledge, 3307
problem ambiguity & assumption in probabilistic reasoning, 2821
repetition priming, transfer on lexical decision & ambiguity decision tasks, college students, 37708
search latency in ability to detect ambiguous vs nonambiguous descriptions of location, 3 vs 4 vs 5 yr olds, 746
speed of racial categorizations of ambiguous vs unambiguous targets, racially prejudiced vs nonracially prejudiced undergraduates, 35261
static vs rapid alternation of rival stimuli between left vs right eye, temporal dynamics & neural representation of stimuli & visual awareness & general binocular rivalry, adults, 2776
strategies for resolving syntactic ambiguities when reading 2nd vs native language, bilingual adults, France, 21339
working memory span & main verb vs relative clause in syntactically ambiguous vs unambiguous sentences, on-line reading times & off-line sentence comprehension, 18–25 yr olds vs 63–84 yr olds, 34805
Stimulus Attenuation—Serials
amplitude envelope expansion & simple attenuation, patterns of consonant confusions & recognition, college students with normal hearing, 14558
relative intensity & attenuation of formant transition segments, identification of diphthongs, normal hearing vs hearing impaired adults, 17858
Stimulus Change—Serials
direction of sudden visual target displacements vs smooth target motion, saccadic latency, monkey, 29360
frequency changes in simple vs complex sounds, magnetic mismatch negativity responses in auditory cortex, healthy 21–35 yr olds, 18197
low or high & broad range contrast 1 vs 4 cycles/deg gratings, perceived contrast of spatial frequencies in visual task, adults with normal vision, 21285
pitch deviant tones in series of standard tones vs alone, ERPs in cerebellum vs hippocampus vs visual cortex, rabbits, implications for human mismatch negativity, 29355
qualitative UCS change, conditioned barpress suppression, rats, 34352
stimulus change & load during auditory target detection task, frontal & prefrontal-limbic P300 ERP indices of information processing, patients with panic disorder, 8019
unilateral inactivation of amygdala with buffer infusions & shift in number of food rewards, latency to respond to & memory for reduced reward magnitude, male rats, 458
Stimulus Complexity—Serials
amplitude modulation & segregation of formant harmonics, identification of vowel-like complex harmonics, listeners, 10667
brain activation during comprehension of sentences varying in linguistic complexity, adults, 29351
complex object features, response of cells in Area TE of inferotemporal cortex columnar regions, monkeys, 29372
complex vs gray surround, long term memory of color, adults, 25194
complexity & frequency range of complex tones, same/different judgments of tone sequences, college students, 17844

complexity of music, liking for music & wanting to change aspects of environment, college students, England, 1064
compounding discriminative stimuli, cocaine self administration, rats, animal model of drug abuse, 622
concreteness of operant discrimination task presentation, transitive deduction & awareness of stimulus hierarchy, adults, 25276
CS as invariant feature/element in complex stimulus configuration & exposure to indirect CS-UCS co-occurrences, observational evaluative conditioning, adults, 6365
discrimination of intracranial movement based on time varying interaural temporal disparities conveyed by envelopes of high frequency 2-tone complexes, adults, 17845
efficiency & consistency in visual discriminations with noisy images, Os, 6250
exact information about items for current trial, effects of presentation modality & concreteness & set size on long term free-reconstruction-of-order task, college students, 25310
extinction & spatial aspects of compounded visual stimuli, variable responding, male pigeons, tests of summative vs additive models, 29063
frequency & syntactic complexity of linguistic structure processing in noun phrase attachment sites, college students, 7136
frequency preferences & listening strategies, discrimination of multitone complexes of 6 octave frequencies, normal hearing 22–36 yr olds vs hearing impaired 62–79 yr olds, 12706
grammatical complexity & speech rate & repetition of sentences, sentence comprehension, patients with Alzheimer's disease (mean age 72 yrs), 23475
image complexity, sequence of stages in visual recognition of grids & geometrical figures & schematical drawings of faces, 25–36 yr olds, 14529
information processing model of similarity judgments on objects with multiple attributes, 22–30 yr olds, 14583
model & estimation of complexity, high vs low risk decisions on horserace betting, adults, UK, 43856
multiple-stimuli oddball vs single-stimuli task methodology with visual vs auditory stimuli, P300 ERP topography, college students (mean age 19.8 yrs), 6719
norms for & agreement & picture familiarity & visual complexity & word frequency & length in picture naming, 5.1–7.6 vs 19–35 yr olds, 29775
number of possible locations & signal contrast, locating disk-shaped signal in structured background, adults, application of signal detection theory with assumed Gaussian response, 28747
possible vs impossible 3-dimensional objects with high vs low complexity, dissociation of explicit & implicit memory, college students, 17969
regularity & quantity & complexity of written stimuli, word categorization & temporal judgments of stimulus duration, 17–51 yr olds, 6327
S-generated bizarre vs common images & sentences, bizarreness effect in noun recall, college students, 307
similarity & difficulty & nontarget presentation, time course of visual attention, 21–41 yr olds, England, 28777
singular grating vs crowding, attentional visual spatial resolution in cortex, observers, 28752
spatial properties of small vs large number of objects, memory for visual locations, Os, 2875
successive vs simultaneous vs delayed matching task performance, element superiority effect, pigeons, retrieval failure vs limited processing capacity implications, 34401
viewing of television program segments with scenes reordered vs incomprehensible language audio tracks, auditory probe RTs & visual attention, 5 yr olds, 38326
visual & inferential complexity, pictured scene descriptions, 41–88 yr olds with vs without unilateral right hemisphere damage, 1605
2 dimensional neural network model of auditory stream segregation based on shifting synchronization, 14573

Stimulus Control—Serials
ability to form elemental & configural stimulus representations through operant discrimination, pigeons, 29079
punishment contingency & subsequent unreinforced probes, resurgence of previously established derived stimulus relations, college students, 14619
reactivity & locus of control & situational control & rate of stimulus presentation, RT performance & posttask anxiety & anger & curiosity, 16–18 yr olds, 11447
requirement of explicit training in methadone vs cocaine discrimination, pigeons, 18335
retention interval &/vs context switch, latent inhibition, rats, implications for contextual change theories of forgetting, 34394
saccharin concentration, stimulus control & discriminated morphine-saccharin taste aversion task, rats, 29576
shift in UCS, dissociation of blocking of conditioned eyeblink & fear, rabbits, 10758
stimulus control of social attention as reinforcement for & extinction of self-injurious behavior, 16-yr-old male with severe mental retardation, 42643
tail shock controllability & sequence, recall of unpleasant passive avoidance training, Wistar Kyoto vs Wistar male rats, 10783

Stimulus Deprivation [See Also Food Deprivation, Sensory Deprivation, Social Deprivation, Social Isolation, Water Deprivation]—Serials
acamprosate administration, alcohol deprivation effect in operant free choice paradigm, rats given continuous vs limited ethanol access, 41471
character recognition task difficulty, heart rate & BP responsivity, fluid-deprived vs fluid-satiated college students, 29490
early postnatal denial of species typical auditory or visual experience, responsiveness to spatial contiguity between maternal auditory & visual cues, bobwhite quail chicks, 10777
forced time-off from ethanol, oral ethanol self administration, rats trained in limited access paradigm, 41200
housing conditions, functional recovery, rats with lesions of hippocampus or subiculum or entorhinal cortex, 34536
light deprivation, long term potentiation & depression as measures of synaptic plasticity in visual cortex, rats, letter, 10964
raising without normal sensory inputs provided by whiskers, subsequent active touch & underlying sensorimotor integration during tactile discrimination with whiskers, rats, 10752
removal from stimuli instead of seclusion &/or physical restraint for verbally &/or physically threatening acts, cooperation with staff, adult patients in psychiatric intensive care unit, 1 yr study, 43417
restricted access to visual cues in rotated vs nonrotated radial-arm maze, spatial choice, male Sprague Dawley rats, 18044

Stimulus Discrimination—Serials
ability to discriminate between stimuli & between real stimuli & video images of stimuli, hens, 34385
active vs passive oddball task, latencies for peaks at N1 vs P2 vs N2 vs P300, nonretarded vs discriminating vs nondiscriminating retarded 11–19 yr olds, Spain, 31485
anandamide as substitute for delta-9-tetrahydrocannabinol in drug discrimination procedure, male rats, 38082
attention to & distance from bodily location & time to discriminate presence or absence of tactile stimulus, adults, France & US, 28722
axiomatic formulation of cross-context matching & color discrimination & empirical testing of predictability of color discriminant across contexts, Ss, conference presentation, 34098
category discrimination of prototypes & transfer to artificial polymorphous stimuli, pigeons, 354
color vs lexical relevance, attention related ERP components & processing of irrelevant stimuli in discrimination task, students, 29408
compound light & sound stimulus duration discrimination in temporal vs nontemporal symbolic matching-to-sample task, 6 & 12 vs 18 & 24 mo old male rats, 6446
computer tabulation of sampling distribution of d-prime discriminative sensitivity, 6145

deprioritizing selection of old objects, optimizing selection of target objects during attentional tasks, 18–32 yr old undergraduates, England, implications for visual marking mechanism, 14546
detecting & identifying response-compatible stimuli, adults, 25200
detection & temporal identification thresholds of red-green vs achromatic stimuli, adults, 25196
dimensional weighting & stimulus discrimination, 19–32 yr olds, 6304
discrimination & cross generalization between chlordiazepoxide or saline or pentylenetetrazol vs olfactory alarm substance stimuli, rats, 6903
discrimination between multiple & related vs unrelated stimulus components displayed together, concept learning, 4.5 yr olds, comparison of overselection vs concept learning designs, 18521
discrimination of stimulus rotation, newborns, Canada, 11359
discriminative stimulus effects of conventional vs novel atypical antipsychotic drugs vs clozapine & its structural analogs, squirrel monkeys, 41443
endogenous cueing & temporal allocation, saccadic eye movements & endogenous movements of attention, young adults, 28713
exposure to similar flavors & number of CS preexposures & different training to test & preexposure to conditioning intervals, nontarget CS effect in conditioned taste aversion paradigm, rats, 34353
feeding behavior with video images of vs real conspecifics vs flockmates, 31 & 61 wk old laying hens, 10822
full screen vs sectional silent video images, bird vs nonbird discrimination through song performance, male zebra finches, 34346
heart beat & spontaneous finger temperature change discrimination, 18–26 yr old female left vs right lateral eye movers, replication, 3142
information processing model of similarity judgments on objects with multiple attributes, 22–30 yr olds, 14583
intra- vs intermanual aesthesiometric applications, interhemispheric relay of somesthetic discrimination, college students, Canada, 457
linear motion & rotating distractors, detection of rotating stimuli, adults, 14536
manipulation of interval between successive presentations of 1 vs 2 cryptic target stimuli, stimulus discrimination, pigeons, 25382
mediation of discriminative cue for meta-chlorophenylpiperazine by 5-HT receptors, male rats, 3196
microinjection of carbacholine in dorsal striatum, discrimination of sensory signals & regulation of defensive behavior, rats & dogs, translated article, 29616
odorant mixures of 2–7 components in attractive food-related compounds, olfactory perception & generalization & discrimination among mixtures in search behavior, aversely conditioned spiny lobsters, 6417
operant discrimination of CGS 10746B dose-response effects from typical & atypical antipsychotic compounds, male rats, 6997
progressive time delay, learning of target vs nontarget pictorial stimuli, 7–9 yr old students with moderate mental retardation, 13824
punishment contingency & subsequent unreinforced probes, resurgence of previously established derived stimulus relations, college students, 14619
punishment, discriminative stimulus effects of midazolam & pentobarbital, pigeons, 38166
requirement of explicit training in methadone vs cocaine discrimination, pigeons, 18335
sexual arousal paired with nonsense syllables & other relational & equivalence conditioned responding, transformation of stimulus function measured by skin resistance, male 18–23 yr olds, 34626
stimuli discriminability, variation in incidence & magnitude of mental rotation effect, 19–31 yr old adults, 28750
stimuli-reinforcers interaction model of behavior allocation in 3-alternative concurrent VI reinforcement schedule choice, pigeons, 18052
stimulus location, identity matching performance, rats, 41243
stimulus similarity & choice processes in dimensional weighting judgments, young adults, test of coincidence effect, 41073
tachistoscopic presentation of landscape vs scrambled pictures, stimulus identification & ERP changes, healthy 20–36 yr old college students, 14939
trained & derived simple discriminations, conditional relations between discriminative stimuli of same & opposite functions, 5 yr olds vs young adults, 38338
value transfer in concurrent-schedule discriminations, White Carneaux pigeons, 10792
wait time before sample & sample discriminability, analogical coding of event duration in choice matching, pigeons, 350

Stimulus Duration—Serials

acute vs chronic immobilization vs cold water immersion vs foot shock stressor, masculine sexual behavior, male rats, 6748
amount of sun exposure & practice of sun protection & cognitive & psychosocial correlates of sun exposure, tanners vs recreators, 20139
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation procedure, adults, implications for recognition memory, commentary, 21424
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21403
auditory marker duration, temporal discrimination, 20–45 yr olds, Germany, 10670
central &/vs peripheral visual cue duration, exogenous &/vs endogenous attentional system shifts in partial report performance, college students, Canada, 37622
compound light & sound stimulus duration discrimination in temporal vs nontemporal symbolic matching-to-sample task, 6 & 12 vs 18 & 24 mo old male rats, 6446
conditioned reinforcement & terminal link stimuli in cued vs uncued conditions, preference in concurrent chains, pigeons, 21488
contextual change & retention interval, temporal discrimination & suppression to CS duration, male rats, 29070
cost of duration vs intensity perceptual dimensions, perception of syllable prominence in vowels, college students, 25230
degree of original & interpolated learning, retroactive interference, college students, Germany, 17962
delayed discriminative choice cue vs opportunity for choice response execution, memory for event duration, male rats, 37844
developmental differences in duration vs distance vs speed judgments of moving objects, 4–11 yr olds, 11364
differential exposure to light, structural plasticity & development of optic lobes, adult fruit flies, 34519
diotic vs dichotic auditory digits at slow vs fast presentation, selective impairment of auditory attention, patients with closed head injury vs right hemisphere cerebrovascular accidents, Germany, 4533
discrimination learning in initial vs prolonged FI & peak interval training, peak response distribution, pigeons, 357
duration & level & frequency of signals, detection of decrements in level of sinusoidal signals, listeners, 25224
duration & onset of 2-tone forward maskers, thresholds & psychophysical suppression & enhancement of signal, adults, application of 2-stage neural model, commentary, letter, 25210
duration & order of array of exposure & locations & spatial predictability of familiar items, novel popout, young adults, implications for theories of attention, 28991
duration of exposure, free recall of target items & recognition of context & target items in indirect or direct memory tasks, 18–27 vs 77–93 yr olds, Israel, 25792
duration of short tonal stimuli, asymmetrical perception of tone intensity, male 20–22 yr olds, 2787
fundamental frequency & formant structure spectral continuity, vowel length effect, college students, 17854

gap duration & startle eliciting stimulus, acoustic startle reflex, rats, 41420
incidental ad exposure & familiar vs unfamiliar buying situation, memory & stimulus based consideration set inclusion & ad recognition, college students, 40661
increase in number of previous ethanol withdrawal experiences, severity & intensity of withdrawal response, male rats, 38075
increasing stimulus duration & types of cues, ability to recognize famous voices, adults, 28806
interval duration & distraction & methylphenidate, time reproduction, 6.8–14.6 yr olds with ADHD, 39238
performance on task excluding target word from completion of 3-letter stem into other word, assessment of duration & magnitude of conscious vs unconscious influences, college students, 10729
presentation rate of word stimulus, mediation of recall memory of word lists by speed measures, 18–93 yr olds, 11389
prior exposure to printed advertisements & logos & names, implicit memory & preference judgements, college students, implications for advertisers, England, 43874
prolonged fixed duration shocks, cues for fear conditioning & punishment intensification effects, Sprague Dawley rats, 18038
short vs long sessions with open vs closed economies, performance under FR food reinforcement schedules, hens, 18056
signal duration, thresholds for 6.5-kHz sinusoidal signal in broadband noise masker over high vs medium vs low levels, normally hearing 25–34 yr olds vs hearing-impaired 61–81 yr olds, 39592
signal frequency & duration, thresholds for detection of tonal signals in continuous noise, college students, implications for energy detector model, 10653
stimulus duration & attention, responses to brief exposure of visual stimuli, 3–6 mo olds, 15247
stimulus duration & intertrial interval & number of trials, accuracy of contingency judgments, adults, 17938
stimulus duration & response latency issues in use of Micro Experimental Laboratory for tachistoscopic presentations, 10250
stimulus duration, amplitude modulation depth discrimination, 23–30 yr olds, conference presentation, 37675
stimulus habituation & recovery & duration & brief exposure, stability & continuity of visual attention, new borns, 5 mo study, England, 15205
strength of habit acquired during training & time to study & respond to stimulus word, recollection vs memory slip in cued recall test, college students, Canada, 6378
sustained vs transient motion & varied intensity of visually textured peripheral stimuli, latency of saccadic eye movements, adults, 6224
tone duration discrimination, 34–74 yr old patients with Parkinson's disease, 31793
trial duration & reinforcer interval, performance on free operant psychophysical choice procedure, pigeons, implications for theories of animal timing, 18040
trial specific vs average sample stimulus duration, delayed matching to sample, pigeons, 18061
unilateral vs bilateral presentations of hierarchical stimuli & exposure duration, local vs global processing, adults, 10926
variable-interval reinforcement & reinforcer duration & opportunity to run, running & response rates, male rats, 34349
visual stimulus duration, perceived color & location & motion, adults, 25201
visual vs verbal short term memory & reading metacognition & print exposure, reading comprehension, 5th graders, China, 9930
wait time before sample & sample discriminability, analogical coding of event duration in choice matching, pigeons, 350
20-msec presentation of color photo, RT in categorization & processing of images containing vs not containing animals, 22–45 yr olds, letter, 10643

Stimulus Frequency—Serials

auditory stimuli deviating from standard frequency, ERPs & behavior reflecting involuntary attention switching to irrelevant sound changes, 21–35 yr old college students, 18213
comodulation masking release & masker bands overlapping in frequency & manipulations influencing masker grouping, Os, 14555
detection & discrimination of gliding tones as function of frequency transition & center frequency, adults, 17855
direct & indirect stimulus frequency, recognition of object or event, college students, 34279
disruption of formation of word-to-phrase links, repetition deafness, college students, implications for relations between language & memory, 17994
duration & level & frequency of signals, detection of decrements in level of sinusoidal signals, listeners, 25224
duration & order of array of exposure & locations & spatial predictability of familiar items, novel popout, young adults, implications for theories of attention, 28991
forward vs simultaneous damped vs ramped masking, psychophysical tuning curves & dip listening & thresholds & long term excitation patterns, listeners, 25214
frequencies of sinusoidal vibrations, vibrotactile thresholds, 18–33 vs 57–79 yr olds, 10658
frequency & sound level, loudness adaptation & excitation patterns, 18–23 yr olds, 37672
frequency of mention of topic label & position in passage where topic is 1st mentioned, recognition memory & recall from lengthy informative text, college students, 37788
information vs misinformation about frequency of distractor types, conjunctive visual search, college students, test of distractor-ratio effect, 37795
involuntary orientation of attention to stimulus frequency of cue with fixed vs varied intensity, auditory tone discrimination, college students, Canada, 28811
learning to discriminate relative stimulus frequency, pigeons, 18069
low vs high word frequency, free recall vs item recognition vs fragment completion test performance, college students, Canada, 6387
manipulation of interval between successive presentations of 1 vs 2 cryptic target stimuli, stimulus discrimination, pigeons, 25382
name list recall & frequency effect & face recognition, 36 yr old male savant with autism & mental retardation & proper name hypermnesia, 1424
passive viewing of vs graphemic or semantic encoding of word list, number of presented stimuli & time estimation, college students, 17812
range of amplitudes & frequencies, contours of equal perceived frequency & perceived amplitude of electrocutaneous stimuli, 19–44 yr olds, 28727
regularity & quantity & complexity of written stimuli, word categorization & temporal judgments of stimulus duration, 17–51 yr olds, 6327
reinforcement history & stimulus frequency, transitive inference & responding to positive vs negative reinforcers in discrimination paradigm, pigeons, 10789
relative target frequency with vs without extinction or removal of differential probabilities, RT & attentional priming during multiple-target search, White Carneaux pigeons, 10759
signal frequency & masker modulation depth, modulated-unmodulated difference, 22–29 yr olds, conference presentation, 37662
signal frequency uncertainty, decision rules in discrimination of spectral shape of complex sounds, listeners, 10652
static skin indentation depth & stimulus frequency & contactor size on forearm locations, vibrotactile thresholds, adults, 25174
stimulus duration & frequency & delay between masking & test stimuli, decay in effectiveness of vibrotactile masking in Pacinian vs non-Pacinian channel, adults, 10612
stimulus duration & intertrial interval & number of trials, accuracy of contingency judgments, adults, 17938
types & tokens in visual processing, attentional blink & repetition blindness, adults, 28738

typicality & frequency of purchase of grocery items, memory monitoring & memory control, 19–27 yr olds, Italy, 37782
Stimulus Generalization—Serials
apomorphine & 7-OH-DPAT discrimination & generalization to dopamine agonists with relative affinities to D2 or D3 receptors, male rats, 29607
attention to distinct aspects of compound stimulus & transfer to novel compound stimulus, pigeons, implications for concept generalization, 10784
background color, generalized relational matching of face to faces & names to faces, 4.4–5 yr olds, erratum, 7255
discrimination & cross generalization between chlordiazepoxide or saline or pentylenetetrazol vs olfactory alarm substance stimuli, rats, 6903
discrimination learning & response transfer in generalized equivalence classes, adults, 6376
frequency & recency of prior interfood intervals, time discrimination, pigeons, test of diffusion generalization model, 2929
object generalization & category inference of simple visual figures, human observers, 37705
odorant mixures of 2–7 components in attractive food-related compounds, olfactory perception & generalization & discrimination among mixtures in search behavior, aversely conditioned spiny lobsters, 6417
olanzapine, discrimination in 2-lever procedure & generalization to clozapine, male rats, 15078
receptor specific serotonin reuptake inhibitors fluoxetine vs paroxetine generalization of discriminative effects of ethanol, male rats, 29589
regular brief exposure to humans vs novel objects vs no exposure, generalization of behavioral responses to human &/vs novel object stimuli, pigs vs beef cattle, 10774
reinforcement history & stimulus frequency, transitive inference & responding to positive vs negative reinforcers in discrimination paradigm, pigeons, 10789
relative stimulus validity, long retention interval between training & testing & conditioned responses & cue competition, rats, 21487
visuomotor generalization in 2-dimensional workspace after remapping at 1 vs 2 visuomotor neuron pairs, 17–46 yr olds, 29288
Stimulus Intensity—Serials
amphetamine with tone vs shock intensity as secondary reinforcer, latent inhibition in conditioned emotional response paradigm, male rats, meta analysis & replication, 41541
amplitude & latency of auditory EPs recorded in N1 latency range at midline & temporal sites & effects of stimulus intensity, 4–8 vs 20–30 yr olds, 18202
auditory intensity & tone frequency in oddball vs single-stimulus paradigms, P300 amplitude & latency, college students, 41389
binaural tone stimulus intensity & amplitude, cortical auditory EPs & abnormal 5-HT between attacks, patients suffering from migraine with vs without aura, 12499
coincident auditory stimuli, perceived intensity of visual stimuli, adults, 17813
cost of duration vs intensity perceptual dimensions, perception of syllable prominence in vowels, college students, 25230
cross modal associations between odor intensity & color lightness, 19–40 yr olds, 25173
direct stimulation of mossy fibers to cerebellum as CS, latency of conditioned eye-blink response, decerebrate ferrets, 37847
duration & level & frequency of signals, detection of decrements in level of sinusoidal signals, listeners, 25224
duration of short tonal stimuli, asymmetrical perception of tone intensity, male 20–22 yr olds, 2787
forward vs backward masking, measurement of loudness enhancement & intensity just noticeable difference, adults, 21309
frequency bands of ictal EEG data, differentiation of ECT seizures as function of electrode placement & dose & therapeutic response, reanalysis, 9182
high frequency sinusoidally amplitude modulated target tones with vs without 2nd spectrally remote tone & interaural time delays, laterality in discrimination & threshold tasks, adults, 25220
high vs low olfactory stimulus concentration, differentiation of exogenous vs endogenous stimulus features in modulation of early vs late components of olfactory ERPs, female 20–35 yr olds, 18211
intensities of & exposure to different wavelengths of light from day 19 of incubation to hatching, thalamofugal visual projections & functional eye asymmetry, incubated chick eggs, 21694
intensity of acoustic prepulse vs eliciting stimuli, startle eyeblink response inhibition, 18–22 yr old undergraduates, 11059
intensity of immediate shock paired to freezing & defecation & side crossing & nose crossing contexts, fear, rats, 34350
intensity of NaCl solution, degree of adaptation & recovery time course as measures of taste responsivity, adults, 21238
interaction patterns for intensity of perceived & imaginary mixtures of odorants, 18–28 yr olds, 14495
involuntary orientation of attention to stimulus frequency of cue with fixed vs varied intensity, auditory tone discrimination, college students, Canada, 28811
light deprivation & hyperstimulation, exploratory behavior, male rats, implications for theory of need for stimulation, 6447
line segment length & pure tone intensity & spatially compatible vs incompatible stimulus-response mapping, visual & auditory absolute identification accuracy & RT, college students, 41008
neonatal exposure to methamphetamine, long-term acoustic startle facilitation as function of prepulse stimulus intensity, female rats, experimental replication, 38172
noise, detection of subthreshold tactile stimulus, adults, 28718
presence of high level otoacoustic emissions, performance on intensity discrimination task, adults, 10669
proboscis-extension conditioning & UCS intensity, odorant mixture blocking & unblocking, honey bees, 21509
projection method for mathematical derivation of monocular density cues in construction of random dot stereograms, 192
range of acceptable stimulus intensities as estimators of dynamic range, prediction of power law exponents, adults, 41012
range of amplitudes & frequencies, contours of equal perceived frequency & perceived amplitude of electrocutaneous stimuli, 19–44 yr olds, 28727
relative intensity & attenuation of formant transition segments, identification of diphthongs, normal hearing vs hearing impaired adults, 17858
sensitivity to interaural intensity differences in sound pressure level, auditory cortex neurons, cats, 21596
signaling magnitude & energy cost & receiver assessment rules of message confirmation & replacement & augmentation in models of animal display action repetition, 41267
statistical relationships between auditory intensity difference limens & medial olivocochlear system, 15–29 yr olds, 37987
stimulus intensity & interstimulus interval, negative difference potential amplitude generated by supraspinal nociceptive pathways, 18–37 yr olds, 3114
stimulus intensity & right unilateral vs bilateral electrode placement, efficacy & cognitive effects of ECT, depressed patients, commentary, 5129
stimulus intensity, heart rate response, 37–40 wk old human fetuses, 29784
stimulus intensity, unilateral ECT induced prolactin & cortisol release, depressed 33–79 yr olds, 5142
stimulus level & relative frequency region, recovery of threshold overshoot for signal near masker onset, Ss, 10668
stimulus onset & intensity, characteristics of long term adaptation of auditory nerve fiber responses, cats, 10961
sustained vs transient motion & varied intensity of visually textured peripheral stimuli, latency of saccadic eye movements, adults, 6224

synaptic integration of sensory systems & stimulus intensity, associative learning, marine mollusk Hermissenda, 10976
time- & intensity-based factors, information processing load, 20–26 yr olds, Canada, application of factor ratio model, 28635
tolerance to sound intensity of binaural coincidence detection in nucleus laminaris, adult barn owls, 29346
validity of Coloured Analog Scale, measurement of intensity & aversive component of pain, 5–16 yr olds with recurrent headaches, 28496
variation in carrier frequency, steady intensity tone experienced as increasing vs decreasing vs remaining steady, 24–28 yr old males, 18237
varied strength of prey &/vs predator odor, organization of conflicting behaviors, hermit crabs, 29128
zingerone vs capsaicin & interstimulus intervals & chili consumption frequency, time–intensity irritation characteristics & sensitization effects, adults, 7034

Stimulus Intervals [See Also Interstimulus Interval, Intertrial Interval]—Serials

apomorphine & immediate vs delayed exposure to circular alley, conditioned hyperactivity, male rats, 18312
auditory marker duration, temporal discrimination, 20–45 yr olds, Germany, 10670
closely spaced above & below threshold acoustic stimulus pairs, area & duration & latency of blink reflex, 19–51 yr olds, 29297
compatible & incompatible stimuli, RT latencies & reaction intervals within sequence & transfer of action plan to motor program, college students, 6283
contextual change & retention interval, temporal discrimination & suppression to CS duration, male rats, 29070
frequency & recency of prior interfood intervals, time discrimination, pigeons, test of diffusion generalization model, 2929
frequency level of target with distractor above vs below, classification of laterality of target vs distractor based on interaural delays, college students, 10655
manipulation of administration route & time interval between testing dosing & tolerance test, tolerance to morphine, male rats, 3257
optimal decision rules for oddity tasks of varying intervals, 6349
practice, auditory temporal-interval discrimination of 100 msec intervals & generalizability to different tonal frequencies or temporal intervals, 21–46 yr olds, 34167
precue interval duration & level of stimulus processing required & type of instructions, spatial precue effect, college students, 37619
ratio rule & immediate memory tasks, college students, conference presentation, 41146
regularity & quantity & complexity of written stimuli, word categorization & temporal judgments of stimulus duration, 17–51 yr olds, 6327
response-to-stimulus interval length & consistency, implicit motor sequence learning & performance, college students, attentional load implications, 41097
retention interval &/vs context switch, latent inhibition, rats, implications for contextual change theories of forgetting, 34394
short vs long cue-target interval vs foreperiod, RT & advance reconfiguration of task shifting & proactive processing, adults, 6331
simultaneous processing of short delays & higher order temporal intervals in foraging, pigeons, 14702
stimulus context & 1 vs 6 day delay of presentation, stimulus recognition, 6 mo olds, 11332
temporal control in brief vs long unscheduled transition in interval duration during fixed-interval reinforcement schedule, rats, 37826
temporal distinctiveness, recall of aurally vs visually presented word lists under aural vs visual distractor conditions, college students & community residents, 17991
time interval between vowel onsets & subsequent interval between pitch levels, attention to prominent pitch level as test of pitch level difference model, adults, 21311
time uncertainty & instructed muscle tension, fractionated RT, college students, Japan, 25238
timing of ipsilesional & contralesional stimuli, selection of objects at spatial location, 65 yr old male stroke patient, 42796

Stimulus Novelty—Serials

acceptance of Nutramigen protein hydrolysate formula & correlation with mother's willingness to try novel foods, healthy 1–2 vs 7–8 mo olds, 15237
adult-like formation of perceptually based categorical representations & underlying organizational structure of animal pictures vs artifacts involving novel categories & exemplars, 4 mo olds, 7209
age & model familiarity, frequency of hidden-feature inclusions in drawings, 4–9 yr olds, 15232
age & sex & individual differences & novel objects in open field environments, temperament & hand preference & problem solving ability, small-eared bushbabies, 6543
attended vs unattended novel shape presentation with repetition & time lags, negative priming & duration of memory traces, college students, 6373
bilateral archistriatum lesions, unlearned fear & avoidance in response to novel object placed in unfamiliar open field, 2 day old chicks, 472
biphasic locomotor response to ethanol & influence of stress, male rats with high vs low response to novelty, 593
blockade of NMDA & dopaminergic receptors with MK-801 &/or haloperidol, locomotor activity in & habituation of exploration of novel spatial configuration of objects, male mice, 7053
category typicality of item & model of distinctiveness, item recall, college students, 21444
cocaine place preference conditioning & iv self administration of amphetamine, male rats showing high vs low locomotor response to novelty, 3218
continuous vs intermittent reinforcement vs extinction schedule, buying & following instructions comprised of novel verbal stimuli, 8–10 yr olds, 28839
dexamphetamine, development & expression of spatio-temporal behavior, male rat high vs low responders to novelty, 41459
dexamphetamine, locomotor activity, male rats with high vs low responses to novelty, 41445
duration & order of array of exposure & locations & spatial predictability of familiar items, novel popout, young adults, implications for theories of attention, 28991
emotionality & fearfulness in arena vs novel object vs handling tests, horses, France, 37848
exposure to novel environment, dopamine in nucleus accumbens & caudate putamen & 5-HT responses, C57BL/6 vs DBA/2 mice, 14843
familiarity with pasture, importance of social interactions in food selection & choice of foraging location, lambs, 6528
fast mapping & application of lexical principles in familiar & novel verb learning, 2.6–2.9 yr olds, 25750
fear of novel objects & food recognition, naive young ravens, 18107
habituation, preferences for novel visual stimuli, 0–4 mo olds, 1 vs 2 vs 3 vs 4 mo followup, 15251
happy & fear messages concerning novel objects from familiar human caregiver, social referencing, 14–41 mo old chimpanzees, 34466
headings & topic familiarity, expository text recall & summarization, college students, implications for education, 5648
high vs low responsiveness to novelty, exploration & amphetamine self-administration & food reinforcement & corticosterone & dopaminergic activity, rats, animal model of sensation seeking, 21629
locomotor response to novelty & prior exposure to amphetamine, amphetamine self administration, male rats, 21905
long term baclofen, recognition memory & novelty detection for spatial locations of stimuli using habituation paradigm in open field, rats, 7092
mapping of novel verbs onto novel vs familiar actions, 2 yr olds, 11369
medial temporal lobe, processing of novel auditory & tactile stimuli, patients with damage to posterior hippocampal region, 23425
memory representations underlying repetition priming of homographs & novel objects, adults, England, 28949

mutual exclusivity bias, interpretation of novel words & reinterpretation of familiar words, 2 yr olds, 34814
novel color & pyrazine vs other odors of treated food & water, neophobic responses, naive chicks, implications for evolution of warning coloration, 406
novel stimuli consistent vs inconsistent with category background knowledge, object categorization & missing-part detection, college students, 37717
novel vs familiar laboratory circumstances, plasma beta endorphin level, shy vs outgoing older adults, 21782
novel vs latently inhibited contextual stimuli, UCS preexposure effect in conditioned taste aversion, male rats, 18049
novelty & ambiguity of exact weight on barbell, weightlifting performance, 14–21 yr old Olympic weightlifters, 40644
novelty & word phrase vs tone sequence, basic-level object categorization, 9 mo olds, 21994
novelty of foveal instruction stimulus, preferred directions of supplementary eye field neurons during conditioned visuomotor learning, monkeys, 6609
perception of familiar vs novel extraneous noises occurring at different junctures within synthetic syllable strings, 6 & 9 mo olds, 18496
physical restraint vs novel stimulus, social behavior, female rats, 10795
presentation of familiar vs novel food to whole group vs only to infants, interaction with group members concerning food, 4.5–12 mo old capuchin monkeys, 37870
reactivity to spatial vs object novelty, inbred mice with hippocampus vs posterior parietal cortex vs sham lesions, 21711
regular brief exposure to humans vs novel objects vs no exposure, generalization of behavioral responses to human &/vs novel object stimuli, pigs vs beef cattle, 10774
regulation of arousal in affect & attention responses to novelty, 3 mo olds prenatally exposed to cocaine & other drugs, 8267
repetition & encoding effects in brain ERPs, memory for words & novel visual stimuli, 21–38 yr old females, 3130
repetition of drawings of novel objects, ERPs, adults, England, 3127
repetition of novel stimuli, auditory ERPs, young adults vs elderly, 6715
role of ventral striatum & right prefrontal area in response to novelty without awareness, adults, 34523
S-generated bizarre vs common images & sentences, bizarreness effect in noun recall, college students, 307
scout recruitment & conditioning during foraging, acceptability of unfamiliar food, leaf cutter ant workers, Costa Rica, 10845
set size & novelty, visual pop-out, 6 mo olds, 3380
spatial temporal dipole model analyses of neuronal activity involved in P300 activity for target vs novel events, frontal lobe location, adults, 14937
stimulus novelty vs significance, skin conductance orienting responses, college students, 6778
structural equation modelling approach to attachment behavior in Strange Situation, infants, Netherlands, 34925
subjective responses to novelty in psychoanalytic situation as manifestation of biological orienting reflex & knowledge acquisition in course of learning, 15764
toy variation, satiation of engagement in leisure activity, 5 & 13 yr olds with profound multiple handicaps, 3997
training with differential outcome matching-to-sample, transfer of differential associations to novel stimuli & cue of original responses, pigeons, 25386
typicality & frequency of purchase of grocery items, memory monitoring & memory control, 19–27 yr olds, Italy, 37782
word pair cuing with novel associates & immediate vs delayed test, errorless vs errorful verbal learning measured by spontaneous recovery, memory impaired adults, cognitive rehabilitation implications, 42839

Stimulus Offset—Serials

fixation stimulus overlap vs gap, attention & oculomotor control measured by eye movement onset & visual cortical ERPs, 29–56 yr olds, 34297
offset of feature trained in serial feature negative discrimination, detection of inhibition of fear potentiated startle, male rats, 18054
offset transients used to create non onset objects, attentional capture by sudden onset, adults, 41029
spatial frequency & equidetectability of 3-element target, adaptational aftereffect to spatial offset of middle element to opposite direction of alignment & detection thresholds, adults, 2771
syllabic stress & cohort size, acoustic onset & offset gating, 18–22 yr old college students, 29692

Stimulus Onset—Serials

acoustic warning stimulus onset asynchrony, electrically elicited blink reflex, 19–28 yr old students, 11086
color & word randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, prefrontal cortex & working memory implications, 19218
dichotic click stimuli number & interstimulus interval, zero weighting of interaural stimulus delays as measure of onset dominance in sound localization, adults, 17868
duration & onset of 2-tone forward maskers, thresholds & psychophysical suppression & enhancement of signal, adults, application of 2-stage neural model, commentary, letter, 25210
lexical decision onset asynchrony, semantic priming, older adults with vs without Alzheimer's disease, 4707
offset transients used to create non onset objects, attentional capture by sudden onset, adults, 41029
positive vs negative acoustic stimulus onset asynchronies, blink reflex, 18–40 yr olds, 29471
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary reply, prefrontal cortex & working memory implications, 19217
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary, prefrontal cortex & working memory implications, 19194
short stimulus-onset asynchronies, associative & semantic priming effects in lexical decision & naming, university students, Spain, 28874
stimulus onset asynchrony & proportion of consistency of positive & negative prime-target word pairs, evaluative & semantic priming, college students, Germany, 17923
stimulus onset asynchrony, perception of visual & auditory speech, 18–22 yr olds, implications for fuzzy logic model of perception, 14490
stimulus onset asynchrony, semantic priming & lexical decision, 25–72 yr olds with Broca's aphasia, 19612
stimulus presentation during delay between response & outcome, ratings of causal effectiveness of response, 18–52 yr olds, England, 259
syllabic stress & cohort size, acoustic onset & offset gating, 18–22 yr old college students, 29692
valid vs invalid cues & time between cue & target onset, attention shift, nondemented patients with Parkinson's disease, 39500
varied stimulus onset asynchronies, cerebral hemispheric priming of non-associated category members, adults (mean age 22.5 yrs), 29317
wait time before sample & sample discriminability, analogical coding of event duration in choice matching, pigeons, 350

Stimulus Parameters [See Also Size, Spatial Frequency, Stimulus Attenuation, Stimulus Complexity, Stimulus Duration, Stimulus Frequency, Stimulus Intensity, Stimulus Intervals, Stimulus Novelty, Stimulus Offset, Stimulus Onset, Stimulus Salience, Stimulus Similarity, Stimulus Variability, Temporal Frequency]—Serials

age & IQ, stimulus & response timing on temporal generalization & bisection & differential threshold & interval production tasks, 60–79 yr olds, England, 38343
amount of visual information & object size, time & speed in reaching & grasping, college students, 17873
amplitude modulation of nontarget components, disruption of profile analysis of signal types during presentation, adults, 17843
arbitrarily applicable stimuli relations & reinforcement, transformation of self discrimination response, adults, Ireland, erratum, 14638

assessment of direction of turn stereotypes for 2-D horizontally moving displays & 3-D display/control arrangements & RT as measure of compatibility of displays & controls, adults, Australia, 17808
assimilation in visibility of dotted to solid line, context-produced increase in target visibility, college students, 6236
attentional blink effect during identification of visually presented target vs probe noun vs name vs own name stimuli, 17–43 yr old university students, Canada, 25206
attentional model of positive stimulus dimensional contrast, discrimination learning, pigeons, 34369
bistable arrays of disjunct dots followed by stimulus onset asynchrony mask, perceptual grouping time course by proximity & alignment, adults, 21260
breeding habitat & evolution of song structure & effects of song degradation on distance estimation, territorial male yellow warblers vs common yellowthroats vs ovenbirds vs American redstarts, 37869
broadband noise, amount of peak to valley spectral contrast required to identify vowel-like sounds, normal hearing vs hearing impaired adults, 16414
category discrimination of prototypes & transfer to artificial polymorphous stimuli, pigeons, 354
cerebral lateralization of form-specific & abstract priming in perceptual identification, college students, 25481
color & orientation & category of flankers & targets, target selection time, college students, 28740
color patch vs incongruent vs backward incongruent vs upside-down incongruent vs upside-down backward incongruent color words, color naming RT, 18–25 vs 64–82 yr olds, 22055
concurrent discrimination of color & brightness & texture & length & location & motion, 1- vs 2-object interference, 18–58 yr olds, test of visual attention model of surface & boundary subsystems, 17821
conditional discriminations established by verbal instructions using paper and pencil format, stimulus equivalence, college students, 28842
configurational & featural information & upright orientation & mental rotation, face recognition, adults, 41034
CS as invariant feature/element in complex stimulus configuration & exposure to indirect CS-UCS co-occurrences, observational evaluative conditioning, adults, 6365
cues from multiple independent stimulus dimensions, classification of complex sound-pulse, 19–28 yr olds, 10651
cup size & weight & handle size, grasping pattern, 20–45 yr old women, includes commentary on implications for occupational therapists, 40196
curvature & velocity covariation in relation to smooth pursuit eye movements in 2-dimensional tracking, 19–37 yr olds, test of Two-Thirds Power Law for ocular movement, 34530
differential effects of discrimination training design, probability of stimulus equivalence outcome, college students, 28942
direction of motion, perceptual identification of figure, 18–29 yr olds, 28732
distinction between sensations & physical properties of objects, 6 vs 9 vs 18–58 yr olds, 29829
dot stimulus configuration, oculomotor scanning, 23–63 yr olds with unilateral posterior parietal vs frontal lobe damage, 36166
early avoidance of traumatic stimuli, experience of intrusive thoughts, burn survivors, 8473
ease of detection of gaze direction using visual search task with straight vs left vs right averted gaze stimuli, college students, 217
envelope parameters & signal frequencies, discrimination & detection of modulation frequencies & complex envelopes, adults, 25229
exact information about items for current trial, effects of presentation modality & concreteness & set size on long term free-reconstruction-of-order task, college students, 25310
extended generalized context model, time course of categorization of stimuli with multivalued dimensions, graduate students, England, 34218
fixation offset condition, saccadic RT in response to visual targets in prosaccade vs antisaccade tasks, adults, 2770
free-operant preferred-stimulus manipulation as environmental enrichment, stereotypic self-injurious behavior, 3–5 yr olds with developmental disabilities, 39169
general knowledge level, rating of usability of interface designs varying in compatibility of stimulus-response mappings, Ss, application of theory of item summing heuristic, 17461
heterogeneity vs homogeneity with target color & number & length of presence of static distractors in visual field, attention to onset of motion of target, 14-wk-olds, 25769
individual differences in fixation duration & vertex absent vs vertex present degraded visual targets, target recognition, 4 mo olds, 7232
judgment of direction of broadband signal presented in quiet vs noise, Ss, 10659
leading phase polarity of waveforms, detection thresholds for electrical stimulation of cochlea in deafened ear, nonhuman primates, animal model, 25215
learning vs relearning vs long-term retention of temporal & spatial & noun information, college students, 28977
left–right orientation & size & color stimulus transformations, role of explicit vs implicit memory in recognition & affective preference measures, college students, 34285
lexical retrieval & naming of living vs non-living items, 66 yr old male with progressive left hemisphere atrophy, case report, 23474
local & global level form characteristics in apparent motion correspondence mediated by correlations among features vs tracking object representations by visual attention, college students, 207
low or high & broad range contrast 1 vs 4 cycles/deg gratings, perceived contrast of spatial frequencies in visual task, adults with normal vision, 21285
luminance & eccentricity & hemifield & hemispace of stimulus presentation, RT to & extinction of unilaterally & bilaterally presented light flashes, 48 yr old male with right hemisphere lesion, 16377
luminance contrast of adaptation &/vs test stimuli, magnitude of static vs flicker motion aftereffects, Os, 41033
maximum length sequence brain stem auditory evoked responses, rate induced latency shifts & age differences in temporal processing capacity & adultlike adaptations, immature cats, 21729
memory & face-name mnemonic training with name recall ability, uniform vs realistic visual materials, elderly, 29997
models incorporating interpretations of transverse patterning to simulate data on performance on loop problems, homing pigeons, 10763
modified Stroop color naming task with eating- & weight- & shape-related stimuli, female patients with anorexia nervosa vs with bulimia nervosa, 31495
multielement visual display reliability, weighting efficiency of auditory vs visual information, undergraduates, 25197
neural network model of hippocampal modulation of UCR & stimulus configuration & occasion setting, 33859
nodal number & existing class sizes, equivalence class formation, college students, application of simultaneous protocol of baseline conditional & emergent relations training, 35204
number of elements in gradient & height & width & separation, speed of gradient anomaly detection, college students, 25191
number of stimulus features used to cue spatial location of target, RT during report of presence or absence of target letter, 18–41 yr olds, test of race models of visual search, 25207
numerosity & other confounding variables, serial ordering of discrimination of visual arrays, pigeons, 34360
object curvature & shape & illumination direction, lightness perception in 3-D curved objects, 25–30 yr olds, 10638
obsessive–compulsive vs hysteric personalities, selective attention & response interference & information integration in visual processing of local & global dimensions of stimuli, 18–36 yr olds, 8068
order of viewing diagram & reading text, recall, 8th graders, 13762

pain & optimum stimulus parameters for lateralized suppression of speech with magnetic brain stimulation, 31–48 yr olds, 18205
paired vs multiple stimulus with vs without replacement, assessment of reinforcer preference, 25–45 yr olds with developmental disabilities, 16127
partial occlusion of moving object, perception of object unity vs form, 4.5–5.5 mo olds, 25794
perceived constraints imposed by objects & intervening apertures, adjustment in orientation of hand in preparation for grasping, adults vs 9–10 mo olds, 25780
perceived structure & selective attention, susceptibility to interference from irrelevant information, 5–7 vs 8–9 vs 10–12 yr olds vs college students, Netherlands, 34820
perceptions of linear & angular size & sagittal motion in optical expansion & contractions, adults, 41021
preselective identification of irrelevant stimuli, negative priming, 18–24 yr olds, 6213
presentation vs termination of houselight, temporal estimation & working memory in matching to sample task, White Carneaux pigeons, 34377
processing of & visual sensitivity to surface structure from motion & stereopsis & discrimination thresholds, adults, 37635
processing of incidental stimulus characteristics, implicit & explicit learning with vs without awareness of consequences, college students, Canada, 18006
psychoacoustical evaluation of pitch-synchronous overlap-and-add speech-waveform manipulation technique using single-formant stimuli, 25 & 27 & 35 yr olds, 37674
pure central executive interference task, frequency of connected sequences of stimulus independent thoughts, college students, Belgium, 6397
ratings of liking & complexity & appropriateness of music in naturalistic listening situation, 15–59 yr olds in aerobics vs yoga classes, England, 18500
recognition & naming of living vs nonliving stimuli, 65–86 yr olds with Alzheimer's disease, replication, 12683
recognition memory for naturalistic melodies varying in phrase structure, musically trained vs untrained listeners, Canada, 37768
recombining vs intact pictorial item pairings, representations underlying repetition priming effect, adults, 2864
reinforcement vs aversion vs neutral stimulus pairing condition, vocal behavior, 11 & 14 mo old females, 7277
relative strength model of free recall of strong vs weak items in pure- vs mixed-strength word lists, college students, 34292
relevance shifts in validity of schematic faces dimensions, category learning, college students, Switzerland, comparison with learning in neural network models, 17988
repetition blindness as reduced sensitivity for detection of repeated vs unrepeated visual targets, college students, application of signal detection model, 2773
response execution, perception of response-compatible stimuli, young adults, Germany, 28762
role of frontal cortex in dissociation between visual perception of object & awareness of object's inherent spatial & nonspatial information for mediating visuomotor control of accurate movements, 224
RT in detection of large vs small stimulus, adults, 25195
sample space formation in correspondence to category & motivation & attention based information, judgment accuracy, college students, 37720
screen pulsation & negative vs positive polarity, eye movement control during word examination, adults, 17828
selective attention in numerical perception & dimensional interaction between physical & numerical size of numerals, college students, implications for numerical cognition & Stroop phenomenon, 21322
sensitivity to mechanical stimuli & ability to make intermodality simultaneity judgments, heartbeat detection, college students, 41418
set-inducing instructions to avoid reference to specific water jugs, problem solving speed & accuracy, students, implications for Einstellung effect, 10693
signals through headphones vs simulated real word sources, distinction of virtual image vs real source signal & their external & compact & localized characteristics, listeners, 25219
simultaneous occurrence of emergent stimulus–response & stimulus–stimulus relations in matching-to-sample training, 4–5 yr olds, 38337
single vs multiple examples of correct & incorrect stimuli, discrimination acquisition & generalization, 10–19 yr olds with moderate retardation, 37113
slant & shear parameter values in deformed shape viewing, relatedness of perspective & projective transformations in shape pattern discrimination, college students, Belgium, 37637
smoothness of the velocity field & frequency & amplitude & density & surface complexity, detecting 3-D surfaces & optic flow, undergraduate & graduate students, 28730
spatial & form based processing in stimulus-response compatibility task, performance on fixated stimuli & automaticity reflecting stimulus-response mappings vs codes, college students, 10710
spatial gradient limit on multiple motion perception, adult males, 196
speech speed & frequency, perception of stop consonants, males (mean age 15.1 yrs) with dyslexia, 42635
standardized naming & recognition test stimuli & procedures for evaluating retrieval of lexical & conceptual knowledge for actions, college students, 41129
stimulus & response factors & behavioral sensitization related to apomorphine injection, male rats, 29585
stimulus code & response modality & interference & facilitation, set- & element-level stimulus response compatibility, college students, 2838
stimulus congruity & arousal states, temporal perceptions of radio advertisements, college students, 2378
stimulus element density & spatial frequency, motion detection, Os, test of algorithmic models, 10626
stimulus estimation & signal detection methods, P-receptor afferents & pyramidal cell responses & temporal encoding & processing of modulations in electric field amplitude, weakly electric fish, 29418
stimulus location & duration & repetition number, sound evoked head orientation responses, male cats, 21481
stimulus location, identity matching performance, rats, 41243
stimulus onset asynchrony & proportion of consistency of positive & negative prime-target word pairs, evaluative & semantic priming, college students, Germany, 17923
stimulus quality & associative priming interaction in naming of Serbo-Croatian words, high school students, Yugoslavia, 17934
stimulus rate, peak amplitudes for conventional vs maximum length sequence brain stem auditory evoked response, 10 vs 15 vs 20 vs 30 day old vs adult cats, 21730
stimulus specificity of high frequency oscillations & coherence of stimuli, phase locked vs non-phase-locked 40 Hz visual responses, adults, 6723
stimulus spectrum & bandwidth, sound evoked head orientation responses, male cats, role of spectral notch cues, 21479
stimulus-stimulus congruence & stimulus-response compatibility, adults, 25171
stimulus structure & perceptual exploration, decisional processes in haptic vs visual free classification, 4–9 yr olds vs adults (mean age 21 yrs), France, 11330
stimulus–response incompatibility & degradation, RT & P3 latency, 20–29 vs 68–80 yr old females, 11305
structural vs attention-based contingencies & specific stimulus structures vs abstract & general information guiding attention shifts, object recognition, young adults, 28766
subordinate vs attribute level classification of pictures vs words depicting living vs nonliving things, 54–87 yr old patients with Alzheimer's disease with verbal vs visual deficits, 1604
target stimuli yielding various amounts of rewards & penalties &/vs neutral stimuli, value transfer in discrimination learning, pigeons, 6454

task constraints & stimulus conditions &/vs other sources of perceptual timing information, test of J. P. Wann's tau margin theory of interceptive timing, replication & extension, 37612
temporal order in training or biological significance, differences in processing representations of CSs & UCSs, adult rats, 18060
thresholds for increments & decrements to central component of tone complexes & spacing & density, across channel level comparisons of speech pitch cues, adults, 25217
training impure mands or tacts of abstract stimulus properties, emission of other operants without training, 4.3–4.9 yr olds with language delays, 9991
transfer tests of stimulus value & reinforcement context in concurrent chains, pigeons, 41232
unilateral vs bilateral presentations of hierarchical stimuli & exposure duration, local vs global processing, adults, 10926
variability of amplitude & frequency, perceptual similarity of shapes, college students, 17820
verbal contingency specific rules with function altering vs evocative effects, behavioral compliance, 4–5 yr old males, replication & extension, 8875
visual display parameters, lipreading of numbers, 18–30 yr olds, England, 2785
visual pattern overlap & type representations & psuedoobject pictures, repetition blindness, 18–28 yr old students, Canada, 37616
1st-order time-to-contact information vs environment–actor system properties in continuous control models of movement regulation, test of J. P. Wann's tau margin model of interceptive timing, 37607
3- vs 2-dimensional stimuli, time required for mental rotation, college students with normal vision, Canada, 17885
3 link concurrent chain reinforcement schedules with additional vs differential stimuli presentations at middle vs end of chain with vs without food, male rats, 18087

Stimulus Pattern [See Stimulus Variability]

Stimulus Presentation Methods [See Also Stereoscopic Presentation, Tachistoscopic Presentation]—Serials

ability to discriminate between stimuli & between real stimuli & video images of stimuli, hens, 34385
additional rules for H. Levitt's transformed up-down method in psychophysics, 6767
associative priming during rapid serial visual presentation, word meaning, college students, 37627
auditory intensity & tone frequency in oddball vs single-stimulus paradigms, P300 amplitude & latency, college students, 41389
auditory word perception in single-trial presentation paradigm, funtional MRI correlates, 22 yr old native English speaking female, 34162
backward vs forward 1st order training of CS & UCS, magnitude of 2nd order conditioning vs sensory preconditioning, rats, 34348
component analysis of preferred-stimulus presentation & contingent withdrawal program for increasing indices of happiness, 28–41 yr olds with profound mental & physical disabilities, replication, 38853
concreteness of operant discrimination task presentation, transitive deduction & awareness of stimulus hierarchy, adults, 25276
CS summation in autoshaping, pigeons, 18076
displacement of instrument on skin & voluntary movement, test–retest reliability of 2-point discrimination thresholds, 6–13 yr olds, Canada, 11368
ERPs of localized cortical substrate associated with reading analog vs digital time displays, healthy 20–32 yr olds, 21732
exact information about items for current trial, effects of presentation modality & concreteness & set size on long term free-reconstruction-of-order task, college students, 25310
linear separability vs distractor heterogeneity, color visual search, adult males, 28731
masking of targets in rapid serial visual presentation, attentional blink, college students, Canada, 37796
noncontingent presentation of attention & alternative stimuli, attention-maintained destructive behavior, mentally retarded 11 & 16 yr old males, 39145
nonsimultaneous signal presentation vs negative interstimulus contingency benefit, divided attention, test of race model of redundant targets & of effect of upper bound, 28992
nontarget stimuli & reinforcer random preexposure, key peck response acquisition, pigeons, general learned irrelevance demonstration, 34378
order of presentation of photographs & items on Photo Anxiety Questionnaire, assessment of dental anxiety, psychology students, 6001
pictorial vs verbal presentation of semantically related vs unrelated items, recall, young vs older adults, 41663
polar projection, perception of euclidean structure from apparent motion, adults, 6223
predictive relation between incidental information & location of target events, spatial attention, college students, 2815
presentation of familiar vs novel food to whole group vs only to infants, interaction with group members concerning food, 4.5–12 mo old capuchin monkeys, 37870
randomized presentation of series operant discriminations, transitive inference performance, pigeons, 29078
re-presentation of narrative & visual spatial stimuli, recall, college students vs elderly people, 21411
signals through headphones vs simulated real word sources, distinction of virtual image vs real source signal & their external & compact & localized characteristics, listeners, 25219
simultaneous &/vs delayed auditory & pictorial stimulus presentation, oral picture naming & matching to sample performance, male 40 yr old with head injury, 39506
situational context & message predictiveness & use of gestures & familiarity with speaker & audio &/vs video presentation, intelligibility of dysarthric sentences, male vs female 18–30 yr olds, 1475
sound producing objects represented by their spoken name vs typical sound vs written name vs picture, immediate serial recall performance, participants, 28950
spatial configuration of baited poles, choices, rats, 342
standardized naming & recognition test stimuli & procedures for evaluating retrieval of lexical & conceptual knowledge for actions, college students, 41129
stimulus sequence, judgments of pleasantness of taste stimuli, 18–49 yr olds, Netherlands, 41010
tail shock controllability & sequence, recall of unpleasant passive avoidance training, Wistar Kyoto vs Wistar male rats, 10783
unilateral vs bilateral presentation, simultaneous attention & interhemispheric integration across visual hemifields, 20 vs 24 vs 26 mo olds, 22026
verbal vs graphic stimulus presentation, intromission vs extromission beliefs about vision, 7–15 vs 18–42 yr olds, 11316
visual extinction, perception of temporal order in prior entry tasks, 56-yr-old male & 66-yr-old female with right parietal damage, 31868
visual spatial attention, behavioral & electrophysiological differences between stimuli at expected & unexpected locations, 24–36 yr olds, 34298
visual vs tactile vs oral presentation of objects, naming & pantomime use of object, 63 yr old male with optic & tactile aphasia & apraxia following epidural left parietal hematoma, case report, 12608
written transcript with vs without photograph vs video vs audio presentation, ratings of counseling scenarios, 18–53 yr olds, 8770

Stimulus Salience—Serials

attractiveness &/vs distinctiveness of photograph faces, recognition & memorability, college students, 25315
core attributes & effort-reducing heuristics as criteria for stopping information gathering in sequential choice making, college students, 6339
correlation of category membership & magnitude, semantic distance for judgments of object size, undergraduates, 14611

differentiation of target from surround in texture properties, 2nd order apparent motion for higher contrast squares, Os, 2777
facial expression CS sex & age, electrodermal conditioning, male vs female 18–35 yr olds, 18020
high vs low olfactory stimulus concentration, differentiation of exogenous vs endogenous stimulus features in modulation of early vs late components of olfactory ERPs, female 20–35 yr olds, 18211
implicit verb causality & covariation & salience in agent-evocator vs other interpersonal verb classes, subject vs object attribution, American-English- vs native-German-speaking college students, 38240
key stimulus concept & algorithm for configurational cue discrimination & parallel & perpendicular motion detection in visually guided prey-catching behavior, toads, 10892
perceptual salience of acoustic changes caused by perturbation of articulation, auditory identification & speech quality rating task, 18–28 yr old female listeners, 25212
salience of national vs personal issues, accessibility of policy attitudes, college students, 7525
salient cues during vs after activity, memory for previously visited arms in 8-arm radial maze, rats, 361
size relative to whole object & degree of protrusion & strength of boundaries, salience of visual part in shape perception & object recognition, adults, 34154
stimulus novelty vs significance, skin conductance orienting responses, college students, 6778
stimulus salience & attentional demands, visual search patterns, Ss with brain damage with or without hemispatial neglect, 42780

Stimulus Similarity—Serials

analogical similarity taxonomies & remote analogical reminding, college students, 21455
arbitrarily placed category boundaries, judgment of similarity between pairs of stimuli, college students, 22489
attribute value & diagnosticity, categorization of ambiguous products by type, adults, implications for consumer research, 5812
conceptual metaphor correspondences vs categorical attributes, interpretation of & perceived similarity between & encoded nature of representation of understanding metaphors, college students, 254
contextual effects in similarity judgments, college students, 25259
discrimination learning, perceived similarity of same vs different stimulus pairs, college students, test of contrast theory, 14648
exemplar similarity, automaticity development measured by RT in random pattern numerosity judgments, college students, 21437
familiarity & recollection independence assumption & list similarity in 2-study-list process-dissociation procedure, college students, Canada, implications for recognition memory, 21414
feature matching & canceling, successive ratings of apartments with shared vs unique features, college students, 34213
feature similarity & spacing, RT in focused attention paradigm, young vs elderly adults, Netherlands, 2898
frequency &/vs consistency of orthographically similar words, pronunciation of regular & irregular words & nonwords, brain damaged female 78 yr old with pure surface dyslexia, 39541
graphemically similar & dissimilar primes, naming of target words at onset asynchronies, adults, 6326
group & assimilation & increase in visibility, undergraduates, 37624
identity & similarity of repeated word items, repetition blindness, adults, implications for lexical processing, 34202
intralist & extralist distinctiveness, recall of common vs bizarre sentences, college students, 309
irrelevant speech & phonological similarity effects measured by ERPs, 20–41 yr olds, test of phonological loop model of working memory, 41396
mental coding in same & mixed stimulus-response sets in spatial precuing task, college students, 6301
perceptual similarity & categorization, 10- & 13-mo-olds, 29810
pitch & key distance, perceptual similarity of strong tonal melody & its transpositions, listeners, 10672
semantic similarity in guilty knowledge paradigm, orienting response & skin conductance generalization, college students, 6763
similarity & difficulty & nontarget presentation, time course of visual attention, 21–41 yr olds, England, 28777
similarity comparisons between & differentiation of pairs of basic-level categories, college students, 17935
similarity judgments for pairs of faces & construction of face-space using multidimensional techniques, adults, Wales, 28757
stimulus similarity & choice processes in dimensional weighting judgments, young adults, test of coincidence effect, 41073
study & test problem superficial similarity & embedded vs abstract principle explanation, direct vs near-miss analogical mapping in problem solving, college students, 21442
superficial &/vs structural &/vs procedural similarity, analogical problem solving, 5 vs 7 & 6 vs 8 yr olds, 3353
word frequency & phonological similarity relations, development of word recognition, 7–11 yr olds & adults, 22029

Stimulus Variability—Serials

compatible & incompatible stimuli, RT latencies & reaction intervals within sequence & transfer of action plan to motor program, college students, 6283
conflicting color vs self-relevant vs taboo words vs single-color naming, test–retest reliability of Stroop test, 20–41 yr old female college students, 28410
dynamic vs stepped visual stimulus velocity profile, visual motion encoding, fly H1 & HS neurons, simulation model, 34541
face only & body only & whole animal inverted stimulus figures, categorical representation of animal species, 3 & 4 mo olds, 11387
generalization & accuracy of quantitative evaluations in 1–12 vs 10–20 element range, gray crows, 29080
intermodality change stimulus & habituation & training trials, electrodermal orienting & allocation of processing resources, 17–41 yr olds, 6798
line segment length & pure tone intensity & spatially compatible vs incompatible stimulus-response mapping, visual & auditory absolute identification accuracy & RT, college students, 41008
long term analysis of temporal bandwidth structure & envelope variability of stimulus in gap discrimination tasks, judgment in temporal resolution task, listeners, 25225
object orientation & size, response time & error rates in visual perception of affine-invariant coordinates, Os, 14545
pattern interference, tactile identification of spatial pattern presented to 1 vs 2 fingers, adults, 21230
preferential looking technique & stimulus structure & superior colliculus, face preference, healthy newborns (aged 24–155 hrs postnatal), 29729
reinforcement schedule & probability changes, within-session response patterns, male rats & pigeons, 25388
response-to-stimulus interval length & consistency, implicit motor sequence learning & performance, college students, attentional load implications, 41097
speaker characteristics & speaking rate & speech amplitude, spoken word recognition, younger normal hearing vs normal hearing vs hearing impaired elderly, 39596
stimuli constraints & dot density vs number vs size, vertical bilateral symmetry detection, adults, 14547
stimulus type & experimental task, categorization decisions, 4.4–4.9 yr olds vs adults, 3356
talker variability, word recognition, 3–5 yr olds vs young adults, 29823
time of day & oral temperature & resting pulse rate & stimulus sound pressure & frequency, 2f1-f2 distortion product otoacoustic emissions amplitude, males vs females with normal hearing, 14556
training with arrays of identical vs different icons, discrimination of arrays with mixed visual displays, pigeons, 25391
variability of disconfirming information, revision of judgments about categorical tendencies, college students, 17942

variations in harmonics remote from formant frequencies, discrimination of formant 1 & formant 2 center frequency, listeners, application of excitation pattern model, 25228
voice change variability between high vs low frequency words, auditory priming in implicit memory, college students, 17993
Stipends [See Educational Financial Assistance]
Stochastic Modeling [See Also Markov Chains]—Serials
combined Brunswikian & Thurstonian stochastic components of judgment, conference presentation, 40958
discriminability of serial vs parallel architectures in mathematical model of response time decomposition rules, implications for sample size distribution, 14424
examination of stochastic dependence testing using Monte Carlo simulations, 17757
information efficient control of discrete event stochastic systems, applicability to real-life design of automatic supervisors, 20898
response latency vs verbal pause as stochastic models of individual differences, 7–10 yr old males with specific language impairments, 42677
stochastic modeling of storage & retention & retrieval in prose passage learning & forgetting, 45–77 yr olds with Parkinson's disease, 36078
stochastic multidimensional unfolding, spatial representation of phased decision processes in consumer psychology, 135
theory encompassing stochastic models concerning evolution of subjective preferences under influence of stream of elementary events, 37555
Storytelling—Serials
age & sex & yrs of education & language, storytelling ability, 50–59 vs 70–91 yr olds, Canada & Spain, 22171
direct experience vs observation vs stories of event, recall, 5–6 yr olds, 25768
exposure to 1992 Los Angeles riots, aggressive content of spontaneous narratives, 4 yr olds, 1992, 7323
extent of participation in stories read in American Sign Language &/vs manually coded English, deaf or hard of hearing 4.6–5.1 yr olds, 24682
humor narratives as uniting factor in organizational environment, employees, 43795
listening to stories at regular intervals with vs without explanations of target words, vocabulary acquisition, 9–11 yr olds & their teachers, 13743
listening to stories by different vs 1 author vs listening in installments to multiple-volume series, decoding & reading comprehension & storytelling & voluntary reading, 5.7–6.9 yr olds, Israel, 25781
local/horizontal & global/vertical encoding, addressing of narratives, deaf mothers using American Sign Language to deaf 2–7 yr olds vs English-speaking parents to hearing 2–8 yr olds, 31930
narrative analysis as an alternative to understanding schizophrenic storytelling & homelessness & construction of the self, 39048
narrative-assisted instruction, enhancement of motivation & comprehension & memory in learning, 13703
organization & elaborations of story plots & language skills, conceptual structures of narratives, verbally gifted 6 yr olds, Canada, 7268
personal storytelling, socialization, middle class families & their 2-yr-olds, Taiwan vs US, longitudinal study, conference presentation, 41901
recurring themes in focus groups on stories related to work attitudes, adults with history of psychological disorders, 30759
self & identity as revealed through family narrative analysis, Jewish American females, 7745
social & ideological processes undergirding use of superheroes & other cultural symbols in classroom story construction & social affiliation, urban 2nd & 3rd graders of different races & SES, 3423
social constructionist perspective on communal social narrative & development of individual stories & personal meaning-making after 1995 Oklahoma City bombing, residents, 25977
storytelling & imagery & relaxation in asthma self-management program, preschoolers with asthma & their parents, 27530
storytelling ability & academic achievement in reading comprehension, 4th & 6th grade African Americans, 28013
storytelling in clinical training, reconceptualization of client poverty/class issues & knowledge integration into practice, clinicians, 13572
the role of storytelling in psychological consultation, 27841
use of stories to induce feeling, teachers, 33361
views of old age & elderly as expressed in drawings & stories, 3rd & 4th graders, implications for teachers & family & art therapists, 18440
Strabismus—Serials
experimental strabismus during infancy, cortical binocular neuron loss & size changes & recovery of cells in lateral geniculate nuclei, macaques, 6615
experimental strabismus induced diplopia during infancy, development of stereoblindness, monkeys, 6415
experimental strabismus induced diplopia during infancy, developmental reduction in excitatory binocular neurons of visual cortex, monkeys, 6614
normal vs reversed parallax vs monocular conditions, virtual reality display system viewing of familiar & unfamiliar images & performing ring & hook test, strabismic patients & normal vision adults, 23507
spatial frequency modulated by oblique masks, performance in contrast detection task, pigtail macaque monkeys with experimental strabismic amblyopia, 6739
Strain Differences (Animal) [See Animal Strain Differences]
Stranger Reactions—Serials
attachment classification, parent & playgroup interactions & behavior problems & achievement test performance, 7 yr olds 1st observed at 18 & 30 mo of age, 29871
CGP 43487-induced NMDA receptor blockade, defensive freezing behavior & dentate gyrus granule cell production, female rat pups exposed to unfamiliar male adults, 21645
chlordiazepoxide, aggression against male vs female intruder, aggression-naive vs -experienced lactating female mice, 15072
novel playgroup of unfamiliar peers without adult support, cortisol & behavioral reactions, 2.8–3.3 yr olds, 15300
presence of coactor vs audience others in neutral vs aversive situations, arousal measured by self-report & electrodermal responses, meta analysis, 38062
stability in behavioral inhibition & peer relations & emotional distress & life-course timing, 8–12 yr olds, 12 yr study, 18568
structural equation modelling approach to attachment behavior in Strange Situation, infants, Netherlands, 34925
Strategies [See Also Learning Strategies]—Serials
access of aviation navigation database under single-task vs dual time-sharing task condition, selection & viewport allocation strategies, pilots, 43903
active information search vs complete information presentation, naturalistic risky decision making, adults, 41070
adaptive driver system strategy, defense against adverse effects of fatigue & workload extremes & diminished driver capacity, professional drivers, 43922
age & information gathering costs & number of choices, adaptive decision making strategies, 7–8 vs 10–11 yr olds, 38319
alternating task modules vs massed protocol in isochronal distributed training, learning & retention in computer games & algebra word problems, 18–30 yr olds, 298
assessment strategies in fighting contests, male crickets, 29056
attentional strategies used in auditory discrimination task, young (mean age 4.9 yrs) vs adult listeners, 38346
awareness of causal relation between labeling strategy use & recall performance & study behavior & recall, preschool vs 1st vs 3rd grade children, 34804
bilateral lesions to nucleus accumbens shell subterritory, response- vs memory-dependent choice strategies in T-maze & radial-maze acquisition, male rats, 21642
bootstrapping of phonetic segment competencies as approach to speech segmentation, infants, 38307

career specialization & corporate strategy at time of succession, previous vs successor CEOs, 1981–90 vs 1957–81, test of population ecology hypothesis of organizational inertia, 43730
changes in environmental uncertainty & resource dependence in external environment, strategic orientation of oil industry, 1967–86, 5788
choice vs no choice method, Adaptive Strategy Choice Model prediction of preference for mental vs calculator vs paper & pencil strategies of solving multiplication problems, 18–25 vs 60–95 yr olds, 17947
cognitive & emotional & spiritual aspects of hope & clinical strategies in occupational therapy to develop hopes & incorporate hope work by practicing therapists, adolescent & 54 & 83-yr-old patients, 33112
cognitive & strategic components of explanation effect in decision making, college students, 37710
cognitive coping strategies & modes, patients with chronic pain disability, 26878
cognitive race strategy, 100 m sprint performance, elite sprinters (mean age 21.6 yrs), 24807
cognitive strategy intervention of question generation, reading comprehension, students, literature review, 24579
common factors & coping strategies in recovery without treatment, former smokers vs former snuff vs drug vs alcohol abusers, 13440
construction & reliability & validity of test of individual differences in addition strategy choices, 6 yr olds, 25002
contingency & configurational & universalistic modes of theorizing & relations among human resource practices & strategy & organizational performance, human resource managers & bank presidents, 24715
correctness of confirmatory vs falsificatory hypothesis testing, college students, 2469
cost effectiveness & outcomes of integrated continuum vs traditional delivery of mental health services for children & families & strategies for treatment development & outcome research, commentary, 32869
Critical Thinking training strategy system, human services staff serving families with multiple challenges, 32248
cuing & responding strategies & timing, distinguishing resolved from unresolved disputes & quality of resolution, college students, 14607
debriefing strategy & transition step for promotion of proactive & preventative behavior, students, 43612
decision strategies designed to reduce escalation of commitment to losing course of action when new products fail, senior-level managers, 20745
definitions of & strategies for cost effectiveness in mental health care through innovations to improve patient outcomes & use fewer resources & changing payment of treatment providers, 24105
deontic vs indicative reasoning strategies, 3 & 4 yr olds, 15210
dependence power & legitimate authority, tactics choice in subordinate vs superior conflict, adults, 988
descriptive frame vs qualitative context, conjunction fallacy occurrence in word problem solving & strategies, college students in psychology vs logic courses, 9939
destructive narcissistic pattern of behavior & reactions & feelings in the workplace, coping strategies, employees, 17340
development & content of conceptions of peace & war & strategies to attain peace, 6–8 yr olds, Netherlands, 3 yr study, 18486
development of strategies for halting or changing or coping with domestic violence, abused females, 8128
existing theoretical models of organization of technical knowledge & alternative model incorporating strategies of social closure, empirical evidence from large & small firms, Scotland, 2322
extent & nature of surge of undergraduate psychology majors since early 1980s & strategies & requirements in issue of increased enrollment in major psychology departments, 24517
family empowerment beliefs & behaviors & strategies, early childhood educators, 30152
feasibility & value of project on developing local lifelong guidance strategies for learning & work, adults & young people, England, 37163
foraging strategies in switching between preferred flower species, skipper butterflies, England, 34424
guidelines & strategies influencing implementation of collaboration instruction for educators, 40392
haloperidol vs amisulpride, motor skills & problem solving & strategy & subjective effort & automatization of task, healthy 20–30 yr olds, 38145
historical perspective on changes in grassroots initiatives & boycott tactics toward corporations, activists, 861
hypocrisy, direct vs indirect dissonance reduction strategy behaviors as motive for self-integrity, college students, 15715
identification of obstacles to safe behavior & discussion of policy options & specific strategies for ameliorating risk of AIDS, injecting drug users, implications for service delivery, 36641
incidence & order of occurrence & correlates of strategies used in ordinary interpersonal conflict, college students, 14165
indirect team building intervention strategies, cohesiveness in sport & exercise groups, 33719
influence strategy mix in resolving preference discrepancies in home purchase, husband-wife dyads, 3620
instructional strategies for teaching reading & writing & philosophical approach of direct instruction vs whole language, 2nd & 5th grade educators & teachers of students with learning disabilities, 36938
intuitive perceptions of problem solving complexity & decision making strategy, 17–23 yr olds naive to vs informed of study purposes, 21369
intuitive problem representation, evaluating mathematical problem solving strategies, 8th graders & college students, 34793
k-test strategy type & switching flexibility, prisoners with vs without schizophrenia vs arrested individuals vs brain lesion vs schizophrenia patients vs dyslexics vs students, Norway vs Sweden, 40215
leaping & flexibility problem solving strategies & insight & scholastic aptitude, 17–25 yr old university & 5th–7th grade students, 21993
loneliness as an antecedent or consequence of strategies used in social situations, 18–32 yr old college students, Finland, longitudinal study, 42080
low vs high Machiavellianism & use of sandbagging strategy to deceive opponents during competition, undergraduates, 35353
mediation control techniques & test of Kolb's mediation model delineating orchestrators & dealmakers, professional mediators, 14162
methodology to coordinate school & community services & health care reform, children & youth, implications for school psychology, 20689
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15619
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15640
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game under uncertainty, commentary, 15633
microbased Hobbesian simulation of evolution of social order, macro-outcomes & macrolevel effects on microdecisions in Iterated Prisoners' Dilemma game, 15635
motivations for weight loss & behavior change strategies, adults who maintained weight loss vs obese adults (mean age 27.5 yrs), 31537
occurrence & form misrepresentation of common-value issue during simulated bilateral negotiation, college students, 26177
organizational development strategies for integrating mental health services, 39990

patient's use of strategies to influence outcome of consultations with physicians, presentation of distress in search of surgical intervention, 47 yr old female, case report, 24147
pay policy & competitive strategy in high performing firms, 17380
peer review process of & strategies in applying for research funding from National Institute of Mental Health, grant support research applicants, 33158
perceived product harmfulness & vulnerability of target population, perceptions of ethicality of marketing strategy, adults, implications for marketing managers & researchers & public policy, 40670
personnel selection stragegies, level of job performance vs minority representation achieved, simulated business firms, 10059
picture interpretation & developmental trajectories in interpretation strategies, school age children, South Africa vs England, implications for literacy development, 7251
politness strategies in conversational argument, college students, 38234
practical thinking & problem solving skills & acquisition of optimal solution strategies in goal directed mathematically oriented task, 3 & 4 yr olds, 735
preferred coping strategies & helpfulness of strategies for managing caregiver stressors, male vs female spouses & adult children (mean age 59.4 yrs) of frail or cognitively impaired elderly relatives, 36745
presentation context & consumer framing of price offerings, everyday low price vs sale price strategy effectiveness, college student retail store customers, 37246
prey weight & size, predatory strategy, pomerine ants, 37914
primary & secondary & tertiary intervention strategies to reduce workplace stress & promote stress management & provide employee support programs, 39875
procedural rationality & political behavior in strategic decision making processes, decision effectiveness, top level managers, 2275
provision of communication systems & strategies, changes in communication with disease progression, clients with amyotrophic lateral sclerosis/motor neuron disease, 9651
quantitative synthesis approach & strategies to standardize nomenclature, prevalence of gambling problems, 13–20 yr olds, meta analysis, Canada & US, 4291
refinement of Decision-Making Questionnaire, strategic & tactical organizational decision making, 23–70 yr old workers, 21145
reframing strategies for change of perspective about self & labor market, 27859
regulatory focus &/vs valence, promotion vs prevention, strategic inclinations in task performance & problem solving & decision making, undergraduates, 25251
responses to personality test items based on references to behavior/experience vs characteristics/traits, college students, 21000
responsibility & involvement in deceptive strategies for hiding object, anticipation of behaviors & false beliefs of opponents to find object, 3 yr olds, England, 25751
scheduling theory applied to strategic behavior & decision making & performance in complex human machine settings, 17448
single vs multiple step transition analyses of multiattribute decision strategies, 34197
social failure vs heritable dispositions, high vs low psychological effort put forth to obtain & guard short-term mates, 13–20 yr old brother pairs & sister pairs, 38678
social navigation strategies for information seeking on world wide web, 37294
social persuasion strategies in psychosocial rehabilitation of chronic mentally ill, 2053
social skills training strategies, schizophrenia, literature review, 12885
social value of comparison dimensions, social comparison strategies, 15–16 yr olds, France, 22482
spatial ability, choice of spatial vs cancellation strategy in reasoning task, 1st yr undergraduates, England, 41085
strategic mission & types of leadership & mobilization in revitalization of human service organizations, 5311
strategic variation, reliance on phonological mediation in visual word recognition task, college students, 34281
strategies for constructing & maintaining self esteem, 21–94 yr old females, 41919
strategies for inclusive classrooms, mild & moderate & severely educationally disabled students, 20658
strategies for involving parents in drug prevention, at risk youths in Boys & Girls Clubs, 3 yr study, 43045
strategies for qualitative data categorization, 19–42 yr old data analysts, 17774
strategies for working with families of young autistic children in planning treatment & coping with crises, psychiatric clinicians, 9391
strategies of spatial thought for cognitive mapping tasks, configurational knowledge, 18–29 yr olds, Wales, 17922
strategies of verbal dueling to influence others & dictate flow of conversation & win duel, college students, 41991
strategies to avoid dominant cultural script of getting & staying away from abuser, 22–45 yr old battered women who participate in social and police services, conference presentation, 42433
strategies used when reading to their children, profoundly deaf mothers of deaf or hard of hearing 3–5.3 yr olds, 23508
strategy for incorporating social support into community tobacco smoking cessation contest, 25–74 yr old smokers & their designated support persons, 27783
strategy instruction in essay planning, persuasive & expository essay writing, 5th–8th graders with or without learning & writing disabilities, 43684
teaching of concepts about argument components & strategy to organize application of components, evaluation of written arguments & improvement of critical thinking, 5th graders, 36965
theoretical & empirical studies in managerial careers & business strategies of companies managed, managers, 13940
theory of social intelligence & point vs interval activity strategies for cognitive processing & goal setting & behavior & personality traits, 11763
timing of presentation of proximal tone burst in relation to pedestal, strategies for performance of intensity discrimination, adults, 21310
traditional vs error correction teaching strategy using English vs Spanish words, spelling accuracy, 6th & 7th graders with vs without learning disabilities in bilingual migrant education program, 33438
training of structural fault-finding strategy & transfer to fault-finding performance in hypothetical chemical plant, college students, 33803
use of coercive & negotiating strategies in conflict resolution & child's use of similar strategies with peers, mothers vs fathers & their 6 yr olds, 15456
use of critical thinking & the examination of assumptions in improving team strategy, sports coaches, application of S. D. Brookfield's critical thinking model, 43852
use of inclusion &œr elimination procedures, judgments of multiple alternatives, college students, Israel, conference presentation, 41098
use of prefactual vs counterfactual thinking strategies in relation to course exam, defensive pessimist vs optimist college students, 11751
use of strategic reference points, decision making & performance-based consequences of decisions with regard to human resources in organizations, managers, 13967
writing strategies related to psychological type, writing process, 5th graders with difficulties in written composition, 20541
5-step strategy using readying & imaging & focusing & executing & evaluating, performance on psychomotor tasks with different levels of cognitive vs motor elements, adults, 6409

Strategies (Learning) [See Learning Strategies]

Strength (Physical) [See Physical Strength]

Stress [See Also Environmental Stress, Occupational Stress, Physiological Stress, Psychological Stress, Social Stress, Stress Reactions]—Serials

academic examination stress, immunity & lung functioning, asthmatic adolescents (mean age 16.5 yrs), 12461

active vs passive stress inducing laboratory tasks, pulmonary & autonomic reactivity & airway irritability, 18–40 yr olds with vs without asthma, 31603
acute & subjective stress & strain in university vs home activities, 19–29 yr old chronically stressed vs non-stressed female college students, 13788
age, performance of complex motor task under stress, 15–73 yr old highly skilled miniature golf players, Sweden, 29720
age, stability of self-evaluations & attributions of stress & coping & psychological symptoms, 8–12 yr olds of divorced parents, 18623
age, stress & appraisal of stress & coping, male 45–75 yr olds & older, 11494
aggression & social stress & urine osmolality, male mole rats with chromosome differences from northern vs southern regions, 11041
alcohol exposure during postnatal period, monoamine concentrations in hippocampus & septal region assayed under stressed vs nonstressed conditions, rats, 21868
anesthesia with vs without oxymorphone, heart & respiration rate & temperature & blood pressure & plasma cortisol concentration & pain relief & stress, dogs having ovariohysterectomy, 18295
anxiety & depression & PTSD & association with pre-migration trauma & post-migrations stressors, political asylum-seekers, Australia, 35495
appraisal & coping processes in academically vs athletically stressful situations, college football players, 20625
auditory startle responses & habituation of EMG & heart rate & skin conductance & anxiety before Persian Gulf war vs during missile alert vs 8 mo after war, healthy adults, Israel, 564
basis of individual variation in exposure to stressful life events, 17–55 yr old monozygotic & dizygotic female twin pairs, followup study, 25446
behavior of vs relationship with audience member, stress level & cardiovascular reactivity, females (mean age 19.5 yrs), 41403
beliefs about attention to & clarity & reparability of mood, stress & illness & symptom reporting, college students, prospective study, 22658
biphasic locomotor response to ethanol & influence of stress, male rats with high vs low response to novelty, 593
boundary maintenance events & stress & depression & level of religious observance, traditional vs strictly orthodox Jews, England, 38498
BP & stress-prone temperament, Labrador Retrievers in guide dog training, 6805
brain & immune system & CNS responses to stress & depression, 42281
caregiver characteristics & stressors & resources, negative vs positive appraisals, 51–86 yr old husbands caring for wives with dementia, 32957
child's developmental status & quality of infant–parent relationship, early childhood parenting stress, parents of low birth weight 5.8 yr olds, longitudinal study, 35117
chronic life stress, beta adrenergic receptors, caregiver spouses of Alzheimer's disease patients (mean age 73 yrs) with high vs low stress, 36119
chronic life stress, psychological & physiological responsivity to stressful event, adult males, 41425
chronic life stressors & social resources & primary role incumbency, adults with problem drinking, 3 yr study, 4338
chronic mild stress & endogenous CCK & morphine, place preference, male rats, 34720
chronic mild stress, circadian rhythms of locomotor activity, rats, 14981
chronic mild stress, later cognitive functioning & spatial learning on Morris water maze test & hippocampal nerve growth factor, neonatally handled vs nonhandled male rats, 34386
chronic mild stress, sucrose intake & hedonic sensitivity relative to weight loss, mice & rats, animal model of depression, 6807
chronic novel stressors, behavior & 5-HT system, Sprague-Dawley vs Wistar Kyoto male rats, 18257
chronic restraint vs immobilization stress, ACTH response & noradrenaline & serotonin levels & brain monoaminergic activity, male rats, 11113
chronic stress, circadian patterns of plasma corticosterone levels, male rats, 546
chronic stress, immune & endocrine systems, implication for role in etiology of depression & anxiety, 15920
chronic stress, neurotrophic factor effects on glucocorticoid induced age related hippocampal damage, conference presentation, 1626
chronic stressful events & development of eating disorders, codependent vs noncodependent 18–35 yr old females with vs without alcoholic family member, 26828
clinical features & utility of assessing morbid cognitions & stress & risk factors & illness onset, 20–73 yr olds with psychotic vs endogenous depression vs melancholia, 35553
clomipramine treatment, T cell subsets, 20–63 yr olds with obsessive compulsive disorder, implications for stress & immunological vulnerability, 31060
cognitive & physiological appraisal processes, elicitation of threat & challenge responses to potentially stressful situations, adults, 34629
cognitive appraisal & psychological vulnerability & life & work stress & life satisfaction & depression & anxiety & positive affect, psychiatric patients vs self help group members & workers, 22700
cognitive behavior therapy vs progressive relaxation, functional impairment & fatigue & psychological stress outcomes, adults with chronic fatigue syndrome, 23998
cognitive behavioral strategies for enhancing ability to cope with stressful life events, clients suffering from depression, 27203
coherence among raters of psychopathology in adolescents & coherence of ratings with earlier & later stress & development of psychopathology, 13 yr olds rated by self & teachers & parents, 26384
community education levels, health status & stress & network support, 65–94 yr olds living in community, 15376
compensatory control in regulation of performance under stress & high workload, adults, conference presentation, 28856
computer experience, computer related stress, college students, 1045
concept analysis of the pediatric physiological stress response, children, implications for nursing research, 27655
conceptual & methodological problems with self report checklists of coping with stress, 14465
conscious experiences of fun & stress & managing stress, clinicians' treatment methods, 1st–6th graders functioning adequately in public school, 12777
consecutive long night flights, stress & fatigue, 25–55 yr old airline pilots, Germany, 43839
construct validity of Survey of Recent Life Experiences & associations with social support & somatic complaints, assessment of daily hassles, 18–68 yr olds, Netherlands, 14260
control appraisals & intrusive thoughts & problem focused coping or behavioral disengagement during stressful negative events, 17–55 yr old college students, 6 wk study, 37723
control of self vs environment to handle stressful caregiving situations, 56–86 yr old caregivers of spouses with dementia, 5324
conventional lecture- vs problem-based curriculum, stressor patterns, 1st yr medical students, Canada, 9704
convergent validity of French version of Parenting Stress Index, assessment of maternal depression & marital adjustment & parenting stress & child adjustment, mothers & their 2.7–6.2 yr olds, Canada, 31
coping & stress during initial phase of injury & recovery, family members of 6–12 yr olds with severe vs moderate traumatic brain injuries, 16389
coping strategy, examination stress & related emotional & physical problems, female vs male 12th graders, South Korea, 18586
correlation between General Health Questionnaire & California Psychological Inventory & self-ratings of stress & alcohol consumption, government employees, England, 5972

corticotropin releasing factor activity in CSF, neurobiological vulnerability to stress & anxiety, patients with Tourette's syndrome &/vs obsessive compulsive disorder, 11832
cross cultural perspective on symptoms & stressors experienced during menopause, Israel vs North America vs Japan vs Peru vs Mexico vs Greece, 3165
cross validation of stress as diagnostic marker, 4.6–14.3 yr olds with suspected developmental apraxia of speech, 31562
daily hassles & mood states & sleep disturbances in 3 days before attack, female 20–49 yr old migraine patients, 19520
decibel intensity of stressful noise, eating & exploring & grooming & resting & defecation, food deprived rats, 18255
defensiveness & cynical hostility & social desirability, cardiovascular reactivity during stress, male college students, 14985
demographic characteristics of caregiver &/or family member & caregiver burden & service needs, stress, families of adults with mild vs moderate vs severe/profound mental retardation, 31471
demographic variables & personality traits & perceived life stress & received social support, coping strategies, adults, Taiwan, 22548
deployment of parents in Operation Desert Storm & child's age & sex, child & family functioning & depression & life stressors, military children, 3442
depression & Axis I comorbidity & family psychopathology & autonomy, prediction of self-generated episodic life stress, female 16–19 yr olds, 2 yr study, 30833
depression & hypothalamic pituitary adrenal axis response to stress, 30830
desipramine, forced-swimming test behavior & stress levels of corticosterone, Fawn-hooded vs Sprague-Dawley rats, 6961
development & validation of Index of Race Related Stress, 18–61 yr old African Americans, 17576
development & validity of Situational Response Inventory, assessment of adaptiveness to stress, adults, 21002
development of checklist, assessment of self concept & stress & role of age & sex, 10–15 yr olds, Australia, 2517
development of mood disorder with seasonal pattern from winter subsyndromal depressive condition, revisitation of trauma & activation of internal stressors, 55 yr old female, case report, 22747
development of standardized behavioral rating system for Marschak Interaction method, assessment of parenting stress & parent–child interaction quality, parents & 3–14 yr olds, 17573
developmental perspective on recall of stressful life events & onset of child psychopathology, implications for longitudinal studies, 26389
diazepam & N-methyl-b-carbonline-3 carboxamide, behavioral reactivity to novel stressful stimuli, male transgenic vs B6C/3FI mice, 41513
disease severity & perceived stress, pain intensity, 8–16 yr olds with rheumatic diseases receiving medical treatment, 16267
disrupted moral dimension, differentiation between clinical vs nonclinical reaction to trauma & loss, 3–10 yr olds with war-related loss, Canada, 18613
distal & proximal stressors & social support, current depressive symptomatology, adults, 15913
distal & proximal stressors, psychological distress & stress in life events, 32 yr olds & older, 15 yr study, 11722
dominance status & social setting, stress & reproductive capacity, male teleost fish, 41227
dysphoric vs euphoric mood & back pain & perceived stress & effort, female hospital staff (mean age 37.6 yrs) with various work-loads, 27906
D2 dopamine receptor A alleles & family stress, visuospatial ability & P300 amplitude & latency, 10–13 yr old males with active vs recovered alcoholic vs nonalcoholic fathers, 29762
effects of overexposure to glucocorticoids from sustained stress, hippocampal volumes & role in depression & PTSD, rats & humans, literature review, 19131
emotional stability, experience of anticipatory & reactive stress associated with goals, young adults, 6–7 mo follow-up, 22536
environmental factors & stress vs genetic factors , pathology & behavior, C57BL/6 vs DBA/2 in bred mice strains, animal model of diathesis stress hypothesis, 41292
ethanol & restraint stress schedule, adaptation & food intake, male rats, implications for cause of depression, 18103
ethnic & gender differences in reported stressful life events, Cambodian vs Laotian vs Vietnamese-Americans (mean age 15 yrs), 22237
evaluated speaking & mirror tracing & cold pressor test & stress, myocardial & vascular responses, 25–54 yr old healthy Black vs White females vs males, 41861
evaluation of Sheffield Stress on Women Project, mental health, females, England, 20187
everyday stress & disease severity, 45–76 yr olds with angina pectoris, 1 yr study, Germany, 42778
exam stress & neuroticism, mood & cortisol & immune function, habitual smokers vs nonsmokers, 3151
examination stress, mood & health behaviors, preclinical medical students, England, 30523
external funders & museum curators & other stakeholders' conflicting pressures, popular vs accessible vs scholarly aspects of art exhibitions, art museums & their managers, 10088
factor structure of Coping Resources Inventory, assessment of use of cognitive restructuring & problem solving/attribution in successful coping with stress, adults, 17615
factor structure of Impact of Events Scale & stressful life events, normal 19–81 yr olds, England, 40834
factor structure of Ways of Coping Checklist & measures of health & stress, physicians, Norway, 20995
family of origin stress & age at first menarche & perception of pregnancy as life event, pregnant 13–18 yr olds, 34945
family psychoeducational support group, distress & knowledge about illness & annoyance about patient & burden, mothers & fathers of schizophrenic patients, Spain, 9 mo followup, 23764
family social support & conflict, stressors & depression, female caregivers, 20255
family stress & support & child behavior characteristics, 3–18-yr-olds with Prader-Willi syndrome vs mixed etiologies of mental retardation, 19441
family structure & resources & stressors & SES, materialism & compulsive consumption, 20–32 yr olds from disrupted vs intact families, 33751
family support & health status & stressful life events, depression, 62–91 yr old Chinese immigrants, 30889
feelings of inadequacy & emotional reactions & course of grief & psychological distress & intensity of stress, mothers who experienced perinatal loss, 4 yr followup, Netherlands, 26253
flight duty times & flight duration, sleep & taskload & fatigue & stress, aircrew on transmeridian flights, 43929
foot shock vs psychological vs forced swimming stress with vs without scopolamine, learning task performance, male mice, 21866
framework for study of stress & operator decision making in coping with emergencies in complex systems, implications for training for emergency response, 6315
fundamental frequency of phonation measures, perceived emotional stress in natural speech, college students, 37681
gay-related stressful life events & emotional distress & self-esteem & multiple behavior problems, predominantly Black or Hispanic male homosexual & bisexual 14–19 yr olds, 3471
gender & culture & stress & coping style in sports competition, college athletes in Australia (mean age 20.6 yrs) & US (mean age 20.7 yrs), 42049
generation of humorous vs serious monolog to silent stressful film, heart rate & skin conductance level & temperature & mood & tension ratings, males high vs low in trait humor, 25543
global vs situational meaning & meaning making in the context of stressful life events & coping, 35346

grouping after darkness & in pens with stalls & after use of amperozide, aggression & skin lesions & plasma cortisol concentrations, unfamiliar adult ovariectomized pigs, 10802
handling & saline injections as stress induced depressive state, behavioral & neurochemical features measured by alpha-1 potentiation of beta adrenoreceptor-stimulated cyclic AMP formation, male rats, 21663
hearing dog ownership & level of loneliness & changes in social interactions & life stress, deaf 22–85 yr olds, 8678
high vs low stress, quality of marriage & life & immediate & extended family & friendships, 22–40 yr old married students, Australia, 11714
humorous vs stressful stimuli & writing about stimuli vs nonstimuli topic, secretory immunoglobulin A antibody levels, college students, 25544
immigration, developmental disruptions & stressors & school participation & family dynamics, Mexican American children & their families, 11462
immobilization stress, plasma amino acid correlates, 3 vs 24 mo old rats, 11080
immune reactivity to acute laboratory stressor & anger expression & hostility & anxiety & depression & stress, adults, 29480
importance of affiliation vs achievement & related stressful events, prediction of harm & threat & challenge appraisals, 17–29 yr olds, 7744
importance of stress as variable in psychotropic drug studies, rats, 15096
inclusion process & educator characteristics, stress of educational objectives, regular vs special education educators of primary school students with mild intellectual disabilities, Australia, 13828
incremental predictability of Role Hassles Index, measurement of job demands & role conflict & ambiguity & overload & prediction of burnout, 22–61 yr old hospital nurses & their partners, Canada, 28619
inner & outer world experiences under stressful environments & self protecting coping efforts, schizophrenic patients, 8000
integration of psychological & physiological stress theories into formal motivational framework, implications for stress assessment, 34375
intensive stressor, problematic alcohol use & depression, adult males vs females, 30019
interaction between cognitive dysfunction & negative stress as variables in response to cognitive behavioral therapy, outpatients with depression, 39710
interactions among stress & personality & physical illness & social support, literature review, 30661
internal vs unknown locus of control for positive vs negative events as a stress moderator & mediator, 8–12 yr old children of divorce, 25878
international relocation & stress, atopic sensitization, 5–18 yr olds, Sweden, 42732
intra- & inter-individual coping consistency over time & in stressful encounters & emotional outcomes, adults, Taiwan, 18978
knowledge & opinions about & acquisition of stress coping strategies, 22–60+ yr old primary school teachers, England, 9832
leisure activity participation, adaptation to widowhood & stress levels, 50–84 yr old widows, 20837
length of residence & differences in enclave development & immigration policy & family cohesion, acculturation & stress, Cuban vs Nicaraguan immigrant 6th & 7th graders vs their parents, US, 3430
level & proportion of child vs parent related stress, single vs 2-parent families vs families of children with Down's syndrome or hearing impairment or developmental delay, 30664
life & daily stressors, number & self ratings of disfluencies, college student stutterers vs nonstutterers, 26843
life change events & life stress & depression & drug use & suicide ideation, gifted vs nongifted inner city 7th–8th graders, 30687
life event stress & hassles & psychological coping style & social support & family environment & susceptibility to upper respiratory tract infections, 18–65 yr olds, 31581
life stress & social support networks & 1st vs recurrent episode, recovery, adults with clinical depression, England, 42252
life stresses & service use & alcohol misuse, 17–85 yr old suicide victims, England, 39173
life stressors & neighborhood disadvantage & self worth & social support, behavioral adjustment, inner city 4th-6th graders, 34900
locus of control & neuroticism & stressors & coping behavior, reported physical illness, 35–55 yr olds, 3914
low vs moderate vs high maze-learning performance & acute swimming stress, 3H-flunitrazepam & 3H-Ro 5-4864 receptor bindings in synaptosomal/mitochondrial forebrain membranes, chicks, 11164
magnitude & types of stress, recovering male drug addicts in urban substance abuse program, implications for stress management in rehabilitation programs, 40172
major & minor stresses & uplifts & coping styles & endocrine function, 21–54 yr olds with primary dysthymia, 30901
major vs small stressful life events, disease activity & symptoms, patients with rheumatoid arthritis, 23278
marital status & education & child age & stress & family resources & normalization attitudes, out-of-home placement application, parents of severely mentally retarded children & adolescents, Israel, 32975
mastery & extraversion & neuroticism, stress appraisals, college students, 30498
masturbation as strategy for coping with stress, 10 yr old female, case report, 3426
maternal expectations & attributions about their child's coping ability in stressful situation, mothers & their 8–14 yr olds with vs without anxiety disorders, 39084
maternal gestational stress, adaptive & social behavior, 36–50 mo old adolescent rhesus monkeys, 21786
maternal resolution of child's medical diagnosis, parenting stress & perception of marital quality & social support, adult females with chronically ill children, 26889
maternal stress or anxiety during pregnancy, emotional development, children, 41709
mild naturalistic stress, induction of stable homosynaptic long-term depression of CA1 area of hippocampus & synaptic plasticity, adult male rats, 34594
MK-801 vs haloperidol, amphetamine- & stress-induced behavioral sensitization, male rats, 3286
motivational effects of time-pressure & evaluation apprehension, mere exposure phenomenon, high school students, Israel, 7345
multiple layers of posttraumatic stress as demonstration of need to balance internalized cognition & emotion with concern for sociocultural & sociopolitical issues in treatment, 42950
naloxone, postnatal stress-induced body weight gain, adult male mice, 29528
nature & cause of stress, managers of community homes for people with intellectual disabilities, Wales, 37194
negative life events & depression severity & dysfunctional attitudes & problem-solving, perceived stress before & after treatment, 18–65 yr old outpatients with depression, 42279
negative maternal control & family stress, hard to manage 4 yr old males, 5 yr study, 26603
neonatal handling & cross-fostering & diazepam, stress-induced maze learning deficits & anxiety & central norepinephrine & 5-HT & plasma corticosterone & ACTH, BALB/cByJ vs C57BL/6ByJ mice strains, 18126
neonatal nonhandling & in utero prenatal stress, density of NADPH-diaphorase-reactive neurons in fascia dentata & Ammon's horn, rats, 41367
neonatal testosterone for females & male testes removal, swim stress induced & NMDA mediated analgesia in presence of estrogen, mice, 3172
neurophysiological & biochemical stress-related aspects of generalized anxiety disorder, literature review, conference presentation, 35649

neurotic & expressive hostility & stress & depression, nonclinical 17–59 yr old college students, 18958
noise stimulus during cognitive performance task, cardiovascular responses & subjective reports, 17–24 yr olds with chronic fatigue syndrome, Australia, 19491
noninvasive continuous BP measurement methods & heart rate & BP responses to mental stress & application to study of cardiovascular disease risk, 6800
ongoing stressful & problem situations, social & emotional functioning, 12–17 yr olds with cystic fibrosis & parents & health care professionals, application of behavior-analytic model, 24019
optimism & reported physical symptoms & daily hassles, male vs female undergraduates, 7734
ovarian steroids, benzodiazepine receptor & postrestraint stress receptor binding over estrus cycle, female rats, 6830
own & spouse's work-family spillover & emotional labor & child-care & household task satisfaction & employment status, perceptions of stress, 19–58 yr old working mothers, 3680
parental attitudes & involvement & discipline styles & consistency, self rated adjustment & perceived competence & locus of control, stressed urban 4th–6th graders & their parents, 29868
parental behaviors & family stress levels & persistence of childhood problem behaviors, problem toddlers & preschoolers labeled at risk for psychopathology & their parents, 19273
parental stress & child characteristics, directiveness in parent-child interactions, fathers & mothers & their 1.3–4.4 yr olds with developmental disabilities & language impairment, Canada, 8343
parental stress & perceptions of children's temperament & parent–child interactions, normally developing vs autistic vs mentally retarded children, 19444
parent–child & interparent agreement on Daily Life Stressors Scale, assessment of internal sensations or negative affectivity experienced by children, children & their parents, 7311
parenting stress & child abuse potential & maltreatment, parents of 3 mo–17 yr olds receiving community program services, 8118
partner smoking & type of social support & stress, postpartum smoking, married females who quit smoking during pregnancy, 41961
partner's transplant, psychological & immunological status, 19–53 yr old partners of patients undergoing bone marrow transplant, 29472
perceived burden, relatives of patients with obsessive compulsive disorder, Italy, 39089
perceived correlates of adolescent popularity & stress level, low vs high SES parents of male vs female 12–17 yr olds, 3485
perceived parenting stress & family functioning, fathers of children evaluated for organ or bone marrow transplantation, 16759
perceived stress & self esteem & expectancy of success, college students, 11702
perceived stress vs satisfaction, caregivers of people with chronic fatigue syndrome, 40117
perception of role change after traumatic brain injury, social support & stress levels & health problems, parents vs partners, 1593
perceptions of stressful life events, male vs female college students, Spain, implications for the Axis IV of the DSM-IV, 42052
personal & stress & social support variables, suicidal ideation, 65–100 yr olds, 16034
physiological correlates in studies of anxiety & stress & depression, animals, literature review, 14802
play focused occupational therapy, stress & mother–child interaction & child development knowledge, mothers of preschoolers, 18 mo study, 13469
pleasant & stressful events of caregiving, parents of 6–12 yr olds with severely emotional disabilities, 1 yr study, 26461
positive or negative mental stressor & extraversion & introversion, impulsive behaviors, 18–40 yr old males, 42069
premigration exposure to violence & SES & postmigration stressors, adults (mean age 35 yrs) seeking asylum, Australia, 41815
prenatal alcohol & cigarette exposure, salivary cortisol adrenocortical reactivity to stress, 6 mo olds, 4 mo followup, 19384
prenatal ethanol & restraint stress, adult ejaculation & testosterone & LH, male rats, 15104
prenatal ethanol & stress in adulthood, lymphocyte populations, male vs female rats, erratum, 6906
prenatal vs postnatal stress, behavioral reactivity to novelty & corticosterone secretion & spatial learning & memory, adult rats, 34630
preoperative hypnosis & perioperative suggestions during general anesthesia, stress during maxillofacial surgery & recovery processes, patients, 24022
prepro-TRH178-199, hormonal responses to stress & stress-related behaviors, male Sprague-Dawley rats, 34682
presence of stressful life events, secretion of growth hormone during sleep, depressed 6–12 yr olds, 22808
pretraining vs posttraining amygdala lesions, stress induced freezing & adrenocortical & dopaminergic metabolic activation & defecation, rats, 3067
prevalence of lifetime traumas & major events as stress factors, risk for psychiatric or substance abuse disorders, male vs female 18–55 yr olds, Canada, 4019
prolonged stress & uncertainty after forced geographic relocation, marital interaction & adjustment & family functioning during peace process, families, Israel, 22257
prospective & experimental studies of causal role for stress related factors in coronary heart disease, literature review, 8558
psychiatric diagnoses & relationship with life stressors, 6.5–14.6 yr olds with alopecia areata, 26884
psychiatric symptoms & hostility & stressful life events during active phase of disease vs remission, patients with ulcerative colitis, Greece, 23234
psychodynamic sources of stress, prevalence of Axis I disorders & suicide, soldiers during initial weeks of Operation Uphold Democracy, Haiti, comparison with peace keeping missions, 11841
psychological & psychosocial health & current stressors & causal attributions of current problems, military personnel deployed vs not deployed during Persian Gulf War, 17420
psychosocial factors & influence on stress, 29–74 yr old spousal caregivers of persons with multiple sclerosis, 24233
psychosocial stress & susceptibility to upper respiratory tract infections, 8–12 yr olds, Australia, 42693
PTSD & depressive disorders & war trauma & resettlement stress & recent stressful events, adolescent Cambodian refugees & their mothers, 7862
recent life stressors & biological markers & psychosocial & clinical variables, 18–50 yr old newly admitted patients with an acute psychotic episode, 31015
relationship between attachment cognitions & school & work functioning & stress, late-adolescent female high school seniors, longitudinal study, 40443
relationship between blood pressure/hypertension & self reported stressor, literature review, 8553
relationship vs job vs other stressors, coping strategy & depression, middle class African American 18–82 yr old males, 11960
relevance of stressful life experiences to patient attitudes & physiological disturbances, implications for physicians & investigators, 38048
reliability & validity of Questionnaire on Stress in Patients with Diabetes-R, 18–85 yr olds with insulin-dependent- vs noninsulin-dependent diabetes mellitus, Germany, 21053
reliability & validity of Stress Symptoms Checklist, Chinese college students & adults, Hong Kong, 10384
reliability & validity of the modified Societal, Attitudinal, Familial, & Environmental Acculturative Stress Scale, Latino & Euramerican 8–10 yr olds, 24986
repeated ethanol &/vs stress exposure, oscillation of frontal cortical KCl-evoked D-(3H)aspartate efflux & striatal amphetamine-induced dopamine efflux, male rats, 6844
repeated stress exposure, sensitivity to glucocorticoids vs insulin hypoglycemia, rats, 3173

repeated stressor & level of importance & frustration & appraisal, approach vs avoidance coping behavior, 24–57 yr olds, 1 yr longitudinal study, 7717
research problems in identifying variables in & model for measuring relationship between commuting stress & moderators, applications for organizational behavior, 33825
resilience to psychopathology & stress & adversities & risk factors & moderating processes, 11931
role of life stress & gender & marital status & other psychological factors in health & disease, relationships among work stress & worry & personal discretion & hormones, 19503
role overload, daily excretion of urinary catecholamines & cortisol, 21–61 yr old females with children & live-in partners or husbands, 41422
roles of constructive thinking & optimism & stress in psychological & behavioral adjustment, 16–43 yr old pregnant females, 41903
school strain & functioning & self worth, male vs female 6th–8th grade African Americans, 37033
secondary problems & stresses & reactivity to stresses, effect of parental divorce on depression, 14–17 yr olds, 11939
self-awareness adaptation vs cognitive distraction as explanation for choking during performance of high vs low pressure task, male students, 41179
self-complexity, affective reactions to interpersonal stress, adults, 42056
self concept & stress during computer use, college students vs faculty & staff, 1061
self-criticism & induced failure stress, HVA & mood, 20–41 yr old females, 29473
self efficacy & social support & stress, personal adjustment & psychological & physical distress, Hispanic college students, 37079
self esteem & death of relative of friend & other psychosocial variables & presence of PTSD & stressful academic & familial & other stressful life events, depression, Vietnamese 14–20 yr olds, 4088
self esteem & stressful life events & coping styles & social support, emotional distress, HIV seropositive 14–23 yr olds, 12520
self esteem as mediator of effects of stressors & social resources, postpartum depressive symptoms, postpartum women, 19155
self-evaluation of physical & psychological cues to determine stress level, college students, 35326
self help & physician's guidance material, stress & coping & mental health symptoms & treatment options, 16–65 yr old patients with anxiety &/or depression & general practioners, 5131
self-reported stress load & symptomatology, endocrine responsivity to stressful films, males, 11094
self vs other vs socially prescribed perfectionism & negative life stress & depression & hopelessness & anxiety & reasons for living, suicidal behaviors, college students, 4247
sense of control & perceived social support & degree of achievement motivation & experienced satisfaction, academic & social stress, high school students enrolled in college preparatory environment, 13766
serum & red blood cell & tissue electrolytes, stress induced hypertension, male rats, 6787
sex & age & intensity of political violence & stressful events, coping styles & effectiveness of coping, 10–13 yr olds, Jordan, 41731
sex & economic & network stress, internal vs external distress symptoms, 19–64 yr olds, Czech Republic, 1991, 3671
sex, stress & coping, 14–17 yr olds with vs without conduct disorder, 16022
social defeat by aggressive conspecific & sleep deprivation during rest period, stress-induced reduction in open field locomotion, male rats, 4 wk followup, 6789
social dominance, chronic stress as seen in basal corticosterone & urinary cortisol levels, African wild dogs & dwarf mongooses, implications for link between stress & aggression, letter, 555
social factors & stressors & prevalence of minor psychiatric disorder, adults from village in rural Punjab, India & Pakistan, 38936
social support, stress & maternal distress & children's adjustment following immigration, 6–11 yr olds of families moving from Hong Kong to Canada, 34950
sociodemographics & clinical characteristics & life stressors, suicidal vs non-suicidal elders referred to mental health center program, 42448
socioeconomic stress, psychological well being, 18–86 yr olds with poor mental health, 4056
sodium arsenite & concurrent restraint stress, development & neurobehavior of offspring, pregnant female mice, 21787
sources of stress in & causes of dissolution of fraternal polyandrous marriages, Nyinba people of Nepal, commentaries & reply appended, 35082
sources of stress, mothers vs fathers of deaf or hard of hearing 9 mo olds, implications for early intervention support services for similar families, 23510
states of mind model of cognitive affective balance & association with stress propensity & strain, implications for employee organizational behavior, 28223
stress & behavioral pathways preceding onset of schizophrenia, children, 26522
stress & catecholamine induced leukocytosis, literature review, 11058
stress & coping & attributions of responsibility for traumatic event, PTSD symptoms, 18–65 yr old victims of serious motor vehicle accidents, 39079
stress & coping & social support, hypothetically psychosis prone college students, 1303
stress & coping theory of R. S. Lazarus & S. Folkman, coping with hallucinations, 18–55 yr old DSM-IV schizophrenics & other patients, 30967
stress & depressive symptoms, changes in natural killer & CD8+ T cells, HIV infected gay males, 2 yr study, 36019
stress & dopamine-GABA interactions, hypothesized environmental &/vs genetic vulnerability for & etiology of schizophrenia, 42307
stress & gastrointestinal symptoms, 20–45 yr old females with vs without diagnoses of irritable bowel syndrome, 31604
stress & grief response, 17–56 yr old partners of women who suffered miscarriage, England, 15878
stress & naltrexone & reinforcement value of smoking, 24–53 yr olds, 6931
stress & organizational culture, social work staff, England, 28221
stress & personality & cigarette smoking & cancer, 19+ yr olds, Norway, 19572
stress & social support & worker locus of control, workplace well being, accountants, England, 28196
stress & Type A personality scores, cigarette &/or marihuana smokers vs nonsmokers (mean age 24.3 yrs), 12242
stress & vigilant & hypervigilant decision making strategies, naturalistic task performance, Navy personnel, 37711
stress conditions & reactivity, illness rates, children, commentary reply, letter, 12446
stress conditions & reactivity, illness rates, children, commentary, letter, 12479
stress factors following Florida hurricanes, small business owners, 43910
stress from handling for vaginal smear screening, adrenal & thymus weight & hypothalamic 5-HT & 5-HIAA & acute ACTH response to ether, female rats, 6797
stress induced corticosterone, activity level in holeboard & forced swimming tests, Fisher 344 vs Lewis vs spontaneously hypertensive vs Wistar Kyoto rats, 14991
stress inducing speech task vs stressful daily events, emotional & cortisol responses, 27–57 yr old male white collar industry workers, Netherlands, 6802
stress levels & age differences in amount & accuracy of recall of central vs peripheral details of traumatic injury, 2–5 yr olds & adult witnesses, Canada, 26883
stress management, psychological & physiological functioning, 32733

stress mediated by hypothalamic-pituitary-adrenal axis, noradrenergic & serotonergic abnormalities in depression & development of antidepressants, conference presentation, 11065
stress of interview regarding positive vs negative life experiences, plasma cortisol & ACTH & norepinephrine & lymphocyte subpopulations, patients with dysthymia or major depression, 38980
stress test vs corticotropin releasing factor with vs without naloxone, plasma vasopressin levels, abstinent male alcoholics (mean age 41.1 yrs) vs healthy males (mean age 35.6 yrs), 31306
stress, 25–43 yr old parents of 3–7 yr olds with vs without hepatitis B virus who attend special kindergarten vs stay at home, China, 12465
stress/adaptation vs existentialism paradigm, caregivers of elderly individuals with dementia, conference presentation, 32953
stressful effects of being bullied, 11–12 yr olds with low vs high self-esteem & active vs passive response styles, implications for parental & school based intervention strategies, England, 13795
stressful events & psychiatric symptoms & coping & social support, HIV disease progression mediated by compliance or psychoneuroimmunological mechanisms, homosexual males, Netherlands, 1 yr followup, 1535
stressful events & salivary cortisol, 17–18 yr old females, Spain, 25540
stressful experience of toxicological disaster, health & health-related behavior, community residents, literature review, 37269
stressful flight tests, changes in trace metal & hormone levels & flight performance, 21–53 yr old male flying applicants vs flight instructors, Japan, 14988
stressful life events & childhood family history of anxiety & comorbidity, illness course, patients (mean age 39.1 yrs) with panic disorder, 26572
stressful life events, course of HIV, HIV positive homosexual males, 31654
stressful life events, onset of peptic ulcer, peptic ulcer patients vs controls, 31601
stressful life experiences, onset & course of depression, literature review, 30863
stressful situation, coping behavior, 24–58 yr olds, 18989
stressor intensity & microvascular vulnerability, coronary reactivity, cardiomyopathic hamsters, 38056
stressors & coping behaviors, 4th & 5th graders, 38403
stressors & coping styles, prevalence of & vulnerability to depressive symptoms, female African American 18–24 yr olds, 4120
stressors & depressive symptoms, faciliation of clinical recurrence of herpes simplex virus & progression of HIV, adults, commentary on meta analysis, letter, 31599
stressors & depressive symptoms, facilitation of clinical recurrence of herpes simplex virus & progression of HIV, adults, commentary reply on meta analysis, letter, 31640
stressors & enhancers resulting from training, marriage & family therapy graduate students & spouses, 33222
stressors & prior history & relapse, outpatients with bipolar disorder (mean age 41.8 yrs), 42264
stressors in & resources for caring for HIV infected female, perceived burden & depression, family members, 20248
stressors in terms of changes in work & marital satisfaction & social support before vs after open heart surgery, patients' spouses, 6 wk followup, 13162
Stroop task stress, salivation to food cues & food liking & hunger & fullness & arousal ratings, dietary-restrained vs nonrestrained female 18–35 yr olds, implications for eating disorder habituation, 6792
time management as a stressor for teachers in specialist roles vs regular classroom teachers vs nurses in a tertiary care hospital vs social workers in child welfare, implications for employment, 33657
traffic congestion, driver stress & use of direct vs indirect coping behaviors, 21–60 yr olds, Canada, 33823
trait anger & anxiety & mood states & stressful daily events, salivary cortisol, 27–57 yr old white collar males with high vs low perceived stress, 29492
trait anxiety vs stressful events, emotion- vs problem-focused coping strategy choice, 15–19 yr olds, Italy, 15314
transition stress factors & coping strategies over time, 18–19 vs 20–24 vs 25 yr old & older post-secondary students, Canada, 13768
transitional stress, mental & physical health & overall happiness, Chinese students, Japan, 17197
Type A vs B behavior & wife's educational status, cardiovascular reactivity to stress & adjustment, 30–64 yr old males, 11068
use of case study methodology, design & implementation of hypertension & stress intervention, 31–64 yr old Xhosa females, South Africa, 43246
validity & reliability of SAFE Acculturation Stress Scale, assessment of environmental & attitudinal & social & familial factors of stress & adjustment needs, Hispanic college students, 48
validity of MMPI-2 PK & PS scales & Impact of Event scales, assessment of acute posttraumatic stress symptoms, reservists exposed to noncombat related stress in Persian Gulf War, 2630
various mildly stressful incentives, face & hand skin temperatures, 18–22 yr old White females, 6794
viewing of stressful vs nonstressful film segments, proprioceptive awareness, adults with temporomandibular disorders, 16244
watching cartoon & coaching by nurse during immunization, decrease in parent & child & nurse distress, 4–6 yr olds, 36640
water deprivation vs ad lib intake & satiety, defensive burying & social interaction, male rats, animal model of anxiety & stress, 11085
work vs family related stress & problem vs emotion focused coping styles, male vs female college teachers, India, 2164
working with new technologies, catecholamines & cortisol levels & subjective strain, 24–38 yr old male employees, 1 yr study, 11075
Workplace/Family Stress Scale & contributions from various system levels to work–stress dynamic, fathers in dual income families, conference presentation, 35068
5-HT releaser & reuptake inhibitor d-fenfluramine, open field stress & ACTH & corticosterone levels & dopamine & norepinephrine turnover in medial frontal cortex, 4 vs 21 mo old female F344 rats, 11144

Stress Management—Serials

acute stressors in competitive sport, approach & avoidance & task- & emotion-focused coping strategies, 14–17 yr old male athletes, Australia, 28257
application of decision requirements to user centered design, AEGIS cruiser officers in high stress situations, 24884
biofeedback pretraining with vs without infant crying stressor during training vs crying stressor without pretraining, EEG cortical & perceived arousal & anxiety, female college students, 16676
cognitive–behavioral stress management intervention, dysphoric mood & herpes simplex virus-Type 2 antibody titers, 20–49 yr old symptomatic HIV-seropositive gay males, 10-wk followup, 20051
creativity, coping with stress & soccer efficiency, 14–17 yr old male soccer players, Slovakia, 38392
daydreams & sustaining fantasies & self reported stress coping behaviors & psychopathology, 18–22 yr olds, 26346
evidence-based approach to organizational stress management interventions & improved stress assessment in workplace, 39933
factors associated with outcome of individual focused worksite stress management interventions, 28166
family resilience & adaptation to stress, literature review, 26036
formal & informal social supports, coping with stress, college students, 1066
individual counseling vs organizational stress management intervention, psychological well-being, city council department staff employees, longitudinal study, UK, 40538
magnitude & types of stress, recovering male drug addicts in urban substance abuse program, implications for stress management in rehabilitation programs, 40172

massage therapy with oil vs without oil, reduction in stress behaviors & arousal & saliva cortisol levels, 3–6 wk old normal infants, 27480
mental & life skills training program delivered by teacher, self-relaxation & implementation of stress control strategies & frequency of highlights, Grade 2 students, Canada, 33572
metaphor analysis, creation of perception of illness control & related stress management, cancer patients, 20045
perceptions of work stress & organizational approaches to stress management, 21–60 yr old firefighters, Australia, 33711
positive thought frequency vs bidirectional states of mind & stress & shyness, negative life event–dysphoria, 17–26 yr olds, 18947
primary & secondary & tertiary intervention strategies to reduce workplace stress & promote stress management & provide employee support programs, 39875
self regulation & proactive coping, prevention or offsetting of potential stressors, 26238
stress inoculation training in group counseling vs computer guidance programs, anger control, male military veterans with maladaptive anger, 27227
stress management program, injury prevention & stress levels, 14–25 yr old gymnasts, 13129
stress management, psychological & physiological functioning, 32733
stress management training, distress & coping & quality of life & stress levels & illness related uncertainty & CD4+ T lymphocyte levels, men with HIV disease, 20052
stress management workshop adapted for 1st year medical students, 33196
stressful situation, coping behavior, 24–58 yr olds, 18989
5-day stress management program, changes in nutrition & fitness & health beliefs & behavior & relationships & work life & coping resources, adults (mean age 40 yrs), South Africa, 43006

Stress Reactions—Serials

abecarnil, foot shock stress induced changes in brain cortical neuroactive steroid concentrations, rats, 15003
acute & chronic stress response & PTSD & coping strategies for trauma, child victims & witnesses of violence, 16011
acute &/or chronic stress & sheep red blood cells, effects on plaque forming cell growth & antibody titers, male rats with vs without handling, 14970
adrenalectomy blockage of maternal stress induced corticosterone secretion, offspring stress induced corticosterone secretion & function of hippocampal corticosteroid receptors, male rats, 18143
adrenalectomy with vs without corticosterone replacement, increases in glucocorticoid levels after stress & subsequent changes in c-fos mRNA expression, male rats, 21655
adrenocortical stress response & heart rate & psychological parameters, 9–14 yr olds with atopic dermatitis, 40773
agonistic social interactions, brain levels of 5-HT & 5-HIAA & tryptophan, bicolor damselfish, 14891
antecedents & outcomes, motor vehicle accident victims with PTSD vs acute stress disorder, 22883
anxiety & concern, teaching practice, secondary Bachelor of Education physical education student teachers, 40349
attachment security & maternal responsiveness, salivary cortisol & behavioral reactions to inoculations, 18 mo olds, 2 vs 4 vs 6 mo followups, 7177
behavioral & physiological & immunological stress reactions, dogs, application as indicators of poor dog welfare, 34405
behavioral lateralization & brain & neuroendocrine & immune responses to stress, mice, 18180
behavioral responses to stress, 5–15 yr olds, US vs Poland, 22091
behavioral stress responses on shock probe/defensive burying test in fresh vs home cage environment, genetically selected aggressive vs nonaggressive male wild house mice, 14811
biofeedback-assisted relaxation, mental stress test reactivity, adults with mild hypertension, Israel, 6 mo followup, 9227
biofeedback pretraining with vs without infant crying stressor during training vs crying stressor without pretraining, EEG cortical & perceived arousal & anxiety, female college students, 16676
biting flies & predator odors, synergic stress response to pain, mice, Canada, 37806
caffeine, combat-stress reaction, soldiers, 26562
central & peripheral administrations of cholecystokinin-tetrapeptide, panic-like reactions, male rats stimulated in the dorsal periaqueductal grey area, 41496
chlordiazepoxide, social separation induced distress vocalizations & analgesia, 8 day old cockerels, 7106
clinical organizational perspective on reactions to & ways of coping with downsizing, victims & survivors & executives, 24771
cognitive coping responses to recent crises & onset of depression, mothers, England, 30822
concept analysis of the pediatric physiological stress response, children, implications for nursing research, 27655
correlation of P300 measures & coping & stressful life events, 18–28 yr olds with paranoid type schizophrenic disorder, 6 yr study, 42342
corticosterone level & environmental stress, dispersal behavior & corticosterone levels, juvenile vs adult willow tits, 29461
debriefing, stress reactions after sinking of Estonia, ferry personnel, Finland, 31114
defensive hostility & cardiovascular responses to stress, 18–45 yr old men vs women, 31716
desire for control & experience with exam & choice & predictability in preparation for barium enema exam, stress responses & compliance, outpatients, 5217
diazepam vs amitriptyline, foot shock induced changes in corticosterone or 3H histamine binding site contants, rats, implications for role of central histaminergic system in stress response, 18292
diazepam vs flesinoxan, ACTH & corticosterone & plasma glucose levels in stress induced hyperthermia test, mice, 15041
dietary salbutamol & protein, acute stress responses, female growing pigs, 601
early vs metastatic stage breast cancer & tamoxifen treatment, cortisol levels & prolactin responses to stress, 50–70 yr old cancer patients, 16289
electronic performance monitoring, internal vs external locus of control & perceived stress in simulated work setting, college students, implications for employee productivity, 24731
exams with vs without innoculations, shift in adrenocortical response & behavioral distress, 2 mo olds, 2 & 4 & 13 mo followups, 3326
exposure to stress & the behavioral effects of opioid agonists, rats, animal models of drug use, literature review, 29614
gentle handling by humans, fear reactions & temperament, zebu crossed calves, 34404
grief vs episodic stress response in coping with loss of ability, 37799
group member exchanges, milk production & dominance order & behavior & stress, lactating heifers in dairy herd, 18105
hostility & Type A behavior & depression, platelet activation induced by acute psychological stress, males with history of myocardial infarction, 4635
housing transitions & norepinephrine & 5-HIAA & HVA & MHPG, mother vs peer raised infant rhesus monkeys, 29469
incidence of PTSD after surviving a major accident involving fatalities, 26–75 yr old mental health patients with preexisting anxiety or depression vs chronic schizophrenia, 4–8 wk followup, 30742
intensive stressor, problematic alcohol use & depression, adult males vs females, 30019
interleukin-2 receptors on T lymphocytes, frequency of upper respiratory infections & stress responses, patients with generalized anxiety disorder, 4210
life & daily stressors, number & self ratings of disfluencies, college student stutterers vs nonstutterers, 26843
long-acting neuroleptic tranquilizers, behavioral & physiological responses to stress during routine management practices, adult red deer, implications for animal welfare & domestication, 15022

maternal poker face & unresponsiveness, heart rate & facial expression & behavior in reunion episode of Face-to-Face Still-Face Paradigm, 6 mo olds, 3493
mediating vs moderating effects of physiological stress reactivity in lower paraspinal muscles, pain severity & depression, patients (mean age 41.9 yrs) with chronic lower back pain, 39357
memories of stressful & traumatic experiences, traumatic amnesia & global memory impairment & dissociative processes & sensorimotor organization of traumatic memories, literature review, 8015
methionine enkephalin, stress induced immune responses, mice, 14990
microfusion of corticotropin-releasing factor into nucleus accumbens core & shell, physiological & behavioral responses to stress, male rats, 29558
midsemester & final exams, immune responses, 14–18 yr old asthmatic high school students, 39378
monoamine metabolism & heart rate & BP & neuropsychological development, 4–17 yr olds with vs without history of neglect &/vs abuse, 8152
natural & environmental disaster trauma, psychological symptomatology & clinical responses & PTSD & adjustment, victims, literature review, 26410
parental presence vs absence in early family environment, endocrine stress responses & behavior patterns, male vs female 2 mo to 58 yr olds, 8 yr study, West Indies, 11419
parental reactions at onset of insulin dependent diabetes mellitus in child, families, 39398
parental sex & health & perceived social support, stress & anxiety & depression, parents of children with autism, 26772
perspectives on assessment & psychotherapeutic treatment, 21 mo old female traumatized by dog bite, 8757
physiological & subjective responses during relaxation & stress, adults with alexithymia vs other clinical disorders, 26386
positive or negative mental stressor & extraversion & introversion, impulsive behaviors, 18–40 yr old males, 42069
positive thought frequency vs bidirectional states of mind & stress & shyness, negative life event–dysphoria, 17–26 yr olds, 18947
poststress glucose treatment, behavioral impairment from shock in the learned helplessness model of psychopathology, male rats, 41424
presence vs absence of food & negative affect stressor, physiological response & headache intensity, 18–30 yr old students who suffer from migraines vs tension-type headaches, 39385
prevalence of post-war alcohol abuse & associated wartime & pre-war stressors, 66–90 yr old institutionalized WWII veterans with or without history of alcohol abuse, Canada, 12227
prevention of wire gnawing on cage lid, serum corticosterone concentrations & validity of coping hypothesis, rats in barren housing conditions, 21781
prior habituation & stress responses to water immersion, learning & memory in spatial task, aged rats, 18068
psychiatric treatment, alexithymia & reactions to everyday stress, 17–62 yr old psychiatric patients, Japan, 32024
psychological purposes for joining voluntary US Army & behavior & psychological reactions to stress, 5810
psychological reactions during early days following wreck, shipwreck survivors, implications for psychotherapeutic care, 4818
psychological sequelae & outcome following road traffic accidents & pre-accident disposition & vulnerability & treatment, children & adolescents & adults, 30745
psychological situation & social cognition model of stress responses, HIV/AIDS patients, implications for psychotherapeutic assessment, 12511
psychological stress, plasma vanillylmandelic acid & MHPG & HVA & 5-HIAA, normal volunteers, implications for activity of peripheral nervous system, 14950
psychological stressors, temperament & physiological stress responses, fully remitted & medication-free patients with panic disorder (mean age 37.1 yrs), 31093
psychophysiological effects of night shift work & noise, arousal & stress reactions, 20–30 yr old males, 11063
psychosocial mediator variables & stressful life events, emotional stress response, 19–68 yr old HIV-positive homosexual males, 12 mo study, 23331
qualitative analysis of unique experiences in burnout, 12–23 yr old junior tennis players, 18571
quantitative analysis of psychological characteristics of junior tennis burnout, burnout vs comparison players, 18572
reactions in psychotherapy following assassination of Prime Minister Yitzhak Rabin, 15–60 yr old patients, Israel, 36228
regulatory role of nerve growth factor in coping in stress related events, humans & animals, 14944
rehabilitation & psychological interventions, physical injury & posttraumatic stress symptoms & pathology, 33 yr old female & 33 yr old male, 33025
relaxation training, acute stress reactivity of intraocular pressure to short-term achievement-related stressor, 20–68 yr old open-angle glaucoma patients, Germany, 16732
repeated upright vs inverted handling vs no handling from 0–6 wks of age, corticosterone levels at market age, male broilers, 18231
response of growth hormone & cortisol & prolactin as tool to quantify flight induced stress level, adult male student pilots vs flight instructors before vs after flight training, Italy, 14977
role of raphe nucleus 5-HT pathway in drug induced stress responses, rats & humans, 15037
roles as mother & wife & employee, stress of caregiver role for ill or disabled parent & well-being, 25–60 yr old females, 36751
saliva cortisol & urinary cortisol & catecholamine as measurements of stress responses, dogs with insulin-induced hypoglycemia, 25531
screening for & prevention of stress related emotional disturbances, students, 15863
selective cognitive processing bias for concern-related word &/vs threat word, nonclinically anxious 8 & 9 yr olds, 22022
self control exposure therapy, 9–11 yr olds with war induced acute & preexisting anxieties, Israel, 1743
self monitoring of & personal reactions to mistakes, college students with high vs low level of perfectionistic concern over mistakes, 30493
self-reported stress load & symptomatology, endocrine responsivity to stressful films, males, 11094
self reported stressors & symptom complaints, cardiovascular & psychological reactions to stressful films, 23–53 yr olds, 11095
sex & economic & network stress, internal vs external distress symptoms, 19–64 yr olds, Czech Republic, 1991, 3671
sex & social status & environment, hypothalamic-pituitary-adrenal axis activity & behavior, marmosets, animal model for physiological processes in stress & related psychiatric disorders, 29476
sex, coping patterns during Persian Gulf War vs under daily routine stressors, adults, Israel, 7709
similarities in responses to extreme & unremitting stress, WWII eastern European ghetto residents & patients with dissociative identity disorder, 19260
smoking status, cardiovascular & cortisol stress & affective responsivity to problem solving task, 19–35 yr old male non- vs temporarily abstinent vs recent smokers, 3287
social defeat, behavioral & physiological stress responses, Roman high avoidance vs low avoidance rats, 34623
social problem solving, stress related depression & anxiety, 50–55 & 60–80 yr old community dwellers, 19124
social service disruption & crisis support & vulnerability after experience of earthquake, individuals with intellectual disability, Japan, conference presentation, 39303
social support networks, ruminative style to stressful events, males vs females, implications for depression vulnerability, 26089
somatic symptoms after traumatic stressors, literature review, 39365

SPECT assessed cerebral blood flow under behavioral challenge, long-term abstinent alcoholics vs recently detoxified substance-dependent inpatients, 26659
stability of cardiovascular stress responses, 19 yr old males, 10 yr follow up, 25547
stress & psychological distress & social support, stress related smoking, 10th–11th graders, implications for smoking prevention & cessation programs, 7387
stress or arousal of negative affect, reactivity of symptoms, patients with schizophrenia, 7955
stress producing circumstances, depression, married vs unmarried males vs females, 15461
stress reactive vs neutral vs resistant personalities, attrition, male US Marine Corps & Navy recruits in basic training, 10163
stress reactivity & pain perception, hypochondriacal vs nonhypochondriacal females, implications for perceptual & cognitive abnormality model of hypochondriasis, 31595
stress, volume of nucleoli of oxytocinergic cells of paraventricular & supraoptic nuclei of hypothalamus & oxytocin immunopositive material in hypophysis, KHA vs KLA rats, 6809
stressful home environment, neuroendocrine activity & affective functioning & levels of clinical depression, maltreated children, 8113
stressor intensity & microvascular vulnerability, coronary reactivity, cardiomyopathic hamsters, 38056
subclinical stress responses, 43 & 62 yr old noncombat veterans, Australia, implications for PTSD, 1313
syndrome-associated behavioral characteristics & family stress, 1–12 yr olds with fragile X vs Prader Willi vs Williams Beuren syndrome & their parents, Germany, 35925
tailpinch vs immobilization stress, amino acid release pattern in locus ceruleus, conscious rats, 29368
time management training program, frequency of time behaviors & stress responses & control over time & job satisfaction & supervisor ratings of job performance, employees, 10056
training & subsequent habituation to capture & venipuncture, cortisol responses, capuchin monkeys, 29449
transcendental meditation, cortisol & growth hormone & TSH & testosterone responses to stress, healthy 18–32 yr old males, 4 mo followup, 38060
urinary prolactin & cortisol excretion as responses to parental vs nonparental conditions & stress, male cotton-top tamarins, 25539
welfare & perception of & response to stressors associated with transport & lairage, extensively vs intensively farmed animals, 14700
white noise vs recorded heartbeat sounds vs no noise, behavioral responses to & adrenocortisol release following heelstick stress, 5 day old infants, Japan, 11309
women's perceptions of social support vs conflict with mothers & close friend & partner, postabortion adjustment, 14–40 yr old females who had 1st trimester elective abortions, 35277
yarding & handling procedures, physiological & behavioral stress indicators, red deer stags, 18244

Striate Cortex [See Visual Cortex]

Stroboscopic Movement [See Apparent Movement]

Stroke (Cerebrum) [See Cerebrovascular Accidents]

Stroop Color Word Test—Serials

age & educational level, Stroop Color Word Test performance, 18–35 vs 60–79 yr olds, 11335
age & interference on Color-Word Stroop Test, test performance, 12–83 yr olds, 38341
bias for spider-related information during card vs single-trial format of Stroop task, male vs female 8–12 yr olds with nonclinical spider-fear, 41645
conflicting color vs self-relevant vs taboo words vs single-color naming, test–retest reliability of Stroop test, 20–41 yr old female college students, 28410
connectionist modeling of emotional distress & attentional bias in Stroop test, 14112
construct network effects of modifying Stroop Color & Word Test, college students, 20975
Emotional Stroop Test for assessment of onset & efficacy of antipsychotic activity, treated vs untreated patients with delusional disorder, 32407
emotional Stroop vs probe detection task, measurement of anxiety related attentional bias toward or against emotionally threatening or neutral information, 9–14 yr olds, 15327
level of reading proficiency, within-group correlations between Stroop Color & Word test & measures of response inhibition & executive functioning, parents of children with learning disabilities, 34204
modified Stroop color naming task with eating- & weight- & shape-related stimuli, female patients with anorexia nervosa vs with bulimia nervosa, 31495
performance on Stroop Color-Interference Test, 19–41 yr old African Americans, 21709
semantic priming during reading, nonautomatic memory retrieval & reduction & elimination of Stroop effect in variant of Stroop Color Word test, college students, Canada, replication, 37764
state & trait anxiety, processing bias toward threat-related words in Stroop color-naming task, college students, 1060
strategic vs automatic biased information processing, performance on Stroop color word test, adults with spider vs other phobias, 31123

Stroop Effect—Serials

age & interference on Color-Word Stroop Test, test performance, 12–83 yr olds, 38341
age, role of anterior attention system in Stroop color–word task interference & EEG activity, 18–28 vs 62–78 yr olds, 34593
classification as behaviorally inhibited in 2nd yr of life, threatening symbolic content in Stroop Interference test, adolescents, implications for anxiety disorders, 11467
color & word randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, prefrontal cortex & working memory implications, 19218
color patch vs incongruent vs backward incongruent vs upside-down incongruent vs upside-down backward incongruent color words, color naming RT, 18–25 vs 64–82 yr olds, 22055
high vs low anxiety, suppression of emotional Stroop effect, patients with social phobia, 19224
high vs low self focused attention & self referential material, Stroop color naming performance for threatening vs neutral words, 18–25 yr olds, 21343
hypomania vs state & trait anxiety, interference effects on emotional Stroop test, 18–48 yr olds, replication, 30844
identity suppression effect in Stroop color-word task, RT for matching & nonmatching trials, 19–32 vs 63–86 yr olds, 22021
interference effect on Stroop test of disorder-specific words, females with bulimia nervosa, 8412
interference for supraliminal vs subliminal trauma material on card vs single item computerized version of Stroop color naming task, combat veterans with PTSD, 12091
orthographically &/vs semantically related vs unrelated distractor words, Stroop-like effect in picture naming task, college students, Netherlands, commentary, 6337
orthographically &/vs semantically related vs unrelated distractor words, Stroop-like semantic interference effect in picture naming task, college students, Netherlands, commentary reply, 6345
performance on Stroop Color-Interference Test, 19–41 yr old African Americans, 21709
procedural variations, intra- & interhemispheric relations in lateralized Stroop effects, male vs female 20–35 yr olds, 499
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary reply, prefrontal cortex & working memory implications, 19217
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary, prefrontal cortex & working memory implications, 19194

reading speed of words vs automaticity of naming colors, Stroop effect for undegraded stimuli, 64 yr old male with focal brain atrophy, 36165
selection for action in Stroop color-naming vs word search tasks, visual word processing, college students, 240
selective attention in numerical perception & dimensional interaction between physical & numerical size of numerals, college students, implications for numerical cognition & Stroop phenomenon, 21322
selective attention in reading time under neutral vs habituation vs Stroop vs negative priming conditions of Stroop Color & Word Test, 17–35 yr olds vs 60–84 yr olds, 7421
semantic priming during reading, nonautomatic memory retrieval & reduction & elimination of Stroop effect in variant of Stroop Color Word test, college students, Canada, replication, 37764
strategic vs automatic biased information processing, performance on Stroop color word test, adults with spider vs other phobias, 31123
Stroop interference effects & RT & P3 latencies & amplitudes in color of word identification, adults with vs without PTSD, 31102
Stroop interference task involving sadness- vs nonsadness-laden words, cingulate activation, mood-disordered adults (mean age 36.6 yrs), implications for abnormal limbic system activity in depression, 19153
Stroop task & importance of original logic in its application to studies of attention, 14672
test duration & age, Stroop interference, 25–80 yr olds, Netherlands, 22024
test retest reliability & convergent validity of card vs single trial format of standard & emotional Stroop task, 18–37 yr olds, 14225

Structural Equation Modeling—Serials

co-worker communication & structural equivalence vs social influence vs erosion models, prediction of turnover, supermarket employees, 43789
control of Type I errors in structural equation modeling, 25141
factor analysis & cross cultural construct validation of Learning Process Questionnaire & learning models, 8–15 yr olds, 6 countries, 6111
fitting ARMA time series model as structural equations model using lagged data, 33935
FORTRAN program implementing multivariate normality test for use in structural equation modeling with latent variables, 25131
general linear model framework on structure coefficients in structural equation modeling confirmatory factor analysis, 17763
group code & structured means analysis methods of hypothesis testing of latent variable means, 40975
hypothesized structural model of mathematics achievement, Asian American 4th–6th graders, 25799
issues in mean & covariance structures analysis of cross-cultural data, 25146
latent factors in handwriting & spelling & composing analyzed by structural equation modeling, 1st–6th grade students, 24609
predictive validity of cognitive plasticity in structural equation model, diagnosis of mental status, elderly, implications for dementia of Alzheimer's type, Germany, 2 yr followup, 8567
self concept & perceived social support & coping styles & cognitive appraisals, structural analysis of models of stress & coping with work & family role conflicts, 22–59 yr old females, Croatia, 7720
sociodemographics & perceived procedural fairness & process control, opinions of public policy on solid waste management, citizens, test of relational model of authority, 944
structural equation modeling & basic concepts & applications in personality assessment, 34090
structural equation modeling programs to accomplish hypothesis testing regarding correlation/validity coefficients disattenuated for score reliability, 37558
structural equation modelling approach to attachment behavior in Strange Situation, infants, Netherlands, 34925
structural invariance of circular order & circumplex forms of J. L. Holland's vocational interest model, male vs female samples, 37152
structural modeling & science education, junior high & high school students, commentary, 17139
structural modeling of biomedical & demographic & psychosocial determinants of global subjective health, patients (mean age 58.4 yrs) with left ventricular dysfunction, 42775
use of path analysis or structural equation modeling in behavioral research, reanalysis of J. S. Haldane's lung measurements, 25147

Structuralism—Serials

cosmobiological balance of emotional & spiritual worlds & phenomenological structuralism in traditional medical thought, China, 16719
post-structuralism & phenomenology in development of sociology of impairment vs social model of disability, 39373

Structured Overview [See Advance Organizers]

Student Activism—Serials

political & religious beliefs & affiliations & job choice & status attainment & family characteristics, 1960s protestors vs nonactivists, follow up study, 35020

Student Adjustment [See School Adjustment]

Student Admission Criteria—Serials

academic achievement, matriculated vs mature non-matriculated undergraduate admission students, Canada, 5641
attitudes on preparation for & barriers to admission to medical school, Hispanic & African American premedical students vs medical school admissions officials, 9732
high school GPA & admission test scores & admission committee's assessment & sentimentality & attachment as predictors of academic performance, 3rd yr medical school students, Czech Republic, 36870
methods & criteria for selecting applicants for psychoanalytic training, psychoanalytic training analysts, Netherlands, 20434
preference for doctoral applicants to have BA vs MA degree & scholarly research &/vs clinical experience, Directors of PsyD training from APA-approved professional programs, 13791
reference letter tone & content & structure, prediction of reader's evaluations, applicants to Master's program, conference presentation, 40502
reliability & validity of rating candidates' characteristics for selection to medical school, interviewers, conference presentation, 9702
selection criteria for APA accredited internships stratified by type of site & competitiveness, training directors, 33201

Student Attitudes—Serials

academic achievement & classroom participation & identification with school, African American vs White 8th graders observed since 4th grade, 43671
accessing information & decision making regarding subject or career choice, 16 yr olds, Australia, 43672
action-research project, teachers' vs students' reader based & text based responses to "Sarah, Plain and Tall" by P. MacLachlan, pre- & inservice teachers or 3rd–8th graders, 24538
agreement on Student Guided Functional Assessment Interview, 10–13 yr old students with ADHD & other behavior problems & their teachers, instrument appended, 31436
animal rights attitudes, introductory psychology students vs psychology majors, 5691
application of course concepts to social experiences, psychosocial development & self knowledge, college social psychology students, 33412
application of job characteristics model in psychology course design, motivation, students, 33384
arguments for & against corporal punishment in secondary schools, 14–16 yr old students vs parents vs teachers, Zimbabwe, 24663
assessment of perception that counseling psychology training programs encourage multicultural competency, counseling psychology doctoral students, 20422
assessment prior to vs during vs after badminton instruction, perceptions & values & beliefs, 9th graders, 9898

attitude change toward females' lifestyles & career choices, female college students in Psychology of Women course, 24662
attitudes & mathematics achievement, 17–24 yr old 12th graders, South Africa, 43569
attitudes & motivation toward studying, Black 14–21 yr old high school students, South Africa, 43673
attitudes about rewards & punishments, 12–14 yr old male vs female & African vs Caucasian American 8th grade students, US vs England, 40444
attitudes on preparation for & barriers to admission to medical school, Hispanic & African American premedical students vs medical school admissions officials, 9732
attitudes regarding use of animals in psychological research & teaching, male & female college psychology majors, 20622
attitudes toward & achievement in mathematics, male vs female 16–20 yr old secondary school students, South Africa, 33463
attitudes toward & intrinsic vs extrinsic motivation for learning English, 15–18 yr old high school students, China vs Japan, 13800
attitudes toward & knowledge about ECT, medical students, India, 9745
attitudes toward & observations of prior & current experience of & differential rates of & characteristics of schools, academic cheating, 19–44 yr old 2nd yr medical students, 5472
attitudes toward & recruitment into psychiatry, male vs female medical students, 9699
attitudes toward alcoholics & training & experience in substance abuse area & knowledge about substance abuse & demographics, 23–69 yr old graduate social work students, implications for education, 36903
attitudes toward gay parenting, 17–34 yr old college students, 11621
attitudes toward gender & politics & role of civics class in their development, male vs female high school students, 13776
attitudes toward Internet-based instruction of principles of base rate & prediction, college students, conference presentation, 36980
attitudes toward learning second language & culture, 8th grade Arab minority students, Canada vs Israel, 17189
attitudes toward mathematics & perceptions of own performance & importance of problem solving & problem difficulty, middle school student with learning difficulties, 24676
attitudes toward mathematics, mathematics achievement, high school students, India, 28023
attitudes toward severely burned vs typical vs emotionally troubled children, 21–53 yr old practice teachers vs senior nursing students vs counselors in training, 17041
attitudes toward sleep deprivation & prevalence during medical training, medical students & residents, 2 yr followup, conference presentation, 9695
attitudes toward social & genital sexual contact between patients & internal medicine specialists vs psychiatrists vs obstetrics-gynecologists, medical students, 13613
attitudes toward the subjects of English & mathematics & science & technology, 13–14 yr old students, England, 28053
attitudes toward traditional vs developmental approach to academic advising, college students, UK, 10006
attitudes toward use of Internet resources in research methods course, college students, followup study, conference presentation, 36974
author race & weight & sex, evaluation of writing competence, White college students, 30442
authorial presence, construction of historical knowledge & attitudes toward text & history, 15.3–16.1 yr olds, 33506
awareness of & experiences with & responses to sexual harassment from peers vs faculty & expectations of institutional intervention, male vs female college students, Hong Kong, 4295
beliefs about & attitudes toward advertising, undergraduate students (mean age 23.4 yrs), Chile vs US data, 33746
beliefs about attention to & clarity & reparability of mood, stress & illness & symptom reporting, college students, prospective study, 22658
beliefs about exam preparation, 17–45 yr old college students, 33515
beliefs about own ethnicity & self-perception & attitudes toward school & school performance & relation between own & parents beliefs, 4th & 5th grade Mexican American students, 28056
changes in sociopolitical orientation, social science vs commerce students, 3 yr followup, Canada, 13775
circumstance & history of past attempts & contemplation of suicide for self or other & religious affiliation, acceptability of suicide, college students, 19293
class size, evaluation of teaching quality, college students, Spain, 13783
classroom peer relations, early school attitudes, kindergartners, 24651
classroom science & technology & society interactions & teaching learning model, comprehension & science attitudes, 16–18 yr old secondary school students, Spain, 36977
computer usage & attitude toward computers, Scottish vs Romanian college students vs their parents, 34901
conceptions of school & teacher authority & self reported rule violations, 5th vs 7th vs 9th vs 11th graders, 5690
construction of theatrical dialog between W. James & H. Munsterberg as pedagogical aid in fostering college students' interest in & love for history of psychology, 24577
contact based intervention, attitudes toward severely mentally ill, graduate Masters of Social Work students, 9728
control expectancies & academic achievement, primary vs secondary vs college students, 1983–94, meta-analysis, implications for social learning theory, 25681
conventional lecture- vs problem-based curriculum, stressor patterns, 1st yr medical students, Canada, 9704
coping & self esteem & academic integration & identification & experiences of disrespect, intention to remain in college, ethnic minority vs nonminority college students, 33517
coverage & classroom applications in educational psychology textbooks vs teacher education student attitudes toward educational psychology, college teachers, 36976
cultural influences & structural barriers affecting perceptions & choice of teaching career, Chinese & Punjabi-Sikh college students, Canada, 5671
curricular reform, effect of sex & race on perceptions of overall learning environment, 1st yr medical students, 9720
definitions of concept of culture, occupational & diversional & physiotherapy students, Australia, 17017
development & factor analysis of Identification with School Questionnaire, Black vs White male vs female 8th graders, 10536
development & factor analysis of Missouri Guidance Competency Evaluation Survey, assessment of self-efficacy beliefs for guidance competencies, middle & high school students, 28593
development & validation of Quantitative Attitudes Questionnaire, measure of attitudes toward quanitative research methodology, doctoral vs master's students in research vs teaching oriented schools, 10525
development & validation of Science Outdoor Learning Environment Inventory, assessment of perceived psychosocial environment of outdoors, high school students, Israel, 37535
development & validity of survey of perception of academic & social competence & integration & involvement in educational decision making & satisfaction, special education students in Grades 4 & 6 & 8, 37533
development of causality beliefs about school performance, 2nd–6th graders, Germany vs Russia vs US vs Japan vs Czechoslovakia, 17167
development of epistemological beliefs & theories, college students, implications for learning, 37069
educational & personal & vocational concerns & utilization of university vs nonexpert guidance services, male vs female college students, Nigeria, 24690

entry into & performance on Australian Mathematics Competition, attitudes toward math, male vs female secondary school students, 10 yr study, 20628
evaluation of collaboration & empowerment & diversity training goals in community psychology MA training program, students & recent graduates & key community people, Canada, 9684
expectations & attitudes about National Record of Achievement's recording process & usefulness & record of achievement, college students, Wales, 33469
expectations of teachers, immigrant & host primary & secondary school students, Israel, 9964
experience of enjoyment in learning, mature-aged further education students, Australia, 9946
experiences & perceptions of homework in general education classes & ways teachers & parents might positively affect students' homework performance, 9th–11th graders with learning disabilities, 37117
experiences in psychiatric field work & understanding & personal experiences of professional behavior toward persons using mental health services, female occupational therapy students, commentary, 43515
experiences in psychiatric field work & understanding of professional behavior toward & interaction with persons using mental health services, female occupational therapy students, 43506
experiences with & perceptions of computer based testing in social work research course, college students, 17064
explanation seeking, academic achievement & attitudes toward peer help seeking, 7th–10th graders, Canada, 5688
factor structure of attitudes toward & environment in which autopsy occurred & pathologist's behavior, perception of autopsy as positive vs negative educational experience, 2nd yr medical students, 13539
factorial validity & dimensionality of Aiken Attitude to Mathematics Scale, 21–65 yr old pretertiary students, Australia, 17712
family experiences & subjective & objective reports of sexual harassment in high school, female college students, 8120
formal instruction in process writing & use of Listed Thought Procedure, positive attitudes toward writing, female elementary school teacher students, 24532
framework for meaning of & methodology for teachers to investigate ideas of learning, 14–15 yr old students, England vs Finland, 6096
framework for understanding perceptions of learning from computer-based management simulation, business students, 43613
frequency of & name-calling & peer beliefs, 2nd vs 6th graders, implications for school counselors, 33492
gender, attitudes toward animal research, college students, 33289
grade level, attitudes toward & participation in science, male vs female kindergarten–12th graders, 37065
highlight intervention program, development of positive perspectives, 4th graders, Canada, 33434
identification & implementation of high quality classroom assignments & teacher explanations, 25–60 yr old teachers & their 6th–8th graders with & without learning disabilities, 9984
illusion & estimation of garbage can width & height, interest in concept of perception, college psychology students, 33387
impact of student households on physical & social & economic factors of residential communities, incomer & local students & local residents, England, 42020
implementation of designated smoking area policy & cartoon poster social marketing strategy, policy attitudes & smoking behavior, male vs female adult smokers vs nonsmokers, Germany, 41953
implementation of social constructivist approach to teaching, student perceptions, 12–15 yr olds, 43598
increased tax knowledge, attitudes toward taxation & tax ethics, marketing vs tax law students, implications for social sciences education, questionnaire appended, 3895
individual level & relationship level variables, attitudes toward victims of domestic violence, nursing students, 31187
information sources used to understand learning disabilities, 1st yr education students, Canada, implications for prevalence of stereotyped attitudes toward learning disabled pupils, 17108
instructional value system, student perceptions of topic interest & importance, high school science teachers, 40427
integration with severely learning disabled students, intergroup contact & attitudes toward learning disability, nondisabled 8–10 yr olds, 20660
internal scores per item ratio in subclass independence & concurrent validity tests of 3 paired classroom belief items in Rotter's Internal External Locus of Control Scale, college students, 14251
interrater reliability of academic performance ratings by teachers vs mothers vs sons, prediction of achievement test scores & final grades, 1st vs 4th vs 7th grade males vs their mothers vs teachers, 17169
issues in assumptions Whiteness & processes in students' constructions of gender & class & ethnicity & race, 37073
knowledge & perception of psychology, 1st vs final year college students majoring in psychology vs sociology vs business studies vs engineering vs English, England, 33500
language arts achievement level & attitude survey format, attitudes toward reading, 6th graders, 37078
literature-based approach to teaching values, attitudes toward caring for others, male vs female 7th graders, 36950
looking forward to & perceived usefulness of & anxiety regarding math & science & English & social studies, 8th graders, 17203
meaning of schooling & lack of value for quality education, students, literature review, 5692
measurement of writing apprehension, college students, 43666
medical training environment, moral reasoning determined by tolerance for ambiguity & motivation for pursuing medical career & intrinsic vs extrinsic religiousness, freshmen vs senior students, 2118
metaphors & attitudes toward parents & teachers & school, 5th & 6th graders, 9963
methods of influence & student perceptions of California Drug & Alcohol & Tobacco Education program & effects of drug education on student attitudes & substance use decisions, 5th–12th graders, 43446
moral perception & teachers' facilitation of classroom practice, perceptions of student, 4th grader entering school for 1st time, 2207
mother only vs 2 parent families, school attitudes & performance, African American high school students, 24612
motivational & academic beliefs & achievement behavior, Asian-American vs non-Asian 9th-graders, conference presentation, 43627
neuroticism & extraversion & dysfunctional attitudes & perceived social support & adjustment to university life, college students, Scotland, 24650
open classroom meetings, social responsibility & interest & sense of mutuality within & across grades, 2nd–5th graders, 33509
parenting model dimensions of aspirations & parenting practices & style, academic achievement & school attitudes, 11 yr olds & their parents, Australia, 22299
past vs present vs future orientation, future expectations & attitude toward importance of college life, college students, Japan, 17211
perceived satisfaction with factors related to career choice, 18–56 yr old social work students, 1983–1992, 43658
perceived teacher immediacy behaviors, ratings of instruction, college students, implications for instructional communication research & assessment of effective teaching, 13786
perception of school subjects as masculine vs feminine & intrinsic &/vs extrinsic motivation, choices & sex stereotyped attitudes, male vs female Year 11 & 13 students, England & Wales, 2211
perceptions & attitudes toward school & achievement & parental achievement orientation & social factors, urban Black 5th & 6th graders in gifted vs potentially gifted vs regular education programs, 5713

perceptions of competence & subjective task value in the domains of math & reading & instrumental music & sports, male vs female 1st- vs 2nd- vs 4th-graders, 3 yr study, 43675
perceptions of educational process & students' attitudes toward Bible teaching, elementary & junior high & high school teachers, Israel & Jewish schools outside Israel, 33431
perceptions of experiences in classroom discussions of text content, middle & high school students, 5669
perceptions of experiences of school work & teacher & peer relations in school adjustment, 2nd born 6.0–7.1 yr olds & their mothers & older siblings, end of school year followup, 33491
perceptions of factors influencing performance on Step 2 of US Medical Licensing Examination, medical students, conference presentation, 9719
perceptions of gender bias in classroom, emotional reactions & levels of distraction & subsequent performance, graduate students, 13787
perceptions of integration link scheme, 11–17 yr old mainstream & special school pupils, 5695
perceptions of motivational climate & beliefs about cause of success & satisfaction & perceived ability & attitude toward physical education class, 10–12 yr olds, 43670
perceptions of pedagogical caring in relation to motivation to achieve positive social & academic outcomes in middle school, 6th-grade students, 3 yr study, 43674
perceptions of professional development, psychology graduate students, US & Canada, 20424
perceptions of psychotherapy & psychotherapists, college students, 23594
perceptions of public safety policy & age & sex & race & Greek affiliation & marital & resident status, college students, 43659
perceptions of school guidance & counseling, Black vs White 15 yr olds, South Africa, 10010
perceptions of social & cognitive competence & achievement goals & attitudes & help-seeking behavior in math class, 7th & 8th graders, 33510
perceptions of teacher assistant role in classroom with mainstreamed special educational needs pupils, 7–14+ yr olds, England, 33523
perceptions of teaching time in office encounter, medical students vs preceptors, 33213
perceptions of violence in public schools, secondary school students, 20617
personal prayer, school attitudes, female Catholic secondary school students, 2201
perspectives on system of psychology offering integration of psychology & Christianity, psychology professor & student, 9872
perspectives regarding incidents of violence & vandalism & verbal harassment that victimize students & staff in residence halls, resident assistants, 24657
physical education values of physical self efficacy & physical fitness & aesthetic & social benefits, male vs female Blacks at historically Black colleges & universities, 9958
practices & ideas about responsibility & self regulation, completion of homework, students in grades 2 & 4 & 6, Australia, 37083
preferred environment of private vs large vs other computer vendor industry, potential job satisfaction & motivation & achievement, college students selecting 1st computer information systems job, 9960
presence vs absence of statistical vs anecdotal evidence, persuasiveness & believability & quality of value congruent vs discrepant alcohol education messages, college students, 11641
primacy effect &/or number of response options on rating scales, ratings of instruction, medical students from respiratory or hepatic course, 40262
prior beliefs & individual differences in open-minded thinking, evaluation of arguments, college students, 28890
prior thoughts about campus life & amount & level of satisfaction with campus information, psychological sequelae & transition to university life, level 100 vs level 200 17–48 yr olds, Ghana, 33483
private vs state schooling, political & social views, 15–18 yr old females, England, 9961
psychodynamics of idealization & disillusionment & reparation in stories of school life, students, 5675
psychology–library faculty collaboration, outcome-focused library instruction efficacy measured by skill development & library usage & attitude change, college students in core psychology course, 24558
psychometric assessment of Attitudes Towards Mathematics & its Teaching Scale, college students, survey appended, 10532
psychosocial beliefs, 4th yr medical students planning to specialize in family medicine vs other specialties, 43665
qualitative analysis of school attachment construct & interaction with & perceived support from peers & teachers, 9th–11th graders with low school attachment scores, 9955
reading habits & interests, 14–18 yr old secondary school students, Nigeria, 33502
realistic conflict theory & social identity theory of stereotyping & prejudice, implications for in-school intervention programs, 30031
reciprocal relationship between attitude toward mathematics & achievement in mathematics, senior high school students, Dominican Republic, 43638
relationship between perception of disadvantageous inequity & vulnerability to dropping out, youth male soccer players at a soccer school, 43854
reliability & validity of the Palestinian version of Student Alienation Scale, 14–21 yr olds, 33972
reliability & validity of Tversky condition in rating scales, assessment of science attitudes, 3rd graders, 63
residence, teacher acceptance, students of teachers in rural & urban schools, India, 30053
resistance to & teaching strategies & selection of course materials on race & class & gender inequality issues, students & teachers, 33494
responses to school attendance & levels of & reasons for truancy & development of school responses, students in Years 7–11, England, 2208
rotations vs yr long placements, self-efficacy & self-efficacy regarding hospital social work & perceptions of work environment, social work students, replication, conference presentation, 40266
satisfaction with child care providers, 3.9–6.1 yr olds, 20227
School Behaviour Game as a measure of children's perceptions of school, problematic vs non-problematic 8–11 yr olds, implications for guidance & counseling, 40932
schooling, formation of student gender identities, White male preservice social studies teachers, 13797
scientific & pseudoscientific beliefs, college students & faculty, 5672
self concept & perceived parental & teacher behaviors of support & interest & encouragement & expectations & participation, 14–20 yr old secondary school students, South Africa, 13784
self-concept & view of intelligence & tendency to adopt attitudes & behaviors with mastery vs learned helplessness achievement motivation orientation, college students, 37046
self esteem & attitudes toward care of elderly, senior medical school students, 20472
self imagery & prior experiences & images of professional practice, social work students & student teachers, 20431
self-insight & common implicit theories in ratings of teaching effectiveness, undergraduates & graduate students, 13779
SES & academic & athletic status & perceived peer status, male vs female Asian vs Black vs Hispanic vs White 8th graders, 17199
sex & attitudes toward science & other curricula & occupations, subsequent chosen courses of study, 6th graders, 5 yr followup, Israel, 5689
sex & grade level & attitude toward writing, writing achievement, 1st–6th graders, 5644
sex & SES, attitudes toward applied statistics, 21–43 yr old college education students, South Africa, 43655
sex & writing self efficacy & writing apprehension & perceived usefulness of writing & writing aptitude, essay writing performance, 5th graders, 43641

sex, computer usage & attribution for success or failure with & attitude toward computers, 5th graders, 37075
significant identifying characteristics for defining bullies & victims, expert raters, 19286
social functioning & peer acceptance & self-concept & perceptions of loneliness, learning disabled vs low vs average to high achieving 2nd–4th graders in inclusive classrooms, 17246
social–cognition expectations, mathematical interest & performance, high school students, 20620
structural equation modeling analysis of personal & situational factors & interest in physical education, 13–16 yr old females, France, 9850
student created portfolio vs traditional objective assessment procedures, science achievement & attitudes, undergraduate physics students, 43572
student views of current & future outcomes of interpersonal social interactions, 3rd & 6th & 8th graders with vs without behavioral disorders, 39160
students' evaluations of university teaching using the Chinese version of the Students' Evaluations of Educational Quality Instrument, college students, Hong Kong, comparison with North American data, 40935
SUCCESS interactional program & computer use, perceptions of locus of control & empowerment, incoming freshmen, 43609
task vs ego motivational climates, persistence & practice behaviors & perceptions of causes of success & motivational climate, 7th & 8th graders in physical education classes, 13798
teacher education programs, values & beliefs toward diverse students, teacher educators & student teachers, 17112
teacher feedback & hypothetical target peer reputation, evaluation of peer behavior, 1st & 2nd graders, 9965
teaching of women's vs traditional history, attitudes toward history & contribution of history to gender identity, male vs female 14–16 yr old secondary school students, Netherlands, 13801
test of model of international communication factors to promote closer ties between US & Brazil, college business students, Brazil, implications for conflict management, 14164
time constraints & studying difficulties & perceptions & patterns of social support, 23+ yr old college students, Hong Kong, implications for student counseling & guidance, 43676
transmission vs transactional implicit models of reading, reader engagement & text recall, college students, 2830
undergraduate courses & instruction-related services, graduating senior psychology majors, 33330
validity & reliability of the Multidimensional Students' Life Satisfaction Scale, teachers & students in 3–8th grade (mean age 11 yrs), 40930
vested interest, perceived covariation & distribution of attitudes to ingroup vs outgroup, college students, Netherlands, 3802
viewing of anti-bullying video, tendency to bully & definitions of & attitudes toward bullying, 11–14 yr olds, England, 13769
views on effectiveness of mindful learning unit, 7th graders with learning disabilities or mild mental retardation included in general language arts class, 24683
violence prevention curriculum, knowledge & attitudes toward abuse of women, male vs female 7th grade health education students, 9873
vocational personality & identity & academic achievement & educational satisfaction, music therapy majors, application of J. L. Holland's vocational theory, 5471
vulnerability & attitudes towards school & drug usage & delinquency, violent behavior, 9th-graders, 19294
whole language vs traditional reading instruction & teacher's interpretation in classroom & pacing of instruction, attitudes toward & achievement in reading & writing, 1st graders, 13724
willingness to discuss bullying in school, 12–16 yr old males vs females, Australia, 2204

Student Attrition—Serials
Myers Briggs Type Indicator preferences, degree completion & variables known to impact degree completion, college freshman, 10 yr followup study, 26276
reasons for attrition, college students, 2203
validity of Academic Performance Scale, prediction of college GPA & enrollment status after 2 yrs, college students, 2680

Student Characteristics [See Also Student Attitudes]—Serials
academic aspiration & intelligence, academic achievement, urban vs rural high school students, India, 28021
academic comfort & career interest & motives & student characteristics, 14–19 yr old high schoolers, implications for theory of career development, 29902
alcohol drinking patterns & problems & student characteristics & demographics, college students, 30308
assessment of student participation in & program goals of Pennsylvania State University's Chemical Dependency Counselor Training Program, 20–60 yr old students, 27883
behaviors & strategies used when school was not challenging, teacher reaction & curriculum differentiation, high potential 5th–9th graders, 13891
cigarette smoking & age & race & involvement with & smoking attitudes & behaviors of family vs peers, 12–20 yr olds, 29730
class task structure & teacher's accountability system, engagement in social interaction & strategies to pass, 11th graders in physical education dance class, Australia, 9950
cognitive style & personality traits, 16–18 yr old females vs males, 42085
construct & content validity & factor structure of Student Styles Questionnaires, assessment of temperament, African- vs Hispanic-American vs White 8–17 yr olds, 10424
construct validity of Student Styles Questionnaire, assessment of temperament constructs, Hispanic- vs African- vs Anglo-American 8–10 vs 11–13 vs 14–17 yr old students, 125
construction of Psychological Sense of Community scale & living arrangements & fraternity/sorority membership & school size & extraversion, psychological sense of community on campus, college students, 17702
coping & self esteem & academic integration & identification & experiences of disrespect, intention to remain in college, ethnic minority vs nonminority college students, 33517
demographic characteristics & academic & musical background & knowledge of therapy field & factors influencing choice of school & major & professional goals, music therapy students, 5519
explanations for & severity of student behavior problems & experience level, preference for positive vs negative interventions, teachers, 33375
interpersonal relationships & perceived empathy & task orientation, business school students matched to supervisors according to cognitive style, 33485
issues in basal readers & creation of reading failures in elementary schools & role of differences of students' social & economic backgrounds, 36975
issues in school communities & ways of dealing with differences among students & role of desegregated spaces to nurture multiracial & multiethnic communities, 37062
knowledge & perception of psychology, 1st vs final year college students majoring in psychology vs sociology vs business studies vs engineering vs English, England, 33500
learner attributes derived from adaptive tutoring system, college students, 3 yr study, 33413
learner characteristics & education factors of poor math performance, students with learning disabilities, 26792
M. Q. Patton's utilization-focused evaluation model, assessment of student development intervention outcomes, college students & counselors & student development professionals, 33579
methods & criteria for selecting applicants for psychoanalytic training, psychoanalytic training analysts, Netherlands, 20434
methods for assessing & coping with computer anxiety, undergraduate political science students, 33380

multidisciplinary school team goals & recommendations & characteristics of referred elementary & secondary school students, team members & school personnel, 5 yr follow-up, Canada, 20685
perception of clinical vs counseling students as competitive internship candidates, internship training directors, 36866
perceptions of creativity & academic performance, 12–18 yr old students, Spain, 43626
perceptions of public safety policy & age & sex & race & Greek affiliation & marital & resident status, college students, 43659
perceptions of self-concept & personal motivation & aspiration & academic quality & faculty relations & sociocultural environment, academic performance, Black students at predominantly White college, 13774
person factors & training environment, research interest, applied psychology graduate students, 27869
personal aspirations, optimism vs pessimism about own vs future of trends in Europe vs US, students attending public vs private university, application of cognitive dissonance perspective, 13770
practices & ideas about responsibility & self regulation, completion of homework, students in grades 2 & 4 & 6, Australia, 37083
preference for doctoral applicants to have BA vs MA degree & scholarly research &/vs clinical experience, Directors of PsyD training from APA-approved professional programs, 13791
psychological variables, 36 yr old female college student athlete, case report, 14032
readiness to change conceptions of motion & force, 6th vs 10th graders, Australia, 37076
student characteristics & computer attitudes & experience & academic performance, students in psychology course with computer exposure, 9942
student mood state, course & instructor effectiveness evaluations, college students, 28055
teacher & student & school characteristics & curriculum & ability & subject domain, achievement in life & physical sciences, male vs female 8th graders, 28016
teacher collaboration strategies with vs without team teaching & classroom observation, teaching efficacy & pupil achievement & attitudes, elementary school teachers & students, Canada, 5673
teacher education programs, values & beliefs toward diverse students, teacher educators & student teachers, 17112
teachers' perceptions of students' foreign language skills & affective characteristics, native language skill & foreign language aptitude, female 9th–10th graders & their teachers, 13758
use of praise & other types of reinforcement in regular vs integrated vs self contained special classrooms, elementary school teachers, Canada, 37096
Wholist-Analytic & Verbal-Imagery cognitive style, preferred instructional material format, 15–16 yr old female students, 33467

Student Personnel Services—Serials

assessment of alternative model for delivery of school psychological services, teachers & principals in public school district & school assistance center staff, 13897
care vs cost in university & college mental health service delivery, commentary, 5722
cost vs quality of psychotherapeutic treatment in college settings, students with borderline personality disorders, 5725
development of school based clinics & other health & mental health services & programs, 24687
development of supportive & educational networking group, college students with mental disorders, 5718
expanded school mental health services, literature review, 20700
goals & assessment procedures & features & program evaluation methods of college academic assistance program models, 24582
homophobic & homosexuality issues & school based paradigm developed to assist adjustment to social & sexual identity, gay & lesbian adolescents, 24686
levels of homophobia, male vs female faculty vs student affairs professionals, 24535
normative institutional resistance to college psychological services, 5714
receptiveness to routine assessment at intake interview of past suicide attempts, university counseling center clients, 10012
school-linked service integration, approach to special education service intervention, female 1st grader with possible emotional disturbance, 2218
undergraduate courses & instruction-related services, graduating senior psychology majors, 33330
university & college mental health policy & rationale & consequences for counseling center service limits, counseling center directors, 5723

Student Protest [See Student Activism]

Student Records—Serials

expectations & attitudes about National Record of Achievement's recording process & usefulness & record of achievement, college students, Wales, 33469

Student Teachers—Serials

approaches to & role & value of teaching portfolios, university science preservice student-teachers, Australia, 20552
attitudes toward special education provision, 20–30 yr old student teachers, Australia, 5582
hypermedia environment using constructivist principles, discovery of preconceptions about fundamental electrical principles, teacher trainees, 43586
interpretation of same classroom teaching events, elementary school cooperating teacher & student teacher dyads, 9834
no-suicide agreement as counseling response for suicidal students, student teachers, 42441

Student Teaching—Serials

anxiety & situational & cognitive stressors & practice teaching vs instructional preparation & predictive models, British vs Canadian male vs female student teachers, Canada, 24540
perceptions of effective school based mentoring, primary & secondary student teachers & mentors, England, 24537

Students [See Also Business Students, College Students, Elementary School Students, Foreign Students, Graduate Students, High School Students, Junior High School Students, Kindergarten Students, Law Students, Medical Students, Postgraduate Students, Preschool Students, Reentry Students, Special Education Students, Transfer Students] —Serials

amount & type of testing as compared to other nations, students, US, 14374
analysis of empirical research on ethnic minority students with learning disabilities, 1972–1994, literature review, 35904
application of numerical uncertainty management techniques to user or student modeling, literature review, 17748
career transition support services, roles of instructors & institutions & administration & vocational learners, 28148
communication & collaborative consultation in mainstreaming, students with disabilities, 13681
design & data collection issues in computerized school surveys arising from Minnesota Student Survey Mode Effects Experiment, adolescents in alternative schools & learning centers, 37577
Division of Mental Retardation & Developmental Disabilities policy statement on preparation & training of educational community for inclusion of students with developmental disabilities, 28082
economic & demographic variables, national & state patterns of placement within schools, seriously emotionally disturbed students, 1988–91, 17221
educational & assessment issues & learning interventions, students with traumatic brain injury, 17223
educational value & ethical issues of participation in psychological research as course requirement, students, Australia, 17775
effectiveness of functional assessment, target behaviors, students with emotional & behavioral disorders, 17228
enhancement of development & recognition of dignity, restoration of dignity among at-risk students, school counselors, 33573

extent & character of system-wide standardized student testing, US, 34068
family-school collaboration in dealing with problem children, 17 yr old student, implications for changed roles for school counselors, 28120
gap between student's input to system & system's conception & representation of correct knowledge, diagnosis of student's knowledge in intelligent tutoring system, 20564
guidelines for responding to & management of student misbehavior, school principals & teachers, 24639
historical trends & assumptions & proposals for implementing Public Law 94–142 to accommodate students with disabilities, 40474
implementation of motivational tactics in MORE intelligent tutoring system for planning & modeling of motivation, students, 5588
integration of synergetic counseling & basic values, Native American Indian students, 5715
interactive reconstructive modeling of procedural skills based on observed student performance, application in context of symbolic integration tutoring system, 10263
key components of systems change & better service integration, students with special needs, 20672
mandated standardized testing, minority students' access to quality curriculum & instruction in mathematics & science, 4th & 8th grade & high school teachers of high vs low minority classes, 17144
methods & current status & usefulness of social validation in research on treatments, students with emotional or behavioral disorders, 17236
multicultural strategies & other issues in preservice preparation for teachers in learning disabilities field, 37110
peer mediation, increases in social behavior, isolated children in school settings, literature review, 2255
portfolio vs standardized assessment data, competence judgments of bilingual students with academic difficulties, special educators vs bilingual credentialed teachers vs school psychologists, 37115
research issues & needs in determination of long-term effectiveness of social skills training, students with emotional & behavioral disorders, 17237
research issues & needs regarding teacher use of classroom management strategies, students with emotional & behavioral disorders, 17229
role in school responses to school children's exposure to traumatic incidents, educational psychology service providers, England, 13896
sex & sex identity in learning styles & differences across teachers & school subjects, 16–71 yr old secondary adult education students, 33473
sociocultural issues in description of students with learning disabilities in inclusion research, 1990–1995, 37090
Students T Test [See T Test]
Studies (Followup) [See Followup Studies]
Studies (Longitudinal) [See Longitudinal Studies]
Study Habits—Serials
achievement motivation & study habits, English language performance, secondary school students, Nigeria, 1990, 43633
awareness of causal relation between labeling strategy use & recall performance & study behavior & recall, preschool vs 1st vs 3rd grade children, 34804
behavioral self-management technique, parental ratings of homework-related improvements assessed at baseline vs 6 vs 12 wks vs 11 mo posttreatment, 6–14 yr olds, 24553
beliefs about exam preparation, 17–45 yr old college students, 33515
computer based study strategies & intelligence & reading skill differences associated with strategy adoption level, 12–16 yr old secondary students with learning disabilities, 20647
contribution of textbook & teaching characteristics & student learning & studying strategies to difficulty in exam preparation, college students, 24621
cultural bias in assessment of metacognitive skills related to studying, college freshmen, Belgium, 41079
frequency of use of background media while doing homework, homework performance, 8th & 10th graders, Netherlands, 13741
individual differences in learning style & cognitive style & studying approaches & learning preferences, 18–58 yr old business studies students, 33468
language proficiency & learning & study strategies, academic achievement measured by GPA & credits earned & withdrawals, freshman international students, 24625
learning & study strategies, 18–26 yr old low vs average vs high achieving college students, United Arab Emirates, 33444
learning style, study strategies & outcomes in hypertext reading environments, college students, Netherlands, 5658
reliability & validity of Arabic version of Study Process Questionnaire, college students, United Arab Emirates, 2672
spontaneous study strategies, content & coherence of essay type answers, 18–48 yr old medical school applicants, Finland, 24613
structured self-paced self-study, GRE scores, undergraduates, 17172
study habits & accountability for academic performance, 15–20 yr old secondary school students, Nigeria, 33443
subscales of Learning & Study Strategies Inventory, identification of academic success & students with learning & study risks, freshmen in early college entrance program, 10003
Study Skills [See Study Habits]
Stuttering—Serials
activation levels in multiple neural systems assessed with positron emission tomography, normal vs stuttering readers, letter, 19485
amount of stuttering, acoustic dimensions of speech as measured by area under speech envelope, 11–21 yr old stutterers vs fluent speakers, 23223
assessment of subclinical tremors in EMG from musculus abductor digiti quinti in hand during isometric contraction, stuttering 15–33 yr olds, 39341
attitudes toward & perceptions of occupational competence of physicians who stutter, nurses, 24488
awareness & competing response training, stuttering, male 19 & 27 yr olds, 1.5 & 2.3 yr followups, 8871
breath control & slowed speech rate & easier onset of articulation & increased awareness of speech as therapy treatment goals, adult male who stutters & clutters, case report, 17005
clonazepam, anxiety & work performance, male 51 yr old with stuttering & social phobia, case report, letter, 12958
communication attitude & stuttering, literature review, 42683
development & evaluation of instrument for assessing communicative suitability of speech, 15.8–39.3 yr old stutterers & unsophisticated & clinician & stuttering listeners, 24998
diagnostic criteria in differentiation of cluttering vs stuttering vs mixed cluttering & stuttering, 11–33 yr old stutterers, Bulgaria, 16198
duration characteristics of single-syllable whole vs part-word repetitions in speech, 25–47 mo old stutterers, 8441
efficacy of speech-language interventions, stuttering, children & adolescents & adults, 24349
etiology & diagnosis & management of stuttering, children, 23218
experimental variations of intonation & speech rate using reproduction of acoustically presented interrogative sentences, speech rate & fundamental frequency, adult stutterers vs nonstutterers, 39333
fluency-evoking conditions, aerodynamic variables in speech, 22–52 yr old stutterers, comparison with data from adults with normal speech, 42685
F2 transitions & coarticulation characteristics in fluent utterances, adult male stutterers, 23228
genetic transmission of stuttering & susceptibility & persistence & recovery, 2–7 yr old male vs female stutterers & immediate & extended family members, followup study, 39339
independent verification vs self reports of speech behavior, 24–74 yr old self recovered vs persistent stutterers vs nonstutterers, 16197

intensive smooth speech treatment program, speech & psychological status, 21 yr old male who stutters & clutters, 16999
intensive smooth speech vs intensive EMG feedback vs home-based smooth speech vs no treatment, stuttering percentage & speech rate & naturalness, 9–14 yr old stutterers, 1 yr study, 2093
intensive treatment program, attitude change & social skills development & speech fluency, 11–36 yr old stutterers, 12–24 mo followup, 9650
judgment & measurement of stuttering patterns in own vs others' speech, adult stutterers vs nonstuttering observers, 39340
language production capabilities, children with persistent vs recovered stuttering, 31566
lexical processing & speech response, 20–62 yr olds who stutter, 31559
life & daily stressors, number & self ratings of disfluencies, college student stutterers vs nonstutterers, 26843
methodological issues on speech rate & its effects on stuttering frequency, 18–52 yr olds, commentary reply, 21207
methodological issues on speech rate & stuttering research data, 18–52 yr old stutterers, commentary, 23221
metronome synchronization, number of filled pauses during speech, 17–22 yr old fluent speakers, implications for stuttering therapy, 16194
nonaltered auditory feedback vs monaural vs binaural delayed auditory feedback & frequency-altered feedback, stuttering frequencies, adults & adolescents, letter, 39348
normal & fast speech rates & delayed vs non-altered auditory feedback conditions, stuttering frequencies, 18–52 yr olds, 16203
onset of stuttering as presenting sign in parkinsonian-like syndrome, 29 yr old male, case report, 16343
parent-reported prevalence of stuttering & other speech problems & hyperactivity & attention deficit & reading problems, 8–20 yr olds born to mothers with systemic lupus erythematosus, 38278
paroxetine, female 27 yr old with obsessive compulsive disorder & stuttering, case report, letter, 39825
paroxetine, secondary stuttering following brain injury or hemorrhage, males, case reports, 43262
perceptual differences in comparison with normal speech, speech of preschool & early school age children who recovered from stuttering without formal treatment, 42680
perceptual differences in speech, 24–83 yr old stutterers who recovered without treatment vs speakers without a history of stuttering, 42679
phonological characteristics, 27–65 mo olds with early vs late recovery from vs persistent stuttering, longitudinal study, 23227
positron emission tomographic measurement of resting state regional cerebral blood flow, 21–55 yr old male stutterers vs nonstutterers, erratum, 26844
positron emission tomographic measurement of resting state regional cerebral blood flow, 21–55 yr old male stutterers vs nonstutterers, 16201
prolonged speech treatment, percent syllables stuttered & speech rate & naturalness, 10.7–41.6 yr old stutterers, Australia, longitudinal study, 2096
relationship between genetics & stuttering, literature review, 1482
response contingent time out, stuttering & speech control patterns, 10.5–11.1 yr old male stutterers, 27224
self modeling as intervention, stuttering, 13–17 yr old males, 4881
sertraline, development of stuttering & speech blockage, female 32 yr old with recurrent depression, case report, commentary, letter, 9052
sertraline, development of stuttering & speech blockage, patients with major depression, commentary reply, letter, 9109
soundness of DSM-IV criteria of social phobia without inclusion of occurrence secondary to medical disorder, adult stutterers, commentary, letter, 23229
speech dialect, speech naturalness, stuttering vs nonstuttering 17–38 yr olds with vs without General American dialect, 31556
speech fluency & clause & syllable structure & response latency characteristics of conversational utterances, 3–5.5 yr old male stutterers vs age matched male nonstutterers, 26847
stuttering development & treatment, 23–52 mo olds, 2–12 yr followups, erratum, 1481
stuttering frequency & motor learning following adaptation procedure to oral readings vs unison readings of word passages, adult male stutterers, replication, 23225
stuttering severity & speech kinematics, intersyllabic movement timing durations in fluent speech, 21–46 yr old stutterers in speech treatment, 8432
stuttering therapy program, 18–42 yr old males who clutter & stutter, 17001
successful maintenance & attitude change programs, fluent speech, 18–38 yr old stammerers, 2 yr study, 24359
syntactic complexity of sentence imitation task, frequency of stuttering & repetition accuracy, stuttering vs normally fluent 10.5–17.6 yr olds, 26849
syntactic context of stimulus sentences, encoding RT of semantic & phonological information of target words, 18–52 yr olds with vs without stutter, Germany, 1473
use of drawings in art therapy, adults who stammer, 23981
use of telecommunication relay services, adult stutterers, 23230

Subcortical Lesions [See Brain Lesions]

Subculture (Anthropological)—Serials

enhancement of clinicians' understanding of influences of culture & AIDS epidemic & racial & ethnic factors in development, homosexual males, 30276
history of education of nomadic Irish Travelers, Ireland, 20501
influence of youth cultures, youth centrism & hedonistic individualism & other attitudes as seen in surveys, youths, Germany vs Netherlands, 22103
normative & cultural structure of & use of nonverbal communications in anonymous sexual encounters with males in public places, males who engage in cruising, 3703
process of corporatization & redefinition of street gang activity & interaction with community members, urban ghetto street gangs, 41817

Subjectivity—Serials

contributions of feminine subjectivity as overlooked by notions of male superiority & sexual differences, female analysands with extreme helplessness & alienation resulting from childhood experience, 27361
effect of work glove & type of muscle action on grip fatigue & relationship between physiological muscle performance & subjective perceptional fatigue, 21–55 yr olds, 37257
epistemology & subjectivity questions regarding suitability of hermeneutics as framework for psychoanalytic theory & practice in relation to relational model theory, 30592
human subjectivity & sensorimotor experience & cognition vs self identity views in cognitive science, 10690
imagery perspective & task type, performance enhancement & subjective ratings of visual & kinesthetic imagery, college students, 183
information synthesis in cerebral cortex as basis for subjective experience, 41332
interpretive process in analytic subjectivity, implications for issues of analytic authority & autonomy, 32303
iv nicotine dose, blood pressure & heart rate &/vs subjective effects, 21–38 yr old smokers, 18339
J. Bugental's emphasis on subjectivity in psychotherapy theory & practice, 12805
life narrative & meanings of & involvement in social dance, formation of subjectivity & movement between transcendental classifications in working class girlhood & womanhood, author's mother, 7545
narrative or interpersonal & multiple & decentered notions of subjectivity & sexuality & gender, implications of taking multiple subjectivity seriously for psychoanalytic theorizing & practice, 11798
objective vs subjective judgment & self vs other judgment scale anchor, assimilative & contrastive associations between self & other judgments, college students, 38695
objectivity vs subjectivity & common sense in determining criminal culpability, college students, 33894

organized subjectivity as domain of psychological science & ontological & postrationalist explanation of human person, 18375
relationship between subjective effects of cocaine & dopamine transporter occupancy, adults (mean age 35 yrs) who regularly abuse cocaine, 35822
religion, subjective health, Black vs White elderly, 29721
scientific validity & objective measurement of subjective concepts in models of animal welfare, 34345
subjective cognitive & motor & affective complaints vs actual neuropsychological functioning, symptomatic HIV-1 seropositive adults (mean age 41 yrs), 19550
subjectivity & objectivity in & contributions of constructivist thought to psychoanalytic theory & analytic relationship, conference presentation, 30620
Subliminal Perception—Serials
interference for supraliminal vs subliminal trauma material on card vs single item computerized version of Stroop color naming task, combat veterans with PTSD, 12091
Subliminal Stimulation—Serials
facing vs broadside subliminal model stimuli, aggressive behavior, socially isolated siamese fighting fish, 34428
feelings-as-information model vs affective primary hypothesis in explanation of effect of attribution on subliminal affective priming, college students, 37736
subliminal advertising, consumer choice behavior, meta analysis, 2380
Submarines—Serials
personality characteristics, occupationally successful senior enlisted navy submariners, 26266
Submissiveness [See Obedience]
Substance Abuse [See Drug Abuse]
Substance Abuse Prevention [See Drug Abuse Prevention]
Substance P—Serials
cold water stress, role of substance P in secretion of interleukin-6 from peritoneal macrophages, male mice, 11056
CSF biogenic amines & metabolites & substance P & chromogranin A & secretogranin II peptides, neuroleptic-naive 1st-episode schizophrenic patients, 4170
morphine & naloxone induced withdrawal, locomotor & behavioral activity & substance P concentrations in microdissected brain region, guinea pigs, 29517
neuropeptide substance P vs haloperidol, learning & memory in discrimination learning task, food-deprived goldfish, implications for dopaminergic system, 29586
NMDA-receptor regulation of substance P release from primary afferent nociceptors, rats, 38127
noxious cutaneous thermal stimuli, release of endogenous substance P in spinal cord, male rats, 41302
peripheral substance P, learning in avoidance & habituation tasks, rats with & without naloxone, 21927
substance P levels & angiotensin converting enzyme polymorphism in postmortem brain samples, 41–75 yr olds with schizophrenia vs affective disorders, 22647
Substantia Nigra—Serials
D1/D5 dopamine receptor antagonists vs D2 antagonists, normalization of dopamine extracellular levels & spontaneous turning behavior after 6-OHDA lesions in substantia nigra, male rats, 34649
enhanced training with high level of foot shock, effect of picrotoxin or bicuculline in substantia nigra vs zona incerta on amnesia & memory consolidation, male rats, 3205
ibotenic acid induced lesions of caudate nucleus & globus pallidus, effect of ablation of subthalamic nucleus on neuronal degeneration in substantia nigra reticulata & movement disorders, male rats, 25491
loss of DA in substantia nigra pars compacta, reflex blink excitability, alert vs anesthetized rats with vs without experimental Parkinsonism, 18145
nicotine withdrawal, firing rates of substantia nigra & ventral tegmental area dopamine cells, rats, 15085
regional & cellular & subcellular distribution of dopamine receptor subtypes in cerebral cortex & neostriatum & caudate nucleus & substantia nigra & basal forebrain & hippocampus, monkeys, 25454
Subtests—Serials
administration of combinations of subtests, efficiency of WAIS-R short forms for accurate estimation of Full Scale scores, psychiatric patients, 2610
clinical utility of 7-subtest short form of Wechsler Adult Intelligence Scale—Revised, patients with traumatic brain injury, 28537
colored vs noncolored versions of absurdities subtest of Stanford-Binet Intelligence Scale & Picture Completion subtest of WISC-III, K–1st & 5th–6th graders, 10373
construction & factor analysis of subscales of Rehabilitation Situations Inventory, ability to handle difficult behavioral interactions, rehabilitation staff members from inpatient facilities, 17639
construction & validation of Short Adjectives Checklist of Big Five, adults, 53
criterion validity of Mattis Dementia Rating Scale subscales, 54–89 yr olds with Alzheimer's disease, 28551
criterion validity of MMPI-2 Depression scale & subscales, outpatients with major depression or dysthymic disorder, 2613
differential item functioning analysis, matching based on total test score vs subtest scores vs multiple subtest scores, 14422
faking good vs bad vs standard report on Subtle–Obvious scales of MMPI-2, 18–69 yr olds, clinical implications, 74
interrater reliability of Logical Memory subtest of Wechsler Memory Scale Revised, independent raters, Australia, 28560
IQ & age & WISC-III subtest scores, 6–16 yr students with academic difficulties, 40800
normative tables for derivation of WISC-III Performance & Full Scale IQs when Symbol Search substitutes Coding, children, 14247
norms for cognitive subscale of Alzheimer's Disease Assessment Scale, patients (mean age 72.1 yrs) with Alzheimer's disease, conference presentation, 28471
occurrence frequency for relative intersubtest scatter ranges from standardized WISC-III data, 6–16 yr olds, 34825
path structure & task complexity of part A vs B of Trail Making Test, implications for generating alternative pathways & interpreting results, 10484
reliability & validity of anxiety & depression subscales of the Symptom Questionnaire, 55–97 yr old adults hospitalized for an acute episode of a chronic disease, 25095
test reliability & temporal stability of standard validity & clinical & supplemental scales of MMPI-2, substance abusing males, 95
test-retest reliability & clinical stability of WAIS-R inter & intrasubtest scatter, 75–87 yr olds, 14230
validity of MMPI personality disorder scales, male vs female 12–17 yr old psychiatric inpatients, 17643
Suburban Environments—Serials
creation of social bonds & solidarity & identity & sense of place in housing selections, households from 2 dissimilar suburbs, 30047
lost letters of addressees with neutral vs deviant affiliations, altruistic mailing response, city vs suburb vs small town residents, 3735
Subvocalization—Serials
vowel vs verb use in silent speech, ERPs & equivalent current dipoles, male 20–36 yr olds, implications for attention & speech motor planning, 29417
Success [See Achievement]
Successive Contrast [See Afterimage]
Sucking—Serials
aspects of milk ingestion which elicit non-nutritive sucking, male calves, 34418
auditory response elicitation using high-amplitude sucking procedure, sucking behavior, newborns, test of operant conditioning hypothesis, 22006
increased hunger & increase in time since last performance of non-nutritive sucking & ingestion of milk, motivation to suck & physiological processes, calves, 34358
injections of arginine vasopressin into cerebral ventricle or cisterna magna & stimulation with filament vs artificial nipple, grasping & oral capture, fetal rats, 11019

mandibular muscle coordination in earlier appearing chewing & sucking & babbling vs speech, 15 mo olds, 22032
milk-induced bodily hyperextension vs head-heat counterstimuli, antinociception & escape latencies in attached vs contact suckling, 10 day old rats, animal model of tactile-chemosensory hypoalgesia, 21616
nasogastric feeding, non-nutritive sucking, mean age 34 & 35 week preterm infants requiring respiratory support, conference presentation, 24051
nonnutritive sucking, oxygen saturation & behavior state & initiation & duration of 1st nutritive suck, preterm infants, 7186
nutritive sucking patterns, bottle fed 1–3 mo olds with vs without colic, 11307
ontogeny & neural controls in infant suckling vs adult lapping mechanisms, 45 vs 66 day old opossums, 29287
organization of general activity & expression of mouthing & oral grasping behavior response to artificial nipple, fetal rats, 37910
postsuckling behavioral arousal, weaning, 20 day old rat pups & their dams, 21548
separation post partum vs after 4 days, attachment & vocalization & suckling & physical activity, cow–calf pairs, 6504
sucking behaviors & developmental outcomes at 6 mo using Bayley Scales of Infant Development, very low birthweight infants, 11312
tactile stimulation & maternal separation, appetitive behavior at surrogate nipple, rat pups 1–5 hrs after Cesarian delivery, 41279
use of actifier in neurophysiological study of orofacial control, infants & neonates, 738

Sudden Infant Death—Serials
maternal social support & stressful life events experienced by family, risk of sudden infant death syndrome, infants, New Zealand, 12456

Suffering—Serials
economic demand curves as measure of animal suffering, commentary reply, 34332
economic demand curves as measure of animal suffering, commentary, 34327
economic demand curves as measure of animal suffering, 34331
issues in suffering & euthanasia or assisted suicide, patients with incurable illnesses, 31579
nature & severity of injury & pain & suffering, fault & compensatory awards, undergraduates, 33903
philosophical foundations & approach to suffering of existential vs transpersonal psychology, 674
role of social setting & life events in suffering & incomplete outcome of drug therapy, female 32 yr old Latina repeatedly hospitalized for depression & suicidal ideation, case report, commentary, 43184
role of social setting & life events in suffering & incomplete recovery outcome of drug therapy, female 32 yr old Latina repeatedly hospitalized for depression & suicidal ideation, case report, 13046

Suffocation [See Anoxia]

Sugars [See Also Glucose]—Serials
beverages sweetened with sucrose vs fructose vs aspartame, sweet taste perception & pleasantness ratings & daily energy intakes & diet macronutrient composition, 43–72 yr olds with diabetes, 8498
chronic mild stress, sucrose intake & hedonic sensitivity relative to weight loss, mice & rats, animal model of depression, 6807
color & size & location of artificial fruits, preference for hexose vs sucrose fruits & avoidance of sucrose, Cedar waxwings vs European starlings, 18094
consumption of sugar vs aspartame vs no sweetener in caffeinated vs decaffeinated coffee, cardiovascular functions & mood & memory & selective attention, adults, 3245
d-fenfluramine, taste responses to sucrose vs quinine, male rats, 21850
ethanol vs sucrose concentration in sucrose/ethanol vs sucrose solutions, reinforced response behavior, male rats, 29072
flavor distinctiveness & sucrose concentration, positive reinforcement vs anticipated satiety effects in preferential consumption of isocaloric solutions, male rats, 10757
gustatory nerve transection, taste guided lick responses to sucrose & maltose, male rats, 11011
gymnemic acid, summated chorda tympani nerve response & sweet vs nonsweet taste perception, chimpanzees, implications for phylogenetic differences in higher vs lower primate sense of taste, 6735
inositol depletion hypothesis of lithium action in manic depression, 16615
intragastric maltodextrin Polycose & abdominal vagotomy with intact hepatic branch, carbohydrate-conditioned flavor preferences, female rats, 6671
intraoral sucrose vs glucose vs water stimulation, pain perception & crying & calming, premature vs preterm vs full-term infants, 7189
low dose morphine, self selection of ethanol vs sucrose solutions, male rats, 29624
maltodextrin flavor discrimination & preferences, female rats, 415
morphine, enhanced ingestion of 2 vs 20 percent sucrose solution in taste reactivity test, male rats, animal model of hedonic assessment, 11192
naloxone, establishment of sucrose concentration gradiant after sucrose vs saline administration in operant taste discrimination task, male rats, 21900
naloxone, sucrose motivated behavior under progressive reinforcement schedule vs under unrestricted access, male rats, 581
nectar pool sucrose concentrations & volume, licking frequency & volume extracted per lick & energy intake rates, hummingbirds, implications for plant pollinator coevolution, 18118
nectar sugar concentration & volume, concentration preference & energy intake rate, rufous hummingbirds, 10875
preference for high concentration sucrose solution, alcoholic vs nonalcoholic White males, 23065
preferred maintenance of saccharin sweetened alcohol self administration vs isocaloric sucrose solution, male rats, 18300
role of benzodiazepine-GABA receptor complex in modulating ethanol & sucrose consumption, rats, 38147
selective central CB1 cannaboid receptor antagonist SC 141716, sucrose feeding & drinking & food & water & ethanol consumption, male rats & mice, 41434
short-chain sugar derivative 2-Buten 4 Olide, satiety & feeding behavior, male monkeys, 3249
smaller vs larger amount of sucrose, odor preference as a function of proboscis extension conditioning, honeybees, 6494
sucrose-substitution & ethanol-reinforced responding in home cage preference tests, AA vs ANA male rats, 38097
taste preference thresholds for food associated sugars, squirrel monkeys, 21767
water or sucrose with vs without eye contact, calming & crying & heart rate & pain perception & gaze, agitated 2 vs 4 wk olds, 7194

Suggestibility—Serials
biased vs unbiased story summaries, suggestibility & accuracy or recall, 3.5–5.5 yr olds, implications for child eyewitnesses, 15231
changed vs planted vs erased memories of being touched, vulnerability to suggestibility, 4 vs 10 yr olds, implications for effects on children's courtroom testimony, 22037
cognitive vs structured interview, resistance to misleading suggestions in subsequent witness interviews, 8–9 yr olds, 18493
developmental suggestibility effects & reasoning about conflicting mental representations, 3–5 yr olds, 15258
false recollection of details induced by photo review, 60–75 yr old vs 16–22 yr old adults, 35003
guided imagery & positive suggestions in sex therapy, 23650
individual differences in suggestibility & etiology of conversion disorders, adults, 42368
significance of rhetorical structure of psychological experiments investigating suggestibility within context of production of false memories of sexual abuse, children, 39135

single vs repeated exposure to misleading suggestions, creation of false memory for suggested events, college students, 1 wk followup, 2888
suggested & unsuggested alterations in experience, hypnotic responding, 19–36 yr olds, Canada, 18027
suggestibility during attendance of support meetings for incest & cult abuse survivors, recall & creation of false memories, 39 yr old female with dissociation & bipolar disorder, case report, letter, 23664
suggestibility in treatment as explanation for falsification of recovered memories of childhood sexual abuse involving amnesia, female psychiatric patients, 42468
suggestibility to relate true vs false accounts, 3–4 vs 5–6 yr olds, implications for abuse reporting, 38310
suggestion vs repression vs personality, recovery of memories of childhood sexual abuse in psychotherapy, 23623
therapist suggestion & patient suggestibility & role in psychoanalytic reconstruction of childhood sexual trauma, 19892
written & auditory forms of suggestion, dietary intake & weight loss & perception of food, adults, 32633

Suicidal Ideation—Serials

acculturative stress & depressive symptoms & suicidal ideation, 14–20 yr old immigrant & 2nd generation Latin Americans, 7795
adaptive reasons for living, 17–51 yr old male vs female college student suicide ideators vs non-ideators, 16013
affect dysregulation & self destructive behaviors, adolescent inpatient suicide attempters vs ideators (mean age 14.9 yrs), 35748
aggression & hostility & cynicism, depressed adult outpatients with vs without suicidal ideation, 11991
alcohol use patterns & suicide attempt & ideation, psychiatric inpatients with comorbid major depression & alcoholism (mean age 35.1 yrs), 26341
alprazolam, improvement vs worsening of suicidal ideation, patients with major depression, 1974–87, meta analysis, 1825
awareness of illness, suicidal behavior or ideation, patients with schizophrenia, 12018
biological family disruption in first 18 yrs of life, adult depression & suicidality, college students, 30695
circumstance & history of past attempts & contemplation of suicide for self or other & religious affiliation, acceptability of suicide, college students, 19293
clinical correlates of active suicidal ideation vs passive death wish, 60–80 yr olds with recurrent major depression, 19174
clinical utility of Inventory of Suicide Orientation-30, 13–18 yr old psychiatric inpatients, 17661
cluster analysis of MCMI scores & identification of clinical subgroups, 18–37 yr old suicidal Army enlistees in outpatient program, 4254
cognitive rigidity, relationship of depression & hopelessness & locus of control & psychoticism & extraversion & suicidal ideation, 30–35 yr old females, India, 1362
concurrent validity of information provided by parents vs adolescents vs both on Diagnostic Interview Schedule for Children, assessment of depression & suicidality, 12–18 yr old inpatients & parent, 34013
correlates of current suicidal ideation & past suicide attempt, male vs female juveniles in detention, 42491
dating abuse, locus of control & depression & suicidal preoccupation, college students (mean age 21.5 yrs), 12159
demographic & clinical characteristics, serious overdose vs nonoverdose self injury patients vs medical/surgical patients with suicidal ideation, 39144
depression & family environment & attitudes toward life & death, suicidality, young adults, 12163
depression vs hopelessness vs self-esteem vs anger proneness or aggression, suicidality, 5–12 yr old inpatients, 16033
description & validity of early suicide assessment instruments, 28510
development & factor analysis & intercorrelations & internal consistency of Brief Reasons for Living Inventory, assessment of suicidal ideation, 15–18 yr old students & psychiatric patients, 6049
development of therapeutic relationship & possible impact of managed care on treatment, 11 yr old emotionally deprived male referred for disruptive behavior & suicide threats, 8807
eating disorders & depression & suicidal preoccupation, college students, 4466
epidemiology & biology & psychopathology & medical concomitants of late-life suicide, literature review, 42435
ethnocultural differences in prevalence of suicidal ideation & suicide plans & suicide attempts & thoughts about suicide, 6th–8th grade middle school students, 42490
evolutionary modeling & suicidal ideation & reproductive status & family interaction, 18–51 yr olds & older vs members of high suicide risk groups, Canada, 4248
experiences of constant observation by staff, themes of physical protection & restoration of hope & distressing incidents, suicidal 21–47 yr old inpatients, 9535
factor structure of Modified Scale for Suicidal Ideation, suicidal young adults, 28487
family disturbance & hopelessness & psychopathology, parasuicidal Indian 14–21 yr olds, South Africa, 39166
fear of death, estimated probability of suicide, college students, 12153
fear of HIV infection & other psychosocial stressors, suicide attempts & suicidal ideation, injecting vs noninjecting amphetamine vs polydrug users, UK, 1393
fluoxetine, suicidal ideation & muscle aches, 72 yr old Chinese male with poststroke depression, case report, 27432
fluvoxamine, suicidal ideation, psychiatric patients, meta analysis, 1975–1991, 19952
frequency of suicidal ideation, 60 yr old & older primary care patients, 22963
hermeneutical phenomenological study of subjective experiences of feeling suicidal & of meaning in life, 64–92 yr old psychiatric inpatients with depression & suicidal ideation, 26625
history of childhood physical or sexual abuse, suicidal ideation, pregnant 14–40 yr old psychiatric patients evaluated in psychiatric obstetrics consultation service, retrospective study, 4255
identification of suicidal ideation in patients with HIV infection, improved counseling during stages of disease, health care workers, 1922
integration of personality & social psychological perspectives in Baumeister model, suicide ideation, older adults, 22176
life change events & life stress & depression & drug use & suicide ideation, gifted vs nongifted inner city 7th–8th graders, 30687
locus of control & depression & suicidality, head office employees, South Korea, 42476
MDMA use & resulting serotonergic alternations, adverse psychiatric symptoms & suicidal ideation, male 17 & female 22 yr olds, case reports, 12214
negative life events & perceived problem solving alternatives & depression & suicidal ideation, 12–18 yr old psychiatric patients, 7826
no-suicide agreement as counseling response for suicidal students, student teachers, 42441
pain thresholds & tolerance, suicidal vs nonsuicidal 14–19 yr olds, Israel, 39162
perfectionism & hopelessness & suicide ideation, adolescent psychiatric inpatients, 26394
personal & stress & social support variables, suicidal ideation, 65–100 yr olds, 16034
predictive & concurrent validity of Suicidal Ideation Questionnaire Junior High School Version, 13–20 yr old American Indians, 21056
presence of comorbid DSM-III-R Axis I disorder, suicidal ideation & behavior, 15–57 yr olds with panic disorder, Turkey, 39073
prevalence & demographic correlates of suicidal ideation & behaviors & utilization of mental health services, college students, Australia, 4289
prevalence of attempted & completed suicide & suicidal ideation before vs after HIV diagnosis, clinic attenders with symptomatic vs asymptomatic HIV vs AIDS, England, 1539

prevalence of suicidal ideation & motivation for requesting assisted suicide or euthanasia, HIV seropositive vs seronegative 21–49 yr olds, Scotland, implications in light of current legislation, 1533
prevalence of suicide & suicidal ideation & deliberate self harm, patients with HIV infection, research review, 1531
psychiatric history & symptomatology & psychological functioning, & suicidal ideation, parasuicide prior to vs during incarceration, male inmates, 19413
psychiatric morbidity & level of suicidal intent & impulsivity, motivations for attempted suicide, suicide survivors, 12162
psychometric properties of Suicidal Ideation Questionnaire, 13–18 yr old psychiatric inpatients, 17662
rates of adolescent suicide behavior-based referrals from emergency rooms to psychiatric inpatient facilities, US vs Western Europe, literature review, 33008
screening for anxiety disorders & drug abuse & depression, prevalence & identification of suicidal ideation in primary care setting, patients, 16031
self esteem & suicidality & depression, college students, 19307
self vs other vs socially prescribed perfectionism & negative life stress & depression & hopelessness & anxiety & reasons for living, suicidal behaviors, college students, 4247
sex & emotional control & depression & suicidality, nurses &/vs college students, 16009
sex, help-seeking behavior & psychological distress & self-esteem & suicide ideation & problems experienced & help sources, 14–18 yr old Zuni Indians, implications for practice, 15275
suicidal behavior & ideation, depression & anger & anxiety & hopelessness & self concept, 13–18 yr old psychiatric inpatients, 8149
suicidal ideation & bereavement & psychosocial variables, HIV positive vs negative male caregivers of partners with AIDS, 2 yr prospective study, 42747
suicidal ideation & severity of depression & degree of cognitive impairment & gender, elderly with dementia, longitudinal study, 31863
suicidal plans, patients with spinal cord injury, 6 mo study, 16339
suicidal tendency & antidepressants & toxicity, depressed patients, 19946
suicidality & suicidal ideation & suicide attempts & deaths, HIV positive patients, Spain, 1530
suicide ideation & physical & sexual abuse & gang involvement, 12–18 yr old incarcerated males vs females, 26718
symptomatology & side-effects & violent acts &/or suicidal behavior, 19–69 yr old involuntarily vs voluntarily committed neuroleptic treated schizophrenics, 42334
symptoms of complicated grief & active vs passive suicidal ideation, bereaved 50–85 yr olds, 42496
temporal fluctuations in number of calls concerning personal suicidal ideation & 3rd person suicide to crisis intervention center, implications for crisis center staff scheduling, 31243
type & number of siblings & birth order, manic depressive tendencies & past suicidal ideation & attempts, college students., 30651
use of "who would find you" question to identify interpersonal conflict & support in assessment of suicidal children & adolescents, 39149
validity of Suicide Probability Scale, prediction of subsequent suicide attempts & verbalizations & minor self destructive behaviors, 8–18 yr olds in group homes, 6039
validity of Suicide Probability Scale, prediction of suicide attempts & ideation, nonpatient populations, commentary, 6059
violence of past suicide attempt & suicidal intent & clinical factors, tolerance for physical pain, 18–28 yr old suicidal vs nonsuicidal psychiatric patients, Israel, 4282
1 mo frequency of suicidal feelings, mentally healthy vs mentally disordered nondemented 85–86 yr olds, Sweden, 1360

Suicide [See Also Assisted Suicide]—Serials

access to firearms, risk of suicide, adults with successful vs unsuccessful suicide attempts, New Zealand, 31173
access to firearms, risk of suicide, adults with successful vs unsuccessful suicide attempts, New Zealand, commentary, 42443
access to firearms, risk of suicide, adults with successful vs unsuccessful suicide attempts, New Zealand, commentary reply, 42434
adolescent suicide of sibling or child, impact on parents & siblings, siblings & parents of suicide victims, 3 yr study, 22960
adolescent's sex & depression & conduct disorder/substance abuse & previous suicide attempts & suicidal relative & family support, appropriateness of hospitalization decision, psychiatric residents, 36861
African American suicide rates & patterns & risk factors & protective factors & cultural factors, implications for preventive policies & programs, 31203
age & sex & unemployment, suicide rate, 15 yr olds & older, 1974–90, England & Wales, implications for social work & community services, 1359
age & sex, content of suicide notes, adults, Germany, 8132
age, DSM-III-R Axis I diagnoses, 21–92 yr olds who commited suicide, 1348
age or sex or extraversion or neuroticism, possession of accurate knowledge about suicide, college students, 4265
age-period-cohort analysis of trends in suicide mortality, 20–40 yr old males, 1952–1992, Sweden, 31168
alcohol & drug use in suicides, Finland, implications for drug prescribing for depressive patients, 22994
antidepressants, suicide risk, depressed patients, Sweden, 27424
association of serotonin transporter gene & affective disorder & suicidal behavior, patients with bipolar disorder, France, 38964
attempted & completed suicide, 65+ yr olds, Israel, 38479
benzodiazepine receptor binding sites, 19–54 yr olds with vs without schizophrenia & suicide victims, 42219
biological family disruption in first 18 yrs of life, adult depression & suicidality, college students, 30695
car exhaust toxicity & use as suicide method, 1950–84, 4270
changes in suicide patterns, male vs female 15–75+ yr olds, 1974–1992, UK & other Western countries, 31250
characteristics of carbon monoxide suicides from car exhausts, patients with psychiatric or other severe diseases, implications for suicide risk prevention, 19303
characteristics of suicides by burning, adults, England & Wales, 4284
cholecystokinin mRNA in entorhinal cortex, schizophrenia patients vs nonpsychotic suicide victims (mean age 57 yrs) vs rats, 42304
cholesterol lowering therapies & polyunsaturated fatty acid levels & suicide & depression & trauma, letter, 27560
circumstance & history of past attempts & contemplation of suicide for self or other & religious affiliation, acceptability of suicide, college students, 19293
clinical & demographic factors predictive of subsequent suicide, 13–73 yr olds assessed for deliberate self harm, 18 yr follow up, Australia, 31189
clinical assessment & outpatient treatment of suicide, research review, 8124
comorbidity of panic attacks & suicidal ideation & psychopathology, nonclinical undergraduates (mean age 20.1 yrs), 31281
completed & attempted suicide, implications for development of theories of continuum of suicide intent/lethality, 19297
concurrent validity of original & revised versions of Social Problem Solving Inventory, differentiation of high vs low suicidality, depressed 18–24 yr olds, 6022
continuity of depression & suicidal behavior, children with depression vs anxiety disorders, 12–18 yr follow-up, implications for relation between child onset depression & subsequent suicidal behavior, 22809
county income & suicide incidence, richest vs poorest counties, Sweden, test of social psychological vs socioeconomic suicide epidemiology hypotheses, 16016
cross-sectional & cohort & age group formats of suicide rates, 1951–88, US, 8151

use of "who would find you" question to identify interpersonal conflict & support in assessment of suicidal children & adolescents, 39149
25th Infantry Division Light Suicide Prevention Program, role of chaplains & mental health officers, 18698
Suicide Prevention Centers—Serials
suicide prevention services, suicide rates, Europe, 4269
temporal fluctuations in number of calls concerning personal suicidal ideation & 3rd person suicide to crisis intervention center, implications for crisis center staff scheduling, 31243
Sulpiride—Serials
amantadine, body-weight & food intake & neuroendocrine variables, drug free vs sulpiride treated female rats, animal model of neuroleptic-induced obesity, 34635
haloperidol vs sulpiride vs D1 receptor antagonist SCH23390, mRNA expressions, male mice, 41503
hyperprolactinemic potency of haloperidol vs sulpiride, improvement of hysterical neurosis of conversion type, 24–64 yr olds, 13031
intercranial self administration of bicuculline into ventral tegmental area with vs without sulpiride, spatial discrimination, male mice, 29529
strain differences & cholinergic drugs oxotremorine & atropine &/or D2-receptor agents quinpirole & sulpiride, memory retention of Y-maze discrimination task, mice, 34656
sulpiride & SCH-23390, latent learning & memory impairments, mice with induced concussive brain injury, 21924
sulpiride dosage, pharmaco-EEG responses, 23–45 yr olds, implications for therapy, 25556
sulpiride, psychomotor performance & subjective tolerance, 20–34 yr old healthy male volunteers, implications for sulpiride prescription in outpatient populations, 41494
sulpiride vs risperidone, functional activities & abnormal involuntary movements, male 57 & female 65 yr old with Huntington's disease, 9283
treatment with sulpiride, symptoms of delusional parasitosis, 74 yr old female, Hong Kong, 23871
Summer Camps (Recreation)—Serials
dependency & self criticism & psychological distress, 8–16 yr old day vs sleep away campers, Canada, test of Personality-Congruence Model of Depressive Vulnerability, 34904
perceived control & coping style, homesickness, 8–16 yr olds attending summer camp, 29938
Superego [See Also Conscience]—Serials
analytic treatment, nature of psychotic superego, 25 yr old male suffering from psychotic breakdown & hallucinatory terror, case study, 39766
cultural influence on psychoanalytic aspects of Oedipal complex resolution & superego development, self-regarding functions in attitudes toward intellectual achievement, 15769
debate about alternative valid theories over infantile superego between M. Klein & A. Freud in publications of 1927, application to field of child psychoanalysis, 12916
pathological morally outraged character type & dominance of hypercathexis of superego, 17 & 37 yr old male anaysands, 30608
Superior Colliculus—Serials
auditory stimulation & single unit neurophysiological methods, spatially selective auditory responses of neurons in superior colliculus, echolocating big brown bats, 29380
collicular motor control of somatosensory saccades, monkeys, 21649
development & integration abilities of multisensory neurons in deep layers of superior colliculus, 3–135 day old kittens, 34590
eye position dependent collicular somatosensory activity, awake monkeys, 21650
preferential looking technique & stimulus structure & superior colliculus, face preference, healthy newborns (aged 24–155 hrs postnatal), 29729
stimulation of efferent superior colliculus, C-fos like immunoreactivity in brain stem & approach vs avoidance activity, rats, 29315
Superstitions—Serials
superstitious activity, college baseball players vs undergraduate nonathletes, 43844

theories of belief in & practice of superstition & half belief & ritual instrumental activism in modern industrial society, 6412
Supervising Teachers [See Cooperating Teachers]
Supervision (Professional) [See Professional Supervision]
Supervisor Employee Interaction—Serials
attitudes toward subordinate punishment incidents, 22–63 yr old managers, 24739
construct validity of measure of ingratiatory behavior in organizational settings, supervisors & their superiors, 13943
cultural expectations & causal attribution of adaptive behavior of foreign manager with host country subordinates, management students (mean age 22 yrs), 43775
dimensionality & possession of power bases, compliance & satisfaction with supervision, managers, US vs South Korea, 33626
dyadic gender & personality similarity & member performance & leader delegation & leader–member exchange relationship, subordinates & their supervisors, 9 mo study, 24764
empowerment & perceptions of principals' use of power, elementary & middle & high school teachers, 20521
factor analysis of T. R. Hinkin & C. A. Schriesheim's measures of interpersonal power, 20–60 yr old & older supervisees, 28615
factor structure of Measure of Ingratiatory Behaviors in Organizational Settings scale, state government employees (mean age 42.6 yrs), 25119
goal importance & Machiavellianism & work experience & leader-member exchange & perceived costs, subordinates' decisions to pursue work-related goals after initial failure, employees, 13981
impression management behaviors, upward mobility & supervisor-subordinate relationships. Asian vs European American managers, 43776
increased work pressure & supervisory behavior, work group cohesive behavior, manufacturing employees, 22428
interactional asymmetry, analysis of positioning & interactive frames in workplace interaction & conversation, employer-employee dyads, 17369
job level, superior–subordinate communication & job satisfaction, manufacturing employees & supervisors, 10101
job satisfaction & person–organization fit & leadership support & fairness in reward allocation, organizational citizenship behavior, cellular phone vs real estate salespeople, 40582
leader behavior & subordinate stress, mid level bank managers & their bosses & subordinates, 5763

natural supports & integration in workplace, workers with disabilities, literature review, 16996
paid coworker support model & maintaining employment, 36 & 37 yr old males with multiple & severe disabilities, 2087
paid vs unpaid work & participation in work related support group, positive & negative symptoms & rehospitalization, adults with schizophrenia or schizoaffective disorder, 5 mo followup, 2085
patterns of interaction & engagement & on task behavior, learning disabled supported workers vs nondisabled coworkers, implications for supported employment, 9644
perceived benefits & concerns of hiring employees with disabilities, employers, 20359
reinforcement & latency & frequency of problem behavior & multicomponent intervention, severe problem behavior in community employment, autistic & mentally retarded 26 & 28 & 30 yr olds, 24288
self management, work productivity, 25 & 35 yr old females in supported employment setting with moderate mental retardation, 33102
similarities & differences in vocational needs & satisfaction, 21–58 yr old supported employees with mental retardation vs 20–61 yr old co-workers, application of theory of work adjustment, 36819
social interaction & activity engagement, disabled workers in supported employment vs adult training center attenders, 2088
supported employment program, rate of employment, clients with severe mental disorders (mean age 46 yrs), replication, 33103
supported employment vs nonwork experiences in day service provision, interaction & engagement patterns, adults with learning disabilities, 16990
TEACCH supported employment program, persons with autism, 20357
worker characteristics & job coach & coworker involvement & earnings & employment & other factors, future earnings, 26–64 yr old mentally retarded employees & their service providers, 4-yr study, 31484
Supportive Psychotherapy—Serials
cognitive behavioral therapy vs supportive psychotherapy, 55 yr olds & older with generalized anxiety disorder, 6 mo followup, 27155
medication with vs without supportive psychotherapy vs cognitive therapy, 18–39 yr old females with bulimia, 31545
principles of & issues in strength-based approaches in support of families with multiple risks, 32239
sequential habit reversal treatment with awareness training & self monitoring & social support & competing response, 8–12 yr olds with chronic motor tics, 16544
treatment matching & client characteristics of craving & cognitive function & alcohol dependence severity, outcome of naltrexone & relapse prevention vs supportive therapy, alcoholic patients, 9590
Suppression (Conditioned) [See Conditioned Suppression]
Suppression (Defense Mechanism)—Serials
conscious thought suppression following viewing of film, memory for sequence of film events, college students, 3952
factor structure & reliability & validity of White Bear Suppression Inventory, college students, Netherlands, 2555
suppression & accessibility of death-related thought in production of increased cultural worldview, terror management, adults, 35299
suppression vs dissociation & adaptive vs pathologic defense mechanisms, normal 18–29 yr olds, 42078
thought suppression & denial about having undesirable personality traits, defensive projection of undesirable traits onto others, college students, 30519
time splitting & suppression of past life, mental health, Southeast Asian refugees, Canada, 38752
Surgeons—Serials
guidelines for predeployment planning & preparing for worst & routine operations & postdeployment actions, flight surgeons supporting fighter squadrons deployed to Arctic, kit list appended, 24822
routine communication style & behavior, primary care physicians & surgeons with vs without history of malpractice claims, 33261
use of P. Bourdieu's didactic concept of habitus & social constructionism for analysis of perceptions & experiences of female surgeons, similarities to & differences from male surgeons, 24473
Surgery [See Also Amputation, Cochlear Implants, Colostomy, Heart Surgery, Hysterectomy, Induced Abortion, Neurosurgery, Organ Transplantation, Plastic Surgery, Sex Change, Vasectomy]—Serials
adaptation to physiological monitoring computer system in anesthesia procedures for cardiothoracic surgery, physicians, 24882
aspects of transient anxiety, postoperative anxiety & physical complaints, 20–77 yr old surgical patients, Netherlands, 24017
beliefs about & perceptions of & preference for & information wanted on use of pain medicine following inpatient surgery, 7–17 yr olds, implications for practice, 43260
biliopancreatic diversion, binge eating episodes & dieting & psychological traits & body weight, severely obese 19–61 yr old patients, 2 yr study, 27511
biological & psychological & social processes in theory of postoperative fatigue, literature review, 42891
carotid endarterectomy, postsurgical complications & neuropsychological impairment, surgery patients (mean age 64.8 yrs) without preoperative stroke, 42809
coping strategies, anxiety about major orthopedic surgery & return to normal activities, 8–17 yr olds, 9269
coping strategies, death vs survival outcome 5–6 yrs after mastectomy vs lumpectomy, female 29–70 yr olds with early breast cancer, Switzerland & Germany, 4620
corrective surgery, coping & psychosocial functioning, 9–38 yr old males with hypospadias vs inguinal hernia, Netherlands, 36623
cultural & health issues associated with female genital mutilation, implications for sexuality counseling, 32837
drug therapy & psychotherapy & surgery, 75 yr old WWII veteran with panic attacks & recurrent depression & hypertension & arteriosclerotic cardiovascular disease, letter, 32689
expectations for life benefits of treatment, preferences for surgery vs expectant management, elderly patients with prostate cancer, 20092
fentazin anesthesia for labyrinthine surgery, guinea pigs, 15090
genital perception following surgery, male 9–38 yr olds treated for hypospadias, 20096

hypnosis & guided imagery, postoperative course & anxiety & pain, pediatric surgical patients, 13132
individual differences perspective of psychological & hypnotic preparation for anesthesia & surgery, 20050
LAPIDES vesicostomy, reduction of hyponatremia, 33 yr old male chronic schizophrenic with polydipsia–hyponatremia syndrome, case report, 39040
length of time since surgery & presurgery eating disturbances, surgery outcome, gastric bypass surgery patients, followup study, 31508
long term cognitive & depression & other affective changes, 60 yr old & older patients undergoing cataract surgery, 1 yr study, 13141
median sensory nerve transection followed by surgical repair, representation of innervated hand in primary somatosensory cortex, immature macaques monkey, 29279
neuropsychological status & mood, patients treated surgically for pituitary tumor, UK, 23277
parent pain education booklet, attitudes & concerns about drug management of their children's postoperative pain, 17–51 yr old parents of 2–12 yr old children undergoing day surgeries, 43278
partner's transplant, psychological & immunological status, 19–53 yr old partners of patients undergoing bone marrow transplant, 29472
pathogenesis & natural history of osteoarthritis & processes among patient & husband & primary physician & orthopedist, female 76 yr old considering total hip replacement, 20067
patient's use of strategies to influence outcome of consultations with physicians, presentation of distress in search of surgical intervention, 47 yr old female, case report, 24147
positive intrasurgical suggestion during anesthetic state, postsurgical pain, 24–73 yr old cholecystectomy or hysterectomy patients, 24043
pre- vs post-operative physical & mental fatigue, patients undergoing major hip or knee joint arthroplasty, 1 & 7 wk postsurgical followups, 24006
preoperative hypnosis & perioperative suggestions during general anesthesia, stress during maxillofacial surgery & recovery processes, patients, 24022
presurgical expectations & anticipatory anxiety, postoperative pain, 7–17 yr old surgical patients, 9277
prevalence of circumcision & sexually transmitted diseases & sexual dysfunction & practices, 18–59 yr old males, US, 32818
psychosocial adjustment & survival rate, adults after stoma vs nonstoma bowel resection surgery, 4 yr prospective study, 27549
psychosocial outcomes of breast-conserving surgery vs mastectomy, cancer patients, meta analysis, erratum, 42762
psychosocial outcomes of breast-conserving surgery vs mastectomy, cancer patients, meta analysis, 31706
ritual female circumcision, sexual function & health, females, Africa, 22234
self efficacy, psychosocial adaptation to intestinal stoma surgery, patients with colon cancer vs benign bowel disorders, 5174
serial position of items in word list, effect on recall, adult seizure patients after surgery on left vs right hippocampus with vs without sclerosis, 16332
sociocultural sexual selection interpretation of male genital modification, 11541
surgery & intensive orthopedic rehabilitation, pain & physical functioning & concomitant cognitive function, 47 yr old male with closed head injury, case report, 32691
surgical education & treatment & care in hospital, 18–50+ yr old cholecystectomy & herniorrhaphy patients, Netherlands, 16738
willingness to refer elderly patients for elective surgical operations & patients' age & comorbidity & institutionalization & living habits & signs of dementia, 25–63 yr old medical doctors, Finland, 40310

Surgical Complications [See Postsurgical Complications]

Surgical Patients—Serials

dosages of narcotic & other analgesic therapy for postoperative pain, White vs Hispanic vs Black 26–40 yr olds hospitalized for open reduction & internal fixation of limb fracture, 5207
effectiveness of nurse directed coronary risk factor modification program, female coronary artery bypass surgery patients, 13180
nurse's estimate vs child's selfrating of postoperative pain, 3–15 yr old tonsillectomy patients, Denmark, implications for analgesic treatment, 9285
presurgical expectations & anticipatory anxiety, postoperative pain, 7–17 yr old surgical patients, 9277
prevalence of night-eating syndrome, adults vs obese patients who received gastric restriction surgery, 31520
psychiatric morbidity & patient characteristics, 18–65+ yr old medical vs gynecological vs surgical patients in rural vs urban hospitals, Austria, 30710
psychiatric morbidity & trauma related injury, 18–57 yr old medical & surgical patients evacuated from Persian Gulf theater, 30654
Recofol vs Diprivan, induction characteristics & incidence & severity of injection pain, 4–11 yr old surgical patients, 27547
verbal expectancy, pain reduction, 52–86 yr old arteriotomy patients, 27513

Surrogate Parents (Humans)—Serials

attitudes toward rights of participants & other issues in adoption & use of new reproductive technologies such as surrogacy & donor insemination & in vitro fertilization, 28–74 yr old social workers, 11580
experiences of surrogacy arrangements, commissioning parents, UK, 7503

Surveys [See Also Consumer Surveys, Mail Surveys, Telephone Surveys]—Serials

acceptability & prevalence of NIMH Diagnostic Interview Schedule for Children Version 2.3, use in Epidemiology of Child & Adolescent Mental Disorders study, 9–17 yr olds & their parents, 6060
acceptability of & responses to NIMH Epidemiology of Child & Adolescent Mental Disorders Study, development of surveys of mental disorder & service utilization, 9–17 yr olds & their parents, 7801
Air Force occupational survey data as task based measure of job productivity, airmen, 20740
chronological age, survey response rates, male vs female clergy ordained in Anglican Church, Wales & England, 11747
computerized interview instrument, assessment of perceptions of general practice care, patients & general practitioners, Australia, 6082
construct validity of Survey of Recent Life Experiences & associations with social support & somatic complaints, assessment of daily hassles, 18–68 yr olds, Netherlands, 14260
contribution of sociological surveys & statistical methods in understanding causation of homosexuality, 26126
cost & effectiveness in stimulating change of patient opinion surveys in general practice & patient care, medical audit advisory groups & family health services authorities, England & Wales, 32804
design & data collection issues in computerized school surveys arising from Minnesota Student Survey Mode Effects Experiment, adolescents in alternative schools & learning centers, 37577
development & factor analysis & reliability of summary scale scores for Medical Outcomes Study 36-Item Short Form Health Survey, 20–69 yr old surgical patients, replication, UK, 40921
development & factor analysis of Missouri Guidance Competency Evaluation Survey, assessment of self-efficacy beliefs for guidance competencies, middle & high school students, 28593
development & validity of survey of perception of academic & social competence & integration & involvement in educational decision making & satisfaction, special education students in Grades 4 & 6 & 8, 37533

development of nutrition knowledge survey, assessment of relationship between nutrition knowledge & milk consumption, 50–89 yr olds in community wellness program, 14359
exposure to results of political polls, expectations & preferences & voting behavior in 1992 presidential & 1993 New York City mayoral elections, voters, 945
factor analysis & cross validation of Medical Fear Survey & Medical Avoidance Survey, assessment of blood & injury & injection fears & phobias & prediction of related fainting, 17–76 yr olds, 87
factors involved in distortion of answers in exit interview & survey process, 17372
feasibility & capacities of collecting data by Internet direct mailing, adult Internet users, 41589
free recall vs recognition survey techniques, morphological & relational & functional features of egocentered networks, 18–32 yr olds, Germany, 35280
interviewer recruitment & training & supervision & barriers to success for community based health needs survey, Black adult indigenous interviewers, South Africa, 16847
language arts achievement level & attitude survey format, attitudes toward reading, 6th graders, 37078
measurement of "work" in Current Population Survey, alternative diagnostic measures for pretesting & selection of questions on survey questionnaires, 17572
Medical Outcomes Study Short Form SF-20 & SF-36 health surveys, quality of life measurement in chronic headache disorders including migraine, 37521
methodological & psychometric & practical qualities of SF-36 Health Survey of general health status, 65 yr olds & older, 21130
methodological issues in Navy surveys, research review, 14468
methodology of Mental Health Supplement to Ontario Health Survey epidemiological study of psychiatric disorder, residents 15 yrs old & older, Canada, 28661
motivation vs prevention of honesty, exit interview & survey responding, MBA students with full-time employment, 37196
national survey of prevalence & demographic characteristics, adult problem gamblers, Australia, 4250
normatology & polling & general public vs psychiatrists attitudes about abortion & physician-assisted suicide, 35013
overview of 1995 "Consumer Reports" survey of effectiveness of psychotherapy, 4787
paper vs computer vs computer linked to larger database survey conditions, impression management in responding, male Navy recruits, 11658
personalization & commitment & trust in researcher & followup strategies for maximization of response rates on questionnaires in health related survey research, 6168
practicality & validity of organizational climate maps, assessment of organizational climate & culture, 14394
prevalence of pathological & problem gambling & construct validity of South Oaks Gambling Screen, 18 yr olds & older, 1991 survey, New Zealand, 4226
problems associated with & detection & measurement of response error within the context of total error, implications for consumer survey research, 33763
random digit dial telephone vs self-administered school based surveys, sample demographic characteristics & self-reported drinking & driving behavior, adolescents, 41712
reliability & construct validity of End User Computing Satisfaction Instrument, adults, 2479
reliability & validity of aggregate survey measure of neighborhood environments, Black & White caregivers of urban children from block groups high vs low in risk for child adverse outcomes, 2473
reliability & validity of Autism Survey, measurement of knowledge about autism, mental health practitioners & general & special education teachers, 10437
reliability & validity of Brief Index of Self-Actualization, college males vs unsheltered homeless males, 10426
roadside vs random household telephone surveys, assessment of demographic characteristics of drivers at-risk for alcohol-related driving accidents, 42543
sampling errors & market research survey data, 14464
secret ballot technique vs face to face interviews, willingness to participate in exit polls regarding socially sensitive votes, voters, 17565
sensitivity & specificity & positive predictive value of Quantity-Frequency Index & retrospective diary & binge drinking index, 18–26 yr old 1st time college drinking offenders, 40840
sex & validity of Fear Survey Schedule for Children & Adolescents, assessment of normative fears, 7–10 vs 11–14 vs 15–18 yr olds, US vs Australia, 28415
survey of assessment center practices in organizations, 28129
survey of psychology predoctoral internship programs to examine practices of leaders & structure & content of group supervision & leader perception, training directors, commentary, 36885
surveys regarding professional activities & theoretical perspectives & use of measurements & perception of organization, members of European psychological assessment division & association, 20945
use of Adolescent Reinforcement Survey Schedule, identification of reinforcing stimuli, adolescents, US vs Japan, 17585
validity & reliability of Retrospective Childhood & Current Adult Fear Survey, assessment of past & current fears for adults, 17–45 yr olds, 25025
validity of "Consumer Reports" survey vs efficacy study on effectiveness of psychotherapy with vs without medication, commentary, 4789
validity of "Consumer Reports" survey vs efficacy study on psychotherapy & cost effectiveness, commentary, 4782
validity of "Consumer Reports" survey vs efficacy study on psychotherapy effectiveness, commentary, 4792
validity of "Consumer Reports" survey vs efficacy study on psychotherapy effectiveness, commentary, 4763
validity of "Consumer Reports" survey vs efficacy study on psychotherapy effectiveness, commentary reply, 4812
validity of negative vs positive affectivity of Job Diagnostic Survey scale, job characteristics & outcomes, nonfaculty university employees, replication, 10551
validity of Sexual Experiences Survey, identification of victims of rape & attempted rape & item content related to statute definitions, prosecuting attorneys, 10444
validity of venue change surveys, false identification of bogus media items & presumption of guilt, jury-eligible community members, 33959
variations of interpretations on Sexual Experiences Survey items, assessment of sexual coercion, male college students, 10420
viability & potential additions to Medical Outcomes Study Short Form (SF-36) health survey, 40788
Survival Instinct [See Self Preservation]
Survivors [See Also Holocaust Survivors]—Serials
acute psychiatric responses to 1993 terrorist explosion at World Trade Center, 25–45 yr old survivors diagnosed with or without PTSD, 42365
arrangements for & performance of euthanasia, adaptation to disease & grief in survivors, people with AIDS, 1542
attitudes toward emotional expression, PTSD symptoms & social support, 17–55 yr old accident survivors, 31130
attitudinal assessments made 3 vs 5 yrs postdisaster, correlates of emotional expression & post-traumatic symptoms, ferry boat accident survivors, Belgium, 22898
body image, female leukemia survivors (mean age 18.6 yrs), Finland, 23349
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary reply, letter, 27119
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary, letter, 27134
clinical presentation & physician recommendations for care, 34 & 30 yr old males & 35 yr old female survivors of torture in Guatemala, case report, 31955
concurrent traumatization & complicated bereavement, survivors of multiple AIDS related losses, counseling implications, 4605

conventional chemotherapy vs bone marrow transplantation, psychosocial functioning & rehabilitation needs & quality of life, 16–45 yr olds with acute myelogenous leukemia, followup, 1949
demographic characteristics & exposure level & grief symptoms & retrospective reaction reports & coping strategies, posttraumatic stress symptoms, 21–84 yr old Oklahoma City residents, 42392
dysfunctional interaction & civil litigation for mortuary's negligence, grief-stricken survivors of deceased relatives, 28345
engagement in policy making activities in planning cancer care system, cancer survivors & family members & community representatives, 16750
experiences & quality of life & health habits & lifestyle changes assessed using phenomenological framework, 29–75 yr old breast cancer survivors, 36037
explanatory model of trauma healing process & resurrecting buried self, adult female incest survivors, implications for nursing research, 26388
forgiveness intervention, forgiveness & self-esteem & hope & depression & state-trait anxiety, female 24–54 yr old incest survivors, 8763
group sexual counselling, female survivors of childhood sexual abuse, 23785
healing effects of & color choice in art therapy, Armenian 5–11 yr old earthquake survivors, 36574
history of stressful life events & illness severity, prevalence of PTSD, female cancer survivors receiving no active treatment 3 yrs postdiagnosis, 1545
history of stressful life events & social support & severity of child's illness, prevalence of reexperience & avoidance & arousal symptoms of PTSD, 40–48.5 yr old mothers of pediatric cancer survivors, 1551
incidence of suicide attempts & depression & PTSD & other psychopathology, 21–23 yr old friends of adolescent suicide victims, 3 yr study, 8082
interpersonal dynamics & treatment, dual trauma couples, 30732
intrusion & avoidance scores at 3 yrs, prediction of depression & anxiety symptoms at 5 yrs, survivors of Herald of Free Enterprise disaster, 2 yr followup, 1207
long term process oriented group psychotherapy, adult female survivors of child sexual abuse, 8915
memory & clinical functioning & trauma, 1.3–3.8 yr old earthquake survivors, Armenia, 15854
model of meditation practices within psychotherapy for trauma survivors, 16503
modified forgiveness intervention model in family psychotherapy, parent survivors of adolescent suicide, 12857
nature of & services provided by suicide survivors groups, 32621
pediatric cancer treatment, PTSD assessment, 7–19 yr old leukemia survivors & their parents, 16761
perceptions of policy for prevention of child sexual abuse, children's charities vs survivors & survivors' organizations, implication for social workers & need for interagency collaboration, 9403
persistence stories & survival strategies of Cambodian refugee or immigrant college students, US, 33499
posttraumatic stress & anxiety & family functioning & social support, 8–20 yr old survivors of leukemia vs peers without chronic illness & their parents, 19569
prevalence of mental health problems after natural disaster & validity of General Health Questionnaire for problem assessment, victims of bushfire, Australia, 12 & 20 mo followups, 40883
psychiatric symptoms & social adjustment, 5–14 yr old survivors of parent or sibling suicide, 31246
psychological impact of modeling in cancer survivors' fashion show, child & adult cancer survivors, 19570
psychosocial adjustment, cancer survivors, implications for counseling interventions, 23346
reasons for long term survival, HIV-infected non-progressors vs intermediate progressors, England, 31690
relationship between sexual abuse victimization & chemical dependency, male perpetrators & female survivors, 24325
relationship with God & psychospirituality & understanding of developmental bonding in treatment, adult survivors of physical & emotional & sexual abuse, 12152
religiosity, quality of life & survival, 23–78 yr olds with cancer, Norway, 31707
responses to traditional therapies, 26–65 yr old husbands of adult sexual abuse survivors, 32240
separation from & losing close friends & difficulty staying afloat, psychological distress & intrusive memories & neuroticism, survivors vs bereaved relatives of river boat disaster, England, 4067
social rituals & support received after fire, house fire victims, Canada & US & Denmark & Sweden & Australia & Korea & China & New Zealand & Fiji, implications for nursing, 7635
social support, long term survival, Mexican American vs White 25–74 yr olds who survived myocardial infarction for more than 28 days, 4631
survival of high dose intentional ingestion of clozapine, 34 yr old female with schizoaffective disorder, case report, 36492

Susceptibility (Disorders)—Serials

abstraction & problem solving & motor control & other neuropsychological parameters, definition of clusters for schizophrenic spectrum disorder, familial vs nonfamilial schizophrenic 16–30 yr olds, 1302
affective disorder prevalence & age at onset, 1st degree relatives of 6–12 yr old vs adult probands with mood disorders, 26462
apolipoprotein E genotype & isoforms in susceptibility for Alzheimer's disease, literature review, 42805
assessment of olfactory experiences of psychotic-like deviancy, prediction of development of clinical psychosis or psychosis proneness, college students, 10 yr followup, 12046
biological & psychosocial factors in vulnerability & application of need-adapted approach to treatment, schizophrenic patients, 42300
birth weight & SES & medical history, scores on McCarthy Scales of Children's Abilities, normal vs very low birth weight 3–7 yr olds, longitudinal & cross-sectional study, Israel, 22039
chromosome 18 linkage to susceptibility for affective disorders, families with multiple patients with bipolar disorder, Belgium, 38971
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, 34620
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, comment, 34619
dopamine D4 receptor binding affinity & polymorphisms, individual differences in clozapine response & susceptibility to schizophrenia, 42345
ethical & legal & social issues in genetic cancer susceptibility testing, children, 32653
excessive concern about social relatedness or achievement, vulnerability to depression after negative interpersonal or achievement events, application of personality-event models of depression, 4121
factors contributing to differential susceptibility to motion sickness, 31630
familial alcoholism vulnerability & pattern of co-occurring psychopathology, adult sons of alcoholics, 19366
functional impairment & physical disease, occurrence of major depression, 50–88 yr olds, 12013
genetic transmission of stuttering & susceptibility & persistence & recovery, 2–7 yr old male vs female stutterers & immediate & extended family members, followup study, 39339
genetic vulnerability & severity of psychopathology, hypertonic hemolysis in evaluation of osmotic behavior of erythrocytes, 18–68 yr olds with depression vs manic episode vs nonaffective psychosis, 1247
genotype & allele frequencies for D2 dopamine receptor polymorphisms, African Americans with severe substance abuse with at least 2 1st degree relatives with past or present substance abuse diagnosis, 1386

issues in assessment of dysfunctional attitudes & role as vulnerability factors in cognitive model of depression, 4084
issues in genetic testing for alcoholism susceptibility, 26679
labor induction with pitocin, oxytocin levels at birth, preschoolers with autism vs low IQ vs language disorders, implications for obstetrical procedures, 23154
levels of MAO activity, risk of winter seasonal affective disorder & vegetative & other symptoms, patients with seasonal affective disorder, 11998
life event stress & hassles & psychological coping style & social support & family environment & susceptibility to upper respiratory tract infections, 18–65 yr olds, 31581
mental illness & social environmental & physical background, susceptibility to suicide, under 25 yr olds who committed suicide, implications for support for surviving family, 31221
morbid risk for schizophrenia, 1st degree relatives of schizophrenic probands, Ireland, implications for high familial-genetic loading, 31048
neuroticism & susceptibility of dysregulation & attention & negative affect & psychopathology, 30809
overprotection & perception of child's vulnerability, parents (mean age 35.7 yrs) with 5–10 yr old, 30183
polymorphisms of HLA DQB1 gene locus, male Chinese inpatients with schizophrenia, Singapore, 1299
predictive validity of screening measure for identifying smoking initiation susceptibility risk, nonsmoking 7th graders, 1–2 yr study, implications for prevention, 25100
prevalence & risk factors for posttraumatic stress disorder, chemically dependent 15–19 yr olds, 42518
prevalence & vulnerabilities & assessment complexities, geriatric patients with AIDS, literature review, 31651
psychological stress, immunity & susceptibility to upper respiratory infections, 1491
psychosocial risk factors for late onset severe dementia, 70 yr olds, 9 yr followup, Sweden, 12655
psychosocial stress & susceptibility to upper respiratory tract infections, 8–12 yr olds, Australia, 42693
risk models for eating disorders, 12414
schizophrenia age at onset & risk of illness in relatives, 22846
self report schizotypy measures, familial vulnerability to schizophrenia, relatives of probands with schizophrenia vs other nonaffective psychoses vs types of affective illness, Ireland & England, 30999
sensitivity to taste of 6-n-propylthiouracil, 14–21 yr olds with vs without history of paternal alcoholism, experimental replication, implications for biological risk markers, 26669
sequence variants of dopamine D1 & D2 & D3 receptor genes, susceptibility to alcohol dependence, alcoholic adults, 19389
stress & dopamine-GABA interactions, hypothesized environmental &/vs genetic vulnerability for & etiology of schizophrenia, 42307
susceptibility to dysphoric physical & psychological symptoms, epidemiology of pain & depression comorbidity, 11870
teacher ratings of vulnerability to psychosocial disturbance & self-rated norm breaking in adolescence & personality scores & MAO activity & criminal offenses in adulthood, males vs females, 22081
validity of Spontaneous Selective Attention Task for use as vulnerabilty marker for schizophrenia, 10–18 yr old monozygotic vs dizygotic twins in families segretating schizophrenia, 40889
vulnerability to alcohol-related birth defects & growth & cognitive development, infants of 30+ yr old alcohol drinking mothers, 13 mo study, 12232
vulnerability to tardive dyskinesia development & cerebral metabolism, patients with schizophrenia, longitudinal study, 12072

Susceptibility (Hypnotic) [See Hypnotic Susceptibility]

Suspension (School) [See School Suspension]

Suspicion—Serials

development & internal consistency & factor structure & test retest reliability of Paranoia/Suspiciousness Questionnaire, college students, Australia, 10417
event probability & attitude toward target S, belief in illegitimate action or suspicion of event, college students, experimental replication & implications for impression management, 41081
use of MMPI Suspiciousness scale with MMPI-2, normative samples, 17596

Sustained Attention [See Also Attention Span, Concentration, Vigilance]—Serials

eye contact vs aversion during interaction over closed circuit TV vs in person, visual attention & gaze & smiling, 14–26 wk olds & mothers, Canada, 18575
information processing & sustained & focused & divided attention & supervisory attentional control, 15–58 yr olds with severe closed head injuries, Netherlands, 31890
lobeline vs mecamylamine, impact of nicotinic receptor ligands on sustained attention, rats, 7098
methylphenidate vs placebo, Continuous Performance Test errors of omission & commission, normal vs ADHD 6–12 yr olds, meta analysis, 13005
mild to severe cerebral lesions at premature birth, sustained attention & monitoring, 6–8 yr olds, England, followup study, 19616
performance in Sustained Attention to Response Task paradigm & self- vs relative-reported everyday attentional slips, 18–65 yr olds with traumatic brain injury, England, 36133
positron emission tomography of cerebral blood flow as measure of fronto-parietal network for sustained attention & working memory in rapid visual information processing, male university graduates, 6612
simple motor RT & sustained attention, adolescents & adults with untreated non-PKU-hyperphenylalaninemia, 4577
speed of cognitive processing & motor speed & ability to sustain attention & mood, patients with chronic fatigue syndrome, 1508
sustained attention & awareness of disability, 47–77 yr old stroke patients with chronic left unilateral visual neglect, Sweden, 12561
sustained attention capacity, prediction of motor & functional recovery, stroke patients with left vs right brain damage, 2 yr followup, 23464
task demand & noise & anxiety level, sustained attention task errors, college students, 21462
task parameters & environmental or situational factors & subject characteristics in computerized tests of sustained attention, vigilance performance, literature review, 21461
temporal vs nontemporal visual tasks, attention & prefrontal slow cortical potentials, 18–25 yr olds, 29407
transient & sustained form & color nonspatial visual attention, ERP effects, 21–37 yr olds with normal vision, 29410

Swallowing—Serials

hypnotherapy, dysphagia, 60 yr old White male with cancer, case report, 9219
rate & etiology of choking incidents, 38–87 yr old patients in psychiatric wards, Italy, retrospective study, 40136

Sweating—Serials

fluoxetine & topical aluminum chloride, anxiety-related hyperhidrosis, male 51 yr old with public speaking phobia, case report, letter, 12941

Sweden—Serials

age & sex, incidence of dementia vs Alzheimer's disease, 75+ yr olds, Sweden, 3 yr study & followup, 31775
antidepressants, suicide risk, depressed patients, Sweden, 27424
application of psychological principles to historical analysis of acquisition & transmission of pacifist mentalities, Sweden, 18672
child care & early childhood education systems & their changing economic & sociopolitical contexts, Sweden, 38569
childhood socioeconomic conditions & sense of coherence & adult social class & adult health, adults, Sweden, 43238
concept of family as set of dyads, Sweden, literature review, 30154
epidemiology of mental disorders, Sweden, literature review, 35471
epidemiology of psychiatric disorders, children & adolescents, Sweden, literature review, 35459

exposure to violence, violent acts & abuse of alcohol or narcotics & psychosocial problems, teenagers in care of social service department, Sweden, 22990
genetic & familial-environmental liability for alcohol abuse measured by temperance board registrations 1929–74, monozygotic vs dizygotic male twin pairs born 1902–1949, Sweden, longitudinal study, 35812
incidence of dementia disorders, 85 yr olds, 3 yr followup, Sweden, commentary, 23394
international perspectives & theoretical considerations of research on disabled people in the work place, Sweden, 22648
occupational & demographic & lifestyle factors & prevalence, workplace violence, nurses, Sweden, 24469
patterns of violent & property crimes in schools, Sweden, replication, 42576
perceived role of children for future quality of life and satisfaction, married couples, Sweden, 22278
prevalence & patient characteristics related to use of physical restraints, elderly patients in geriatric care facilities, Sweden, 27740
prevalence of committed patients & discharge rates & area variation in compulsory psychiatric care, Sweden, 1979–93, 32998
prevalence of hearing threshold loss, 8 mo to 18.4 yr olds, Sweden vs Denmark vs Finland, 16413
psychopathy & Axis I and Axis II personality disorders, 18–56 yr old male offenders, Sweden, 12305
psychosocial predictors of suicide rate, Sweden, 42473
sex & ethnicity & geographical area & form of tenure & overcrowding, suicide rates, 20–29 vs 30–49 yr olds vs 50 yr olds & older, 4 yr followup, 1986–1989, Sweden, 31217
sex-differentiated evaluation of Swedish version of Rheumatology Attitudes Index, male vs female 20–55 yr olds suffering from neck & back pain, Sweden, 28485
social psychological strain & low income, suicide rate, suicide victims, Sweden, 26612
suicide rates & average income per capita, Sweden, 26623
treated incidence of psychotic & affective illness, monozygotic vs dizygotic twins vs general population, Sweden, 26397

Sweetness [See Taste Perception]

Swimming—Serials

clomipramine vs ECS, forced swim performance, male vs female rats with early lesions of lateral septal area, 3056
desipramine, forced-swimming test behavior & stress levels of corticosterone, Fawn-hooded vs Sprague-Dawley rats, 6961
desipramine vs fluoxetine, behavioral effects in forced swimming test, rats, implications for depression, 29532
effects of neurological mutation, neonate swimming behavior development, weaver mice, 14752
forced swimming in fresh vs soiled water, alarm substance response measured by within-S &/vs intraspecific immobility times, male Sprague-Dawley rats from different breeders, replication, 14996
L-DOPA, air-stepping & swimming locomotor coordination & expression of gaits during ontogeny, 5–20 day old rats, 29592
parametric features of swim cycle number habituation, marine mollusca, 6734
quantitative scoring of goldfish behavior by computer image processing system, 21208
role of spinal cord neurons in proposed swimming model, lampreys, 21619
swimming performance & growth, tagged vs untagged juvenile red drum fish, 2917
training & responses to tapering, performance, elite swimmers, 14962
water maze performance & path integration, returning to hidden escape platform, rats, 41212

Switzerland—Serials

education systems, US vs England vs Switzerland, implications for school counselors, 33393
prevalence rates of affective & depressive disorders, 19–20 yr olds, 15 yr study, Switzerland, conference presentation, 7890
prevalence rates of bulimia & anorexia nervosa, 14–17 yr olds, Switzerland, 42672
psychiatric rehabilitation, Switzerland, 16957
sexual attitudes & behaviors, male vs female 15–20 yr olds, Switzerland, 29900

Syllables—Serials

acoustic differences & phonemic contrasts between synthesized speech syllables, encoding & cortical EPs along auditory pathway, guinea pigs, 25355
acoustic rate of change, perceptual center location in consonant–vowel vs vowel–consonant syllables, listeners, 21304
ambisyllabic consonants vs unambiguous initial syllables in masked priming, word naming & lexical decision performance, college students, England, application of phonological & phonetic encoding model, 41563
attentional allocation to syllable structure in American English speech perception, adults, 14557
audiovisual syllables pronounced in Japanese & English, report of audio content, 19–30 yr old native speakers of Chinese residing in Japan, test of McGurk effect, 21312
consonant & syllable variation, discrimination & categorization of word stress patterns, 48–72 hr old newborns, Italy, 15249
context adjustments in comparable syllables, perception of voice onset time & voice offset time, undergraduates, Iceland, 18406
cost of duration vs intensity perceptual dimensions, perception of syllable prominence in vowels, college students, 25230
deficits in picture-naming task & on phonological battery at syllable & onset-rime & phoneme linguistic levels, developmentally dyslexic 9–11 yr olds, test of phonological representations hypothesis, 39271
development of vowel perception from brief synthetic consonant vowel syllables as function of systematic variations in dynamic properties, 5 vs 6 vs 7 vs 9 vs 11 vs 21–25 yr olds, 18501
developmental aspects of lexical stress patterns in English syllables, English-learning 36–44 wk olds, 751
duration characteristics of single-syllable whole vs part-word repetitions in speech, 25–47 mo old stutterers, 8441
evaluation of acoustic cues for perception of Dutch prevocalic stop consonants via simulation of perceptual data & modeling of cue integration in perception of stimuli, 17870
evaluation of sets of acoustic cues for perception of prevocalic stop consonants, college students, Netherlands, 17869
fricative consonants produced in syllable initial position followed by vowel vs embedded in utterance with preceding voiced vs voiceless stop consonant, voicing characteristics, adults, 38238
grade & syllable segmentation & speed of presentation, word-blending ability, K–2nd graders, Canada, 11366
intuitive syllabification of Dutch disyllabic words relative to length of preceding vowel & lexical stress pattern & type of intervocalic consonant, 5 & 6 & 8 yr olds, Belgium, 25749
lexical familiarity & meter, syllabic function morpheme omissions, 25–28 mo olds, 21996
linguistic status & unit size, performance on phonological awareness tasks, preschoolers & kindergartners, erratum, 3388
masked primes corresponding to initial syllable of word & nonword & picture targets, naming of targets & lexical decision, college students, France, 17901
metrical constraints vs perceptual biases vs segmental influence, multisyllable word truncation patterns, 22 vs 28 vs 34 mo olds, 38324
perception of familiar vs novel extraneous noises occurring at different junctures within synthetic syllable strings, 6 & 9 mo olds, 18496
phrasing & syllable & other characteristics of prelinguistic vocalizations, 27 mo old male with congenital absence of cochleas, 15 mo study, 8679
primed naming of entire vs initial vs final phoneme category syllable, adults, test of phonological vs integrative routine hypothesis, 41061

relative spectral change & formant transitions as cues to labial & alveolar place of articulation in identification of /b/ & /d/ initiated syllables, college students, 17850
rime & coda structure of final consonant clusters in English syllables, 6.3–10.1 yr olds, Australia, 22015
sensitivity to Japanese moraic nasals via phoneme detection task, college students & 18–30 yr olds, Japan vs Netherlands, 17862
sequence monitoring paradigm for determination of syllable effect & other linguistic units in spoken word recognition research, 28791
single-band syllabic amplitude compression, temporal information in nonsense syllables & sentences, 21–36 yr olds, 21315
single-channel syllabic compression, use of temporal speech information, 34–76 yr olds with mild or severe hearing loss vs normal hearing, 23513
stressed & word final syllables in infant vs adult directed speech, 26–39 yr old mothers & their 6–9 mo olds, 21991
stuttering severity & speech kinematics, intersyllabic movement timing durations in fluent speech, 21–46 yr old stutterers in speech treatment, 8432
syllabic stress & cohort size, acoustic onset & offset gating, 18–22 yr old college students, 29692
syllabic timing in natural sentence production & rapid syllable repetition task, 18–78 yr olds with cerebellar atrophy or Friedreich's ataxia, 12697
syllable position & stimulus lag between auditory-auditory prime-target pairs, lexical representation & processing of disyllabic Chinese Mandarin words, native speakers, 3315
upright vs inverted facial orientation, perception of natural-speech auditory & computer-animated visible & bimodal syllables, college students, test of fuzzy logical model of speech perception, 17856
visual field laterality, Hangul syllabic vs Hanzaa logographic script judgments, native Korean reading college students, 34246
vowel & syllable duration & peak fundamental frequency & amplitude in differential production of stressed vs unstressed syllables in initial & final positions, 2 yr olds vs adults, 25786
word spotting & rhythmic characteristics, perceptual segmentation of words, undergraduates, Netherlands, 14572
Syllogistic Reasoning [See Inductive Deductive Reasoning]
Symbiosis (Biological) [See Biological Symbiosis]
Symbolic Interactionism—Serials
asymmetrical role-taking & power & coping & self & emotional appraisals, 19–58 yr old battered females, test of symbolic interactionist model of oppressive social situations, commentary, 31268
asymmetrical role-taking & power & coping & self & emotional appraisals, 19–58 yr old battered females, test of symbolic interactionist model of oppressive social situations, commentary reply, 31200
motivation of creative behavior from symbolic interactionism & role identity theory perspectives, 22559
status elevation ceremonies, deconstruction of degraded identities & reconstruction of new identity & socially acceptable elevated status, actors with degraded identities in Alcoholics Anonymous, 3829
symbolic interaction model of assessment & intervention in social worker facilitated grief work, social network development, members of a mutual aid bereavement group, 32208
Symbolism—Serials
avian & aphrodisian symbolism in the expression & articulation & condensation of powerful culturally defined emotions in the Odyssey, 38182
communicative intent & graphic symbol use, normally developing children & children with severe intellectual disability, implications for communication instruction, 12391
contributions of G. Groddeck to issues in symbolism & psychoanalysis, early 20th century, 40757
development of general & symbolic & object based play & play complexity, children with language disorders, 39336
early narcissistic developmental view of rings & symbolism, 1112
external events in Belfast & paramilitary symbolism & identification with paramilitary groups, fantasy content, children with emotional problems, Ireland, 19117
implementation of nonregular symbol manipulation & context free language & rule-like behavior with language stored as patterns in attractor neural networks, 17505
importance of social representations as symbolic mediation in relationship between individual & society, 3813
instrumental & symbolic functions of attitudes, rejection of individuals infected with HIV, college students & community adults, 19538
integration of behavioral & cognitive & symbolic approaches to foster griefwork, 24 yr old bereaved female with recurrent death related nightmares, 23550
internal & external reality & object relations & symbol formation, play & scientific experimentation & artistic creativity, 11795
interpersonal self & boundary formation & symbolization & response differentiation in interpersonal treatment of severe psychopathology, 12792
mastery of different aspects of language & symbolic play, 18 month olds, Finland, 41654
musical taste & racism & democratic liberalism & social status & education level & symbolic cultural exclusion, adults, conference presentation, 30420
nonverbal & symbolic communication in psychoanalysis, narcissistic patients, reprint, 32296
phallus vs internalization of "penis-as-link" as symbolic representation of mental space, adult analysands, 4935
phenomenological perspectives on symbolic cognition & relation to myth & rituals & healing & empowerment, 3934
premorbid personality, symbolic aspects of confabulation, brain injured patients, 12691
psychoanalytic approach to rituals & potential of symbols in interpretation of ritually inspired dreams & women's cult groups, Surinamese migrants, Netherlands, 38523
rhetoric & symbolism in TV coverage of sexual harassment charges by A. Hill against Supreme Court nominee C. Thomas during 1991 confirmation hearings, construction of reality frames, 11302
Rule of Opposites based on meaning & cultural significance of circle & understanding of universal truths & spiritual symbolism of eagle feather, counselors & their Native American clients, 4776
semiotic analysis of symbol making in classroom computer center, kindergartners enrolled in whole-day program, 13714
social & ideological processes undergirding use of superheroes & other cultural symbols in classroom story construction & social affiliation, urban 2nd & 3rd graders of different races & SES, 3423
symbol systems vs situativity theoretic approaches in cognition studies, 10257
symbolic nature of psychosomatic symptom & relation to self, 38816
theory of social representations based on polarities of post-Hegelian social science & implications for need for independent thinkers to free themselves from constraints of symbolic social environment, 3822
use of religious symbols & idioms in subjective experiences, 40+ yr old females with anorexia nervosa, 39319
use of toys in symbolic representation of & building blocks to friendships, growth of ego functions & precursor to latency development & use in psychotherapy, 3–6 & 10 & 15 yr olds, 11425
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, 22517
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, commentary reply, 22516
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, commentary, 22569

Sympathetic Nervous System [See Also Baroreceptors] —Serials
basal arterialized plasma norepinephrine & epinephrine kinetics & rates of norepinephrine appearance, assessment of sympathetic nervous system activity, male combat Vietnam veterans with PTSD, 1316
bilateral lesions of suprachiasmatic nucleus, nervous activity of sympathetic efferents to adrenal after 2-deoxy-D-glucose & reversal with vasoactive intestinal polypeptide, rats, 21680
circadian rhythms of enumerative & functional immunologic measures vs those of hypothalamic-pituitary-adrenal axis hormones & sympathetic neurotransmitters, healthy 21–57 yr olds, 38038
clonidine, sexual arousal, healthy females 18–42 yrs old with sympathetic nervous system stimulation, 41493
conditioned taste aversion, EEG desynchronization & interscapular brown adipose tissue temperature & sympathetic nerve firing rates, female rats with vs without alpha-1 adrenergic blocker prazosin, 6572
electrical stimulation, sympathetic skin responses of median nerve at wrist & pudendal nerve, healthy females & males vs patients with urological &/or sexual complaints, 26881
immediate vs delayed vs residual sympathetic nervous system activation, sexual arousal, 18–45 yr old females, Canada, erratum, 7565
psychological stress, spectral heart period variability & plasma epinephrine & norepinephrine & BP as estimates of cardiac sympathetic activity, healthy adults, 3169
sympathetic denervation of facial skin & cervical ganglionectomy, electrodermal responses, freely moving rats with clomipramine induced depression, animal model of endogenous depression, 18159
Sympatholytic Drugs [See Reserpine]
Sympathomimetic Amines [See Amphetamine, Catecholamines, Dextroamphetamine, Ephedrine, Tyramine]
Sympathomimetic Drugs [See Fenfluramine, Isoproterenol]
Sympathy—Serials
dispositional regulation & resiliency & emotionality, sympathy & personal distress, kindergarten–3rd graders & their parents & teachers, 34908
perceived controllability & responsibility for problem & sympathy & anger, willingness to offer help to government in need, 18–71 yr olds, Nigeria, 22576
spouse's solicitous behaviors in response to patient pain behaviors, rate of nonverbal pain behavior & physical disability, chronic pain patients, 4560
Symptom Checklists—Serials
Brief Symptom Inventory subscales, discrimination of violent vs nonviolent partners, 20–77 yr old married or cohabiting heterosexual males, 14302
construct validity of Trauma Symptom Checklist-40 in relation to childhood sexual abuse, female psychiatric inpatients, 6068
factor analysis of SCL-90-Revised responses, assessment of grief & bereavement after child's death from cancer, parents, 34053
incremental validity of MMPI-2 content scales vs clinician ratings with SCL-90 & Brief Psychiatric Rating Scale & Global Assessment Scale, 18–63 yr old psychiatric patients, 2576
reliability & validity of Stress Symptoms Checklist, Chinese college students & adults, Hong Kong, 10384
reliability & validity of Symptom Checklist-90-Revised, assessment of self reported psychopathology, acute & involuntary psychiatric inpatients (mean age 35.19 yrs), 10457
review of ICD-10 symptom checklists & glossary & international diagnostic checklists, application in psychiatric settings by clinicians, 7796
validity of SCL-90-R adolescent & adult statistical norms, outpatient vs nonpatient college students, clinical implications, 34030
validity of SCL-90-R, assessment of psychological distress, 43–99 yr old hospitalized stroke patients, 2659
Symptom Prescription [See Paradoxical Techniques]
Symptom Remission—Serials
centrally active cholinesterase inhibitor physostigmine, remission of acute mania, 46 yr old male with schizoaffective disorder, letter, 12989
discriminant role of complete vs incomplete summer remission in clinical & demographic profile, patients with seasonal affective disorder, Russia, 4085
improved working alliance & social support & symptom reduction, 19–28 yr olds in brief therapy, 19733
neuropsychological functioning during affective symptom remission, 23–82 yr olds with major depression or bipolar disorder with vs without chronic severity, letter, commentary, 7894
symptom improvements in exposure & response prevention protocols in treatment of obsessive compulsive disorder, meta analysis, 27215
Symptoms [See Also Acting Out, Anhedonia, Anoxia, Apraxia, Ataxia, Aura, Automatism, Body Rocking, Catalepsy, Catatonia, Coma, Convulsions, Delirium, Depersonalization, Distractibility, Dyskinesia, Dyspnea, Extrapyramidal Symptoms, Fatigue, Headache, Hemorrhage, Hyperglycemia, Hyperkinesis, Hyperphagia, Hyperthermia, Hyperventilation, Hypoglycemia, Hypothermia, Insomnia, Nausea, Obesity, Pain, Positive and Negative Symptoms, Psychiatric Symptoms, Respiratory Distress, Restlessness, Shock, Spasms, Syncope, Tics, Tremor, Underweight, Vertigo, Vomiting] —Serials
abstinence, alcohol consumption patterns & psychological functioning & clinical symptomology, 28–59 yr old male abstinent alcohol dependent patients, 6 mo study, Sweden, 8287
abuse features vs parental support vs coping strategy vs cognitive appraisal, predicting externalizing vs internalizing symptoms, 11–18 yr old sexually abused females & nonoffending guardian, 23002
acculturation following immigration, psychological distress, recent immigrants with nonpsychotic mental illness, Israel, 1220
accuracy of diagnosis of Alzheimer's disease as confirmed by autopsy, clinical features for alternative diagnoses, patients, longitudinal study, 4679
active vs avoidant coping after Midwest flood, psychological distress & physical symptoms & negative & positive affect, adults, 5 mo followup, 1993, 11756
addition of cognitive therapy to usual counseling or pharmacological treatment, symptoms, 18–65 yr olds with major depression, England, 12 mo followup, 43000
ADHD prevalence & symptoms, 14–19 yr old substance abusers, 31316
affective state & personality trait neuroticism, common physical symptoms, 19–63 yr olds, 30484
age & sex, physical symptoms & illness attitudes, 11–16 yr olds, 8460
age at onset & lymphocyte production of interleukin-2, 1st episode schizophrenic patients, commentary, 35624
age at onset & lymphocyte production of interleukin-2, 1st episode schizophrenic patients, commentary reply, 35596
alcohol dependence symptom progression, 15–54 yr olds, 12246
alexithymia & associated somatic symptomatology & suggested etiology, implications for rehabilitation personnel, 19521
alpha-methyl-para-tyrosine induced decrease of norepinephrine & dopamine levels, mood & symptoms, 21–63 yr old drug-free patients with major depression, 9120
amisulpride, negative symptoms, schizophrenic 18–55 yr olds, 6 mo study, 36475
analysis of standardized procedure of speech elicitation, assessment of symptoms that are relevant for diagnosis, 6.2–7.8 yr olds with developmental apraxia of speech, Netherlands, 24990
anxiety & depression & physical symptoms of planned pregnancies at pregnancy vs 1st vs 2nd vs 3rd trimesters, healthy females, 9 mo study, 11589
anxiety sensitivity, panic attacks & anxiety symptomatology & functional impairment & disability, 17–22 yr olds, conference presentation, 39096

apathy & mood lability as depressive symptoms in Alzheimer's disease & other dementias, commentary, 38873
apolipoprotein E genotype, rate of cognitive decline, patients with probable Alzheimer's disease, 5.5 yr longitudinal study, 19611
assessment & validation of poverty & hallucinations & delusions & disorganization dimensions of symptoms, patients with schizophrenia, UK, 1288
assessment of frequencies & diagnostic efficiencies of DSM-III-R schizophrenia prodromal symptoms, 14–46 yr olds with 1st episode psychosis, erratum, 1287
attention & memory & psychological functioning, adults with chronic fatigue syndrome, 16250
attention vs distraction, reporting of bodily symptoms, 33–65 yr old hypochondriacal patients, 22894
attributional style, expression of depressive symptoms, females with bulimia (mean age 22.27 yrs) vs adults with depression (mean age 42.77 yrs), 19482
attributional style, fatigue & psychological distress & number of symptoms & level of disability, 18–45 yr olds with chronic fatigue, UK, 18 mo followup, 1490
atypical antipsychotic olanzapine, treatment of symptoms of schizophrenia, 32368
battlefield experience vs civilian terrorism vs work or traffic accidents, psychological state & PTSD core symptoms & associated features, 19–59 yr old patients, Israel, 19222
behavioral patterns & speech difficulties & physical features of fragile X syndrome, 4543
beliefs about attention to & clarity & reparability of mood, stress & illness & symptom reporting, college students, prospective study, 22658
benefits & constraints of symptom-based DSM-IV classification & diagnosis, 38857
body vigilance & anxiety symptomatology, patients with panic disorder vs social phobia, 22910
BP & self-reported physical symptoms & job related stress, teachers with treated vs untreated hypertension, 26880
brain infarctions, cognitive function & dementia, 76–100 yr old females with vs without neuropathology for Alzheimers disease, 31888
breathing retraining, functional cardiac symptoms related to hyperventilation syndrome, adults, 3 yr followup, 5164
bupropion & sertraline, symptom relief, 36–40 yr olds with treatment refractory depression or bipolar disorder, case reports, 16643
causal attributions about & normalizing explanations for common bodily sensations, frequent attenders of general practitioners, 13266
characteristics of obsessive–compulsive symptoms, 19–83 yr old patients with Tourette syndrome vs with obsessive–compulsive disorder vs with Parkinson's disease, 38864
children at risk & physical & behavioral & familial & psychological signs & symptoms & other variables related to child sexual abuse, 19311
cholecystokinin-B receptor antagonist CI-988, panic symptoms induced by cholecystokinin tetrapeptide, 25–47 yr olds with panic disorder, Netherlands, 23939
cigarette smoking, development of depressive symptoms, 12–18 yr olds, longitudinal study, 42255
client satisfaction, symptoms & medication compliance & BP, elderly hypertensive patients with chronic renal insufficiency, 9259
clinical & academic characteristics of home vs school situational vs pervasive hyperactivity, male primary school students, Hong Kong, 23159
clinical & demographic features of vascular depression, patients, 30871
clinical & electrophysiologic & neuroradiologic & neuropathologic features, 21–74 yr olds with locked-in-syndrome, 8598
clinical & neuropsychological performance assessed annually, relationships of age of onset to disease expression & rate of decline, 50–93 yr olds with Alzheimer's disease, 4 yr study, 19620
clinical & quantitative symptomatology indexes, identification of akinesia & bradykinesia, adults with Parkinson's disease, 4695
clinical characteristics & course, adults & under 16 yr olds with anorexia nervosa, Brazil, 4462
clinical characteristics & diagnosis & etiology & treatment of psychogenic seizures vs epilepsy, 23267
clinical characteristics & institutional behaviors & psychopathology, insanity malingerers vs non-malingering insanity acquittees, 8307
clinical characteristics & similarity to patients described by H. Asperger, male 2–14 yr olds with schizoid personality, translation & reprint of 1926 article, 26593
clinical correlates of active suicidal ideation vs passive death wish, 60–80 yr olds with recurrent major depression, 19174
clinical features & etiology & assessment & differential diagnosis & treatment & prognosis & prevention, 65+ yr olds with delirium, 32652
clinical heterogeneity in Alzheimer's disease, patients, 12590
clinical heterogeneity in Alzheimer's disease, relationship between clinicopathological features & pathological changes as seen postmortem, patients, 12591
clinical symptoms & family background & developmental variables & verbal mental age, 2.7–21.3 yr olds with Asperger's vs autistic disorder, Australia, 26749
clinicopathologic & neuropsychologic indicators of normal vs pathological aging vs vascular dementia vs Alzheimer's disease, 75-85 yr olds, longitudinal study, 4656
clothiapine, development of obsessive compulsive symptoms, 8 yr old schizophrenic male, case report, commentary reply, letter, 9164
clothiapine, development of obsessive compulsive symptoms, 8 yr old schizophrenic male, case report, commentary, letter, 9116
coadministration of valproate & lamotrigine, symptoms, 39-yr-old male with bipolar affective disorder, 1 yr followup, case report, 27463
cognitive behavioral vs nonfocussed intervention, symptoms & outcome, 8–17 yr olds with depression, 32138
cognitive bibliotherapy, symptoms, adults with mild to moderate depression, 3 yr followup, 23655
cognitive deficits & disability & depressive symptoms, 60 yr olds & older with depression with vs without risk factors for vascular depression, 30814
cognitive functioning, depression & somatic symptoms, 75 yr olds & older, Italy, 11850
cognitive impairments associated with & neuropsychological features of neurocanthocytosis, patients, 4677
comparison of methods for development & evaluation of classification, implications for evaluation of DSM-III-R symptom lists, 15825
conceptualization of prodromal phase in 1st episode schizophrenia & affective psychosis, 12080
concordance between reports of symptom severity, remitted schizophrenic 22–38 yr old outpatients vs their family members, 4150
concurrent validity of revised Global Assessment of Functioning vs nurses' quality of life ratings, measurement of clinical symptoms vs functioning, 18–65 yr old psychiatric patients, 17666
confirmatory factor analysis of structure of anxiety symptoms & consistency with DSM-IV classification, 8–12 yr olds, Australia, 31119
confusion of symptoms from psychomotor epilepsy with psychiatric symptoms from focal seizure localization, reprint, 31778
construct validity of Internalizing Symptoms Scale for Children, assessment of internalizing social-emotional symptoms, gifted 3rd–6th graders, 6047
contribution of Schneiderian first-rank symptoms to misdiagnosis of schizophrenia, African American vs Caucasian patients with psychotic mania, 12008
convergent validity of Internalizing Symptoms Scale for Children & 3 self-report measures of internalizing problems, 8–12 yr old public school students, 37394
correspondence of plasma methadone concentration to subjective & objective signs of drug effects, methadone maintenance patients, 9587
cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, 43112

cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, commentary, 43179
course of symptoms & correlates & predictors of recovery, treatment seeking female 13–45 yr olds with bulimia &/vs anorexia nervosa, 4 yr study, implications for subtyping of anorexia, 8414
cross cultural perspective on symptoms & stressors experienced during menopause, Israel vs North America vs Japan vs Peru vs Mexico vs Greece, 3165
d-cycloserine added to clozapine, dose-dependent negative symptoms & serum concentrations, schizophrenic outpatients, conference presentation, 19937
daily events & somatic symptoms appearing 3–4 days later, college students, 19518
daily functional impairment & well being, adults with subsyndromal depressive symptoms vs major depression vs no disorder, 11969
demographic & clinical characteristics & community service use patterns, 18–55 yr old rural vs nonrural patients with schizophrenia, 7995
demographic & clinical characteristics & perceptions of health & functional status, housing preferences, mentally ill homeless, 11920
demographic & illness characteristics, early psychiatric hospital readmission, psychiatric patients, letter, 9533
demographic & medical & pathophysiologic factors in delay of hospital admission, stroke patients, implications for medical treatment, 20084
denial vs admission of symptoms, 10–50 yr old females with anorexia nervosa, 12 mo followup, clinical implications, 16183
dental amalgam fillings, physical & mental symptomatology, 22–66 yr old self-referred patients complaining of multiple somatic & mental symptoms, Norway, 39384
depot neuroleptic treatment, plasma levels & clinical symptoms & side effects, 28–77 yr old psychiatric outpatients, 3 yr longitudinal study, 32569
depression vs anxiety vs neuroticism vs cognitive deficits, prediction of ICD-10 mild cognitive disorder, elderly with dementia, 3.6 yr followup, Australia, 36068
depressive symptomatology & correlates of depression, White vs Black elderly (mean age 70 yrs old), 18 mo study, 19159
depressive symptomatology & Machiavellianism, 16–26 yr olds, Turkey, 1241
depressive symptoms & demographic & socioeconomic & life satisfaction & social supports & health & acculturation & other related factors, 59–89 yr old Chinese Americans living in Asian community in US, 30873
depressive symptoms & overall self-rated health, 65 yr olds & older residing in rural low SES community, 41786
depressive symptoms & smoking behavior, 12–18 yr olds, 3 yr followup, 4131
depressive vs anxiety symptoms & cigarette use, 12–92 yr old smoking vs nonsmoking internal medical outpatients, 26137
determination of prodromal phase to Alzheimer's disease, 36–67 yr olds with Down's syndrome, 2 yr followup, England, 1442
development & factor structure of self-report Internalizing Symptoms Scale for Children, 8–13 yr olds, 34019
developmental & social emotional profile & clinical presentation & psychodynamics & relational problems & psychotherapy, children with nonverbal learning disabilities, 26793
diagnosis & treatment of anxiety & neurologic & psychiatric symptoms related to flying, 28 yr old male naval aviator, case report, 23265
diagnostic features & mechanisms & primary clinical data & treatment outcomes, 17–75 yr olds with delayed sleep phase syndrome, commentary, 12484
differences in depressive symptomatology, inpatients vs outpatients with schizophrenia, 31012
differential diagnosis & clinical features of dementia, 8593
differential expression of flat affect, 1st degree relatives of male vs female schizophrenic probands, implications for role of genetic heterogeneity in familial risk for schizophrenia, 1283
dimensions of sociotropy & autonomy & symptoms of psychopathology & construct validity of Personal Style Inventory, patients with depression, Canada, 35561
discontinuation of low-dose diazepam, anxiety & other withdrawal symptom changes, long-term diazepam users vs non-users, 1817
disorder severity measured by number of symptoms, DSM-IV and ICD-10 diagnostic disorder subtype, patients with depression, 30838
distal & proximal stressors & social support, current depressive symptomatology, adults, 15913
distressing emotions & relationship difficulties & HIV related symptoms & other adjustment problems, asymptomatic vs symptomatic HIV infected gay males, 19552
distribution & severity & lifetime presence of obsessions & compulsions, subsequent absence vs presence of clinical vs subclinical obsessive compulsive disorder, 16–17 yr olds, Israel, 8011
disturbed eating attitudes & behavior & psychological & physical symptoms, male vs female 14–19 yr olds, Switzerland, 26816
disturbed thoughts vs social withdrawal vs depression vs antisocial behavior, symptoms & social functioning, community dwelling vs acute vs long stay schizophrenic 19–60 yr olds, England, 7964
dosage & duration of imipramine, individual panic symptom responses, patients with manic disorder & agoraphobia, 1841
drug treatment & clinical features of behavioral symptoms of Alzheimer's disease, 67 & 83 & 87 yr olds, 36059
duration of episodes & recurrence & associated symptoms of major depression, subthreshold variants of unipolar depression, patients, Germany, 1 yr study, 42274
early signs & management of suspected neuroleptic malignant syndrome, 40 & 62 yr old female psychiatric patients, 5119
early warning signs & symptoms of prodromal phase of recurrent depression, 29–65 yr olds with major depressive or bipolar disorder, 30851
Ecstasy intoxication & overlap between clinical symptoms of serotonin syndrome & neuroleptic malignant syndrome, 1–35 yr olds, case reports, 19361
ECT, symptoms, 19–75 yr olds with severe depressive disorder vs bipolar affective vs manic vs acute transient psychotic vs schizoaffective disorder vs schizophrenia with vs without delirium, Denmark, 32623
efficacy & tolerability of remoxipride, levodopa-induced psychotic symptoms & motor function, 58–78 yr olds with moderate to severe Parkinson's disease, Canada, 32715
emotion vs cognition vs behavior, prediction of depressive symptomatology using differential emotions theory, 12–17 yr olds, 19144
emotional disturbances & psychopathological symptoms, 18–55 yr old homosexuals in early asymptomatic stages of HIV infection, 23314
epidemiology & comorbidity & treatment & symptoms of social phobia, 12093
epidemiology of depression with reversed neurovegetative symptoms, 15–64 yr olds, Canada, 38994
evidence of symptoms & confidence in judgment of anxiety & depression profiles, graduate psychology students, Spain, 15872
exacerbation of symptoms following 1995 bombing in Oklahoma City, veterans of WWII & Korean & Vietnam wars with PTSD, 8035
existence & significance of prodromal symptoms of psychosis in schizophrenia, literature review, 4175
exposure & response prevention vs anxiety management intervention, symptoms, adults with obsessive compulsive disorder, 43008
exposure to hurricane Andrew, posttraumatic stress symptoms & immune measures, adult volunteers, 42374
extensive evaluation period, symptom severity, 7–17 yr olds with major depression, 26471
externally rated fulfillment of important work roles & social influences, depressive symptomatology, adults, 4112

factor analysis & item endorsement rates & concurrent validity of Generalized Anxiety Disorder Questionnaire, identification of physical symptoms associated with worry, nonclinical college students, 6030
factor analysis of disorganization & psychomotor poverty & hallucinations & delusions, schizophrenic 16–66 yr olds, England, implications for positive/negative phenomenology, 22853
factor structure & construct validity of Scale for Assessment of Negative Symptoms, patients with schizophrenia or schizoaffective or schizophreniform disorder, 2627
factorial structure of schizotypal symptoms, 19–70 yr old patients diagnosed with personality disorders, 31151
fairy tales' relationship to symptoms & ways of behaving & experiencing, male patient in psychoanalysis, 36366
familial risk & clinical presentation of disorder, 18–70 yr olds with early vs late onset panic disorder & their 1st degree relatives, 35660
family dynamics & clinical symptoms of cult affiliation & disaffiliation, young adults, literature review, implications for counseling, 35045
family environment, body & self-esteem & development of eating & associated psychiatric symptoms, 12–17 yr old females, Canada, 26826
fatigue symptoms & perception of critical level of fatigue during simulated driving, male drivers, 43927
feminist identity & gender traits, symptoms of disturbed eating, female 17–22 yr old college students, 15510
flumazenil, provocation of panic attack & symptom change, patients with PTSD (mean age 36 yrs), implications for behavioral sensitization by benzodiazepine inverse agonists, 32384
fluoxetine, stability of reversed vs positive neurogenerative symptoms through relapsing or recurrent depressive episodes, 18–65 yr old outpatients with atypical unipolar major depression, 30891
fluoxetine with vs without total sleep deprivation, hastening of depressive symptomatology, bipolar depressed inpatients, 36417
frequency & severity of symptoms & social support & functional status & grief intensity after spousal bereavement, elderly with subsyndromal vs major depression, 11995
frequency of everyday bodily experiences & health concerns, somatization & relationship with adaptive functioning & psychiatric problems, 12-16 yr olds, 4569
frequency of symptoms & incidence of comorbid major depression & suicide attempt & suicidal ideation, 15–75 yr olds with panic disorder, 13 yr study, Japan, 12098
Ganser syndrome symptoms & course, 12 yr old male with mild head injury, case report, 31841
gender & division of labor, depressive symptoms, middle class couples with at least 1 child aged 5 yrs or younger, Australia, 35090
geropsychiatric hospitalization, cognitive & behavioral symptoms, delirious patients (mean age 72.4 yrs) with vs without dementia, 31836
glycine adjuvant therapy, negative & depressive & cognitive symptoms, 20–60 yr olds with treatment resistant schizophrenia, 32431
guided imagery & progressive muscle relaxation techniques, immune enhancement & symptom reduction, HIV+ 18+ yr olds, 32659
high vs low compliance with self-care treatment manual & weight & shape concerns & distress & duration of illness, symptom improvement, females with bulimia nervosa or atypical bulimia, 13109
historical view of phenomenology & conceptual boundaries & symptoms of obsessive-compulsive disorder, 31120
homozygous sickle cell disease, psychiatric complications, 18–20 yr olds, Jamaica, 35977
hormone replacement therapy & exercise, mood & symptom reporting, premenopausal vs perimenopausal vs postmenopausal females, Australia, 29462
Hyperventilation Provocation Test, anxiety & symptom reporting, patients (mean age 38.8 yrs) with hyperventilation syndrome, 23262
idebenone, clinical & psychometric profile, patients with dementia of Alzheimer type, 12 mo study, 5122
impaired judgment as symptom of dementia, 23413
improvement of axis I & II symptom levels, adults with dissociative identity disorder, 2-yr follow-up, 42318
individual symptoms, distinct sociotropic vs autonomous personality types, psychiatric outpatients with mood vs anxiety vs personality disorders, 35460
information about validity scales on Personality Assessment Inventory, assessment of underreporting of symptoms, college students, 25013
initial & subsequent misinterpretation of bodily sensations caused by nonanxious states or innocuous events, patients with panic disorder with agoraphobia, test of cognitive model of panic disorder, 31090
insomnia as prodromal symptom, relapse, 27–49 yr olds with recurrent unipolar nonpsychotic depressive disorder, 35555
insulin induced hypoglycemia, cognitive function & symptoms & short term cerebral adaptation, healthy nondiabetic adults, erratum, 15035
intellectual impairment & dementia symptoms, 25–80 yr old stroke patients with vs without poststroke depression, Denmark, 1 yr study, 12557
interpersonal & social rhythm therapy vs medication clinic approach, symptomatology & stability of daily routine, adults with bipolar I disorder, 36300
interpersonal psychotherapy, depressive symptoms & social functioning & life events, depressed adolescents, 1 yr followup, 8786
interpersonal psychotherapy, symptoms, pregnant 38 yr old HIV positive female with depression, 23815
latent class analysis of observed characteristics, subtyping of alcoholism, relatives of alcoholic probands, 26650
latent structure of relation between hopelessness & symptoms of hopelessness subtype of depression, depressed 13–18 yr old inpatients, 35576
length of experience with shift work, health complaints related to circadian controlled factors, police officers, 14017
levels of MAO activity, risk of winter seasonal affective disorder & vegetative & other symptoms, patients with seasonal affective disorder, 11998
likelihood of seeking help from general practitioners for common childhood physical vs behavioral problems, mothers of 9–18 mo olds attending clinics in less vs more affluent areas, UK, 8707
lithium & antidepressant drug treatment, clinical & biological symptoms, 17–77 yr olds with treatment resistant depression, 36406
LSD, affective & thinking disturbances & blackouts as symptom patterns & relation to high vs low extraversion vs neuroticism identified by polyprediction configural frequency analysis, adults, 21877
major vs small stressful life events, disease activity & symptoms, patients with rheumatoid arthritis, 23278
manic symptoms associated with risperidone, 42–47 yr old males, 13045
maternal depression & anxiety, discrepancies among reports of child internalizing vs externalizing symptomatology, mothers vs teachers vs 9–12 yr olds, 22698
maternal posttraumatic symptoms & childhood adaptation, mothers & preschool children exposed to missile attacks, Israel, 30 mo followup, 29714
medically unexplained symptoms & alexithymia & neuroticism & other psychological constructs, men (mean age 47.8 yrs) & women (mean age 45 yrs) from various medical & nonmedical settings, 26342
menstrual cycle phase & psychotic symptoms, female schizophrenics, literature review, 31037
minor depression & dysthymic disorder & double depression & subsyndromal depressive symptomatology expressions of unipolar depressive disease, psychiatric patients, 42267
minor symptoms & self ratings of personality, individuals recovering from major depression (mean age 51.7 yrs) vs bipolar disorder (mean age 43.0 yrs), 35566
monitoring, frequency & duration & symptomology of intrusions, 28–50 yr old patients with PTSD, 15986
monitoring prodromal symptoms as predictor of relapse, schizophrenic patients, literature review, 4158

mood reactivity with vs without associated features, cortisol responses to desipramine challenge, atypically depressed outpatients, implications for biological validation of atypical depression, 4113
multifactorial biopsychosocial approach to biological & psychological & social factors in development of complaints & mood states during menopause, 6756
multivariative methods vs neural networks for recognizing symptoms of auditory hallucinations, 4037
nature of depression related symptoms, adults with Alzheimer's disease & their caregivers, 39567
negative vs depressive symptoms, male vs female adult inpatients with schizophrenia, 1267
neurological characteristics & hypothesized pathogenesis, 6 yr old male with Heller syndrome, case report, 26510
neuropathological & genetic & clinical characteristics & relationship to Alzheimer's disease & Parkinson's disease, adults with pure vs common Lewy body disease, meta analysis, 26955
neurophysiological & neuropsychological symptoms of schizophrenia, literature review, 22819
neuropsychological dysfunction, 45+ yr old depressed outpatients having primarily psychological vs vegetative symptoms, 26465
neuroticism & somatic factors & future health status expectation, rheumatoid arthritis patients, 31622
nightwork, cognitive & emotional & neurovegetative symptoms & personality style & shift accommodation, student nurses, implications for shiftwork model of affective disorders, replication & extension, 26433
noncognitive behavioral phenomenology, clinical differentiation of frontotemporal dementia vs Alzheimer's disease vs late-life depression, 46–70 yr olds, 38877
normative data on soft neurological signs & role of SES, 5–12 yr olds, Colombia, 3322
notation of clinical features associated with disease severity & prognosis in initial assessments, patients with acute strokes, 19617
numbing scale scores, females with self-injurious behavior vs dissociative identity disorder vs males vs females with major depression, 38916
ondansetron, cigarette withdrawal symptoms & continuous abstinence, smokers in group treatment, 9621
onset & current symptomatic manifestation & treatment, 22–74 yr olds with severe weather phobia, 1325
panic attack symptoms & anxiety sensitivity & academic performance, high school students, 8030
parenting vs nonparenting hassles & child behavior problems, parental psychological symptoms, mothers vs fathers & their 2nd–4th grade children, 11570
paroxetine induced angioedema & tongue swelling, 64 yr old female with depression & panic disorder, case report, letter, 23910
paroxetine withdrawal, electric shock sensations, 39 yr old female with major depression, letter, 32510
patient dementia symptoms & caregiver burden, literature review, commentary, 40119
patient dementia symptoms & caregiver burden, literature review, 36746
pattern & severity of depressive symptoms as predictors of response to light treatment, 18–63 yr olds with seasonal affective disorder, 13094
patterns of symptoms, discrimination between depression vs dementia, 52–53 yr olds with Down syndrome, 19470
pentagastrin challenge, symptoms of panic attack & apprehension, adults with vs without social phobia, 35680
perceived availability of social support & recent major life events & length of time since seropositive diagnosis & symptomatology, depression levels, HIV seropositive patients with low SES, 31679
perceptions & ratings of ADHD symptoms of students & referral decisions, elementary school teachers & students, Taiwan, 39256
personality disorder traits & cognitive or guided mastery therapy, symptoms, 20–65 yr olds with panic disorder with moderate or severe agoraphobia, 1-yr follow-up, 32035
personality disposition & coping style & immune & clinical status & subjective somatic symptoms, HIV-seropositive adults, Norway, 42748
phenomenology of current symptoms & diagnosis of psychiatric comorbidity, 12–18 yr olds hospitalized for treatment of acute manic episode of bipolar disorder, 7941
physical symptom distress & functional status & depression, female 25–85 yr olds with breast cancer observed 3–7 mo following diagnosis, 42763
physical vs social & cultural symptoms of illness, Chinese psychiatric patients with somatoform disorder, China & Hong Kong & Taiwan, 42701
physiological & therapeutic effects of high frequency electrical pulse treatment, adults, 19998
physostigmine, clinical symptoms & brain glucose metabolism & cerebral blood flow, patients with progressive supranuclear palsy, 16618
preattack symptomatology & type & severity of panic attacks, 22–73 yr olds with panic disorder & agoraphobia, Netherlands, 12085
predictive model for long-term trauma symptoms, 17–85 yr old male vs female childhood sexual abuse survivors, 22972
premenarcheal expectations vs postmenarcheal experiences of positive & negative somatic & mood & behavioral changes, 6th graders, 3 yr followup, 21766
premenstrual dysphoric disorder, perceptions of premenstrual females & self ratings of menstrual cycle-related symptoms, male vs female college students, conference presentation, 35548
premorbid social competence, symptom expression in thought action orientation & length of psychiatric hospitalization, mildly mentally retarded inpatients, 9525
presence of apolipoprotein E allele, rate of cognitive decline & deterioration, patients with Alzheimer's disease, 3 yr longitudinal study, 19621
presence of apolipoprotein e4 genotype, rate of cognitive or functional decline, patients with Alzheimer's disease, commentary, 19641
presence of depressive symptoms & major depression, patients with depression vs chronic fatigue syndrome vs multiple sclerosis, 11845
prevalence & cause & clinical features of & diagnostic algorithm for Grade 2 & 3 & 4 hypothyroidism, elderly patients, treatment implications, conference presentation, 31635
prevalence & management & outcome of common psychological disorders, primary care patients, 22712
prevalence & symptom correlates of subclinical hallucinations & delusions, nonpsychotic 13–21 yr olds from residential program or day treatment center, 35447
prevalence of obsessive compulsive symptoms & association with major depression & other clinical variables, 17–57 yr olds with panic disorder, Turkey, 39072
prevalence of panic disorder in asthma & pulmonary function & anxiety & symptom perception during histamine-induced bronchoconstriction, 18–65 yr old asthma patients with vs without panic disorder, 1148
prevalence of personality disorders & psychiatric symptoms, patients with psoriasis, Italy, commentary, 1496
prevalence of personality disorders & psychiatric symptoms, patients with psoriasis, Italy, commentary reply, 19515
prevalence of symptoms, males with late vs early onset alcohol dependence, 42545
primitive defense mechanisms & object relations, prediction of symptomatic expression, adult inpatients with borderline personality disorder, 8066
prodromal & residual symptoms of mania & depression, patients with bipolar disorder, 30862
prodromal symptoms, adult outpatients with obsessive-compulsive disorder, Italy, 4 mo followup, 4201
prolonged fluvoxamine therapy, symptoms, adults with treatment resistant refractory dysthymia, letter, 16609
psilocybin, symptoms, male 34 yr old with obsessive compulsive disorder, case report, letter, 39824
psychiatric symptomatology & cultural expressions of anger, 18–55 yr old Puerto Rican psychiatric patients, 4057

psychological & behavioral symptoms associated with eating disorders, group therapy intervention strategy, eating disordered mothers & their children, 31501
psychological & somatic symptoms & psychiatric disorder, 18–34 yr olds with chronic fatigue, 1522
psychological problems & feminist psychotherapy issues, upper class females, 32081
psychometrics of neurological soft signs, interrater & test retest reliability & internal consistency, 6-9 yr olds, 4699
psychomotor symptoms of depression, literature review, 22801
psychopathological manifestations & clinical patterns & stress factors & evolution & social adaptation, patients with psychogenic paranoid psychosis, Spain, 39065
psychopathology & depersonalization-derealization & other psychosensorial symptoms, outpatients with panic disorder & agoraphobia vs complex partial temporal lobe epilepsy, Italy, 1147
psychophysiological indicators of peritraumatic dissociation & relation to PTSD symptoms, 18–54 yr old female victims of rape, 42370
psychosocial factors & perceived hazard exposure in the workplace & subsequent development of nonspecific symptoms & other ill-health problems, 40638
quality of life & severity of depressive symptoms, inpatients & outpatients with major depression, 30900
quantification of perceptual accuracy, measurement of links between symptom perception & functional morbidity & psychological trait variables, 8–15 yr olds with asthma, 16240
rate of psychiatric symptoms, 65 yr olds & older with with learning disabilities & dementia, England, 39266
recall of childhood neglect & physical abuse, psychological functioning & symptomatology, college students, 19285
recovery & frequency of physician contact & identification of factors associated with outcome, patients with unexplained physical symptoms, Netherlands, followup study, 1517
relationship between neurological soft signs & anxiety disorders, performance on soft signs exam & psychiatric interview, 6-17 yr olds with agoraphobic parents, 4207
reliability & validity & factor structure of Daily Symptom Report, assessment of mood & pain & behavioral & physical symptoms, 18–45 yr old females with PMS, 21048
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary, letter, 22863
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary reply, 22851
religious activities & physical health & social support, depressive symptoms, 65 yr olds & older, 30866
repression & recovery of traumatic World War II memories & PTSD symptoms, 35665
resemblance of psychotic symptoms & syndromes, sibling pairs from high-density schizophrenia families concordant for schizophrenia or nonaffective psychoses, Ireland & Northern Ireland, 22845
rise of psychiatric disorders & medically unexplained symptoms & stress in workplace & role of psychosomatic medicine, 39876
risperidone, affective symptoms, adults with bipolar disorder, 32419
risperidone, interfering repetitive behavior & aggression & impulsivity & other behavioral symptoms, 5–18 yr olds with pervasive developmental disorders, prospective study, 36479
risperidone, negative & positive symptoms of schizophrenia, literature review, 19956
role & clinical significance of subsyndromal depressive symptoms, adults with unipolar depressive disorder, 1 yr followup, 42268
rumination vs distraction responses to depressive symptoms, onset & severity of depressive episode, college students, 18 mo prospective study, test & extension of response styles theory of depression, 30861
seasonal factors, symptom severity, VA patients with PTSD, commentary, letter, 12094
seizure disorder presenting as panic disorder with agoraphobia, 17 yr old female, case report, 42814
self categorization & identity salience, symptom evaluation & illness perspectives, male vs female physical education teachers in training, England, 1021
self-reported concussion symptoms vs objective malingering test, assessment of feigned head injuries, college students vs patients 35 yrs old & younger with mild head injuries, 8623
self-reported stress load & symptomatology, endocrine responsivity to stressful films, males, 11094
self reported stressors & symptom complaints, cardiovascular & psychological reactions to stressful films, 23–53 yr olds, 11095
self reported vs structured diagnostic & clinician interview reported DSM-III-R symptoms of alcohol dependence, inpatients undergoing alcohol treatment, 4358
sensitivity of health related quality of well being measure, assessment of relation between quality of life & depressive symptoms, patients with depression, 6 mo followup, conference presentation, 28509
serotonin reuptake inhibitor withdrawal symptoms, literature review, 43194
serotonin selective reuptake inhibitors, behavioral symptoms, 53–69 yr olds with frontotemporal dementia, 36519
sertraline vs desipramine, daily symptoms & depressive symptoms, female 18–45 yr olds with PMS, 5184
severity of illness & other clinical variables, prediction of length of hospital stay, psychiatric patients, 40134
severity of self-reported symptoms, post-partum mothers (mean age 27.59) probable for postnatal depression, England, checklist appended, 26463
sex & age & chronicity & experience of trauma & occurrence of injury & threat to caregiver, severity & expression of PTSD symptoms, severely traumatized 3–48 mo olds, 8040
short term reliability of multiple visual analog scale, assessment of self report of mood symptoms & severity & fluctuations, patients with unipolar vs bipolar depression, scale appended, 2575
significance of syndrome & symptom comorbidity approach to assessment & treatment in cognitive behavior therapy, patients with anxiety disorders, 36292
social cognitive model of schizophrenia symptomatology & role of nonsocial vs social cognition in disorder etiology & development, 15945
social skills training, social skills & negative symptoms, 30–40 yr olds with schizophrenia with vs without deficit symptoms, 24289
sociotropic vs autonomous personality characteristics & specific symptoms clusters, 65–91 yr olds with major depression, 22740
somatic & psychological depressive symptoms, 65–88 yr olds with primary degenerative dementia & probable Alzheimer's disease, 12684
somatic symptoms & emotional distress, 15–65 yr old males vs females from less vs more developed centers in 14 countries, 35431
somatic symptoms & psychological distress in Homer's Iliad, 21950
somatic symptoms after traumatic stressors, literature review, 39365
SPECT assessment of regional cerebral blood flow, prediction of severity of positive & negative & independent symptom structures, neuroleptic treated schizophrenic 19–36 yr olds, Japan, 7971
stigma, depressive & somatoform symptoms, psychiatric outpatients with depressive neurosis, South India, 1252
stranger vs acquaintance & relationship duration & symptom specificity & gender & depression & rejection from roommate & raters, college students, 26167
stress & gastrointestinal symptoms, 20–45 yr old females with vs without diagnoses of irritable bowel syndrome, 31604
structural factors of somatic symptoms, 18–65 yr olds, 1 yr followup, 35987

subgrouping of disorders based on symptoms, 11–20 yr olds with eating disorders, Netherlands, 4 yr study, 35952
sympotomological similarities between anxiety & eating disorders, 30658
symptom appraisal & attitudes toward & beliefs about menopause, 45–55 yr old females, Portugal vs UK, 7536
symptom dimensions & correlations, patients with obsessive compulsive disorder, 39087
symptom overreporting, combat veterans seeking compensation for PTSD from VA Medical Center, 26557
symptom profile & Axis II comorbidity & suicidal behavior, 18–29 yr old males with depressive illnesses, Italy, implications for DSM-III-R nosology, 12004
symptomatic stages of HIV infection, increased prevalence of symptoms & syndromal diagnosis of depression, 12517
symptomatological differences, 48–78 yr olds with frontotemporal dementia vs vascular dementia with dominant frontal lobe syndrome, 39557
symptomatology & neuropsychological functioning & relationship with victim, severely vs less violent psychotic patients, 7983
symptomatology & parent child interaction & parental psychopathology, 3–9 yr olds & their mother with Munchausen syndrome by proxy, 4275
symptomatology & side-effects & violent acts &/or suicidal behavior, 19–69 yr old involuntarily vs voluntarily committed neuroleptic treated schizophrenics, 42334
symptomatology of effects of child sexual abuse & ways in which professional & academic research construct women's & children's subjectivities, 42478
symptoms & characteristics & clinical features of obsessive compulsive disorder, 60 yr old & older vs younger (mean age 32.6 yrs) outpatients, 39083
symptoms & drug treatment strategies, premenstrual dysphoric disorder & anxiety disorders, literature review, conference presentation, 36000
symptoms & etiology & diagnosis & prognosis of autism, 39249
symptoms & sexual history/experience & eating disorder attitudes & traits, 18–35 yr old bulimic females with vs without multi-impulsive behaviors, 26838
symptoms & treatment of chronic traumatization such as chronic abuse & neglect & related countertransference issues, children, 27146
symptoms of complicated grief & active vs passive suicidal ideation, bereaved 50–85 yr olds, 42496
symptoms of complicated grief associated with to posttraumatic distress vs depression, sleep, bereaved 60+ yr olds, 38467
symptoms of depression & quality of life, adult psychiatric patients, Sweden, 38977
symptoms of schizophrenic negative syndrome, schizophrenic patients (mean age 35.8 yrs), 22856
tapering withdrawal from alprazolam, anxiety & panic & depression & phobia & other withdrawal symptoms, patients with agoraphobia &/or panic disorder, 9137
taste loss & tongue numbness as initial symptoms, 64-yr-old male with Guillain-Barre syndrome, case report, 19597
tenderness & prevalence & symptoms of fibromyalgia syndrome & quality of life & functional impairment, PTSD patients with vs without fibromyalgia syndrome, Israel, 39353
therapeutic community program, symptomatology & readmission rates & client views, 20–53 yr old residents with psychiatric disorders, 5360
traits & symptoms defining phenotype connected with specific genotype, schizophrenic patients, 4155
transdermal nicotine patch administration, tics & other symptoms, 9–15 yr olds with Tourette's syndrome, 32543
transdermal nicotine with smoking cessation therapy, amelioration of tobacco withdrawal symptoms, smokers, 16753
type of question, agreement on symptom reporting in psychodiagnostic interview, 6–16 yr olds & their mothers, reprint, 26393
validity of CERAD Behavior Rating Scale for Dementia vs Cohen-Mansfield Agitation Inventory, detection of behavioral symptoms, caregivers of dementia patients with mild to moderate global impairment, 20970
validity of symptom criterion for age of onset diagnosis, 4–17 yr olds with ADHD who displayed impairment before age 7 yrs, 42587
views on clinical profile & diagnosis & treatment of Lewy Body dementia, neurologist vs geriatrician vs old age psychiatrist, 8626
visual information processing impairments, performance on continuous performance vs forced choice span of attention tasks, outpatients with deficit vs nondeficit forms of schizophrenia, 22826
Whitely Index & Illness Attitude & Somatosensory Amplification Scales in diagnosis of hypochondriasis & long-term outcome in recovery & number of visits to general practitioner, outpatients with unexplained symptoms, 23289
withdrawal from clomipramine or selective serotonin reuptake inhibitors, symptoms, outpatients with anxiety or mood or other disorders, 32382
workplace exposure to acetone, well being & acute symptoms & performance, chemical workplace shift workers, 14012
5- vs 4-factor structure of Brief Psychiatric Rating Scale & symptoms, patients with schizophrenia, 40915
6 wk diazepam followed by abrupt withdrawal, psychic & somatic symptoms & anxiety, females with generalized anxiety disorder, 1849

Synapses—Serials

activation of NMDA receptors on neighboring cells & subsequent plasticity, role of hippocampal synaptic long term depression in neural development & information storage, letter, 6668
APV & CNQX & MK-801 & postsynaptic receptors, auditory thalamus & cortex transmission to lateral amygdala neurons, rats, implications for acquisition & expression of conditioned fear reactions, 21876
associative form of long-term potentiation, transformation of NMDA receptor based synapses & early development of hippocampal glutamatergic synapses, postnatal rats, 29272
back & forward propagation of activity-dependent synaptic depression in neural networks, 41318
back-propagating dendritic action potentials, induction of long-term potentiation, CA1 neurons, implications for Hebbian modifications of synaptic strength, 29428
behavioral state, augmenting response in synaptic pathway from ventrolateral nucleus of thalamus to sensorimotor neocortex, rats, 455
beta-amyloid1-40 & free radical scavenger, electrically stimulated release of norepinephrine & KCl evoked increases in intrasynaptosomal calcium in rat brain, 21670
bidirectional modification of CA1 synapses & postsynaptic potentials & long term depression & potentiation in hippocampus, male rats, implications for in vivo research, letter, 11031
bilateral cerebral interneuron CC5 synaptic input & firing, behavior controlled by motor neurons, Aplysia californica, 14895
choleragenoid horseradish peroxidase labeled afferent fibers & formation of synaptic contacts with postsynaptic elements in neonatal lamina II, 2 day old rats, implications for pain amelioration, 6611
chronic nicotine, postsynaptic effects in dorsolateral striatum & nucleus accumbens & medial prefrontal & ventrolateral orbital cortex Fos & Jun-B immunoreactivity, rats, 41498
coincidence of postsynaptic action potentials & unitary excitatory postsynaptic potentials, neuronal plasticity, implications for synaptic connection modifications during development & learning, 29429
computational model of cholinergic suppression of associative feedback & self-organizing feedforward synaptic transmission in somatosensory cortical slice during learning, rats, 6627
dopamine vs cocaine vs amphetamine, excitatory synaptic responses & paired pulse facilitation in nucleus accumbens induced by prelimbic cortical afferent stimulation, mutant mice, 3260
electrical hippocampus field CA1 stimulation, homosynaptic transmission depression, awake & anesthetized rats, 34605

flunarizine vs trifluperazine vs haloperidol vs methiothepin, dexfenfluramine induced indole depletion & 5-HT uptake by synaptosomes & brain concentrations of drug & active metabolite, male rats, 3253
heart rate conditioning to auditory CS, inputs to neurons in medial subnucleus of medial geniculate nucleus & changes in synaptic efficacy, albino rabbits, 10980
hippocampal NMDA dependent synaptic & long-term potentiation, instrumental learning under continuous reinforcement schedule, old male rats, 34387
induction of long term potentiation, phosphorous 32 labeling of AMPA-type glutamate receptors & activation & autophosphorylation of calmodulin-dependent protein kinase II, 37955
L-acetylcarnitine treatment, acetylcholinesterase activity of synaptic plasma membranes in frontal cerebral cortex, 4 vs 8 vs 12 vs 16 vs 20 vs 24 mo old rats, implications for treatment of dementia, 6908
learning tasks, behavioral long term potentiation in hippocampal mossy fiber-CA3 synapses, male rats, 21738
low frequency stimulation, activation of synaptic transmission in hippocampus through long term potentiation, guinea pigs, 6655
MK801 dose, hippocampal wave frequency & amplitude & synaptic transmission & plasticity measured by primed burst potentiation in dentate gyrus, female rats, implications for spatial learning, 21853
modulations of synaptic ultrastructure with aging, 14819
modulator of AMPA-type glutamate receptors, encoding of long term memory in olfactory learning, rats, 25482
molecular models of Hebb's concept of synaptic plasticity & neuronal cell assemblies, conference presentation, 493
neural network model of degeneration of frontal cortex synapses receiving temporal lobe projections, pathogenesis of delusions & hallucinations & course of positive symptoms in schizophrenia, 1301
neurobehavioral vs neurobiological consequences of transsynaptic vs lesion vs pharmacological modulation of basal forebrain, research review, 25472
neurophysiological studies of synaptic mechanisms in regulation of ventral tegmental dopamine neurons, role of mesocorticolimbic system in psychosis & drug addiction, literature review, 29388
nicotine, hippocampal synaptic transmission & nicotinic acetylcholine receptor expression & cognition, rats, 25579
NMDA-dependent modulation of CA1 local circuit inhibition, in vitro rat hippocampus, 21651
olfactory bulb synapse distribution during normal development vs after early olfactory restriction, synaptophysin-like immunoreactivity, male rats, 6635
participation of neuromediator systems of neocortex in synaptic processes & structural modification of synapses, rats, 29314
phorbol esters, synaptic modulation in cell culture of hippocampal neurons from E15-E17 embryos, wild-type vs Ca2+/phospholipid-dependent protein gamma knockout mice, 21847
pindolol with vs without paroxetine &/or citalopram, terminal 5-HT release elicited by activation of somatodentritic 5-HT 1A receptors & extracellular 5-HT, male rats, 21915
plasticity of parallel fibre synapses & post-synaptic spike, depression of excitatory post-synaptic potentials, fish, 34520
postsynaptic processes & signals, input specificity of cerebral long term depression, mice, 6646
potentiation & depression of synaptic strength & plasticity between individual neocortical layer 5 pyramidal neurons, implications for learning & memory, 3122
problem solving capacity, content of protein & protein sulfhydryl groups of synaptic membranes & total synaptoplasm of light & heavy synaptosomes of Ep fields, cats, 6698
pseudosubstrate inhibitory peptides & postsynaptic Ca2+-dependent protein kinases & calcineurin & phosphatase activities, regulation of synaptic strength in hippocampal slices, rats, 21930
regional & laminar synaptic density, postmortem brains of 51–77 yr olds with frontal lobe degeneration of non-Alzheimer type, 12636
role of excessive lateral feedback synaptic inhibition on autistic characteristics, letter, 26754
role of long term potentiation in synaptic modification in nervous system & relation to learning & memory, 29329
selection dependent changes in synaptic field size at hippocampus midseptotemporal level, intra-infrapyramidal mossy fiber projection enlargement, mice bred for high vs low open field locomotion, 3070
shaking-B2 mutation, electrical synapse disruption in a flight circuit, Drosophila, 34586
synaptic availability of 5-HT in nucleus accumbens, effect of ritanserin on ethanol intake, male rats with developed ethanol preference, 15073
synaptic density & astrocytes in cortical laminae, 62–88 yr olds with Alzheimers disease vs 51–77 yr olds with frontal lobe degeneration, 8619
synaptic enhancement & enhanced excitability in presynaptic & postsynaptic neurons in classically conditioned stimulus pathway, marine mollusks, implications for role of persistent kinase activity, 41319
synaptic functions, animal behavior, implications for memory & aggression & schizophrenia, 29243
synaptic integration of sensory systems & stimulus intensity, associative learning, marine mollusk Hermissenda, 10976
temporal dynamics of short- & long-term facilitation of monosynaptic connection between tail sensory & motor neurons, adult aplasia, 18176
tetanic stimulation of intracortical vertical & horizontal inputs, long term potentiation in intrinsic connections in barrel cortex, rats, 14923
threshold level tail stimulation & role of homosynaptic depression, habituation of sensory neurons that contribute to tail siphon withdrawal reflex, Aplysia californica, 14882
transfer of auditory information by neuron potassium conductances across medial nucleus of trapezoid body, rats, 25457
use of quantitative EEG in clinical assessment of synaptic dysfunction in Alzheimer's & other dementing diseases, conference presentation, 1565
Z-321 & arginine vasopressin, potentiation of synaptic transmission evoked by weak tetanus, CA1 region of rat hippocampus, 21745
5-HT or tail nerve stimulation, activation thresholds for excitability & synaptic facilitation in sensory neurons, Aplysia, 34526

Syncope—Serials
blood & injury & pain sensitivity & anxiety, prediction of syncope & related reactions, 17–40 yr old volunteer blood donors, 11078
clozapine & cocaine, near syncope, 31 yr old male with history of cocaine abuse, case report, letter, 5026
etiology & pathological & psychological processes & intervention & resolution of syncope outbreak, adolescent females, Hong Kong, 19238
relapse in cognitive behavior therapy, patient with panic disorder arising from preexisting vasovagal reactions to blood injury stimuli, case study, 19225

Syndromes [See Also Acquired Immune Deficiency Syndrome, Aspergers Syndrome, Capgras Syndrome, Chronic Fatigue Syndrome, Creutzfeldt Jakob Syndrome, Cushings Syndrome, Delirium Tremens, Downs Syndrome, Fetal Alcohol Syndrome, Fragile X Syndrome, Neuroleptic Malignant Syndrome, Organic Brain Syndromes, Prader Willi Syndrome, Rett Syndrome, Senile Dementia, Turners Syndrome, Wernickes Syndrome]—Serials
abnormalities of motor behavior vs predominant anxiety in mass hysteria, female 12–19 yr old boarding school students, Nigeria, implications for neurological organic etiology, commentary, letter, 35450
abnormalities of motor behavior vs predominant anxiety in mass hysteria, female 12–19 yr old boarding school students, Nigeria, implications for neurological organic etiology, 7827
behavioral & emotional disturbances & psychopathology, children with Williams syndrome (mean age 9.2 yrs), 38850
behavioral neuroanatomy & positive neuropsychiatric symptoms of temporolimbic lobes, 42169

binding errors & deficits in conjunction visual search predicted by feature integration theory & spatial localization & object individuation & selective attention, adult male with Balint's syndrome, 39548
breathing therapy, anxiety level & symptoms, 17–62 yr olds with hyperventilation syndrome & anxiety disorder, 23986
bromperidol, plasma HVA & negative symptoms, schizophrenic patients with deficit vs nondeficit syndrome, 13058
cardiac defects & abnormal facies & thymic hypoplasia & cleft lip &/or palate & hypocalcemia & chromosome 22q11 deletions, patients with schizophrenia or schizoaffective disorder, 4173
causes & characteristics of breath holding spells syndrome, 15–24 mo olds, 8452
clinical & electrophysiologic & neuroradiologic & neuropathologic features, 21–74 yr olds with locked-in-syndrome, 8598
clusters & duration of discontinuation symptoms following treatment with serotonin reuptake inhibitors & development of discontinuation syndrome, literature review, 43205
combined deprenyl & antidepressant treatment , frequency of serotonin syndrome, patients with Parkinson's disease, 36624
description & psychological aspects & multidisciplinary treatment of hypersensitivity to electricity syndrome & related research, 35960
development of Pisa syndrome during antidepressant therapy, 58 yr old male, Japan, case report, 32560
developmental changes in aggressive vs delinquent syndromes, deviant vs nondeviant 4–18 yr olds, 8 yr study, Netherlands, 35859
ethical & clinical issues in management of social breakdown, 76 yr old female recluse, 33296
etiology & empirical assessment of post-communist syndrome, college students, Hungary vs Czechoslovakia vs US, 30046
etiology-based classification of unipolar depression & nature of familial subtypes, depressed patients with vs without family history of alcoholism or antisocial personality, 42289
Ganser syndrome symptoms & course, 12 yr old male with mild head injury, case report, 31841
Hyperventilation Provocation Test, anxiety & symptom reporting, patients (mean age 38.8 yrs) with hyperventilation syndrome, 23262
hypothalamic-pituitary axis function, 13–17 yr olds with Kleine-Levin Syndrome, case reports, 42702
identity of Landau–Kleffner syndrome & relationship to epilepsy & aphasia, 5–6 yr old males, case report, 31765
left vs right hemispheric lesion & motor hypokinesia, variants of alien hand syndrome, 54–69 yr olds with mesial frontal & callosal lesions due to anterior cerebral artery infarction, case report, 39470
lexical & grammatical comprehension & morphosyntactic aspects of language, 4.8–15.3 yr olds with Williams syndrome vs normally developing children, Italy, 16178
mental deterioration & executive function& performance, memory & instrumental ability, adults with Sneddon's syndrome, 42817
methylphenidate, attention & behavior problems, 7- & 8-yr-olds with Williams Syndrome, case study, 19965
mutations in kinase Rsk-2, patients with Coffin–Lowry syndrome, 31634
neuropsychological & neurological function & Gulf War Syndrome & subjective complaint & exposure & clinical signs index & interference variables, Persian Gulf War veterans (mean age 33.59 yrs), 34047
pathology in focal cortical atrophy syndromes, literature review, 1972–96, 1558
physiological & psychological & psychoacoustical correlates of speech-hearing disability, 11–69 yr old patients with King-Kopetzky syndrome, 27069
postconcussion syndrome, 6–15 yr olds with mild vs moderate vs severe head injuries, 36120
postconcussional syndrome, literature review, 8624
psychological factors in etiology of Kleine-Levin syndrome, case reports, 42688
psychotic couvade, 30-yr-old male with delusional disorder & 26-yr-old female with schizophreniform psychosis, case reports, 4188
rare presentation of Laurence-Moon-Bardet-Biedl & Cootard's syndromes, 20 yr old female, case report, 15816
relationship between cerebral blood flow & clinical symptoms as organized into syndromes, schizophrenic patients, 8006
resemblance of psychotic symptoms & syndromes, sibling pairs from high-density schizophrenia families concordant for schizophrenia or nonaffective psychoses, Ireland & Northern Ireland, 22845
submaximal isometric contraction, pressure pain thresholds, 29–59 yr olds with fibromyalgia, 31600
successful pregnancy & birth of baby with transient Floppy Infant Syndrome, schizophrenic 37 yr old female treated with clozapine & lorazepam, case report, letter, 39796
syndromes of initial problems, later mental health syndromes, male vs female 4–18 yr olds, 6 yr followup, 19099
thought & paranoid disturbance & anxiety-depression & emotional withdrawal-motor retardation scales of Brief Psychiatric Rating Scale, hospitalized patients with schizophrenia or depression, 38943
treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self-regulation, 8–11 yr olds, commentary, 43120
treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self regulation, 8–11 yr olds, commentary, 36425
treatment & family history & response to serotonergic medication, obsessive difficult temperament with obsessive rigidity & irritability & withdrawal & poor self regulation, 8–11 yr olds, 9070
valproic acid, 14 yr old male with Kleine-Levin syndrome, case report, letter, 39792
verbal & spatial long- & short-term memory, children with Williams syndrome, 26896

Synonyms—Serials

role of word identification, synonymy judgment, adults, 25262

Syntax [See Also Form Classes (Language)]—Serials

ability to use multiple syntactic frames in focusing on novel verb meaning, 2 yr olds, 11376
analysis of role of prosody for resolution of syntactic ambiguities during comprehension, use of auditory moving window technique, adults, 15133
applicability of subset principle in 2nd language acquisition, adult learners of French, 675
application of construal hypothesis for syntactic description of sentence processing mechanism for phrases & lexical items, 34210
aspects of syntactic theory, 29690
cognitive profile & expressive linguistic ability, 18–35 yr olds with Down's syndrome vs mental retardation of unknown etiology, 12387
computer simulations of syntactic categorization in early language acquisition & the role of distributional analysis in grammatical category acquisition, 38309
construct validity & interrater reliability & factor structure of Brief Syntactic Analysis, assessment of syntactic features of speech, patients with schizophrenia or mania, 2632
critique of definition of language & language acquisition & universal grammar concepts & methodology in generative linguistics paradigm & Chomsky's generative syntax, 3306
development of formal aspects of Hebrew morphology & syntax, infants with congenital brain pathologies, 4 yr follow up, Israel, 16344
developmental changes in & relationship of syntactic awareness & reading comprehension, 3–10 yr olds, India, 745
duration & fundamental frequency correlates of syntactic phrase boundaries & other prosodic information in interpretations of ambiguous phrases, 5 vs 10 yr olds vs adults, 25755
earlier closed head injury, language functioning in areas of syntax & semantics & pragmatics, 9–17 yr olds, 31802

effect of connectives on online processing of continuity of events in narrative text, college students, 25269
effects of prosody on syntactic parsing of temporarily ambiguous sentences with complement verbs, cross modal naming & appropriateness judgments, adults, 15148
electrical brain responses in syntactic processing in 2-stage model of parsing, 6712
eye-tracking of French sentences with noun–verb syntax ambiguity, early-closure attachments measured by 1st-pass reading times, college students, France, implications for cross-linguistic processing, 37739
fast decay vs slow activation of syntactic & morphological information, 42–81 yr old non-fluent agrammatic vs fluent aphasic patients, 26842
frequency & syntactic complexity of linguistic structure processing in noun phrase attachment sites, college students, 7136
grammatical & phonetic aspects of prosodic parsing of ambiguities in categories pitch accent & tonally marked phrases in English & Japanese, 11257
grammatical & phonological aspects of lexical knowledge, 28 yr old male with anomia, case report, 27001
Hyperspace Analogue to Language computational model of high-dimensional context space & effects on syntactic processing, 41559
implicit causality, focus on events in sentence comprehension, college students, 248
language modularity & linguistic representations of dependent structural relationships, language acquisition, Grammatical specific language impaired 10–13 yr olds, 34835
lexical & morphological & syntactic aspects of language use, 6–15 yr olds with Downs syndrome, Italy, conference presentation, 39292
lexical frequency, syntactic ambiguity resolution & sentence comprehension, college students, 268
lexical preference & resolution of syntactic ambiguity of "her" pronoun & identification of potential antecedents for unambiguous "him" & "his" pronouns, undergraduates, conference presentation, 34203
mass noun retrieval & syntactic discrimination abilities, 73 yr old aphasic female, 31878
monotonic syntactic processing & attachment & reanalysis in Japanese & English cross-linguistic study, application of parsing model based on principles of Description Theory, 25277
morphosyntatic incongruency between noun & verb in sentences composed of pseudo vs real words, negativity & positivity of ERPs, 20–32 yr olds, 38020
orthographic neighborhood structure & frequency, lexical decision latency & error rate, college students, 11266
perceived gramatically acceptable patterns of name & pronoun co-reference, adult competent speakers of English, 34743
phonologic impairment, prereading ability & working memory & productive syntax, letter identification, 3–6 yr olds, 3 yr study, 39350
phonological & functional & syntactic awareness & decoding & listening comprehension & spelling & word-pseudoword identification, reading proficiency, 1st graders, Turkey, 29811
phonological & syntactic awareness, reading recoding ability & comprehension, 5.3–6.1 yr olds, 4 yr study, France, 9919
phonological organization of prosody as grammatical system, disambiguation of syntactic structure, 11284
phonological sensitivity & syntactic processing & verbal working memory & reading performance, 3rd graders, 11352
phrase vs single word prosody using natural speech, acquisition of artificial language, college students, 223
probabilistic lexical & discourse bias, generation & selection of syntactic structure in sentences containing noun-verb homographs, college students, 28835
probabilistic model of lexical & syntactic access & disambiguation of linguistic knowledge, 3307
processing of causal vs diagnostic statements with vs without space builders, reading time, college students & postgraduates & department staff, Scotland, 17951
prosodic structure & placement of prosodic boundaries relative to syntactic boundaries, syntactic processing & end of sentence comprehension, adults, 15146
reaccess effect & automatic nature of gap filling in coordinated ellipsis, comprehension of VP ellipsis, adults, 11281
relative timing of syntactic & pragmatic anomaly detection in sentence processing, college students, 6303
role of prosody in language acquisition & adult parsing in domains of segmentation & structural bracketing & reliability of prosodic cues, 15220
rule content familiarity & causality, equivalence of conditionals having negative antecedents & their disjunctive rephrasings, college students, England, test of mental models theory of matching bias, 37724
sensitivity to semantic & syntactic sentence structure violations involving nouns or verbs, 49–67 yr olds with aphasia, 8658
sentential syntax processing, right cerebral hemisphere vs left hemisphere brain damaged vs elderly patients, Italy, 26966
social class & severity of illness & working memory & attention, syntactic complexity in speech, 16–50 yr olds with 1st onset schizophrenia or mania, England, 4066
sociodramatic & other play activities, level of syntactic language, 6 yr olds, 34836
strategies for resolving syntactic ambiguities when reading 2nd vs native language, bilingual adults, France, 21339
structural & functional properties of cleft constructions & their discourse contexts in task related dialogs & spontaneous conversation, 21968
subject verb agreement errors, 19–25 yr old native Spanish speakers vs native English speaking college students, 15147
syntactic & semantic effects, errors in speech of idiom pairs, adults, 21333
syntactic awareness & reading acquisition, 5.7 yr olds, Brazil, longitudinal study, 33466
syntactic complexity of sentence imitation task, frequency of stuttering & repetition accuracy, stuttering vs normally fluent 10.5–17.6 yr olds, 26849
syntactic context & attentional factors, identification of spoken words, 7th & 8th graders with reading disabilities, 13822
syntactic context & semantic relatedness effect in lexical decision & naming tasks, college students, 37722
syntactic context of stimulus sentences, encoding RT of semantic & phonological information of target words, 18–52 yr olds with vs without stutter, Germany, 1473
syntactic flexibility, language production, college students, test of incremental vs competitive models of grammatical encoding, 18402
syntactic phrase structure categories in speech & use of determiner types, 23–28 mo olds, 2 mo followup, 11383
syntactic priming, comprehension & production of unrelated sentence with same or related structure, 11258
syntactic priming paradigm for word recognition research, 28872
syntactic processing in sentence comprehension under dual task conditions, aphasic patients, 26951
syntactic processing of structural ambiguities in German verb clauses, 7137
syntactic vs semantic vs lexical approach to subject–verb & pronoun positioning, children aged 1–3 yrs, 2 yr study, conference presentation, 34811
syntactic vs task relevant anomalies, characteristics of ERPs responses, 18–42 yr old college students, 18210
time course & specificity, interpretation of anaphoric noun phrases, college students, UK, 21340
universal quantifier use & ability to associate them with collective & distributive & exhaustive representations, 4–10 yr olds & college students, 11334
use of prosodic & phonological information & function words & morphological decomposition in acquisition of linguistic structure, normal vs language impaired special populations, literature review, 31557
use of prosodic cues by sentence parser for sentences with syntactic ambiguity, 15140
use of prosody & duration & intonation, interpretation of syntactically ambiguous phrase & pictures, 5 vs 7 yr olds vs college students, 11256

verbosity & syntactic complexity & pausing in speech, adults with bipolar disorder who were in manic episodes vs schizophrenia, 38904
writing with word processors vs pen & paper, writing quality & syntactical maturity, 11 yr olds, England, 13742
3 part sequences & role of E. Goffman's concept of footing & suffix at end of completion, completion of speaker's utterance by another speaker, 21959
Synthetic Speech—Serials
development of vowel perception from brief synthetic consonant vowel syllables as function of systematic variations in dynamic properties, 5 vs 6 vs 7 vs 9 vs 11 vs 21–25 yr olds, 18501
gender cues in computer voice output, sterotypic responses, college students, 38592
intelligibility of DECTalk synthesized speech delivered in noise vs quiet, native & nonnative English speakers, 29685
phonetic information from familiar talkers vs sinewave replicas with eliminated natural voice quality & preserved idiosyncratic phonetic variation, talker identification, 30–74 yr olds, 28804
upright vs inverted facial orientation, perception of natural-speech auditory & computer-animated visible & bimodal syllables, college students, test of fuzzy logical model of speech perception, 17856
Syphilis [See Also Neurosyphilis]—Serials
age & presence of syphilis & iv drug use, prevalence of HIV, drug dependent females, 23059
demographic variables & sexual orientation & condom use & sexual act preference, epidemiology of HIV & syphilis, male commercial sex workers, Thailand, commentary reply, letter, 4503
reliability of rapid plasma reagin test vs microhemagglutination assay for Treponema pallidum in syphilis testing, 29–74 yr olds with chronic mental illness, 11915
sex vs race or ethnicity vs history of injection drug use vs sex for drugs vs sexual orientation, risk for infection with HIV vs syphilis, 20–67 yr old drug users, 31349
Systematic Desensitization Therapy—Serials
combined desensitization & symbolic modeling & reinforcement, reduction of fear of dental exam, 6.3 & 9.7 yr old autistic males, 8869
emotive imagery treatment, 7–10 yr olds with clinically significant darkness phobia, 16528
emotive performance treatment, 4–8 yr olds phobic of dark & loud noises, 1742
in vivo desensitization & self-modeling, reduction of fear & physiological arousal, 29 yr old female with PTSD & child phobia, 23749
pathological & problem gambling, treatment using imaginal desensitization & cognitive restructuring & adjunctive hypnosis, Australia, 32011
polycythaemia-precipitated agoraphobia, male 20 yr old treated with systematic desensitization therapy, England, 8025
systematic desensitization & sensory awareness relaxation & ego-enhancing suggestions & hypnosis, phobic anxiety, 39-yr-old female with PTSD, 32635
systematic desensitization, 34 yr old Black male veteran with history of PTSD, case report, 23741
workshops based on book "Coping with Speech Anxiety" vs systematic desensitization, public speaking apprehension, college students, 19722
Systems [See Also Caste System, Communication Systems, Expert Systems, Human Machine Systems, Information Systems, Political Economic Systems]—Serials
complex adaptive system structure & internal dynamics & environmental responses, behavioral & social science complexity theory applications & examples & implementation obstacles, 33913
ego structure vs endo-exo reality, relation between self values based on comparator systems to aggression, implications for treatment of drug abuse, 7657
endo-exo paradigm & shape-countershape metaphor & self organization & recurrent causality within endo-systems, causation of communication & essence of psychotherapy, 8806
informational model of intentionality & evolution of behavior in organismic systems, 13
initiation of change in public policies & institutions, theory & process of transition in complex systems, 22195
nondual principle of self organization underlying information flow between inner & outer world of endo-systems & recurrent vectors of causality, implications for interactive consciousness, 7123
psychology as system of thought & practice & relationship with Christianity & practices of faith, 5915
system dynamics perspective of relationships between structure & behavior in complex systems for constructing highly engaging learning environments, commentaries appended, 37260
systemic POETICS model, conceptualization of learning & behavior problems in classroom & application by teachers & counselors, 10022
timing of messages & commands in communication techniques for social control systems, 7668
transpersonal movement & its relation to historical psychospiritual systems, Russia, 14190
Systems Analysis—Serials
system dynamics group model building project to create platform for organizational change & build consensus & commitment, middle level managers of multinational company, 17386
techniques for integration of system & user perspectives in interactive system design, 37291
Systems Theory—Serials
administrative principles & systemic considerations for group therapy program, preadolescent males who have been cumulatively & repetitively abused, 8914
application of H. J. Aponte's systems based Family-School Interview in school & family conflict situations, 12865
application of Tavistock Group Relations Model to systemic perspective on group & organizational behavior in community mental health & protective service settings, 5300
application of 2nd order theories to family therapy practice, 32213
application of 2nd order theories to family therapy practice, commentary, 32238
application of 2nd order theories to family therapy practice, commentary, 32197
behavioral repertoire & incompleteness of behavioral analysis axiomatic system, 14488
Bowen family systems & symbolic experiential theory in family therapy, 8893
case formulation & treatment planning using constructivist & systemic therapies & brief therapy, 24 yr old male, case report, commentary, 32063
cognitive behavioral perspective on multisystems approach to group & family & residential treatment in institutions, juvenile offenders, 24368
complex adaptive system structure & internal dynamics & environmental responses, behavioral & social science complexity theory applications & examples & implementation obstacles, 33913
damaged recurrent network model of phonologic & orthographic dissociations, application of dynamic systems theory, 34745
dynamical systems theory of cognition & comparison & relation to symbolicism & connectionism, 25252
engagement & the therapeutic relationship in systemic therapy, families & couples, 43024
epigenetic systems approach to human development within constructivist framework, 18431
evolution of ecosystemic & solution-focused brief therapy, 42946
family system functioning, personality types, college students, 30136
functional systems theory, process of reinforcement & brain structure activity, 41364
integration of family systems theory & therapy with religious or spiritual or faith perspective, 36324
integration of total quality management & sociol-technical systems theory work design strategies to achieve organizational stability & flexibility, 43816

J. Habermas' theory of systems & lifeworlds & general conflict, current & future trends & cultural change in American society's postindustrial structures & postmodern culture, 11531
larger church system construct use & marriage & family therapy in congregational setting, 16548
output decay & blocking as function of total group output & matching of output with average group rate of processing, dynamic systems model of idea generation rate in brainstorming groups, 3736
overview of prosody analysis based on systemic theory, children with language impairment, 39346
parent child relationships & developmental & behavioral attachment links & familial & cultural contexts in caregiving system theoretical framework, 3482
Personal Resources/Interpersonal Systems Matrix model of personality development focusing on strengths vs deficit labeling & continuum of action-thought-relation function, children, 11469
psychosocial work environment in human service organizations, analysis & development of demand-control model, 5731
simple causal relations vs causal systems approaches to examining animal behavior & behavior systems approach for summarizing data on organizational & regulatory underpinnings of behavior, 34339
structural family therapy perspective on subsystems of mind, 41183
systemic framework for group therapy, mothers separated from husbands, 23761
systemic marital therapy with 1 partner, 23757
systemic relational-psychodynamics of parental mental health & evolutionary potentialities, quality of interpersonal family relations, schizophrenics, treatment applications, 19205
systems & psychodynamic theoretical model & definition of executive coaching, 5760
systems & structural family therapy approach, relationship with family & interpersonal relationships, 20–45 yr old transsexuals who had applied for sex change surgery, Hong Kong, 27264
systems approach to development of size-suitable clothing, physically disabled consumers, 16266
systems framework for school psychology, role & function of school psychologists, 20383
systems level computational theory & associated computer model of navigation based on interacting representations of space & role of hippocampus, rodents, 14884
systems model of families for developmental & adaptive self stabilization & organization & relationship issues, literature review, 30134
systems oriented approach linking organizational behavior & environmental psychology, 10191
systems-oriented approach to top-level executive leadership development, male 40 yr old, 5759
systems perspective on special education reform, 20656
systems reformulation of developmental model of work adjustment, individuals with disabilities, 16989
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26151
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26156
theoretical & research applications of dynamical systems theory to social psychology, 26154
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26148
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26144
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26153
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26147
theoretical & research applications of dynamical systems theory to social psychology, commentary reply, 26155
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26150
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26143
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26146
theoretical & research applications of dynamical systems theory to social psychology, commentary, 26141
theoretical framework for M. Bowen's family systems theory & clinical practice in family therapy, 32217
total family systems approach to lessening caregiving burdens, caregivers of chronically ill or dependent family members, 13350
training & theoretical orientation & beliefs about & use of systems theory orientation, pediatric psychologists, 2130
United Way of Eastern Fairfield County Regional Council for the homeless, homeless delivery services, case report, 30045

Systolic Pressure—Serials
casual BP measurement, exaggerated systolic BP reactivity, healthy young males with low vs moderate vs high risk for hypertension, 12558
diastolic vs systolic cardiac phases & stimulus & response laterality, visual RT task, male vs female 19–29 yr olds, 550
effortful active coping & acute anger, systolic & diastolic BP & heart rate, 19–35 yr old females, 41410
family history & elevated systolic BP, cardiovascular reactivity to mental arithmetic stress, male college students, replication, 4625
industrialized vs nonindustrialized environment, systolic vs diastolic BP, hypertensive vs normotensive adults, Nigeria, 23355
mood & physical activity & stress, systolic & diastolic BP on work vs nonwork days, male firefighters (mean age 24.8 yrs), England, 29489
nociception & systolic & diastolic BP, normotensive adult males with positive vs negative history of parental hypertension, 8547

T Groups [See Human Relations Training]

T Mazes—Serials
retroactive interference effects caused by surprising reward omission, T maze memory, rats, 366
short & long-term spatial memory, performance on T maze & 12-arm radial maze, male Ts65Dn mice, 21489

T Test—Serials
accuracy & skew effects of alpha levels & Type 1 errors for Tukey's pocket test & comparison to t test for various sample sizes, 17741
outlier detection & downweighting procedure, augmentation of Student t test & Wilcoxon-Mann-Whitney test for control of Type II error probability, 28653

Taboos—Serials
object relations perspective on plurality of gender related instinctual & cultural incest taboo, 38811
origin & maintenance of incest taboo & model of impact of adult–child incestual sexual intercourse on normative mate selection, 35725
Westermarck effect & parental injunction to marry & psychopathological consequences in M. Shelley's novel "Frankenstein" & personal experiences, 3298

Tachistoscopic Presentation—Serials
stimulus duration & response latency issues in use of Micro Experimental Laboratory for tachistoscopic presentations, 10250

Tachycardia—Serials
stimulation of dorsal raphe region following destruction of 5-HT pathways or blockade of 5-HT receptors, hypothalamic 5-HT release & hypertension & tachycardia, rats, 21671

Tactual Discrimination [See Tactual Perception]

Tactual Displays—Serials
proximal-distal vs oblique vs medial-lateral nonmoving-oriented patterns, sensitivity of middle vs index finger of right vs left hand, 21–36 yr olds, implications for class 1 & 2 anisotropies, 25170

Tactual Maps [See Mobility Aids]

Tactual Perception [See Also Texture Perception, Vibrotactile Thresholds]—Serials
absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary, letter, 19673

absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary reply, letter, 19676
accurate discrimination in visual vs tactile vs auditory spatial separation, college students, test of Korte's time–distance constraint, 37610
acquisition of tactile Hiragana character recognition & bimanual motor coordinated tracing, 43–83 yr olds with probable Alzheimer's disease, Japan, 8605
attention to & distance from bodily location & time to discriminate presence or absence of tactile stimulus, adults, France & US, 28722
base vs comparison stimulus duration & amplitude & interval, discrimination of mechanical sinusoids, male monkeys, 41186
callosal transfer of finger localization information, 18–40 yr olds with phonological dyslexia, 16207
cerebellum activation during sensory discrimination through fingers, 30–44 yr olds, 11030
cylindrical object's products & motions of inertia, dynamic touch exteroception & exproprioception of inertia tensor, college students, 10614
displacement of instrument on skin & voluntary movement, test–retest reliability of 2-point discrimination thresholds, 6–13 yr olds, Canada, 11368
foraging & feeding & tactile & visual & chemical discrimination behavior towards land snails, subadult white-throated savanna monitors, 14771
gratings of alternating ridges & grooves, spatial discrimination & tactile learning, adults, 21235
haptic perception of length of hand-held objects, undergraduates, 17811
hemispace & lateral vs midline vs cross hand placement, lateralization of temporal processing & tactile simultaneity thresholds, 17–47 yr olds, 10948
hemispheric pseudoneglect & magical thinking in tactile bisection, 17–29 yr olds, implications for schizophrenia, 30940
impaired tactual perception, children (aged 7–11 yrs) with Down's syndrome, Sweden, 26801
individual differences in discriminative capacities for vibrotactile spatiotemporal patterns, 18–33 yr olds & 22–25 yr old Navy or Marine student pilots, 41006
inertia tensor role in selective perception by dynamic touch, adults, 10606
manual laterality while solving visually & tactually guided food reaching tasks, spider monkeys, 14851
median sensory nerve transection followed by surgical repair, representation of innervated hand in primary somatosensory cortex, immature macaques monkey, 29279
monohaptic vs dichhaptic finger exploration, interhemispheric interaction during letter shape & meaning recognition & naming, left vs right handed 21–28 yr old males, 37957
motor–perceptual interactions & illusions & between-arm asynchrony of horizontal & vertical elliptic trajectories in tactual tracking of kinesthetic stimuli, blindfolded college students, Italy, 37613
muscular sensitivity to & neural detection of rotational inertia, spatial perception of handheld objects, implications for dynamic touch in perception theory & role of muscles as measuring instruments, 6217
noise, detection of subthreshold tactile stimulus, adults, 28718
norms for touch/pressure threshold & static & moving 2 point discrimination & tactile recognition & thumb kinesthesia, healthy 60–94 yr olds, 18650
orientedness of attitude spinors, perception of object length based on selective dynamic touch, college students, 2759
pattern interference, tactile identification of spatial pattern presented to 1 vs 2 fingers, adults, 21230
perceptual asymmetries in performance & touch times during discrimination of objects by active touch, baboons, France, 37977
raised line shapes & unfamiliar 3-dimensional objects, accuracy & sensitivity in detecting bilateral symmetry, college students, test of haptic system discrimination, 21229
raising without normal sensory inputs provided by whiskers, subsequent active touch & underlying sensorimotor integration during tactile discrimination with whiskers, rats, 10752
repetitive motor patterns & object manipulation & behavioral rigidities & tactile defensiveness, 7–14 yr olds with developmental disabilities & autism, 26744
role of lateral cerebellum in acquisition & discrimination of tactile sensory information, 32–44 yr olds, 37603
sex & estimation of rods in left vs right hemispace & concurrent verbal task, bisection accuracy & bias, blindfolded adults, Italy, implications for hemispheric specialization in spatial attention, 6641
stimulus structure & perceptual exploration, decisional processes in haptic vs visual free classification, 4–9 yr olds vs adults (mean age 21 yrs), France, 11330
tactile capability to discriminate between 2 objects differing in size &/or shape, California sea lion, 10753
tactile discrimination learning, acetylcholine release in frontal vs somatosensory cortex, male rats, 29251
tactual activation of primary visual cortex & compensatory sensory changes with performance of tactual tasks, blind braille reader, 4729
transcutaneous electrical stimulation, tactile perception contralateral to hemispheric lesion, right & left brain damaged 42–81 yr olds with & without visuospatial hemineglect, 16765
upper & lower & right & left lip vermilion sensitivity & spatial acuity, 18–25 yr olds vs 66–85 yr olds, application of grating orientation discrimination technique, 15260

Tactual Stimulation [See Also Tactual Displays]—Serials

airpuff probes presented to left vs right side of face during viewing of pleasant vs unpleasant pictures, startle responses, right handed 18–35 yr olds, 18251
aromatherapy &/vs massage, disturbed behavior, 74–91 yr olds with severe dementia, 32605
attention to & distance from bodily location & time to discriminate presence or absence of tactile stimulus, adults, France & US, 28722
computer generated virtual reality & tactile exposure, anxiety & avoidance & attitudes, 37 yr old female with spider phobia, case report, 32150
eyeblink cross-habituation between tactile & acoustic stimuli, undergraduate & graduate students, 28719
injections of arginine vasopressin into cerebral ventricle or cisterna magna & stimulation with filament vs artificial nipple, grasping & oral capture, fetal rats, 11019
interhemispheric transmission time for simultaneity thresholds under randomized vs constant unimanual vs bimanual tactile stimulation, temporal perception, right-handed 17–34 yr olds, Australia, 10975
ipsilesional vs contralesional visual &/vs tactual stimuli, unimodal vs cross-modal attentional competition & extinction, female 46 & 62 & 66 yr olds with right hemisphere damage, 36110
isoflurane dose, physiological responses to tactile vs auditory stimulation, male rats, 38170
laying-on-of-hands, tactile & other physiological correlates, 18–84 yr old healers vs their patients vs healer simulators vs patient controls, Russia, 16673
massage vs relaxation therapies, depression & anxiety, depressed adolescent mothers (mean age 18.1 yrs), 13089
noise, detection of subthreshold tactile stimulus, adults, 28718
prefeeding stroking with vs without peri- & intra-oral stimulation, feeding & hospital discharge & nutritive intake & oral motor behaviors, preterm infants, implications for occupational therapy, 13472
reliability of phase related external suction method for carotid baroreceptor manipulation, heart rate waveforms, 20–41 yr old students, Germany, 14964
responses to tickling &/vs humor, 18–41 yr olds, 18019
rod set manipulations & length ranges & dense- vs light-rod-handling experience, haptic perception of rod length, college students, China, 17806
spatial tactile presentation of voice fundamental frequency F/0, speechreading enhancement, postlingually deafened vs normal hearing 20–61 yr olds, 13497

spinal cord transection at thoracic vs lumbar levels & bilateral transection of vagus nerves, pupil dilatation & alteration in vocalization threshold to vaginocervical mechanostimulation, female rats, 10966
suppresion of pain by genital stimulation, female humans & rats, literature review, 29454
tactile & noxious stimulation & conditioning, MK-801 binding to NMDA receptor sites & AMPA binding to AMPA receptor sites in primary somatosensory cortex, mice, 18164
tactile &/vs visual information about clutch size in nest, incubation behavior & termination of egg laying, female Red Junglefowl, 18116
tactile interference stimulation to hand ipsilateral vs contralateral to electrically stimulated median nerve, somatosensory evoked magnetic fields, 20–42 yr olds, 29422
tactile stimulation & maternal separation, appetitive behavior at surrogate nipple, rat pups 1–5 hrs after Cesarian delivery, 41279
tactile stimulation of mechanoreceptors from area of allodynia, nociception & nociceptor activity, 24–46 yr olds, 29256
threshold for detection of thermal or tactile stimulation in painful vs nonpainful denervated skin areas, 23–72 yr olds with spinal cord injury and central dysesthesia, 19603
visual–haptic discordance in object presentation, touch vs sight dominance in object size estimates, college students, 17807
Tailored Testing [See Adaptive Testing]
Taiwan—Serials
age & sex & causes of death & diagnostic categories & length of hospital stay, excess mortality rate over 6 yrs, psychiatric inpatients, Taiwan, 11833
apolipoprotein E genotype, 65+ yr olds with late onset sporadic Alzheimer's disease, Taiwan, 23416
attitudes & behavior & contributions & obstacles in success & development of educational programs, 50–70 yr old & older grandparents, Taiwan, 5618
attitudes toward women & issues in cross cultural research, males vs females, Taiwan vs China, literature review, 22334
demographic characteristics & personality traits & enviromental factors, happiness, 18–65 yr olds, Taiwan, 40832
Developmentally Appropriate Practice vs traditional early childhood education program, Taiwan, 5599
fusion of emotional & functional elements, successful business relationships, computer company salespeople, Taiwan, 17363
gender differences in crime rates, 1979–93, Taiwan, 23123
mean IQ data, 9–12 yr olds, Taiwan vs England, 25763
motivation & management styles, managers vs nonmanagers in public vs private sector, Taiwan, comparison with US data, 13945
perceived sources of happiness, 18–60 yr olds, Taiwan vs Western countries, 30091
phonological awareness & visual skills before & after learning alphabetic system, prediction of reading ability, Chinese 1st graders (mean age 6.48 yrs), Taiwan, longitudinal study, 33454
physical vs social & cultural symptoms of illness, Chinese psychiatric patients with somatoform disorder, China & Hong Kong & Taiwan, 42701
prevalence of personality disorders, aboriginal vs Han Chinese suicide victims, East Taiwan, erratum, 42438
prevalence of personality disorders, aboriginal vs Han Chinese suicide victims, East Taiwan, 39136
sex & age, scholastic & athletic competence & social acceptance & physical appearance & behavioral conduct & global self worth dimensions of self esteem, 4th–6th graders, Taiwan, 34962
sociodemographic characteristics & symptomatology & comorbidity measured by Chinese Diagnostic Interview Schedule, adults with major depressive disorder, 1982–86, Taiwan, 4097
special education legislative mandates, US vs mainland China vs Taiwan, 37106
suicide & parasuicide, psychiatric inpatients, 10 yr study, Taiwan, 12157
types & phenomenologic subtypes of dementia, elderly psychiatric inpatients, Taiwan, 8668
Talent [See Ability]
Talented [See Gifted]
Tanzania—Serials
cohort analysis & intervention to reduce HIV transmission, trends in sexual behavior, urban male factory workers & their spouses, Tanzania, longitudinal study, 27603
sexual behavior patterns & other risk factors, HIV prevalence, HIV+ 20–54 yr olds, Tanzania, 31683
Tape Recorders [See Also Videotape Recorders]—Serials
fast vs slow paced taped words interventions, sight-word reading accuracy, 10.4 & 11.8 & 12.2 yr old male elementary students with mental retardation, 33557
Tardive Dyskinesia—Serials
abrupt cessation of clozapine & benztropine, worsening of tardive dyskinesia & psychotic symptoms, female 60 yr old with paranoid schizophrenia, letter, 5101
acetazolamide & thiamine, tardive dyskinesia & parkinsonism, 72–86 yr old vs 23–55 yr old chronically hospitalized mental health patients, 36430
amantadine hydrochloride & neuroleptics, extrapyramidal symptoms & psychosis, 48–83 yr old inpatients with tardive dyskinesia, Canada, 32340
amantadine, psychiatric symptoms & tardive dyskinesia & plasma HVA, 24–78 yr old male inpatients with schizophrenia, 36628
atypical antipsychotic olanzapine, relapse & tardive dyskinesia & quality of life, schizophrenic patients, implications for mental health care costs, 32421
caudate nucleus size & cerebral atrophy, hospitalized patients with schizophrenia (mean age 60.3 yrs) with vs without tardive dyskinesia (mean age 60.6 yrs), 31741
cocaine & haloperidol & clozapine & other neuroleptics, acute orobuccolingual dyskinesia, model of paleocortical escape, 19942
cognitive dysfunction & emergence of tardive dyskinesia, 25–78 yr olds with chronic schizophrenia, Ireland, 10 yr study, 1306
concurrent validity & reliability of St. Hans Rating Scale vs Abnormal Involuntary Movement Scale, assessment of tardive dyskinesia, male schizophrenic patients, letter, 6053
demographic & cognitive & psychiatric diagnosis & treatment history variables associated with tardive dyskinesia, 60 yr old & older geropsychiatric outpatients, 7805
diagnosis & differential diagnosis & treatment & prevention of tardive dyskinesia, 36494
dietary intake of eicosapentanoic acid & other fatty acids, symptomatology & tardive dyskinesia, schizophrenic inpatients, 1295
dietary phenylalanine challenge, tardive dyskinesia symptoms & involuntary movements & recall memory & plasma phenylalanine, schizophrenic 28–65 yr old males with tardive dyskinesia, 26509
diurnal & weekly variability of tardive dyskinesia, 30–58 yr olds with schizophrenia or schizoaffective disorder, 4184
efficacy of vitamin E treatment, 24–71 yr olds with tardive dyskinesia, 39793
ethnic differences in prevalence rates of tardive dyskinesia, literature review, 36153
facial stereotypic movements, adults with tardive dyskinesia & severe or profound mental retardation, 8400
fluoxetine related lingual dyskinesia, patient with tardive dyskinesia, commentary with reply included, letter, 32449
haloperidol, dynorphin & substance P & enkephalin mRNA expression in early onset acute vs late onset tardive vacuous chewing movements, male rats, animal model of parkinsonism, 18284
handedness, risk of tardive dyskinesia, outpatients with schizophrenia or schizoaffective or affective disorder maintained on neuroleptics, 5074
incidence of & demographic & psychiatric & motor & pharmacological risk factors for tardive dyskinesia, middle-aged & elderly psychiatric patients, 36 mo study, 42196

incidence of & risk factors for orofacial vs limbtruncal subtypes of tardive dyskinesia, 45 yr old & older neuropsychiatric outpatients, 2 yr followup, 7808
intake of n3 & other dietary fatty acids, schizophrenic symptoms & tardive dyskinesia, schizophrenic patients, 4169
lithium &/vs neuroleptic induced tardive dyskinesia & parkinsonism & other extrapyramidal symptoms, 20–68 yr olds with bipolar disorder vs major depression vs atypical affective disorder, Canada, 5021
low dosages of risperidone, tardive dyskinesia, 79 yr old female, 1 yr followup, case report, 9144
multicenter & between examiner reliablity of instrumental procedure for assessment of upper extremity tardive dyskinesia, adults, 40973
nilvadipine, psychiatric symptoms & tardive dyskinesia, 24–78 yr old male inpatients with chronic schizophrenia, 27470
opioid receptor changes in brain regions after long term haloperidol treatment & development of vacuous chewing movements, male rats, 15091
paroxetine induced tardive dyskinesia, female 81 yr old nursing home residents with major depression, case reports, letter, 1802
prevalence & severity of & factors associated with & probability estimates of spontaneous & tardive dyskinesias, 59 yr old males in general population, Sweden, 39388
prevalence of tardive dyskinesia & associated risk factors, Asian & African countries, literature review, 9138
prevalence of tardive dystonia & dyskinesia & parkinsonism & akathisia, psychiatric inpatients on neuroleptics for 3 mo or longer, Netherlands Antilles, 9165
relationships between age & tardive dyskinesia & positive & negative symptoms, female schizophrenic patients, 12079
risperidone, chronic aggressive & self-injurious & other severely disturbed behavior & tardive dyskinesia, 28–62 yr olds with moderate to profound mental retardation, 43150
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, letter, 27406
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary, letter, 39799
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary reply, letter, 39800
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9148
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9090
risperidone, withdrawal-emergent tardive dyskinesia during dosage reduction, 23 yr old male with paranoid schizophrenia, case reoprt, 32339
severity of catalepsy after haloperidol injections, development of vacuous chewing movements, rats, animal model of parkinsonian signs & tardive dyskinesia, 6932
substance abuse & tardive dyskinesia, patients with schizophrenia, retrospective study, conference presentation, 30929
TaqI polymorphism of dopamine D2 receptor gene & tardive dyskinesia, inpatients with chronic schizophrenia (mean age 43 yrs), Taiwan, 30949
vitamin E, reduction of severity of abnormal movements, adults with schizophrenia or bipolar or unipolar disorder & tardive dyskinesia, 16641
vulnerability to tardive dyskinesia development & cerebral metabolism, patients with schizophrenia, longitudinal study, 12072

Task Analysis—Serials

adaptive task allocation, monitoring of automation failure during flight simulation, 18–28 yr old nonpilots, 24888
Air Force occupational survey data as task based measure of job productivity, airmen, 20740
analysis of synchronization constraints & psychological problematics & associated errors in collective work environments, 17459
behavioral teaching procedures to teach name printing skills, 6–14.2 yr olds with mental retardation, 9981
definition of & classification system & selection guidelines for task analysis, special educators, 5697
ethnographic methods & design of integrated method for groupware task analysis, 20865
extension of distributed hypothesis testing to influence diagram model of joint task organization system with structured task environments & arbitrary acyclic organizational structures, 14441
high vs low self-evaluation on error-checking task, goal setting &/vs task performance, adults, 35327
history & evaluation of military job analysis & task inventory approach to study of jobs, 20706
imagery of successful vs unsuccessful task completion, eye hand coordination task of basketball foul shots, novice high school vs coaching academy students, Israel, 2337
imagery perspective & task type, performance enhancement & subjective ratings of visual & kinesthetic imagery, college students, 183
information display & task related information analysis, 43932
manual & nonmanual data & dual-task experiment & scattergram method, college students, 34142
method for task description analysis, gathering relevant operator task characteristics relevant for human computer interface design that meets ergonomic criteria, 10205
methods for collecting job characteristic data & clustering jobs to meet needs of different functions of Navy personnel system, Navy supervisory senior enlisted personnel, 20773
representational analysis & task taxonomy & mapping of relational information displays, 6355
student vs teacher choice of instructional task, problem behaviors, moderately or severely mentally retarded 7–12 yr olds & their teachers, 39174
survey mail method of obtaining expert judgments of importance of abilities for job activities, Air Force supervisors, 20736
task analysis of shift from teacher to self instruction in performance of in-common sorting task, 4–5 yr olds, 13708
task features & cognitive demands during set up vs implementation of enhanced reform oriented mathematical instruction, 13725
use of estimates from single tasks in risk assessment & estimation of hand force & peak lumbar compression & shear force in combination manual tasks, college students, 38067

Task Complexity—Serials

ability & job complexity, job mobility, 12th graders & 15–22 yr olds, longitudinal study, implications for employers & vocational counselors & job applicants, 17279
access of aviation navigation database under single-task vs dual time-sharing task condition, selection & viewport allocation strategies, pilots, 43903
age, event- vs time-based tasks of prospective memory, college students & 57–84 yr old adults, 34999
alprazolam, anxiety reduction during complex task settings, 21–45 yr old managers, 16657
anagram difficulty & trial length, skin conductance activity & self-report & objective task performance, undergraduates, 11083
attribution for task performance difficulties vs feelings about task efficacy, aged adults, 25950
brief vs easy vs additional interspersed mathematical problems & time to complete, assignment preference & reinforcement, undergraduates, 17155
capacity limitations of digit placement task, RT during 3- vs 4-item digit placement task vs tone alone vs tone & 3-item digit placement task, 7.7–10.3 yr olds, conference presentation, 41640
character recognition task difficulty, heart rate & BP responsivity, fluid-deprived vs fluid-satiated college students, 29490

complex sequential finger movements, activation of brain regions measured by regional cerebral blood flow, 20–59 yr olds, 11000
complexity of forced choice tone recognition task, regional cerebral glucose utilization patterns, healthy 25–35 yr olds, 10959
computational theory for executive processes & interactive control architecture in multiple task performance, 14604
cross-cultural validation of item complexity of 3-Dimensional Cube Comparison Test, 17–61 yr olds, US vs Austria, 2514
decision complexity, performance in decision making under risk, adults, application of horse race betting data, UK, 2802
decision variable partition vs ecological vs error model, hard-easy effect in subjective probability judgments, college & graduate students, 2834
delayed digit recall & random digit generation & subsidiary task degeneration while driving & traffic difficulty, measurement of spare cognitive capacity & driver work load, drivers, 17465
development of limited capacity metaphors to explain performance limits & multiple resources assumption & connectionist notions of confusion & interference, conference presentation, 28885
difficulty of psychophysical same–different task, use of uncertain response adaptively to escape indeterminate stimulus relations, college students vs rhesus monkeys, 29485
difficulty of target setting & continuity of feedback, performance improvement, college students, Nigeria, 21337
difficulty of visual discrimination training, acquisition & transfer of stimulus-specific & strategic knowledge in visual comparison tasks, 18–25 yr olds, 2865
dimensionality of J. R. Hollenbeck et al self report measure of goal commitment on computer tasks, college students, 38757
easy vs difficult & familiar vs novel paper folding & story sequencing tasks, microgenetic change in quantity & quality of private speech, 4.8–6 yr olds, Canada, 29778
easy vs difficult academic tasks, time on-task & disruptive behaviors, 9 & 12 yr old male students with severe emotional & behavioral problems, 2222
educational level & task difficulty, effectiveness of scenarios to assess communication skills in objective structured clinical examinations, clinical clerks & residents & medical students, 33193
electronic communication mode & task complexity & completion time & perceived information load, small group performance & member satisfaction, MBA students (mean age 33.45 yrs), 26164
fatigue effects & task demands, design of in-vehicle countermeasure systems to counteract driver fatigue, drivers using driving simulators, 43915
feedback & item difficulty effects on overconfidence bias, accuracy in judgments, 18–48 yr old college students, 38781
feedback environment & task complexity, development of goals & information search strategies & performance improvement, college students, 14678
general factor in dual task performance decrements, adults, 17890
grade & syllable segmentation & speed of presentation, word-blending ability, K–2nd graders, Canada, 11366
high vs low incentives for accuracy in more vs less difficult task, social influence of inaccurate confederates, college students, 11680
imitation of pretend play in single- vs multischeme tasks, 3–16 yr olds with autism vs Down's syndrome, 42607
individual vs group identity salience & personal & collective advantage or disadvantage, evaluations of personal performance & attractiveness of rewards, college students, 7748
induced depressed mood & task organization & cognitive interference & recall, 18–49 yr olds, 37704
information complexity, mental workload & performance, pilots, Sweden, 28824
information dilution & job characteristic bias theory, evaluation & recall of actor's performance of high vs low complexity task & self-awareness of reasoning processes, college students, 25263
intuitive perceptions of problem solving complexity & decision making strategy, 17–23 yr olds naive to vs informed of study purposes, 21369
item difficulty & absolutely certain responses, eyewitness confidence & accuracy, 17–43 yr olds, 17985
learning vs outcome goals, performance of simple vs complex scheduling task, business students, 273
level of generality of ability and affect, performance & feelings of difficulty, 7th vs 8th vs 9th grade students, 1 yr followup, 40423
listening to Mozart piano concerto vs repetitive relaxation music, spatial reasoning measured by performance in maze task varied by complexity & size, college students, replication, 34250
low vs high presentational demands, frequency & accuracy of feeling of knowing & tip of tongue states, college students, 17953
manipulations of prevocational task requirements & task sequence & reinforcement contingencies, stereotypy, 12 yr old with severe mental retardation, 19836
mental workload & type of cognitive task, anxiety & heart rate, 17–18 yr olds of average vs high intelligence, Poland, 6769
mode of learning & skill level, performance of complex tasks, 19–30 yr old college students, Ireland, 28969
modulation by cerebral hemispheres & task properties & mode of response & age, dissociation between categorical & coordinate spatial computations, young vs older adults, 29247
movement task constraints, online programing, college students, 2796
multi-attribute decision support & problem complexity, perceived difficulty of & satisfaction with individual vs group decision making on personnel selection problems, college students, Netherlands, 17295
number of social cues leading to correct interpretation of child–child interaction story & degree of complexity, social perception skills, 4–12 yr olds with autism vs mental handicaps, 35887
passive viewing of vs graphemic or semantic encoding of word list, number of presented stimuli & time estimation, college students, 17812
path structure & task complexity of part A vs B of Trail Making Test, implications for generating alternative pathways & interpreting results, 10484
performance in static vs dynamic tasks involving mental rotation, Navy recruits & college students, 6319
performance on 3 versions of the Puzzle Reproduction task of the Loewenstein Occupational Therapy Cognitive Assessment, 18–30 yr olds vs 58–70 yr olds, 38323
planning & problem solving in complex puzzle task, adults, UK, 21374
practice vs no practice of difficult vs not difficult mental arithmetic problems, RT & ERPs, 20–28 yr olds, Germany, 3125
prior knowledge, complex procedure learning, college students & adults, 34206
provision of information about task difficulty, & task-specific memory self-efficacy & free recall, 16–25 vs 63–86 yr olds, 41641
reasons for choice of easy vs intermediate vs difficult task, 4.5–6.3 yr olds, 799
RT & error rates of indecisives & decisives in simple & complex tasks, adults, 37706
self efficacy, knee pain & speed of movement during & difficulty & perceived ability of motor tasks & correlations with pain during activities of daily living, elderly with osteoarthritis, 12480
self presentation bias & continuing motivation for difficult vs easy tasks, 7th vs 11th grade males & females, China, 20626
sensitivity of implicit learning vs explicit knowledge in 1st vs 2nd order dependencies & transfer in grammar, adults, 37775

single &/vs dual task performance, patients with focal anterior vs posterior brain lesions vs acute vs subacute closed head injuries, 8655
single vs combination manual handling tasks, risks assessed by ratings of discomfort & exertion & heart rate, adults, 37261
single vs dual tasks, nonspecific slowing in information processing & capacity to generate information randomly, Parkinson's disease patients, test of A. D. Baddeley's depleted resources theory, 8639
spatial exploration & habituation & reaction to task complexity, male rats with medial prefrontal cortex lesions, 29292
spatial vs location cues, performance on graphic vs partially graphic vs latent multidimensional vs recognition tests of configurational knowledge, 18–29 yr old students of geography, Wales, 14649
supervisory control on Stroop test under paced vs self paced single vs dual task condition, 16–42 yr olds with closed-head injury, 4644
syntactic complexity of sentence imitation task, frequency of stuttering & repetition accuracy, stuttering vs normally fluent 10.5–17.6 yr olds, 26849
syntactic processing in sentence comprehension under dual task conditions, aphasic patients, 26951
task complexity & target luminance & age, endogenous visuospatial precuing, 20–27 vs 64–68 yr olds, 6251
task complexity & time on task & vigilance, monitoring of single automated flight simulation system failure, 18–38 yr old college students, 2391
task complexity & urgency level, emergency medical care personnel, implications for team coordination, 24281
task demand & noise & anxiety level, sustained attention task errors, college students, 21462
task demands & nature of probed object, implicit & explicit memory for object location associations, adults, 10730
task difficulty & meaningfulness of materials, response bias in probabilistic reasoning, patients (mean age 33.74 yrs) with paranoid schizophrenia & delusional disorder, 35643
task difficulty & motivation & paid participation, sustained attention on cognitive vigilance tests, 18–24 vs 51–89 yr olds, 315
task difficulty & practice, specificity of visual perceptual learning & task performance, adults, 34149
task difficulty & threshold, vertex ERPs, 17–28 yr olds, 6708
task difficulty, attention & subsequent tonic prefrontal neuron activity during visual detection task, macaques, 14852
task features & cognitive demands during set up vs implementation of enhanced reform oriented mathematical instruction, 13725
task related negative affect & task difficulty, multiattribute choice & decision accuracy, college students, 37730
task-related negative emotion & task attributes & problem- vs emotion-focused coping goals, choice processing, college students, extension of effort–accuracy model of decision strategies, 21351
task requirements & optimal biomechanical performance, impulse to collide with obstacle & force related control in choice of aiming fingertip to tap against obstacle, college students, 28826
team competency training effectiveness measured by group performance of complex tasks, male Navy aviators, 38683
text & task & reader factors, role of paragraphing vs elaborative information in identification of & memory for main ideas in expository passages, college students, 14596
time pressure & task differences, influence modes & accuracy in decision-making groups, college students, 18850
topography & amplitude of slow event-related brain potentials & cognitive tasks with different amounts of load on functionally distinct processing modules, conference presentation, 29435
traffic volume & complexity & overload in computer based simulated task, workload changes, 21–29 yr old Air Force traffic controllers, 14001
visual & verbal interference tasks, olfactory memory, 16–18 yr olds, 10604
visual 1- vs 2-dimensional tasks, P300 ERP lateralization abnormalities & latencies, 17–30 yr old males with schizophrenia, 26498
5-step strategy using readying & imaging & focusing & executing & evaluating, performance on psychomotor tasks with different levels of cognitive vs motor elements, adults, 6409

Task Difficulty [See Task Complexity]
Taste Aversion Conditioning [See Aversion Conditioning]
Taste Buds—Serials

detection of G-protein-coupled metabotropic glutamate membrane receptors in taste buds, taste of monosodium glutamate, rats, 18150
fungiform taste bud denervation, long-term taste preferences for NaCl vs KCl concentrations, male hamsters, 6600
gustducin taste receptor cell specific guanine-nucleotide binding protein, taste transduction & behavioral responses, mice with mutation of alpha-gustducin gene, letter, 18220

Taste Discrimination [See Taste Perception]
Taste Perception—Serials

ability to identify food stimuli & taste complaints & acuity & depression, 24–46 vs 66–91 yr olds, 22748
acidic fibroblast growth factor in cerebral ventricles, conditioned taste aversion learning, male rats, 3261
almond vs vanilla odor cues &/vs color cues, taste-avoidance learning of quinine flavored water, male domestic chicks, 37843
anterior tongue stimulation with amiloride, suppression of saltiness or sourness, 18–55 yr olds, 21239
beverages sweetened with sucrose vs fructose vs aspartame, sweet taste perception & pleasantness ratings & daily energy intakes & diet macronutrient composition, 43–72 yr olds with diabetes, 8498
bilateral chorda tympani nerve transection, NaCl conditioned taste aversion retention, Fischer 344 vs Wistar male rats injected with LiCl vs NaCl, 6455
carbohydrate & preferred vs aversive taste solutions with vs without food, discriminative fluid intake conditioning, female rats, test of nutrient–flavor vs malaise analog hypotheses of conditioning, 6422
changes in taste sensitivities over lifetime, male rats, 21779
conditioned saccharin-induced suppression of splenic lymphocyte interleukin-2 & corticosterone production, splenic norepinephrine, rats, implications for CNS–immune system pathways, 21764
conditioned taste aversion, EEG desynchronization & interscapular brown adipose tissue temperature & sympathetic nerve firing rates, female rats with vs without alpha-1 adrenergic blocker prazosin, 6572
conditioned taste aversion with sodium saccharin as CS, amygdalar neuronal responses to sodium saccharin vs sucrose vs sodium chloride vs hydrogen chloride vs quinine hydrochloride, rats, 14896
cooling of area postrema, conditioned taste aversion induced by lithium chloride vs apomorphine, male rats, 21719
d-fenfluramine, taste responses to sucrose vs quinine, male rats, 21850
description & characteristics of computer-controlled electrogustometer for use in measuring evoked taste thresholds, 41009
detection of G-protein-coupled metabotropic glutamate membrane receptors in taste buds, taste of monosodium glutamate, rats, 18150
dietary flavor, preferences for medium-chain vs long-chain triacylglycerol diets, chickens, 6420
diltiazem vs isradipine vs nicardipine, role of taste aversion in suppression of saccharin & alcohol drinking induced by L type calcium channel inhibitors, rats, 15082
dosage level of cromakalim, gastric emptying & subsequent food intake & taste aversion, male rats with subdiaphragmatic vagotomy, 6866
ethanol consumption & taste perception & burning sensation, C57BL/6ByJ vs 129/J male mice, 11103
ethanol withdrawal, conditioned place & taste aversion, rats, 34657
fluoxetine vs lithium, conditioned taste aversion to sucrose, male rats, 7033

food deprivation, preferences for nonnutritive mineral oil emulsion with fatty flavor vs sweet tasting saccharin solution, rats, followup, 21769
fungiform taste bud denervation, long-term taste preferences for NaCl vs KCl concentrations, male hamsters, 6600
gustatory nerve transection, taste guided lick responses to sucrose & maltose, male rats, 11011
gustducin taste receptor cell specific guanine-nucleotide binding protein, taste transduction & behavioral responses, mice with mutation of alpha-gustducin gene, letter, 18220
gymnemic acid, summated chorda tympani nerve response & sweet vs nonsweet taste perception, chimpanzees, implications for phylogenetic differences in higher vs lower primate sense of taste, 6735
identification of premotor gustatory centers & descending gustatomotor pathways & taste-mediated food search, channel catfish, 34549
inhibitory effects of amiloride, salt responses of chorda tympani nerve at different temperatures, C57BL vs BALB vs 129 mice, 11178
intensity of NaCl solution, degree of adaptation & recovery time course as measures of taste responsivity, adults, 21238
intragastric maltodextrin Polycose & abdominal vagotomy with intact hepatic branch, carbohydrate-conditioned flavor preferences, female rats, 6671
kainate lesions in globus pallidus neurons, neophobia & conditioned taste aversion, male rats, implications for feeding information acquisition & storage & retrieval, 21656
low vs high dose of dopamine D3 receptor agonist 7-OH-DPAT, water intake & conditioned taste aversion to saccharin, male rats, 11108
low vs high saltiness preference & soups with vs without umami additives, changes in soup pleasantness ratings, 19–47 yr olds, 10615
maltodextrin flavor discrimination & preferences, female rats, 415
mental or physical fatigue or tension, intensity & duration of taste responses to bitter vs sour vs sweet substances, adults, 21794
microinjection of c-Fos antisense into amygdala before vs after conditioned taste aversion training, conditioned taste aversion memory, male rats, 21668
morphine, enhanced ingestion of 2 vs 20 percent sucrose solution in taste reactivity test, male rats, animal model of hedonic assessment, 11192
naloxone, establishment of sucrose concentration gradiant after sucrose vs saline administration in operant taste discrimination task, male rats, 21900
naltrexone, alcohol taste reactivity & consumption, male Long-Evans rats, 38112
naltrexone, food pleasantness ratings & intake, male 18–30 yr olds, implications for opioid involvement in food palatability, 7113
olfactory & gustatory thresholds, individual differences in food preferences, male vs female 19–53 yr olds, commentary reply, 10608
olfactory & gustatory thresholds, individual differences in food preferences, male vs female 19–53 yr olds, commentary, 10613
pairing of novel sucrose CS & Ketaset-Rompun anesthesia US, development of conditioned taste aversion, male adult rats, 37839
postexposure of sucrose solution after flavor-sucrose pairing, conditioned flavor preference, male rats, 37831
qualities & descriptive social norms of food, frequency of food consumption, 12–15 yr olds, Australia, 11317
recordings of taste responsive neurons in orbitofrontal cortex to astringent taste of tannic acid vs other tastes, male rhesus macaques, 21627
reduction in taste functions for sweet vs sour vs salty vs bitter stimuli, centenarians, Sicily, conference presentation, 30002
saccharin concentration, stimulus control & discriminated morphine-saccharin taste aversion task, rats, 29576
selective desalivation, NaCl & KCl discrimination, rats with vs without chorda typani transection, 29370
sensitivity to phenylthiocarbamide bitters, cyclic adenosine monophosphate dependent resistance to anoxia, cats, 34608
sensitivity to taste of 6-n-propylthiouracil, 14–21 yr olds with vs without history of paternal alcoholism, experimental replication, implications for biological risk markers, 26669
sodium chloride-induced short-term aversion learning, visceral information processing in medial parabrachial nucleus, male rats, 37815
solitary tract nucleic lesions, appetitive vs aversive gustatory axonal concentration-response functions measured by licking, male rats, 21706
sour taste quality recognition, 17–56 yr olds with resection of left vs right anterior temporal lobe for epilepsy vs healthy 22–41 yr olds, Canada, 43264
stimulus sequence, judgments of pleasantness of taste stimuli, 18–49 yr olds, Netherlands, 41010
sucrose & NaCl & QHCl, taste behavior, male rats with gustatory thalamus lesions, 34575
sucrose infusions, c-Fos like immunoreactivity in intermediate nucleus of solitary tract after acquisition of conditioned taste aversion, male rats, 6 mo study, 21661
summer vs winter taste detection & recognition thresholds in dim vs bright light, carbohydrate craving, 24–52 yr olds with seasonal affective disorder, implications for serotonin hypothesis, 4077
taste aversion, energy intake after parenteral dehydroepiandrosterone, lean vs obese rats, 648
taste loss & tongue numbness as initial symptoms, 64-yr-old male with Guillain-Barre syndrome, case report, 19597
taste masker strength, threshold for detection of 1 taste among others, 18–29 vs 66–90 yr olds, 21237
taste preference thresholds for food associated sugars, squirrel monkeys, 21767
taste reactivity to alcohol, high vs low alcohol sensitive rats, 34671
taste-receptive neurons in nucleus of solitary tract, stimulus selectivity of parabrachial nucleus of pons, rats, 41315
tasting capsule contents, discrimination of drug vs placebo, 24–46 yr olds, 565
variation of sweetness, choice & preference of object, male rats, 29185
zingerone vs capsaicin & interstimulus intervals & chili consumption frequency, time–intensity irritation characteristics & sensitization effects, adults, 7034

Taste Stimulation—Serials

chorda tympani nerve transection, potassium vs sodium chloride taste aversion conditioning, male rats, 21708
cycloheximide & 8-azaguanine, inhibition of protein synthesis in brain & conditioned taste aversion & enhanced preference, rats, 21702
differences in afferent code for saccharin & other taste qualities in nucleus of solitary tract, NaSaccharin vs water preferring rats, 21643
gustatory stimulation, increased ingestive behaviors & decreased nucleus ambiguus vagal tone, high-risk low-birthweight neonates, 38280
intensity of NaCl solution, degree of adaptation & recovery time course as measures of taste responsivity, adults, 21238
long delay aversion conditioning with aqueous odors & potentiation of taste by odors, rats, implications for role of taste in food aversion learning, 41207
morphine & cocaine vs lithium as psychoactive UCS, saccharin vs NaCl as gustatory CS, female rats, test of reward comparison vs conditioned taste aversion hypotheses of taste–drug reinforcement, 21852
NMDA receptor role in taste learning in insular cortex, male rats, 41355
recordings of taste responsive neurons in orbitofrontal cortex to astringent taste of tannic acid vs other tastes, male rhesus macaques, 21627
reduction in taste functions for sweet vs sour vs salty vs bitter stimuli, centenarians, Sicily, conference presentation, 30002
responses of neurons to unitary & binary taste stimuli, female monkeys, 21677

salt cue CS, morphine conditioned salt aversion, male rats, replication, 29045
selective desalivation, NaCl & KCl discrimination, rats with vs without chorda typani transection, 29370
sodium balance restoration following induced sodium deprivation, gustatory-evoked responses in nucleus tractus solitarius, rats, 6649
sodium vs potassium taste stimulation, integrated chorda tympani nerve responses, Sprague–Dawley vs Fischer 344 rats pretreated with amiloride, 6650
solitary tract nucleic lesions, conditioned taste aversion to alanine, male rats, 21647
solitary tract vs pontine parabrachial nucleic lesions, conditioned taste aversion to alanine & zinc sulfate, male rats, 21646
taste stimulant saccharin concentration & glucose, fluid licking rates & volume ingested as measures of negative feedback signal magnitude, male rats, test of oropharyngeal hypothesis of satiety, 6732
taste–tone vs taste–odor compounds paired with lithium-induced illness, taste-potentiated auditory & odor avoidance & extinction resistance & aversion generalization, male rats, 6462

Taurine—Serials

CSF taurine levels, male pathological gamblers vs nongamblers, 29481
severity of illness & CSF concentrations of glutamate & aspartate & taurine, 53–90 yr olds with dementia of Alzheimers type, 23380

Taxation—Serials

conventional economic vs social psychology vs economic psychology approaches to tax compliance, 35014
imposition of deliberately high advance levies & introduction of overall standard deduction as proposals for increasing tax compliance & decreasing evasion, 35015
income tax checkoffs for funding child abuse prevention programs & patterns of donations, 1991–92, 5234
increased tax knowledge, attitudes toward taxation & tax ethics, marketing vs tax law students, implications for social sciences education, questionnaire appended, 3895
intention to vote for cigarette tax increases & subsequent voting, legislators (mean age 51 yrs), application of theory of planned behavior, 38583
wording tax rules to convey the presence of a permission or obligation situation, accuracy of reasoning performance, college students without vs with familiarity vs with familiarity & experience, 41087

Taxonomies—Serials

applicability of disorder definitions from American Association on Mental Retardation, preschool children, commentary, 1445
applicability of disorder definitions from American Association on Mental Retardation, preschool children, commentary reply, 1439
application of frequency domain generalization of classical quadratic discriminant function to classification of multichannel EEG recordings in cognitive tasks, 18–47 yr old females, 34602
application of taxonomy to evaluation of symptoms, individuals with traumatic brain injury, 31853
arbitrarily placed category boundaries, judgment of similarity between pairs of stimuli, college students, 22489
associations between five factor model of personality domains & DSM-IV ratings, patients with personality disorder, 35693
C. von Bruhl-Cramer's historical concepts & observations related to etiology & classification & therapy & sequelae of alcoholism, 12234
categorization & models of cognitive & learning styles, 28876
categorization of body dysmorphic disorder as obsessive compulsive spectrum disorder & part of broad affective disorder spectrum, commentary reply, letter, 11911
categorization of body dysmorphic disorder as obsessive compulsive spectrum disorder & part of broad affective disorder spectrum, commentary, letter, 11924
categorizations of causes of anger in family, laypersons vs psychologists, 11711
category typicality of item & model of distinctiveness, item recall, college students, 21444
classification of cognitive dysfunction based on trait/state model, patients with schizoprhenia, 35628
classification of Megargee MMPI vs MMPI-2 scores, female inmates, 35342
classification system for anxiety inducing competitive game situations, university & regional basketball vs field vs ice hockey vs soccer athletes, 17411
clinical & interactional typology for bully-victim-bystander relationship in school violence, children, 13802
concordance of current relationship & adult attachment models classifications, 20–31 yr old engaged couples, 3932
concordance of ICD & DSM classifications of multiple somatoform symptoms & somatization disorders, adult inpatients, Germany, 16258
construct validity & factor analysis of taxonomy of biographical & personality items, assessment of dependability & demeanor & ambition, job applicants, 2707
correspondence of scientific categories with folk categories of trees, categorization processes & inductive reasoning, taxonomist vs maintenance vs landscape worker tree experts, 17936
definition & subtyping & interfacing of school refusal behavior with appropriate assessment & prescriptive treatment strategies, children & adolescents, 19292

development of measure of teacher efficacy for enhancing student social relations, elementary & junior & high school teachers, Israel, 10533
disclosure of teacher's lesbian sexual orientation, end of term teaching evaluations & bias, counseling psychology college students, 24652
number of psychology research scholarly journal pages & mentoring & teaching effectiveness measured by number of psychology PhD degrees, liberal arts colleges, 17036
perceptions of effective school based mentoring, primary & secondary student teachers & mentors, England, 24537
rating factors in teacher effectiveness evaluations predictive of teaching effectiveness, private college students, 40931
student mood state, course & instructor effectiveness evaluations, college students, 28055
students' evaluations of university teaching using the Chinese version of the Students' Evaluations of Educational Quality Instrument, college students, Hong Kong, comparison with North American data, 40935
supervisor evaluation & teaching effectiveness of psychiatric residency program, Canada, 27964
teacher assessment strategies & attitudes toward student learning & process skills & school policy, Year 2 teachers, England, 36959

Teacher Expectations—Serials

effect of teacher's positive vs negative expectations on power of self-fulfilling prophecies, students with low vs high self-concept, 30512
play activities & teacher predictions & peer social initiations, social interactions, autistic & normal preschoolers, 2239
sex & ethnic group & social class of 6–7 yr old students, assessment expectations & bias, Key Stage One teachers, England, 37077
standards for classroom behavior of behaviorally disordered students, elementary & secondary school teachers across cascade of special education placements, 13848

Teacher Personality—Serials

teacher personality & pupil control ideology & leadership style, classroom management & attitudes toward corporal punishment, K–12th grade graduate student teachers, 9826
unplanned imparting of teacher personality, 3rd & 6th & 9th graders, Russia, 9957

Teacher Recruitment—Serials

recruitment & retention of Black & other minority teachers in gifted education, 43709

Teacher Student Interaction—Serials

accessibility of children's mathematics problem solving strategy information expressed only in gestures, teachers & college students, 24546
acculturation & role of language, cultural differences in uncertainty avoidance & masculinity/femininity, native MBA students & British & American faculty members, Spain, 33484
age & class size & supportive statement on syllabus, willingness to seek help from college instructors, college students, 33507
analysis of conversational interaction to determine improved or diminished instructional value of clinical teaching encounter, physician-teacher & teacher-coach & medical students or residents, 9703
application of H. J. Aponte's systems based Family-School Interview in school & family conflict situations, 12865
attachment security vs teacher sensitivity vs peer relations, development of complex play behavior, 10–60 mo olds, 22107

behavior problems, escape extinction vs functional communication training intervention fidelity & probability of durable behavior change, developmentally disabled 8 & 9 & 17 yr olds & their teachers, 27222
child-parent & child-teacher relationships, social & academic outcomes in early childhood, 22129
choice theory & reality therapy teacher training, attendance & academic performance & student self concept & interstudent & student & staff relationships, teachers & K–4th graders, 33321
classroom behavioral problems arising from misunderstandings of cognitive styles, students of cultural background different from norm of school, 13785
completion of coursework on childhood education & development, responsive vs restrictive verbalizations with young children, preschool classroom teachers, 17107
conditions in classroom related to teacher & student roles & relations, production of quality school work as defined by W. Glasser & J. Dewey, 33470
context specific evaluation for educational software, 17156
contribution of tutor's vs tutee's actions & interactions to tutee's learning process, 21401
curriculum & instruction & student-teacher interaction & transformation of knowledge into conceptual understanding of subject matter in mathematics, 4th graders & their teacher, 17157
differences in course design & moderator behavior, patterns of participant interaction in text based interchanges in computer mediated conferences, adults, 27967
dual nature of moral reality & individual reality, reconciling high school students' neighborhood & teachers' middle class values, implications for quality schools, 33332
early interaction & sexual relations with homosexual teachers, homosexual vs heterosexual 18–94 yr olds, 18785
epistemological role of caring in teaching & model of teacher knowledge as relational & knowing as result of caring & relationships with students, teachers, Canada & Australia, 20574
examples of teacher-child interaction & effect of teacher talk, language unit teachers & their language impaired students, England, 35957
faculty's collective influence over school policy & autonomy of individual teachers in classroom, conflict among teachers & students & administrators, high school teachers, 13678
feedback patterns & complexity of perceptual map hierarchies, experienced vs inexperienced elementary physical education teachers, 9840
frequency & severity & determinants of physical & psychological maltreatment of students, Bedouin elementary & junior high & high school teachers, Israel, 39137
guidelines for ethical management of psychological faculty-student relationship, 24416
instructional & social interactions in regular physical education settings, moderately & severely mentally retarded 7–13 yr olds & their peers & teachers, 2224
integration of representational & presentational view of language data, implications for teacher knowledge & development & classroom behavior, 24534
interactions with educators & judgements of ethicality of behaviors between client & therapist, clinical graduate students, 43540
interpersonal relationships & perceived empathy & task orientation, business school students matched to supervisors according to cognitive style, 33485
interpretation of discourse in science classes, students & teachers, 17200
negotiation of classroom discipline, 1st yr teacher & his 9th grade students, application of negotiated order theory, 43660
no-suicide agreement as counseling response for suicidal students, student teachers, 42441
parent & teacher attachment & self-concept, academic motivation, 11th & 12th graders (aged 16.3–19.5 yrs), 40448
perceived purpose of university education & satisfaction with quality of undergraduate education & types of advice given to students, college teachers (mean age 51.4 yrs), Canada, 40347
perceptions of experiences of school work & teacher & peer relations in school adjustment, 2nd born 6.0–7.1 yr olds & their mothers & older siblings, end of school year followup, 33491
perceptions of pedagogical caring in relation to motivation to achieve positive social & academic outcomes in middle school, 6th-grade students, 3 yr study, 43674
Questioning the Author instructional intervention, classroom interaction & reading comprehension, inner city 4th graders & their teachers, 13694
reported use of classroom behavior management strategies & student–teacher interaction, teachers of 5–15 yr old students with serious behavior disorders, 17230
representations of school life & teacher–child relationships through pretend play, development of citizenship skills, 6–9 yr olds, 24648
resistance to & teaching strategies & selection of course materials on race & class & gender inequality issues, students & teachers, 33494
role of instructional discourse & cultural schemata in learning, case study of 3rd grade Mexican American male, implications for teacher–student partnership, 33486
satisfaction with child care providers, 3.9–6.1 yr olds, 20227
school-wide behavioral support system, office referral rates for problem behavior, 6th & 7th & 8th grade middle school students & staff & faculty, 33513
scripting procedure to modify sequences of behavior management statements while retaining teacher–student interaction, 4.7–5.4 yr olds with inappropriate play behavior & their teacher, 40396
secure vs insecure student-professor relationship styles & childhood parental attachment & current academic learning attitudes & GPAs & university attachment, college students (mean age 25.7 yrs), 38673
self concept & perceived parental & teacher behaviors of support & interest & encouragement & expectations & participation, 14–20 yr old secondary school students, South Africa, 13784
self-reported quality of relationships with mothers vs teachers vs best friends vs classmates, adaptation to school during transition from elementary to middle school, 7–15 yr olds, 43664
structural organization of small group interactions during collective activity in science class, 4th & 5th graders & their teacher, Canada, 43667
student–teacher relationship & risk for aggression, 2nd–5th graders at risk for antisocial behavior & 24–68 yr old teachers, 13803
teacher-child relationship dimensions of closeness & dependency & conflict, early school adjustment, full-day kindergartners & teachers, 43654
teacher control beliefs & child development knowledge & beliefs, educational action, 21–43 yr old female nursery school teachers & 2.6–4.3 yr old students, Belgium, strategy ratings appended, 13684
teacher debriefing on work experience as part of mentoring process, recognition of importance of feelings in personal change, secondary students, 13719
teacher feedback & hypothetical target peer reputation, evaluation of peer behavior, 1st & 2nd graders, 9965
teacher instructional language & negative reinforcement, students with emotional & behavioral disorders, 5703
teacher support with vs without hypermedia framework, reflective writing achievement & reasoning, 14–15 yr olds, 43625
teacher talk, language of students, teachers & their language impaired students, England, 37116
teacher–child relationship, social competence & compensatory function for insecure mother–child relations, 2.8–4.6 yr olds & their teachers, 24644
teachers' perception of & interactions with exceptional vs academically at risk vs typically achieving 3rd grade students, 27968
teaching self evaluation through student led parent conferences, implementation plan, 33389
training package & embedding instruction during inclusive classroom activities, behavior, 29 & 44 & 54 yr old teachers & 9 & 11 yr olds with disabilities, 33563

unplanned imparting of teacher personality, 3rd & 6th & 9th graders, Russia, 9957
use of corporal punishment in schools, 20624
use of praise & other types of reinforcement in regular vs integrated vs self contained special classrooms, elementary school teachers, Canada, 37096
validation of elementary school version of Questionnaire on Teacher Interaction, 5th graders, Singapore, 10529
Teacher Tenure—Serials
employee tenure, personal orientation & organizational climates in schools, teachers, 36946
Teacher Training [See Teacher Education]
Teachers [See Also College Teachers, Cooperating Teachers, Elementary School Teachers, High School Teachers, Junior High School Teachers, Preschool Teachers, Preservice Teachers, Special Education Teachers, Student Teachers, Vocational Education Teachers]—Serials
accessibility of children's mathematics problem solving strategy information expressed only in gestures, teachers & college students, 24546
advantages of reality therapy & choice theory & quality school concept in education management, transition from boss to lead manager, school principal, 33331
attitudes toward family & community involvement in educational process, early childhood teachers from Follow Through schools, 33539
attitudes toward teachers & school & education, children's academic achievement, biological & foster/surrogate parents & guardians of 13–17 yr olds, South Africa, 20584
career transition support services, roles of instructors & institutions & administration & vocational learners, 28148
changing roles, relationships between professionals in inclusive programs for children with disabilities, teachers & adminstrators & parents, 24539
collaboration with teachers within a psycholinguistic program by speech & language therapists, 5 & 8 yr old students with phonological disorders including dyspraxia, 5720
computer technology in education & teacher personal & professional adaptation & role of collaborative autobiography, 24536
concerns & incentives for inclusive education for all students, 24–59 yr old teachers & administrative staff, 28080
conflicts resulting from personal vs professional identities, evangelical public school teachers, 36944

moral perception & teachers' facilitation of classroom practice, perceptions of student, 4th grader entering school for 1st time, 2207
mothers' teaching interactions & social & emotional & cognitive adjustment in 1st grade, high social risk mothers & their 20 mo olds, longitudinal study, 33498
motivational factors for choice of teaching as career, 22–54 yr olds, implications for advising strategies, 5571
natural cues within prompt levels using classroom instruction of next dollar strategy, acquisition of generalized purchasing skills, 12–15 yr olds with mild to moderate intellectual disabilities, 12385
past & present & future perspectives of knowledge research on learning & instruction, 28941
psychometric assessment of Attitudes Towards Mathematics & its Teaching Scale, college students, survey appended, 10532
rating factors in teacher effectiveness evaluations predictive of teaching effectiveness, private college students, 40931
recommendations to junior psychology faculty for pursuing & thriving in liberal arts college & other teaching settings, supplement to M. P. Zanna & J. M. Darley's "The Compleat Academic", 24424
role of knowledge research in learning & instruction, implications for theoretical frameworks & knowledge measurement & cultural comparisons, 28869
selective synthesis of instructional research from PsycLIT & Medline & ERIC databases, children & adolescents with learning disabilities, 5709
self reported work related stress, 20–52 yr old secondary school teachers, South Africa, 33358
set-inducing instructions to avoid reference to specific water jugs, problem solving speed & accuracy, students, implications for Einstellung effect, 10693
structural features of class schedules & administrative support & influence & autonomy & collegiality, professional & organizational commitment, high school teachers, 17111
task analysis of shift from teacher to self instruction in performance of in-common sorting task, 4–5 yr olds, 13708
teacher characteristics, teaching behavior & attitudes toward instruction, braille instructors in adult rehabilitation centers, commentary, letter, 20659
teacher collaboration strategies with vs without team teaching & classroom observation, teaching efficacy & pupil achievement & attitudes, elementary school teachers & students, Canada, 5673
teaching & parenting & counseling issues with emotionally sensitive adolescents, 22136
types & qualities of knowledge used in problem solving, applications to learning & instruction research, 28838
use of World Wide Web to support psychology education through information dissemination & teaching resources & communication facilities, 10254
Teaching Internship [See Student Teaching]
Teaching Machines—Serials
computer based study strategies & intelligence & reading skill differences associated with strategy adoption level, 12–16 yr old secondary students with learning disabilities, 20647
interactive videodisc instructional program, acquisition of speechreading skills, graduates & undergraduates with normal hearing, 24583
use of HTML document forms in complex user interfaces for server-side applications & web-based educational material, 1st year computer science students, 36963
Teaching Methods [See Also Advance Organizers, Computer Assisted Instruction, Educational Field Trips, Experiential Learning, Group Instruction, Individualized Instruction, Lecture Method, Nondirected Discussion Method, Team Teaching Method, Tutoring]—Serials
ability of product portfolio samples to predict successful performance in gifted program 4 yrs later, gifted K–2nd graders, 33567
active learning exercises vs weekly quizzes, performance & knowledge of materials & text, college students in introductory psychology earning grade C or below, 20572
active processing vs metacognitive intervention, self directed learning & story comprehension & self questioning, kindergartners, 43596
active student response vs on task instruction, acquisition & maintenance of health facts, 9–11 yr old students with learning difficulties, 40489
Add-A-Word Program vs traditional basal program, spelling performance & vocabulary retention, 5th–6th graders, 24581
adult learning principles & problem based methods, acquisition of psychosocial competencies, medical students, 13534
alternative vs traditional forms of education & teaching styles, 1st–8th grade classrooms with student vs nonstudent teachers, 27978
amount of coaching required, successful implementation of inductive thinking, junior high school students with vs without learning disabilities or mild mental retardation, 43692
analysis of conversational interaction to determine improved or diminished instructional value of clinical teaching encounter, physician-teacher & teacher-coach & medical students or residents, 9703

approaches to & role & value of teaching portfolios, university science preservice student-teachers, Australia, 20552
attitudes toward & instructional strategies in science, classroom practice, teachers, France, 36967
attitudes toward & perceptions & understanding of cooperative learning, preservice teachers in senior yr, 36945
backward transfer technique, efficiency of part vs whole task training for desktop flight simulator, 18–30 yr olds, 2870
benefits & concerns & cost, problem-based learning vs traditional instruction, health care professions, 43492
benefits & persistent problems of implementing co-teaching as special education models, school teachers & administrators of special education students, 3 yr study, 40490
brief behavior analysis of instructional strategies as stimulus prompts for improved academic performance, 7–10 yr olds with learning disorders, 9980
brief vs easy vs additional interspersed mathematical problems & time to complete, assignment preference & reinforcement, undergraduates, 17155
case-based instruction, learning responses & approaches, veterinary doctoral students with high vs low levels of self regulation, 17031
characteristics of infant observation educational method, psychiatrists & other mental health practitioners, 33219
circular vs linear numerical representations, fraction conceptualization & use, 2nd & 3rd graders, Australia, 1 yr followup, 20600
classroom science & technology & society interactions & teaching learning model, comprehension & science attitudes, 16–18 yr old secondary school students, Spain, 36977
clinical reasoning language & teaching strategies for facilitation of clinical reasoning in occupational therapy, 20441
cluster course interdisciplinary teaching method, academic achievement & self-esteem & psychosocial factors, college freshmen, 33437
cognitive strategy intervention of question generation, reading comprehension, students, literature review, 24579
collaborative planning & interactive dialogs for teaching revisions in writing, quality of compare & contrast essays, learning disabled & low achieving 9th & 10th graders, 28089
collaborative speech & language services for students with learning disabilities, literature review, 39338
combined performance assessment & curriculum based measurement, instructional planning, implications for special education, 5701
complexity theory & ecology & hermeneutics, enactivist model of cognition, implications for formal education & teaching & learning, 33390
components of performance-based instructional models & academic achievement & student behavior, 17127
computer training through behavior modeling vs self paced study vs lecturing, performance & skill demonstration, novice computer users enlisted in Navy, 13924
computerized study guide, exam performance, psychology students, 5592
constant time delay & instructive feedback, independent seat work, 8–12 yr olds with mild learning disabilities, 17219
constant time delay & instructive feedback, observational learning & & acquisition of grocery words & appropriate peer reinforcement, students with moderate learning disabilities (mean age 10.67 yrs), 17242
constant time delay & unrelated instructive feedback, acquisition of math facts in collaborative instructional arrangement, 6–9 yr olds with mild mental disabilities, 2241
constant time delay vs prompt fading, multiplication teaching effectiveness, male 9–12 yr olds with learning disabilities, 24677
construction of meaning through classroom discussion of dramatized story, yr 5–6 students, UK, 24616
construction of theatrical dialog between W. James & H. Munsterberg as pedagogical aid in fostering college students' interest in & love for history of psychology, 24577
constructivist beliefs about learning, types of teaching strategies used, science teachers, 17129
constructivist teaching approaches & sex differences in achievement in mathematics & science, high school females, 17146
contructivism & pedagogical content knowledge & case study methodology, educational psychology teacher preparation, 36979
conventional vs biofeedback assisted singing lessons, development of voice parameters, adults, 25227
cooperative &/or mastery learning methods, acquisition & retention of economic concepts, 1st & 2nd graders, 2174
cooperative learning groups, inclusion in general education classes, autistic 3rd & 5th graders, 2228
cooperative learning strategies in social studies & reading & writing applications, 20549
cooperative story mapping, reading comprehension, learning disabled or high or low achieving readers, 24674
Copy & Cover & Compare procedure as parent intervention to teach multiplication facts in home setting, 3rd grade female with learning disabilities, 28085
critical vs multiple difference matching to sample discrimination training, selection & spelling of words with initial consonant clusters, 4.4–7.0 yr olds, 33379
cultural & language conditions affecting design & delivery of instructional methods, international students receiving technical training, 33396
cultural identity development model as culturally responsive reading & writing instructional methods, teachers & their culturally & linguistically diverse students, 13705
daily probes of instructive feedback stimuli, response acquisition, healthy or emotionally disabled or learning disabled 10–11 yr old males, 37085
deductive techniques for coping with supervisee resistance in training, social work supervisors, 24433
definition of & classification system & selection guidelines for task analysis, special educators, 5697
demonstrations vs problem-solving exercises in science education, elementary school teachers & students, Mexico, 43593
depiction of suicide & PTSD & adolescent pressures & suicide gesture vs suicide attempt & spiritual & philosophical aspects in commercial films on videotape, 27871
description & application of assessment conversation instructional strategy in science classrooms, 27963
description of & suggestions to counter inadequecy of counselor education & training programs, 27868
descriptive vs text guided vs pictorial guided vs online tutorial instruction, ability to perform automatic teller machine transactions, 61–81 yr olds, 28299
design of multimedia instruction techniques in psychology class instruction, interview, 33433
development of cognitive apprenticeship model for statistics instruction in elementary & secondary education, 24572
development of Geo-Logo in geometry instruction, mathematical exploration & learning consistent with Logo abstraction & problem solving, 3rd graders, 24555
didactic & observation & experiential participation & group leadership methods for teaching group work, social work students, 33178
didactic vs constructivist teaching approach, performance on arithmetic computation problems, male vs female 3rd vs 5th graders, 43600
different reading & language arts assignments, motivational goals & strategy use & achievement affect, 3rd graders, 1 yr study, 37040
direct instruction vs cooperative vs independent learning instructional practices, on task & disruptive behavior, behaviorally disordered male 3rd graders, 17239
Directed Spelling Thinking Activity for teaching spelling, learning disabled students, 9973
disadvantage & enrichment & bicultural competence & collective equality approaches in multicultural education, Netherlands, 9853
Division of Mental Retardation & Developmental Disabilities policy statement on preparation & training of educational community for inclusion of students with developmental disabilities, 28082

dynamic assessment involving specific vs general instructional strategy, experts' vs novices' error patterns in solving part–whole mathematical word problems, 3rd grade males & females, 20548
educational & assessment issues & learning interventions, students with traumatic brain injury, 17223
educational practices & procedures & inclusion, autistic students, 2237
effectiveness of invertebrate use in demonstration of classical conditioning principles, psychology students, 5584
effectiveness of lecture format & seminar teaching & national conferences & apprenticeships as techniques for training trainers in risk assessment, 36869
efficacy of home-based Portage Program, promotion of physical & social & academic development, handicapped infants with high vs low developmental quotients (mean age 41 mo), Israel, 5 yr study, 20666
embedded support devices in printed distance education materials, college students, Netherlands, 9877
emphasis on correlations & patterns in neurocognitive science in an analysis of current models of learning & instruction in science education including a "learner-centered" approach, 24603
error correction strategy vs repetition of word writing, spelling performance & satisfaction with procedure, 4th–5th graders with emotional &/or learning disabilities, 2226
evaluation of Kid Safe fire safety training program, 3–5 yr olds, test appended, 5604
evaluation of new method for teaching English, language proficiency & cognitive skills & transfer of skills to other academic subjects, Black 5th graders, South Africa, 17147
evaluation of 5th-grade mathematic division instruction in basal curriculum programs prior to 1989 National Council of Teachers of Mathematics Standards, 17134
examination of empirical literacy research studies that influenced instructional practice & examination of role of research in instruction, 27973
explicit-implicit model of constructivistic mathematics instruction, students with learning disabilities, 5708
explicit vs implicit teaching & learning styles, word meaning negotiation in picture categorization game, 2.7–5.2 yr olds & their 5.8–7.6 yr old siblings & their mothers, 15242
factors in successful use of talking books, students with reading problems, research review, 24675
fast vs slow paced taped words interventions, sight-word reading accuracy, 10.4 & 11.8 & 12.2 yr old male elementary students with mental retardation, 33557
feature film activity in class, understanding & application of cognitive psychology, college students, 5587
framework of academic responding according to learning hierarchy & components of reading intervention, students, 17122
functional strategy assessment, evaluation of academic instructional approaches, emotionally & behaviorally disordered 3rd & 4th graders, 13836
general thinking skills program, creative thinking & academic performance, Year 7 Aboriginal students, Australia, 9934
geometry teaching program, schemata acquisition, high school students, 17143
goal setting &/vs self-instruction, acquisition & maintenance & generalization of reading comprehension strategy, 4th–6th graders with learning disabilities, replication, 28071
guidelines & strategies influencing implementation of collaboration instruction for educators, 40392
high- vs low support groups, perceptions & interest in & implementation of classwide peer tutoring practice for including learning disabled students, elementary school teachers, 37122
HORIZONS Student Support Program approach to teaching problem solving in classroom, college students with physical disabilities or from low income families, 43683
icon depictions of nouns & adjectives associated with written words in Bridge vs "Whole Language" instruction, predictive & reading achievement & oral reading, 1st graders, Canada, 2 yr study, 36953
identification & implementation of high quality classroom assignments & teacher explanations, 25–60 yr old teachers & their 6th–8th graders with & without learning disabilities, 9984
illusion & estimation of garbage can width & height, interest in concept of perception, college psychology students, 33387
implementation of narrative collaborative process in inclusive classroom, kindergarten–1st graders with & without learning & language disabilities, 9986
implementation of social constructivist approach to teaching, student perceptions, 12–15 yr olds, 43598
inclusive schooling in regular & physical education settings, children with mild & severe disabilities, literature review, 33535
incorporating echolalia in teaching receptive naming of Chinese characters, 8.8–10.2 yr olds with autism, 33541
inductive reasoning training strategies, enhancement of academic learning & solving complex problems, 5–8 & 12–13 yr olds, 9871
instruction in use of qualitative research methods of content analysis & interviews & observation of how clients function in their space as initial step, interior design students, 13729
instructional approaches to complex mathematical problem solving that use meaningful contexts & role of technology, students with learning disabilities, 33531
instructional challenges & opportunities for using various formats of multimedia technology in different learning environments, students with learning disabilities, 20676
instructional method for school nurse teaching peak flow monitoring & asthma self management principles, emergency room visits & school absences & anxiety, asthmatic 8–12 yr olds, 20696
instructional planning & learning strategies in & textbook analysis of college educational psychology courses, elementary & secondary school teachers, 36964
instructional ratios of known to unknown vocabulary words, reading progress, 2nd graders, 9887
instructional scaffolding in constructivist models of teaching, students with vs without learning disabilities, 5612
instructional strategies for teaching reading & writing & philosophical approach of direct instruction vs whole language, 2nd & 5th grade educators & teachers of students with learning disabilities, 36938
instructional strategies using temperament based learning styles, academic achievement, 7th graders, 27966
instructional strategy, HIV/AIDS related knowledge & attitudes & intended sexual behavior, 9th & 11th graders, Canada, 24576
instructional value system, student perceptions of topic interest & importance, high school science teachers, 40427
instructor characteristics & orientation & focus & method of instruction in initial psychotherapy course, Masters vs PhD program instructors, 5498
interaction of environment & private events & exercises in self-observation for use in classroom, 33402
interactive demonstration to explain propositional & analogical representation & use in mental imagery, college students, 13713
interspersal of known items & multiple response error correction in treatment package, teaching of sight words, 12 & 13 & 16 yr old middle school students with moderate mental retardation & severe behavior disorders, 13815
linguistic aspects of modeling with focus on reformulation of given narratives using verbal & iconic lexical sets, 7th grade algebra beginners, Israel, 36987
listening to stories at regular intervals with vs without explanations of target words, vocabulary acquisition, 9–11 yr olds & their teachers, 13743
literature-based approach to teaching values, attitudes toward caring for others, male vs female 7th graders, 36950
Markov matrix method for deciding when instructional intervention should occur during computer assisted industrial training, learners, 20723
massed practice with vs without distributed practice, acquisition & transfer & generalization of explicitly prompted requests, 4–8 yr olds with severe disabilities, 1423

matching to sample & stimulus equivalence of printed words & pictures, reading & spelling generalization, nonreading 7.5–10.8 yr old 1st graders, Brazil, 17224
methods for assessing & coping with computer anxiety, undergraduate political science students, 33380
methods for teaching learning objectives in child psychiatry, family medicine trainees, 27867
minimalist design principles vs commercially available instructional unit in word processing skills, computer anxiety, adults, 14069
minimum standards of proficiency & instructional skills training & role preparation in psychodynamic psychotherapy, psychotherapy supervisors, 13569
model for social studies learning based on relationship between curriculum & community, 13700
modified mnemonic keyword-pegword training & rehearsal & representational pictures, name recall or numerical order of US presidents, inner city junior high school students with learning disabilities, 24673
motivational orientations of learning disabled students & teaching methods for enhancing academic intrinsic motivation, 24665
multidimensional method for teaching mathematics, 7th graders in heterogeneous classrooms, 36970
multimedia environment with dynamic video support, comprehension of short stories, kindergartners, implications for enhancing literacy in children at risk for school failure, 33428
multimedia primer in auditory perception & psychoacoustical demonstrations & experiments over World Wide Web, 10256
narrative-assisted instruction, enhancement of motivation & comprehension & memory in learning, 13703
newsletter with case vignettes, teaching psychological concepts, hospital medical staff, 29702
open classroom meetings, promotion of values conducive to peace & conflict resolution, 2nd–5th graders, 33493
oral presentation previewing rates, accurate oral rereading rates, male 12 yr olds with reading skills deficits, 39270
organizational planning time patterns, efficacy & perceptions of working environment, 8th-grade teachers, 36985
overuse of hints & algorithms beyond students' abilities, hindering development of proper referents in mathematical problem solving, 2nd–3rd graders, 24554
overview & rationale & achievements of Portage Home Teaching Scheme as problem-centered service delivery system, parents & their developmentally delayed preschoolers, UK, 20247
overview of physical & cognitive age related declines that affect perception & language & memory & strategies for teaching older learners, 24584
parent & child discussion panel, synthesis of theoretical constructs of child development, college students, 13727
participation & productivity in small group activities, psychology students, literature review, 33501
participation in inservice program, implementation of constructivist approach to learning & teaching in science education, elementary school teacher, England, 9827
peer feedback, writing test revisions, 3rd & 5th & 8th graders, 20591
perceived efficacy of intervention strategies, teachers of students with behavior disorders, 43679
perceived self-efficacy & outcome-efficacy & feedback, motivation to improve teaching by attending development workshops, 28–67 yr old social sciences & management university teachers, Canada, 20530
perceptions of teaching environment & approaches to learning, university teachers, Australia, 24541
personality & reaction to teaching methods & atmosphere of teaching situation, introverted vs extraverted children, 18957
philosophical & research bases for learning cycle pedagogy in mathematics teaching based on social learning, special needs of middle school student, 24564
planning & instructional variables & student achievement in mathematics education, female teachers with 2 vs 24 yrs experience, 9931
poetry-related divergent-thinking training, poetry vs story writing creativity, 7th grade students, 24547
predicting & questioning & clarifying & summarizing in transactional strategies instruction approach, reading comprehension achievement & reading group engagement, 4th graders, 20551
preferences & dislikes for various teaching styles, college students, 37058
presentation of history information via textbook vs separate source & task of writing history vs narrative vs argument, learning & understanding of material, college students, 24585
proactive/preventive instructional model of decision-making for early literacy skills, 17126
problem based curriculum fostering higher order thinking skills vs traditional instruction, content acquisition in social studies class, 10th graders, 9856
problem based learning approach to teaching of ethics in psychiatry, case illustration for students, 17060
problem based learning curriculum as teaching method, 3rd year medical students in pediatric clerkship, 9738
problem based learning vs traditional lecture curriculum, clinical performance & achievement on national board test, internal medicine clerkship students, 13567
problem based vs integrative vs conventional curriculum, accuracy of differential diagnosis of representative case histories, preclinical vs clinical medical students, Netherlands, 13571
problem solving & design principles for improving quality of instruction in mathematics, students with learning disabilities, 33525
problems associated with implementing research-based intervention procedures in special education classes & directions for future research & policy decisions, 17232
professional development summer institute, attitudes & intentions to change treatment of scientific knowledge & assessment strategies in classrooms, teachers, 40362
prosocial instruction, leadership & conflict resolution, students in 1st vs 3rd vs 6th grade physical education classes, 27974
Questioning the Author instructional intervention, classroom interaction & reading comprehension, inner city 4th graders & their teachers, 13694
rationale & methodology for & evaluation of teaching problem solving approach to international conflict resolution, college students, application to intergroup & interpersonal conflict, 22206
reading comprehension addressing background knowledge & vocabulary & alignment & imagery, intermediate grade teachers, 24573
reading racetrack drill & practice intervention, sight word acquisition & fluency, 8.10–11.5 yr old students with vs without learning or physical disorders, 40487
relation between handedness & mortality as way to introduce research methods, teachers of college students, 13712
relationships between teacher metaphors & the teaching & learning of science, literature review, 27976
report-do-report correspondence training, academic setting & setting-time generalization of praise-prompting behaviors, 3rd graders, 27972
reportive & persuasive & comparison-based genre-specific strategy intervention, essay writing ability, students with learning disabilities (mean age 14.7 yrs), 37124
research issues & needs regarding teacher use of classroom management strategies, students with emotional & behavioral disorders, 17229
role in course reform, educational psychologists, commentary, 9888
role in course reform, educational psychologists, commentary, 9892
role in course reform, educational psychologists, commentary, 9896
role in course reform, educational psychologists, commentary, 9876
role in course reform, educational psychologists, commentary, 9851
role in course reform, educational psychologists, commentary, 9867

role of clinical problem solving & insights in teaching & learning across the medical school to practice continuum, 2120
role of instructional discourse & cultural schemata in learning, case study of 3rd grade Mexican American male, implications for teacher–student partnership, 33486
roles in cooperative teaching, bilingual special educators, 24680
science lesson review with vs without response cards, performance on next day & weekly tests of recall, 9th graders with vs without learning disabilities or behavior disorders or mental retardation, 9969
selection & use of vocabulary & comprehension teaching strategies, preservice teachers of secondary education content areas, 33377
self-correction procedure, acquisition & maintenance & generalization of written spelling, 7–13 yr old students receiving remedial tutoring for spelling & written language deficits, 33547
self regulated learning strategy, teaching educational psychology, 36957
semantic & phonological approach for teaching vocabulary, 10.7–10.9 yr olds with wordfinding difficulty, 5 wk follow-up, 40480
seminar as classroom & clinic & student self esteem & perceived threats to teacher's expertise, organization of psychodynamic processes governing diagnostic teaching seminar, 13588
semiotic aspects of multiplicity of value & composition of values, understanding of way signs are used in place-value system, 2nd–4th graders, 36984
shared learning program based on social psychological studies of intergroup behavior, medical & social work students, 20421
single-word training vs phrase training vs no training, reading comprehension, 7–10 yr old below-average readers, New Zealand, 33558
small group tutorials to augment didactic components of human sexuality course, college students, Canada, conference presentation, 33382
social constructivist approach to literacy, elementary school students with mild disability, 5700
specific stimulus prompts, accuracy of academic performance, 17 yr old female special education students with mental disability or reading disorder, 37109
standardized test based accountability & credibility of adjusted test scores vs merits of choice of educational practice, assessment of school learning & quality of schools, commentary reply, letter, 10534
standardized test based accountability & credibility of adjusted test scores vs merits of choice of educational practice, assessment of school learning & quality of schools, commentary, letter, 10521
story map, conceptual understanding of story elements & reading comprehension & written expression, 13-yr-old males with learning disabilities, 43695
strategies for selection of materials for introductory psychology course & use of student led panel discussion to enhance overall student directed learning approach, 13696
strategies for teaching literature, complexity & analytic vs aesthetic stance of responses, 3rd graders, 20554
strategy instruction for report writing in whole language classroom, special education teachers & 4th graders with learning disabilities, 5707
structured multifaceted neurocognitive treatment vs providing enriched environment & supervision of school tasks & homework assistance, 6–11 yr olds with learning difficulties, Chile, 37105
student vs teacher choice of instructional task, problem behaviors, moderately or severely mentally retarded 7–12 yr olds & their teachers, 39174
subject matter & laboratory experiences & science learning early in high school, female vs male 10th graders, 37027
summarization instruction, extent of learning, 16–19 yr old high school students, Canada, 9905
supplemental instruction with investigative-oriented laboratory activities vs worksheet-study approach, logical thinking ability & problem solving & achievement in science, 8th graders, Turkey, 24562
survey of animal use & care in undergraduate psychology teaching & research, department chairpersons, 5 yr follow-up, 13711
systemic reform initiatives aimed at precollegiate mathematics & science education & improvement of instruction, students in kindergarten through 12th grade, literature review, 43603
tactical & skill approaches to teaching sport & games, implications for practice & future research, 9885
tactical &/or skill instruction in 3 wk units, badminton performance skill learning, 9th graders, 9855
teacher implemented naturalistic language interventions, play activities, moderate to mild mentally retarded 5.9–8 yr olds, 1438
teacher-led & independent seat-work techniques to prevent & remediate learning problems & increase accurate response & learning rates, students, 17154
teacher modeling, engagement during silent reading, 7.3–8.1 yr old low vs average vs high achieving readers, New Zealand, 5622
teacher vs researcher perspectives on teaching methods & dichotomy in thinking & actions, high school chemistry teacher, 43606
teaching critical literacy in 4th grade classroom using discussion of political events in South African elections, 36981
teaching knowledge & skills & management strategies for their students talking-out-of-turn, elementary school teachers, England, 36956
teaching method project in developing & creating & evaluating psychological tests, college students in sophomore level psychological testing & measurement course, 24568
teaching methods & content focus & professional preparedness, social work field instructors, implications for profession supervision, 5494
teaching methods in traditional basal mathematics programs, concerns & modifications necessary to foster learning for students with mild disabilities, 28064
teaching model for spontaneous use of semantic relations through multipointing, 5.6 yr old male with autism & learning disabilities, 40203
teaching of concepts about argument components & strategy to organize application of components, evaluation of written arguments & improvement of critical thinking, 5th graders, 36965
teaching of standard textbook physics, changes in qualitative understanding, college students, 37041
teaching performance of pedagogically trained vs untrained science & English teachers, Barbados, 40351
teaching presentation techniques & teacher-guided practice & instructional sequence, acquisition & retention of social studies lecture content, 6th–7th graders with learning disabilities, 24671
teaching psychiatry in primary care using J. J. Strain's 6 educational models, 27877
teaching referents & authority vs coherence vs empirical evidence warrants used to test viability of mental models, 8th grade science students, implications for constructivist learning theory, 43608
teaching techniques for beginning level graduate course in family therapy, 33204
"Test Taker's Bill of Rights" as method in teaching ethics & test standards, college students in psychological testing course, 24578
text analysis vs reciprocal teaching programs, text comprehension, reading disabled adolescents, Canada, 2230
the role of materials & motivations to learning & instructional strategies in teaching students with disabilities, literature review, commentaries included, 33564
theory & practice & experience of guided imagery, teaching strategies & education, 39–53 yr old teachers, 20540
traditional classroom talk vs new discourse on interpretation & crafting of text & transformation in writing conferences, female teacher candidate, implications for teacher educators, 20539

traditional vs error correction teaching strategy using English vs Spanish words, spelling accuracy, 6th & 7th graders with vs without learning disabilities in bilingual migrant education program, 33438
training impure mands or tacts of abstract stimulus properties, emission of other operants without training, 4.3–4.9 yr olds with language delays, 9991
training package & embedding instruction during inclusive classroom activities, behavior, 29 & 44 & 54 yr old teachers & 9 & 11 yr olds with disabilities, 33563
use & evaluation of cooperative group learning & observed interactions during group activity, 3rd grade males & females & their teachers, 20556
use of Black or White racial identity model, understanding of racial identity development, White & Black students at predominately White university, 13720
use of cooperative learning & collaboration with colleagues & sense of efficacy, female 7th & 8th grade teachers, Israel, 20567
use of cooperative learning in integration of science & reading & writing, 20561
use of cooperative learning in problem solving for mathematics, 20559
use of examples from sport & exercise psychology in undergraduate psychology curriculum, 5585
use of exams to teach statistics & probability concepts, undergraduates, 40389
use of laboratory animal demonstrations of human conditions in teaching physiological psychology, college students, 20533
use of manipulatives to teach math problem solving, identificaton of appropriate operation to use, male 3rd graders with learning disabilities, 9979
use of multiple historical source documents, mental model of historical event, 10th graders in Advanced Placement US History classes, 13723
use of representation categories of action & icons & symbols for effective computer learning & instruction, 36973
use of senior citizens' biographical data for life span developmental psychology course, undergraduate students & individuals 65 yrs old & older, 33417
use of simulated patients vs videotapes of simulated patients as teaching methods, obtainment of clinical skills & process & content ratings, occupational & physical therapy students, 40394
verbal rule vs feedback vs verbal rule & feedback conservation instruction, male vs female 4 yr olds, 33435
videotaped occupational therapy evaluations with vs without classroom-as-clinic format , diagnostic reasoning skills, 20–40 yr old occupational therapy students, 33415
views on effectiveness of mindful learning unit, 7th graders with learning disabilities or mild mental retardation included in general language arts class, 24683
virtual reality immersion as learning tool, 7.5 yr old female & 9 yr old male with autism, case studies, 12336
well vs ill structured content, instructional strategy decisions, novice vs experienced teachers, 5600
whole language vs traditional reading instruction & teacher's interpretation in classroom & pacing of instruction, attitudes toward & achievement in reading & writing, 1st graders, 13724
1 day program for training basic teaching skills to people with severe disabilities, 17–57 yr old community & institutional support staff, 33211
5 step integrated proofreading strategy training, proofreading performance, 15–18 yr old high school students with learning disabilities, 28075

Team Teaching Method—Serials

collaboration & consultation for developing interactive teams to improve service to students with disabilities, educators, literature review, 40476
journal entries of perceptions of teaching process, general & special education teachers in cooperative teaching team, 24681
team teaching in preparation & delivery, integration of business courses in finance & retail management through observation of decision making in real business enterprise, 13693

Teams—Serials

anticipated consequences & social context, moral behavior & concern for opponent, 10–18 yr old team vs indivual athletes, Canada, 41996
assumptions & components of values-based intervention model for sports team building process, 33715
Campbell Interest & Skill Survey in development & application of group counselling & team building technique, 23763
child development teams, range of practice & effectiveness & deficiencies in service provision, children with disabilities, UK, 19688
client & physician characteristics & client physical impairments & team approach & communication factors, physician & elderly patient encounters, 24133
coaching behaviors & targets of behavior, 30–45 yr old youth ice hockey coaches, Canada, 2339
concepts & practical perspectives on sports team building, 33716
cross functional teams for integration of ethnically diverse work forces in public service organizations, 33684
definition of sportsmanship based on social psychological theories & research, 10–18 yr old athletes, Canada, 11478
description of & resolutions for tensions inherent in team & technology & organizational change, 43815
description of task performance at individual & team & interdepartmental & organizational levels, organizational development through interlevel dynamics, 20785
determinants of team performance-related assertiveness, college students, implications for team member selection & training, 17294
development & dimension structure & validity of questionnaire, assessment of satisfaction of Rehabilitation Activities Profile TEAM in team conferences, rehabilitation professionals, 21144
development & factor analysis of model of cross-functional team effectiveness, product development teams, 21143
development of & participation in management learning organizations, business administration college students, 17138
development of effective social support in team building, student athlete team members, 33722
discussion patterns & role of team leader in group discussion of shared & unshared information, medical residents & interns & students in decision making teams, 5531
effectiveness & types & implementation of work teams in organizations, literature review, 17373
emotional stages in grief reaction to death of teammate & cognitive & behavioral strategies available to sport psychology professionals, surviving team members, 36293
evaluation of specialist community support teams for adults with learning disabilities & challenging behavior, 16850
five-factor approach to construct validity of Team Role Self-Perception Inventory & Observer's Assessment, assessment of types of team members & use as parallel forms, managers, 21142
group & organizational factors in team innovation, hospital management teams, UK, 13946
group goal setting, sport team performance & building & cohesion, 33725
high performance work teams, quality & labor productivity, plant managers, 21 mo study, 24762
identification of critical success factors for self-managing teams, managers & team members, 43824
impact of cultural values on employee resistance to self-management & work teams & model of globalized work team effectiveness in international firms, 40565
implementation of community treatment team model, provision of mental health services, deinstitutionalized adult psychiatric patients, 24192
indirect team building intervention strategies, cohesiveness in sport & exercise groups, 33719
industrial & organizational psychology perspective of training for team building, coaches of youth sports, research review, 33723
interdependence vs separate identity, team affiliation with computer, college students, 14068

leadership behaviors, team cohesion, high school vs college baseball or softball players & coaches, 28261
manage-by-pay scheme vs team contingencies, organizational behavior change, 28220
measurement of team role balance & effect on team performance, management teams in private & public organizations, 43763
model of team learning in organizations, employees of a petrochemical company & a manufacturing company, 40598
multidimensional view of expertise & collaborative problem solving & learning in team work environments, Finland, 7604
multidisciplinary collaborative management team format for consulting, academic steering committee, 5574
multidisciplinary school team goals & recommendations & characteristics of referred elementary & secondary school students, team members & school personnel, 5 yr follow-up, Canada, 20685
multidisciplinary work in development teams, children with disabilities, UK & Canada, 19700
multitrait-multimethod construct validity of measures of team process, military air crewmen, 14390
organization of team through development of integrated project, prevention of staff burnout & patient dropout at psychiatric facility, conference presentation, 20288
organizational development & group dynamic theory perspective in hands on approach to sports team building interventions, 33726
patterns of communication & interaction associated with productivity, global business team members, 5783
performance & perceptions & outcomes of individual vs team negotiators in intergroup vs interindividual vs mixed negotiations, graduate business students, 11656
personal & team pre & postcompetition routines, 40–62 yr old team sport expert coaches, 37232
process & impact of disengagement, individual athletes & teams, 33720
process & outcome indicators in community psychogeriatric teams, newly referred geriatric patients with dementia, England, 1993, 6 mo followup, 27677
process & outcome measures of community psychogeriatric teams, carers of geriatric patients with dementia, England, 6 mo followup, 27697
referee behaviors & targets & objectives of behavior, 20–35 yr old male minor league ice hockey referees, Canada, 2338
relationship between individual difference characteristics & self-reported collectivism & team collectivistic composition & team cooperation & effectiveness, work team members, 43810
sacrifice behavior & group cohesion & conformity to group norms, 16–43 yr old male team cricket players, New Zealand, 43850
scale to measure the effect of leader-empowering behavior on the level of innovation, professional architecture project teams, 40772
school intervention assistance programs & prereferral teams, students who are difficult to teach, 13854
shared values, team performance, college students, Scotland, 15573
social psychological factors, group decision making, school psychologists in school-based multidisciplinary diagnostic teams, implications for treatment outcomes, 35206
sociometric measures, prediction of team performance in workplace, 18–21 yr old military cadets, 18853
sports team building research & interventions, research review, 33718
structures & problems & values of teamwork in primary health care & ways to encourage team working, counselors, 23557
task complexity & urgency level, emergency medical care personnel, implications for team coordination, 24281
teacher assistance problem solving teams in elementary schools, special education referrals & placements, regular education teachers, 20674
team competency training effectiveness measured by group performance of complex tasks, male Navy aviators, 38683
team learning style & role & position in competition & weather, effectiveness of adventure based experiential training program to foster teamwork, college students, 17133
top management team heterogeneity, airline firms' competitive behaviors, 20791
weighting of team behavior characteristics in perception of team behavior importance, experienced vs inexperienced military pilot team members, 20840

Technical Education Teachers [See Vocational Education Teachers]

Technical Personnel [See Also Technical Service Personnel]—Serials

cultural & language conditions affecting design & delivery of instructional methods, international students receiving technical training, 33396
ethnographic analysis of role & activity and knowledge base as ideal occupational type, technicians, implications for organizational behavior, 13968

Technical Service Personnel—Serials

action research teacher education program, empowerment in transition from manual to mental labor, tradespeople in training as technology studies teachers in secondary schools, 9836
individual vs organizational innovativeness & communication vs location interdependence & task analyzability, usage & evaluation of voice mail system, insurance & chemical company personnel, 10122

Technology [See Also Nuclear Technology]—Serials

assistive-technology interventions, home environment & self-determination & family systems, children with disabilities, 27629
assistive technology, play options, children with disabilities & their parents, 27645
changes in research & role of Office of Special Education Programs in special education technology, students with learning disabilities, implications for instruction, 20657
computerization, job content & performance & perception of effectiveness of change & training & computer related stress, employees in municipal planning & decision making occupations, 10124
concept of application as technological vs social process in adult education, 20504
description of & resolutions for tensions inherent in team & technology & organizational change, 43815
development of new technology & emergence of new organizational design paradigm, Canada & France & Sweden, 17378
electronic mail & other information technologies, improvement of political discourse & participation through voter turnout & American democratic system, 7521
experience & benefits & problems with telephone & computer group practice, social work professionals (mean age 49 yrs), conference presentation, 43375

postmodern social psychology, relationship to traditional social psychology & political & technological issues & inherent problems, 22408
power perspective on racial impact of science & technology, African Americans, 3571
psychosocial work environment & recent outbreak of technostress & electric & magnetic field sensitivity & nonspecific physiological symptoms & other health problems among modern office employees, 40631
role of personal & professional network relations in organizational routines & processes of technological transformation & collaboration, 24773
role of technology & materials & participants, designing & enhancing learning environments, 43933
role of technology in affording empowerment & full rights of citizenship, disabled individuals, 9546
sociotechnical organizational structure & change, health & representation of body & work process & social relations, male vs female factory workers, Brazil, 10114
technical attributes of media & communication situation, media choice & relational control, adults, 18414
technological countermeasures against driver fatigue, professional drivers, 43913
technology use changes in California's special education programs, administrators & educators, late 1980s & mid-1990s, 43689
transformation of technological identity in response to biotechnological revolution, pharmaceutical firms' drug discovery technology & performance, 13992
types & program components of & legislative & training & device selection issues in assistive technology, learning enhancement, learning disabled postsecondary students, 20649
use of & attitudes toward practice technology, psychologists, 9769
working with new technologies, catecholamines & cortisol levels & subjective strain, 24–38 yr old male employees, 1 yr study, 11075

Teenage Fathers [See Adolescent Fathers]

Teenage Mothers [See Adolescent Mothers]

Teenage Pregnancy [See Adolescent Pregnancy]

Teeth (Anatomy)—Serials

habits & knowledge & attitudes regarding teeth & oral health, high school students, 7166
sex differences in dental disease during transition to agriculture, prehistoric populations, Indian subcontinent, 31606
spatial memory & parietal cortex acetylcholine release, aged rats without molar teeth, 21665

Tegmentum [See Also Periaqueductal Gray]—Serials

amphetamine in ventral tegmental area with vs without D1 dopamine receptor antagonist, amphetamine induced locomotor sensitization & nucleus accumbens responses, rats, 18345
dopamine receptor subtypes & nucleus accumbens & ventral tegmentum, self-stimulation of lateral hypothalamus & ventral mesencephalon, male rats, 34578
electrical brain self stimulation & axonal linkage between reward-relevant sites in ventral tegmental area & posterior mesencephalon, male rats, 18147
electrical stimulation of ventral tegmental area dopamine neurons & excitotoxin lesions & quinpirole, potentiated startle & fear motivation, male rats, 14821
functional exclusion of orbital cortex, neuronal activity of tegmentum of midbrain during feeding reflex, cats, translated article, 29271
immunohistochemical study of tyrosine hydroxylase positive neurons in ventral tegmental area, association with dopaminergic neurons, Fischer 344 vs Lewis rats, 21653
intercranial self administration of bicuculline into ventral tegmental area with vs without sulpiride, spatial discrimination, male mice, 29529
muscimol induced changes in responses to FR reinforcement using ethanol vs sucrose, male rats, implications for role of ventral segmental area GABA A receptors, 6925
neurophysiological studies of synaptic mechanisms in regulation of ventral tegmental dopamine neurons, role of mesocorticolimbic system in psychosis & drug addiction, literature review, 29388
nicotine withdrawal, firing rates of substantia nigra & ventral tegmental area dopamine cells, rats, 15085
pertussis toxin into ventral tegmental area, effect of antagonism of dopamine receptors on locomotor activity & responses to amphetamine vs apomorphine, male rats, 11177
red nucleus lesion, reaching vs grasping with limb contralateral to lesion, female rats, 6692
reinforcing effects of GABA A receptor blockade, self infusion of picrotoxin into ventral tegmental & adjacent areas, rats, 29305
self-administration of low dose of morphine into ventral tegmental area vs amygdala, mice, 21832
ventral tegmental bicuculline, self stimulation thresholds & regional brain cytochrome oxidase activity, male rats, 7059

Telecommunications Media [See Also Radio, Telephone Systems, Television, Television Advertising]—Serials

degraded imaging, perception of facial expressions in nonverbal telecommunication, 20–35 yr olds, 7161
electronic communication mode & task complexity & completion time & perceived information load, small group performance & member satisfaction, MBA students (mean age 33.45 yrs), 26164
emerging practice & research & policy opportunities in behavioral telehealth, 32836
grassroots organizing on electronic media, city decision makers & activist group, 1007
perceptions of effectiveness of e-mail vs face-to-face vs fax vs post vs telephone communications, collaborative authors, 29667
preference for electronic vs voice mail, employees, implications for media richness theory, 29701
use of telemedicine for emergency evaluations, acutely ill psychiatric patients, letter, 42878

Teleconferencing—Serials

applications & implications of tele-embodiment as method of remote human interactions in cyberspace, 37305
differences in course design & moderator behavior, patterns of participant interaction in text based interchanges in computer mediated conferences, adults, 27967
interactive videoconference, ability to increase knowledge & enhance role in implementation of Public Law 99-457 Part H for children with special needs, public health nurses, 27652
Internet use & addiction, adult users, 41554
potential advantages & implementation problems of using telemedicine for psychiatric consultations in underserved populations, 43348

reliability & acceptance of videoconferencing equipment in symptom assessment, patients with schizophrenia, 26527
salient group vs individual identity & group membership length, social & interpersonal & intellectual responses in computer mediated collaboration 18–41 yr olds, US vs England, conference presentation, 42000
video applications of telemedicine for psychiatry, literature review, 39857
Telekinesis [See Psychokinesis]
Telemetry—Serials
dorsal implantation of telemetric transmitter for recording of EEG signals, rats, 14925
Telencephalon [See Also Basal Ganglia, Cerebral Cortex]—Serials
bilateral archistriatum lesions, unlearned fear & avoidance in response to novel object placed in unfamiliar open field, 2 day old chicks, 472
embryonic hippocampal vs anterior telencephalon transplants, hippocampal lesion induced spatial memory deficits, zebra finches, 34569
optimal acoustic stimulus amplitudes & frequencies, phase locking & time delayed modulation of neuronal firing rates in nucleus laminaris generated by nucleus magnocellularis, chick embryos, 11034
passive avoidance training, locally evoked field response & characteristics of single neurons in hyperstriatum ventrale, domestic chicks, 10928
role of brain regions & ectostriatum in picture & object discrimination, pigeons, 34591
telecephalic ablation, short-term memory & attention, goldfish, 34567
telencephalic ablation, spatial learning & memory deficits in pre-trained place & turn maze procedures, goldfish, 11002
telencephalic lesion, spatial constancy vs cued learning & spatial memory, goldfish, 6666
visual system EPs & picrotoxin induced blockade of ectostriatal inhibitory synapses, normal wild type vs white zebra finches with normal retinal pigmentation & retinofugal projections, 3051
Telepathy—Serials
communication of music by ESP, ESP high scorers from general population, 18032
judgment of covariation between transmitted symbols & corresponding feedback by receiver in telepathy experiment, believers vs skeptics of ESP, 18031
music as target in ESP ganzfeld experiment, adults, England, 21475
out-of-body experiences & telepathy & clairvoyance & dreams & brain-scanning devices, male claiming frequent out-of-body experiences, 18029
Telephone Hot Lines [See Hot Line Services]
Telephone Surveys—Serials
agreement of telephone interview & home visit self-reports in assessing activities of daily living difficulty & dependence, 60–75+ yr olds, conference presentation, 40920
assessment of impact of violent crime with telephone interviewing vs mail surveys, interviewees, 14479
power & knowledge & trust, income disclosure in surveys, 18–90 yr olds, 30532
quantitative analysis of mail vs telephone survey of criminal justice attitudes, adults, 34092
quantity & quality of data collected via telephone vs face-to-face interview vs questionnaire method & effectiveness of community-based Spanish arthritis self management program, adults with arthritis, 43386
random digit dial telephone vs self-administered school based surveys, sample demographic characteristics & self-reported drinking & driving behavior, adolescents, 41712
telephone survey methods, marketing research firms from 17 countries, 40994
telephone vs paper & pencil vs in person interviewing data collection strategies, 21213
Telephone Systems—Serials
accuracy of telephone screening in identification of potential dementia cases, elderly with Alzheimer's disease, implications for location of dementia cases in community based investigation, 4668
bilingual computerized speech-recognition cellular telephone vs face-to-face prototype of Center for Epidemiological Studies Depression Scale, 18–67 yr old Spanish vs English speakers, 6032
developmental differences & knowledge levels in use of telephone for incoming vs outgoing emergency vs nonemergency calls, preschoolers vs 1st vs 3rd vs 5th graders, 18495
position of affective & proximate relations, typology of personal telephone networks & telephone usage patterns, adults, 18398
risks & benefits & professional considerations of psychotherapy via telephone, clients & psychologists, 8766
telephone counseling for smoking cessation, 24331
telephone vs adding machine numeric keypad layout, user preference & performance, 17–31 yr olds, Canada, 10204
use of answering machines, evaluation of not answering telephone calls, college students, 11681
use of telecommunication relay services, adult stutterers, 23230
use of telephone for hypnosis, reversing preterm labor, pregnant female at 26 wks, 15478
voice mail telephone system as vehicle for home-school communication at early vs later elementary school levels, parents & kindergarten & 4th & 5th grade teachers, Canada, 29666
Televised Instruction—Serials
multimedia laboratory vs recitation style or video lecture, learning & retention of factual knowledge & skills, college students, 9875
Television [See Also Educational Television, Television Advertising]—Serials
constructionism & framing in TV news media coverage of American Indian protest movement, 1968–79, 703
content analysis & multivariate reanalysis of parenting behavior data from TV fictional situational comedies, 41588
content analysis of beneficial & detrimental parenting behaviors & reinforcing or punishing consequences in prime time fictional situational TV comedies about families, coders, 41587
content analysis of emotional situations & nature of presentation of emotional events on prime time family sitcoms popular with children, 18416
correlation between portrayal of mental illness & portrayal of violence in prime-time TV, 29700
danger of commercial sex & subsequent fear of contagion from within created by HIV/AIDS warning messages on TV, Thailand, 12516
development issues & construction of meaning through TV program "Beverly Hills, 90210", 12 & 17 & 21 yr olds, 41711
distance based processes in judgments of time of news events & 60 Minutes stories from past months, 17–92 yr olds, 34269
factors involved in enhancing TV programs aimed at reducing prejudice toward ethnic minorities, White adults, Netherlands, 3320
field scan direction, visual perception of raster-scanned displays, 20–56 yr olds, 28775
frequency & characteristics of safety behavior, characters in fictional TV programs viewed by children, 704
incidence of TV property vs verbal vs physical violence, adults, Japan vs Spain vs US, commentary, 1345
issues in the use of cited others in persuasive communication, televised politics, 30208
labeling of variables in study of incidence of TV property vs verbal vs physical violence, adults, Japan vs Spain vs US, commentary reply, 16044
life rhythms & TV viewing habits & TV ratings & interest in different types of programming, 5–14 yr old TV viewers, Slovak Republic, 25689
national & local & cable network & independent superstation TV news broadcasts, content analysis of amount & type of violence & conflict & suffering portrayed on TV, 21971
perception of portrayal of family relationships & experience of children in domestic TV comedies from 1954 to 1994, college students, 18412

psychoanalytic interpretation of television series "The Singing Detective", conference presentation, 41545
recall of print vs TV news information with vs without expectation of recall test, 4th & 6th grade males & females, Netherlands, 22054
rhetoric & symbolism in TV coverage of sexual harassment charges by A. Hill against Supreme Court nominee C. Thomas during 1991 confirmation hearings, construction of reality frames, 11302
TV images, self perception of physical attractiveness, African Americans, 11746
TV, reading comprehension & decoding skills, 8 & 10 yr olds, Netherlands, 3 yr study, questionnaire items appended, 25758
use of TV series to define gender identity & discuss ethic of relationships, children & adolescents, France, 22128

Television Advertising—Serials

Advertising Response Model in linking tracking to pretesting of attitudes toward commercial advertisements, 43882
attention getting tactics in TV advertising & perceptions of personal & advertiser investments & benefits, inference of audience manipulation, consumers, 14055
attitudes for food products & emotional vs informational advertising content, 19–69 yr olds, Canada, 24858
attitudes toward government TV advertising, discussion group attendance, 15–64 yr olds, England, 5826
brand & category conditions & underlying business strategies & media usage & copy variables in cable TV advertising, market response & sales, commentary, 33774
commercial duration & serial position & level of advertising competition in TV advertising blocks, brand name recall, adult consumers, 33773
exposure to sports promotion of tobacco & alcohol products, smoking & drinking behaviors, 13–18 yr olds, 38634
moment to moment emotional responses & length & ending, overall judgment of commercials, college students, 33758
negative political TV advertising, evaluations of target & source candidates, university students, Canada, 35271
phenomenological analysis of TV commercial as means to examine implications of mass-commodity culture, 37250
portrayal of gender roles in television commercials, Kenya, 10181
responses to award vs non-award winning commercials, advertising professionals vs adult TV viewers, 33767
segmentation of population by attitudes toward TV advertising, evidence from 2 advertising campaigns, 43881
social capital & interpretation of political ads & news & Web Site information in presidential election, citizens, 1996, 41912
television program content & program evaluation, ability to remember mid-program advertisements, college students, 41131
TV political advertisements & technological distortions & negative vs positive image of presidential candidates Dole vs Clinton, college students, 41911
TV program arousal & pleasantness, emotional responses to TV commercials, viewers, 24857

Television Viewing—Serials

ambulatory monitoring device, assessment of physiological & behavioral & psychological effects of viewing different types of TV programs, 10–13 yr old males with high vs low TV consumption, Germany, 15184
amount of soap opera vs sport vs music video TV viewed, body dissatisfaction & drive for thinness, female adolescents, Australia, implications for sociocultural role in eating disorders, 4476
attitudes toward & knowledge of alcohol & parents' drinking behavior & reasons for drinking & TV viewing habits, drinking behavior, nondrinkers vs light vs moderate vs heavy drinkers, England, 22404
attitudes toward government TV advertising, discussion group attendance, 15–64 yr olds, England, 5826
causal factors & grammar categories & hierarchical levels, free recall of TV stories, 4 & 6 yr olds & adults, 25793
combined time-series & control-group analysis of questionnaire intervention, viewing behavior, TV audience panel, Germany, 7160
cultivating effect of television viewing, materialism & low moral values, 8th–10th graders, Hong Kong, 15279
double vs single source data, TV program selection, adults, 24832
fictional conversations from children's television show as models for ordinary conversational organization & practices, 15131
frequency of TV viewing & negative health behaviors & health & psychosocial conditions, 9th–12th graders, 29912
life rhythms & TV viewing habits & TV ratings & interest in different types of programming, 5–14 yr old TV viewers, Slovak Republic, 25689
newspaper vs local vs network TV newscasts, hard vs soft news knowledge, adults, 11303
ocular alignment & fusional amplitude & AC/A ratio & stereoacuity & accommodation & pupil size, viewing stereoscopic Hi-Vision TV, 24–69 yr olds, 21279
parental characteristics & interaction & children's TV viewing, 8–12 yr olds & their mothers, India, 22288
PC activity, TV usage, child & adolescent & adult members of households, 29699
personal characteristics & media usage, attitudes toward television violence, 11–16 yr olds, 34916
place of TV violence in social work interactions, social workers & 6–10 yr olds, 22477
positive vs negative news bulletins, mood state & perception of own personal problems, 18–26 yr old college students, England, 29703
pre- vs post-election TV viewing, political & election knowledge & attitudes & voting behavior, viewers, England, 705
program availability & family & demographic & individual characteristics, entertainment TV viewing, 3 & 5 yr olds, 2 yr study, 18626
responses to televised depictions of intimacy, adults, 25672
sensation seeking, TV viewing motives & preferences, college students, 22561
television program content & program evaluation, ability to remember mid-program advertisements, college students, 41131
television role models & age & parent's educational level, career aspirations & vocational identity, African-American 7th–9th graders, 25879
television viewing habits & parental employment & educational quality of home environment, IQ & school readiness, preschoolers (mean age 4.8 yrs) from low-income families, 34788
TV broadcasts of suicide attempt by self-poisoning with paracetamol overdose, changes in number of overdoses & use of paracetamol, 15–71 yr olds who attempted suicide, UK, 8158
TV caption presentation rate, reading performance, ESL vs English as primary language graduate students, implications for hearing impaired viewers, 25208
TV program arousal & pleasantness, emotional responses to TV commercials, viewers, 24857
TV program choices & discussion of content, adults living in retirement community, 15377
TV viewing & TV focused social interactions & solving of real vs videotaped balance scale problems, 3 & 5 yr olds, 2 yr study, 742
TV viewing, decoding of emotionally expressive nonverbal behavior, 2nd–6th graders, 11343
TV viewing, normative social beliefs & memory regarding prevalence of affluence, heavy vs light viewing adults, 33750
TV viewing rules, actual TV viewing, children, 784
utility of ratings based TV audience theories, implications for model of audience duplication & future of audience behavior research, 18411
viewing conventional vs binocular stereoscopic television, critical flicker frequency measurements of fatigue, expert and nonexpert viewers, 21273
viewing of television program segments with scenes reordered vs incomprehensible language audio tracks, auditory probe RTs & visual attention, 5 yr olds, 38326
warning label with vs without authoritative source vs information label, attraction to TV violence, college students with vs without high reactance, 3317

Temperament [See Personality]
Temperature (Body) [See Body Temperature]
Temperature Effects [See Also Cold Effects, Heat Effects] —Serials
ambient temperature & alternative variables, role overload, 21 nations, 24796
ambient temperature & food availability vs restriction, thermoregulatory capacity & total food intake & gross food efficiency & body weight, male rats, 11046
ambient vs chilled water, water consumption during hot summer weather, ponies, 6511
effects of temperature on aging, implications for rate of living & free radical theories of aging, reappraisal of prominent studies, 18430
frequency & duration of menopausal hot flushes & correlation with anxiety & environmental temperature, 45–55 yr old females, UK, 6751
inhibitory effects of amiloride, salt responses of chorda tympani nerve at different temperatures, C57BL vs BALB vs 129 mice, 11178
light–dark cycle & thermal gradient, temperature selection & body temperature & locomotor activity rhythms, degus, implications for circadian & homeostatic systems asynchrony, 11049
noxious cutaneous thermal stimuli, release of endogenous substance P in spinal cord, male rats, 41302
photoperiod & temperature & gender & type of food & origination locality, food hoarding & consumption, pouched mice, 14764
presence of temperature control system & outdoor temperature at workplace, working heart rate, 20–64 yr old industrial employees, Israel, 40636
seasonal & diurnal environmental temperature, foraging behavior, snakes, Mexico, 37894
specific alteration of rhythm of environmental temperature stress, histidine preference changes & ingestive behavior, male albino rats, implications for effects on central & peripheral nervous system, 10967
temperature & time of day & other weather variables, assault & aggressive behaviors, crime data from police reports in 1987–88, 35845
temperature & trifluoperazine, mitotic index of head neural ganglion & calmodulin, 3-mutant line Drosophila larvae, 21712
thermal background & edges, orientation to prey, adult diamondback rattlesnakes, 37811
warm vs cold ambient temperature, egressions into field & onset of independent feeding & overall weaning & growth, rat pups, 10830
Temperature Perception—Serials
capsaicin vs red peppers during gestation, hot plate escape response latency, rat pups, 7023
unilateral & bilateral temperature comparisons, 16 yr old split brain patients & 26 yr old acallosal & 18–30 yr olds callosotomized patients, 42815
Tempo—Serials
base tempo & direction of change, perceived tempo change, young adults, Netherlands & Czechoslovakia, 25231
encoding accuracy & long term memory for musical tempo, 16–35 yr olds, 6385
perceptual & eye–hand span while playing & reading single-line melodies with 2 vs 4 vs 6 beats, pianists, 34194
role of context & skill in sensitivity to time change, adults with high vs low musical skill, 28721
Temporal Frequency—Serials
cochlear mechanical & temporal modulation of spatial bandpass filtering bandwidths, amplitude of response of auditory nerve transfer functions to signals, cats, 10951
delay time & spectral bandpass filter condition & pitch strength of iterated rippled noise stimuli, tone discrimination & processing by peripheral auditory system, listeners, 10674
detection & temporal identification thresholds of red-green vs achromatic stimuli, adults, 25196
detection of time-varying signal in spatiotemporal noise with vs without temporal phase information cue, adults, 25189
discrimination of intracranial movement based on time varying interaural temporal disparities conveyed by envelopes of high frequency 2-tone complexes, adults, 17845
fore & background speed, motion perception, adults, 14544
interkey timing in piano playing &/vs typing performance, skilled pianists, 41052
long term analysis of temporal bandwidth structure & envelope variability of stimulus in gap discrimination tasks, judgment in temporal resolution task, listeners, 25225
memory for content details vs memory for temporal source, discrimination of repeated event, 4–5 vs 6–8 yr olds, 41660
modification of temporal envelopes as function of ripple density of frequency bands, spectral contrasts in speech perception, listeners, 10654
multiple looks model of auditory temporal integration & resolution, 2788
noisebursts presented under varying background & intensity & modulation & frequency conditions, temporal acuity & resolution & auditory gap threshold, normally hearing 17–40 vs 64–77 yr olds, 38469
odor encoding by temporal sequences of firing in oscillating neural assemblies, locusts, 14943
odors, temporal & spatial response patterns in & coherent firing neurons in field potential oscillations in antennal lobe, locust, 18171
perceptual compensation of formants with linear vs quadratic frequency trajectories, college students, 28798
practice, auditory temporal-interval discrimination of 100 msec intervals & generalizability to different tonal frequencies or temporal intervals, 21–46 yr olds, 34167
predictability of intervals during vigilance, preening sanderlings, commentary reply, 418
predictability of intervals during vigilance, preening sanderlings, commentary, 400
presentation mode & repetition lag, temporal & spatial repetition blindness in letter string recognition, college students with normal vision, 17830
pure vs noise-induced temporal modulation reduction, sentence intelligibility & speech reception threshold, 19–27 yr olds, Netherlands, 28800
red-green & achromatic flickering stimuli with 2-filter model, detection threshold & temporal-frequency identification performance & prediction of contrast–speed dependency, Os, 34157
spatial trajectory complexity & temporal synchrony demands, performance in bimanual movement tasks, callosotomized male 40 yr old, 4665
spatio-temporal frequency domains & their relation to cytochrome oxidase staining in visual cortex, cats, erratum, 29366
spatio-temporal frequency domains & their relation to cytochrome oxidase staining in visual cortex, cats, 29365
spectral separation between temporal frequencies of noise bands presented above detection threshold, detection of auditory gap for pairs of noise bands, Ss, 10662
structural hypothesis of temporal patterns in human interaction, application of pattern detection & analysis software, 22431
temporal & frequency features of bow-call & bowing movements, sexually active male doves, 37872
temporal asymmetry of damped vs ramped exponentials to modulate sinusoid or wide band noise, discrimination of sound quality of carrier, listeners, 10664
temporal integration of loudness levels for tones vs broadband noises, adult listeners, 17851
Temporal Lobe [See Also Auditory Cortex]—Serials
abnormalities in anatomy & physiology & function of medial temporal lobe in schizophrenia, literature review, 42302
abnormalities in entorhinal cortex neuronal migration, postmortem brains of patients with schizophrenia, 39026
activation of left temporal lobe neural sites, category related lexical retrieval, adults with brain lesions, 4657
activation of temporal & prefrontal right hemisphere regions in processing of moral & grammatical & semantic aspects of fables, adults, 14865

activity in deep midtemporal cortex & 1st & 2nd visual cortex regions, implications for neural correlates for consciousness, 6616
age & laterality of anterotemporal lobectomy for relief from intractable seizures, word finding ability, epileptic patients, 5197
alternating intrahippocampal cognitive potentials in temporal lobe epilepsy, 13–48 yr old patients, erratum, 12621
attention within vs without receptive field, responses of direction selective neurons in middle & medial superior temporal visual cortex & in temporal sulcus, monkeys, letter, 14885
attentional processes in target discrimination, 26–55 yr olds with frontal vs temporal lesions, 12670
auditory stimulation with abnormal vs normal obsession vs neutral verbal stimuli, cerebral blood flow in basal ganglia & temporal & hemispheric regions, patients with obsessive compulsive disorder, 4200
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary, 8643
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary reply, 8586
behavioral neuroanatomy & positive neuropsychiatric symptoms of temporolimbic lobes, 42169
bilateral factor structure in temporal lobe from MRI data, 27–54 yr olds with schizophrenia, 7998
bilateral lesions in perirhinal cortex or fornix or both, retrograde vs anterograde amnesia in visual discrimination learning, male rats, 21720
bilateral lesions of amygdala & additional temporal lobe structures, ability to recognize facial expressions of emotion, male 59 & 73 yr olds with herpes simplex encephalitis, case reports, 8600
body mass index & atrophy of medial temporal cortex vs other brain regions & cognitive impairment, Alzheimer's disease patients, 23409
carbamazepine, neuropsychological deficits, female 24 yr old with depressed mood & panic symptoms & temporal lobe electrophysiological disturbance, case report, 9114
cerebral blood flow in temporal & posterior & cingulate & prefrontal areas when listening to affect laden autobiographical material, adults, 6621
cerebral metabolism during perception of simulated biological motion with point-light displays, 19–27 yr olds, role of parietal cortex & superior temporal sulcus, 10927
clinical & anatomical & histological characterizations in nosology of fronto-temporal dementia, literature review, 1606
cognitive dysfunction & temporal lobe abnormality & brain function lateralization, 5–17 yr olds with intractable temporal lobe epilepsy, 8591
cold-induced reversible suppression of temporal cortex, visual perception & identification & retrieval & learning, monkeys, 6632
complex object features, response of cells in Area TE of inferotemporal cortex columnar regions, monkeys, 29372
confusion of symptoms from psychomotor epilepsy with psychiatric symptoms from focal seizure localization, reprint, 31778
connectionist study of semantic category imprecision & temporal lobe distribution of semantic knowledge, 29691
Continuous Visual Memory Test as measure of nondominant temporal lobe dysfunction, 15–59 yr olds with complex-partial epilepsy with right vs left temporal seizure focus, 31885
coronal sphenoidal vs anteroposterior temporal electrode montage, recognition of seizure presence & onset time on EEG recordings of temporal lobe epileptiform seizures, experienced EEG readers, 533
correlation between MRI hippocampal volumetry & verbal memory performance, patients (mean age 32 yrs) with left temporal lobe epilepsy, 31806
damage of dopaminergic & serotonergic systems, description of mental state & neuropathology of frontotemporal dementia, 38 yr old female, case report, 4688
damage to inferior temporal vs parietal cortex, perception of rotated or different shapes, patients & nonhuman primates, 8657
decreased expression of alpha-amino-3-hydroxy-5-methyl-4-isoxazole propionate-preferring non-NMDA glutamate receptors in medial temporal lobe, 28–83 yr olds with schizophrenia, 39033
directed attention & binaural vs dichotic presentation of auditory stimuli, positron emission tomography assessment of regional cerebral blood flow in temporal lobes, 21–39 yr olds, 6656
distractibility & temporal modulation of attention in visual RT task with auditory probe stimuli added, 21–61 yr olds with schizophrenia, 12077
EEG assessed disruption of left frontal & temporal connections & level of syndrome symptomology, 20–54 yr old schizophrenic patients, Canada, 39054
EEG in diagnosis & temporal lobe arachnoid cyst & attention deficit hyperactivity disorder, males aged 4 & 7 & 9 yrs, case reports, 36117
efficacy of verbal vs nonverbal selective reminding tests for nonverbal spatial memory, adults with right vs left temporal lobe epilepsy, 34046
encoding of smooth pursuit direction & eye position in dorsal region of area medial superior temporal, male macaque monkeys, 34580
epileptic seizure of right temporal lobe, effect on musical performance, patient with epilepsy, case report, 19666
extent of bilateral resection & medial temporal lobe lesion & other brain abnormalities & relation to amnesia, 67 yr old male with epilepsy, 36069
factors in outcome of temporal lobectomy, 14–55 yr olds with bitemporal interictal epileptiform patterns, 36620
first rank symptoms & temporal lobe abnormalities, individuals with schizophrenia, reply to P. Critchon's commentary, 30943
first rank symptoms & temporal lobe abnormalities, individuals with schizophrenia, implications for psychiatric diagnosis & clinical symptoms, commentary, 30953
fluorodeoxyglucose uptake at left & right anterior inferior temporal regions, 26–55 yr old male repeat violent offenders vs nonrepeat violent offenders with schizophrenia & schizoaffective disorder, 26732
forgetting rates over intervals in organic amnesia, adult patients with focal temporal lobe vs diencephalic vs frontal lobe lesions, 36102
frontal function & verbal learning & word fluency & forgetting rate & interference effects on verbal memory distractor task, patients with right vs left temporal lobe epilepsy, 8594
functional imaging of role of frontal & striatal & temporal areas & receptor function in schizophrenia, literature review, 4192
genetic factors in planum temporale asymmetry, schizophrenic patients & their 1st degree relatives, England, 35594
hemifield specific visual recognition memory, 20–41 yr olds with partial unilateral temporal lobe removal, England, 42808
high level shape recognition, 21–47 yr olds with unilateral anterior inferior temporal lobectomy, 24011
implicit memory measured by word-stem priming, 45–78 yr olds with temporal–occipital lesions, 42826
increased manganese & copper superoxide dimutase activity in postmortem frontal & temporal lobes, 29–52 yr olds with psychosis, implications for etiological role of free radicals, 12054
individual & mixed odors, spatio-temporal excitation & analogue in antennal lobe & glomeruli, honeybees, 34545
interictal cerebral glucose hypometabolism, cognitive & language functioning, 15–59 yr olds with refractory focal epilepsy of left vs right mesiotemporal origin, 12577
iodine-123 iododexetimide cholinergic neuroreceptor SPECT, localization of temporal lobe epileptic foci, patients with temporal lobe epilepsy, Australia, 26949
lateral & 3rd ventricle enlargement & cortical & medial temporal & caudate atrophy, patients with early vs late onset major depression (mean age 75.9 yrs), 35527

laterality of parietotemporal EEG activity, nonanxious (mean age 36.7 yrs) vs anxious (mean age 41.3 yrs) patients with major depression, 30829
left temporal-occipital partial status epilepticus induced focal inhibition, inability to name objects & colors in peripheral visual field, female 21 yr old, case report, 8599
lesions of anterior ventromedial temporal cortex TE inputs, visual memory & recognition of familiar objects & faces, monkeys & humans, implications for Alzheimer's disease, literature review, 479
levels of kynurenic acid & activities of kynurenic acid synthesizing enzymes kynurenine aminotransferase I & II in postmortem frontal & temporal cortex, 46–69 yr olds with Downs syndrome, 19462
local to global target switches in directed vs divided attention tasks, hemispheric specialization & activation of temporal parietal areas, adults, letter, 14832
localization of lexical level of categorically organized word knowledge in left temporal lobe, adults with focal brain lesions, commentary, 4652
locus & rate of degeneration of temporal lobe & hippocampus & parahippocampus, healthy elderly vs preclinical dementia patients 84 yrs & older, longitudinal study, 36101
luminance & chromatic background flicker, pattern onset visual EPs, adults, implications for parallel visual pathways to posterior parietal & inferior temporal lobes, 14823
magnetic resonance spectroscopy metabolite resonance ratios in temporal vs parietal lobe, patients with probable Alzheimer's disease, conference presentation, 39501
magnetoencephalographic source mapping of medial temporal & hippocampal activation during auditory & visual oddball task, healthy 29–50 yr olds, 6724
maximum length sequence brain stem auditory evoked responses, rate induced latency shifts & age differences in temporal processing capacity & adultlike adaptations, immature cats, 21729
medial temporal lobe, processing of novel auditory & tactile stimuli, patients with damage to posterior hippocampal region, 23425
medical & developmental & social & familial variables, IQ, 16–63 yr olds with intractable internalized temporal lobe epilepsy, 31781
midline cerebral morphology, 49–86 yr olds with frontotemporal dementia vs Alzheimer's disease, 36100
MMPI assessment of preoperative vs postoperative emotional & personality adjustment, left vs right temporal lobectomy patients, followup study, 5215
MRI abnormalities in frontal vs temporal lobes vs posterior cerebral hemispheres, 20–55 yr olds with chronic schizophrenia or schizoaffective disorder, 26525
MRI findings in temporal lobe & hippocampus & amygdala complex & 3rd ventricle, 21–39 yr olds with schizophrenia, Germany, 26485
MRI findings in temporal lobe & hippocampus & amygdala complex & 3rd ventricle, 21–39 yr olds with schizophrenia, Germany, erratum, 39028
MRI research on temporal lobe & hippocampal atrophy in Alzheimer's disease, commentary, letter, 12611
MRI research on temporal lobe & hippocampal atrophy in Alzheimer's disease, commentary reply, letter, 12649
name recall and face-name association abilities, 61 yr old female patient with selective left hemispheric medial & lateral temporal lobe damage, 31866
negative symptoms & poor prognosis associated with left temporal lobe atrophy, paranoid schizophrenic 40 yr old female, case report, 15944
neural model for object oriented attention & selection of target amid distractors, delayed activity in infero temporal visual cortex during visual search, monkeys, 3096
neuropsychological correlates of psychomotor poverty & disorganization & reality distortion syndromes, 17–60 yr olds with schizophrenia, Canada, 35619
neuropsychological perspective on & relation of hemispheric asymmetry & temporal lobe & limbic system function to personality & emotions, 37956
oral & written picture naming & other verbal & graphic semantic output & neuropathological correlates in temporal lobe, 66 yr old male with acute anomic aphasia, application of lexical process model, 36129
parietal & temporal lesions, recognition of object context in depth vision task, male gerbils, 21634
performance on California Card Sorting Test, dissociation of verbal & nonverbal concept formation abilities, 46 yr old male with right temporal lobectomy, case report, 12602
performance on putative tests of frontal vs temporal lobe memory functions, subclinical compulsive checkers vs noncheckers, clinical implications, 1321
performance on Wisconsin Card Sorting Test, right vs left vs frontal vs nonlocalized temporal lobe epileptic patients, 8608
perirhinal cortex ablation, visual object-discrimination & recognition, male cynomolgus monkeys, 34524
place disorientation & prosopagnosia & inability to name famous buildings or landmarks, 60 yr old male with right temporal lobe damage from encephalitis, case report, 31834
planum temporale & asymmetry, adolescents with childhood-onset schizophrenia & high rate of prepsychotic language disorders (mean age 13.9 yrs), 30990
planum temporale asymmetry reversal, patients with schizophrenia, replication & extension, 30930
postmortem analysis of selective losses of nicotinic acetylcholine receptors in temporal cortex as seen with epibatidine & ABT 418 heterogeneities, patients with Alzheimer's disease, 16391
prefrontal cortex cells & inferior temporal cortex mechanisms, visual working memory in delayed matching to sample task, macaques, 14860
processing of visual objects, 58 yr old male with bilateral damage to anterior portion of inferior temporal lobe, 42840
quantitative MRI assessed volume changes of anterior superior temporal gyri, patients with late onset schizophrenia (mean age 72 yrs) vs patients with Alzheimer's disease (mean age 74 yrs), 26338
